BUILDINGS DESTROYED — As Ivan Ely, Jr. watches (foreground), flames destroy two empty Ecol yard buildings off Railroad street, east of the C & O Tracks, Saturday afternoon. Because the fire, started by unidentified vandals, had consumed much of the buildings by the time firemen arrived it was decided to let them burn to the ground.

Retiring Dr. Eric Bradner College Salutes Prexy

A community salute to retiring Schoolcraft Community College President Dr. Eric J. Bradner will take place at 6 p.m. Saturday at Waterman Campus Center as some 300 friends and community leaders gather for a dinner program in his honor. Dr. Bradner, the college's first president, officially ends his 10-year tenure June 30. His position is being filled by C. Nelson Grote, whose appointment was announced earlier. Instrumental in the early development plans of the college, he has seen the institution grow from 2,013 students at its opening in 1961 to its present enrollment of nearly 6,000. With his retirement from the college post, Dr. Bradner ends 38 years in the educational field beginning as a teacher in 1933 to dean of Bay Junior College in 1949 and then to the then proposed Northwest Wayne County Community College (Schoolcraft) in 1959. Schoolcraft College district is composed of the public school districts of Clarencville, Garden City, Livonia, Northville, and Plymouth, embracing 126 square miles and more than 315,000 population.

Did He Commit Five Murders?

Michigan Week Activities Set

Local emphasis during Michigan Week 1971 will be on youth programs and beautification. Mr. Donald Ware, Northville chairman, announced as the outlined plans for the annual celebration which opens next Saturday, May 15, and runs through May 22. Mayor Exchange Day, Monday, May 17, will see Northville officials exchanging visits with Sparta, Michigan. Sparta representatives will be welcomed officially in ceremonies at Northville City Hall and will be guests at the Rotary luncheon at Northville Presbyterian Church. Plans are being made to include a boy and girl student and school representative in the exchange. A new feature in this year's mayor exchange will be the meeting of Northville officials who visit Sparta. Sparta officials who come here, and their respective official hosts in Lansing Monday evening, First day of Michigan Week, traditionally Community

Northville Township Man Held

CHARLES FULLWOOD

Block Bank Set Friday

A Northville community block bank will be held tomorrow at the First Presbyterian Church from noon until 8 p.m. Residents are urged to call Mrs. C. C. Winter, block bank chairman, at 349-2381 for appointment. However, "should someone forget, come anyway. We need all the blood we can get." Under a new Red Cross plan, if any member of a family contributes one or more pints of blood each year, coverage is provided for all members of the donor's immediate family. A Northville Township executive in Wayne County Jail this week facing two murder charges while police investigate his possible connection with at least three other slayings. Charles M. Fullwood, 37, of 4949 Six Mile Road, was arrested Friday afternoon and arraigned Saturday for the murder of Frederick Bodnar, 22-year-old former township resident who had been living in Plymouth. He was arraigned again on Tuesday afternoon for the murder of Mrs. Joyce Ann Tuggle, 27-year-old Dearborn Heights maid. He is being held without bond.

While searching for a link between the Bodnar killing and alleged two captive females in the trailer. Fullwood's station wagon was towed to the State Police Crime lab in Plymouth where it was searched by Sergeants Gene Nichols and Gene Miller. They found the revolver hidden under the dash and bloodstains on the interior of the car. The blood matches that of Mrs. Tuggle, it was disclosed. Livonia police obtained a warrant and searched Fullwood's house and grounds, assisted by State Police, and police officers from Dearborn Heights, Northville Township and Novi. A silencer for a .38-caliber weapon and registrations for two vehicles were found. A woman's handbag dug up behind Fullwood's house is not that of the missing Nov. girl, "We also found several clues which may or may not relate to the Radtke case," said Novi detectives, "but we are not at liberty to release them until they are checked out." Police began investigating Fullwood when a witness identified him as being in the Fisher Freeway-Beaubien area shortly after Bodnar's disappearance, that had her body dumped there it would be unnoticed and covered up by the city and township of Northville. One of the most important clues found in the lover's lane was a following discovery of Keys' body inside his car was the tracks of a four-wheel vehicle — the only tracks other than those of the Keys car.

According to police, shortly after the murder a 1962 pickup truck, owned by Fullwood, was sold. Police have found it in a Plymouth junkyard. Bullet holes, presumably resulting from a target practicing, and believed made by a 22-caliber weapon, were found on the walls of Fullwood's garage for all organizations if a cooperative effort is exerted.

Police are again checking the landfills, located on the opposite side of Napier road from the lane, for Kathy's body. Fullwood reportedly had telephone calls after her disappearance, that had her body dumped there it would be unnoticed and covered up by the city and township of Northville.

LOYALTY MARCH — It was a short parade Saturday but those VFW members and others who participated and watched found it the perfect way to salute Loyalty Day in Northville. The parade was sponsored by the VFW Post here.

Did He Commit Five Murders? Study School Concept

Continued from Page 1

gambling debts but that most had been paid off late in March. Married, with three children — 12, 2, and 10-months, Fullwood was arrested numerous times in recent years. Convicted of a major robbery of a party store in Inkster in 1958, while living in Detroit, he served two years and was paroled.

Northville police arrested him six times last year — for drunkenness, malicious destruction of city property, obscene language, drunk and reckless driving, and for burning a car near the Winner's Circle Bar.

He also has been arrested on similar charges in Detroit, Plymouth, Dearborn Heights, and Ann Arbor.

Fullwood's arrest for the bizzare murders and the investigations surrounding him represent the first major break-through on the Keys murder case and the disappearance of Kathy, according to police.

Coincidental, perhaps, Keys' brother, Christopher, was struck by a man who jumped from a red car April 12 at Main and Center streets. Fullwood's 1963 Falcon station wagon is red.

There is now a nationwide wave of interest being shown in the extended school year as a way to help solve educational economic woes of the education system."

As part of its study, the school district is currently surveying all Northville school families, now through May 15. Parents with school children will be asked to state their vacation quarter preferences under a theoretical four-quarter, extended school year plan. Those without children will be given an opportunity to express their support or rejection of the concept.

Michigan's only one of the state departments of education now studying extended school year operation. Others include New York, Ohio, Georgia, New Jersey, Maryland and Washington.

"The third national seminar on year-round education held in March attracted 360 participants from 30 states," Spear reported.

"Many people question the economics of closing schools during the summer," Spear said, "and of depriving our youth of formal educational opportunities for so many months of the year."

Added to these concerns, he said, is the rapid growth of many school districts. "Spirling school populations soon outgrow existing school facilities, which then means huge building programs. Or, if the community so chooses, half-day sessions, cut-backs in staff and services and other

measures that shortchange students."

Musician to Speak To Baptists Sunday

Jerry Franks, inspirational musician, will be appearing at the First Baptist Church in Northville Sunday at the 11 a.m. service and again in the evening service at 7:30. He will be playing his trumpet at both of these services.

In addition to these two services, he will also be speaking to the combined youth groups and their parents at 6:30 in the church auditorium. Franks is a member of a Congressional committee that is studying the effects of Rock 'n Roll music on American young people. He will be playing his trumpet at both of these services.

NEWS BRIEFS

CONCERT-IN-PARK is scheduled by the Northville High School hand under the direction of Robert Williams for 8 p.m. Friday. The community is invited. If weather does not permit the concert to be held in City Hall Park, it will be moved to the high school.

ELEVEN DAYS remain for candidates to file for the three seats up in the June 14 school board election. Candidates who have filed for the two four-year terms include Incumbent Trustee Richard Martin and Angelo Chinni, while R. Duane LaMoreaux has filed for the one-year vacancy created by the resignation of Eugene Cook. Petitions are also being circulated by Martin Rinehart, currently filling Cook's seat, Incumbent Trustee Andrew Orphan, Mrs. Sylvia Gucken and one unnamed person. Deadline for filing is 4 p.m. Monday, May 17. Voter registration closes at 5 p.m. Friday, May 14.

PUBLIC HEARING on the city's 1971-72 budget has been set for Tuesday, May 18. Calling for a total outlay of \$770,850, the budget suggests a millage increase of from 10.3 to 10.6, says City Manager Frank Ollendorff, who doubts that the council will be able to make any significant reductions between now and the hearing to prevent the 3% increase. Nevertheless, councilmen will meet again Monday to continue their budget review — specifically to take a hard look at salary projections.

SENIORS, reminds General Chairman Bernie Bach, have just a few days left to purchase their tickets for the upcoming senior prom slated for next week Thursday at the Raleigh House in Southfield. The big senior dinner-dance carries the theme, "Reflections."

INITIAL steps will be taken Wednesday evening, May 12 to involve local non-profit organizations in the second annual Northville Fair scheduled for August 6-8. Gerald Stone, Fair manager for the sponsoring Northville Community Chamber of Commerce, has issued an invitation to all community groups to send representatives to the Wednesday night meeting, which will be held at 7 p.m. at the city hall.

TV FUNNY MAN Pat Paulsen, who may have something to say about his presidential campaign, will be in the spotlight Saturday night when he makes a guest appearance at Schoolcraft College. Ticket information may be secured by calling the Student Activities Office, 591-6400, extension 355.

Team Battles Drug Abuse

As the first step toward the goal of reducing or eliminating drug abuse locally, a group of representatives of the Northville schools, students and the community met Monday with members of the DARTÉ (Drug Abuse Reduction Through Education) team to work toward developing a Northville program. The group of almost 40 heard about the workshop attended by the DARTÉ team from its chairman, Mrs. Julia Crouthers, a Northville visiting teacher at the secondary level. This is a tending represented community organizations. They made suggestions for local programs and indicated whether they felt Northville should participate at all, or in part, with a program under way in Plymouth where a "hot line" telephone service is in operation and plans are being made for an "Our House" facility to help drug users. Ideas submitted will be studied by a steering committee from the group which is to meet next Tuesday at 7:30 p.m. at the board of education offices with Miss Florence Panatoni, curriculum coordinator. The group will meet as a whole again June 7 to hear the steering committee recommendations. First step toward a joint school-community program, Miss Panatoni said, will be the identification of Northville's needs. She added that response to the first meeting had been excellent with almost 100 percent of the community invited attending or calling.

The DARTÉ workshop program was sponsored by the Wayne County Intermediate School District through a federal grant under the Education Professions Development Act and the

ALL ABOARD! — Twenty-three kindergartners from Main Street school along with their teacher, Mrs. Marilyn Kaestner, and chaperones board one of the last trains to take a trip to Detroit. The students made the trip last Thursday morning and returned home by bus. The ride will be the last for students since passenger service from Plymouth was discontinued Saturday.

NOVI HIGHLIGHTS

By MRS. H. D. HENDERSON
349-2428

For the next two weeks give your news items to Mrs. Jeanne Clarke, her telephone number is 624-0173. Address 4486 Thirteenth Mile Rd., Walled Lake, call after 2:30 p.m.

Saturday evening Mr. & Mrs. Van Nielson, Mr. & Mrs.

Russell Race, Mrs. Anna Ortwine, Mrs. Dolly Aleghani, and Mrs. Lanny Henderson were the guests of Mrs. Hildred Hunt on Eleven Mile Rd. for two tables of pinocchle and a late supper.

Mrs. John French was confined to her home for several days last week due to illness.

Last Tuesday Mr. Carl Green celebrated his birthday, and on Wednesday Mrs. Fannie Stevens, mother of John French celebrated her birthday with a family get-together.

On Sunday, April 25 several local fishermen returned from a fishing trip. Due to three inches of snow in the Upper

Penninsula their catch was limited. The fishing group included Robert and Russell Ortwine, John French, Marvin Tobel, Ken Cookson, Bud Sprenger and Gordon Nelson.

Visitors at the home of Mrs. Marie Lafond last Saturday were Mrs. Lucy Lapham and Mrs. Lorraine Cogswell from Northville.

On Sunday Mrs. Cecil Lafond and her mother-in-law, Mrs. Marie Lafond were the luncheon guests of the former Aunt, Mrs. Edna Sweitzer, on Orchard Lake Road.

The Russell Buttons and their daughter, Rose and son, Russell Jr., recently returned from two and a half weeks of vacation in Florida. They visited Mrs. Buttons' mother, Mrs. Wirt Lee, and her sister, Mrs. M. J. Perkins at Winter Park.

They visited many places of interest including Cypress Gardens, Magic Kingdom, at DisneyLand, and two days at Daytona Beach, they also spent some time at old St. Augustine.

Mr. & Mrs. Richard Sigbee announce the birth of a son, Richard Wayne Jr., born May 1st at St. Joseph's Hospital in Livonia. Richard weighed 9 pounds and 7 ounces. And he has a sister at home, Rechell, who is eighteen months old. The grandparents are Mr. & Mrs. Harold Sigbee.

Wixom Newsbeat

By NANCY DINGELDEY

A jammed-packed fun day is planned for Wixom on May 22—designated Youth Day during Michigan Week. Pray for sun and wear comfortable clothing because the day begins at 10 a.m. with the Annual Youth Day parade.

Floats, bands, old cars and Civil War Units plus the kids on their decorated bikes will march down the road on their way to City Hall. The PTA School Fair that got "snowed out" will be set-up on the grounds and that will begin at noon. Free hot dogs and cokes, compliments of The Holloway Company, plus pony rides will be a multitude of other events will be lined up and waiting for all fun-loving people.

Probably the two main events will be the popular magician, "Mr. Houdini," on TV Channel 9 giving a magic show and a "pet show" to be held later in the afternoon. Senator J. Carl Pursell and Representative Clifford Smart have agreed to lend their sharp eyes to the judging of all those various "critters" that show up. Classifications and entry blanks for those animals and their owners will be available shortly. And, to all those kiddies that enter their pets, whatever they be, a drawing will be made for a real live, Shetland Pony.

So, here's to sunny skies and lots of happy people for one of the grandest days planned for Wixom.

Mentioning "Mr. Houdini" and his Magic Show—it is hoped that there will be no admittance charge to anyone. A drive is underway to collect money to offset his cost. So far the patrons for "Bring Houdini Free" are: Lillian and Howard Ooe, Florence and Lew Coy, Nancy and Bob Dingledey, Hickory Hill Civic Ass'n., Gerry and Gus Marshall, Vi and Bunar Mettala, Carolyn and Fred Morehead, C. M. Smith, on behalf of the Wixom Chamber of Commerce and Sylvia and Val Vangelion.

The committee isn't home "free" yet and any donation, no matter what size is appreciated. Call the Dingledeys at 624-2850, the Vangelions at 624-4327 if you'd care to join the list of patrons.

The Senior Citizen's trip on Heritage Days during Michigan Week is planned for Hidden Lake Gardens in the

being done by Jarvis. Time is drawing near—call June Buck and make your reservations. "David and Lisa" is this year's presentation of the Performing Arts Department at Walled Lake Western.

Laura Ridley and Terry McIntosh have the leads in the drama centered around a mental institution. The play, at Ayres Auditorium, is scheduled for May 14 and 15 and begins at 8 p.m. Tickets are \$1 and available at the box office.

The kids do an unusually fine job in all their productions and this should prove no exception. Try to make it.

Dave and Nicolay had a pretty close call last Saturday, but fortunately two badly burned hands and a smashed patio door are that was suffered in what could have been a terrible accident. Dave was laying tile in the basement of his home on Maple Road and was using a space heater for warmth. It was while he was using some gasoline to wipe the glue off the tiles that the explosion occurred. Two sore hands and a hole in the wall remind all of us to take extreme care at all times.

Elma and Paul Salo had an open house Sunday afternoon to help both Paul and daughter Anne celebrate their dual achievements—each is receiving a master's degree.

Pearl and Gib Willis spent last weekend in Traverse City attending the Michigan Pearl Harbor Survivors Association annual meeting. They also visited Gib's sister and family, the John Young's, former Wixom residents.

Scott Young, who many young people in Wixom will remember, has the lead in his high school's presentation of "George M."

Friday night was the scene of "Through the Years in Bridal Fashions" staged by the Pioneer Girls and Girl Guides at the Wixom Baptist Church. Guests dating back to 1917 were on parade at the annual Pal-Gal Tea. Special guests of the evening were Mrs. Edith Porter, who gave devotions, and Mrs. Charlotte Banfield, who loaned the group the oldest gown, "the bride of the future," Val McAtee, was the hit of the evening dressed in white hot pants, lace blouse, white lace-up boots and a lace apache band veil. Helen Tillman who spent hours dreaming up the descriptions of the various dresses, acted as "mothers" of the bride.

Grand prize loser of the tenth annual pinocchle tournament in Hickory Hills just had to be my husband—and that dubious title gives him the honor of staging next year's event. Real winner of the evening was George Tuorin who now has his name in gold on the "little brown jug." I came in third—who says you can't talk and play cards at the same time!

And the winners in this week's Centennial Raffle with Tony Bobak doing the drawing... \$50 to Brenda Clements of Highland who happened into Korex to buy some soap and bought a raffle ticket; \$25 to Jim Prentice of Detroit and \$15 to Harvey Volkers of Grand Rapids who also has the distinction of being the furthest away in miles.

Holy Cross Episcopal Church celebrated May 2nd with Randy Huber and Glen Knudick as acolytes.

The Roaring Seventy, young people's group met at the church at 4:30 p.m. and attended a movie in a group. After the movie they returned to Church for refreshments.

On Tuesday, May 4, the E.C.W. meeting was held at 8:00 p.m. with annual election of officers.

Wednesday, May 5 at 7:30 p.m. the Sacrament of Confirmation was administered by Rt. Rev. Archie H. Crowley, Suffragan Bishop of Michigan from the Cathedral of St. Paul at the church of Holy Cross.

SPEAKING

for The Record

By BILL SLIGER

Although attendance was poor, both the idea and the program conducted last week by the Northville Civic Association were excellent.

Just as the name implies, the Northville Civic Association is devoted to promoting community involvement. Its membership is composed of residents of the Village Green area in the city's northeast section.

Association President Don Sherman chaired a panel of community officials numbering nearly as many as the audience. Each spoke briefly on matters of the past, present and future involving their specific area of authority.

It was a capsule lesson in history and current events.

Serving on the panel were City Manager Frank Ollendorff, Superintendent of Schools Ray Spear, City Planning Commission Chairman Tom Wheaton and Paul Vernon, a member of the board of appeals but who directed his remarks towards the community beautification efforts.

At the conclusion of the introductory remarks the audience was permitted to question the panelists.

Following are a few excerpts from the men charged with the responsibility of administering your schools and city government:

City Manager Ollendorff — "It's possible that within 18 months the city will be able to provide public housing for senior citizens or others on limited income of under \$3,600 per year."

— "government boundaries are not being given the attention they need. Better solutions to community problems could be provided through united effort... if we had a community government."

— "the proposed Northville Square shopping development would nearly double the existing commercial floor space in the central business district and would increase the city's tax base by 10 percent."

Superintendent Spear — "based upon the latest State Equalized Valuation figures, it now appears that 1.5 mills additional will be needed for operating expenses instead of 2.5 as previously estimated";

— "our present school facilities (buildings) are adequate for the next two years";

— "minimum classroom needs for 1973-74 will be a new elementary and middle school; maximum would be two elementaries, two middle schools and a high school";

— "major purpose of the year-round school study is to determine if such a program would be

meaningful to the community in meeting future needs of schools"; there's nothing magic about the four-quarter plan under study, there are other possible approaches to the extended year program, but the study is focused on the four-quarter plan now."

Planning Chairman Wheaton — "it is anticipated that the city's population will double by 1980;"

— "we can't stop growth, but we can try to control it in an orderly fashion... the trouble is all of us would like to keep things as they are... that's why we moved here... it always seems that the last person moving to town wants to 'cut it off' (the growth) now."

Vernon emphasized the importance of continuing beautification program, particularly in the face of growth estimates. He cited what had been announced that 71 projects were already underway.

Hopefully, the Northville Civic Association will repeat and expand this forum on current community affairs.

Maybe next time a larger audience can be attracted. At any rate, the Association officers are to be commended for the idea and the format of the program as carried out by President Sherman.

Elsewhere in this edition there's a story about the newly-formed DARTE program involving teachers, parents and students concerned with drug-abuse.

A DARTE team of teachers recently conducted a survey in the form of a questionnaire given to the teaching staff at the high school and junior high school.

In part it revealed the following attitudes from teachers: (figures represent "agreement," "disagreement," "not sure")
An important motive for drug use is a need to belong to a clique which happens to be engaged in drug use — (33-8-6);

One important motive for drug abuse is the tendency of persons with psychological problems to seek easy solutions with chemicals — (35-5-4);
Children often abuse drugs as a means of attacking their parents — (30-10-6);

The single most important factor in drug use by young people is permissiveness of parents and teachers — (5-36-5);

The level of drug use in Northville does not warrant the time or finance involved in a drug program — (8-35-3).

All eight teachers agreeing with the final statement were from the junior high school, the survey noted.

Top of The Deck

Oldtimer Goes Fishin for Believer

By JACK W. HOFFMAN

Duane Bell of Novi for years has tried unsuccessfully to convince me the record size pike in Walled Lake—larger than even the log-size cat that most fishermen, like myself, have seen plowing up the shoreline of this large Oakland County lake in the springtime.

Occasionally, I've seen some of the lunker bass and pike lakes from Walled Lake but while they were large even by my standard they fell short of Duane's description of the giants he has seen while prowling the lake for over a quarter of a century.

Let me say right off I owe Duane an apology for doubting.

Last week while ensconced in Chuck Dunn's barber chair, a knotted veteran of Walled Lake reported a documented catch that lends credence to even the most fantastic tales that have circulated hereabouts.

As often happens in Chuck's shop, the conversation had drifted to adventures of fishing when the subject of this scenario began his story—reluctantly, quite naturally, because like most anglers he feared it might trigger a run on his secret fishing hole. Fortunately, for those of us listening a jigger or two of Jack Daniel had softened his guard.

"If you guys keep it under your hat," he began. "I'll tell you of a place on the lake

where those big ones hang out."

He had our word.

"Remember years ago when the amusement park was operating and they ran that speedboat dock on the south shore? Remember the night... I think it was the late Forties... when the drunk drove his car out on the dock and right off into the water? It was an old clunker, one of those pre-war jobs, and in pretty deep water so they just left it there... not worth the expense of hauling it out."

Oldtimers remembered.

"I was fishin' for bass a few weeks ago... hoping nobody would notice 'cause it was out of season. Anyway, some'n grabbed my line and I figured it had snagged... maybe on that old clunker. I was trying to jerk it loose when that line started peelin' off the reel and then it stopped. I tried 'orsin' the bugger in but he was down in the weeds and I was afraid I'd snap my 15-pound test."

Naturally, that 15-pound test stuff raised some doubts, but he quickly made believers of us when he said the fish was a fisher's hole. "Well, I don't mind telling you I was about to wet my pants with excitement. I could just see that big devil down there and I wasn't knowing just what you've got."

"Anyway I was about ready to pull it loose

FARID SEFA

Speaking for Myself

Should Off-Track Betting Be Legalized?

Yes ...

Frankly when the possibility of off-track betting was first proposed in Michigan, I had my doubts, for as a horse owner and follower of the sport I wondered what impact off-track betting would have upon attendance at race tracks throughout the state.

Saturday's Kentucky Derby has done much to dispel this fear of mine. Despite expressed fears that off-track betting in New York would reduce the gate, the largest crowd in the Derby's long history — 123,000 persons — turned out.

Of course this was off-track betting in another state, but the same would probably hold true if the off-track betting were permitted in Kentucky. People will continue to turn out because they like the excitement of horse races.

There is no doubt in my mind that off-track betting would be good for the state as a whole. Where bookies now profit from illegal operation, legalizing off-track betting under supervision of the state would produce much-needed tax money for a state that is now squeezed financially.

If, then, the tracks will not suffer at the gate and the state would reap the tax benefits, why not have off-track betting?

'Grandma's Shopping' Draws Fire

Readers Speak 'Year-Round' Draws Fire

To the Editor:
Some time ago a two-pronged question was placed before the people of the Northville Public School District, to wit—"If it can be shown that a year-round school program would be more economical and improve education, would you cooperate in such a program?"

A majority of the voters casting votes in that election clearly indicated their disfavor of a year-round school plan.

The superintendent of schools and the board of education, have however, continued to pursue the matter on the basis that the election indicated the desire of the people to know more about the year-round school program. (How Mr. Spear or the Board could arrive at that interpretation let's not even try to unravel). So the matter has been pursued.

A full, detailed discussion of these questions with factual answers should be demanded by every parent and taxpayer before the resolution in effect regarding the board's answer to Judge Ozark's earlier order that the board present by June 1 a plan for redistricting of the college district.

The plan is essentially that contained in Senate Bill 509, recently introduced by Senator Pursell.

Representative Stempien, who is sponsoring a House bill

'Ford Money Aids Leftists'

To the Editor:
We are enjoying the Northville Record so very much.

A recent letter in your "Readers Speak" column prompted this subscriber to write to you.

Mr. Richard Magat, of New York City, came quite a distance to discount Jill E. Hall's assertion that the Ford Foundation helps to finance a great many left wing and revolutionary activities. She is correct.

True, the Ford Grants are not directed to the Social Sciences, National Fellowships, Adult Cultural Freedom and others, all legitimate and seemingly innocent enough, but a great many of these are run or handled by extreme leftists with proven Communist affiliations.

Mr. Magat seems to not be aware of what is being done with this money, and I'm not sure that the Ford Grandsons know either, of the extent to which these dangerous activities have gone on in the name of all that is right and good, and in the Sight of God, for the good of our beloved country, will Mr. Magat please take another long and hard look at his handwork?

With great concern for our country, I am

SCHOOL BELL AWARD — Record news editor Sally Burke accepts the 1971 School Bell award from Michigan Education Association President John Ort, a resident of Plymouth, is a teacher in the Livonia school system.

Second Consecutive Year Record Wins School Bell

The Northville Record was one of 29 newspapers, radio and television stations in Michigan to receive the coveted Michigan Education Association School Bell Award for "outstanding contributions to community understanding of education," in Muskegon April 23.

Accepting the 1971 award on behalf of The Record as a special luncheon during the MEA's Representative Assembly was Sally Burke, Record news editor. This is the second consecutive year the Record has been awarded the School Bell.

The assembly was held at Walker Arena in Muskegon, with more than 400 educators, news media personnel and

Stempien Joins Suit

State Representative Marvin Stempien Friday filed a motion to intervene as a plaintiff in the lawsuit which is challenging the election system used for Schoolcraft College trustees.

Meanwhile, a resolution adopted last week by the college board of trustees, endorsing the redistricting plan of State Senator Carl Pursell, is expected to be presented to Wayne County Circuit Court Judge Roland L. Ozark late this week or early next.

Introduced by Trustee Robert Geake of Northville, the resolution in effect represents the board's answer to Judge Ozark's earlier order that the board present by June 1 a plan for redistricting of the college district.

The plan is essentially that contained in Senate Bill 509, recently introduced by Senator Pursell.

Representative Stempien, who is sponsoring a House bill

calling for election by equally populated districts (Pursell's bill asks that the election be on an at-large basis) is scheduled to appear before Ozark tomorrow on his petition.

Just how the board of trustees is elected is of vital concern not only to myself but to all residents and taxpayers in the Schoolcraft District because they levy and spend tax dollars," Stempien said. "In my own case, I feel that my interests are not being represented by the existing parties in the case pending in circuit court. For this reason I am asking the court and me as a plaintiff in the case."

Although Judge Ozark has ordered the board to develop a reapportionment plan by June 1, a statute passed by the legislature would take preference over any plan prepared locally by the trustees, said Stempien, who is battling to push his bill through the legislature in opposition to Pursell's similar efforts.

Stempien proposes a seven-man board for Schoolcraft with each elected from one of seven equal population districts. He recommends that the same five-member special commission carry out the reapportionment for Schoolcraft, as will reappportion the Wayne County Board of Commissioners later this year.

The resolution backing Pursell's bill, on the other hand, calls for the three at-large trustees currently on the board to remain in office until their term expires, and for the remaining members to continue to serve until October 4; and for a special election to be held September 13 to elect six members at-large — two for two-year terms, one for a four-year term, and three for six-year terms.

With great concern for our country, I am

May Hold July Election

Millage Hike Delayed

School board trustees are expected to delay a request for additional operating millage until July, according to Superintendent Raymond Spear.

Board members had originally picked Monday night's meeting to make a decision on whether or not additional millage (over the 17-mills renewed by voters in March) would be needed for the 1971-72 school year.

Spear said the board "hopes the district can avoid asking for more millage. We would like another month to study the situation and so we can get more of an indication from Lansing as to what is going to happen to state aid next year."

Latest figures released by the administration show the preliminary budget will be \$150,000 short, or about 1.5 mills. The budget for the 1971-72 school year is estimated at \$3.3 million.

The superintendent noted that "the longer the board waits to make its decision on the millage, the better idea the district will have as to state equalized valuation state aid and the number of students to be enrolled next year."

Novi Residents Open Iron Kettle Antiques

Novi Residents Open Iron Kettle Antiques

A new two-story, 3,000-square foot antique shop called the Iron Kettle was opened recently in Novi at 4225 Grand River near Taft Road.

Owned and operated by Fred and Ceil Pennis, the shop is an addition to the home. The couple have been residents of Novi for four years.

Specializing in antiques and fine furniture, the shop also carries arts and crafts of local area residents, silverware and toys.

Mrs. Pennis is a retired decorator and has capitalized on this background to give the shop a homey atmosphere rather than a commercial motif.

BEAUTIFICATION — A tradition started several years ago was extended this past week as members of the Tumble Weeds camping and hiking club lent their hand to Northville's spring beautification program by picking up debris along Northville Road. Some 30 members, including some from neighboring Novi and Walled Lake, and their children participated.

Novi Win Shortlived As Golfers Fall Twice

A grace period was short lived last week as Novi linksters came back from a win...

By the sixth it was 4-2 and time for a six-run Wildcat rally that left the Eagles far behind.

With one away Dave Brown walked and stole second. A pop fly made it two out and Pat Ford walked.

Novi was retired with two on as a fly ball to center ended the inning.

Novi Win Shortlived As Golfers Fall Twice

They've got one par five, 315-yarder and the rest of the course is very narrow but we should have done better than we did.

Godwin's course was kind to the Wildcats two weeks ago when South Lyon and Saline came matching. Novi took the match easily with a 204 to 207.

Novi was retired with two on as a fly ball to center ended the inning.

BRAD COLE

Redmond Uncovers Still More Winners

Northville track coach Ralph Redmond reeled off a list of his front line performers to give some of the younger members of his squad some meet experience when the Mustangs took to South Lyon and undefeated Dexter in a non-league double-dual meet last Thursday.

The results were the same as usual for the power-laden Mustangs, however, as they defeated both schools to advance their season's record to seven victories and two defeats.

With John Stuyvenberg and David Wright each participating in only one event and Bob Barger, Jamie Carter, and Todd Haentzel being left out of the meet entirely, Northville seemed to be vulnerable.

Such was not the case, however, as the second line thindads came through in fine style, taking nine first places against each team to secure the victories.

It was the strength of the Mustangs in the mile and two mile runs that sealed the fate of Dexter in the first half of the double-dual meet.

Rick Bell led the Northville sweep in the mile as he led Steve Hazlett and Tim Taggart across the tape in the time of 4:51.4.

Phil Guider was the only double winner against Dexter with his victories in the 800 (2:18.8) and the 440 (5:37.3).

Tennis Coach Turns To Untried Players

There's a youth movement underway on the Northville tennis team as Coach Bob Simpson turned to his freshmen and sophomores in matches played last week.

Clarkston and West Bloomfield were in charge in the initiation and they made it a rough one as they took advantage of the inexperienced Northville netters to deal the Mustangs two consecutive setbacks.

With the high school courts still unfinished, Simpson's youth squad hosted West Bloomfield on the Cass Benton courts last Friday.

Facing the Barons was a new Northville line-up. Freshman Bob Wright was in the number one singles slot, and two sophomores, Tom Millington and Chris Johnson, were playing number one in the doubles competition.

West Bloomfield remained completely unruffled by the inexperienced Northville netters and they stroked their way to a decisive 5-0 sweep of the youth Northville team.

Once again Simmons was defeated as he had a 40, but he shared the honors with Mills who also carded a 40. Chuck Cook's 45 and Chris Tomlin's 44 brought the Northville total to 211.

In league matches against Waterford Kettering and West Bloomfield, the Mustangs didn't fare as well as they dropped both meets.

Big Track Trio Paces Mustang Wins

The Big Three of the Northville track and field team finished in the top three places of the fact that Coach Ralph Redmond's squad won 10% of the meet's 14 events, the final margin was a relatively close 65-52.

"It was a good meet," said Redmond, "Kettering's big physical, tough team. They might have been a bit overconfident against us and we also got some lucky breaks."

Stuyvenberg took the long jump (23'11"), the 100 yard dash (10.2), and finished in a dead heat with Kettering's Foltz in the 220 (23.6).

Wright turned in another strong 880 as he took first place with a time of 2:02.1 and then came back to win the 440 in 52.2 seconds.

Mitchell's winning time of 15.4 seconds in the 120 yard high hurdles tied the school record set by Ron Gietzner in 1968. In addition Mitchell won the 180 yard low hurdles with a timing of 21.2.

The efforts of Stuyvenberg, Wright, and Mitchell were not limited to the individual events, however, as all three were instrumental in Northville's victories in the two relays.

Brad Cole and Jamie Carter joined Mitchell and Stuyvenberg in the 800 yard relay to post a time of 1:55.2.

In the mile relay Wright anchored a team of Carter, Wayne Enders, and Stuart Allum to a 6:02.2 timing.

Northville's final victory came in the two mile run when Rick Bell shaved 10 seconds off his best previous time of the season as he crossed the tape a scant 2' of a second ahead of Kettering's Villereal.

There were no lucky breaks involved in the victories of Stuyvenberg, Mitchell, and Wright, however, and it's a certainty that no Wayne-Oakland league coach will be guilty of over-confidence when faced with the aspect of meeting the three stellar senior performers.

Stuyvenberg took the long jump (23'11"), the 100 yard dash (10.2), and finished in a dead heat with Kettering's Foltz in the 220 (23.6).

Wright turned in another strong 880 as he took first place with a time of 2:02.1 and then came back to win the 440 in 52.2 seconds.

NEW FORD MAVERICK (and \$71 a month for 36 months*)

NOBODY BEATS THE FORD TEAM JOHN MACH FORD SALES, INC. 550 W. SEVEN MILE ROAD NORTHVILLE, MICH.

Council Tables Street Lights

A street-lighting proposal for Northville Heights No. 2 subdivision was tabled for two weeks Monday night when the city council learned that at least nine property owners preferred no lights at all.

It appears now that the council may order street lights for only intersections in the subdivision.

Until Monday the council had been planning to scale down a proposal of the Detroit Edison Company calling for street lights at 120-foot intervals throughout the subdivision. The scaled down version would provide lights at 180 to 200-foot intervals at a cost to the city of \$350 per month instead of the \$235 cost represented by Edison's proposal.

However, Thomas Schaal of 319 Sherrie Lane introduced a petition containing signatures of nine Sherry homeowners who asked that no lights be erected.

William C. Hartmann, 950 Jeffrey Drive, and James Simpson, 410 Larry Drive, who also were present, offered no objections to street lighting although they were concerned that lighting include underground wiring and they indicated, as did Cheryl later, that intersection lighting may be sufficient and acceptable.

Underground wiring is proposed, officials noted, and the plan calls for curved metal poles, 20-foot high, with mercury vapor lights.

Another citizen, John VanTine, 371 East Main Street, complained of trucks spilling gravel as they turned the corner at Main and

Griswold, and he urged enactment of a city ordinance requiring gravel trucks to be covered.

Some communities, VanTine pointed out, require trucks to be cleaned of gravel and dirt prior to leaving a job site.

Officials sympathized with VanTine's concern, and City Manager Frank Ollendorff promised to check existing ordinances to see if they are applicable and, if so, to enforce them as a first step in eliminating the nuisance.

In answer to a question of VanTine, it was explained that no immediate plans are contemplated for changing the route or altering the roadway of Griswold north of Main.

Ollendorff noted, however, that the city master plan does call for the eventual plan to the Griswold to Novi Road. One of the plans that has been considered is to change the route because of huge costs, is a north-south route that would parallel the C&O railroad.

Upon complaint of Charles Toussaint, 528 Horton Street, City Attorney Philip Ogilvie was authorized to formally notify board of appeals members that they should disqualify themselves from voting on all issues affecting themselves.

Toussaint noted that recently member Francis Gasky, upon the urging of fellow members, cast an affirmative vote on a matter concerning his own property because of an otherwise insufficient number of members present to make a decision. Affirmative votes of

ECOLOGUE ACTION — Thanks to students at Amerman Elementary, 90 spruce trees have been planted in the school's courtyard. Tamping the ground around the newly planted trees are, from left to right, third graders Mike Petro, Ginny Callaway and Mike VanHine. Amerman students contributed money towards the purchase of the trees which will later be transplanted.

In Montessori Education Course Offered Here

A six-weeks Montessori Education Study Course is to be offered in Northville beginning May 16 and extending through June 20, Dr. and Mrs. Willis B. Hunting have announced.

Classes are to be held each Sunday afternoon at 3 p.m. at the First Presbyterian Church of Northville.

The parental study course will be limited to 60 families, with priority given to parents with children under four years of age who are interested in enrolling their children in a six-weeks summer Montessori orientation program, explained Dr. Hunting.

The course will be family centered, stressing the theme, "What Montessori Education Can Do for Your Child and Your Family's Future."

Films, discussions, book reviews, materials demonstration, visiting lecturers, and observation of a Montessori classroom with

school in the Northville area next fall.

The six weeks summer orientation program that will follow the Montessori study is designed to prepare children for entry into the full-year Montessori program next fall. The orientation program is to begin Monday morning, June 21 and end Friday, July 30.

A pre-paid \$20 for the study course is to be charged. Persons wishing to enroll should contact Dr. Hunting immediately at 42855 Seven Mile Road, Northville. Registration deadline is May 12.

Child Center to Fete Volunteers Tonight

Wayne County Child Development Center will hold its third annual service recognition program honoring volunteers and financial contributors today, at 7:30 P.M. in the Center's auditorium.

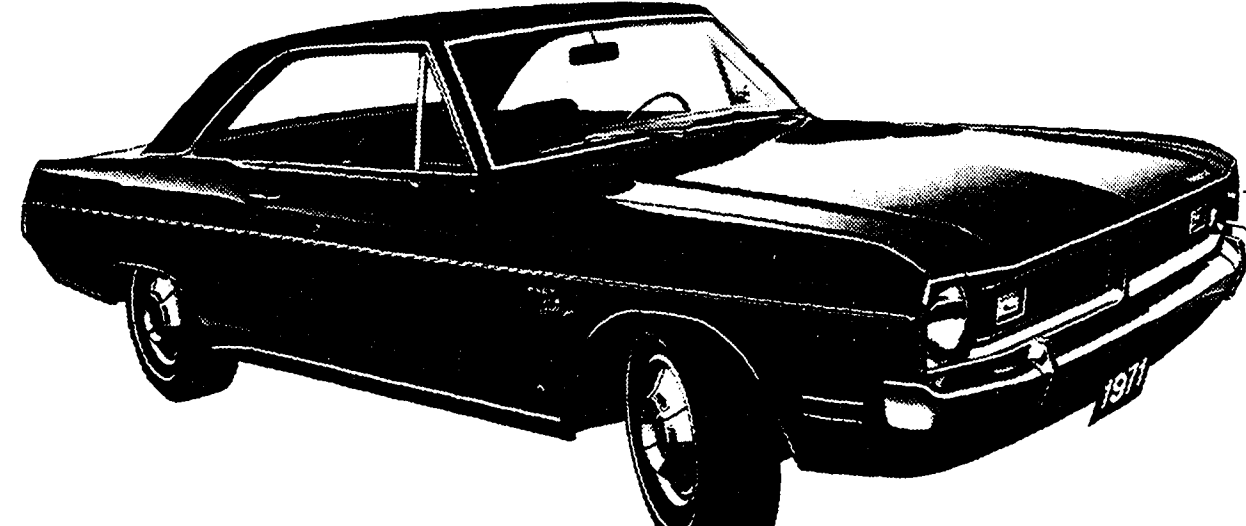

The ceremony will be held in recognition of volunteers who have contributed full-time

personal services during the past summer, and those who have donated money or material goods valued above \$20.00.

During the past year, volunteers have contributed approximately 1,500 hours and financial contributors have donated more than \$6,500. Several individual donations exceeded \$1,000 according to officials at the center, which is located in Northville Township.

In still other business, the council agreed to accept a compromise payment of \$1,600 to the county in lieu of six-year contested bill of \$5,000 for the care of indigents.

These Crab Apple Trees Will Beautify Your Lawn

Crab apple trees are among the most versatile landscape plants available to large and small homeowners, says a Michigan State University landscape architect. According to Joseph T. Cox, the varied shapes, colors, and flowering characteristics of the many crab apple varieties are responsible for the popularity of these trees. For homeowners considering the addition of a crab apple to their yard or garden, Cox offers a list of varieties adapted to Michigan growing conditions. The list may not be complete and homeowners, especially in northern Michigan should choose planting sites with care.

Farmers Are Gardeners, Too

While homeowners prepare flower beds and groom their lawns, area farmers are also gardening but on a much larger scale. Typical is Albert Read who plants oats (in picture) on his family's centennial farm at 10084 Rushton Road in Green Oak Township. He's already made five passes over the rolling field in preparing the soil for seeds.

Although on the decline, farming is still a major industry in Livingston County. But in northwestern Wayne and southwestern Oakland County this once flourishing occupation for many families is fast disappearing before encroachment of urbanization.

from the Pastor's Study Legalism Tossed To Hell's Inferno

JAMES F. ANDREWS FULL SALVATION UNION

God accepts all the world over, who keep the "spirit of the law," but legalists do not. They demand absolute adherence to their legalistic requirements.

Therefore God binds up all legalists into religious bundles (denominations) that they might be burned until all of their legalistic spirit is destroyed.

The law of the spirit of life in Christ Jesus makes us free from the law of sin and death. A legalist believes in following to the letter his understanding as to what the

"Look at the red kite up there! See how high it's flying! The little boy follows her finger, and she is warmed and gratified by his smile of appreciation."

It seems as if mothers are eternally anxious to make sure that their children get all there is to get out of life—that they miss nothing. Mothers would, if they could, show their children all that there is to see and give them everything—time for fun, time for play—new clothes, new toys, a television to watch cartoons, endless red ties and bright yellow balloons and, later, skis and sports cars.

Michigan Mirror

Staffs May Solve Court Logjam

LANSING — In the current clamor for judicial reform, the chief justice of Michigan's Court of Appeals is telling all listeners that the answer to clogged up court dockets isn't necessarily more judges.

and some people are listening. Among those who listened and acted on Chief Justice T. John Lesinski's recommendations are the members of the Judicial Council of California.

END RESULT of this setup, Lesinski reported, was a dramatic increase in the productivity of each justice.

OTHER STATES are now jumping on the bandwagon. During 1970, the Court of Appeals of Louisiana and the second department of the Appellate Division of the Supreme Court of New York began experimenting with the procedures developed in the Michigan Court of Appeals.

THE STATE HIGHWAY DEPARTMENT says it detects a slight increase in the speed at which Michigan motorists drive.

engineers have found most motorists travel at a speed they consider reasonable and safe, regardless of the posted speed.

They say an arbitrary enforcement of posted speeds along most roads would merely increase the number of violators and diminish motorist respect for speed zones generally and have little effect on the speeds driven along that stretch of road.

AMONG THE SIGNS of spring in Michigan are the resumption of the Motor Vehicle Check Lane program of the State Police.

Horse's Mouth

Send your questions, comments, and horse show news to "Horse's Mouth" care of South Lyon Herald, 3000 South Lyon, MI 48186. This column is open to news of all breeds of horses and ponies.

May 8, Wolverine Pinto Horse Association, Inc. of Michigan invites you to the second annual Pinto, Arabian, and Half-Arabian horse show at the Washenaw Farm Council grounds, Saline. Starting time 8:30 a.m. — Rain or shine.

Shiawassee County 4-H Horse Leader's Benefit Horse Show, Sunday, May 16, time: 9:00 a.m. Rain or shine. Held at 1537 West Grand River Road, Owosso.

future of the wild mustangs on the Nevada as been the workhorse of the organization. We've removed unwanted horses and burros from overpopulated areas and found good homes for them.

While the Caliente Refuge is still in the primitive stages, we intend to start work on power, sanitation, building, etc., as soon as possible.

Several months ago I wrote an article on the Wild Mustangs and how the National Mustang Association, Inc. has been formed to protect these animals.

5 Mills Back on School Ballot

ATHLETIC BANQUET—Teachers, students, parents, family and friends gathered in Novi High School's dining room commons Monday night for the annual Athletic Awards Banquet.

A 5-mill increase, defeated by voters in April, will be back on the ballot for the election, June 14 school election.

Decision to put the same question to voters drew unanimous board support Monday night.

At this time, however, board members are convinced the entire 5 mills is not necessary after extensive review of income projections weighed against alternative cutbacks.

yet "been spelled out" how the resulting tax dollars are to be spent.

Trustee Gilbert Henderson, who took the position that the 5 mills is more necessary now than when first considered prior to the last election, said he supports the same millage question because it is needed that a detailed list of projected expenditures be made and that the board will not levy any millage it finds later that it can do without.

By indirect school board action Monday night, Novi High School Principal Gerald Hartman is to lose his job with the close of the current school year.

DeWard expressed hope that voters "believe in us enough" to support passage.

Just as the meeting was getting underway, Trustee Robert Wilkinson was called away because of an accident involving a member of his family. In leaving, however, he told members that he wanted it known that he supported the 5-millage proposition.

Hartman to Lose Principal's Job

GERALD HARTMAN

superintendent following the resignation of the then superintendent, Tom Culbert. Dale was named superintendent the following January and Hartman assisted him in that post until the appointment of Hendrickson.

In his initial dual role as acting superintendent and junior high principal, succeeding Sam Stuart, Hartman played a key role in early planning of the high school program and, as the system grew, became administrator of the new full curriculum high school that in 1969 graduated its first senior class.

teachers had been withheld late in March, which apparently will give are still without contracts.

Still unclear is the change in financial circumstance that makes rehiring teachers and administrators possible today when it was not financially prudent late in March.

When it asked for the reasoning behind the board's move, this newspaper was told only that "we've been unhappy for a long time over disciplinary matters at the high school."

Originally, contracts for 17

Area Hospitality Keynotes Michigan Week Observance

With the coming of Michigan Week, local committees were busy this week ending up preparations for the eight day observance here.

State Rejects Wixom Roll

Wixom's controversial assessment roll was declared invalid Friday by the State Tax Commission.

number of private appraisal firms and that the majority of them had assured him that were directed given by July 1, a complete reappraisal of Wixom property could be completed by November 1.

Local observations will begin when Moat, his wife, Omer, Mrs. Chief Roy Knodde, his wife and Omer City Clerk, Mrs. Mary Fales join local officials for a 10 a.m. flag raising.

Wixom and Maple roads. It was triggered by a telephone call to California by Wixom Mayor Gilbert C. Willis.

Joseph Crupi and Councilman Denis Berry will travel to Grand Lodge along with their wives.

Alternatives Weighed

Novi has no regular assessor. The post has been vacant since the resignation several weeks ago of City Manager-City Assessor Dallas Zonkers.

There is a municipal appraising firm, Gordon Hunter and Associates of Farmington, whose charge is for measurement and compilation, and a deputy assessor Ann Marchewitz, who was appointed under Zonkers predecessor Harold Ackley, but is not certified. It is uncertain legally whether she can serve as city assessor and affidavit prepared by her, offered by the proposed improvement, was in fact illegal.

Bond found that the two offices Pressnell would have to fill in 1971 would be "subord" assessor — were "subord" assessor.
