New Schools May Have Short Classes

Shortened initial classes at both the new middle school and Village Oaks Elementary appeared a possibility late Tuesday as Novi administrators assessed the progress of construction and testing of water.

In Wixom Old Homes Tell Stories

They're old. The architecture ranges from the stately classic Greek revival to "add a room as needed" American farmsteads.

Chase Ends In Arrests

A 100-mph chase Thursday by Novi police netted four Detroit youths who were charged with B&E of an auto and receiving and concealing stolen property.

Couple Faces Cruelty Charge

Mrs. Patricia Uroda, 25, and Charles David Bryant, 24, both of 2648 Novi Road were arraigned Monday on charges of child neglect and child cruelty in the 32nd District Court before Judge Martin Boyle.

ORIGINAL — The Charles Ware home, 50770 West Pontiac Trail still sports the original 14' hand-hewn beams with which it was built 160 years ago.

Kindergarten Times Slated

Schedule of classes for Novi kindergarten youngsters were announced this week. By school they are: Novi Elementary—9 a.m. to 11:30 a.m. for all kindergartners living west of Novi Road and south of Grand River.

August Wedding Bells Ring for Six Couples

Bosak-Stine

A bit of family tradition graced the August 29 wedding in which Susan Marie Bosak became the bride of Glen R. Stine. They were married at 2 p.m. in the Alumni Memorial Chapel at Michigan State University, East Lansing.

For the ceremony the bride wore her mother's wedding gown with white duchess satin. It featured puffed sleeves, a princess neckline and a wide satin waistband. She carried her grandmother's prayer-book with a bouquet of assorted flowers.

The Reverend Father John Wyskiel of Our Lady of Victory Church performed the single-ring ceremony.

The bride is the daughter of Mr. and Mrs. Frank H. Bosak of 4300 Nine Mile, and his parents are Dr. and Mrs. Leo

Chapman-Lobbestael

C. Stine of Kalamazoo.

Serving as maid of honor was Miss Virginia Bosak, sister of the bride. Another sister, Nancy Bosak, served as bridesmaid and Anne M. Herrmann, the bride's niece, was the flower girl.

Best man was Timothy Null and ushers were Alan Stine, brother of the bridegroom and Robert Bosak, brother of the bride.

Following the wedding a reception was held at the Starboard Tack in East Lansing.

The bride is a 1967 graduate of Northville High School and has received a B.A. degree from Michigan State University. This summer she was employed as women's editor of the Asheboro North Carolina Courier-Tribune, and this fall she will work for a Cleveland area newspaper.

Cusson-Patterson

The couple were married on August 14 at 10:30 a.m. by the Reverend Richard Peffetto. White pom-pom chrysanthemums and white satin pew bows provided church decoration for the ceremony.

Popular music by the bride's cousins Mary Jo and Jimmy Best set a contemporary tone to the wedding. While Jim played the guitar they sang "There is Love" by Paul Stookey for the procession and "Amazing Grace" during the offertory. "Love" by John Lennon during communion and "A Song of Joy" for the recessional.

Given in marriage by her mother and father, the bride wore a white organza gown with a high waistline. Venice lace intertwined with satin ribbon bordered the waist-

Elkins-Deal

A wedding trip in the Virgin Islands followed the August 14 marriage of Vivian Marie Cusson and Richard Russell Patterson.

They were married at 1 p.m. in the Our Lady of Victory church by the Reverend Father John Troester.

The bride is the daughter of Mr. and Mrs. Andrew Cusson of 4895 West Nine Mile. Parents of the bridegroom are Mr. and Mrs. Ralph Patterson of 813 East Lake Drive in Walled Lake.

Altar vases of gladiolus and mums provided church decorations for the ceremony, along with a spray of mums

Sparlings Mark

Victoria Elkins and Barry Deal pledged their wedding vows in an August 14 ceremony at the First Church of the Nazarene in Detroit.

The Reverend A. Eugene Hudgens performed the double ring ceremony at 4 p.m., before an altar banked with white mums and carnations.

The bride is the daughter of Mr. and Mrs. Clifford Elkins of 371 Welch, and the bridegroom's parents are Mr. and Mrs. Dayton Deal of 2016 Springwood Drive.

Richard Judy, nephew of the bridegroom, served as ring bearer and flower girl was Shawna Beach, cousin of the bride.

Wade Deal served his brother as best man and ushers were Fred Hicks, Craig McDermid, Grant Gillespie, Stan Ninder and Tom Hotchkins.

Shower Fetes Recent Bride

About 22 friends and relatives of Kristin Wistert Neeser attended a belated bridal shower in her honor on August 24. The miscellaneous shower was held at the home of Mrs. Gordon Forrer, 4695 West Main, co-hosted by Mrs. Richard Kay of Grosse Pointe.

Floral bouquets fresh from the garden of Mrs. Forrer and Mrs. Harold Wright were used to decorate the living room, also the dining room table where dessert was served.

The bride, a 1969 graduate of Northville High School, is the daughter of Mr. and Mrs. Alvin Wistert, 10250 West Seven Mile. Last December she married Thomas Edward Neeser of Spokane, Washington, where the new couple is now living. Both plan to attend Spokane Falls College this fall, where Neeser is majoring in journalism.

Circle Meets

Mizpah Circle, King's Daughters of Northville, met Tuesday, September 7 at 2 p.m. in the home of Mrs. Richard Somers, 1890 Valencia Road.

The bride is a 1968 graduate of Northville High School now entering her senior year at Western Michigan University. Mr. Lobbestael graduated from Western in 1971, has completed his ROTC basic training and is now studying for his master's degree.

Gibson-Beerbower

From Dayton, Ohio, comes news of the August 28 wedding of Cynthia Gibson and John Edwin Beerbower. They were married in a double ring ceremony at the Westminster Presbyterian Church, with the Reverend Thomas C. Davies officiating.

A former resident of Northville, the bridegroom is the son of Mr. and Mrs. Robert Edwin Beerbower, 1345 Devereux Drive in Dayton. His bride is the daughter of Mr. and Mrs. Charles Augustus Gibson of Fariborn, Ohio.

Duncan Hartley Takes Bride

Given in marriage by her father, the bride wore a formal gown of antique ivory silk satin, the molded bodice featured a pearl and crystal beaded Victorian collar and long fitted sleeves. Bands of beading adorned the front of the bodice and encircled the waistline. A deep inverted pleat and soft gathers gave fullness to the A-line skirt which swept to a chapel length train.

Her silk illusion veil was caught to a medieval band of satin accented by a band of beading. She carried a bouquet of white phalaenopsis orchids entwined with white and purple stephanotis and cascades of ivy.

Circle Meets

James Norton Beerbower served his brother as best man. Ushers were Michael Taylor of New York City, New York, and Bruce Benton of Washington, D. C.

Following a reception in the French Room of the Wright Patterson Officers' Club, the couple left for a wedding trip in Bar Harbor, Maine. They will arrive on September 5 at their new home, 47 Irving Street, Cambridge, Massachusetts.

The bride is a magna cum laude graduate of Mount Holyoke College where she was named a Mary Lyon Scholar. She spent her junior year at Smith College as an urban affairs student and was listed as a Dean's Scholar. She will be a first year law student at Boston University Law school in September.

Circle Meets

The bridegroom is a summa cum laude graduate of Amherst College where he was the recipient of the Akers Prize in economics. He is a member Phi Beta Kappa and is a second-year law student at the Harvard Law School.

'China' Group Revises Meeting
The Northville Spring China Decorators will meet Thursday, September 9 at 10 a.m. in the Plymouth Credit Union Building. The date has been moved ahead one week because of the Labor Day weekend.

Since most of the members are naturalists as well as painters they are looking forward to this colorful autumn season, reports Mrs. Marcella Douglas, a spokesman for the group. "First subject will be the beautiful Woodbine vine, (also called Virginia Creeper or Honeysuckle), and members will be watching for the turning of its leaves and its luscious appearing deep purple berries."

Frances Ebert, teacher, will begin her three work shops using this subject with the "lay-in" for the first time. At the following monthly meetings she will continue for the second and third times.

Members have been notified regarding necessary supplies and paints or they may call GA1-5097.

News Around Northville

Mrs. Helen Rieger of 610 Novi Avenue returned Monday from a three week tour of Europe. Mrs. Rieger traveled to England, Netherlands, Belgium, Germany, Monaco, France, Italy and Liechtenstein.

MRS. AND MRS. CLARENCE SPARLING

"You know it was just perfectly lovely," she stated upon her return. "People ask you to describe it, but I just can't put it into words."

An end of the summer morning brunch for friends who had seen each other in several months was held last Thursday at the home of Mrs. Paul Hughes, 3915 Harbert. Co-hostess for the affair was Mrs. Robert Lang.

Approximately 30 women gathered to enjoy German and Danish pastries, scrambled eggs with mushrooms and fresh watermelon. While the visitors also admired several oil paintings which the Hughes purchased while living in Europe. They returned to Northville last fall after living in England for several years.

Honored dinner guests Sunday at the home of Mr. and Mrs. Manuel Perez, 19321 Gerald, were Mr. and Mrs. William Hazlewood. He is the past and worthy chaplain of the fraternal order of Eagles. Both couples belong to the Motor City Eagle area No. 2285.

Northville Newcomers and prospective Newcomer members are invited to attend the annual fall coffee on Wednesday, September 8. This first event of the 1971-72 season will be held from 12:30 to 2:30 p.m. in the King's Mill Clubhouse announced Mrs. John Croteau, a spokesman for the group.

Everyone is welcome to join our interest group an discuss plans for the coming year," she said.

Northville Newcomers and prospective Newcomer members are invited to attend the annual fall coffee on Wednesday, September 8. This first event of the 1971-72 season will be held from 12:30 to 2:30 p.m. in the King's Mill Clubhouse announced Mrs. John Croteau, a spokesman for the group.

Everyone is welcome to join our interest group an discuss plans for the coming year," she said.

Announcing the birth of a new son, named Robert Mark, are Mr. and Mrs. Dennis Rous of 21133 East Chipwilde. He was born on August 23 in St. Joseph's hospital in Ann Arbor, weighing seven pounds, 12 ounces.

He joins at home three brothers, Jerry, 6, Jeff, 5, and Tim, 3. Grandparents are Nathie Rous of Northville and Mr. and Mrs. James Thornton of Farmington.

Mr. and Mrs. Sparling were married in Spear Fish, South Dakota on August 17, 1951. Shortly thereafter they moved out to Wyoming where both taught on an Arapahoe Indian reservation. Sparling also served as a preacher at the Ft. Washakie Episcopal Mission.

In 1925 they moved to Michigan where following World War II Sparling started a chrome plating business in Plymouth. He retired in 1963 and moved to Northville from Detroit last October.

MRS. AND MRS. CLARENCE SPARLING

Following the wedding, a reception for 275 guests was held in the church Fellowship Hall.

Both the bride and bridegroom are 1969 graduates of Northville High School. The bride attended Olivet Nazarene College and the groom attended Western Michigan University. Deal is now serving in the U.S. Air Force, stationed in Big Spring, Texas.

The bride's mother wore a pink silk shantung with short sleeves and a rolled collar, and the mother-of-the-bridegroom chose "a sleeveless A-Line blue shantung."

Baptists Host Vocal Recital

Vocal selections from Handel, Haydn and Mendelssohn, among others, were performed Sunday afternoon by Miss Joan Kitzman in the First Baptist Church.

Miss Kitzman who lives in Livonia with her parents Mr. and Mrs. Albert Kitzman, has been a member of the Northville Baptist church for many years and is well known to church members. A graduate of Wheaton College, she has been employed for the last two years teaching and fourth grade at Perrinville School.

For the last year she has been taking voice lessons under Leon Anderson, music director at Detroit Bible College. At her recital Sunday she was accompanied by Mrs. Leon Anderson, who recited by Evelyn Hay, a college roommate from Wheaton.

Included among Sunday's selected readings was a poem "In His Hands" written by Albert Kitzman.

French Girl Here As Exchange Student

There's a new French exchange student living in Northville this year. She is Christine Zwygart, 20, a freshman at Schoolcraft College.

Miss Zwygart arrived Sunday, August 22 for a year's visit with Dr. and Mrs. W. Paul Reagan, 21633 Beck. Her visit had been planned for nearly a year since she met the Reagans who were camping in Europe last summer.

"I have always wanted to come to America, I have read much of its history and I love the American people," she explained Wednesday. "But it took so long to arrange for a visa and everything. Oh, I thought I would never get here."

In the year's time it took to finalize her plans, Miss Zwygart worked in an old bookstore in Chaumont, France. She lives there with her mother and younger brother, who is a sailor in the French Navy.

"It is a little difficult for me to speak English, I have not used it since I received my baccalaureate last year," she said with little difficulty. In particular she was concerned about the secretarial classes which she is taking at Schoolcraft this semester.

Although preparing for a secretarial career, she would prefer to work in film production, she explained. "I would particularly like to travel out west, to see the horse ranches and miles of wildness," she said. "In France it is more densely populated. People live in smaller apartments, closer together."

"I am also very fond of horses. I hope some day to have one of my own. My father, who was a riding instructor, taught me to ride when I was very young."

She enjoys living at the Reagan country home, which is big enough for a swimming pool and five horses. The Reagans have five children aged seven through 15, and a brother Jonathan, three, at home.

Grandparents are Mr. and Mrs. Arthur Schmitz of Northville and Mrs. Donald L. Smith of Southfield.

Besides visiting a Western Ranch, Miss Zwygart said she would like to see Disneyland and Houston, Texas, because she admires the astronauts. Actually she would welcome the opportunity to travel anywhere and see as much of America as she possibly can.

This fall she will be traveling to and from Schoolcraft on a motorcycle as many students do in France. When winter comes she hopes to arrange transportation with fellow Schoolcraft students.

Engagements Told

SUSAN CAPORALE and JOHN MILLER III

The engagement of Susan Elaine Caporale and John Miller III is announced by her parents, Mr. and Mrs. Dominic Caporale of Dearborn Heights. He is the son of Mr. and Mrs. John Miller, 8628 Napier.

The bride elect graduated from Fordson High School in 1970 and is now entering her second year at Henry Ford Community College. Her fiancée is a 1968 graduate of North Marine High School in California and is now employed by W.E. Shultz in Northville.

They plan to marry in August, 1972.

Mr. and Mrs. Gilbert Winner of 2322 Heartwood announce the engagement of their daughter, Kathy Joannetta to Michael Pezary III. He is the son of Mr. and Mrs. Michael Pezary Jr. of Warren.

"The bride-to-be is a 1969 graduate of Novi High School, currently employed by the General American Life Insurance Co. Her fiance graduated from Michigan State University in 1970 and is an accountant for Ernst and Ernst Accounting Firm. A December 4 wedding is planned.

Double Treat in Store At This Local Home

By PRUDENCE HART

A double treat awaits tour guests who will visit the Russell Atchison home next month. Besides viewing the elegant furnishings inside, they will be visiting a home with historical significance in the Northville area.

The stately bungalow was the original farmhouse that stood in the orchards that once dotted what is now Orchard Heights subdivision. A man named Sadler built this house around 1907, Mrs. Atchison explained. "Levi Eaton's family purchased the farm in 1916. Three years later they sold the orchards for development."

Well known in Northville, the Eatons moved from here to Ohio earlier this month. Since they acquired the house in 1945 both Dr. and Mrs. Atchison have taken an active interest in its furnishings. Now others will view their efforts during the Presbyterian Homes tour on September 23.

Ticket Sale Plans Told

Tour tickets for the Presbyterian Homes Tour will not be sold until September 23, the day of the tour. Mrs. Timothy Elise, co-chairman of the project, has announced.

Visitors may purchase a \$2 ticket then in the church Fellowship Hall, where women from the Methodist Church will sponsor a bake sale.

At the same time tickets costing \$1.50 will be sold for a luncheon on that day, sponsored by St. Paul's Lutheran Church. Luncheon chairman is Mrs. Arthur Witzke.

Also in the music room, clustered around the fireplace, is a goldmine of antiques. "My husband refinished some of them," Mrs. Atchison revealed. "Others have been in the family for several generations."

Included among the family pieces is a carved baby cradle and a black wrought-iron soup ladle. "My father remembered his mother stirring soup over a fireplace with this dipper," she recalled. Her father, the Reverend Richard T. Baldwin, was editor and publisher of the Northville Record during the 1930's.

Other antiques on display are a Dresden china clock and an ornately carved wooden spinning wheel which Dr. Atchison refinished himself. A flint lock rifle over the fireplace may have been used by the British during the Revolutionary war, they believe.

The pale golds and beiges are repeated in the living room, accented with apricot and olive green. Furnishings include a pair of dark red Bolinas vases and an ornate silver sugar shaker, Civil War period.

The knick-knack cabinet on one wall was made in an old door way. Mrs. Atchison explained. Special knick-knacks on display include a pair of dark red Bolinas vases and an ornate silver sugar shaker, Civil War period.

From there enter the kitchen which the Atchisons have almost completely remodeled themselves. Here goldenrod paneling blends the blue cabinet colors with the green carpeting. Since moving in the Atchisons have lowered the high cubbards and added a built-in bread box, with drawers underneath.

Stepping into the hallway tour guests will see a large display of family photographs. The Atchisons have four children, now grown. Son Richard is an Air Force career officer living with his family in Thailand. Rusty is a coast to coast truck driver, living at home between trips.

Rhonda Atchison is now Mrs. Roger Schack of East Detroit. Her husband, Dr. Atchison's Mrs. Ray Casterline of Northville.

Opening from the hallway is an entrance to the basement which has been remodeled into a recreation area and workshop. This will not be open to the public.

Further along is the master bedroom done in Victorian red wall paper with white curtains. Special furnishings here are a four poster bed of solid walnut and a cane seat occasional chair.

The room "The Flinders Field" displayed on one wall, written in the original hand of the author, Mr. John McCrae. "He was a distant relative of my husband," Mrs. Atchison observed. Another wall contains several love letters written by Mrs. Atchison's mother's great uncle. They were written in 1797.

From there walk past the bathroom (black and white tiled) to the den, papered in green and gold. Besides a television and a comfortable sofa, the room contains an antique table fashioned from inland butternut wood. Other antiques are an old chest and a kerosene angle lamp, dating back to the early 1800's.

Battle scenes from the Spanish American war are pictured on the wallpaper of Rusty Atchison's upstairs bedroom. The room is done in the same tones of olive and apricot, and it contains a four

DINING ROOM HIGHLIGHT—A polished rosewood trestle table is a one-of-a-kind piece in the Atchison dining room. The Dresden China dish on top was a gift from the late Helene Christian.

Northville Plans Set For Frosh

Orientation programs for new students are planned during the next week at Northville High, Cooke Junior High and Cooke Annex.

All freshmen and new high school students are urged to attend an orientation program tomorrow, Friday, at 10 a.m. in the high school auditorium. Parents also are welcome to attend the program, according to Fred Holdsworth, principal.

An orientation program for sixth graders and their parents will be held Wednesday, September 8, at Cooke Junior High Annex on Main Street. The program begins at 9:30 a.m. in the gymnasium. A tour of the building is also planned.

A seventh grader, new eighth graders and their parents have been invited to attend an orientation program at Cooke Junior High on Taff Road. The program begins at 1 p.m., Wednesday, September 8, in the cafeteria, followed by a tour of the building.

Junior High Principal Ronald Horwath explained orientation programs would replace class meetings held on the first day of school in past years.

On the first day of classes, September 9, junior high students should report directly to their home rooms where they will receive textbooks, schedules, and supplies.

Homeroom assignments will be posted in the buildings, Horwath said.

This is just a picture of your State Farm family insurance man.

You should see him in person. (For a good deal on auto, fire and life insurance.)

Page 4-A THE NORTHVILLE RECORD-NOVI NEWS Thursday, September 2, 1971

NEA Talks Go On But No Strike Seen

Contract negotiations between the school district and the Northville Education Association remain unsettled this week, one week before the scheduled opening of Northville schools.

Though a fact finder has been assigned to aid local talks, as of Wednesday no meeting date had been established.

Acting as fact finder will be Dr. David H. Kruger from Michigan State University's school of labor and industrial relations. He was named this week by the State Labor Relations Commission.

Cy Nichols, president of NEA, said that if the contract was not settled before next Thursday, teachers would "probably go back to work with last year's contract."

"Both the Michigan Education Association and the National Education Association are asking teachers to return to work under last year's contract if a new contract has not been settled," Nichols added.

While the teams have been awaiting fact finding meetings were held last week between the NEA and the school district.

As Jones, chief negotiator for NEA, said the school district "gave us a salary offer last week and we accepted the offer with one minor change. Then they changed the whole thing."

Still another candidate indicated that had she been serving on the board, Brown would have received "my overwhelming support. He is

more money into it than we had expected. "Spear noted, "but they (the NEA) wanted us to accept their changes without accepting ours."

Though salaries seem to be the major roadblock to settlement, four areas of the

contract are still under discussion: —duration of the contract; —class size; and —school calendar.

These are the same four items with which the teams entered mediation late in

September. A request from Mrs. Nancy Beaupre to rezone 6 acres of land on Eight Mile Road between Beck and Napier was set for a public hearing October 26.

Mrs. Beaupre plans to operate a child day care center for approximately 30 students in her home. She is currently in the process of securing a license for the center.

Waterford Township is planning a closed study meeting September 9 to discuss the proposed rezoning.

In other action Tuesday, planners tabled approval of a site plan submitted by Elias Brothers restaurant chain. Elias Brothers plans to build a Big Boy restaurant on Seven Mile Road adjacent to the railroad tracks, in the proposed Steward Oldford

shopping center. Planners noted the site was "landlocked" without provisions for access to Seven Mile. They requested the plan be redrawn and submitted September 28, along with road easements.

Spokesmen for Big Boy said they plan to build a family restaurant with seating for 100. The site is located on Seven Mile Road near the railroad tracks.

The rezoning would allow a density of 10.6 units per acre. Although Thompson-Brown plans only 6.32 units per acre, figured on the actual land to be rezoned.

A public hearing was held on the petition in July. George Vilcan, township planning consultant, told planning commission members his biggest concern

is the "need to go to fact finding when we are that close" in salary schedules. He believes the "teachers are going to be upset with fact finding taking place after school opens. The condition will reflect in the teaching and the way the system operates."

"I don't see how the slight difference in the salary schedule (proposed by NEA) can affect the school budget," Jones said. "And any settlement we reach will be minus two months pay increase because of the freeze."

Though Jones said he does not believe fact finding is needed to settle the contract, the teachers "have nothing to lose through fact finding. We're not getting anything now. We start the day and fact finding is to our advantage."

fact finding was called for by the school district August 6. Negotiations began in early April.

Nichols said he does not believe it will take long for the fact finder to reach a decision but "his report is not binding."

Externally the tall stone house reflects the comfort and elegance found inside. Set back from the road the house is shaded by huge old trees, also younger golden rain trees. "In September the golden pods break open and make a fluttering sound like rain," Mrs. Atchison said.

On granting rezoning was the potential gross density of 1,175 units per acre. Vilcan noted, "under the township's zoning ordinance. Allowable density is 10.6 units per acre. Vilcan noted, although Thompson-Brown plans only 6.32 units per acre, figured on the actual land to be rezoned."

Construction of the Center and Dunlap streets is actually owned by Detroit Federal Savings and Loan Association. In 1961 the savings and loan firm acquired the building from Edison and has shared the main floor office space since that time.

The second floor of the building is leased to Edison's street-lighting division which uses the area for planning and designing.

The original Edison offices were opened in Northville in about 1915 and were located at 131 North Center street, now the home of Cloverdale Farms Dairy.

Construction of the Center and Dunlap streets is actually owned by Detroit Federal Savings and Loan Association. In 1961 the savings and loan firm acquired the building from Edison and has shared the main floor office space since that time.

Edison's decision to close its office is a reflection of the times as well as an economy move. Changing customer habits have resulted in paying bills by mail, making inquiries by phone. And where the company previously emphasized electrical appliance sales at its local offices, it no longer competes strenuously with

Township Delays Rezoning Big Boy Plan Tabled

Township planners delayed action on a rezoning request for a Big Boy restaurant. The rezoning would allow a density of 10.6 units per acre.

Both requests, tabled Tuesday night, will come up for discussion at the planners' September 23 meeting.

The rezoning would allow a density of 10.6 units per acre. Although Thompson-Brown plans only 6.32 units per acre, figured on the actual land to be rezoned.

Edison Office Closing Here

Zilly, Detroit-Wayne Division Manager of Marketing, pointed out that electric service bills may still be paid in person locally at Gamble's, 117 East Main street.

"In addition to paying bills, Edison customers can also exchange light bulbs, detachable cord sets, standard design and leave small appliances for electric repair at Gamble's," Zilly stated.

The sturdily-constructed Edison building, typical of company structures erected in the twenties, is actually owned by Detroit Federal Savings and Loan Association.

MUDBALLS—With a gleam in her eyes that dares the photographer to play a little closer, seven-year-old Jenny Atchison packs a mudball while getting in an ankle deep mudhole created by water-loosened soil and dirt that slid into her backyard at 311 Jeffrey Drive during Thursday afternoon's rainstorm. Jenny thinks it's great sport but for her parents neither the mudslide nor the resulting game were appreciated. And there were others in the area who weren't happy with the summer deluge. See pictures on Page 6-A.

Stirs Protest College Board Fills Vacancy

A resolution controversy was triggered last week at Schoolcraft Community College when the board of trustees appointed Erwin S. Brown to fill a board vacancy.

Voting against the present board is illegally constituted. He left the Wednesday meeting following the vote.

Meanwhile, spokesmen for the New Democratic Coalition of Livonia, whose court action consisting of the composition of the board of trustees resulted in the September 13 special board election, has blasted the appointment, urged the board to rescind its action, and asked Brown to resign.

Candidates' Forum Slated

A special "Meet Your Candidates" program will be held next week Tuesday night at Schoolcraft Community College.

Sponsored by the Livonia Jaycees, the Livonia League of Women Voters, and the Detroit-Wayne Division of Women Voters, the forum will be held in the Liberal Arts Auditorium of the College beginning at 8 p.m.

"Because none of the 17 candidates for the college board of trustees are from Northville and hence relatively unknown, we believe this forum should be especially valuable for Northville voters in trying to decide who to support," said Jaycee Chairman Kenneth Kelsey.

Kelsey and Mrs. Margaret Thomas of the League of Women Voters will moderate the program. The format for the program, according to Kelsey, will be as follows: Candidates for the two-year terms will be invited to the stage first, and each will be given two minutes to answer this question: "What prompted you to run for the Schoolcraft Board of Trustees?"

Novi Highlights

By Mrs. H. D. Henderson and Mrs. H. D. Henderson

Kristina Kortes, daughter of Mr. and Mrs. Richard Kortes, was baptized on Sunday, September 29 at Our Lady of Victory Church in Northville by the Reverend Father Wittstock. After the ceremony a buffet open house was held at the Kortes home on Ten Mile Road.

The Godmother is Mr. Kortes' sister, Pat Schilz of Detroit, and the Godfather is Norm Raymond of Detroit. Others present at the open house were the grandparents, Mr. and Mrs. Clarence Kortes of Detroit, and grandmother Mrs. Helen Morris of Warren.

Also present were friends from Union Lake, Plymouth, Warren and the Novi Area.

Mr. and Mrs. Hadley Bachert and Mrs. George Atkinson attended a picnic at the home of Mr. Bachert's sister, Mrs. Leitha Collins at Union Lake this past Sunday.

Mr. and Mrs. Gordon Blakles of Ann Arbor were the Sunday guests of the Ratter's brother and sister-in-law, Mr. and Mrs. Russell Button. While they were together the coming wedding of the Blakles' son, Rick, some time in September, was discussed.

For a few days last week Mr. and Mrs. Frank visited their cousins, Mr. and Mrs. Arnold Fische, in Lexington, Michigan.

Last Sunday Mr. and Mrs. Kenneth Cook attended the 25th anniversary of Mr. and Mrs. John Radick at Woodville, Ohio.

David and Kay Cook attended their Fifth Class Reunion at Cass Benton Park this past Saturday.

Mr. and Mrs. Jack Anglin flew to Sunbury, Pennsylvania, where they attended their class Reunion over the weekend.

The Russells visited their son and his wife, Mr. and Mrs. Russell Race Jr., in Ada, on Sunday. On the return trip they stopped off in Owasso to visit some friends.

Edwin Steinberger is back home again after major surgery. It will be several weeks before he is able to return to work.

Mr. James Gibson of Gainesville, Georgia, spent some time with the Edwin Steinbergers while he was here to attend funeral services for Miss Helene Christian in Northville.

Mrs. Virginia Burnham and children Dennis, Denny, and Denise have returned from three weeks of vacation in the north. They spent two weeks at the cottage of Mrs. Burnham's mother, Mrs. Ralph Taylor) at Onaway where they went fishing and swimming.

The three week they were in the Upper Peninsula. They went to Sault Ste. Marie, then took the river boat and trolley trip to Tahquamenon Falls. They also visited the Porcupine Mountains and Mt. Miquin in Wisconsin and as far north as Copper Harbor and the Huron Mountains. They also took the steam engine railroad trip in the Upper Peninsula and attended the State Fair at Escanaba.

Mr. and Mrs. George Duden and son, George K., spent their past weekend in Chicago. Last week the Duden's son, Gary and his wife, who were home on a 10-day leave, returned to the base at Meridian, Mississippi. They also spent some time with Mrs. Gary Duden's parents, Mr. and Mrs. Floyd Reed in Troy.

On Tuesday of this week Mrs. Robert Devine's daughter, Kay, and her husband, Mr. and Mrs. John Muelrath, flew from California for a visit with the Robert Divines.

The Mer's Fellowship is planning another coast road for all the church family. Complete plans will be announced at a later date.

The pastor is presently giving an exposition on the Book of Revelation in the Sunday evening services. The vicar announced that any boy who is confirmed and who wishes to be an Acolyte may contact him or Mrs. Robert Huber.

First meeting of the E.C.W. will be held Tuesday, September 14 at 8 p.m. in the Parish Hall. All women of the Church are invited to attend.

The Congregation is sorry to learn of the sudden death of Mary Bailey while on vacation. The funeral service was held at the Church, Saturday, August 28.

Prayers were said for Frank Cousin Jr. who is ill and for Sandy Brown recovering from surgery at home.

Plans for the second annual back Grace Oberg recovering from surgery.

The pictorial address books are now ready as are copies of "The Cross and Crown".

STORM HANDIWORK—Jessie Washington of Detroit, driver of the truck above lost control of his vehicle during the torrential rains Thursday at 10 Mile and Novi roads. The truck, hauling industrial waste, jackknifed and slammed into a utility pole on the corner. And while Novi motorists were battling rain-slick pavements, drivers in Northville along Main Street just west of Center, found themselves (below) trying to negotiate a lake of rain water.

Wixom Newsbeat

See Last Fling Before School

By NANCY DINGLEDY

Well, it's here...the first day of school. Down deep, I really think the kids look forward to going back to school... even if it's only to wear the new duds and tote the new lunchbox. If it has been a long summer for mothers, it has been equally long for the kids. They seem to need the routine and brain-building of school.

Even with the early opening of school, there still are a lot of Wixomites who are going to take advantage of the one or two long weekend for a finale of camping and that one last fling before the long cold winter.

As long as I have been shopping, it seems I still can't get into the idea of buying all things in summer, winter things in fall and so on. By the time I think I'm ready to purchase, for example, fall items, they're all gone and what's on the racks...why, winter things of course. Boys don't seem to present as much a problem as girls. One of these years I'm just going to have to get in tune with store buyers. One thing for certain, you take your life into your hands if you do any school shopping now. No matter what the President may say about money, people sure do spend it gassing their kids ready for school.

A peek into the schools the day before the doors open is anything but the floors are polished to a high sheen, the rooms neat and tidy. New bulletin boards are up, the two hour ride. Dolores said it was really pretty and she really enjoyed it.

From the reaches of the UP, they then journeyed to Upland, Indiana and got acquainted with the school principal, her first year at Taylor University and then back home to get the rest of the kids ready for school.

Another group of Wixomites journeyed to Oblong, Illinois. Finally got that little place appointed "sort of near" Peoria, Illinois. Sue and Bill, along with their children, Sue and Bill Craig and their family and "mom and dad" Haco and Ray York made the trip to the scenic route through Indiana, and the "covered bridge colony". There happen to be many streams and creeks in one particular part of the state near Terre Haute and covered bridges from all the country have been brought and reconstructed along the route. They also saw

Billy Creek Village—a part of days gone by that is being reconstructed for posterity. Sue and Bill, along with their children, Sue and Bill Craig and their family and "mom and dad" Haco and Ray York made the trip to the scenic route through Indiana, and the "covered bridge colony". There happen to be many streams and creeks in one particular part of the state near Terre Haute and covered bridges from all the country have been brought and reconstructed along the route. They also saw

Stonfort is Bill's home town and they've missed going only once. I can understand why—when Sue talked, it must be just great.

Either Cavallero has returned home from her trip to Finland but was off again to Canada. I'll catch her yet! In the meantime, Carmen has recovered from the gunshot wounds he suffered earlier this summer when he tried to aid two women being robbed on the street. He's now able to drive again and we're really glad to hear that he didn't suffer any permanent damage.

To all of you heading for the highways on this busy weekend, please do take care and drive. We wish you a happy, but safe Labor Day.

City Clerk

Police Blotter

In Township...

A Northville girl sustained a splash injury Thursday night when the car in which she was a passenger collided with another vehicle on Eight Mile Road near Napier. The accident took place at 11:30 p.m.

Northville Township police said Sharon Serwatowski of 29511 Clement Road was taken to St. Mary hospital where she was treated for cuts, bruises and whiplash injuries and released.

She was a passenger in a car driven by Richard Womack of Inkster.

Police said Womack was making a right turn onto eastbound Eight Mile from Napier when he pulled into the path of a car driven by Charles Weathered of 4775 Dunsany. Weathered also was eastbound on Eight Mile.

The impact of the collision ruptured the gas tank of the cars and Northville firemen were called to wash down the accident scene.

No tickets were issued to either driver, police said.

Township police arrested 21 adults and four juveniles and charged them with trespassing August 22.

According to police, the adults, most of them aged 17 to 20, were on the dredge in the gravel pit on Griswold Road near Eight Mile. They were arrested on the charges September 7.

Five other youths were arrested on trespassing charges August 21.

August 25 - 2:18 p.m., 4589 Fernman, house fire.

August 27 - 11:53 p.m., Eight Mile and Napier Road, wash-down following accident.

FIRE CALLS

August 24 - 11:29 p.m., grass fire on Stansied in Northville Estates.

August 25 - 2:18 p.m., 4589 Fernman, house fire.

August 27 - 11:53 p.m., Eight Mile and Napier Road, wash-down following accident.

In Northville...

Four persons arrested this week on warrants held by city and township police appeared before 58th District Court Judge Dunbar Friday.

On August 23, Charles Hibbard of 131 Rayven was given a \$25 suspended fine after he pled guilty to a charge of improper left turn, no signal.

On August 24, Robert L. McBride of Grosse Pointe was fined \$14 after he pled guilty to charges of speeding 35 mph in a 25 mph zone.

The same day, Bruce R. Parmenter of 4289 Grand River, pled guilty to a charge of failing to stop and identify himself at an accident scene. A \$25 fine was suspended on the charge.

Gene M. Henry, also arrested on a warrant, was sentenced to seven days in jail after he pled guilty to driving with an expired license. He appeared in court Friday.

Following a presentence investigation, John N. Trenpohl of Westland was placed on two days voluntary work detail.

Trenpohl was arrested by city police July 16 on charges amounting to \$8 in possession of alcoholic beverages.

In Wixom...

Warrants were requested against Gene McMullen of Farming street this week on charges of assault and battery and malicious destruction of property.

Charges grew out of an incident at the Birch Park Hunt Club Sunday night in which Michael Shannon, 23, an entertainer playing in a band that evening, was allegedly hit with a beer bottle.

Shannon was treated for a one-half inch cut on the nose, according to police.

A camper trailer, owned by Douglas Cabard of Berkey, was broken into as it was parked in front of the Continental Bar, 4910 Grand River, Sunday night. A 165-pound portable generator stolen.

"This proposed constitutional amendment, which passed the House three weeks ago, marks the first step in meaningful tax reform by removing the present constitutional restriction against a state graduated income tax," continued Mrs. Tomber.

"And it also paves the way for educational reform by providing for a state income tax," she said.

"Michigan was in the national spotlight two years ago in recognizing the vital need for education reform," said Mrs. Tomber. "Now we can seize the lead again by recognizing that education reform can only begin with meaningful tax reform."

"Now all education is financed by a property tax and it is faltering everywhere," Mrs. Orban explained. "Take for example the recent millage defeats in Farmington and elsewhere. Instead, we're trying to stress that education should be the state's responsibility."

"By having a graduated tax the burden would be taken from those who cannot afford it, like retirees, and divided among those who are better able to pay."

"Right now we're using a little grass roots persuasion, just to get this matter on the ballot!"

"The TRUTH that HEALS"

WQTE

SUNDAY 9:45 A.M.

"FOOD, MONEY, A JOB... WHAT PART DOES GOD PLAY?"

CHATHAM OPENS—Mayor A.M. Allen hadn't yet cut the ribbon (top), signalling the opening of the Chatham supermarket here, when the crowd of shoppers began lining up (center). And when the doors finally opened last week Wednesday morning, it was a brisk shopping pace throughout much of the day (bottom) as area residents crowded the aisles looking over the features in this 31st store operated by Chatham in the Detroit metropolitan area. Flanked by the store manager, Mort W. Weinger (left, top) and City Manager Frank Ollendorf, is the mayor and Harvey C. Weisberg, executive vice president of Chatham.

Double Treat

Continued from Page 5-A

leaving out bed like the one downstairs. A carrier and Ives print adorn one wall, a river landscape another. Recently they have been remodeling and refinishing for their home, and the successful results, one can easily understand why.

By remodeling a part of the attic the Aitchisons have enlarged the upstairs bathroom and created a private study for him. The study walls are lined with books, also pictures of old cars. "My husband has two special hobbies—old cars and the civil war," Mrs. Aitchison noted.

A deep black easy chair and a high table for studying X-rays provide furnishings for this room, done in gold, brown and white.

Old fashioned furniture and antique white outfits the guest room, done in white and pink with pale aqua carpeting. Of special interest here is an antique love seat which Mrs. Aitchison found in a Howell antique shop. She "renovated and refinished" this piece in pink and gold brocade.

The final bedroom is done in pink and white check wall paper, anchoring a pink and white cross stitch quilt which Mrs. Aitchison made herself. A floral print material is used for curtains and to cover one chair.

"I suppose some day we will move to a townhouse," Mrs. Aitchison admitted. "but I

College Board

Continued from Page One

one of the most dedicated men I know, and you can be sure he will be a hard-working member."

The reorganization board election was ordered by the court because the present board fails to fulfill the "one man, one vote" principle since some of its members were elected by individual representative secondary school districts and not on an at-large basis.

Those elected September 13 will be elevated to the board on the basis of the combined votes cast throughout all five secondary school districts making up the Schoolcraft District—Northville, Plymouth, Livonia, Garden City, and Clarenceville.

SPEAKING for The Record

By BILL SLIGER

Depending upon which report you read, Michigan motorists will drive between 618 and 705 million miles over the 78-hour Labor Day weekend.

Whichever total is right, most experts agree that the state's highways will be more crowded than they were last year at the same time. And in addition to bumper-to-bumper traffic, lodging space and campsites will be scarce.

So, if you're planning a family trip as a farewell to summer, remember to drive carefully and make sure you have reservations.

Also traffic experts suggest that travel will be easier and less hazardous if motorists avoid these peak traffic hours:

Northbound — 2 to 10 p.m. Friday, 9 a.m. to 2 p.m. Saturday and from 4 to 9 p.m. Saturday;

Southbound — 2 to 9 p.m. Monday.

One of the big attractions that will add to the weekend traffic is the salmon fishing. Tens of thousands of anglers are predicted as the summer catch on Lakes Michigan and Huron may reach one million coho and chinook for the first time.

The Auto Club concludes its annual warning to motorists by noting that Michigan was one of the safest states for travel in the nation during the last Fourth of July and Memorial Day holidays. To continue this enviable record, motorists should avoid alcohol, a factor in at least 50 percent of all fatal accidents in the state.

★★★★

Ever had your gas, electric or telephone service interrupted because excavators accidentally severed a line?

Apparently it's happened enough times that the utility companies and three counties in the metropolitan area have decided to do something about it.

They've established a single telephone number — 647-7344 — for contractors, excavators and home owners to call before they start digging.

The digits spell out "MISS DIG" on the telephone dial.

The utilities and the counties of Wayne, Oakland and Macomb want people to ring up "MISS DIG" before they begin digging, whether it's for a major building or a backyard swimming pool.

Because of the hazards to life and

health, inconveniences to customers and the costs of repairing the damages, the utilities and counties and cities have become increasingly concerned over the higher numbers of cables and pipes being cut in construction projects. They're hoping "MISS DIG" will help solve the problems.

It may be just a coincidence, or maybe it's a gag, but the announcement introducing the new service to this area quotes Consumers Power Company and Michigan Bell representatives as saying that early results in Oakland and Macomb counties, where "MISS DIG" has been utilized for some time, have been very good.

The company representatives assigned to the project are listed as Michael "Digon" and "Pic" Wagner!

★★★★

Most of Novi is elated over the prospects of a major shopping center near its I-96 expressway and Novi road.

Not only are shopping facilities badly needed, but rapidly-growing Novi can use the tax revenue and jobs that will result from the modern complex.

Novi officials deserve to be congratulated for their prized acquisition.

But at the same time, Police Chief Lee BeGole knows that such a facility is not all cream and sugar.

New responsibilities in traffic, crime and fire control are obvious and he's not waiting for the center to be constructed to prepare his department for the assignment.

He's already checked the operations at Eastland Shopping Center, which he believes will compare to the Novi operation. He notes that security forces handle most of the problems at the center, but that local departments have new problems with bad checks and traffic.

Centers can also become hangouts for teenagers with nothing else to do, Chief BeGole points out, which may serve as a challenge to the community's recreation program and facilities.

"I'm all in favor of the center. It will create new jobs and provide added tax base," notes the chief. "But we'll have to increase our police and fire departments so that we can handle the center and still provide the community with the same level of service it now has," he added.

CARL D. PURSELL

NO...

I feel we should support the bicameral form of government for many reasons, the most important being the concept of each house acting as a check and balance on the other. This procedure provides the general public with the greatest protection possible in regard to individual rights and liberties.

Also, the time between passage of a bill in one house and its passage in the second permits the deliberation needed by the second house and the oftentimes necessary indication of public opinion.

The present situation in Lansing affords the best example of the advantages of the two-house legislature. I maintain that it is GOOD GOVERNMENT when immediate agreement is not reached on important and vital issues. This weighing of issues by one house tends to guarantee legislation approved in the best interests of state residents.

In this vein, it is almost a certainty that such contested legislation would long ago have been passed by a one-chamber legislature, with citizens having to bear the brunt of ill-advised and inadequate laws and statutes.

Bicameralism can meet the challenge of economy as easily as its one-body counterpart. The Michigan Legislature can be streamlined both as to number of members in each house and in procedures quite simply and still retain the check and balance concept as an added bonus. It is no accident that 49 of our 50 states still employ bicameralism in their state governments after having had the opportunity of watching Nebraska's venture into unicameralism for 34 years.

State Senator Carl Pursell
14th Senatorial District

'This model is a lot faster and more responsive.'

Top of The Deck Missing Rat Tragedy

By JACK W. HOFFMAN

In a household of kids there seems to be no varying degree of tragedy — just a steady, unending flow of it.

For example, a misplaced three-year-old's blanket, an unironed teen's blouse, or a hand-touched-toad are equally great calamities guaranteed to trigger a fountain of tears.

But the latest one at our place has the makings of something special and it's got me worried.

Whiskers is missing. Mysteriously, over the past two weeks, one by one the rats (they are called gerbils by connoisseurs) have disappeared from my oldest son's menagerie.

Initially, we were unconcerned because as is the habit of these critters they occasionally escape their cage, explore the house for a few days, and then return looking for food.

Naturally it took awhile for his mother to grow accustomed to seeing a rat streak across the floor but like all mothers with sons who harbor animals she learned to expect the unexpected.

Anyway, the rats began disappearing.

All except Whiskers... the multi-great grandfather of a family spread all the way from Northville to South Lyon and back.

Whiskers took up residence at our place four years ago and had produced offspring about as regularly as the sun moves from east to west. Our son, taking ad-

YES...

The Michigan Jaycees believe that Michigan citizens should have an opportunity to vote on the concept of a unicameral, one-house legislature because some believe it will increase efficiency in state government, provide some economies in operation, and most importantly, dramatically increase the accountability of our state legislature to the voters.

To that end, the Michigan Jaycees are joining with State Representative Joseph Swallow of Alpena and 16 other legislators in seeking the necessary petitions to allow the people of Michigan to choose between the present system and this streamlined, unicameral structure on the 1972 ballot.

We believe that moving to a one-house legislature will remove the current built-in excuses and alibies about the legislative process becoming bogged down in the other house... It is always the other guy holding up the process.

In a unicameral legislature, there is no "other guy".... The one body must account for its own actions on every issue.

President Nixon, in his state of the Union address, cited the growing disenchantment of citizens with their government by bringing it closer to the people.

The Michigan Jaycees believe that putting this unicameral proposal on the ballot would be a step in that direction.

Pat Sheridan, President
Michigan Jaycees

Refutes Business Criticism

To the Editor:
The publisher of this newspaper, Bill Sliger, deserves sincere respect and thanks from his subscribers for taking his personal and public editorial time in presenting the other side of the Northville Lumber tree-planting controversy.

The editorial seemed based on first hand facts, rather than like the lumberyard's critics apparent second-hand 'facts'. Also, the editorial side of the incident, seemed more than fair and kind to Mr. Paul Vernon and friends, for his rather unkind and unfair public castigation of this Northville firm. Mr. Vernon comments smacked of 'yellow journalism' to say the least. Mr. Vernon's remarks cannot be tolerated in the style in which they were made. Hence:

AS I CONTINUE TO PATRONIZE THE Northville Lumber Co., I will remember that they have remodeled their business to make my shopping more pleasant, versatile and to bring a higher tax base to the Northville area, in the quaint style to which I am accustomed.

AS I CONTINUE TO PATRONIZE THE Northville Lumber Co., I will recall that this firm was one which made possible for the last four years, the ability of the Northville Jaycees to build beautiful Fourth of July floats, such as the 'Gazebos' this year, which later was sold by the Jaycees for a fund donation to retarded kids. I will also remember that this firm plans to hold a benefit for retarded kids through their local sponsorship of a fine winning baseball club.

AND AS I ENCOURAGE MY FRIENDS TO CONTINUE PATRONIZING THE Northville Lumber Company, I will keep in mind that topped trees allow new vegetation growth in the next seven years, of a lower sort that would not have been possible otherwise; that the City of Northville and-or Wayne County are the real culprits responsible for destroying the beautiful entrance to our City on the east side of old Eight Mile Road by failing to repair the pot-holed road, and fixing the wrecked guard rails, as well as trimming back the shoulder weeds.

Finally, I wonder about the methods of an appeals board member criticizing in this

At Schoolcraft Vo-Tech Plans OK'd

Preliminary plans for a 24,864 square foot addition to the vocational-technical building gained approval of the Schoolcraft Board of Trustees last week Wednesday.

OLV Plans Film Series

A colorfilm series on the cultural development of Western man, entitled "Civilization," will be shown free at Our Lady of Victory parish hall, 770 Thayer Boulevard, beginning Tuesday, September 14.

The series will continue for 13 consecutive Tuesdays.

"This series," according to an OLV spokesman, "has been characterized as the 'most effective use of motion pictures for educational purposes ever seen.' It has been made available under a special grant from the National Endowment of the Humanities and the Xerox Corporation.

"The films take you on an exquisitely illustrated guided tour of the ideas and events which have forged Western Civilization. These films were created, written and narrated by famed British art historian Kenneth Clark."

The series will be held at 9 p.m.

Obituaries

MRS. BETTY KREEGER

Mrs. Betty Kreeger, formerly of Northville, died suddenly August 26, at her home in Loveland, Colorado. She was 62 years old and the daughter of Mr. and Mrs. Milo Dugan, also former residents of Northville. Besides her parents, she was survived by four daughters: Martha, 19, Susan, 17, Nancy, 15, and Judy, 11. In lieu of flowers, contributions for the minor children are being accepted by Mr. and Mrs. Walter Kane of Post-Office Trail, South Lyon.

Funeral services were held Tuesday, August 31, in Loveland, Colorado, at the Hunter Funeral Home.

MARY BAILEY

Funeral services were held Saturday for Mary Bailey of 4369 Westridge Lane who died Thursday, August 26, while vacationing at Higgins Lake. She was 49 years old.

Surviving are her husband, Everett E., a daughter, Gloria Jean, a son, William Earl, both at home, a sister, Mrs. Rose Coates of San Diego, California, and two brothers, James of San Diego, and Michael of Novi.

Funeral services will be held today, September 2, at 10 a.m. in the Hunter Funeral Home, The Reverend Lloyd Brause of the First Presbyterian Church of Northville will officiate. Burial will be in White Chapel Cemetery in Troy.

AGNES M. MCKAY

A retired teacher, Miss Agnes M. McKay of Plymouth died in St. Mary hospital last Tuesday, Miss McKay, 91. She was born May 26, 1880, in Enfers, Ontario, to Angus and Annie McKay. For 30 years she served as a teacher at the Girls Training School in Adrian. Miss McKay was a member of the First Presbyterian Church of Troy.

Survivors include two sisters and a brother. They are Mrs. Elizabeth P. Plympton, Mrs. Thomas Bobb of Grand Rapids and Bruce McKay of Ontario, Florida.

Funeral services will be held today, September 2, at 10 a.m. in the Hunter Funeral Home, The Reverend Lloyd Brause of the First Presbyterian Church of Northville will officiate. Burial will be in White Chapel Cemetery in Troy.

ORIGINAL OFFICE — Remodeled and now the quarters of Cloverdale Farms Dairy at 134 North Center Street, this building was the original Detroit Edison office about 1915. This picture shows how the building looked 50 years ago.

Novi Details School Plans

Pertinent information for all parents and students regarding the opening day of school Wednesday, September 8, was announced Tuesday by Novi High School Principal H. J. Seymour.

All students who have obtained their programs will report directly to their first hour class or study hall, the principal said. Students who have not received their program will obtain the program between 8:00 a.m. and 8:15 a.m. in the commons and then report to their first period assignment.

No class changes will be made on the opening day of school, Seymour said. Changes which are absolutely necessary will be made on Thursday and Friday during the student's study hall period. Students are to follow their program schedules as distributed.

The hot lunch program will be in operation on Wednesday, September 8. Hot lunch will again cost 45 cents. Students who bring their lunch may purchase milk in the cafeteria.

No students are to be in the parking lot during any lunch period.

period, the principal said. Skill center, co-op, and work permit students will leave the parking area at the program designated time. All skill center students are to be bused to the Skill Center at 11:05 a.m. and returned by bus at 2:25 p.m.

The principal announced parking procedures for the recently paved student and faculty parking lot. These will be explained to student drivers and faculty the first day of school. All skill center, co-op, and work permit (parent-school approved) students are to park in the row nearest Taft Road.

Seniors not on the programs are to park in the middle two rows of the parking lot. Juniors are to park in the row nearest Taft Road. The faculty will park in the area immediately south of the student parking area.

Various assemblies are scheduled during the first week of school to assist in a smooth opening for students in this the first year as a separate high school," he said. Books will be issued during the first day of school to most students.

Edison Closing Office Here

Continued from Page One

the numerous independent appliance retailers. Zilly expressed a desire to assure the business community and citizens of Northville of Edison's continuing interest. "The company has a stable investment locally and is eager to see the area develop further," he concluded.

The first electric lights were turned on in Northville on November 16, 1889. The electric system was then owned and operated by the Globe Furniture Company. Samuel W. Wilkinson was chief engineer for the operation. Later he became the Northville agent for Edison.

The village of Northville took over the system in 1900, erecting a new plant on the north side of Beal Avenue just west of the Rouge River. Edison leased, then later purchased, this plant from the village in 1914. From 1908 until Edison took over in 1915, Washenau Light and Power Company served Northville.

The first Edison District Agent in Northville was Angus D. McLay, who later became a company vice president. He was succeeded by William Fitzgerald, Robert R. Brown, Wilkinson, Robert Steininger and Harry Wagreich. Edwin W. Kivela is presently manager of Edison's Northville and Plymouth offices.

Detroit Federal Savings' President Samuel Sherer said his company has made no decision as yet on what use will be made of the Edison portion of the main floor space.

around Northville, who also have accumulations of trash in the back of their firms that is unsightly, and they are not even remodeling? I and my friends, find no fault with Northville Lumber, and its generous manager, Mr. Walt Dean. I shall continue to patronize them!

Sincerely,
Dennis R. Dildy

3,350 Students Expected

Schools Open Here September 9

Northville Public Schools will open their doors Thursday, September 9, to a record 3,350 students.

Rotary Sponsors Stream Cleanup

Northville's waterways are scheduled for a clean-up on Saturday morning, September 18.

Students at the elementary level, he said, and we expect to gain 150 to 200 elementary age children throughout the year.

A total of 1,400 students will be enrolled at the three elementary schools—Amerman, 543 students; Moran, 434; and Main Street, 423.

Cooke Junior High Annex expects 269 sixth graders, while 551 students will be at Cooke Junior High.

Enrollment at Northville High is expected to total 1,130.

1971-72 school year have been changed from previous years with classes at the elementary schools beginning at 9 a.m. and ending at 3:30 p.m.

Free textbooks and minimal supplies will be provided to all students in Northville schools.

No damage deposit will be required this year, however, charges will be made for loss of books or damage beyond normal use.

Attendance hours for the first day of classes.

RIVER ROAD NURSERY

Put your child in our care. Enroll now for full program starting September 7. River Road Children's Nursery, 4349 Grand River, Novi.

WANTED: MOTHERS, HOUSEWIVES,

Be a Toy Dealer! Good Commission, no experience or cash investment needed. No delivering, no collecting, company furnishes all hostess gifts and supplies.

THE NORTHVILLE RECORD-NOVI NEWS Thursday, September 2, 1971 Page 13-A

In Northville's New League Stiff Competition Seen

Financial storm clouds that threatened last week to wash out the Western Six League football season have cleared.

More accurately termed the Western Five, the league is short one member until Plymouth Canton joins next year.

For Northville, the leap from the Wayne-Oakland league, may be as dangerous as jumping from the frying pan into the fire.

Last year the Mustangs paired with Brighton as runs of the Wayne-Oakland League battled against class 'A' schools that averaged 1,348 students.

Stiff competition doesn't seem to worry Coach Chuck Shonta, although he admits it could be a problem.

Northville's sole victory last year was over Brighton, enroute 988. This year, however, the Mustangs will face schools the size of Churchill, 2,450, and Western, 1,820.

Both schools deal Northville shutouts last year. Clarenceville 14-0 and Milford 50-0—so it's a cinch Mustang week, Redmond has been working his thumbs through drills along Edward Hines parkway, loop courses in Kennington Park and in scrimmages with Schoolcraft College squads for the last few weeks.

Other juniors are Tim Taggart and Steve Zima both with track backgrounds in the Mustang ranks.

Local skaters began preparation this week for action in the Northville Junior Hockey Association with warm up drills held in advance of regularly scheduled October practices.

Under the eye of association coaches, young hopefuls will take advantage of two weeks of two-hour-per-day drills held in Livonia on conditioning, stick-handling and other basic fundamentals.

Schafer announced a registration night, scheduled at Northville Presbyterian Church on September 14, and he urged all boys, ages 8 to 14, who want to play hockey this winter to attend.

Champion Golfers - Relaxing Friday after winning the Women's Invitational Golf Tournament at Meadowbrook Country Club are Mrs. Kenneth Martens (right) and her guest Mrs. John Hume. They placed first with a low gross score of 162 for the two-day tournament.

Not pictured are first place low net winners, Mrs. Ray Costigan and her guest Mrs. Robert Hickson. They carried a net score of 136.

1970-71 NOVI SCHOOL BUS SCHEDULE

Table with columns for bus assignments, street names, and school levels (High School & Middle School, Nov Elementary, Nov Elementary). Includes routes for various streets like Ampton, Aspen, Austin, Balcombe, Beck, etc.

CIVIC DONATION—With the turning of the first shovel of dirt Friday morning, construction of a new softball diamond was begun.

Northville Harriers Keep Fingers Crossed

Take a cross country squad whose predecessor notched a 9-2 record in the rough Wayne-Oakland league last year, season it will be with two returns from that stellar troop, mix it with a whole new league containing four tough class 'A' schools, and what have you got?

Tennis Tourney Scheduled Here

A doubles tennis tournament for adults has been organized for area residents to be held over the Labor Day weekend.

Drills Start For Pucksters

Local skaters began preparation this week for action in the Northville Junior Hockey Association with warm up drills held in advance of regularly scheduled October practices.

Aces Hole At Brooklane

Ralph Howard, 55, of St. Jene, Quebec, undoubtedly will be president of the American visit to a healthy endorsement of Michigan golfing.

STILL CHAMPION - Candy Johns of Farmington capped her fourth straight title recently in the annual Ladies Club Championship of Meadowbrook Country Club.

Two State Losses Drop Lumbermen to Third

Kucher sped home as Steve Juday sacrificed to center, and Wedge scored the third run on Don Thomson's rib hit.

Wedge was the big bat for the day as he collected three hits in five trips to the plate.

Other hitting power was supplied by Don Thomson, Juday and Kucher, each of whom posted two for five.

The opening win over Monroe broke a 7-7 tie in the series of the ninth Saturday as Jerry Wedge ripped a double, driving in Don VanDingen and sending Kucher to third.

Monroe broke a 7-7 tie in the series of the ninth Saturday as Jerry Wedge ripped a double, driving in Don VanDingen and sending Kucher to third.

FIRST AND THIRD - Two Northville area golfers led a field of the state's finest in the 32nd annual Michigan Open at Bedford Valley Country Club in Battle Creek last week.

Champion Golfers - Relaxing Friday after winning the Women's Invitational Golf Tournament at Meadowbrook Country Club are Mrs. Kenneth Martens (right) and her guest Mrs. John Hume.

Homes Tell Stories

Continued from Page One

After Ahjah's death, the house and acreage passed to Willard C. Wikom. Through the course of time, the acreage was divided and sold and the house passed through many hands eventually to the VanAmbergs. Mrs. Parion spent her childhood in the home and remembers few changes being made to the home.

Hidden from view from the road is a large barn with "gingerbread" at the eaves and still structurally sound. The Parion's house their horses in the barn that probably has as many tales to tell as the "ghosts of the past" that are only a part of fading memories within the house.

Not looking out of place is a glass enclosed family room

with sliding doors added a few years ago to the rear of the house.

The big old farm home is painted a sparkling white surrounded by trees and shrubs and is alive with the sounds of children and activity. You might say it is a lucky house — lucky because someone cared to preserve it for perhaps another 138 years.

Tests Improve

Continued from Page 5-A

Only sixth graders are housed in the annex in a program which eases the transition from elementary school to junior high.

Figures rating the school district as a whole, when compared to districts of the same size throughout the state, Northville ranks in the 10th percentile in average years of teaching experience, six years; and in the 7th percentile of teachers with masters degrees, 29-percent.

The district ranks in the 61st percentile in state equalized valuation per pupil, \$19,472; 91st percentile in local revenue raised per pupil, \$604; and in the 16th percentile in state aid per pupil, \$59.

Northville is in the 90th percentile in instructional expense per pupil in grades kindergarten through 12, \$878; and in the 89th percentile in the total per pupil operating expense, \$801.

The dropout rate is in the 40th percentile "which indicates a low dropout rate (4.2-percent) when compared with other districts," Miss Panattoni said, "but also an increasing one for Northville."

Regents-Alumni Scholars receive a certificate and \$50 honorarium, officials announced. Financial need is not a consideration in the selection.

Directed Athas to write the City of Romulus concerning the price and manufacturer of their council chairs.

Directed Berry, Presnell and Councilman Donald Young to serve on a committee to determine the purchase of Whipple Street citizens in regard to the dedication of their road.

Michigan Honors Three

Outstanding Michigan high school graduates who will be freshmen at the University of Michigan have been designated as Regents-Alumni Scholars, the University announced.

Students from this area are Gary Randall Glenn, 3940 Sunbury, Thelma Quogue, 4248 Sunnydale, and James David Schoultz, 426 East Street.

The honor recognizes the scholar's superior academic achievement and their potential contribution to the scholarly community of the U-M. Finalists are selected from among applicants for freshman admission and are referred to local U-M alumni for interviews and recommendations.

Directed Athas to write the City of Romulus concerning the price and manufacturer of their council chairs.

Directed Berry, Presnell and Councilman Donald Young to serve on a committee to determine the purchase of Whipple Street citizens in regard to the dedication of their road.

UP IN SMOKE—It looked like the entire city of Northville was going up in smoke Sunday afternoon when an oil slick at Mergraf Oil Company, 175 Railroad, caught fire. Police are investigating the possibility of arson. Several youths were seen in the area shortly before the fire started at 5:25 p.m.

Novi Hires Assessor

Continued from Page One

State Tax Commission, John LaRose, said Campbell, "Level three assessors are scarce in this state and this particular one has work known for quality."

"He does not have his level three but if we hire him we can require that he get it or a conditional certificate before December 31," Campbell continued.

"He has experience in communities with all different types of zoning, and he understands data processing which is something I think the Novi assessor department will have to get into soon," Campbell said.

Presnell stuck to his objection over salary saying it was silly to advertise in the Michigan Multiple Review

for an assessor at \$12,500, which the council has done, and then turn around and hire one for \$14,000.

City Manager George Athas pointed out that councilmen were within charter limitations so long as they did not surpass the total expenditures allowed to any one department.

Novi's budget earmarks \$30,225 for the assessing department.

Over Berry's objection, and Presnell's abstention, the motion to hire Merrifield passed 5-1.

In other business Monday night, councilmen—
—Decided to take bids on a new truck for the DPW.
—Directed Athas to write the City of Romulus concerning the price and manufacturer of their council chairs.
—Directed Berry, Presnell and Councilman Donald Young to serve on a committee to determine the purchase of Whipple Street citizens in regard to the dedication of their road.

Short Classes

Continued from Page One

stepped down from our original requests, but the board doesn't seem to want to budge," he said.

Nevertheless, he is hopeful that an agreement can be reached before the end of the wage freeze. "One thing for sure...we don't plan to delay settlement until the freeze ends. I hope the board feels the same way."

Extra Hours Set For Registrations

Northville city clerk's office will be opened for three nights in September to accommodate voter registrations. Clerk Martha Milne announced this week.

The office will remain open until 8 p.m. on September 15, 22, and 29, she said.

To qualify a registrant must have been a resident of the city for 30 days, of the state for six months, be a United States citizen, and be 18 years-old or older.

Registration deadline for the upcoming election is October 2.

A city election, in which the post of mayor and two councilmen are to be filled and in which several revisions to the city charter are to be approved or disapproved, is scheduled for November 2.

Enjoy Fruitful Adventure

Winemakers Play It Straight

Sip and enjoy the vintage, home-made wine at the Philip Fisher home and you can thank your lucky stars that the "pigs got tired of all those grapes."

It was a bumper crop of grapes that forced the Fishers, back in 1959, to look for some new use for this fruit on their little Currie Road farm in Lyon Township.

"I'd canned gallons and gallons of preserves and then we started feeding the grapes to the pigs...but they got tired of all those grapes after awhile," laughs Mrs. Fisher.

"Well, I didn't want to throw them away. Then one day I asked a friend what I could do with them. 'Wine, make wine,' she said."

And with that advice the Fishers launched a fruitful adventure that soon produced gallons and gallons of wines that could very well surpass in taste and quality the commercial brands sold in this area.

But Mogen David need not worry.

That's because the wines made by the Fishers cannot be sold or given away. It can't leave the premises except in the belly of a lips-making friend, relative, or inquisitive reporter.

It wasn't always that way, however. Launched a Fisher with a blush. Like untold thousands of other unformed homemakers around the country, the Fishers figured that wine-making was a perfectly legal extra-curricular activity—not any different than putting up a jar of jelly.

It's legal, alright, provided the little winemaker has a permit from the Alcohol, Tobacco, and Firearms Division of the United States Department of Treasury. You know the agency as the same one that sneaks around hillsides looking for curly copper pipes and vats of corn liquor.

Anyway, for a couple of years the Fishers gave away bottles of their best as gifts to friends. Then one day one of those friends spotted a news article about the illegality of wine-making and, in jest, "threatened" to pin it on the bulletin board at the Presbyterian Church in Northville where the Fishers are members and where their wine skills were common knowledge.

Well, now, Fisher, the sort of former missionary in China, couldn't have that. So he and Greg, two inches from his toe, then swoops down and plucks the wooden little girl from Greg's grasp.

Greg, of course, momentarily distracted by the rock, had weakened his grip on the wooden girl. And he doesn't cry when his three-year-old brother takes the girl. But shortly thereafter Greg wails like a man deprived of his very soul.

The father full of wisdom approaches. "You wanted to play with that girl, didn't you David?" I say. "Uh-huh," replies David. "Greg has stone to play with," he reminds me. Puzzled, I go back to my lawn chair.

Permits are free but there are restrictions, explain the Fishers. For example, only heads of households can make wine. And that means bachelors and unmarried women, no matter how old, can't make it...an interesting little fact that apparently has escaped the eye of the Civil Rights Libs.

Holders of permits, according to the Fishers, may produce up to 200-gallons of wine in a single year. A permit runs from July 1 to the following June 30.

A LOOSE LEAF

By ROLLY PETERSON

As a parent, and a none-too-intelligent one, I must admit I'm forever fountaining whenever it comes to handling a delicate situation between our two sons, ages three and one. So I'm always on the lookout for sage advice that will help me to avoid botching confrontations that even boys this young age invariably get involved in.

That's why I read with avidity columns giving advice to chagrined parents. Such gifted wisdom and restraint. Confrontations melt in the face of such advice, children immediately feel like loved individuals and parents float through a life of peace and harmony and gratification.

The columnist doesn't simply give out advice. First he gives an example, quoting exactly what is said by the kids and what the parent says and does in handling the dispute.

For instance, One brother asserts he plays in a better Little League and that he's a better player. The other brother, angry, disputes the point and asserts he's the better player. In comes mom.

"Here, Greg," he says. "Here's a stone" — and drops the two pound rock in front of Greg, two inches from his toe, then swoops down and plucks the wooden little girl from Greg's grasp.

Greg, of course, momentarily distracted by the rock, had weakened his grip on the wooden girl. And he doesn't cry when his three-year-old brother takes the girl. But shortly thereafter Greg wails like a man deprived of his very soul.

The father full of wisdom approaches. "You wanted to play with that girl, didn't you David?" I say. "Uh-huh," replies David. "Greg has stone to play with," he reminds me. Puzzled, I go back to my lawn chair.

from the Pastor's Study

Free Heart Transplant Available to All

Rev. Jim Wheeler
Pastor,
Tri-Country Baptist Church
Salem

Text: Ezekiel 36:26-27 "A new heart also will I give you, and a new spirit will I put within you. And I will take away the stony heart out of your flesh, and I will give you a heart of flesh.

And I will put my spirit within you and cause you to walk in my statutes, and ye shall keep my judgments and do them."
Although this passage refers to Israel it can be readily used to pertain to this day we live in. The Bible says in Romans 3:22 "Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe for there is no difference." And then in Romans 10:12 "For there is no difference between the Jew and the Greek for the same Lord over all is rich unto all that call upon him".

The news today talks much about new heart transplants, and how lives are salvaged for a few days or months. This is good news and great stories are being made in medical history. "Praise God" for this.

I would like to take this opportunity to remind you that God has been in the business of giving new hearts ever since man fell victim to sin and death in the Garden of Eden, and is still in the business today.

The problem facing medical doctors is not the new hearts as such it is the rejection of the body. The body rejects the new heart and soon dies. How sad it is.

Area Church Directory

Novi's New Sewage Plant Is Nation's Finest

MILLION DOLLAR PLANT—The new Novi-Walled Lake sewage treatment plant is one of the most modern and efficient in the nation. Experts report that by the time the sewage has passed through the tertiary treatment system, it is 97 per cent free of impurities and is fit for drinking.

Novi's new \$1.69 million sewage treatment plant offers the area one of the most efficient and modern water purification plants in Michigan, if not the entire country.

"By the time the raw sewage has been processed through our plants," says Michael M. Strachow, the man who designed it, "we estimate that 97 percent of all its impurities have been removed."

"It's better than any other plant now in operation," he continued. "You just can't find a plant that is any more advanced than this one is."

Located on West Road, near Beck and just a quarter of a mile from the southwest corner of Walled Lake, the new sewer treatment plant is part of a joint venture between the Cities of Novi and Walled Lake to alleviate their sewage problems. Walled Lake has been without sewers completely and Novi has had sewers only south of the expressway.

Pressure to come up with an adequate water treatment program was put on the two cities by the Michigan Health Department, which put them both under edict to stop polluting Walled Lake by dumping their sewage into it.

Novi City Manager George Athas was pleased with the plant not only for the service it provides for the people of Novi, but also for the prominent role it will play in the future of the city.

"The most important aspect of this plant," said Athas, "is that it will open up the entire northern part of Novi for development."

Novi, which will ultimately have some 2,200 taps in the treatment plant, will pay for its share of the construction costs by charging a tap-in fee and a debt retirement fee.

The plant operates on the contact stabilization, or "activated sludge" treatment process. Activated sludge consists of millions of organisms which quite literally feed off the waste material in the sewage.

In activated sludge treatment these organisms are given ideal living conditions so that they thrive and multiply rapidly. By the time they have finished their work, the water is relatively clean.

The most important addition to the activated sludge process at the Novi-Walled Lake plant is the multilayer filter system that the water passes through in the final step before being dumped into the Fenley Drain.

This multilayer filter consists of two and a half feet of different sized mineral beds, ranging from thicker, larger particles on the top to very fine particles on the bottom.

The activated sludge treatment and the multilayer filter treatment are only two of the stages, however, that the water goes through in the three-stage, or tertiary, purification system. The third stage involves the use of chemicals, as chlorine is added to the sewage just before it goes through the final filtering stage.

When the sewage first reaches the plant, it passes through a coarse screen that removes limbs, bottles, and other large items that occasionally get in the sewers and would clog the pumps if allowed to continue through.

From there it passes into a wet well where it is, in turn, pumped through a comminutor. In the comminutor

THE NOVI NEWS

SERVING THE CITY OF NOVI AND THE CITY OF WIXOM

Vol. 17, No. 17, Two Sections, 24 Pages Novi, Michigan—Thursday, September 9, 1971 15c Per Copy, \$6 Per Year In Advance

Assessor Hiring Snags on 'Freeze'

Two council expenditures—one already approved and another proposed—ran into legal snafus Tuesday forcing the Novi City Council to take delaying action.

They concerned earlier approval in hiring a board appraiser in hiring a city assessor and a proposal to purchase 11 new chairs to go with the new council table on order.

The assessor dispute arose even before the council began deliberations when Councilman Edwin Presnell took issue with the previous council minutes, asking that they be changed to reflect more accurately his comments relative to the discussion about and the hiring of an assessor.

(Following last week's discussion, the council voted to hire John Merrifield of Otsego as the assessor.)

Others argued that because the new assessor has a higher professional classification than originally contemplated by the council in setting the \$12,500 figure, he is in fact by such suffer certification a higher paid official.

"Let's face it," said Councilman Raymond Evans, "when we set the budget we didn't know anything about different classifications. We didn't know ourselves how much an assessor would cost. I think we are sort of nickel and dime."

Evans disclosed later that if Novi had to pay the "scale" normally paid to certified assessors it would cost in excess of \$17,000.

Finally, Crupi ordered the minutes tabled pending the assessor's findings.

Concerning the chairs for the new council table, Berry moved (and later withdrew the motion) that the council purchase 11 chairs at a cost of \$171 each, as specified earlier in written questions.

The question then was raised if such a purchase, totalling more than \$1,900, could be made without going through the normal bidding procedure.

Bond consulted the charter and noted that bids would have to be asked, and that the council cannot circumvent the intent of the charter by dividing its purchases.

Concerning this proposed purchase, Evans asked that the council be given a list of furniture expenditures to date. He suspects, he said, that expenditures have already exceeded the budget.

The council should be apprised of "just where we stand," he added.

In other bidding matter, the council received and opened bids from four firms on police uniforms and then referred them to the city manager for review and recommendation at a later meeting.

\$14,000 worth of ordinance amendments were adopted by the council, following a brief explanation of changes by the city attorney.

Connection feets to lateral sewer lines in which the charge to local connecting properties by the city was increased.

• Broque-Smoker Lateral, which provides regulations for sewer connections to a proposed sewer extension in the Nine Mile Meadowbrook Road area. This agreement provides for a tap-in fee of \$243 each, and for a reimbursement to the developer, which is aiding in the extension financing, as taps are made into the line.

With a total of 700 taps allocated, those not assigned to the developer may be sold elsewhere in the city—at \$243 fee, it was noted.

• Council authorized the city manager to permit the developer to install utilities within the city's road right-of-way if by Friday he is unsuccessful in securing easements across private properties.

Referred to the city attorney, was a proposal that a resolution be prepared, suggesting from those present.

C.A. Smith, president of the Wixom chamber will outline a program of projects for the process of development during the year. "This program is to be the most comprehensive ever undertaken by the chamber covering commercial, industrial and residential development of the area," he said. All interested in the future of Wixom are welcome and urged to attend.

Novi Year Book Goes Out Friday

Novi High School's 1971 yearbook—"1971 Reflections"—is ready and will be distributed Friday, September 11, at the High School Commons from 7:30 p.m. until 10 p.m., it was announced today by yearbook advisor Mary Warren.

Lewis Stiller was editor of this year's annual.

Featured for the first time will be a yearbook queen. The queen was selected by a well-known national celebrity earlier in the year from a group consisting of Jan Lampi, senior class representative, Sue Calhoun (junior class), Marsha Cook (sophomore class), D'Ann DeMaris (freshman class), Anne Padgett (student council), Denise Ballin (ski club) and Tina Kehler ("Wildcats Roar," school paper).

Both the identity of the queen and the judging celebrity will be revealed at the ceremony on Friday night and the queen will be presented with the first yearbook and a dozen roses.

The \$5 price of the book must be paid in full before it will be given out. Parents may pick up the books for graduated seniors who are unable to attend.

Anyone with questions should contact Mrs. Warren at the new Middle School.

No Strike Seen Half Days in Offing

Schools reopened Wednesday morning in Novi prior to the November date, he said. This latter clause, he explained, was added in the hopes that a new contract settlement can be reached before the expiration of the freeze.

Minor changes in last year's contract will have to be made, however, because of changes resulting in this year's school calendar and because of changes in class schedules, he added, noting that he saw no problems in such changes.

"The teachers want to teach and they will not dispute minor changes to accommodate the school according to Milan Obrenovich, chief negotiator for the teachers.

Furthermore, it provides that the contract extension can be lifted by mutual agreement of both the teachers and the school board prior to the November date.

Because of the unanticipated delay, beginning Monday junior-senior high school classes will go on half-days sessions and continue in this fashion for perhaps the remainder of September.

It will mean that middle school students as well as high school students will be using the high school facilities. High school students, explained Dale, will have classes from 7:30 a.m. to 12:30 p.m., while middle school students will have classes from 12:30 p.m. to 5:30 p.m.

According to the school district, the delay, even though construction is far from finished at the middle school, officials believe part of the new facility could be used for classes had it not been for the sewer delay.

Meanwhile, however, sewer delays at the middle school have forced a revision of earlier announced schedules

In 1950's

Territory Loss Staggers Novi

Editor's Note: Following is the sixth in a series of articles concerning the various artificial boundaries that affect people and officials living within the circulation area of this newspaper.

"Now we know how the Indian feels when the white man comes along and starts taking his territory."

That statement in 1956 pretty much sums up the position of Novi officials as Northville began "scalping" the southern edges of Novi through annexation.

It was made by the then Novi Township supervisor, Frazer Staman, who now is an Oakland County road commissioner and a resident of Wixom.

Even now, after 15 years, he still views the Northville annexations as improper and he is convinced the annexations were based on an unconstitutional law despite contrary interpretation by the courts.

But the worries in 1956 over the Northville annexations soon were overshadowed by still another kind of boundary change—the incorporation movement by residents of what now is the city of Wixom.

Everything seemed to be happening at once.

A new expressway (I-96) was underway, a movement to consolidate the school district appeared headed for success, Ford Motor was nearing completion of its giant new factory on Wixom Road, a horse race track was approved for development, and the township's newest and largest subdivision—Willowbrook—was well underway.

The irony of it all was that just a Novi began to experience a boom, a new impetus for knitting a largely rural area together, allegiances to the community were drifting away.

Initially, the township opposed the village incorporation movement of Wixom in an effort to keep its boundaries intact. But this was abandoned when it was learned the movement was legal.

Nevertheless, fears of township officials persisted. Though a "Wixom village" would still be part of the township, it was feared Wixom might not stop with village status but go beyond, claiming cityhood and thus snatch the tax revenue form the new Ford plant.

So as the year 1956 ended there were plenty of dark clouds on Novi's horizon. Not only was a Wixom incorporation election slated for February 5 but the race track proposal had split the community apart and forced a February 18 rezoning referendum.

The first was decided in favor of Wixom, as voters approved village incorporation by a vote of 253 to 166 and elected Ken Rocker, Everett Pearsall, Herbert Abrams, William Richards, Jesse Birchard, and R. W. Lahit to the charter commission.

Two weeks later the race track rezoning was approved by Novi voters even though the development was never to be realized.

Because the incorporation measure ended in a deadlock (64-64) in the Novi section of the new Wixom village (Commerce Township residents had approved it 189-102), Novi contested the election. It was a futile fight, however, because weeks later the court dismissed Novi's suit, and Wixom completed its charter and submitted it to the state for approval.

Early in July, 1957, Wixom voters by a 501 to 149 decision approved the charter, and the newly elected village mayor, Joseph Stadnik, lost no time in confirming Novi's fears by predicting Wixom cityhood within a year.

Meanwhile, Novi citizens, taking up a countering suggestion by Supervisor Staman, stepped up incorporation plans for Novi itself.

Wixom, however, barely two months old as a village, filed city incorporation petitions in September even as Novi planned its village incorporation movement. Then, one week before Novi filed its village incorporation petitions, Wixom voters approved cityhood by a vote of 257 to 61. Thus, the two communities were officially split, with Wixom getting the "spoils" in the form of municipal jurisdiction over the multi-million dollar Ford plant.

The minutes changes also were ordered.

Meanwhile, just how the delay over the assessor matter will affect the employment of Merrifield remains uncertain. He was paid, in writing and verbally, by City Manager George Athas, that he was being hired at the \$14,000 salary.

Furthermore, Athas and others noted that Merrifield will in fact be paid less than \$12,500 during the 1971-72 fiscal year since he is being paid on a pro-rata basis for the remainder of that year. In other words, while his salary was set at \$14,000, his wages will fall short of that figure because part of the fiscal year has already elapsed.

Concerning his investigation, Berry said he had learned that employees transferred from one job to another, when that job is comparable, cannot be given
