

It's 'King of the Patio' Time

The Detroit Edison Company announced that the eighth annual search for the "King of the Patio" began Monday and

Draft

Continued from Page 5-B

must list a place of permanent residence, as well as a current mailing address. The draft board serving his permanent residence will be the registrant's permanent draft board, regardless of where he registers. Volunteer draft registrars are available at most high schools and public offices in addition to registration service offered at local draft boards.

After he has completed the registration card and questionnaire, the registrant will be issued or mailed his registration certificate and his notice of classification stating that he has been placed administratively into a new holding classification, Class 1-H.

Practically all new registrants will remain in Class 1-H until after their lottery drawing which will be held early in the calendar year in which they reach age 19. Those who receive low lottery numbers will then be considered for classification out of Class 1-H. Young men become draft eligible, provided they do not receive a deferment or exemption, during the calendar year in which they reach age 20.

Tourney

would cost \$9. All types of tickets are transferable. The Championship Annual sells for \$1 a copy.

Carey said tickets may be ordered by sending check to the 54th PGA Championship Office at Oakland Hills Country Club, 3951 West Maple Road, Birmingham, Michigan 48222. The telephone number is (313) 646-4653.

will continue through May 30. Throughout that period, Edison will accept written patio recipes, the initial action required to enter the contest, from southeastern Michigan men who practice and enjoy the art of outdoor cooking and who reside within the company's 7,600-square-mile service area.

Robert S. Howard, Edison's manager of the Oakland Marketing Division, said that the contest, which is becoming increasingly popular and competitive, is open to men, 18 years of age and over.

Professional cooks, chefs, Edison employees and members of their families are not eligible, Howard said. The contest for King of the Patio has, from its very first year, attracted hundreds of male contenders each year, all in quest of the very elegant and practical contest prizes but, more importantly to most

contestants, in quest simply of the honor and heralded distinction of being the best male cook in southeastern Michigan.

The grand prize for the "King" is a complete patio ensemble, including an electric char-cook console, a serving cart, patio dishes and stainless steel cutlery.

An electric rotisserie broiler with patio dishes and cutlery will be awarded as second prize, and the third

prize will be an open hearth rotisserie broiler. First, second, and third place winners will be selected from among ten finalists, Howard said.

AS MENTIONED at the beginning of this article, the influence and scope of buying by women extends to practically every facet of consumer expenditures. Therefore, investors who may be on the lookout for vehicles likely to participate in the prosperity

stemming from this powerful economic force will probably have little trouble in doing so. The choice is, in fact, extremely wide.

Within the confines of this discussion, the Research Department of Babson's Reports can only touch upon the highlights of "female economic power." But for all practical purposes it can be claimed that virtually every day is ladies' day in the stock market.

175 SECOND ENT. NORTH OF FLINT

GOIN' FISHIN'—Four year old Douglas Crawford looks like a modern day Tom Sawyer as he goes fishing in a large mud puddle on Taft Road. Doug doesn't really expect to catch anything, but there are many Novi residents, tired of driving the rut-marred, pot-holed roads of the city who claim it just might be possible to land a catfish in one of the many large puddles. Novi voters will be asked to approve a one mill tax hike Tuesday. If approved, the funds have been earmarked specifically for road maintenance and construction.

EDITOR'S NOTE: As chairman of Novi's Road Improvement Committee, Russell Stroud is intimately involved with the road issue. For the past few months he has been appearing at different homeowner's and civic associations throughout the city, explaining the road program and urging passage of the millage.

Novi needs roads now! I do not think anyone in the city will dispute this statement. Myself and other interested citizens in the community have been working for the past year and a half to develop a plan to improve the present road situation with minimum expense to all concerned.

This city has been growing, and according to statistics, will continue to grow at a faster than average rate. We presently have sewer and water line projects underway. Without roads to keep up with the future expansion of the city, we will have an increase in the road problems we have at the present time.

The plan for roads calls for a one mill tax increase. Some people will stop reading this editorial at this point, but please do not stop until you have reviewed all of the following facts.

People pay what they feel is just plain too much in property taxes, and I will not argue with them. However, our city receives only a very small portion of this property tax money to operate the fire and police departments, operate the city in general, and pay for maintenance and improvements of roads. The majority of property tax money goes for the operation of our schools, and to the county. The present city tax is 6.5 mills, almost the lowest of any city in the state. The one additional mill, if passed, would make the total of 7.5 mills, still one of the lowest tax rates of any city in Michigan.

What will we get for this 1 mill tax increase?

- 1) The Road Committee has recommended to the city council that two roads, Taft and Meadowbrook, be paved immediately. This will reduce the approximate \$8,000 per year the city is currently spending on maintenance for these roads.

- 2) Subdivision roads in various stages of ill repair will be resurfaced with the city picking up a portion of the cost with the city wide tax.

- 3) Through reduced maintenance by paving the two most traveled roads in the city, additional existing maintenance money will be available for increased grading, trenching and tree removal along roads in more sparsely populated

THE NOVI NEWS

SERVING THE CITY OF NOVI AND THE CITY OF WIXOM

Vol. 17, No. 52, Three Sections, 34 Pages • Thursday, May 11, 1972—Novi, Michigan • 15c Per Copy, \$6 Per Year in Advance

Election Slated Tuesday

One Mill Tax Hike Faces Novi Voters

Novi's voters will go to the polls Tuesday, to participate in Michigan's first presidential primary election. And while national attention will be focused on the race between hopefuls for the Democratic presidential nomination and state officials will be watching two proposed amendments to the state constitution, local attention will be riveted on a proposed one mill increase in taxes.

Specifically, voters will be asked to approve an amendment to the city charter which would allow the city council to levy up to one additional mill (\$1 per \$1,000 of assessed valuation) to be used for road improvement and construction.

Polls will be open from 7 a.m. until 8 p.m. Voters in precincts one and two are to cast their ballots at the Fire Hall at 2658 1/2 Novi Road, immediately adjacent to the City Hall.

Voters from the third and fourth precincts will cast their ballots at the Novi Community Building at 2836 Novi Road, next to the Elementary School.

City officials are expecting a relatively large turnout.

Prime issue, of course, is the proposed one mill tax hike. And inextricably intertwined with that tax hike is the issue of Novi's roads for which the additional millage is being asked.

Last spring the council appointed a citizen's committee headed by Russell Stroud to make a complete study of Novi's road situation and to return to the council with their recommendations. That study, released in November of 1971, was the impetus for the current millage election.

The Road Committee recommended a two-part program. Phase one called for paving of Meadowbrook and an established Novi business area, including the Ramada Inn to Novi.

Canzano cautioned the council that his plans were definitely long-range and would not be implemented for a least three years. Much depends on the availability of water to the area, he said.

Although Canzano did not indicate where the Inn would be located, his comments about the availability of water and the fact that the M-275 expressway is being constructed in Novi lead to speculation that the hotel would be in the northeast sector of the city.

Novi's action against its nine bars was initiated several months ago when the state Liquor Control Commission asked the council for objections to renewal of existing liquor licenses. At that time, a thorough investigation by both police and building department inspectors of the nine bars was undertaken.

As has been recommended to the council they ask the Liquor Control Commission not to renew the licenses of the East Shore Tavern—a recommendation which was followed.

No action against Duke's Bar was taken, but perhaps feeling the pressure of the city to bring their establishment up to a higher level of operation, the owners of Duke's sold their licenses to Langdan.

Canzano's revelations about

Bars Relinquish Licenses

New Businesses Seen

then be renewed, and he, in turn, could sell the license.

Several members of the council balked about removing the objection, while others felt it confiscatory to deny Leonard the right to sell his license. An approval of renewal on the condition the license be sold within 90 days was rejected by the Liquor Control Commission, who said the approval must be unencumbered with conditions and the city must either approve or disapprove the renewal.

Finally, by a 5-2 vote Monday, the council agreed to remove its objection to the license renewal.

In the meantime, however, the pressure to improve their businesses remains on the other Novi bar owners. "They've all been given ample notice," said Atlas, "that if they get out of line one more time, they'll be in big trouble."

Opinion

Why Vote For Millage?

By RUSSELL STROUD

areas of the city. Also, increased money through the new millage will be available to help maintain these more rural roads.

I do not intend to say that all this improvement will happen immediately. The total revenue from the one mill is only about \$70,000 per year—approximately \$12 per year if you own a \$24,000 home. Most people in the city should be able to save in excess of this amount in car repairs required by our present road situation. This \$70,000 as it becomes available each year, will be allocated by the city council, who must determine the best utilization of the money for the entire city. As our city grows, the revenue from the one mill will increase as additional people and businesses move here.

This millage should not be looked at just in the short run - i.e., what will happen during the first year of the millage—but as a long range availability of funds which will allow our city to grow in an orderly manner with new roads being planned and existing roads being repaired as it becomes necessary.

Furthermore, it will become more advantageous for businesses to locate in Novi now that sewers and water are becoming available, if they also have decent roads. If a balance can be maintained between business and residential use of available building sites, it will benefit the homeowner by keeping his total taxes low, due to the increased percentage of tax that the business community will absorb.

In conclusion, if we are to have orderly growth, we must have roads, and to have roads, we the voters must give our elected representatives a means to pay for them. The Road Improvement Committee (A Citizens Group) and the City Council are both in favor of this method of financing roads, as the most inexpensive and equitable to all the citizens of the community.

Keep in mind that this millage cannot be used for any other purpose but roads, it will never end up in some general fund as is sometimes the case with State taxes.

Your "YES" vote in the May 16th election is required to begin Novi's first Road Improvement Program.

Assistant Superintendent

Hendrickson Resigns

Novi will lose its assistant school superintendent, T. Richard Hendrickson, this coming June.

The school administrator submitted his letter of resignation this week, and the board of education Monday accepted it "with regret."

Hendrickson, who joined the Novi system four years ago, has accepted the position of superintendent of the Williamston school system near East Lansing.

In submitting his resignation, Hendrickson emphasized that he has enjoyed his association with the school system in general and the board of education in particular.

The board directed that a letter of appreciation for Hendrickson's service be drawn up for the board's signature.

T. R. HENDRICKSON

Hendrickson, who was named assistant superintendent in July, 1969, served

18-Year Old Novi Youth Runs on Democratic Ticket

An 18-year old Novi High School senior will become the youngest person ever to run for an elected office in Novi next Tuesday when his name appears on the ballot as a candidate for Democratic delegate from the second precinct.

Steve Bosak, son of Mr. and Mrs. Frank Bosak of 4000 Nine Mile Road, is taking advantage of the constitutional amendment which lowers the age of majority to 18.

"I've always been interested in politics," he says, "so when I realized I was eligible to run for precinct delegate I jumped at the opportunity. So far, it's been an interesting and educational experience."

Bosak is being supported in his bid for office by Del Munson, who teaches his high school government class. "It makes me feel good," said Munson, "that there are a few 18-year olds who are interested enough in what's going on to get involved in their government."

Bosak is a far cry from the young radicals,

Teen Seeks Board Seat

History was made this week in Novi as an 18-year-old senior became the first teenager in history to announce his candidacy for the Novi Board of Education.

Nominating petitions were taken out by James T. Assemany, a Novi High School senior who lives at 4640 10 Mile Road, school officials disclosed Tuesday.

Deadline for filing petitions for the two seats up for election in June is 4 p.m. next Monday.

Teen Seeks Board Seat

As has been recommended to the council they ask the Liquor Control Commission not to renew the licenses of the East Shore Tavern—a recommendation which was followed.

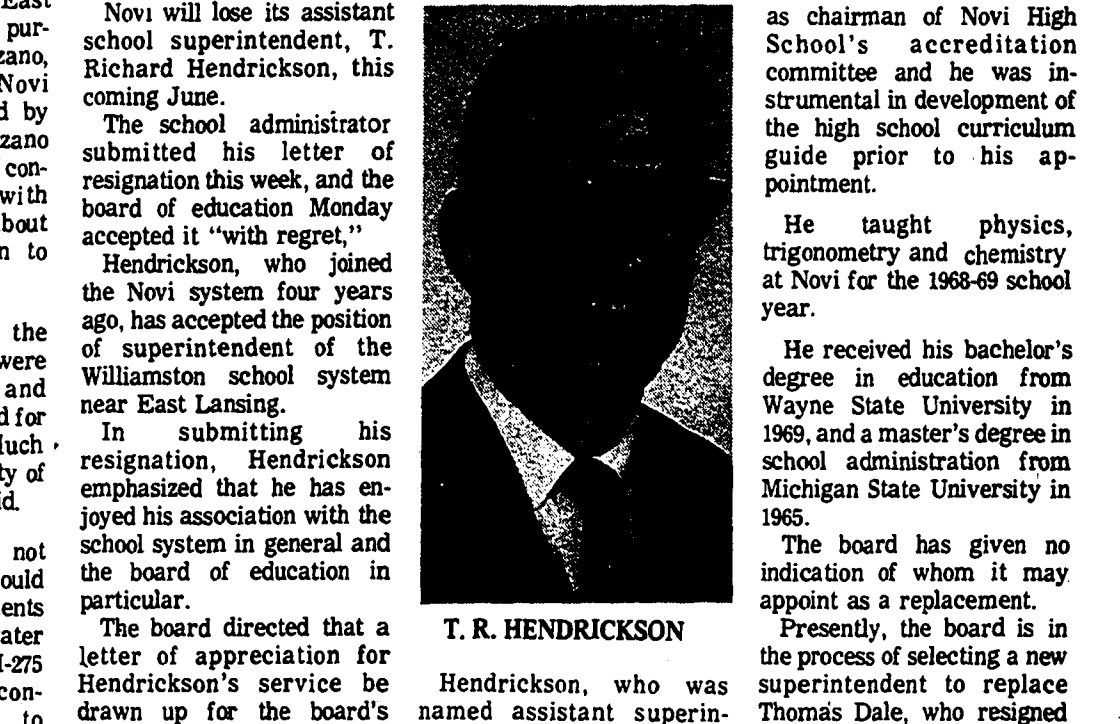

No action against Duke's Bar was taken, but perhaps feeling the pressure of the city to bring their establishment up to a higher level of operation, the owners of Duke's sold their licenses to Langdan.

Canzano's revelations about

hearings which would accomplish that end are currently underway.

The paving of Taft and Meadowbrook and the recapping of the interior subdivision roads are the two main facets of the road program as it now stands.

Continued on Page 5-A

as chairman of Novi High School's accreditation committee and he was instrumental in development of the high school curriculum guide prior to his appointment.

He taught physics, trigonometry and chemistry at Novi for the 1968-69 school year.

He received his bachelor's degree in education from Wayne State University in 1966, and a master's degree in school administration from Michigan State University in 1968.

The board has given no indication of whom it may appoint as a replacement.

Presently, the board is in the process of selecting a new superintendent to replace Thomas Dale, who resigned earlier.

Logging Is Theme May 17

"Michigan's Colorful Logging Era" will be the theme for the annual spring assembly of the state's Questers meeting May 17 at the Ramada Inn in Muskegon. Northville-Novi area's four chapters are making plans to attend.

The Quester organization has had special activities this month at local, district, state and national levels with area women participating.

Base Line Chapter members of the antiques study club, Mrs. Edwin Langtry and Mrs. Paul Beard, last week attended the national convention in Indianapolis and plan to attend the state meeting in Muskegon next week.

Also attending the national convention was Mrs. Richard Foy, Silver Springs president. Mrs. Beard was accompanied by her daughter, Nancy (Mrs. Dean Smith).

Mrs. Langtry, who was re-elected Base Line president in April, joined Grosse Pointe Quester groups on a chartered bus to the national meeting. She reports that the event next year will be at the Mayflower Hotel in Washington, D.C., with a highlight to be tea at the White House.

Base Line, Silver Springs, Mead's Mill and Novi, Toll Gate No. VI chapters officially will be represented at the state program by Mrs. Gus Dulak, area chairman and Mead's Mill president.

The state organization now has a membership of more than 1,000, she reports, and is affiliated with the national antique study and historic preservation society with headquarters in Philadelphia.

Next Wednesday's speaker, Richard Frey, founder of the Muskegon Historical Society, will show slides of early lumbering days.

Restoration of the Moross home, a three-story brick townhouse in downtown Detroit adjacent to the waterfront area slated for renewal by the Ford project, is being aided by area Quester chapters. Mrs. Langtry reports.

CARNATIONS FOR A GARDENER—Mrs. Herbert Frogner is honored with a life membership in the Northville branch of the Woman's National Farm and Garden Association and a corsage presented by Mrs. William Switzler, left.

Valerie Rosinski Speaks Vows

Yellow and lime green dotted swiss gowns, wide-brim hats and daisy bouquets created a spring bridal picture in the Northville home of Valerie Ann Rosinski, bride of Gary Edward Reinwand in a 6 p.m. ceremony May 6 at Novi United Methodist Church.

The daughter of Mr. and Mrs. Walter J. Rosinski, Jr., 2434 Taft Road, Novi, the bride was given in marriage by her father. The bridegroom and his parents, Mr. and Mrs. Casper J. Reinwand, live at 24750 Taft Road, Novi.

The Reverend Philip Seymour officiated at the doubling service.

The bride's gown was fashioned with an empire waist, a square neckline, long sleeves and extended into a train. A seed pearl headpiece held her shoulder veil. Her colorful daisy bouquet was interspersed with mums and stephanos.

Christine Regentik, in lime dotted swiss and daisy-trimmed picture hat, was honor maid. Sue Reinwand, sister of the bridegroom, and Sharon Rosinski, sister of the bride, were bridesmaids in matching yellow gowns. All carried daisy bouquets with baby's breath.

Jim Anderson was best man. Ushers were the bride's brother, Mike Rosinski, and Ralph Skipton.

For the wedding and reception following at the Northville American Legion Hall, the bride's mother wore a long, green-flowered, sleeveless chiffon gown with white accessories. The bridegroom's mother chose a long, aqua brocade gown with matching floor-length coat and white accessories.

The 150 guests attended from Wisconsin and the Upper Peninsula as well as from the Detroit area.

For a wedding trip to the Upper Peninsula the bride changed to a sleeveless lavender and white street dress and white accessories.

Plans were completed for a branch trip to Meadowbrook Hall June 19.

OFFICERS for the coming year were elected at a meeting of Northville Mothers' Club Monday night at the home of Mrs. Halton Axtell.

Mrs. Gordon Forrer was named president to succeed Mrs. Harold Wright. Others are Mrs. Glenn Deibert, vice president; Mrs. Herbert Weston, corresponding secretary; Mrs. Richard Huston, recording secretary; and Mrs. E.O. Weber, treasurer.

The club will end its year with an annual meeting, traditionally a picnic, to be held May 22 at the home of Mrs. Walter Carter, 21710 Rathlone. Plans were made to participate in a Northville clean-up May 20. Again this year members will clean trash from the Griswold-Eight Mile area.

MR. AND MRS. GARY E. REINWAND

In Our Town

By JEAN DAY

MANY MOTHERS will be receiving corsages this Sunday—officially "their" day to be honored. One Northville resident, Mrs. Herbert Frogner of 18651 Sheldon Road, however, was wearing a corsage Monday for a different reason. It was pinned on by Mrs. William Switzler, Northville branch, Woman's National Farm and Garden Association, president, in recognition of her 20 years' membership in the club.

To be certain that Mrs. Frogner would be on hand for the surprise presentation of her life membership the branch enlisted the help of Mrs. Frogner's daughter-in-law, Mrs. H.J. Frogner, also a member.

Jeanne Frogner adds, though, that her active mother-in-law very likely would have attended anyway. She and her husband have been area residents for 22 years, and Mrs. Frogner also is a member of Northville Woman's Club and her own bridge club.

Retiring president Eunice Switzler turned the president's gavel and book over to incoming president, Mrs. Gene Cushing, at the conclusion of the annual meeting, held at the home of Mrs. Joseph Keese on West Main Street. Mrs. K.E. Babbitt, chairman, was assisted by Mrs. Jack Scantlin, Mrs. Francis Jennings and Mrs. Wilbur Johnston.

An engraved pewter bowl from the branch in appreciation of her service as president was presented to Mrs. Switzler by Mrs. C.W. Whittlesy.

Plans were completed for a branch trip to Meadowbrook Hall June 19.

COMMITTEES for the coming year have been appointed. Their chairmen are Mrs. Charles Fountain, social; Mrs. I.M. McLeod, Jr., house-welcoming; Mrs. Sheldon McElroy, reservation and transportation; Mrs. John Brown, grant-in-aid; Mrs. Addison B. Kline, civic improvement and federation; Miss Ione Palmer, flower-memorial; Mrs. Harry F. Wagenschutz, nominating; Mrs. H.A. Boyden, membership; Mrs. R.M. Atchison, music; and Mrs. John Wisner, press.

Plans already have been made to open the 80th "Year of Nostalgia" at a luncheon October 6 at Meadowbrook Country Club, Mrs. William Crump, program chairmañ, has announced.

WHILE NORTHVILLE Woman's Club won't have a general meeting for almost five months, committee chairmen are planning the club's 80th year. The club traditionally meets twice monthly on the first and third Fridays for six months—from October through March.

Committees for the coming season have been appointed. Their chairmen are Mrs. Charles Fountain, social; Mrs. I.M. McLeod, Jr., house-welcoming; Mrs. Sheldon McElroy, reservation and transportation; Mrs. John Brown, grant-in-aid; Mrs. Addison B. Kline, civic improvement and federation; Miss Ione Palmer, flower-memorial; Mrs. Harry F. Wagenschutz, nominating; Mrs. H.A. Boyden, membership; Mrs. R.M. Atchison, music; and Mrs. John Wisner, press.

James M. Drew, a former Northville resident, is co-director of the St. Bede Players production of "Island" being given May 11, 12, 13, 19 and 20 at Southfield-LaGrange High School, 19301 West 12 Mile.

Drew also will portray the role of the Lord Chancellor, one for which he received rave reviews when he performed it in Falmouth, Massachusetts. The actor-singer's previous experience also includes USO productions and roles in the Milan Theatre Company's children's theatre productions.

He credits his interest in theater and Gilbert and Sullivan as being kindled at Northville High School, from which he was graduated in 1963.

Recently returned from New York City, he and his wife, Mary, live in Detroit. Mrs. Drew has the title role of Iolanthe in the St. Bede production.

Michael Conley, a 1968 Northville High School graduate, is receiving his BA degree with distinction from the University of Michigan at May commencement exercises. A pre-med student, he has been accepted in the university medical school.

Mr. and Mrs. Walter Zells, 525 Fairbrook, who have lived most of their married life in the Northville area, celebrated their 50th wedding anniversary Wednesday, May 10.

They were married in Detroit and moved to the area in 1950. They attend Northville Presbyterian Church and he is a member of the Northville Masonic Lodge.

The Zells have two children, a son Edward of Detroit, a daughter, Mrs. Mildred Mitchell of West Palm Beach, Florida. They also have three grandchildren and seven great-grandchildren.

"Dinner out" was planned for their anniversary day, and they also were guests at a small dinner earlier.

John E. Coleman of 209 Hill Street is one of 2,187 East Carolina University students who have been placed on the university's honor list for scholastic excellence.

Two Northville students at Wayne State University, Bob Shafter and Gary Becker, are members of the university's men's glee club and will be appearing in the glee club when it presents a spring concert at 7:30 pm Saturday at Northville High School auditorium. This is the annual concert sponsored by the Presbyterian Men's Club.

Walter Zells Mark Year

Mr. and Mrs. Walter Zells, 525 Fairbrook, who have lived most of their married life in the Northville area, celebrated their 50th wedding anniversary Wednesday, May 10.

They were married in Detroit and moved to the area in 1950. They attend Northville Presbyterian Church and he is a member of the Northville Masonic Lodge.

The Zells have two children, a son Edward of Detroit, a daughter, Mrs. Mildred Mitchell of West Palm Beach, Florida. They also have three grandchildren and seven great-grandchildren.

"Dinner out" was planned for their anniversary day, and they also were guests at a small dinner earlier.

THE ANNUAL MEETING of Sarah Ann Cochrane Chapter, Daughters of the American Revolution, will be held at noon Monday at the home of Mrs. John Armstrong, 1684 Gloucester, Plymouth.

The annual meeting of the Northville Record will be held at the Northville Record office, 112 E. Main, Northville, Michigan 48167.

Second Class Postage Paid at Northville, Michigan

Subscription Rates: \$6.00 Per Year in Michigan \$9.00 Elsewhere

William C. Siger, Publisher

Enters Fair

Boy Scout Troop 108 of Northville, Michigan, is among those units who have entered the May 29 Scout Show to be held at Walled Lake Central School.

According to Andrew M. Baize of the Ottawa District, Troop 108 will participate in Jeopardy and archery. The "country fair" will run from 10 a.m. to 8 p.m. on the school grounds, with scout-cubs and explorers troop throughout the Ottawa District participating.

BLOOD BANK COUNTDOWN—While 149 pints of blood were collected at the Northville Blood Bank last Friday at Northville First Presbyterian Church, the total was "disappointing" to Mrs. Elden Biery, Red Cross volunteer chairman. Donors and workers are shown here, but others just didn't keep appointments, Mrs. Biery said. The blood bank was open 12 hours, she added, and in previous years, as many as 198 pints have been collected in half the time. Because of colds, blood pressure or being on medication, 65 would-be donors were rejected. Mrs. C. Clifford Winter, previous chairman, contrasts the total with last year's of 183 with 97 rejections.

Artist-Collegian To Apprentice

A 1969 Northville High School graduate will be gaining a working knowledge of the New York art world this fall.

Ellen Thomas, daughter of Mr. and Mrs. Bruce Thomas of 2829 Shadbrook, was one of the 30 Midwest college students recently chosen to participate in the Great Lakes College Association apprenticeship program.

Miss Thomas, an art major at Albion College, will work as an apprentice to a New York free lance artist from September until January.

The Great Lakes College Association is made up of several small colleges in the Midwest and sponsors apprenticeship programs in art, drama, and writing.

While in high school, Miss Thomas participated in the art club, and many of her works have been displayed at the former Hartley-Powers Gallery.

Miss Thomas currently teaches art to children at Albion facility members.

Drew Directs Players

James M. Drew, a former Northville resident, is co-director of the St. Bede Players production of "Island" being given May 11, 12, 13, 19 and 20 at Southfield-LaGrange High School, 19301 West 12 Mile.

Drew also will portray the role of the Lord Chancellor, one for which he received rave reviews when he performed it in Falmouth, Massachusetts. The actor-singer's previous experience also includes USO productions and roles in the Milan Theatre Company's children's theatre productions.

He credits his interest in theater and Gilbert and Sullivan as being kindled at Northville High School, from which he was graduated in 1963.

Recently returned from New York City, he and his wife, Mary, live in Detroit. Mrs. Drew has the title role of Iolanthe in the St. Bede production.

Seek Groups For Parade

Want to be in a parade? Peter Alcalá and Philip Cozad have issued a standing invitation to any and all Novi residents, businesses, associations, and churches to participate in the 1972 Memorial Day Parade.

"We want to make the 1972 parade the biggest we've ever had," Alcalá said, "and everyone is welcome to participate in it."

Everything from floats to antique cars to horses from riding stables to decorated bicycles are being sought by the parade committee. The parade is slated for the morning of Memorial Day, Tuesday, May 30.

Alcalá and Cozad, representing the Parks and Recreation Commission and the Novi Jaycees respectively, are co-chairmen of the parade. Anyone interested in participating should contact Alcalá at 624-1088 or Cozad at 349-7466.

Engagements Told

KATHLEEN BELL

Mr. and Mrs. Duane E. Bell, 43465 Fonda, Novi, announce the engagement of their daughter, Kathleen Ann, to Larry I. Hunt, son of Mr. and Mrs. Raymond Hunt of Farmington.

The bride-elect is a 1971 Northville High School graduate and is employed at Shoppers Fair. Her fiancé is employed by Panasonic Corporation.

A July 15 wedding date has been set.

PATRICIA DAVIS

A July 1 wedding date has been set by Patricia May Davis, 18857 Ridge Road, Northville and Charles Voss Guntzville of Milford, Her parents, Mr. and Mrs. Warren A. Davis of Webberville, Michigan are announcing the engagement.

He is the son of Mr. and Mrs. Marvin V. Guntzville of Milford.

The bride-elect, a 1972 Novi High School graduate, is employed by Body-Harrison Company and also Guntzville Taxidermy Shop where her fiancé is employed. He is a 1968 graduate of Brighton High School.

Denise Frank

The engagement of Denise Ann Frank to Ralph M. Stoddard of Grand Rapids is announced by her mother, Mrs. Joyce Snook, 7670 Currie Road, Northville. He is the son of Mr. and Mrs. Gordon P. Stoddard of Grand Rapids.

The bride-elect expects to be graduated August 25 from Ferris State College. She is a 1968 graduate of South Lyon High School. Her fiancé was graduated from Ferris in March and is employed by Federal Mogul at Greenville, Michigan.

They have set a June 17, 1972 wedding date.

Marcia Snyder

The announcement is made of the engagement of Marcia Leigh Snyder and Gregory

John Dawson, both 1967 graduates of Northville High School.

The bride-to-be is the daughter of Mrs. Orrin K. Snyder, 18850 Beck Road, who graduated from Schoolcraft College in 1969 and is employed as secretary at Ford Tractor Operations in Troy.

Her fiancé, a 1970 graduate of Northwood Institute in Dallas, Texas, now lives in Morristown, New Jersey, and is affiliated with Dawson Ford, Incorporated, in Summit.

They plan an August 19 wedding.

William Heise, MA, Education Specialist; John Witten, MA; and Robert Burnside, MA, all of whom have conducted training seminars throughout the state for the past two years. All are on the staff of Schoolcraft College.

She reports that the program, "Today is the First Day of the Rest of Your Life," offered group participation in human potential development. The participants were divided into three groups "to focus on the development of personal potential by recognition of individual values."

That wonderful substance we call fabric—we'd be mighty cold and uncomfortable without it—remains a mystery to many people. Although we use cloth and its derivatives for almost everything under the sun, the fact remains that most of us are not exactly sure what it is we're wearing, draping, walking on, sitting on. And when it comes to caring for any particular fabric, confusion is compounded! In the weeks and months to come, we hope to bring to you some interesting facts about fabrics, their make-up, and how to keep them in fine condition. Follow us weekly on this trip through Fabrics: history, analysis, cleaning, spot removal, storage. We'll try to make your journey both educational and enjoyable!

School Pays Tribute To Conrad Langfield

An oil painting of Conrad E. Langfield, which will hang in the music suite at Northville High, was unveiled Monday night at the board of education meeting.

The portrait, painted in Europe, along with a plaque will be placed in the music wing at the high school in the near future, Superintendent Raymond Spear said.

At the spring concert April 25, the music suite was dedicated as the "Conrad E. Langfield Music Suite," honoring Langfield for his "many years of support, both financial and moral, for the band program of Northville High School."

School Puts Mill On June 12 Ballot

A "one mill for one year" operational levy was approved Monday night by the city council, to be placed on the June 12 school election ballot.

Sought by citizens who presented petitions containing more than 1,100 names to school board trustees, the one mill question is less than school administrators say they need.

"However, if one mill passes, that's better than nothing," Trustee Martin Rinehart commented.

In March, voters defeated the district's request for 1.5 mills. Cuts proposed following the defeat, including all extra-curricular activities, prompted citizens to ask the millage question.

Also on the ballot in June will be

- one two-year board seat;
- one four-year board seat;
- one mill for an indefinite number of years to finance a Wayne County vocational-technical center; and
- a \$750,000 bond issue.

Co-chairmen of the citizens' group, Eugene Cook and William Furtges, told board members that if the vote proposed by the school district, extra-curricular activities and reduction of the high school day from six to five hours were seen by the group as most important to be maintained.

Other proposed cuts included food service, second assistant principal at the high school and transportation program.

Trustees explained that they would give "no guarantee we won't have to cut extra-curricular activities" even if the millage passes but some other financial crisis hits the district.

"If the bond issue fails, we still owe Levitt and Sons \$45,000 for a school site," Superintendent Raymond Spear said. "If back pay for teachers is ordered by IRS, and they've been calling, that's \$63,000."

Trustee Glenn Deibert said it would be a travesty to pass one mill and have the cuts happen, but citizens should be aware of this possibility.

Furtges told board members the citizens "desire to have a balanced program, but the main concern is that we are getting our monies worth in our programs."

"We're all concerned with what will happen to taxes in the long run," he commented. "We're trying to provide a crutch to keep us going for another year."

By asking for the one mill, Cook said the group is "accepting some of the cuts."

Trustee William Secord said that \$95,000 would be

Board OKs Busing Data

School board trustees agreed Monday night to submit background information to the school district's attorney, similar to that asked of districts involved in the Detroit school desegregation case.

According to Superintendent Raymond Spear, the information "will be given to District Judge Stephen Roth if and when our attorney feels it is the proper time to intervene in the case."

To date, Northville has not joined other school districts in Region Nine in the fight against busing to achieve racial balance.

One of the reasons for not joining is financial, with school trustees noting it would have cost the district \$1,400 so

of 4505 Mayo Court, topped the class with a grade point of 4.189. Sarah, the daughter of Mr. and Mrs. Robert Horner of 351 Rogers Street, came a close second with an average of 4.114.

Northville High, grade point averages over the 4.0 mark are possible through honor courses.

The students will lead their class of 230 in graduation ceremonies Tuesday, June 13.

Lenheiser will attend the University of Virginia and said he plans to go into law, while Sarah will study choral music education at the University of Michigan.

Both students have been active in extra-curricular activities throughout high school. Lenheiser had parts in six plays and won an Oliver award for his outstanding performance in "The Man Who Came to Dinner."

He served as president of his junior class and has been involved in varsity debate, forensics, treasurer of National Honor Society, treasurer of Cavern Teen Club and vice-president of student congress.

Novi Votes on Millage

Members of the Road Committee and the council are quick to point out, however, that other residents will benefit from these programs. Department of Public Works Head Edward Kriewall has said that the majority of his department's time and money are exhausted in maintaining Taft and Meadowbrook.

Once those two roads are paved, the DPW will be able to spend more time in grading and maintaining other roads.

Advocates of the millage increase feel that the city must act now to improve its roads. Further delay will only result in increased costs at a later date, they argue, and, more important, the city must improve its roads if it hopes to attract industry. If industrial developers shun Novi because of the conditions of its thoroughfares, irreparable damage to the tax base will be done and citizens will be saddled with unreasonably high property taxes in the future.

If the millage passes, the city will gain approximately \$70,000 per year in revenue. The figure will grow as the city's assessed valuation grows.

Needless to say, \$70,000 will not go far toward paving Taft and Meadowbrook Roads (estimated cost \$688,000) and recapping the subdivision roads (estimated cost \$400,000). It is for this reason that the council has deemed it necessary to spread a special assessment among abutting property owners to finance the construction.

The Taft and Meadowbrook Roads residents will be assessed \$14 per front foot. In the subdivisions the front footage assessments will range from \$2 to \$5 per front foot.

It is this assessment which some observers feel might hurt passage of the one mill tax increase, even though the two are only indirectly related. People upset with the assessment, it is felt, might attempt to sabotage the entire road program by defeating the millage.

If the millage is approved, the city will pick up 20 percent of the total cost whenever a special assessment district is spread.

Another factor that could lead to defeat of the one mill tax increase proposal is that many residents feel the city is already overtaxed. It is an argument met with quick rebuttal from proponents of the millage.

One additional mill will cost the owner of a \$25,000 home in Novi an additional \$12.50 per year in taxes. "The present condition of the roads," Councilman William O'Brien has contended, "costs the average Novi driver considerably more than that per year in repairs to his car."

Furthermore, Novi's existing tax rate of 6.5 mills is ridiculously low—barely enough to run the city. City Manager George Athas has said, Northville, for example, levies 10.3 mills per year and receives an additional \$470,000 from the rate track. Farmington levies 8.5 mills per year, South Lyon levies 13.875 mills per year, and Walled Lake levies 28.5 mills annually. Of the neighboring communities, only Wixom has a lower millage (5.76), thanks largely to the \$1.5 million in the Ford Assembly Plant.

Still, there has been a definite trend in defeating proposed millage increases. City officials, who feel that approval of the one mill proposal is extremely important to run the city on a development, hope it is a trend Novi voters will reverse Tuesday.

Novi Middle School Athletics Get OK

A tentative extra-curricular athletics program for the Novi Middle School received the board of education approval Monday night.

Proposed by Principal Robert Youngberg, the program calls for both intramural and interscholastic athletics beginning next fall.

In giving the proposal its stamp of approval, the board (two members) cautioned Youngberg to guard against dominance of interscholastic sports over intramural sports.

The schedule calls for an interscholastic football for seventh and eighth grade boys, intramural football for sixth graders, and intramural speedball for all students during September and early October.

Intramural basketball is planned October 16 through November 17, with interscholastic basketball beginning late in November and running through much of February. During the latter period recreational activities are planned for other students.

Volleyball is scheduled February 26 through March 23, intramural wrestling and recreation from March 26 through April 27, softball intramurals from April 30 through June 1 and junior olympics on June 2, with field days for fifth and sixth graders on May 23 and for seventh and eighth grades on May 25.

In other action Monday, the board approved a position paper, prepared by Assistant Superintendent T. Richard Hendrickson, on the Novi Community Building.

Basically, the board's position is that Novi Elementary School should have "priority of usage" on Monday, Tuesday, Thursday and Friday during school hours, with all other school use on a scheduled basis.

The board also adopted three textbooks for the home-making classes: "Home-making for Teen-Agers," "Guide to Modern Clothing,"

The board voted to continue its support of the Bradley vs. Milliken litigation on the Judge Stephen Roth case, and to pay the current supportive fee of \$488.

Basketball Coach Milan Obrenovich was given permission to conduct a summer basketball clinic for boys in grades 4 to 8. The board agreed to support the program financially—up to \$500 or one-third of the cost, whichever is the lesser figure.

Employees Reject Union

Novi's municipal employees have rejected affiliation with the Municipal Employees Division of the UAW-CIO by a 152-9 margin.

The vote was held Tuesday in the council chambers.

Originating roughly a month ago and reportedly having its origins in the Building Department, the unionization effort is now dead for at least another year.

Electrical Inspector Robert Calvert, who is believed to have been one of the original leaders of the movement, told The Novi News that the unionization movement should go no way, be construed as dissatisfaction with the present administration. Job security and freedom from political changes were behind the effort, he said.

Tuesday's election of eligible city employees was overseen by officials of Michigan Labor Relations Board, Supervisory and council-appointed personnel were not eligible for membership in the union.

6 Graduate From U-M

Tribute to Mom

With Mother's Day coming up Sunday, Mrs. Louise Morelli of 21715 Rathbone Drive wrote the following verse for the occasion:

The Many Phases of Mother

Now I look back on other years
When "Mama" died a baby's tears;
When "Mummy" soothed a painful knee
The summer that he just turned three.

"Mommy" watched with tearful joy
Her grown-up kindergarten boy.
When "Mom" was sport enough to say,
"Son," you were great in the game today."

The awkward age—the in-betweens
When I was "Mum" to a million teens;
A little older—no longer slender,
Then it was "Hey, Ma, I wrecked your Fender!"

I thought I had reached my fullest bloom
When I was "Mother" of the groom;
But now I wait—anticipating
The brand new names they'll start creating.

Mrs. Athas Attends Seminar

Among the women officers from Michigan banks attending a statewide women's management seminar at Warwick Inn in Flint May 12-13 will be Mrs. George (Arvie) Athas of Oakland Bank in Novi.

More than 130 are expected to attend the two-day event, including women from Michigan National Bank, Michigan Bank, National Association and Michigan BankAmerica.

Party Hopefuls On Line Tuesday

Nine Presidential candidates and two proposed constitutional amendments will head up the ballot on Tuesday when Northville voters go to the polls in the newly created Presidential primary election.

Clerks of the city and township of Northville report that a record number of electors will be eligible to vote in Tuesday's election—more than 3,000 in the township and more than 2,600 in the city.

There appears to be little indication of how local electors will ballot on the Presidential races, but at least one GOP leader fears that some Republicans may vote the Democratic ticket to spoil Democratic preferences.

The Democrats are Shirley Chisholm, Vance Hartke, Hubert Humphrey, Henry Jackson, George McGovern, Edmund Muskie and George Wallace.

A heavy Wallace vote could signify that voters here are concerned about the possibility of cross-district school busing involving Northville and/or are

Township OKs Study In 2 Votes

Although it took two motions accompanied by a barrage of heated words, Northville Township Board members approved a free updating by the Citizens Research Council of the 1968 unification feasibility study.

The updating was also approved last week by the Northville City Council.

Trustees noted, however, that approval of updating the study did not mean the board endorsed the study. Voting against the measure was Trustee Richard Mitchell who earlier proposed a motion to deny the updating.

His motion was defeated, with only Trustee Charles Schaeffer giving his support. Schaeffer noted he was not opposed to the study, but did not want the results construed to mean the board endorsed the study.

Formal request by both governmental units is required before the project will undertake the project, explained Wilson Tyler, treasurer of "One Northville," the citizens unification committee.

Mitchell was quick to attempt to discredit CRC, stating, "How can they do this for nothing? They must have some interest in it." However, township attorney Donald C. Morgan explained CRC is a

Happiness Is A Happy Ad

Happiness is reading this newspaper's want advertisement. That's because a brand new way of classifying want ads begins with this edition to aid both sellers and buyers.

In addition to expanding classification from 18 to 48 categories under seven major sections, the new listing leads off with a new category called Happy Ads.

And just as the name implies, this new category allows advertisers a place to wish friends and relatives happiness on birthdays, anniversaries, graduation or any other occasion or non-occasion.

Among other changes include a special column for garage and rummage sales; five categories for pets and animals, with farm animals separated from household pets; and a column for campers and camping equipment, separated from mobile homes.

To familiarize readers with the new classification an alphabetic index is located on the first page of want ads.

Now for that happy experience turn to Section B, pages 8-15.

TOP TWO—Double checking the spelling of a word are Reese Lenheiser and Sarah Horner. Lenheiser was named valedictorian and Sarah

salutatorian of Northville High's 102nd graduating class.

Continued from Record, 1

far to be in the suit.

"We still have a right to be heard," Spear said, "and can join the suit at any time."

Included in the packet of information going to the attorney are affidavits to two test runs conducted by district employees to Cody High School and MacKenzie High School.

The road trip to Cody, by car, took one hour and 25 minutes, while the road trip to MacKenzie took one hour and 45 minutes.

Earl Bussard, director of business and finance, noted trips by bus would take at least 10 minutes more each way. He estimates that if Northville were included in the busing proposal,

"students would be on the bus a minimum of four hours each day."

"Existing bus routes were used," he explained, "pick ups for students in Northville would have to begin at 5:55 a.m. for Cody and at 1:30 a.m. for MacKenzie to drop students off at school by 7:45 a.m."

Bussard estimates the cost of cross-district busing for Northville would be \$90,000 per year.

School board trustees also agreed to apply for federal funds for the experimental year round school program under the special projects section of the Elementary and Secondary Education Act.

approved the resignation of Barry P. Thies, science

teacher at Northville High, who intends to work as a geologist.

approved the resignation of Mrs. Karen Malanen, third grade teacher at Main Street, whose husband has been transferred.

authorized the use of school facilities and equipment as requested by the Northville Recreation Department for its summer program.

named Trustee Andrew Orphan to the Wayne County Association of School Boards Task Force 36, concerned with common objectives in negotiations; and

took no action on a resolution from Saginaw City Board of Education asking for elimination of the teacher tenure law.

School Township OKs Study

well-known non-profit organization which does governmental studies.

Trustee Leonard Klein noted he was in favor of bringing as much information, pro and con, before the people as possible.

Mitchell maintained the study "will just be of the city and township. It will not look into the township uniting with Plymouth or another unit."

"I am opposed to annexation and will not support this for the group which has started annexation," he stated.

Clerk Eleanor Hammond, who also was opposed to

Explanation Given For Ballot Proposal

Explanation of the proposal to appear on the June 12 ballot along with names of school board candidates was given Monday night by Roland Langerman, assistant Walled Lake school superintendent.

The proposal calls for the transferring of approximately 1500 remaining in the 1953 bond issue to the 1955 issue so that the remaining 55 debt may be paid off.

In other business Monday, the board of education approved a site and building study for the proposed construction of a facility to house power and automobile mechanics classrooms.

Of the students in both high schools presently requesting the classes, more than 200 had been accommodated in existing facilities, it was explained.

Administrative assignments for the 1972-73 school

year also were announced and approved by the board.

Donald Lamb, currently principal of Glengary School, will replace Mrs. Elaine Fox as principal at the Wixom Elementary School. Mrs. Fox's request for a year's leave of absence was granted by the board.

Retirements of Mrs. Margaret Christiansen and Beryl Dean also were approved.

The board formally accepted the donation of a diesel engine by the GMC Truck & Coach Division. It will be used at the Vocational Education Center.

Dedication of the Outdoor Education Center, located on Sleeth Road, is scheduled for Sunday, June 4 from 10 to 4 p.m., it was announced.

At the same time the board approved the appointment of Miss Barbara Garbus as director of outdoor education.

Wildcats Win

Novi scored twice in the third inning.

LaFleche and Bosak collected singles in that frame and the Rainmakers committed three errors to enable the Wildcats to knot the score at 2-2.

Pisha led off the decisive sixth inning with his second single in three trips to the plate. A walk to Pat Ford put runners on first and second with one down. Assemany then forced Pisha at third base, but Dave Brown and Panlone came through with two out singles to score three runs and give Novi the 5-2 victory.

Novi Board Deadlocked

By a 3-3 split vote a proposal to accept a "token" \$10,000 Taft Road improvement assessment was defeated by the Novi Board of Education Monday.

Board action marked the second time such a measure has gone down to defeat by a split vote.

Last February the board voted 5-1 against accepting \$10,000 assessment, and it split 3-3 on a motion not to participate in assessment for paving of Taft. Trustee William Ziegler was absent when the February votes were taken.

Monday night, with Mrs. Sharon Pelchat absent, the board divided this way: For—President Gilbert Henderson, Secretary Ray Warren and Trustee Ziegler; against—Vice President Bruce Simmons, and Trustees LaVerne DeWard and Robert Wilkins.

Henderson reported that Mrs. Pelchat favored an assessment of up to \$10,000, but her position was not in writing and therefore ruled inadmissible.

Prior to the 3-3 vote Monday, the board voted 4-2 against an amendment pegging the assessment at \$5,000. Warren, who supported Ziegler's \$10,000

Continued from 10-A

School Won't Pay

proposal, joined the majority in voting against the amendment introduced by Henderson.

In the arguing in favor of the \$10,000 assessment, Warren and Ziegler contended that the school district was a property owner along Taft Road (which is slated for major improvement by the city) has a moral obligation to accept a token assessment.

(Unlike private property owners, school districts cannot be assessed for public improvements unless it agrees to accept assessments).

"They argued that the token assessment (portion of the estimated total \$35,000 assessment) would be recouped from savings in school bus maintenance since travel on Taft Road is presently damaging to buses.

The school system stands to benefit as much as or more than other property owners from Taft Road improvement, they said.

Opponents, on the other hand, argued that buildings and site monies were not specifically earmarked for road improvement and therefore should not be used, that most of Taft Road is in the Northville School district, and that the board should use its monies for educational purposes.

Concerning the legality of using building and site monies for road improvement, School Attorney Frederick Krause indicated that sharing in road improvement is within the jurisdiction of the school board.

Vote Tuesday

Continued from Record, 1

consideration concern authorizing state lotteries and authorizing legislators to accept other state offices.

Proposal A, if approved, would permit the sale of lottery tickets.

Suggested as a means of raising monies to offset state financial problems, the proposal leaves to the legislature development of specific lottery machinery. A bill is now being considered that would pattern Michigan's lottery (if the amendment is approved) after the New

Jersey lottery, which is expected to show a profit of \$60 million.

Proposal B, if approved, would permit members of the legislature to be elected or appointed to another civil office during the term for which they were elected.

Under this proposal, the legislature would be forced to resign prior to accepting the new appointment or election.

The Michigan Supreme Court ruled in 1968 that a legislator cannot resign from office during his term of office to become eligible for another state office.

The same question was submitted to voters in 1968 and it was rejected.

Polls will open at 7 a.m. and close at 8 p.m.

Two township precincts will vote at the new township board offices on Main Street adjacent to the school board offices and another will vote at the Tanager Elementary School near Five Mile and Haggerty roads.

In the city, two precincts will vote at the city hall on Main Street and another votes at Amerman Elementary School on Center Street.

"I thought me things I never knew," Lenheiser commented. Sarah said it "was a sure course. It's the only one I really got anything out of in all my four years."

Sarah said she doesn't feel she ever took any "bad courses. I just had a few bad teachers." Both students said they felt chemistry and math departments at the high school could be improved.

Although Lenheiser said athletes sometimes conflict with academics, he said he believes the "coaches are really interested in their sport and really want to win."

Sarah said she feels there "is much too much emphasis on athletics compared to the overall school program. It's 'the thing and other activities get short changed."

Both students said extracurricular activities are a necessary part of education.

"The activities help you meet other people, learn to get along with others and learn responsibilities to a group," the salutatorian said.

"They help one to broaden his education," Lenheiser said. "They are almost as important as classroom studies. Without them, you get a second rate education," he said.

The students said they feel the school administration does listen to concerns and ideas expressed by students with Lenheiser citing removal of dress code, closed campus and mandatory study halls as examples.

Neither believes busing between school districts will solve any problems.

"It may upgrade education in some schools, but why not bus money instead?" Lenheiser proposed. "Money hires good teachers, buys equipment and buys a good education."

Sarah noted that although it won't solve problems, "I'm for it anyway, unless someone else has something better."

School financing should be changed from the property tax to income tax, they believe "it will be more equitable," Lenheiser commented.

On year round school — "It sounds like it might work, but you'd still be using the buildings for the same people," Sarah said.

"You can't give year round school away," Lenheiser observed. "If the people want to pay more to stay in school only nine months, it's their right. This is a democracy."

He cited tax reform and pollution as the main issues facing people today. "Taxes are too high and they're on the wrong people. They're being shifted off the middle man," Sarah said she feels the war in Vietnam is still a big problem. "Now that the guys my age are draftable, the war comes home to me."

REMEMBER MOTHER WITH OUR MOTHER'S DAY SPECIAL

Chuck Machael

The President, more than any of his predecessors, is using the television medium to establish and maintain direct contact with the American people. In more than two dozen nationally televised broadcasts the President has moved television one notch further toward being an integral part of the information flow between the White House and us. The principle is an old one. President Roosevelt, for example, knew instinctively that a cozy, fireside chat with the nation via radio would be worth any number of newspaper reports of what he had to say.

Here's Guide to Issues

Editor's Note: Following is the voters guide for Tuesday's election as prepared by the Northville-Plymouth Area League of Women Voters:

Proposed A
Proposed Constitutional Amendment to allow the Legislature to authorize lotteries and to permit the sale of lottery tickets.

Under this proposal the legislature could pass laws to allow any kind of lottery. Lottery is a broad term for gambling with these factors: consideration (the player pays something), a prize and chance. It does not cover mutual betting, defined by the state Supreme Court as game of skill, and probably not poker. It does cover slot machines, slot-machine bingo, etc. The constitutional

GOP Told Don't Switch Vote Tuesday

"Republicans should stay out of the Democratic Primary and vote for Richard Nixon on May 16," Republican Party leaders were told last week.

Dr. Robert Geake, a Northville resident speaking at the Wayne Nineteenth District Republican Committee meeting in Livonia, called for a spirit of "fair play" where the primary election is concerned.

The Wayne Nineteenth District includes Redford, Livonia, and the City of Northville.

"A lot of Republicans are talking about crossing over and voting in the Democratic primary election," Geake said. "Some think that they can register a protest vote against busing or high taxes by voting for Wallace, while others just think it would be cute to throw sand in the gears of the Democratic Party machinery."

"The purpose of a primary election," the Schoolcraft College Board chairman emphasized, "is to provide an opportunity for the members of each party to nominate the candidate they feel is most qualified or best represents their stand on the issues. Members of the opposition party really have no business mixing in to influence the results. To do so defeats the purpose of primary elections and weakens the process by which each party has an opportunity to nominate its best candidate for the general election."

Geake, who was a Republican candidate for the State Board of Education in 1970, also reminded party regulars of the importance of precinct delegate contests in some areas. "You can't vote for Republican Precinct Delegates unless you vote in the Republican Primary."

Anyone Need A Tap?

At least a partial solution to Novi's desperate need for additional sewer taps was presented Monday, but the city council did not avail itself of the opportunity.

City Manager George Athas told the council he had received a letter from a Mr. Bitner, offering to sell the city one sewer tap. Bitner's letter explained he had purchased a sewer tap some years ago when he owned property in Brookland Farms subdivision off Nine Mile Road.

Since that time, the letter explained, the property has been sold, but the sewer tap was retained in a safety deposit box. The original cost

Race at Mustang Acres Cyclists Kick up Storm

You hear them long before you see them. Half a mile before you enter Mustang Acres near Brighton, you'll hear the roar of engines — motorcycle engines. Hundreds of motorcycles on a good, clear Sunday afternoon, each engine with a special roar of its own.

Starting Line's A Crowded Collection of Mud Caked Drivers and Roaring Machines

But as Race Progresses Only Those Able to Negotiate Natural and Unnatural Obstacles Remain

Their names read like a Japanese business directory. Honda. Yamaha. Kawasaki. After prowling through the grounds you begin to believe that 95 per cent of all motorcycles sold in this country really are Japanese-made.

The riders of the cycles are a special breed with a certain love of machines. Many wear the black leather jackets which have so long been identified with motorcycling. Many others wear various costumes. Everywhere, blue jeans are the order of the day, and some riders wear actual racing "leathers."

Some look like the motorcyclists Hollywood likes to use in its "bike movies." Long hair, beards, club insignia sewn on the back of a black leather jacket.

But others look like anything but "Hell's Angels." They are high school students, college students, laborers and even white collar workers. They're people from widely different backgrounds, all gathered together for one thing...to race their cycles.

The riders refer to the cycles as "dirt bikes," and after watching just one heat on the winding, hilly Mustang Acres course, it's easy to see where the name comes from.

For even the good riders spend some time in the dirt, often with their bikes on top of them. The races are a constant struggle against the force of gravity, as riders speed over "hills" through

Equality Bid Boosted

State Representative Marvin R. Stempien (D-Livonia-Northville), along with Michigan Congresswoman Martha Griffiths, appeared at a public hearing in the House Chambers to plead for the approval of his resolution to ratify the proposed Equal Rights Amendment to the U.S. Constitution.

As chief sponsor of the resolution, Stempien declared: "The nationwide trend toward ratification is clear. I think not one of the Michigan Legislatures are truly representatives of our people. And the people of Michigan have too long championed the course of equal protection of the law for all citizens that is the very heart of this nation of free, self-governing people."

A LOOSE LEAF

By ROLLY PETERSON

The resumption of the bombing of North Vietnam makes about as much sense as wearing a snow suit in summer, with temperatures hovering in the 90's and the sun beaming down.

The bombing is contrary to everything we have experienced in that war-torn country. It's contrary to common sense and to intelligent survival of the situation.

Frankly, it borders on some sadistic or suicidal tendency. President Nixon appeared on television last week to give the American people the word as to why the bombing was resumed.

While I'm not as naive as to think the North Vietnamese are good samaritans offering roses instead of guns, I sat wide-eyed listening to the President.

He spoke of North Vietnamese aggression in the south, one country invading another. The usual hard-line approach. I couldn't believe it. Did he really believe what he was saying?

But the danger seemed palpable. There that I the present clash between the North and South Vietnamese armies doesn't go as some would have it, the escalation will involve more than American bombs.

Or will it? And for one of the first times during our presence in Vietnam, I took my hat off to politics. This is an election year. Involvement of American troops on a large scale would thumb anyone out of the White House.

What ever the President might be thinking about Vietnam, he won't risk public disfavor at this point, despite the fact that the Democrats aren't having an easy time of it choosing a front runner.

These are perhaps unkind words to say about any man, let alone the President. Nonetheless, forays that thousands of American casualties, forays that would end the war once and for all, strategists that would keep the enemy guessing and political double-talk that would make Harry the Lion turn green with envy.

I don't think ascribing political motivation to the nation's highest office is too far from the truth.

valleys, and across tree limbs and rocks. Sometimes, like last Sunday, when the Blue Angels of Detroit held races at Mustang Acres, an additional challenge is added - the challenge of rain and mud.

Most people wouldn't even consider riding a motorcycle on a day as wet and rainy as last Sunday. But the bad weather didn't stop the racers at Mustang - in fact, they seemed to enjoy it.

"It's the real die-hard people that stay out for these days," said Blue Angels' Monitor Editor.

These are perhaps unkind words to say about any man, let alone the President. Nonetheless, forays that thousands of American casualties, forays that would end the war once and for all, strategists that would keep the enemy guessing and political double-talk that would make Harry the Lion turn green with envy.

referee Jerry Stockman, of Westland. "Even as bad as it was today, we had about 520 paid admissions."

On a clear Sunday, as many as 1500 persons can be expected at the races, according to Stockman.

Many of Sunday's admissions were riders. Races were held in 10 divisions, with approximately 20 riders in each division. Since some riders competed in more than one event, the total number of riders was approximately 150.

They were vying for trophies - four in each division, with the divisions ranging from 100 cc (cubic centimeters) to 500 cc.

Stockman explained that there are two classes in both the 250 cc, the most popular, and the 500 cc.

There is also a division for youngsters 15 and under. "The only requirements for riders are that they wear a helmet and be a member of the American Motorcycle Association," Stockman explained.

"Our races are sanctioned by the A.M.A., which means that members who compete or watch are insured."

The Blue Angels are one of three motorcycle clubs which sponsor races at Mustang Acres.

The Iron Mustangs, Brighton-area club which owns the grounds, and the Knights of the Road, of Detroit, also sponsor competition during racing season.

Other top motorcycle riders planning to compete at Northville include Ronnie Rall, rated number 52, who

Motorcycle Meet

Races Set at Downs

Professional motorcycle racing under the lights will make its area debut Saturday, May 27 at Northville Downs.

More than 150 of the nation's top professional riders will compete for \$2,500 in prizes on the fast half-mile harness racing track.

Promoters Slaton Lorenz, John Carlo and Gerald Stone predict that the exciting races will introduce new thrills to sports' enthusiasts who have never witnessed motorcycle racing, and to old fans they guarantee a top field of race tested contestants.

Heading up the field will be Gary Nixon, rated number nine nationally, and Bart Markel, also rated in the top ten. Markel, a native of Flint, will be remembered as the man who copped most of the honors at snowmobile races held at Northville Downs a year ago.

Other top motorcycle riders planning to compete at Northville include Ronnie Rall, rated number 52, who

promises to bring a new 750cc water-cooled Suzuki for its maiden race. Then there's Teddy Newton (number 40), Jack Warren (52), Charlie Chapple (36), Al Gasgill (65) and Larry Darr (94).

Fifteen races of from four to 20 laps will be staged in addition to junior and expert time trials for position on the starting line.

Professional motorcycle riders bring with them their personal mechanics plus vans full of racing machinery. They'll compete in three classes with novices on 250cc machines and juniors and experts on 750cc bikes capable of speeds nearing 200 mph.

"Dirt-trackers" are a breed all their own and they thrill spectators with their 100 mph-plus speeds and 24-second laps around the half-mile oval.

Racer Nixon stands out as one of the top attractions. He's a veteran who held the nation's number one ranking in 1968 and '69 before an accident crushed his left leg. Now back in action on his Triumph, he's gunning to recapture the top spot.

Spectators will enjoy the races from the enclosed and air-conditioned comfort of Northville Downs' grandstands and clubhouse. The new crushed-slag track base should provide perfect racing conditions and the bright lights will make viewing ideal for the fan.

Doors will be open at 6 p.m. with races scheduled to begin at 7 p.m. and continue until 11 p.m.

Open Horse Show, Wagon Wheel Farm, 52373 West Eight Mile Road (between Napier and Chubb Roads), 9 a.m. May 21, sponsored by the Roanin Riders 4-H Club of Northville. Judge Nancy Decker of Manchester, entry fee \$2 per class (one gate fee); trophy and six ribbons.

Twenty-two classes, including ponies, western and English pleasure, bareback and English equitation, halter, open jumping, open reining and back-to-back bareback.

Sheriff's Pose - 4H and Junior Horse Show presented by Livingston County Sheriff's Pose, Saturday, June 3rd - 9 a.m. sharp. Judge - Judith A. Williamson; location: Navajo Arena, M-59 and Hecker Road, two and one half miles west of U.S. 23.

Fees - Horse \$2.00 - Pony \$1.00. Trophy and six ribbons for each class. 4-H rules apply. 2 riders constitute a class.

On September 24, the Dixie Saddle Club of Clarkston, will hold its 3rd Annual Competitive Trail Ride. The ride will cover approximately 30 miles over all types of terrain. It will be a true test of a horse's condition, training and of a rider's skill. Only a limited number of entries will be accepted. All entries must reach the secretary no later than September 10. There will be no Post entries.

Entry fee for Senior riders is \$16; Junior Riders \$12. This fee includes the awards dinner. Guest tickets for the awards dinner are available at \$4 each.

The ride will take place as scheduled, rain or shine. No horses or ponies under four years will be permitted to enter the ride. The type of tack used is at the discretion of the rider; however, a saddle must be used.

For entry forms and additional information, contact: Mrs. Georgina Bethen, secretary 3850 Pine Knob Road, Clarkston, Mich. 48016. Phone: 313-394-0091.

For anyone interested in competitive trail riding the North American Trail Ride Conference has valuable information available on a small fee. Write to North American Trail Ride Conference, 1855 Day Road, Gilroy, California 95020.

The Ontario Competitive Trail Ride Association (High Ridges Farm, R.R. 3, King, Ontario) sponsors several rides in that province of Canada, some of which may be close enough for interested riders to enter.

What do horses eat? How high can they jump? Do horses talk back? Public school children and nursery school students will be asking these questions as they take the new hour-long tour of Majestic Farm, the horse and riding school at 1300

Continued on Page 1-B

Edison Names Design Winner

Schoolcraft College student Ron S. Bizer of Farmington has been named the top winner in Detroit Edison's corporate identification design competition for community college art and industrial design students.

The company is seeking a new graphic identification which reflects its commitment to the social, economic and physical needs of its service area and turned to the educational community in its search.

Students from Henry Ford, Highland Park, Macomb County, St. Clair County, Schoolcraft and Wayne County community colleges submitted more than 250 entries in the month-long contest.

Cash awards were made for the three best designs from all those submitted.

Welsh born English educated Hughes, the paper's new editor, will discuss national and international trends. He received the Pulitzer Prize for international reporting in 1967 and has served as Monitor editor since October, 1970.

Insights about the upcoming presidential race will be shared by Sperling. Crisis in the Middle East will be discussed by Godels, and political and economic research at the grass roots level will be analyzed by Halverson.

Horse's Mouth

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI. 48178.

Buckskin Breeder's Association of Michigan, State Show, May 14, Walter Kane's Woods and Water farm, Nine Mile and Pontiac Trail. Open show with classes for everyone and several children's classes. Trophy and ribbons for each class. Judge Bryce McGinnis of Davison, approved judge for several associations. Show starts at 8:30 a.m. Food available on the grounds. Western tack shop. For further information, call Floyd Cline, president of B.B.A.M. at 603-0550.

Open Horse Show, Wagon Wheel Farm, 52373 West Eight Mile Road (between Napier and Chubb Roads), 9 a.m. May 21, sponsored by the Roanin Riders 4-H Club of Northville. Judge Nancy Decker of Manchester, entry fee \$2 per class (one gate fee); trophy and six ribbons.

Twenty-two classes, including ponies, western and English pleasure, bareback and English equitation, halter, open jumping, open reining and back-to-back bareback.

Sheriff's Pose - 4H and Junior Horse Show presented by Livingston County Sheriff's Pose, Saturday, June 3rd - 9 a.m. sharp. Judge - Judith A. Williamson; location: Navajo Arena, M-59 and Hecker Road, two and one half miles west of U.S. 23.

Fees - Horse \$2.00 - Pony \$1.00. Trophy and six ribbons for each class. 4-H rules apply. 2 riders constitute a class.

On September 24, the Dixie Saddle Club of Clarkston, will hold its 3rd Annual Competitive Trail Ride. The ride will cover approximately 30 miles over all types of terrain. It will be a true test of a horse's condition, training and of a rider's skill. Only a limited number of entries will be accepted. All entries must reach the secretary no later than September 10. There will be no Post entries.

Entry fee for Senior riders is \$16; Junior Riders \$12. This fee includes the awards dinner. Guest tickets for the awards dinner are available at \$4 each.

The ride will take place as scheduled, rain or shine. No horses or ponies under four years will be permitted to enter the ride. The type of tack used is at the discretion of the rider; however, a saddle must be used.

For entry forms and additional information, contact: Mrs. Georgina Bethen, secretary 3850 Pine Knob Road, Clarkston, Mich. 48016. Phone: 313-394-0091.

For anyone interested in competitive trail riding the North American Trail Ride Conference has valuable information available on a small fee. Write to North American Trail Ride Conference, 1855 Day Road, Gilroy, California 95020.

The Ontario Competitive Trail Ride Association (High Ridges Farm, R.R. 3, King, Ontario) sponsors several rides in that province of Canada, some of which may be close enough for interested riders to enter.

What do horses eat? How high can they jump? Do horses talk back? Public school children and nursery school students will be asking these questions as they take the new hour-long tour of Majestic Farm, the horse and riding school at 1300

Now... 3 Wilt Stoppers Better Boy

For years, breeders have looked for a tomato variety that was not only an F₁ Hybrid, but also resistant to the three main causes of blight (wilt) in tomato plants: verticillium, fusarium, and nematodes (VFN).

Verticillium Wilt (V)
Verticillium wilt is caused by the verticillium fungus which attacks the plant's roots and stops the nutritional flow. No nutrients to the blossoms, no blossom set, no tomatoes.

Fusarium Wilt (F)
Fusarium wilt is caused by the fusarium fungus which produces a poisonous substance in the plant's roots and thereby kills the plant. No plant, no tomatoes.

Nematodes (N)
Nematodes are little worms which attach themselves to the plant's roots and actually strangle the plant from food. No food, no plant, no tomatoes.

Better Boy Resists VFN
Better Boy resists that evil fungus and those pesky little worms. Better Boy will give you more fruit, tastier fruit, over a longer period of time, because it's triple disease-resistant.

Want better tomatoes? Buy **Better Boy**

Overseeding Builds Lawns

Lawns lost to inadequate care, poor soil, insufficient or excessive fertilizer can be rejuvenated relatively fast through an overseeding program. If your lawn was left unmowed, it would eventually go to seed and

propagate itself with new grass plants. Nature's safety margin is destroyed through the mowing process and weed seeds, carried in by the wind, are often utilized as the missing grass seed. One way to offer the weeds competition is to supply additional grass seed in the spring and fall months when nature would call on such seeds to grow. A lush lawn discourages weeds from taking root and out competes most weed seeds, if the soil is in a favorable condition for grass growth. Most weeds have become accustomed to poor soil conditions and have developed the ability to sprout in any kind of soil including cracks in rocks. Grass on the lawn may have in your lawn such as bluegrass, fescue grass, or the new fine-leaved ryegrass. If it is usually packaged with a bluegrass mix and this is good for use in

water following the spraying until 2 or 3 days before overseeding is to be done. Rake or mechanically renovate the ground with a renovator made for such a purpose. (These can be rented at rental stores at a reasonable rate.) Apply lime, if needed. If no lime has been applied within the last three years, 75 pounds of ground limestone to each 1,000 square feet of area is needed. It is best to have the soil tested for lime. With the lime apply a dry fertilizer, high in nitrogen, at a rate of 10-15 pounds per 1,000 square feet. Rake the lime and fertilizer into your lawn area with a steel rake. Overseed your lawn with a mixture of fine-leaved grasses such as the fescues. This type of grass blends well with any grass you may have in your lawn.

Once the seed is germinated, keep reasonably moist for duration of the season, but daily watering is not generally required unless excessively hot weather should occur at that time. The fescues (there are several varieties such as Penna.w., Illahee, Jamestown, Highlights Cascade and others) will tend to fill in the bare spots in your lawn and provide a beautiful green carpet within a few weeks. The bluegrass will come along later and blend with the fescues.

Babson Report

Natural Thermal Power Tapped

BABSON'S REPORTS, Wellesley Hills, Mass.—There has been increasing mention of geothermal power as one solution for the nation's energy shortages. There are several plausible possibilities in the development of electric power from geothermal sources. One is the location and control of underground steam. The old Faithful geyser in Yellowstone National Park is an example of underground steam and water reaching the surface through fissures, having been naturally heated and pressurized far below the surface.

Currently, the only commercial development of geothermal steam is in northern California's Big Geysers field. Here an oil company has drilled producing steam wells; the steam is sold to a public utility partner for conversion to electric power. By 1975 the project will turn out 600,000 kilowatts, the energy equivalent of 21,000 b-d pf fuel oil, and sufficient power to service a city

comparable to San Francisco. Another potential source of geothermal energy would be made. The Atomic Energy Commission, in its Plovers program, proposed to detonate a nuclear device far below the earth's surface. The hot cavern created would be charged with water to produce steam for surface power generation. This would appear to be a feasible concept, but implementation is unlikely until well into the future.

ATHABASKA tar sands are named for the river along which they are found in northeast Alberta, Canada. The sands are one of the greatest potential reservoirs of oil in the Western Hemisphere, but today production is limited and barely out of the experimental stage. Many of the major oil companies have interests in the tar sands, but only one has achieved meaningful production, not near an average 42,000 b-d of synthetic crude oil. Tar sands represent a promising source of fuel,

but only after lengthy and costly development. The end of the decade may possibly see tar sands providing profitable production. Related to tar sands is a mineral known as oil shale rock, another likely fuel-for-the-future. This is found in abundance in Colorado, Utah, and Wyoming. It is possible to extract one pound of hydrocarbons (essentially oil) from every ten pounds of shale. Estimates indicate that there may be in excess of one trillion barrels of oil trapped in the shale oil deposits. Although it has been in the process for over fifteen years, shale oil extraction is still largely a pilot plant operation. In all, it has been calculated that it might require \$200 million to develop a 55,000 b-d plant, possibly by 1975. An interesting sideroad for shale oil extraction process is the possibility of modifying it sufficiently to handle the vast coal deposits found in the Western states.

Since it is far from Midwest markets, the coal is presently costly to transport. Using the shale process, the coal would be treated to remove water and other impurities (30 percent of weight content), leaving a low-sulfur product which could be transported economically to a ready market. SYNTHETIC fuels will make some progress in the years ahead, with commercial use expected by 1980. But even in that decade they will probably contribute only about 2 percent of our energy requirements. By that time, energy needs should be about twice what they are today. Population expansion, many more automobiles, and huge increases in the use of electric power will create the utmost demand for energy. Therefore, it would seem logical that efforts to develop resources such as the synthetic fuels and geothermal energy should be given a high priority.

Michigan Mirror

Farmers Flex Political Muscle

LANSING—Farmers in Michigan as well as the rest of the country have been flexing some new political muscles in recent months. It started when unrest over low prices caused the resignation of scholarly Clifford Harbin as Secretary of Agriculture and naming of Purdue professor Earl Butts as his successor.

Butts wasn't trusted by many farmers when he took office and some farm groups lobbied extensively against his confirmation. But he was confirmed and has since been a very outspoken advocate for the plight of the farmer.

The most recent furor was over food prices. Butts, instead of laying back, came out swinging when consumers started complaining about what they paid for food. IT ISN'T FARMERS' fault the food prices are going up, he said over and over. In the past 20 years the prices paid farmers for food products has gone up 6 percent while the price for them at the checkout counter rose 43 percent.

During that period, the nation's wage rates rose an average of 6 percent each year. In fact, he said, he hoped farm prices rose even higher, since the farmer still wasn't getting his fair share of American prosperity. BUTZ ISN'T the only one speaking out. Several movements are going on at the state level as well.

The Michigan Senate passed a bill to permit farmers to form unions for negotiating prices of their products—something that has not been done.

One of the problems farmers have always faced: they only get what the processor or elevator they sell their products to will pay.

Farmers are by nature independent, so it's hard to organize them into a group. The National Farmers Organization, headed by Oren Lee Slaye, has tried for years to sell collective bargaining to farmers, but hasn't sold enough of them to make it stick.

The Senate bill, however, would allow farmers who grow more than 50 percent of a particular crop to form bargaining associations. The association then would bargain with handlers and processors on such items as prices, terms of sale and quality specifications.

IF NO AGREEMENT were reached, the two would submit their best offers to an arbitration board which would pick one of the two best offers as the most equitable.

The bill's main sponsor is Sen. Charles O. Zoller, a wealthy fruit farmer from Benton Harbor, who said the bill is designed to save the family farm.

"Right now they're caught," he says. "They're dealing with a perishable commodity which they must sell. And they have to accept the price that's being offered because they have no bargaining power."

FARM WIVES have been working too. While the men have been busy talking and legislating, their ladies, perhaps inspired by women's lib movement, have swung into action.

A group of Michigan farm wives organized themselves into the "Women for Survival of Agriculture in Michigan." They are headed by Mrs. Connie Cadden of Decatur and they are serious.

Among the things they have done to call attention to the plight of the farmer is visit the

Capitol and present their case to Gov. William G. Milliken.

"The farmer's costs are set," Mrs. Canfield told Milliken. But the farmer is powerless to determine what he will receive for his produce. The need for marketing and bargaining legislation is urgent."

THEY PICKED fruit receiving stations for low prices and launched publicity campaigns to help their cause.

"The Michigan farmer needs a voice that can be heard and our group plans to be that voice," Mrs. Canfield says.

When Congressman James O'Hara made some comments in December which the group felt were uncomplimentary to farmers, he found a letter on his desk from one of its members.

"We will leave no stone unturned in our effort to give the public an honest version of the lives and work of the farmer," she vowed.

So Who's Irrelevant?

Rev. Guenther C. Branstner, First Methodist Church of Northville

One of the popular charges against the Church in general is that it is irrelevant and out of touch with the times.

But to hide behind the charge of irrelevance for most people just another excuse. It is a reason that sounds intellectually plausible making non-involvement in the church sound almost like a nobler way of life.

Has the church been relevant to human needs? Let's look at education.

When the working class couldn't go to school, John Wesley and others in the so-called Holy Club at Oxford University pooled funds out of their allowances.

Harvard, one of our leading prestige universities, perhaps the oldest college in the nation, was founded by the early settlers to guarantee

well educated church leadership. The two prime movers in the founding of the University of Michigan were a Catholic priest and a Presbyterian minister.

And what about medical care? Of course, today there are large amounts of federal funding available. But when it was really needed how many hospitals did the church support and staff?

There is much more but this is supposed to be a short article. We haven't even touched the subject of social protest, ranging from anti-slavery movements to child labor and the modern peace movement.

Is the church irrelevant? Some time when you're not too busy with the garden club, bridge club, bowling team, junior hockey, little league, dog show, antique fair, etc., turn off the TV, fold your hands quietly and ask yourself the hard question... "Who is irrelevant?"

"I am come that they may have life, and have it abundantly." That's what Jesus said. Is your life relevant?

There's a lot of sentimentality in the observance of Mother's Day. Let's be practical.

Only one thing really counts: MY CHILD!

There is no glory in being a mother unless one has learned how to prepare a child for life. Nor is there any pride in motherhood unless one has done her utmost to share with her child the great spiritual heritage which is her own.

People love to compliment us: "Just like her mother!" they say.

If mothers through the centuries had been satisfied with that goal, our civilization would have stagnated in the days of the cave men.

The mark of a devoted mother is her desire to make of her child even a finer person than she or her husband has become. And in this common aim she and her husband find their staunchest ally in the Church.

NEW SIGNPOSTS FOR THE SEVENTIES

ANNOUNCING A NEW READER CONVENIENCE WATCH FOR THE NEW SIGNS ON YOUR JOURNEY THROUGH THE CLASSIFIED AD SECTION BEGINNING WED., MAY 10th.

In order to make it easier for you to locate the category of ads which you are seeking, The Northville Record, Novi News, South Lyon Herald, and Brighton Argus have revamped the old categories into a new, more complete list of classifications.

Each of the major classification headings feature a symbol as well as title. The Sliger Publications have installed the new signs and symbols as another step in its constant effort to improve its Classified Section for the convenience and profit of its readers.

Read the Classified Ads today! You will find them to be a fascinating marketplace of goods and services.

and introducing...

HAPPY ADS

TO ALL MOMS
Happy Mother's Day
A Daughter
Mary, Welcome back to work. The gang at the office.

DESPITE the fact she's still counting 'happy birthday' to her mother's birthday, she's the happiest birthday girl ever.

1-3 Card Of Thanks
We wish to thank our many friends who helped us to celebrate our 50th wedding anniversary at the Wixom school April 22, Mr. and Mrs. Chris Nissen.

Horse's Mouth

Continued from Page 3-B

West Joy Road, Ann Arbor. The free tours include discussions of horse breeds and what type of horse does best, the names of the parts of the horse and the different kinds of breeds and saddles. Young visitors also learn the daily care routine of horses and the English terms for gait.

Miss Susan Altman, formerly of Northville now of Hartland showing her three-year-old gelding "Cutler King's Dandy", won Grand Champion at the Appolosa Show at Muskegon.

Jack Hoffman Heads Press Club

Jack W. Hoffman, assistant to the publisher of the Slinger Publications, was elected president of the Wayne State University Press Club Friday during the 35th Newspaper Workshop.

Hoffman, who lives in Northville with his wife and six children, succeeds Richard Brown, publisher of the Ingham County News in Mason. Brown remains a member of the board of directors.

Other newly elected officers of the press club are John Reddy, editor of the Birmingham Eclectic, first vice-president; Mary Klemanski of the Ferndale Gazette, and W. Sprague Holden, chairman of the Wayne State University journalism department, secretary-treasurer.

A 1956 graduate of the University of Michigan where he majored in journalism and participated in a post-graduate fellowship program, Hoffman began his newspaper career as a police reporter for two years on the Saginaw Daily News.

He joined The Northville Record in 1958, leaving for a two year period in 1964 to become assistant to the director of public relations for GM Truck & Coach Division in Pontiac.

For the past year he and two other Record staffers were part-time journalism instructors-advisors at Schoolcraft College. Highlighting Friday's workshop was a morning panel discussion on "Feature Stories: Their Nurture and Effective Use." Panelists included Lucille DeView of the Detroit News, John Reddy of the Eclectic and David Dolson, Sunday editor of the Detroit Free Press.

In announcing the tour, Majestic Farm Manager Mike Mathews commented, "Many youngsters have only seen horses charging and racing on television. Through the tour we hope they will discover what skillful and sensitive animals horses are, and what fun it is to work with them."

Majestic Farm owns and boards over 30 horses on its 40-acre site, five miles north of Ann Arbor, one and a half miles west of Whitmore Lake Road. Persons interested in scheduling tours should call Mathews at 665-9813.

Enrollment is limited, so interested horsemen (both amateurs and professionals) should apply early.

Application materials and a detailed brochure are available from Dr. James C. Dollalon, Director, Horses A

School Buoyed by 'Year Round' Response

With 65 students already enrolled in Northville's voluntary experimental year-round school program, Superintendent Raymond Spear said he is "very much encouraged by the response of the people of the community."

Spear and members of the steering committee met last week with parents who volunteered their children for the program.

"Most of the reasons parents cited for wanting their children involved in the program centered around maximum utilization of the building," Spear said, "more frequent vacations, shorter vacations and less time for students to forget what they learned."

The experimental program, which will be funded by the state, will begin this summer at Amerman Elementary School.

Information centers are planned for Tuesday, May 30, at Amerman Elementary; Thursday, June 1, at Moraine Elementary; and Tuesday, June 6, at Main Street Elementary. All centers will open at 8 p.m.

Members of the steering committee will be available to answer questions and pre-register for students will be held Wednesday, May 24, in the high school auditorium. Beginning at 8 p.m., the program will include a talk on the year-round school concept by George Jensen, chairman of the National School Calendar Committee.

On July 1, final registration will be held at Amerman Elementary. Spear cited several reasons for trying the voluntary program: "We hope to demonstrate the operation of a 45-15 extended school year plan, implementation of the state's six step approach to education and comparative study of the effectiveness of a specific year-round school program."

The superintendent said he hopes the experimental program can be expanded next year to include more elementary students.

Members of the steering committee include school board trustees Martin Rinehart and Andrew Orphan, parents Mrs. Lawrence (Sylvia) Gucken and Jack Hoffman, teachers Mrs. Nancy Fieldman and Mrs. Marjorie Slinger, Amerman principal William Craft, curriculum director Florence Panattoni, bu

Here's Why Parents Favor '45-15' Plan

Why are some parents interested in enrolling their children in the experimental year-round school program scheduled to get underway this year?

That question was answered by parents attending an orientation meeting Thursday at the Northville board of education offices.

And, according to school officials, the answers are gratifying.

Said Business Manager Earl Busard: "We wanted to learn why parents were interested in the program, and we wanted their reactions before they were given program explanations at Thursday's meeting. Their answers, unsigned, were written before exposure to detailed information about the program."

Following are some of the answers: "Because we believe from an educational AND financial point of view this kind of program is essential to the well-being of the school district in general and our child in particular."

"Our child would probably benefit from a classroom of children wherein the parents are highly enough interested in educational innovation to enroll their children in an experimental program."

"We are hoping that perhaps more avenues for open classrooms and cross-grade classrooms will be opened."

"The three-week 'rest' every nine weeks would be beneficial in keeping up interest in school, thus helping our child benefit more from time spent in school."

"As a teacher myself, this would give me more of an opportunity to share in my child's education through a similar system in the future. Since the proposed system is the classroom as per the desires of the classroom teacher such as time spent in classroom, preparing materials, etc."

"We are hoping that field trips would be more frequent as buses would be available, and field trip locations would not be so booked up."

"We believe that the economics of the present and the future dictate the maximum utilization of all existing and future school facilities."

"More flexible vacation schedule to family, and better learning schedule. Relief to children after nine weeks, as opposed to present program of 40-week duration."

"Much better calendar—allows winter and other vacations without taking kids out of school. We believe three month summer vacations are too much for children. There will be better use of school taxpayer resources when put into full effect. It is educationally superior due to no lengthy periods away from school."

"Our family life is very adaptable to the 45-15 program, and we believe it is time to put the schools and building to year-round use. We feel we should support the 45-15 program over other plans as it is the most practical in all types of situations."

"We feel that this is an excellent way to utilize facilities fully year-round—with millage votes going negative will serve as an alternative to new buildings being needed."

"We like the idea of family vacations at other times other than summer."

"Agree with concept of 45-15 program and feel that school system must establish a similar system in the future. The vacations (15 days) through the year will be good for participation in all types of seasonal sports. Taxes, I hope, won't rise so much. Spring fever with students should end."

"We feel our children can be more enthusiastic about school, if their experience is concentrated. Short terms with short breaks can renew their attitudes toward learning."

"Because I think it is a step in controlling costs to taxpayers by better utilizing facilities and personnel."

"As a member of the silent majority, I feel that too often we wish and let the other half do the experimenting. We are joining your crusade! And here's hoping it works. When you pay so much in taxes any relief to look forward to is worth trying."

"We believe the school will make a special effort to give these children a 'good' education, with extra academic achievement, in order to prove to the community that it is a good concept."

"We are trying to find the best learning situation for our child. She has some special problems which may cause some learning difficulties. We have heard that this program may include 'open school' which we are very interested in. This type of program usually takes the best of the system's teaching staff and materials."

"Members of the steering committee include school board trustees Martin Rinehart and Andrew Orphan, parents Mrs. Lawrence (Sylvia) Gucken and Jack Hoffman, teachers Mrs. Nancy Fieldman and Mrs. Marjorie Slinger, Amerman principal William Craft, curriculum director Florence Panattoni, Business Director Earl Busard, Personnel Director Robert Benson and Spear."

"Information centers are planned for Tuesday, May 30, at Amerman Elementary; Thursday, June 1, at Moraine Elementary; and Tuesday, June 6, at Main Street Elementary. All centers will open at 8 p.m."

Members of the steering committee will be available to answer questions and pre-registration for students will be held Wednesday, May 24, in the high school auditorium. Beginning at 8 p.m., the program will include a talk on the year-round school concept by George Jensen, chairman of the National School Calendar Committee."

On July 1, final registration will be held at Amerman Elementary. Spear cited several reasons for trying the voluntary program: "We hope to demonstrate the operation of a 45-15 extended school year plan, implementation of the state's six step approach to education and comparative study of the effectiveness of a specific year-round school program."

The superintendent said he hopes the experimental program can be expanded next year to include more elementary students.

College Changes Noted

Schoolcraft President C. Nelson Grote has announced a number of recent administrative changes at the college, including the appointment of a new director of plant operations.

The new director is Robert S. Orr who joins the college staff with 25 years experience in construction and related fields. The past eight as a consulting engineer. His appointment as replacement for Kenneth Bertin became effective May 1.

Orr and his wife Betty and two children live in Livonia. A native of Pigeon in Michigan's thumb area, Orr studied engineering at the University of Cincinnati. During World War II he was a marine engineer in the U.S. Maritime Service.

No Relief Seen By Legislators

Property tax reform isn't just around the corner but rather down the road, residents learned May 2 when Representatives Clifford Smart and Marvin Stempien spoke at the PTFA League of Women Voters sponsored meeting.

Both told citizens not to expect educational reform on the method of financing school districts next year, but in the near future.

Stempien also noted that local districts would not be receiving contingency fund monies this year. Placed in a contingency by the legislature were funds which districts would have received as part of their state aid payments.

Parents to Meet On Senior Party

A meeting of all parents who are committee chairmen for the all-night senior class party that has become a tradition following graduation exercises is scheduled for 8 p.m. Tuesday, May 16, at the home of the chairmen, Mr. and Mrs. Mitchell Plak.

Donations of at least \$6 from each family of a graduating senior have been requested to meet expenses of the June 15 party which the parents give for seniors only.

Mrs. Duane Butler, treasurer, reported last week that more than half have been received of the 230 expected. She said that checks are coming in slowly but steadily and will be most welcome any time.

Parents to Meet On Senior Party

Parents of seniors who have not paid should make checks payable to Northville High Class '72 and send them to Mrs. Butler, 21405 Summerside Lane, Northville.

Party planners estimate that the party will cost about \$1,300 including a buffet, breakfast, decorations, entertainment and band.

In order to implement and administer the overall personnel function of the college, Dr. Grote said it could serve more effectively out of the president's office. He said Munro would continue to work through and with the vice presidents and other administrators in dealing with matters relating to personnel.

Finally, the reassignment places Munro in a better position to provide regular consultation and advice to the president. Dr. Grote in his responsibility as the chief administrator of the college.

NOTICE OF HEARING TONQUISH CREEK DRAIN

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Chapter 20 of Act 40, Public Acts of Michigan, 1966, as amended, a petition was filed with the Drain Commission of the County of Wayne, Michigan, by the City of Plymouth and the Township of Plymouth, Wayne County, Michigan, requesting said Drain Commission to locate, establish and construct certain county drainage improvements, the location and route thereof to be as follows:

Clean out, relocate, widen, deepen, straighten, tile construct, reconstruct or alter any necessary culverts or bridges, acquire or construct such improvements, together with any structures, mechanical devices and appurtenances as will properly carry the flow of such drainage project, and extend the Tonquish Creek Drain from its present upstream terminus in Section 27, City of Plymouth; thence westerly and northerly through Sections 27, 28 and 29 of Plymouth Township, ending on the southwest 1/4 of Section 16, Northville Township, and from its present downstream terminus in the southwest 1/4 of Section 35, Plymouth Township; thence southerly and easterly through Sections 2 and 12 of Canton Township, and thence easterly and northerly to Section 3, 4 and 4 of the City of Westland, terminating in a branch of the Rouge River on the northeast 1/4 of Section 4, City of Westland, Wayne County, Michigan.

NOTICE IS FURTHER GIVEN that the Drainage Board for said drain has considered the said petition and made a tentative determination that the said petition is sufficient and that the said project is necessary for the public health and is practicable; has given the name "Tonquish Creek Drain" as the name of said drainage project; has given the name "Tonquish Creek Drain Drainage District" to the drainage district thereof; and has made a tentative determination that the following public corporations should be assessed for the cost of said project, to wit:

CITY OF WESTLAND, Wayne County, Michigan, at large, for benefits to public health.

TOWNSHIP OF CANTON, Wayne County, Michigan, at large, for benefits to public health.

TOWNSHIP OF PLYMOUTH, Wayne County, Michigan, at large, for benefits to public health.

CITY OF PLYMOUTH, Wayne County, Michigan, at large, for benefits to public health.

TOWNSHIP OF NORTHVILLE, Wayne County, Michigan, at large, for benefits to public health.

CITY OF LYONIA, Wayne County, Michigan, at large, for benefits to public health.

COUNTY OF WAYNE, Michigan, at large, for benefits to County highways.

STATE OF MICHIGAN, for benefits to State highways.

NOTICE IS FURTHER GIVEN that the Drainage Board will meet on the 7th day of June, 1972, at 11:15 o'clock a.m., Eastern Standard Time, in the Plymouth City Hall, 301 S. Main Street, Plymouth, Michigan, for the purpose of hearing any objections to and approving or disapproving the said tentative determination that the cost to the public corporations should be assessed for the cost of said project, TO BE HEARD.

THIS NOTICE is given by order of said Drainage Board.

Henry V. Herrick
Chairman of the Drainage Board
Leonard D. Proctor, Member
Robert E. Fitzpatrick, Member

Dated April 26, 1972
May 11-18

Norman Dunn Plans to Retire

Schoolcraft College Registrar Norman E. Dunn has announced he will retire June 30 from the post he has served since 1963.

Dunn, who is 62, has been Schoolcraft's only registrar since the college opened. He was director of pupil personnel for the Bay City Public Schools at the time he joined the college staff. Before that he was a counselor at Bay City Handy High School, and earlier served as principal at Okemos High School near Lansing.

A native of Laurium, Michigan, in the Upper Peninsula, he earned a bachelor's degree at Northern Michigan University, and took his master's degree at Michigan State University. Dunn and his wife Helene live in Livonia. They have two grown children.

The registrar said he and his wife will continue to live in Livonia. Other than that, he has no immediate plans for the retirement which will end his 36-year career in education.

NOTICE

The City of Northville will accept sealed bids for two (2) 1972 Police Cars until 8:00 p.m., Monday June 5, 1972.

Specifications are available at the City Clerk's Office, 215 W. Main St., Northville, Mich.

POLLING PLACES
Precincts 1 and 2 — 301 W. Main, Northville, Mich.
Precinct 3 — Tanger School, 40260 Five Mile, Plymouth, Mich.

Eleanor W. Hammond,
Northville Township Clerk

WINNING PERFORMANCE—Bev Wistert in her role as Sarah is comforted by J. W. Sleete who played Sky Masterson, as Doug Boor (Nathan Detroit) and Carol Turnbull (Arvide) look on. The scene is from "Guys and Dolls" staged last week by Northville High students. Winning Oliver Awards for outstanding performances were Miss Wistert, Boor and Craig Barnard who played Nicely, George Awards, given for highest professionalism backstage, went to Sarah Horner, who served as accompanist, Gary Ogilvie, head of the set crew, and Mary Tison, designer of the model from which the set was built. Kurt Kinde, director of the play, said he was "very pleased with the performances and it was a pleasure to work with such a dedicated and exuberant cast."

CHAMPS—The Wayne County Child Development Center's special olympics team became the first team to win the Oakland County Regional Special Olympics Trophy. The special olympics program is sponsored annually by the Kennedy Foundation and includes children from special education classes in Oakland and Wayne counties. Child Development Center children won 25 first place ribbons, 14 second place ribbons, and 10 thirds in the event which took place last June. Their ribbons were in track, field and swimming events. Five of the children who will compete again this year are shown here with Dr. Pasquale Buonicontino, medical superintendent, and Miss Sherry Goodwin, director of recreation. The trophy will be on display at the center for the next several days.

OLV Offers Scholarships

Our Lady's League at Our Lady of Victory Catholic Church is currently taking applications for scholarships to be awarded to two eighth graders.

Eligible for the award are eighth graders registered in a Catholic high school for the fall semester. Applications will be accepted through Friday, May 19.

Students interested in the scholarships should contact Mrs. Robert Brueck at 349-2250.

Recovered Gun Aids Novi ID Program

Efforts to get a Novi property identification program underway were given a hearty boost last week as a revolver stolen during a breaking and entering of a Novi residence last November turned up in Texas and Rangers arrested a man for possession of stolen property.

"If we have a known number to work with, we can usually make an arrest," said Novi Detective Sergeant Gordon Nelson. "The stolen revolver had a serial number on it, the people knew what it was and gave it to us, and a suspect was arrested in Texas six months later."

On November 28, 1971, the revolver along with another gun, two fur coats, and a quantity of other items were stolen from a residence at 4375 Nine Mile Road. On April 29, 1972, Novi police received a call from the Texas Ranger station in Del Rio, Texas, reporting they had taken a 36-year old Inkster man, William Carl Nelson, Junior, into custody on two counts of narcotics and firearms violations.

Recovered from Steinecker was a .38 caliber revolver

Northville Won't Join GM, Ford Lawsuit

Northville school board said "thanks but no thanks" Monday night to an invitation to join a lawsuit against General Motors Corporation and Ford Motor Company.

The suit, which charges the two companies fixed prices on bus chassis sold to school districts, was filed by the state of Connecticut.

Invitation to join the suit came from the United States District Court for Northern Illinois.

Commenting on the suit, Superintendent Raymond Spear said the district "has enough problems of our own without getting involved in this. If the suit is won, it will benefit us in the future purchase of school buses."

Spear also pointed out that if the suit is won, the district stands to gain \$1,500 to \$2,000. However, if the suit is lost, the district would be forced to pay a similar amount, depending upon how many districts are involved in the action.

Earl Busard, director of business and finance for the district, noted there is also some concern over whether or not the district could legally become involved in the suit.

Northville does not purchase school buses, but rather leases them for a period of years through an agreement with a leasing company, thus allowing the transportation program to operate with less cost to the district.

When we are open... We are really open!

Many banks try a part-time imitation of our six-day, full-service 9:30-4:30 p.m. banking. At West Oakland Bank every one of our services is available to everyone from 9:30 a.m. 'til 4:30 p.m. six days a week (including Saturday and until 6 p.m. on Friday). The only days we are not open are Sundays and holidays.

Don't settle for part-time service and "banker's hours." Come to West Oakland Bank where you can get "sustan hours" and any of our 101 services all day, six days a week. That's why we're called "The Saturday Banker" with 4:30 hours... that's really open.

SCHOOL BELL—Northville Record News Editor Sally Burke receives the MEA School Bell award from Otis A. Crosby, former director of information services for Detroit Public Schools.

Record Wins Third Gold Bell Award

The Northville Record was among 35 Michigan newspapers, radio stations, television stations and writers to win the Michigan Education Association (MEA) School Bell award for "outstanding contributions to community understanding of education."

The Record was Sally Burke, news editor. It is the third consecutive year The Record has received the School Bell. Presenting the awards was Otis A. Crosby, former director of information service for Detroit Public Schools who now operates a public relations firm.

Restrictions Sought For Truck Travel

Upset about the damage being done to city roads, the Novi city council is seeking an ordinance to limit the size of trucks on subdivision roads. Leading the quest for the ordinance is Mayor Joseph Crupi.

"These trucks are tearing our roads apart," he said at Monday's council session, "and we get stuck with the bill for having to repair them."

Prom Tonight In Southfield

The Raleigh House in Southfield will be the setting for "A Taste of Honey," Northville High School's senior prom.

Beginning at 8 p.m. tonight (Thursday) with dinner, the evening lasts until 1 a.m., according to Lorrie Deibert, chairman of the event.

Committee Advises Novi Board 'Don't Sponsor Senior Trips'

A special committee has recommended, in the wake of a recent survey, that the Novi Board of Education should not sponsor or recognize senior class trips as a school function.

The findings and recommendations of the senior trip committee were accepted Monday by the board, which praised committee members for their "excellent" report.

Only 35-percent of the parents of ninth, tenth and eleventh graders responded to questionnaires.

"Thus, the majority of parents indicate no concern over a senior class trip. Only 60 parents preferred that the board of education be responsible for the senior class trip out of 360 letters sent," the committee noted.

The student survey, continued the committee, indicated that two out of three students preferred that the board of education have no responsibility for the senior trip.

Furthermore, "students were overwhelmingly interested in a trip by a ratio of 8 to 1. Students indicated they would pay for a trip and also be willing to help earn money for a trip through activities."

"Seniors may, indeed, elect to go on a trip, but, if so, it should be done independently of the school," the committee concluded.

"This means that no school buses may be used, no internal accounting may be used, no days off from the regular school calendar should be allowed, nor should fund raising activities for a trip be allowed in the school or during the school day.

"All future senior trip activities should be accomplished independently of the Novi Board of Education and become the responsibility of the senior parents and students interested in the trip."

In the survey of parents (130 answers were received from 360 letters sent out), here is the response to three questions:

1. Do you approve of senior class trips for your son/daughter? 115 yes, 11 no.

2. Would you prefer that the Novi Board of Education be responsible for the senior class trip? 89 yes, 47 no.

3. Would you prefer that the senior class trip be organized and managed by an independent parent-student trip club? 40 yes, 39 no.

In the survey of students, here are the responses to four questions:

1. Would you pay for a senior class trip? Ninth grade, 133 yes, 22 no; 10th grade, 99 yes, 17 no; 11th grade, 85 yes, 9 no; total, 317 yes, 48 no.

2. Would you be willing to work in activities to help pay the cost of the trip? Ninth grade, 141 yes, 15 no; 10th grade, 105 yes, 11 no; 11th grade, 75 yes, 14 no; total, 321 yes, 40 no.

3. Would you prefer that the board of education be responsible for the senior class trip? Ninth grade, 52 yes, 104 no; 10th grade, 36 yes, 80 no; 11th grade, 30 yes, 63 no;

total, 118 yes, 247 no. 4. Would you prefer that the senior class trip be organized and managed by an independent parent-student trip club? Ninth grade, 72 yes, 83

no; 10th grade, 47 yes, 61 no; 11th grade, 54 yes, 39 no; total 173 yes, 183 no.

Members of the parent-student-teacher committee included Principal Hal Seymour, Mrs. Joyce Valentine, Mrs. Jackie Lawrence, Steve Basak, Ron Broquet, and Calvin F. Schmucker.

TOPS IN SAFETY—Service girls and safety boys earning top honors for performance of service at the elementary schools are, left to right, Carl Wedge of Amerman, Jody Lauber of Main Street, Matt Romanik of Moraine, Gordy Lyon of Main Street, Connie Coultis of Moraine and Paul Hochkins of Amerman.

Grass Roots Battle Seen

Amid all of the interest and controversy surrounding Michigan's presidential primary on May 16, an intense local ballot struggle is going all but unnoticed.

In Northville Township's rapidly growing Precinct Three, acting Republican Precinct Delegate Peter June is facing challenges by two newcomers.

June, 46, lives at 42280 Old Bedford Road and is a sales manager for an auto parts firm. He has been active in Republican organization work for 12 years and is currently absentee vote drive chairman for the Northville-Plymouth area.

June is being challenged by Robert G. Adams, 1822 Old Bedford, and Leon S. Pater, 42056 Sunnydale. All three have Plymouth mailing addresses, but live in Northville Township. Adams, 41, is a self-employed CPA who has been active in the Northville Commons Civic Association.

Northville Superintendent Raymond Spear has been elected chairman of the board of directors for the Metropolitan Detroit Bureau of School Studies.

The post is for three years. The bureau is responsible for providing information services and studies to agencies it serves.

THIS SPRING PLANT A GAS GRILL IN YOUR YARD! BUY NOW DURING CONSUMERS POWER COMPANY'S CHARMGLOW GAS GRILL SALE

A Charmglow gas grill lets you enjoy all the fun of cookouts without the mess and fuss of an old-fashioned charcoal fire. NORTHVILLE PUBLIC SCHOOLS YEAR ROUND SCHOOL NOTICE OF PUBLIC MEETINGS

The Steering Committee of Northville Public Schools proposed Voluntary Experimental Elementary (K-5) Year Round School Program featuring a 45-15 Calendar for student attendance (9 weeks in school - 3 weeks on vacation) and an innovative approach to classroom instruction announces:

A GENERAL PUBLIC INFORMATION MEETING To Be Held on Wednesday, May 24, 1972 At The Northville High School Auditorium at 8 P.M. Keynote Speaker: George Jensen, Chairman

National School Calendar Committee Minneapolis, Minnesota

The purpose of this meeting will be to give a full explanation of the district's proposed State Sponsored, Federally financed, experimental program and to explain how it could affect you and your child. This general public meeting will be followed by the conducting of three Year Round School "Information Centers" to be held on the following dates, times and places:

- May 30, 1972 Amerman School 7-9 p.m.
- June 1, 1972 Moraine School 7-9 p.m.
- June 6, 1972 Main Street School 7-9 p.m.

You are invited to attend any of these centers at which time pre-registration of students for this program will be accepted and your individual questions will be answered.

Concert to Feature Variations at Novi

The annual spring concert of the Novi High School bands has been slated for Tuesday, May 15, in the High School Commons. Band Director Gordon Seiler announced Monday.

The concert starts at 7:30 p.m. There will be an admission of 50 cents. Everyone in the fifth grade and under will be admitted free of charge, however, Seiler said.

Featured will be a presentation entitled "American Variations" — a take-off on the Scottish folk tune "Barbara Allen" with various tempos ranging from hoodwain to rock.

Also featured will be Miss Jenny Lyke, a high school senior who plans to continue her music studies in college, who will direct "Festival Prelude."

Both the symphony and the concert bands will perform during the evening and the music will range from classical to such contemporary standards as "Exodus," "Tara's Theme," and "House of the Rising Sun."

Seiler also noted that the High School marching band will march in the Novi Memorial Day Parade.

Northville Plans Choral Montage

Everything from Bach to jazz numbers is on tap tomorrow (Friday) for "Choral Montage" presented by the vocal music department of Northville High.

Performing during the evening will be the Girls' Glee Club, choir, Girls' Vocal group, and two special groups, the Girls' Octet and the Boys' Quartet.

Instrumental groups will accompany the choir, Miss Anita Kalousdian, director, said.

The concert, which begins at 8 p.m. in the auditorium, will be free.

Precinct Delegate Novi Elects 18-Year Old

Steve Bosak, Novi's first 18-year old candidate for public office, was basking in the sweet aftermath of his victory at the polls.

Running as an uncommitted delegate to the Democratic county convention, the 18-year old Novi High School senior had received a substantial 300-115 victory over his opponent and was now taking advantage of another right extended to the nation's 18-21 year olds last year when the age of majority was lowered by slipping on a beer at Ben's Novi Inn.

STEVE BOSAK

"Where do you go from here?" asked the reporter, as Bosak puffed on a token victory cigar given him by his father.

"Next comes the Oakland County convention in early June," Bosak finally answered. "Hopefully, I'll be able to build enough delegate strength there to be elected as a delegate to the state convention. From the state I hope to be elected as a delegate to the national convention."

"That might sound a bit far-fetched," he admitted, "but I don't think it's an impossible task. If I can convince delegates that I'm responsible and hard-working, they might just be willing to support an 18-year old delegate."

The son of Mr. and Mrs. Frank Bosak of Nine Mile Road, Steve was elected as Democratic delegate from Novi's second precinct.

How did he interpret his precinct's overwhelming support of George Wallace for the Democratic nomination? (Wallace scored a 2-1 margin of victory over his nearest opponent, George McGovern, in the precinct.)

"I ran as an uncommitted candidate," Bosak said. "My platform was that I would support whoever the voters in my precinct wanted me to support and intend to stick to that policy. I still plan to go door to door and talk to people about the issues so I will be able to represent their feelings."

Last Saturday Novi's youngest precinct delegate attended a \$100 per plate dinner at the Raleigh House in Southfield and had an opportunity to meet Hubert Humphrey. "We shook hands and I got his autograph on the back of a Wallace flyer," he reported. "He didn't try to pressure me to support him at all. He just said 'have a good time and learn as much as you can from this experience.'"

THE NOVI NEWS

Vol. 18, No. 1, Three Sections, 38 Pages Thursday, May 18, 1972 — Novi, Michigan 15c Per Copy, \$6 Per Year in Advance

Novi Approves Millage; 'Oaks' Vote Decisive

Novi's road improvement program was given the official go-ahead Tuesday, as the city's voters approved the levying of one additional mill in taxes designated specifically for road.

Approval of the millage came by the narrowest of margins, however. There were 1,298 votes cast in favor of the millage and 1,163 votes opposed to the tax hike — a margin of 135 votes.

City Manager George Athas said he was pleased the millage had passed, but was disappointed in the margin of victory. "It just wasn't a decisive spread," he said. "I was hoping the people of Novi would give us a much greater margin of victory."

Voter turnout for the election was good. Some 2,640 of the city's 4,117 registered voters participated in the election — a voter turnout of 64 percent.

Passage of the millage was due to heavy voter support in the second precinct — the area south of 10 Mile and east of Novi Road which includes Village Oaks, Meadowbrook Lake, and Willowbrook subdivisions. In fact voters in each of the city's other three precincts rejected the one mill tax hike.

Precinct one voters (residents living west of Novi Road and south of 12 Mile Road) defeated the request by 103 votes — 376-273; voters in precinct three (that area east of Novi Road and between 10 and 12 Mile Roads) rejected the tax hike by 22 votes — 235-213; and fourth precinct voters (people living in the city north of 12 Mile Road) cast 293 "no" ballots as opposed to 88 "yes" votes — a margin of 181 votes.

Together voters in precincts one, three, and four defeated the millage request by a total of 306 votes.

That margin was erased and the millage was passed by a decisive "yes" vote in the second precinct. The vote in that precinct was 724 in favor and 283 opposed.

At the city's current level of assessed valuation, the millage boost will amount to roughly \$70,000 in increased revenue annually and will cost the average homeowner an additional \$12.50 in taxes per year.

Contacted at home after the results had been tabulated, Mayor Joseph Crupi said he was pleased to see it go through, but was disappointed in the margin. "I knew it was going to be close," Crupi said, "particularly in the northern areas where we've been able to do little up to this point road-wise."

In analyzing the election results Crupi said it was interesting that the people who decided the election were the ones who least needed the roads. "As I see it," he said, "it was the people who really need the roads and stand to benefit most from passage of the mill who voted against it. Councilman Edwin Pressnell and Louise Campbell, present at election headquarters, also lauded passage of the millage. "I'm highly pleased with the outcome," said Pressnell. "Now we can go forward with some progress in Novi."

Campbell expressed disappointment with the large number of "no" votes. "The people in this community have just got to realize that you can't have improvements without money," he said. "One of the interesting sidelights of the election was the fact that Novi voters approved an amendment to the state constitution authorizing lotteries by a whopping 2,016 to 473 margin. "That absolutely fascinates me," said Athas. "The cost of two lottery tickets will cost the average Novi homeowner almost exactly what the millage increase will cost him, and yet the voters barely passed the millage and gave the lottery a landslide."

TOP OF THE CLASS—Heading the list of graduating seniors at Novi High School are Laura Little and Donna Robertson. Laura, who plans to attend Northern Michigan University in the fall, was named salutatorian, while Donna, who is headed for Ferris State, was valedictorian.

Road Issue Reopened

Wixom Councilman Gunnar Mettala plunged boldly forward, but the remaining council members exhibited definite signs of reticence as Mettala reopened one of the hottest political issues in Wixom in recent years.

Specifically, Mettala recommended that steps be taken to get the city's road improvement program underway and moved the city engineers be authorized to draw up plans for the paving of Oakland and Roseworth Roads. In so doing he returned the twin issues of the road improvement program and the pollution of Loon Lake to the political forum.

Together those issues played a major role in the last city election (1970) and provided a political stepping stone for several prominent area leaders.

Michigan Week Host Mayors Monday

Plans have been completed in Novi and Wixom as the communities await the arrival of Michigan Week (May 21-27) and Mayor's Exchange Day (Monday, May 22).

Highlight of Michigan Week activities throughout the state is Mayor's Exchange Day, on which officials from participating municipalities swap jobs for a day.

This year Novi is paired with St. Joseph, while Wixom will exchange officials with Vicksburg.

Chairman of Novi's Mayor's Exchange Day activities is Mrs. John Roethel, assisted by Mrs. Ronald Birou and Mrs. Leonard Karevich. Co-chairing Wixom's festivities are Mrs. Donald Walsh and Mrs. Melvin Green.

In Novi Mayor and Mrs. Joseph Crupi, accompanied by Mayor Pro-tem Denis Berry and his wife, will journey to St. Joseph, while the rest of Novi officials will remain behind to welcome St. Joseph Mayor and Mrs. Franklin Smith and Chief of Police Thomas Gillespie and his wife.

Mrs. Roethel has planned a full day of activities for the visiting dignitaries. After welcoming ceremonies slated for 9 a.m. at the City Hall, Novi's honored guests will be given a tour of the Novi Middle School and the Novi-Walled Lake sewage treatment plant, judged by some to be the most advanced plant of its kind in the country.

The contingent will lunch at the Village Oaks Club House and then split up with the men

Novi Announces Top 10 Scholars

Donna Lee Robertson has been named valedictorian and Laura Little has been named salutatorian of the 1972 Novi High School graduating class.

The two scholars top a class of 115 slated to receive diplomas in June commencement exercises.

The names of the valedictorian and salutatorian were released Friday by Miss Gloria Soulliere, head of the high school counseling department.

In addition, Miss Soulliere released the identity of the top ten students in the class. Previously, Novi has honored only its top two scholars.

The decision to announce the top ten was made by new High School Principal Hal J. Seymour.

Members of the top ten, listed alphabetically, are David Brenzani, JoEllen Frere, Leslie Jean Ginnell, Natalie Hare, Kevin Hesse, Kathy Stafford, Kirk Toth, and Janet Warren.

Donna and Laura staged a spirited competition for valedictorian honors. Donna's overall grade point average of 3.84 finally won out over Laura, who was a mere one-hundredth of a point behind with a 3.83 grade point average.

The daughter of Mr. and Mrs. Robert Robertson of 4401 Stassen, Donna plans to attend Ferris State College in the fall where she will work for a degree in Pharmacy.

Laura, the daughter of Mr. and Mrs. James Little, 24901 Novi Road, will attend Northern Michigan University.

Sweeps Novi, Wixom Wallace in Landslide

George Wallace is the man. That was the clear-cut decision of voters in both Novi and Wixom as they gave the Alabama governor a 3-1 margin of victory over his closest competitor in Michigan's first national primary election Tuesday.

The figures in the Wixom election were similar. Wallace received 362 of the 519 votes cast for Democrats (68 percent). McGovern received 101 votes (19 percent), polling 408 votes for 22 percent of the vote. Hubert Humphrey was third in the balloting with 188 votes (10 percent).

Novi voters concurred with the state-wide vote indicating the demise of Edmund Muskie as a presidential candidate. Muskie polled just 38 votes in Novi, while Democratic hopefuls receiving Novi votes were Shirley Chisholm (91), Henry Jackson (14), and Vance Hartke (7).

The figures in the Wixom election were similar. Wallace received 362 of the 519 votes cast for Democrats (68 percent). McGovern received 101 votes (19 percent) and Humphrey received 51 votes (nine percent). Mrs. Chisholm got nine votes, Muskie five, Jackson two, and Hartke one.

Richard Nixon was an easy winner over Paul McCloskey for the Republican nomination in both cities. The light Republican vote in both Wixom and Novi would seem to indicate many Republicans hoped receiving Novi votes were Shirley Chisholm (91), Henry Jackson (14), and Vance Hartke (7).

The figures in the Wixom election were similar. Wallace received 362 of the 519 votes cast for Democrats (68 percent). McGovern received 101 votes (19 percent) and Humphrey received 51 votes (nine percent). Mrs. Chisholm got nine votes, Muskie five, Jackson two, and Hartke one.

Four Announce Board Candidacy

Four candidates, including one 18-year-old, are seeking two four-year posts in the June 12 Novi School Board election.

Competing for the seats are incumbents LaVerne DeWard of 22771 Gilbar Drive and Mrs. Sharon Pelchat of 4190 Aspen Drive. Also filing petitions for candidacy were William A. Moak of 22718 Chestnut Tree Way and James T. Assemany of 46400 10 Mile Road.

Assemany, who is a senior at Novi High, is the youngest candidate ever to run for the Novi board.

DeWard is seeking his second four-year term of office, while Mrs. Pelchat won a one-year term last June.

ISLE OF DREAMS—That's the theme of the Novi High School's senior prom slated for Friday, May 19. Featuring a Hawaiian motif, the prom will be held at the Hawaiian Gardens in Holly and will last from 8 p.m. until midnight. Above, Judy Traynor, overall chairman for the annual spring formal, and Sue Shobe and Randy McGarry, heads of the flower and decorations committees respectively, await ticket buyers in the "Little Grass Hut", which has been erected outside the office at the High School.

For Novi Prom It's 'Isle of Dreams'

Soft South Sea breezes and swaying palm trees will provide the mood as juniors and seniors at Novi High School attend their annual spring prom Friday, May 19. "Isle of Dreams" is the theme of this year's spring formal which will be held at the Hawaiian Gardens in Holly. Music will be provided by the five-piece Allan Brass Orchestra.

Tickets, which cost \$15 per couple, include a full three-course dinner and may be purchased at the Little Grass Hut outside the office at the High School through Friday, May 12. All school board members and teachers are invited to attend the dance, but must purchase tickets, as has been the policy in the past.

The affair is scheduled to begin at 8 p.m. and end at 12 midnight. Dinner will be served from 8-10 p.m.

Chairman for the 1972 spring prom is Judy Traynor. Randy McGarry and Kim Smith are in charge of decorations; Denise DeBroule and Mr. Richard Trudeau are class sponsors.

and band committees; Debbie Moore heads up publicity; Debbie Smallwood is in charge of tickets; Kathie Chamberlain is responsible for announcements; and Debbie Longway will take charge of the favors.

Sophomores Roger Pelchat, Carol Padgett, Debbie Norton, and Eric Hansor will assist the juniors and seniors the night of the prom by taking tickets, hanging up coats, and serving refreshments.

Mrs. Jacqueline Lawrence and Mr. Richard Trudeau are class sponsors.

Are you afraid to buy a new house?

Well, relax, you are not alone. Almost everyone who buys a new house has doubts. And if you're like most people, it has to do with financing. Not knowing what to expect when it comes to mortgages and closing costs.

At NBD, we finance more homes for more people than any other bank in town. And part of the reason, we think, is that we take the mystery out of buying and financing a home.

In most cases, we can let you know about your mortgage within 10 days of application, so you don't spend weeks waiting to find out whether or not you can buy your new home.

We'll also give you a good idea of how much your total closing costs will be. So that you don't walk into any unexpected surprises when you walk in to close on your new home.

And just about everything we know, we've put into a booklet designed to answer any question you might have on buying and financing your new home.

Why not pick up your free copy.
