- 4th. Report of Special Committees
- 5th. Resolutions and Communications
- 6th. Unfinished Business

Rule I. The Chairman shall take the chair at the time the Board stands adjourned, and the Board shall be called to order and the Roll of members called.

Rule II. Upon the appearance of a quorum the Journal of the preceding day shall be read by the Clerk, and any mistake therein shall be corrected by the Board.

Rule III. The Board shall appoint a Chairman pro tempore, who shall perform the duties of the chair in the absence of the Chairman.

Rule IV. The Chairman shall preserve order, and shall decide questions of order, subject to an appeal to the Board.

Rule V. Every member, when he speaks, shall address the Chair standing in his place. No member shall speak more than twice in any one debate on the same day without leave of the Board.

Rule VI. When two or more members rise at once the Chairman shall name the member who is first to speak.

Rule VII. No motion shall be debated until the same is seconded; and it shall be reduced to writing if desired by the Chairman or any member, delivered at the desk and read by the Chairman or Clerk, before the same shall be debated, but it may be withdrawn any time before decision or amendment.

Rule VIII. When a question is under debate, no motions shall be received but to adjourn, for the previous question, to lay on the table, to postpone indefinitely, to postpone to a certain day, or to amend; which several motions shall have precedence in the order in which they stand arranged.

Rule IX. A motion to adjourn shall always be in order. That and the motion to lay on the table shall be decided without debate.

Rule X. The previous question shall be in the form "Shall the main question be now put?" It shall only be admitted when demanded by a majority of the members present, and its effect shall be to put an end to all debate and bring the Board to vote upon pending amendments and then upon the main question.

Rule XI. When a member shall be called to order, he shall sit down immediately, until the Chairman shall have determined whether he is in order or not; and any questions of order shall be decided by the Chairman, subject to an appeal.

Rule XII. A motion to convene as a committee of the whole shall be in order when there is no privileged motion before the house, and when carried by a majority of the members voting the house shall convene, but any action taken in committee-of-the-whole must be confirmed in the regular session of the Board.

Rule XIII. No member shall absent himself from the Board without leave first being obtained and no member shall draw compensation unless he shall have answered roll call at least once each day or has himself recorded present during said session.

Rule XIV. Ayes and nays shall be ordered when demanded by any member of the Board provided said member shall demand same before the vote is ordered.

Rule XV. Each member shall be required to vote on every question unless excused by the chairman.

Rule XVI. When a question has been once put and decided by ayes and nays, it shall be in order for any member (voting in the majority) to move a reconsideration thereof. On all other questions any member may move a reconsideration. But no motion for a reconsideration shall be in order unless made on the same day, or succeeding day, on which the vote was taken, nor shall any question be considered more than once without unanimous consent.

Rule XVII. After the ayes and nays are called upon any question, and after the question is stated from the Chair, and the Clerk directed to call the roll, no member shall be entitled to speak on the question.

Rule XVIII. Select committees to whom reference shall be made, shall in all cases report a state of facts, and their opinion thereon, to the Board.
