New Year's Day -----	Wednesday, January 1

### **FRONT COVER:**

Shortly after the terrorist attacks on September 11, 2001 in New York City and Washington, D.C., citizens of Oakland County gathered to mourn the loss of thousands of fellow citizens and demonstrate the resolve and solidarity of the American people during a time of national crisis. This photograph was contributed by county employee Jack Sato Smith.

## **OAKLAND COUNTY GOVERNMENT**

In August of 1974, Oakland County citizens voted to create the first unified form of county government in the history of Michigan. Less than 60 such governments exist across the nation.

The government is headed by an elected County Executive, whose responsibilities are similar to those of a governor or the mayor of a large city. The County Executive administers the government on a day to day basis, proposes new programs and revamps existing programs. The executive represents the interests of more than one million residents.

Under this structure, the Board of Commissioners performs a role similar to a state legislature or city council. It acts on proposals submitted by the County Executive and makes proposals of its own. Government policy is set by the Board of Commissioners and implemented by the County Executive. The County Executive may veto acts of the Board and the vetoes can be overridden by two-thirds vote of the Board.

The third branch of government, the judiciary, was not changed by the executive form of government. Similarly, the five other offices headed by officials elected countywide remain unchanged. These are the Prosecutor, the Sheriff, the Clerk/Register of Deeds, the Treasurer, and the Drain Commissioner.

## **AUTOMATION ALLEY**

Not long after Oakland County Executive L. Brooks Patterson identified Automation Alley as the nation's newest technology cluster, he recognized the need for an active government, education and technology company partnership – a consortium that would provide direction, focus and a single-voice for cluster companies.

The Automation Alley Consortium is a dynamic organization of visionary leaders of technology-focused companies, representatives of K-12 and institutions of higher learning and Oakland County government. Consortium members are dedicated to reinforcing their competitive positions in the global marketplace and to nurturing the economic vitality of Oakland County. Member companies invest time, money and staff in the development and promotion of Automation Alley as a first-class technology cluster.

In fact, more than 400 technology companies are members of this global consortium. Today, visionary leaders of Automation Alley technology companies are joining the campaign to nurture the cluster's development – working together to effect the powerful competitive advantage that it offers.

Automation Alley has all the elements to support and grow a world renowned technology cluster. On many quality of life indicators, Automation Alley is on par with or better than those technology clusters considered among the most desirable in the nation – older, more developed technology clusters like California's Silicon Valley and Boston's Route 128.

To reach Automation Alley's web site: [www.automationalley.com](http://www.automationalley.com)

## **SERVICE CENTER COMPLEX**

The Oakland County Service Center Complex has been developed for over 40 years and functions as the hub of county government. The majority of the County's departments and institutions are presently located on a 450-acre site in Waterford Township and the City of Pontiac, divided by Telegraph Road. The County has developed the complex by systematically constructing facilities as needed and funding permits. It is laid out in a spacious setting according to a master plan, giving direction to an ultimate development, which will be functional, efficient and aesthetically pleasing. One of the principals designed into the Service Center is its "community" concept of campus development whereby similar or related functions are grouped together.

The 415,000 square foot Courthouse houses Circuit, Family and Probate Courts and offices of the Clerk/Register of Deeds, Treasurer, Prosecutor and Board of Commissioners. Other major facilities located on campus are the Executive Office Building, Sheriff's Law Enforcement-Jail Complex, Medical Examiner Facility, Public Health Center, Medical Care Facility, Community Mental Health Central Offices and Children's Village.

The Oakland County Sheriff's Law Enforcement-Jail Complex serves not only as a location to house many of Oakland County's 1,800 inmates, but contains many key components of the state's largest full-service Sheriff's Office. Its resources are always ready to assist any agency or person in Oakland County.

Resources and services of the Sheriff's Office include a 24 Harley Davidson Motorcycle Unit, K-9 Unit, Aviation Unit, Marine Unit, Dragoon, Traffic and Alcohol Enforcement, Dispatch, Court Services, Forensic Science Lab, Boot Camp and many more reputable specialty units.

The over 1,200 highly trained members of the Sheriff's Office work in five different divisions which include Corrective Services, Satellite Services, Patrol Services, Technical Services and Administrative Services. The mission of the Sheriff's Office is to safeguard and protect the citizens and property within Oakland County and the care and custody of inmates.

Children's Village provides detention, shelter, care and residential treatment services for neglected and delinquent wards of the court and is situated on 50 acres on the Waterford Township side of the Service Center. The Village affords a home-like atmosphere for troubled children coming to the attention of the court and consists of nine (9) separate facilities that provide an opportunity to deal with the individual problems of youths. It is a model complex that evokes significant favorable reaction from visitors and judges throughout the state and country.

The Oakland County Service Center is a model complex and is the core of county government. Oakland's officials are proud of the complex and its related facilities. County citizens and visitors from other counties, states and nations have found and will continue to find themselves most welcome.

## **OAKLAND COUNTY COMMUNITY MENTAL HEALTH AUTHORITY (OCCMHA)**

With a FY 2002 budget of over \$198 million, OCCMHA has been serving Oakland County's 1.15 million residents since 1964. It has grown to become Michigan's second largest public Community Mental Health Care manager of mental health programs and services to adults with mental illnesses, children with severe emotional disturbances, and people of all ages with developmental disabilities. OCCMHA served over 10,000 children and adults in Oakland County during 2001.

OCCMHA is governed by a twelve-member board, consisting of primary and secondary consumers and interested members of the community.

OCCMHA is committed to two equally important and essential values for those we *support and serve*: 1) Social Equity - an improved quality of life through higher levels of personal power, choice and control and a real opportunity for full citizenship; (2) Economic Efficiency - greatest amount of public funds is used for supports and services people receive, and prudent use of public resources in an accountable manner.

OCCMHA receives over 90% of the funding for mental health services from two sources, Medicaid capitation payments and State General Funds. Additionally, the County of Oakland provides about 5% of the funding and the remaining 2% is from various sources. The FY 2002 budget allocates 95% of the funding to contracted services and support.

OCCMHA's provider network consists of five major contracted service providers and several smaller providers who offer a full range of mental health and community-based services. These include evaluation and screening, hospital and residential treatment, respite care, clubhouses and day programs, supported employment, multilingual programs, corrections services, and a dual diagnosis program for individuals with mental illness and substance abuse. OCCMHA works with seven Qualified Health Plans that provide comprehensive medical services to enrolled Medicaid recipients.

OCCMHA is fully certified by the State of Michigan Department of Community Health as required by the state Mental Health Code. Person-Centered Planning which is mandated by the code, provides individuals with disabilities with more choice and control. The goal of this model is improved quality of life for consumers and more integration as fully participating members of the community.

These programs are supported by your tax dollars. OCCMHA is ready to help eligible Oakland County residents who need professional mental health services in any way possible. For information and eligibility contact 1-800-810-3772. Mental Health clinicians answer questions, assist people in entering our system and refer consumers to providers in and out of our network. Crisis services day or night and on weekends may be obtained by phoning Common Ground Sanctuary in Pontiac at 248-456-1991.

## EXPERIENCE THE OAKLAND COUNTY PARKS

With preservation of open space a priority, Oakland County Parks strives to enhance quality of life for its 1.5 million annual visitors.

Recreational, leisure and learning experiences are made possible through special events, programs and facilities, supported in part, by a one-quarter mill tax.

Homeowners pay an average of \$18.75 (on a \$150,000 home) to improve, maintain and acquire parks and recreation areas in Oakland County. Voters have supported the Oakland County Parks since its inception in 1966.

Currently, the 11-park system totals more than 6,000 acres. Land is acquired with assistance from state and federal grants. Ten citizens comprise the policy-setting parks commission.

A leader in innovative facilities and programs, the parks system offers two waterparks; The Fridge, Michigan's first refrigerated toboggan run; a nature interpretive center; and a community mobile recreation fleet.

By spring 2002, Lyon Oaks County Park will be open for hiking, picnicking and nature interpretation. Park visitors will also be able to enjoy a large picnic shelter and grounds with nearby restrooms.

The centerpiece of the park will be a 200-acre Arthur Hills-designed, environmentally focused golf course. Hardwood forests and an abundance of natural wetlands will increase the challenge of the 18-hole course. The golf course, driving range, clubhouse pro shop and grill room will be open in spring 2002.

For more information, visit the Oakland County Parks website at [www.co.oakland.mi.us](http://www.co.oakland.mi.us) for discount coupons, maps and more or call 1-888-OCPARKS.

**Addison Oaks:** The 794-acre park offers swimming, fishing, boating, camping, disc golf, cross-country skiing and mountain bike trails. Primitive, modern and group campsites plus four overnight rental cabins are available. A conference center hosts business and social gatherings. On West Romeo Road, nine miles north of Rochester. (248) 693-2432.

**Glen Oaks:** The 18-hole, par 70 golf course features a clubhouse with banquet facilities and a wedding garden for outdoor ceremonies. Cross-country skiing is a winter option. On Thirteen Mile Road between Middlebelt and Orchard Lake Roads, Farmington Hills. (248) 851-8356.

**Groveland Oaks:** Campers have a choice of 462 campsites, group camping areas plus four overnight cabins with swimming, a waterslide, fishing, boating and more. Off Dixie Highway at Grange Hall Road, Holly. (248) 634-9811.

**Independence Oaks:** Activities at this 1,088-acre park include boating and fishing on 68-acre Crooked Lake plus swimming, cross-country skiing and nearly 10 miles of trails. The Lewis E. Wint Nature Center offers exhibits and year-round nature programs, the Rubach Sensory Garden, a water garden and Cohn Outdoor Amphitheater. On Sashabaw Road, 2.5 miles north of I-75. Park: (248) 625-0877; Nature Center: (248) 625-6473.

**Lyon Oaks:** Day-use facilities, the golf course and driving range open in spring 2002. Bordered by Pontiac Trail, Old Plank and I-96 in Lyon Township. (248) 858-0906.

**Orion Oaks:** This scenic 927-acre park offers boating and fishing (wheelchair accessible dock) on Lake Sixteen, nearly 10 miles of trails for hiking, mountain biking and cross-country skiing. The Bark Park, an off-leash "playground" for dogs, is accessible off Joslyn Road. Features open fields, trails and swimming beach for canines only. Bordered by Clarkston, Joslyn and Baldwin Roads. (248) 858-0906.

**Red Oaks:** *The Madison Heights Waterpark* features a wave-action pool and giant triple waterslide. A children's interactive play area, family zone, and action river open in summer 2002. The **Golf Course** on John R Road, between 12 and 13 Mile Roads, is closed during construction. Waterpark: (248) 585-6990.

**Rose Oaks:** This 592-acre park includes two large and five small lakes plus hiking trails. On Fish Lake Road, north of Rose Center Road, Rose Township. (248) 858-0906.

**Springfield Oaks:** This complex includes an 18-hole championship **Golf Course** (par 71) and a multi-purpose **Activity Center** for banquets, receptions and 4-H events plus two outdoor arenas. *Cross-country skiing is available at the golf course.* On Andersonville Road in Davisburg. Golf Course: (248) 625-2540; Activity Center: (248) 625-8133.

**Waterford Oaks:** The 154-acre park is home to the commission's administrative offices. The **Waterpark** boasts Michigan's first wave-action pool, a giant double waterslide, group raft ride and children's water playground. The park is also home to "**The Fridge**" - *Michigan's first refrigerated toboggan run.* A **BMX track** hosts local, state and national races. The **Activity Center** is popular for weddings, banquets and parties. The park also offers a **Court Sport Complex** with tennis and sand volleyball courts, shuffleboard, horseshoes and picnic shelters. Facilities on Watkins Lake and Scott Lake Roads, Waterford. (248) 858-0906.

**White Lake Oaks:** At this 18-hole, par 70 course, facilities include a private room (up to 250) for wedding receptions, business functions and other events. Cross-country skiing is a winter option. On South Williams Lake Road off M-59, near Pontiac. (248) 698-2700.

## OAKLAND COUNTY ROADS

Almost half of all highways, roads, and streets in Oakland County are on the county system, which is under the jurisdiction of the Board of Oakland County Road Commissioners.

The Road Commission for Oakland County (RCOC) is now in its 89<sup>th</sup> year of service to the people of Oakland County.

Totaling over 2,600 miles, this system includes all public roads in townships, and through-streets in most cities and villages. It is the largest county system in Michigan and is second in size only to the state highway system. Its subdivision streets alone (all in townships) make up more than 900 miles.

About two-thirds of the system is paved. More than half is within the county's urban area, where some roads are four, five and six lanes wide to handle heavy traffic. A single intersection, in Southfield, is the meeting place for 100,000 vehicles daily. More than 1,200 electrical signals and over 90,000 signs are in use on the county road system.

The Road Commission is not able to levy a countywide tax, nor does anyone levy a tax countywide for roads.

The basic source of Road Commission revenue is the state-collected vehicle fuel and registration taxes, which motorists pay at the pump, and to the Secretary of State. The state-collected taxes are the only source of substantial funding for county road maintenance, and snow and ice control.

Federal, county, municipal, township and property-owner contributions are also received, but generally only for specific road projects. Such projects include adding lanes, intersection improvements, paving gravel roads, adding new gravel, resurfacing paved roads, adding passing lanes, and other safety improvement projects.

In 1992, RCOC embarked on a program called FAST-TRAC, which is an Intelligent Transportation Systems (ITS) effort. The Road Commission has installed electronic "smart" traffic signals operated by computers and video vision at more than 400 intersections across the county. This is the largest adaptive traffic control system in the United States and the largest video imaging system for traffic management in the world. The Road Commission was the first local unit of government to initiate a program of this scope and magnitude.

For paving and resurfacing of subdivision streets, property owners can petition RCOC to create a special assessment district through a process prescribed by state law. The process begins by contacting the Road Commission, then petitioning and participating in public hearings.

Members of the three-person Board of County Road Commissioners are appointed for staggered six-year terms by the elected Oakland County Board of Commissioners, which also sets their salaries. Salaries are funded by state-collected vehicle fuel and registration tax revenues. The Board of Road Commissioners is separate from county general government — establishing policies as authorized by state statutes for management of the countywide road system, administering its own budget, and hiring its own full-time managing

Commissioners is separate from county general government — establishing policies as authorized by state statutes for management of the countywide road system, administering its own budget, and hiring its own full-time managing director and staff.

Citizen requests for information are given special attention by the Road Commission's Department of Citizen Services (DCS). That office may be reached between 7:30 a.m. and 4:15 p.m. weekdays by dialing (248) 858-4804.

PLANNING AND ECONOMIC DEVELOPMENT SERVICES**

**WHERE TO GET MAPS, AERIAL PHOTOGRAPHS  
DEVELOPMENT INFORMATION AND BUSINESS ASSISTANCE**

Property maps, aerial photography, development data or business assistance are available at the One Stop Shop, (248) 858-0720. Oakland County Planning and Economic Development Services has what you need.

Digital aerial photography of the entire County is available - our most current edition was taken in Spring 2000. The aerials can be superimposed with the current property line maps and enlarged to a scale where detail as fine as telephone poles or parking lot lines are easily visible. Realtors and developers use aerials to locate available vacant land. If you ever need an aerial view of a street, home, place of business or accident site, Planning and Economic Development Services can provide you with a custom aerial enlargement.

The Oakland County Street Index Atlas is organized by geographic township and shows all streets, major roads, lakes, rivers, and municipal boundaries. A complete street index is included on each page. Special "theme" maps are also available which show such topics as zip codes, school districts, voting precincts, contaminated sites, land use, and natural resources. These are just a few of the many maps available. Map information continues to move into a digital format. Aerial photography, parcel data and other thematic data are now available on CD-ROM.

Development data and statistics are also available in a complete and user-friendly format. Population, housing, income, employment, land use, master plans, zoning and environmental data are used by the business community. Staff is available to explain land use, where the wetlands and sensitive ecological areas are, soil conditions, demographic trends, ethnic makeup and median or per capita incomes. Staff can also assist businesses of all sizes with start-up growth and expansion needs with a number of specific business services. Primary services are real estate assistance, fixed asset financing, market information and workforce recruitment.

School and civic group tours of the office are conducted upon request. We are also available to make presentations on various topics or projects.

So . . . if you need a map, aerial or some statistics, give us a call at Planning and Economic Development Services.

Oakland County Planning and Economic Development Services,  
Executive Office Building, 1200 North Telegraph, Pontiac, MI 48341. Phone  
(248) 858-0720.
