1200 N. TELEGRAPH ROAD DEPT 453  
PONTIAC, MICHIGAN 48341-0453**

#### **FRONT COVER:**

County Treasurer C. Hugh Dohany and Lynn D. Allen, former County Clerk/ Register were both elected in 1968. This directory is dedicated to the excellent service they have provided over the past 30 years.

The longest serving team of County Clerk/Register and County Treasurer in the State of Michigan and fixtures at the Oakland County Courthouse came to an end in October of 1998 with the retirement of Lynn D. Allen.

Treasurer C. Hugh Dohany continues to be the longest serving County Treasurer in Michigan and is now teamed with G. William Caddell, our new County Clerk/Register of Deeds.

(Pictured: C. Hugh Dohany, County Treasurer and Lynn D. Allen, County Clerk/Register)

# COUNTY COMMISSIONER DISTRICTS

## DISCOVER THE OAKLAND COUNTY PARKS

With preservation of open greenspace a top priority, the Oakland County Parks and Recreation Commission strives to enhance quality of life for its 1.5 million annual visitors.

Recreational, leisure and learning experiences are made possible through special events, programs and facilities supported, in part, by a one-quarter mill tax. Since 1966, Oakland County residents have voted to support the parks system at an annual cost of \$18.00 (per \$100,000 home).

More than 5,600 acres of land have been acquired by the Oakland County Parks since 1966, with assistance from state and federal grants.

Ten citizens comprise the policy-setting parks commission. The 11 Oakland County Parks function in an environmentally-sensitive manner to protect the natural world for future generations.

A leader in innovative facilities and programs, the parks offer two wave-action pools with waterslides — one waterpark features a children's water playground and a group raft ride; Michigan's first refrigerated toboggan run - "The Fridge"; a year-round, dome-covered driving range, a nature interpretive center, an outdoor amphitheater and a community mobile recreation fleet.

In 1999, construction begins for an Arthur Hills-designed, 18-hole golf course at Lyon Oaks in Lyon Township. The project will include a driving range and clubhouse.

Recent improvements in the parks system include a 3,000-square-foot addition to the banquet room at Glen Oaks Golf Course in Farmington Hills. Also, the Groveland Oaks campground was renovated to 462 larger sites and a new group camping area opened.

**Addison Oaks:** The 794-acre park offers swimming, fishing, boating, camping, disc golf, cross-country skiing and ice skating. Addison's trail system is used by hikers and mountain bikers. Primitive and modern campsites with water and electricity are available. Four overnight rental cabins feature two bunk beds, electricity, a refrigerator and table with chairs. A conference center hosts business and social gatherings. On West Romeo Road, nine miles north of Rochester. (248) 693-2432.

**Glen Oaks:** The 18-hole, par 70 golf course features a clubhouse with banquet facilities and lounge. Cross-country skiing is a winter option. On Thirteen Mile Road between Middlebelt and Orchard Lake Roads, Farmington Hills. (248) 851-8356.

**Groveland Oaks:** Campers have a choice of 462 campsites, group camping areas plus four overnight rental cabins with swimming, a waterslide, fishing, boating and the largest playscape in the Oakland County Parks system. Off Dixie Highway at Grange Hall Road, Holly. (248) 634-9811.

**Independence Oaks:** Activities at this 1,088-acre park include boating and fishing on 68-acre Crooked Lake plus swimming, hiking, cross-country skiing and other winter sports. The Lewis E. Wint Nature Center offers year-round nature interpretive programs, exhibits and educational outreach programs. The Cohn Amphitheater and Rubach Sensory Herb Garden and paved All Visitor Trail were made possible through the Oakland Parks Foundation. On Sashabaw Road, 2.5 miles north of I-75. Park: (248) 625-0877; Nature Center: (248) 625-6473.

**Lyon Oaks:** This 985-acre park, the first located in southwest Oakland County, will see construction of a golf course started in spring, 1999. The 18-hole Arthur Hills-designed course and driving range will open in 2001. A day-use area for hiking and picnicking will also be constructed. Bordered by Pontiac Trail, Old Plank Road and I-96 in Lyon Township. (248) 858-0906 for information.

**Orion Oaks:** Lake Sixteen can be used for boating or fishing from a wheelchair-accessible dock off Joslyn Road. Nearly 10 miles of mountain biking, hiking and cross-country ski trails are also available on Orion Oaks' scenic 927 acres. Bordered by Clarkston, Joslyn and Baldwin Roads in Orion Township. (248) 858-0906 for information.

**Red Oaks:** The Madison Heights **Waterpark** features a wave-action swimming pool, three-flume waterslide, deck and lawn area for sunbathing, picnic facilities, sun shelter, bath house and concessions. A 9-hole, par 31 **Golf Course** is on John R Road, between 12 and 13 Mile Roads. Cross-country skiing is a winter option. Across John R is a **Sports Village** with indoor and outdoor driving ranges, mini-car track, batting cages, 36 holes of adventure golf and children's playscape. Waterpark: (248) 585-6990; Golf Course: (248) 541-5030; Sports Village: (248) 548-1857.

**Rose Oaks:** Encompassing 613 acres, the system's 11th park was acquired in 1994. The site features three different ecosystems including 200 acres of wetlands, as well as frontage on two lakes. When developed, the park may be used for hiking, boating, fishing, swimming, picnicking and cross-country skiing. On Fish Lake Road, north of Rose Center Road, Rose Township. (248) 858-0906 for information.

**Springfield Oaks:** The Springfield Oaks complex includes an 18-hole championship **Golf Course** (par 71) and a multi-purpose **Activity Center** for banquets, receptions, shows and 4-H events plus two outdoor arenas. Cross-country skiing is a winter option at the golf course. On Andersonville Road in Davisburg. Golf Course: (248) 625-2540; Activity Center: (248) 625-8133.

**Waterford Oaks:** The 154-acre park is home to the commission's administrative offices. Waterford Oaks also offers a **Court Sport Complex** with eight tennis courts, two platform tennis courts, eight sand volleyball courts, shuffleboard, horseshoes courts, picnic shelters and children's play equipment. The park boasts **Michigan's first wave-action pool (The Wave) and double waterslide (Slidewinder) plus a group water raft ride (Ragin' Rapids) and children's water playground (The Big Bucket)**. The park is also home to "The Fridge" - **Michigan's first refrigerated toboggan run**. The **Activity Center** is popular for weddings, recreation programs, banquets and parties. Classes, such as dog obedience, golf and aerobics, are also offered. In Waterford on Watkins Lake Road. Activity Center: (248) 858-0913; Waterpark: (248) 858-0918; Court Sport Complex: (248) 858-5433; BMX: (248) 858-0915; Refrigerated Toboggan Run: (248) 975-4440.

**White Lake Oaks:** At this 18-hole, par 70 course, facilities include a clubhouse with a pro shop and restaurant. A private room accommodates up to 250 persons for parties. Cross-country skiing is a winter option. On South Williams Lake Road off M-59, near Pontiac. (248) 698-2700.

**CUSTOMER SERVICE CENTER  
PLANNING AND ECONOMIC DEVELOPMENT SERVICES**

**WHERE TO GET MAPS, AERIAL PHOTOGRAPHS  
AND DEVELOPMENT INFORMATION**

If you are looking for property line maps, aerial photography, development data or business assistance, Oakland County Planning and Economic Development Services has what you need.

Property line maps of every parcel in Oakland County are updated each year. Aerial photography of the entire County is also available - our most current edition was taken in 1995. The aerials can be superimposed with the current property line maps or enlarged to a scale where detail as fine as telephone poles or parking lot lines are easily visible. Realtors and developers use aerials to locate available vacant land. If you ever need an aerial view of a street, home, place of business or accident site, Planning and Economic Development Services can provide you with a custom aerial enlargement.

The Oakland County Street Index Atlas is organized by geographic township and shows all streets, major roads, lakes, rivers, and municipal boundaries. A complete street index is included on each page. Special "theme" maps are also available which show such topics as zip codes, school districts, voting precincts, contaminated sites, planned road improvements, sewers, land use, and natural resources. These are just a few of the many maps available.

Development data and statistics are also available in a complete and user-friendly format. Population, housing, income, employment, land use, master plans, zoning and environmental data are collected and prepared. Staff is available to explain how the land is being used, where the wetlands and sensitive ecological areas are, soil conditions, population trends, ethnic makeup, median or per capita incomes and sewer locations.

School and civic group tours of the office are conducted upon request. We are also available to make presentations on various topics or projects.

So . . . if you need a map, aerial or some statistics, give us a call at Planning and Economic Development Services.

Oakland County Planning and Economic Development Services,  
Executive Office Building, 1200 North Telegraph, Pontiac, MI 48341. Phone  
(248) 858-0720 or (mapping) (248) 858-0723.

# OAKLAND COUNTY GOVERNMENT ORGANIZATIONAL CHART

**DRAIN BOARD (3)**  
Consists of Chairperson of the Board of Commissioners, Chairperson of the Friends Committee and the Drain Commissioner.

**BOARD OF CANVASSERS (4)**  
Consists of four members appointed by the Board of Commissioners.

**PLAY BOARD (3)**  
Consists of Chairperson of the Board of Commissioners who is Chairperson of the Play Board, the Clerk, Register of Deeds and the Treasurer.

**EMPLOYEES RETIREMENT COMMISSION (9)**  
Consists of Chairperson of the Board of Commissioners, Chairperson of the Finance Committee, County Treasurer, three members selected by Oakland County retired employees and three employee members selected by the membership of the retirement system.

## **OAKLAND COUNTY GOVERNMENT**

In August of 1974, Oakland's citizens voted to create the first unified form of county government in the history of Michigan. Less than 60 such governments exist across the nation.

The government is headed by an elected County Executive, whose responsibilities are similar to those of a governor or the mayor of a large city. The County Executive administers the government on a day to day basis, proposes new programs and revamps existing programs. The executive represents the interests of more than one million residents.

Under this structure, the Board of Commissioners performs a role similar to a state legislature or city council. It acts on proposals submitted by the County Executive and makes proposals of its own. Government policy is set by the Board of Commissioners and implemented by the County Executive. The County Executive may veto acts of the Board and the vetoes can be overridden by two-thirds vote of the Board.

The third branch of government, the judiciary, was not changed by the executive form of government. Similarly, the five other offices headed by officials elected countywide remain unchanged. These are the Prosecutor, the Sheriff, the Clerk/Register of Deeds, the Treasurer and the Drain Commissioner.

## **SERVICE CENTER COMPLEX**

Such a center has been developed in Oakland and the Courthouse serves as its focal point. The Service Center Complex is located on a 450-acre site and serves as the hub of county government. The County has been working towards the development of this complex by systematically constructing facilities as needed and funds permit. The Complex is laid out in a spacious setting according to a master plan, thus giving direction to an ultimate development which will be functional as well as aesthetically pleasing. Most of the County's departments and institutions presently are housed here. One of the principles designed into the Service Center is the "Community" concept of campus development whereby similar or related functions are grouped together.

At the Service Center is the Law Enforcement - Jail Complex. In designing the Complex, the County has looked to the future in anticipating an expanded role for the Sheriff's Department in law enforcement. Nationwide research as to how a jail and its related facilities might be designed to be functional and operationally efficient has resulted in a plan, which might serve as a model for other local agencies who deal in law enforcement. A closed circuit television system for surveillance and security, a crime laboratory to provide technical assistance on a local basis for crime solving, and a communication control center for the law enforcement for the entire county are in the building.

A second Complex on the Service Center grounds, the Oakland Community Mental Health Center, is operated by the county Community Mental Health Authority. The Center consolidates a number of programs for citizens with developmental disabilities, and was constructed with 60% county money and 40% Federal grant funds. The Center houses a Community Mental Health day program for more than 130 developmentally disabled individuals; in addition, the Counseling and Evaluation Service sees about 425 persons a year. The building is unique in Michigan in having been funded well over half by county government; it also provides space for the administrative offices of Community Mental Health.

The Children's Village also is on the Service Center grounds. It provides shelter, care and treatment services for neglected and delinquent wards of the Court. Situated on fifty acres in the Service Center, it consists of small units which provide an opportunity to deal with individual problems of youth. The Village affords a home-like atmosphere to the troubled children coming to the attention of the Court. It is a model which evokes considerable favorable reaction from visitors and judges from throughout the State and other areas of the country.

Oakland's officials are proud of the County Courthouse Complex and its related facilities. Visitors from other counties, states and nations have found and will continue to find themselves most welcome.

### **OAKLAND COUNTY COMMUNITY MENTAL HEALTH AUTHORITY**

Some people have serious, persistent psychiatric problems that can interfere with their whole life, especially on the job, in school, or in relationships with family and friends. Others are born with a developmental disability such as mental retardation, that will require special programming and services.

Oakland County's Community Mental Health Authority problems can help with these problems. Four major "case management" programs serve adults with serious mental illnesses in four quadrants of the County. Two Family Centers provide help for children with emotional impairments or who have developmental disabilities. Still other clinical programs provide for a variety of services to adults with developmental disabilities. These programs are staffed by psychiatrists, case managers, nurses, and other mental health professionals. Some programs are run with Authority employees, while others operate under contracts with Community Mental Health.

Fees are on a sliding scale, based on the individual's ability to pay, and Community Mental Health services are approved for reimbursement by Medicaid, Medicare, and various health insurances. These programs are part of a \$170 million system directed by the Oakland County Community Mental Health Authority Board of Directors, whose members are appointed by the County Board of Commissioners, and funding for the program comes primarily from the State of Michigan with County matching funds. The total system also includes 24-hour crisis services, inpatient psychiatric treatment, outpatient services, day programs for adults with mental illnesses and developmental disabilities, respite care for families, and a wide range of specialized services. The Oakland County CMH Authority is also the manager of all specialty mental health and developmental disability services to Medicaid eligible citizens and those insured under the State's MICHild health insurance program.

Most Community Mental Health programs are open Monday through Friday during day and some evening hours. At night and on weekends and holidays there is a Crisis Service operated by Common Ground in Pontiac; their help is available by phone or walk-in basis.

If you or someone you know — an adult or a child — may need professional mental health services, Community Mental Health is ready to help any way it can. These programs are supported by your tax dollars for the benefit of all eligible Oakland County residents.

For information or referral, just call "ACCESS", Community Mental Health's central intake unit, at (248) 858-1510. For crisis service day or night, call (248) 456-0909. Administrative offices are located in the Oakland County Service Center complex at 1200 N. Telegraph Road, Pontiac, MI 48341; phone (248) 858-1210.

## OAKLAND COUNTY ROADS

More than half of all highways, roads, and streets in Oakland County are on the county system, which is under the jurisdiction of the Board of Oakland County Road Commissioners.

The Road Commission for Oakland County (RCOC) is now in its 86<sup>th</sup> year of service to the people of Oakland County.

Totaling over 2,500 miles, this system includes all public roads in townships, and through-streets in most cities and villages. It is the largest county system in Michigan and is second in size only to the state highway system. Its subdivision streets alone (all in townships) make up more than 900 miles.

About two-thirds of the system is paved. More than half is within the county's urban area, where some roads are four, five and six lanes wide to handle heavy traffic. A single intersection, in Southfield, is the meeting place for 100,000 vehicles daily. More than 1,200 electrical signals and over 90,000 signs are in use on the county road system.

The Road Commission does not levy a countywide tax, nor does anyone levy a tax countywide for roads.

The basic source of Road Commission revenue is the state-collected vehicle fuel and registration taxes, which motorists pay at the pump, and to the secretary of state. The state-collected taxes are the only source of substantial funding for county road maintenance, and snow and ice control.

Federal, county, municipal, township and property-owner contributions are also received, but generally only for specific road projects. Such projects include adding lanes, intersection improvements, paving gravel roads, adding new gravel, resurfacing paved roads, adding passing lanes, and other safety improvement projects.

In 1992, RCOC embarked on a program called FAST-TRAC, which is an Intelligent Transportation Systems (ITS) effort. The Road Commission has installed electronic "smart" traffic signals operated by computers and video vision at more than 350 intersections across the county. This system was the first adaptive traffic control in the United States, and the Road Commission was the first local unit of government to initiate a program of this scope and magnitude.

For paving and resurfacing of subdivision streets, property owners can petition RCOC to create a special assessment district through a process prescribed by state law. The process begins by contacting the Road Commission, then petitioning and participating in public hearings.

Members of the three-person Board of County Road Commissioners are appointed for staggered six-year terms by the elected Oakland County Board of Commissioners, which also sets their salaries. Salaries are funded by state-collected vehicle fuel and registration tax revenues. The Board of Road Commissioners is separate from county general government — establishing policies as authorized by state statutes for management of the countywide road system, administering its own budget, and hiring its own full-time managing director and staff.

Citizen requests for information are given special attention by the Road Commission's Department of Citizen Services (DCS). That office may be reached between 8:00 a.m. and 4:45 p.m. weekdays by dialing (248) 858-4804.
