## **OAKLAND COUNTY GOVERNMENT**

In August of 1974, Oakland County citizens voted to create the first unified form of county government in the history of Michigan. Less than 60 such governments exist across the nation.

The government is headed by an elected County Executive, whose responsibilities are similar to those of a governor or the mayor of a large city. The County Executive administers the government on a day to day basis, proposes new programs and revamps existing programs. The executive represents the interests of more than one million residents.

Under this structure, the Board of Commissioners performs a role similar to a state legislature or city council. It acts on proposals submitted by the County Executive and makes proposals of its own. Government policy is set by the Board of Commissioners and implemented by the County Executive. The County Executive may veto acts of the Board and the vetoes can be overridden by two-thirds vote of the Board.

The third branch of government, the judiciary, was not changed by the executive form of government. Similarly, the five other offices headed by officials elected countywide remain unchanged. These are the Prosecutor, the Sheriff, the Clerk/Register of Deeds, the Treasurer, and the Drain Commissioner.

## **AUTOMATION ALLEY**

Oakland County Executive L. Brooks Patterson identified Automation Alley as one of the nations fastest growing technology clusters. He recognized the need for an active government, education and technology company partnership – a consortium that would provide direction, focus and a single-voice for cluster companies.

The Automation Alley Consortium is a dynamic organization of visionary leaders comprised of technology-focused companies, representatives of K-12 and institutions of higher learning and supported by Oakland County government. Consortium members are dedicated to reinforcing their competitive positions in the global marketplace and to nurturing the economic vitality of Oakland County and Southeast Michigan. Member companies invest time, money and staff in the development and promotion of Automation Alley as a first-class technology cluster.

In fact, more than 500 technology companies are members of this global consortium. Today, visionary leaders of Automation Alley technology companies are joining the campaign to nurture the cluster's development – working together to effect the powerful competitive advantage that it offers.

Automation Alley has all the elements to support and grow a world renowned technology cluster. On many quality of life indicators, Automation Alley is on par with or better than those technology clusters considered among the most desirable in the nation – older, more developed technology clusters like California's Silicon Valley and Boston's Route 128. Automation Alley is the Mid-Wests fastest growing technology consortium.

To reach Automation Alley's website: [www.automationalley.com](http://www.automationalley.com)

### **SERVICE CENTER COMPLEX**

The Oakland County Service Center Complex has been developed for over 50 years and functions as the hub of county government. The majority of the County's departments and institutions are presently located on a 538-acre site in Waterford Township and the City of Pontiac, divided by Telegraph Road. The County has developed the complex by systematically constructing facilities as needed and funding permits. It is laid out in a spacious setting according to a master plan, giving direction to an ultimate development, which will be functional, efficient and aesthetically pleasing. One of the principals designed into the Service Center is its "community" concept of a campus development whereby similar or related functions are grouped together.

The campus is serviced by a 9.5 mile long, 13,200 volt primary, underground electrical distribution system with all facilities having dual feeds, 2-1/4 miles of natural gas distribution piping, 4-1/2 mile looped water distribution system, and a 1-1/2 mile steam tunnel system to distribute centrally produced steam to all major facilities.

With full fiber optic connections and a county-owned and operated private telephone business exchange, campus technology infrastructure allows state of the art communications between all government units and the public.

The 415,000 square foot Courthouse houses Circuit, Family and Probate Courts, and offices of the Clerk/Register of Deeds, Treasurer, Prosecutor, and Board of Commissioners. Other major facilities located on campus are the Executive Office Building, Sheriff's Law Enforcement-Jail Complex, Medical Examiner Facility, Public Health Center, Medical Care Facility, Community Mental Health Central Offices, Children's Village and Drain Commissioners Office.

The Oakland County Sheriff's Law Enforcement-Jail Complex serves not only as a location to house many of Oakland County's 1,900 inmates, but contains many key components of the state's largest full-service Sheriff's Office. Its resources are always ready to assist any agency or person in Oakland County.

Resources and services of the Sheriff's Office include a 25 Harley Davidson Motorcycle Unit, K-9 Unit, Aviation Unit, Marine Unit, Dragoon, Traffic and Alcohol Enforcement, Dispatch, Court Services, Forensic Science Lab, Boot Camp and many more reputable specialty units.

The over 1,200 highly trained members of the Sheriff's Office work in six different divisions which include Corrective Services, Satellite Services, Patrol Services, ERP - Emergency Response and Preparedness, Technical Services and Administrative Services. The mission of the Sheriff's Office is to safeguard and protect the citizens and property within Oakland County and the care and custody of inmates.

Children's Village provides detention, shelter, care and residential treatment services for neglected and delinquent wards of the court and is situated on 50 acres on the

Waterford Township side of the Service Center. The Village affords a home-like atmosphere for troubled children coming to the attention of the court and consists of nine (9) separate facilities that provide an opportunity to deal with the individual problems of youths. It is a model complex that evokes significant favorable reaction from visitors and judges throughout the state and country.

With the recent addition of 88 undeveloped acres directly adjacent to the current campus, Oakland County is well positioned to meet future expansion needs well into the 21st century.

The Oakland County Service Center is a model complex and is the core of county government. Oakland's officials are proud of the complex and its related facilities. County citizens and visitors from other counties, states and nations have found and will continue to find themselves most welcome.

### **The Oakland County Clerk/Register of Deeds Office**

The duties of the County Clerk/Register of Deeds have roots back to the times of the Magna Carta in England.

Historically, by statute, state government has placed the responsibilities of **receiving, storing, retrieving and safeguarding the public records** upon the county's Clerk and Register of Deeds.

These duties consist of maintaining all circuit court legal records, registration of some business entities, recording military DD 214 forms for our veterans, processing license applications to carry concealed pistols, all records relating to birth, death, and marriage occurring in Oakland County, and a newly instituted passport service.

In addition, the Clerk also acts as clerk to all official county boards, including the Board of Commissioners and Election Commission.

Some of the millions of documents safeguarded by the Oakland County Clerk/Register of Deeds date back to 1820, the year Oakland County's first clerk, Sidney Dole, was appointed to serve in that capacity by the territorial governor, Lewis Cass.

The offices of County Clerk and County Register of Deeds were combined by action of the Oakland County Board of Supervisors in 1958, as was allowed by law. Oakland County is one of only a few of Michigan's counties to operate such a combined office.

Oakland County Register of Deeds is responsible for the recording and management of over 800,000 real estate documents per year with literally millions of documents stored dating back to the original U.S. government land patent.

Oakland County is also proud to be on the leading edge of real estate recording technology with its e-filing capacity and most recently the ability to conduct electronic mortgage closings in partnership with major banks in the Oakland County area.

Oakland County's current **Clerk/Register of Deeds, G. William Caddell**, has served as Clerk/Register since 1998. Mr. Caddell is assisted by two deputy clerk/register, **Frank H. Millard, Jr.**, assigned to oversee operations in the Clerk's Legal, Vital Records and Election areas with **James H. VanLeuven** assigned to oversee the Register of Deeds portion of the operation. With over 150 combined employees, the Oakland County Clerk/Register of Deeds Office is one of the largest and busiest in the state of Michigan.

### **OAKLAND COUNTY COMMUNITY MENTAL HEALTH AUTHORITY (OCCMHA)**

With a FY 2004 budget of over \$208 million, OCCMHA has been serving Oakland County's 1.15 million residents since 1964. It has grown to become Michigan's second largest public Community Mental Health Services Program and is responsible for services to adults with mental illnesses, children with severe emotional disturbances, and people of all ages with developmental disabilities. OCCMHA provides services to over 10,000 children and adults in Oakland County.

OCCMHA is governed by a twelve-member board, consisting of primary and secondary consumers and interested members of the community.

OCCMHA's mission is to support the advancement of social equity and improved quality of life for adults with serious mental illness, children with serious emotional disturbances, and people with developmental disabilities.

OCCMHA receives over 90% of the funding for mental health services from two sources, Medicaid capitation payments and State General Funds. Additionally, the County of Oakland provides about 5% of the funding. The budget allocates 95% of the funding to contracted services and support, with approximately 5% for OCCMHA administration.

OCCMHA's provider network consists of five major contracted service providers and several smaller providers who offer a full range of mental health and community-based services. These include evaluation and screening, hospital and residential treatment, respite care, clubhouses and day programs, supported employment, multilingual programs, corrections services, and a dual diagnosis program for individuals with mental illness and substance abuse. OCCMHA works with nine Qualified Health Plans that provide comprehensive medical services to enrolled Medicaid recipients.

OCCMHA is fully certified by the State of Michigan Department of Community Health as required by the state Mental Health Code. Person-Centered Planning which is mandated by the code, provides individuals with disabilities with more choice and control. The goal of this model is improved quality of life for consumers and more integration as fully participating members of the community.

These programs are supported by your tax dollars. OCCMHA is ready to help eligible Oakland County residents who need professional mental health services in any way possible. For information and referral contact 1-800-810-3772. Mental Health clinicians answer questions, assist people in entering our system and refer consumers to providers in and out of our network. Crisis services day or night and on weekends may be obtained by phoning Common Ground Sanctuary in Pontiac at 248-456-1991 or (800) 231-1127.

## **EXPERIENCE THE OAKLAND COUNTY PARKS**

With preservation of open space a priority, Oakland County Parks strives to enhance quality of life for its 1.5 million annual visitors.

Recreational, leisure and learning experiences are made possible through special events, programs and facilities, supported in part, by a one-quarter mill tax.

Homeowners pay an average of \$18.75 (on a \$150,000 home) to improve, maintain and acquire parks and recreation areas in Oakland County. Voters have supported the Oakland County Parks since its inception in 1966.

Currently, the 11-park system totals more than 6,000 acres. Land is acquired with assistance from state and federal grants. Ten citizens comprise the policy-setting parks commission.

A leader in innovative facilities and programs, the parks system offers two waterparks; The Fridge, Michigan's first refrigerated toboggan run; two nature centers; and a community mobile recreation fleet.

Each year the Oakland County Parks makes improvements for its visitors. New for 2004 is a youth group camping area at Independence Oaks County Park near Clarkston.

Organized groups, such as scouts, churches, day camps and more, can camp overnight seven days from May-October. Special arrangements can be made for winter camping.

Surrounded by a wooded area and open field, the campground features two group areas accommodating up to 160 campers. Amenities include six platform tents (each sleeps four), two pavilions for meals and group activities, water, electricity, showers, restrooms, grills, picnic tables, fire rings and benches.

Campers have access to fishing on Crooked Lake, a lifeguarded beach, hiking trails and a 2.2-mile paved bike path. The Wint Nature Center offers naturalist services, specialized programs, exhibits, a sensory garden and water garden.

Also opening in spring, 2004 is Red Oaks Course in Madison Heights. The 9-hole course underwent a complete renovation due to the George W. Kuhn Drain Project. The result is a more challenging course with the addition of bunkers, berms, three sets of tees and larger greens. The course was designed by Jerry Matthews.

A 2,700-square-foot clubhouse, nearly double the original pro shop, includes a retail area; vending area with seating for 36; restrooms; and a 1,200-square-foot raised decorative concrete terrace.

For more information, you can visit the Oakland County Parks website at [www.co.oakland.mi.us](http://www.co.oakland.mi.us) for discount coupons, maps and more or call 1-888-OCPARKS.

**Addison Oaks:** The 794-acre park offers swimming, fishing, boating, camping, disc golf, cross-country skiing and mountain bike trails. Individual and group campsites plus four overnight rental cabins are available. A conference center hosts business and social gatherings. On West Romeo Road, nine miles north of Rochester. (248) 693-2432.

**Glen Oaks:** The 18-hole, par 70 golf course features a clubhouse with banquet facilities and outdoor wedding garden. Cross-country skiing is a winter option. On Thirteen Mile Road between Middlebelt and Orchard Lake Roads, Farmington Hills. (248) 851-8356.

**Groveland Oaks:** Campers have a choice of 462 campsites, group camping areas plus six overnight cabins with swimming, a waterslide, fishing, boating and more. Off Dixie Highway at Grange Hall Road, Holly. (248) 634-9811.

**Independence Oaks:** Activities at this 1,088-acre park include boating and fishing on 68-acre Crooked Lake plus swimming, cross-country skiing, nearly 12 miles of trails and a youth group campground. The Lewis E. Wint Nature Center offers exhibits and year-round nature programs, the Rubach Sensory Garden, a water garden and Cohn Outdoor Amphitheater. On Sashabaw Road, 2.5 miles north of I-75. Park: (248) 625-0877; Nature Center: (248) 625-6473.

**Lyon Oaks:** This site features an 18-hole golf course, driving range, grill room and banquet facilities for special occasions. Day-use facilities include a nature center, dog park and hiking trails. Bordered by Pontiac Trail, Old Plank and I-96 in Lyon Township. (248) 858-0906.

**Orion Oaks:** This scenic 927-acre park offers boating and fishing (wheelchair accessible dock) on Lake Sixteen, nearly 10 miles of trails for hiking, mountain biking and cross-country skiing. The Bark Park, an off-leash “playground” for dogs, is accessible off Joslyn Road. Features open fields, trails and swimming beach for canines only. Bordered by Clarkston, Joslyn and Baldwin Roads. (248) 858-0906.

**Red Oaks:** The Madison Heights **Waterpark** features a wave-action pool, giant triple waterslide, river ride and two children’s water playgrounds. The completely rebuilt 9-hole **Golf Course** opens in spring 2004. Waterpark: (248) 585-6990; Golf Course: (248) 541-5030.

**Rose Oaks:** This 592-acre park includes two large and five small lakes plus hiking trails. On Fish Lake Road, north of Rose Center Road, Rose Township. (248) 858-0906.

**Springfield Oaks:** This complex includes an 18-hole championship **Golf Course** (par 71) and a multi-purpose **Activity Center** for banquets, receptions and 4-H events plus two outdoor arenas. Cross-country skiing is available at the golf course. On Andersonville Road in Davisburg. Golf Course: (248) 625-2540; Activity Center: (248) 625-8133.

**Waterford Oaks:** The 154-acre park is home to the commission’s administrative offices. The **Waterpark** boasts Michigan’s first wave-action pool, a giant double waterslide, group raft ride and children’s water playground. The park is also home to “**The Fridge**” - Michigan’s first refrigerated toboggan run. A **BMX track** hosts local, state and national races. The **Activity Center** is popular for weddings, banquets and parties. Classes, such as dog obedience and children’s ballet, are also offered. The park also offers a **Court Sport Complex** with tennis and sand volleyball courts, shuffleboard, horseshoes and picnic shelters. Facilities on Watkins Lake and Scott Lake Roads, Waterford. (248) 858-0906.

**White Lake Oaks:** At this 18-hole, par 70 course, facilities include a private room (up to 250) for wedding receptions, business functions and other events. Cross-country skiing is a winter option. On South Williams Lake Road off M-59, near Pontiac. (248) 698-2700.

## **OAKLAND COUNTY ROADS**

Almost half of all highways, roads, and streets in Oakland County are on the county system, which is under the jurisdiction of the Board of Oakland County Road Commissioners.

The Road Commission for Oakland County (RCOC) is now in its 91<sup>st</sup> year of service to the people of Oakland County.

Totaling over 2,600 miles, the Road Commission for Oakland County's road system includes all public roads in townships, except state highways, and through-streets in most cities and villages. It is the largest county system in Michigan and is second in size only to the state highway system. Its subdivision streets alone (all in townships) make up more than 900 miles.

About two-thirds of the system is paved. More than half is within the county's urban area, where some roads are four, five, six and seven lanes wide to handle heavy traffic. A single intersection, in Southfield, is the meeting place for 100,000 vehicles daily. More than 1,200 electrical signals and over 120,000 signs are in use on the county road system.

The Road Commission has no authority to levy a countywide tax, nor does anyone levy a tax countywide for roads.

The basic source of Road Commission revenue is the state-collected vehicle fuel and registration taxes, which motorists pay at the pump, and to the Secretary of State. The state-collected taxes are the only source of substantial funding for county road maintenance, and snow and ice control.

Federal, county, municipal, township and property-owner contributions are also received, but generally only for specific road projects. Such projects include adding lanes, intersection improvements, paving gravel roads, adding new gravel, resurfacing paved roads, adding passing lanes, and other safety improvement projects.

In 1992, RCOC embarked on a program called FAST-TRAC, which is an Intelligent Transportation Systems (ITS) effort. The Road Commission has installed "smart" traffic signals operated by computers and video vision at nearly 600 intersections across the county. This is the largest adaptive traffic control system in the United States and the largest video imaging system for traffic management in the world. The Road Commission was the first local unit of government to initiate a program of this scope and magnitude.

For paving and resurfacing of subdivision streets, property owners can petition RCOC to create a special assessment district through a process prescribed by state law. The process begins by contacting the Road Commission, then petitioning and participating in public hearings.

Members of the three-person Board of County Road Commissioners are appointed for staggered six-year terms by the elected Oakland County Board of Commissioners, which also sets their salaries. Salaries are funded by state-collected vehicle fuel and registration tax revenues. The Board of Road Commissioners is separate from county general government — establishing policies as authorized by state statutes for management of the countywide road system, administering its own budget, and hiring its own full-time managing director and staff.

Citizen requests for information are given special attention by the Road Commission's Department of Citizen Services (DCS). That office may be reached between 7:30 a.m. and 4:15 p.m. weekdays by dialing (877) 858-4804, or via e-mail at the Road Commission website, [www.rcocweb.org](http://www.rcocweb.org).

**ONE STOP SHOP  
PLANNING AND ECONOMIC DEVELOPMENT SERVICES**

**WHERE TO GET MAPS, AERIAL PHOTOGRAPHS  
DEVELOPMENT INFORMATION AND BUSINESS ASSISTANCE**

Oakland County's One Stop Shop provides the expertise, knowledge and contacts to meet just about any resource need. You can turn to our experts for help in many areas, including map products, community planning, business support and development, land and site data, community networking, financing and more.

Managed by Oakland County's Planning & Economic Development Services (PEDS) division, the One Stop Shop is a resource center with a wealth of information, publications and customer service professionals to help.

Current property information and high-resolution aerial photographs (dating back to 1963) are now just a few clicks away with a self-serve mapping system. Users of the system can locate property in Oakland County, or using the custom search tools, generate a list of properties by size, use, school district or assessed value. Products can be printed in a number of different formats and sizes or even e-mailed back to your home or office free of charge.

Development data, population, housing, income, employment, land use, master plans, zoning and environmental data are available in both printed and electronic formats. Countywide and community specific information along with county regional comparisons helps the business community and citizens fulfill their information needs. Staff can answer any questions about the information and explain land use, location of sensitive ecological areas, soil conditions, demographic and economic trends. Staff also provides specific business services that assist businesses of all sizes with start-up growth and expansion needs. Primary services are real estate assistance, fixed asset financing, market information and workforce recruitment.

School and civic group tours of the One Stop Shop are conducted upon request. Our staff experts in planning, business assistance, historic preservation, marketing research and economic development are available as speakers.

For your information needs please call us at **(248) 858-0720**, visit the One Stop Shop in the Executive Office Building on the Oakland County Service Center, 1200 North Telegraph 34E, Pontiac, MI 48341, and visit our web site for the latest information and services at <http://www.co.oakland.mi.us/peds>. Map sale hours are 9:00 a.m. to 4:00 p.m. Monday through Friday.

Springfield Oaks County Park is home of the annual Oakland County 4-H Fair.

The Campground at Addison Oaks County Park features new and improved sites after a \$3.5 million renovation.

“The Fridge”, Michigan’s first refrigerated toboggan run, provides winter thrills and chills at Waterford Oaks County Park.

Fishing, boating and many other recreation options are available at Independence Oaks County Park.

Lyon Oaks Golf Course, an 18-hole Arthur Hills-designed course offers bent grass tees, greens and fairways.

“Splashtown”, featuring a river ride and two children’s water playgrounds, is now open at Red Oaks Waterpark.
