News Around Northville

Northville High's International Club will host an introductory session at 7:30 p.m. Thursday, May 25.

Geared to families of Northville exchange students and families interested in sending students abroad or hosting exchange students, the program will be held in the high school.

"The thought behind bringing teenage students here to the United States is so they will have an opportunity to develop an appreciation for what we call the 'American Way of Life,'" Vice Temple, high school counselor, commented.

"American students going abroad have the same kind of opportunities in reverse."

Temple said as a goal the International Club hopes to send at least one student from Northville to a foreign country each year and provide two host families.

Northville Historical Society will elect officers and also will hear experiences of the Franklin (Michigan) Historical Society in getting that area declared a historical district at its May meeting at 8 p.m. next Thursday, May 25, at the scout-recreation building.

Officers will be elected at the annual business meeting. Max Alterkuser of the Franklin Historical Society will be the guest speaker. Coffee and cake will be served afterward.

Mrs. John (Della) Gustaf of 350 Debra Lane returned home Saturday following a two-week stay in St. Mary hospital where she underwent major surgery.

"The recovery was much faster because of all of those who prayed for me and sent their good wishes," she said.

A resident of Northville of the past 13 years, Mrs. Gustaf is recuperating at home.

Marlene Buffa, daughter of Mr. and Mrs. Leo Buffa, 47201 West Nine Mile Road, has been accepted in a two-week, all-state summer program at Interlochen Music Camp. She is a student at Cooke Middle School in Northville.

Miss Grace Pollock's Main Street Elementary class will hold a paper drive at the school tomorrow, Friday.

AMERMAN QUILTERS—Surrounded by her former fourth grade students at Amerman Elementary, Mrs. Ann Haase delightedly examines the quilt they stitched for the baby she is expecting. The project was under the direction

of their new teacher, Mrs. Jane Wiegand, right. Each square is an "original" work of a student, many of whom had to learn to embroider. It was presented when Mrs. Haase visited school Monday.

Announce Engagement

MARCIA MATTESON
Mr. and Mrs. Kenneth B. Clum of Fort Lauderdale, Florida, announce the engagement of her daughter, Marcia Kay Matteson of Inkster, to E. Robert Langtry, Jr., son of Mr. and Mrs. Edwin R. Langtry, 712 Thayer Boulevard.

Both the bride-to-be and her fiancé are graduates of Central Michigan University. She also was graduated from North Farmington High School and now is teaching at Trenton High School in Trenton.

Her fiancé, a 1965 graduate of Northville High School, is associated with Reef Industries.

An August 5 wedding date has been set.

MARCIA MATTESON

In Our Town

By JEAN DAY

MICHIGAN WEEK Chairman Mary (Mrs. Donald) Ware jotted down details for next week's special events while she sat beside a Florida pool last winter.

She had received a letter from Northville's then city clerk, Martha Milne (who died last month shortly after her retirement), asking if she would consider taking the chairmanship for a second time.

She hesitated at first since they weren't coming north until the beginning of May, but officials here did the advance planning, and Mrs. Ware is serving as hostess.

The Wares have purchased a condominium—"all white wicker and bright colors"—at Stuart, Florida, 35 miles north of Palm Beach. Monday afternoon they will host visitors from Oxford and local officials at a punch-and-cookie party in their garden at 239 Hutton. (As most long-time residents know, the Wares have made an attractive garden area around their apartment complex behind Kroger's.)

As a personal touch, Mrs. Jay L. Allen, wife of Oxford's village president, and Mrs. Robert Tripp, wife of the Oxford councilman, who are visiting here Monday, will be presented with corsages made by Mrs. Ware.

She also plans to give the visitors a flowering crab tree, Northville's official tree, to take home to plant in Oxford.

STITCHING A QUILT is a major project for almost anyone, but the one designed and embroidered by fourth graders in Mrs. Jane

Wiegand's class at Amerman School was a most special effort. For some of the students (especially the boys) it required that they learn to embroider.

It was a work of friendship and pride for their former teacher, Mrs. Ann Haase. Each of the 30 squares in the crib quilt is an original work, first drawn and then embroidered by a student. Mrs. Martin Rinehart and Mrs. Peter Lindholm, mothers of two students, came to class to help Mrs. Wiegand teach embroidery stitches.

Teddy bears, fish, a happy face, a peace sign and even a football helmet decorate the squares which are signed with names or initials of the creator.

Mrs. Haase, who didn't know about the stitching project, returned to visit after Monday morning recess and received the gift from her students. She had retired earlier this year, and is momentarily expecting her first child.

Mrs. Wiegand, who took over the class, had been a substitute in the school system and is a Northville parent. She added squares inscribed "To Mrs. Haase from her class, May, 1972," and washed and pieced the quilt, giving it a floral pink-and-blue stripe backing.

When two squares arrived late from a student who had moved away and one on vacation, she created a matching pillow.

The quilt and pillow will accompany her to the hospital to be used to bring the new arrival home. Mrs. Haase promised her former pupils.

Two Recitals Slated Here

"Love, Happiness and Joy" will be the theme of the spring dance recital to be presented by students from Miss Millie's School of the Dance at 7:30 p.m. Saturday in Northville High School auditorium.

Participating will be 160 students ranging in age from 4 to 19 years. The program will include ballet, toe, tap and jazz dancing as well as baton work and singing.

The studio is located at 133 East Cady. There will be rehearsal at 3:30 p.m.

Thursday. Donation will be \$1.50 a seat Saturday.

Piano students of Mrs. Leland Mills will present a recital at 7:30 p.m. Sunday, May 21, in Northville First United Methodist Church, 777 Eight Mile Road.

The program will consist of classic compositions by Bach, Beethoven and Clementi, with special emphasis on contemporary music of Katsalovsky, Tchaikovsky and the young American Jon George.

Trip Follows Rites

Camille Joyce p.m. ceremony April 29 at Our Wojciechowski, daughter of Mr. and Mrs. S.A. The bridegroom is the son of Wojciechowski, 19691 Mrs. Jesse A. Yarber of Wayne and the late Mr. William R. Yarbrough in a 4 Yarber.

Father John Wittlock officiated at the double ring service at the altar decorated with vases of gladioli and mums.

At Meadowbrook

New Manager Aims for Top

MEADOWBROOK MANAGER—Richard J. Brennan looks over the facilities at 56-year old Meadowbrook Country Club on Eight Mile Road in Northville. He began his duties as Club manager last week, coming from Billings, Montana.

As he watched a dozen golfers cross the greens, Meadowbrook Country Club's new manager, Richard J. Brennan, in his first week on the job stated his goal of making Meadowbrook "the number one club in Michigan."

Surveying the scene from the newly carpeted main dining room of the club last Thursday, he stressed that the "club has no way to go but up," and expressed his delight in its facilities.

Brennan's appointment to the post was made the end of March. He comes from "Big Sky" country in Montana where he managed Yellowstone Country Club—"the largest in a four-state area." He had been there two years and now is returning to Michigan.

He served as general manager of Lochmoor Country Club for six years, including the period when the club was demolished and he "had the dream of every club manager to create facilities just as I wanted."

He also was assistant general manager at Country Club of Detroit for six years. Now 39, Brennan and his wife, Denise are looking for a home in the Northville area. They have one son, 11, who

will be joining them after he finishes his school term in California.

Women libbers at the club should find they have no problem with their new manager.

"We're going to cater to the ladies," he declared as he anticipated adding more functions for them. Admitting that he hadn't had time to be specific about additions or changes, Brennan said he knew already, however, that the club had remarkable women's groups.

The annual spring fashion show luncheon had been held at the club the day before, he noted, telling how he found every detail already had been efficiently checked by its chairman, Mrs. Reuben Jensen.

"It was great—I couldn't believe it," he said, "the ladies had attended to everything themselves."

"The ladies seemed to enjoy their petit filets migons," he added. Whatever food is wanted, he contended, will be available, including salads. He hopes to introduce a "western flavor" into the club menu, bringing back Montana favorites.

The pool and summer program will open Memorial Day, he said.

Brennan pointed out that the club has a full membership and is located in affluent, growing area. Expressing the hope that it will become "more and more a part of the community," he also pointed to its facilities as a reason he predicts its rise

'TASTE OF HONEY'—Two of the 97 couples attending Northville High's senior prom were Chris Lie, Rick Asher, Bob Phillips and Verna Biddle. Held last Thursday at the Raleigh House in Southfield, the evening featured comedian Paul Lennon and music by the Ron L Four.

Rich red mosaic carpeting in the dining room and cocktail lounge and deep, plush furnishings in the lounge as well as the course of the evening, he announced his appointment as new manager and cited as reasons for his assertion that the club is "the finest."

In years past such local organizations as town hall, Mothers' Club and Northville Women's Club have used the club facilities. Brennan said he hopes such organizational involvement will continue. As is the case with all private clubs, he pointed out, a club member who also is a member of the organization wishing to use the facilities must make the reservation.

Brennan said that the club has one of the most energetic boards of directors he has encountered. In most clubs, he pointed out to contrast, boards meet monthly while the Meadowbrook members have been meeting weekly.

There are two basic types of color harmony; one based on contrast, the other on relation. One color scheme, performed the service. Godparents are Mrs. G.D. Sullivan of Northville and E. J. Darnell of Royal Oak. The baptism was attended by the immediate families.

The baby was born February 9 and weighed seven and a half pounds at birth. Her paternal grandparents are Mr. and Mrs. Fred E. Crissey of Lombard, Illinois.

Auxiliary Elects Group Initiates Mrs. Widmaier Three Teachers

Mrs. William Widmaier, 12-year member and past president of Northville VFW Auxiliary to Post 4012, was elected head of the VFW Auxiliary Fourth District extending from Northville south to Grosse Ile, at a meeting May 7.

A surprise feature of the district meeting, held at the Northville VFW hall, was the attendance of Mrs. Frank Gallo of South Miami, Florida, an auxiliary member and Mrs. Widmaier's sister. Mrs. Widmaier will be installed as president of the 2,200 member district at a

department convention to be held in Grand Rapids June 15-17. The district includes part of Detroit, Westland and communities south to the Detroit River.

The auxiliary district parallels the VFW district, which is the fourth largest in the world. Mrs. Widmaier points out that members assist with the VFW National Home in East Rapids for war widows and children of veterans, help in veterans' hospitals and work with returning veterans.

Twenty-four members and three initiates of Alpha Nu Chapter of Delta Kappa Gamma participated in the initiation ritual and installation ceremony at Hillside Inn May 15.

Dinner tables were decorated with strawberry-wreathed candles and tiny baskets of flowers, each having a feather butterfly perched on it. Many members attended in formal because of the two special ceremonies.

Miss Palmer was presented the chapter past president honor pin by immediate past president, Miss Florence Keith.

New Arrivals

Mr. and Mrs. David Fisher, 424 South Main Street, announce the birth of a daughter, Shana Lee, May 14, at St. Joseph Hospital in Ann Arbor. Their sixth child weighed six pounds, five ounces.

She joins a sister, Cindy, 15, and brothers, Michael, 17, James, 14, Reed, 12, and Phillip, 8. Maternal grandparents are Mr. and Mrs. Owen Fisher of Pinckney, and paternal ones are Mr. and Mrs. William Fisher of Grand Rapids.

Stacy Tania Crissey, the first child of Mr. and Mrs. Fred H. Crissey, 200 Wing Court, was christened on Mother's Day at the Plymouth township home of her maternal grandfather, Dr. H.H. Handorf.

The Reverend Henry Welch, retired minister of Plymouth First Presbyterian Church who married the baby's parents, performed the service. Godparents are Mrs. G.D. Sullivan of Northville and E. J. Darnell of Royal Oak. The baptism was attended by the immediate families.

The baby was born February 9 and weighed seven and a half pounds at birth. Her paternal grandparents are Mr. and Mrs. Fred E. Crissey of Lombard, Illinois.

GOP to Elect New Officers

New officers of the Greater Northville Republican Club will be elected tonight, Thursday, according to Addison B. Kiine, president of the club.

Meeting at 8 p.m. in the Northville Township offices, 301 West Main Street, the club will also discuss results of Tuesday's Michigan Presidential Primary.

Further plans will also be made for a fund drive to support Senator Robert Griffin's campaign.

MRS. WIDMAIER

Receives Diploma

Ronnee J. Bell, a 1968 graduate of Northville High School, received her diploma as a graduate registered nurse from Bronson Methodist Hospital School of Nursing at exercises April 26 in Kalamazoo.

She is a member of XXI Fellowship of Christian Nurses and Michigan Student Nurse's Association.

She is the daughter of Mr. and Mrs. Walter Wilkowski of Northville and Mr. and Mrs. Ronald Bell of Farmington.

Wallace Wins Northville

A heavy cross-over of Republican voters helped Democratic Governor George Wallace sweep Northville, a GOP stronghold, in Tuesday's primary election.

Wallace polled more votes here than even President Richard Nixon, who for all practical purposes was unopposed on the Republican ticket.

The President received 905 votes (city and township) compared with Wallace's 1,396 votes.

In his race against six other Democrats on the ballot, the governor, who Monday was shot and critically wounded while campaigning in Maryland, picked up 42.3 percent of the township vote and 37.7 percent of the city vote.

Despite this strong showing, however, his margin of victory was considerably off his state-wide pace of 51-percent.

With a heavier than anticipated number of electors casting votes, (59-percent in the township, 56-percent in the city), Wallace's triumph overshadowed Senator George

McGovern surprisingly better showing than that of Senator Hubert Humphrey.

McGovern polled 22-percent in the city and 20-percent in the township, while Humphrey received only about 6-percent in each.

A proposal to permit lotteries in Michigan was overwhelmingly approved in both the city and township (1,084-319 city, 1,540-548 township).

On the only other question on the ballot, a proposal to permit legislators to resign and accept another office to which they have been elected or appointed, township voters disapproved the measure, 958-897, while city voters narrowly approved it, 708-655.

Although the tragedy that struck the Wallace camp Monday was seen as an aid to the governor's showing here, he benefited most from the Republican cross-over and his strong anti-busing stand, political observers agreed.

Whatever the reasons, Wallace turned in a convincingly better showing here than he

did in the Presidential election four years ago when he garnered 9-percent of the township vote and 6-percent of the city vote.

One of the most significant precinct results was McGovern's narrow win over Nixon in a city and a township precinct (Precinct 2 in both cases).

Overall, however, Northville voters pretty much duplicated voter preferences across the state.

Delegate winners in the city are:

City of Northville
 Precinct 1—Uncommitted Democrat Laura Hixson, and Rosemary K. Hagge for Nixon.
 Precinct 2—Republican Richard D. Rayborn for Nixon.
 Precinct 3—Democrat Angelo Chinni for McGovern, and Democrat Donald Lawrence, uncommitted; Republican Mary A. Egbert and Republican Douglas E. Waldren, both for Nixon.

Page 4-A THE NORTHVILLE RECORD-NOVI NEWS Thursday, May 18, 1972

City Pares Budget, Tax Rate

May Cut Water Bills

A small city tax reduction is in store for many Northville property owners with the pared budget and millage rate approved Monday by the city council.

Following a public hearing, the council adopted a 1972-73 budget totalling \$793,165—down nearly \$3,500 from the estimated 1971-72 figure—and fixed the millage rate at 10.2, compared with 10.3 in the current fiscal year.

According to City Manager Frank Ollendorff, the council's action means that most taxpayers in the Wayne County portion of the city will enjoy a slight tax reduction while the tax bills of property owners in the Oakland County section "will increase about 4 percent."

The difference in the two sections of the city, he explained, is reflected in the different equalization factors anticipated from Wayne and Oakland counties.

In Oakland County the city's factor is expected to increase from 1.48 to 1.55, while in Wayne County the factor may increase from 1.41 to 1.42.

Total equalized value of the city is pegged at \$32.3 million compared with the \$29.9 million figure of this current fiscal year.

In addition to the lower millage rate, Ollendorff told councilmen that it appears now that a small reduction in water rates later in the 1972-73 budget year can be made and still meet water fund necessities.

The lower millage rate reinforces the city manager's emphasis in March when, upon presenting his proposed budget for council review and change, he noted that the city's present 10.3 rate is the lowest in Wayne County.

Councilmen, who for the past five weeks have been making detailed review of each proposed expenditure within the budget, were pleased with the final product and hopeful, despite some revenue doubts, that it will be necessary to tap the budget's contingency or public improvement monies.

Ollendorff sees the budget as the lowest possible without creating a deficit.

One of the revenue sections that remains in doubt is \$10,000 in state allocations included in the budget, that, according to Ollendorff, has a 50-50 chance of reality.

However, Mayor A.M. Allen and Councilman Kenneth Rathert expressed confidence

Michigan Week

Salute to Oxford

First official Michigan Week activity in Northville will be the traditional early-Saturday-morning washing of downtown streets by city

MARVIN ESCH MARVIN STEMPIEN

Esch-Stempien?

Although he was unavailable for comment and his Lansing staff was non-committal, Representative Marvin Stempien appears likely to pitch his hat into the Congressional ring.

Reshaping of Republican Congress Marvin Esch's Second District to include most of Stempien's hometown Livonia was "custom-built" for the former Northville city attorney, many politicians contend.

The Democratic representative, a House Democratic leader, serves Northville.

Republican Congressman Esch, whose district presently includes Northville Township but not the City of Northville, suffered a major blow last week with the reapportioned congressional districts announced by Federal Judge Damon Keith.

Although a last-ditch effort to hammer together an alternate congressional districting plan in the state

hall at 9:30 a.m. Monday visitors will be welcomed officially. The flag will be raised by the city police assisted by senior girl scouts and their leader, Mrs. Charles Lapham.

Afterward the guests will have welcoming coffee and rolls at Kerr House, the senior citizens' center, with the Northville Jaycees under the chairmanship of Mrs. Peter Lindholm as hostesses.

Mrs. William Canfield of Northville Historical Society will tell of the society's plans, display its books and its topographical model of the historical site which will house the old library and Greek Revival home.

Mrs. Beatrice Carlson, representing the beautification commission, will show its scrapbooks.

After a luncheon at noon at the Northville Presbyterian Church hosted by the Northville Rotary (see story on page 6-C) visitors will tour the Northville Downs with John Carlo and Northville Laboratories with Paul Newman.

Guests will be entertained at 3:30 p.m. by Michigan Week Chairman, Mrs. Donald Ware, and her husband at their home for punch and cookies before they return to Oxford.

They will be joined in Oxford later in the evening by City Manager and Mrs. Frank Ollendorff and Mrs. Vernon. Oxford is planning a banquet for 200.

Seven Vie For Three School Seats

Seven candidates will vie for three seats in the June 12 Northville School Board election.

Running for one two-year term are incumbents Dr. Orlo J. Robinson of 718 West Main Street and Martin L. Rinehart of 552 Reed Dr. Robinson is seeking his second four-year term while Rinehart won a one-year term last June.

Also filing for the four-year seats are Richard M. Lysinger of 4185 Banbury Road and Mrs. Lynn A. VanderMolen of 18595 Jamestown Circle.

Running for one two-year term are Mrs. Sylvia O. Gucken of 307 Sherrie Lane, Dr. Robert M. Mandell of 18558 Jamestown Circle and Angelo A. Chinni of 300 Sherrie Lane.

Mrs. Gucken and Chinni were successful candidates for school board posts last year.

The two-year term was created by the resignation of the Reverend Timothy C. Johnson and has been filled by B. William Secord who did not seek election.

Also on the June 12 ballot will be a request for a one mill for one year increase in the operation tax levy, a \$750,000 bond issue and one mill for an indefinite number of years to finance a Wayne County vocational-technical center.

'72 Reappraisal Slated in City

A city-wide reappraisal program in Northville has been ordered by the city council as a means of heading off spiraling equalization factors.

The reappraisal, to be conducted by Wayne and Oakland counties, is expected to be completed within the next fiscal year—well in advance of the county handling down equalized valuations in the spring of 1973.

City officials are hopeful reappraisal will reduce the

volunteer firemen in preparation for the visit Monday of Oxford Village President and Mrs. Jay L. Allen and Councilman and Mrs. Robert Tripp.

Also scheduled for this Saturday, Civic Pride Day, are refurbishing of barrel planters on downtown sidewalks and trash removal from roadsides by volunteer groups.

Following Spiritual Foundations Day, observed in local churches Sunday, will be Mayor's Exchange Day Monday.

As Oxford officials arrive from the Oakland County community located about 10 miles north of Pontiac, Northville Mayor A. M. Allen and Councilman Paul Vernon will visit Oxford. Accompanying them will be two Northville High School students, Robin Couse and Bruce Maher.

Two Oxford students will be in the official party visiting Northville.

At the flag-raising at city

Two Seek Post Of Supervisor

Two men have filed petitions to run for the post of township supervisor in the August 8 Northville Township Primary.

They are Lawrence A. Wright of 40241 Fairway Drive, running on the Republican ticket; and Michael P. Fricke of 18386 Jamestown Circle, running on the Democratic ticket.

Deadline for filing petitions is 4 p.m. Tuesday, June 20, according to deputy clerk Margaret Tegge.

Up for election are two-year terms currently held by

Supervisor Gunnar Stromberg, Treasurer Joseph Straub and Clerk Eleanor Hammond.

Both Stromberg and Straub have indicated they will not seek re-election.

The two-year terms for trustee, currently filled by Bernard Baldwin and Richard Mitchell, are also up in the August 8 primary.

Petitions are available at the township office, 301 West Main Street, daily from 9 a.m. to 5 p.m. A minimum of 11 and maximum of 40 signatures are required on the petitions, Mrs. Tegge said.

NEWS BRIEFS

DOWNTOWN SALE OF POPPIES, sponsored locally by the VFW and American Legion posts and their auxiliaries, begins today and extends through Saturday. Proceeds from the sale aid disabled veterans, the Veterans National Home for Orphans, and help replenish the welfare fund of various veterans organizations.

BIKE LICENSES for township residents have been reduced to 75 cents from \$1.50. The price cut, approved last week by township trustees, is effective immediately for the remaining year for which the two-year licenses cover.

'JOIN J-TEENS' is the invitation from the Northville Jaycees to all young people in the community between 13 and 17 years old interested in "organizing effectively for the betterment of their community and at the same time having an outlet for social activities." The proposed J-Teen Club will be explained to interested teens at a meeting at 7 p.m. Thursday, May 25, in the city council chambers, or teens may call Pete Magnan, 349-4328, or Arlen Westling, 349-5886.

CITY PLANNERS were expected to act yesterday (Wednesday) on the site plan of the historical village proposed by the Northville Historical Society on the Ford property being donated to the city.

The board of appeals has already approved the moving of the old library building and a Main Street house to the site. Meanwhile, the mover reportedly is awaiting only the site approval before beginning the task of moving the two buildings.

CLASSROOM SERVICE—Congratulating Miss Margaret Sours, left, and Miss Ada Fritz, center, is Mrs. Ann Chizmar. The teachers received certificates last Thursday for service to Northville Public Schools. Miss Sours has been with the district for 25 years and Miss Fritz, 30 years. Mrs. Chizmar received a 30-year award last year.

19 Receive Honors For School Service

Sixteen teachers and three administrators were honored last Thursday at a luncheon sponsored by the Northville PTA Area Council and school PTA organizations.

The 19 were cited for a combined 160 years of service to Northville Public Schools. Receiving a certificate for 30 years of teaching was Miss Ada Fritz, fifth grade instructor at Main Street Elementary.

A 25-year certificate was given to Miss Margaret Sours, second grade teacher at Main Street.

Roy Peterson, high school art instructor, was honored for 15 years of service, while 10-year certificates went to Superintendent Raymond Spear and Mrs. Eunice Martin, first grade teacher at Main Street.

Receiving five-year certificates were Robert Benson, personnel director; Earl Busard, business director; Mrs. Coral Adams, fifth grade teacher; fifth grader teacher George Berryman, instrumental music director at Cooke Junior High; and Mrs. Joyce Brodren, second grade teacher at Moraine.

MIDDLE MAN—Northville's Phil Jerome happily accepts a \$100 check from Kroger Manager Donald Puckett. The prize is one of many ranging from \$1 to \$1,000 being offered in Kroger's Gamergama contest. In spite of Jerome's smile, however, he is only the middle man in this particular instance. He is accepting the check on behalf of his sister Jane, who is finishing her senior year at Alma College.

Nix Rezoning For Multiples

Northville Township Trustees upheld a recommendation from the planning commission to deny a rezoning request to from Greenspan Building Company to permit construction of 98 multiplex units.

The decision was handed down by trustees May 9. Only Supervisor Gunnar Stromberg dissented.

Greenspan, who requested the zoning change from single family use for 16 acres on Five Mile and Robinwood, planned to construct four-family units buffered on Robinwood by nine single family homes.

Citizens appearing at the meeting objected to the rezoning request, noting they feared their property values would decrease.

They also said when they purchased their homes in Greenspan subdivisions north of the area in question, they were told the land would be used for single family homes.

Spokesmen for Greenspan, who at previous meetings said one of the main factors in requesting the change was for economic hardship, did not mention economics as a reason May 9.

However, spokesmen for the developer cited several court cases in which multiple zoning has been upheld over single family zoning and called multiples a "favored use."

"The shoe is now on the other foot," he told trustees. "It is up to you to prove why multiples are not a good use."

Although the developer said multiples would provide a transition to the area, trustees maintained rezoning for apartments, granted in 1966, served as adequate transition.

Trustee Bernard Baldwin said, "Six years ago single family was seen as the best use. Time cannot change that. We must think beyond the petitioner's request and think of the area as a whole."

In denying the request, trustees noted:

- single family use, as zoned, is sound land use for the parcel;
- the petitioner had, in 1966, requested and was granted multiple use east of the area for transition to single family homes and the zoning granted provided an adequate solution, not requiring another transition area;
- proposed changes (single family buffer) are an improvement but still represent penetration into single family area; and
- economic hardship argument previously stated was not persuasive.

Take Police Applications

Township police are taking applications for patrolmen, Chief Ronald Nisun announced this week. Deadline for filing the applications is June 15.

Chief Nisun, who said the applications will be used to establish an eligibility list, noted persons must be 21 years old when they apply.

Applicants must be at least five-feet eight-inches tall, US citizen, resident of Michigan for at least two years, live within a six mile radius of the township, have a high school or GED diploma and be in good physical condition. Maximum age is 32.

Persons interested in applying for patrolmen may obtain the necessary forms from the township police department, 301 West Main Street.

MORAINES FAIR—Displaying works which will be shown tonight (Thursday) at Moraine Elementary's art fair are (left to right) Cathy Howarth, Mark Weickel and Grant Ussel with art teacher Mrs. Gail Raben. The art exhibit opens at 6:15 p.m., followed by a vocal music program and short PTA meeting.

Potluck Takes Foreign Theme

More than 200 sixth graders and their families spent last Friday evening, May 5, at an "International Evening" given at Novi Middle School cafeteria.

With the cafeteria converted into a foreign restaurant, the evening included entertainment by students playing international tunes and dancing.

The pot luck dinner included dishes representing many foreign countries and students wore costumes representing the countries they cooked for.

Under the guidance of Joan Pahlam, Ruth Crawford, Fran Kontos and Betty Adams, the students also prepared displays from the various countries.

NOVI HIGHLIGHTS

MA 1-0173
By JEANNE CLARKE
Mr. and Mrs. Brad Burnham (former Denise Dinsler) are proud parents of a baby boy, born May 10 at Batford Hospital. He weighed seven pounds. Grandparents are Mr. and Mrs. Pat Dinsler of Echo Valley and Mr. and Mrs. Gerald Burnham of Nine Mile Road.

David Lee King is the new member of the Lee King Family on Stassen Street where he joins a sister Karin. David was born on Saturday, May 13 and weighed 8 pounds 7 ounces. His grandparents are Mrs. Newton of Detroit and Mr. and Mrs. Le Roy King of Seven Mile Road.

Mr. Glen Salow, Sr. of Taft Road is a patient at Botsford Hospital where he is in Room 408 A.

Mr. and Mrs. Ralph Beebe have as their guests Mr. and Mrs. Eldred Beebe of Lehigh Acres, Florida, who came North to be present at the wedding of their grandson Jerry Beebe and Donna Brown on Saturday, May 13 at First Baptist Church, Northville. While here, they are also with their great granddaughter Karrie Lynn who is two months old. She is the daughter of Mr. and Mrs. Gary Carr and was born on Saturday to the former Marilee Beebe.

Mrs. Helen Skeltis of Marston has returned home after being in Bosford Hospital for 15 days.

Mrs. Marie La Fond had Mothers Day breakfast at the home of her daughter, Mrs. Conrad Koneskney of Twelve Mile Road, and Mothers Day dinner at the home of her daughter, Mrs. Pat Schultz.

Mr. and Mrs. John Klasmann of Beek Road have returned home following a winter in Dunedin, Florida. They had company over the weekend to celebrate Mothers Day.

Mr. Gerald Moss of Newcourt Street is in critical condition at Pontiac Osteopathic Hospital.

Last weekend, Mr. and Mrs. Ralph Beebe and daughter Cheryl attended the dedication of their granddaughter, Karrie Lynn Carr, at Emmanuel Baptist Church, Pontiac. Also attending were the baby's godparents, Mr. and Mrs. Roy Shupe and daughter Debby, former residents of Novi.

Roy Rule of Northport Street has returned home from Detroit Osteopathic Hospital.

Mr. and Mrs. Al Wagoner of Mauldin Street is moving to Wyandotte soon.

Mrs. Jennie Wade, former resident of Novi, had dinner at the home of her son, George Wade of Farmington.

Mr. and Mrs. Homer Kent of Novi Road have as guests Mrs. Kent's sister, and her husband, Mr. and Mrs. H.L. Hook of Columbia, South

DENTAL HYGIENE CLINIC—Believe it or not, these youngsters at Novi's Orchard Hills Elementary School are learning all about dental hygiene, but they're doing it the easy way — by watching a puppet show. The show is presented by an organization of wives of Detroit dentists. Sponsored by the Novi Jaycees, the show was presented at each of Novi's three elementary schools.

19a 17:30 p.m. at the Highland Park Baptist Church. Speaker will be the Reverend Wilfred Bellamy. Roy Frink, missionary interne last year, will be the Sunday morning speaker on May 21 at the church at the film, "For Pete's Sake!", will be shown in the evening at First Baptist at 7 p.m.

On Saturday, May 20, a Youth on the March Rally will be held at Gilead Baptist Auditorium. Special guests will be Vonda Kay Van Dyke and Gary Moore plus the Dave, Bob and Mark Trio. Bus transportation will be available from the church parking lot. Admission is free but a fee-will offering will be accepted.

Novi Girl Scouts
A Farmington-Nowi Area meeting is planned May 22 at Camp Narrin from 10 a.m. to 2 p.m. Lunch will be served. Reservations must be made with Dorothy Piliot at 5275 Cold Spring Circle, Birmingham as they are required. Car pools will be formed at Orchard Methodist church. This is a good opportunity for leaders to see the facilities at Camp Narrin so wear comfortable clothes and be prepared to look around, officials advise.

Adults are still needed as day camp counselors. Interested persons should contact Shirley Brooks at 349-5377 for the Camp Arapahoe II session.

Other upcoming activities include Girl Scout day at Bob Lo on June 15. Contact the Girl Scout office for information or send a self-addressed stamped envelope. Also, information is available for hayrides.

Mrs. Eva Behrendt of Meadowbrook Road, 84, celebrated Mothers Day by cooking dinner for about 20 of her relatives. Her guests included Mr. and Mrs. Michael Rolland of Westland and their five children, Mr. and Mrs. Rolland, Sr., Mrs. Carolyn Quinan of Royal Hills Chapel on Novi Road; George Atlas, city manager; and Mrs. Ellsworth, music teacher from the middle school.

The Police Officers Association thanked those "who contributed to this program either by participation or by any other way. All the acts were very good and it was extremely hard to make a decision."

First Baptist Church
Special music in the morning worship service were selections by guest soloist James Parsons and Judy Wilenius who sang, "My Mother's Love." A tribute to mothers were pot-pourri given to the oldest mother, Mrs. Beverly White, and mother with the most children present, Mrs. Janet Kurin.

Phillip H. Baynes, who will graduate from Columbia Bible College May 29, has been called to join the staff at First Baptist to serve as youth pastor and Christian education director. He and his wife, Jan, will arrive early in June.

The Mother-Teacher Tea on Friday evening drew approximately 180 present guests. Speaker was Marilyn Barnes of Normal, Illinois. Theme was "Wells of Living Water." Guest soloist was Mrs. Jeanette Schuermann of Illinois. Special recognition was given to the oldest mother, Mrs. Norma Graham; youngest mother present, Mrs. Karen Field; newest first-time grandparent, Mrs. Iris White; and youngest daughter present, Holly Rene Slader. Serving and babysitting was done by the Men's Fellowship, Chuck Stewart, president.

The baseball team is undefeated in three starts this season. Games this week will be on today (Thursday) at 6 p.m. at Walled Lake Junior High, and on Tuesday, May 23 at 6 p.m. Participants must be 13 years of age and regularly attend to be on the team, according to manager Rich White.

Other coming events of the week include the Missionary Internship Farewell on May

Carolina. The Hooks visited Holland, Michigan on Sunday to see the tulips in bloom.

Mrs. Anna Gargalino of East Lake Drive returned home recently from St. Joseph Hospital.

Mr. and Mrs. Russell Race of Twelve Mile Road have rty from

Mr. and Mrs. Russell Race of Twelve Mile Road have returned home from Bradenton, Florida where they spent the winter months.

Mrs. Donna Eshell had Mothers Day dinner with her grandmother in South Lyon.

Several Novi residents attended a bridal shower for Patsy Davis on Saturday night at the home of Mrs. Marvin Guntviller in Brighton. Pat will be married to Voss Guntviller on July 1. The show was given by Mrs. Lana (Whistle) Sova.

Mr. and Mrs. Conrad Koneskney of Twelve Mile Road have returned home from spending the winter in Vanita Springs, Florida.

Mr. and Mrs. Raymond La Fond are spending some time with Mrs. Marie La Fond of Twelve Mile Road as they are on their way back home to Wildwood, Michigan after spending some time in Florida. They will be visiting friends in the Novi area for a few days.

Mr. and Mrs. Anthony Skeltis of Marston spent this weekend at Camp Port Austin perch fishing their son and daughter Jim and Penny accompanied them.

Any organization using the Community Building facilities are asked to return any materials for the home making shop, and the make-up lady needs vaseline, bobby pins and large powder puffs.

Pack 54
Novi Elementary School Fathers and Cub Scouts are reminded of the Pie Baking Auction and of the pack meeting, which has the theme "Keep America Beautiful", on Friday, May 19 at the Community Building at 7:30 p.m.

Novi Boy Scouts
Twenty boys and their adult counselors will be leaving on Friday at 7 p.m. for Camp Dearborn. They will camp in tents, cook their own food and return Sunday at 3 p.m. Additional fathers are needed to help. Contact Mr. Harrison for details at 349-0486. While at the camp there will be a raffle of a deer rifle in connection with the club's Gala Days activities.

Pack 240
Orchard Hills School Everyone is reminded of the pack meeting on Thursday night. Other activities of the month of May include participation in the Memorial Day Parade on May 29th. All boys will be in full uniform to meet at the Novi Cemetery at 9 a.m. On May 31 there will be a committee meeting at the DeBake residence.

Novi Jaycee Auxiliary
Two new members were installed at the last meeting—Joan Hemker and Joan Kriewall.

They may be taken to the school, or contributors may contact any of the above persons. Needed are plants for the plant room, white elephants, cakes and pies for pantry shop and cake walk, one-half yard to 1 1/2 yard material for the home making shop, and the make-up lady needs vaseline, bobby pins and large powder puffs.

NOTICE OF PUBLIC HEARING CITY OF NOVI, OAKLAND COUNTY, MICHIGAN
NOTICE IS HEREBY GIVEN that a Public Hearing will be held to consider a proposed amendment to the text of the Zoning Ordinance No. 18, of the City of Novi, to include the following changes:
...AN ORDINANCE AMENDING SECTION 19.02 OF ARTICLE XIX SECTION 20.02 OF ARTICLE XX, AND SECTION 21.02 OF ARTICLE XXI OF ORDINANCE NO. 18 OF THE CITY OF NOVI, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF NOVI.
...THE CITY OF NOVI ORDAINS:
...PART I. That Section 19.02 of Article XIX, of ordinance no. 18, known as the Zoning Ordinance of the City of Novi, is hereby amended by the addition of the following paragraph:
...5. For indoor tennis courts, roller skating rinks, and ice skating rinks.
...PART II. That Section 20.02 of Article XX of Ordinance No. 18, known as the Zoning Ordinance of the City of Novi, is hereby amended with the addition of the following paragraph:
...6. For indoor tennis courts, roller skating rinks, and ice skating rinks.
...PART III. That Section 21.02 of Article XXI of Ordinance No. 18, known as the Zoning Ordinance of the City of Novi, is hereby amended by the addition of the following paragraph:
...Section 21.02. (b) For indoor tennis courts, roller skating rinks, and ice skating rinks.
...This proposed amendment would permit indoor tennis courts, roller skating rinks and ice skating rinks in M-1 Light Manufacturing Districts, M-2 Restricted Manufacturing Districts and M-3 General Manufacturing Districts.
...NOTICE IS FURTHER GIVEN THAT this hearing will be held at 8:00 P.M., E.S.T. Or as soon thereafter as the same may be reached at the Novi Community Building, 26350 Novi Road, Novi, Michigan, 48050.
...A complete copy of the proposed ordinance may be examined at the office of the City Clerk, 23850 Novi Road, Novi, Michigan, 48050, during regular office hours until the date of the hearing.

Pursell's District Divided

Senator Has Three Options

His district sliced into three parts, Republican Senator Carl Pursell has not yet decided in which of the three he will seek re-election. Under the legislative redistricting plan handed down by the Michigan Supreme Court, Pursell's 14th district has been divided roughly into three areas:

Southern section, including all of Northville in Wayne County, his hometown of Plymouth, Livonia, and extended to include Democratic Redford and Westland precincts.

The southern tier of Oakland County communities, including Oakland portion of Northville, Novi, Wixom and South Lyon.

The northern part of Oakland County.

Pursell reportedly is studying closely political makeup of each of these three areas before deciding his next move.

With two years to serve on his current term, the freshman senator appears to have plenty of time in which to make his decision.

However, a court suit has been started challenging the right of incumbent state senators to remain in office for the next two years when their districts have been changed.

If successful, Pursell and other state senators would have to stand for election later this year.

The court's Democratically engineered redistricting plan purposedly added Redford and part of Westland to Pursell's "southern" district to thwart his re-election bid there.

Republicans argue. Nevertheless, some of his political advisors see his proven strength in neighboring Livonia as a definite advantage that could nullify difficulties he might encounter in Redford and Westland, which are seen as favoring a Democrat.

Furthermore, a closer look at the other two sections of his present district indicate that his chances there do not appear to be much better than in Livonia.

Concerning redrawing state House of Representative districts, no significant political composition changes are seen here.

The 6th District of Republican Representative Clifford Smart, although changed substantially in the northern part of Oakland County, still includes the Oakland County portion of Northville, Novi, Wixom and South Lyon.

And the 35th District of Representative Marvin Stempien, who is seen as a likely candidate for Congress as a result of congressional redistricting, still includes Northville (Wayne County section) and Northville Township.

Should Pursell decide to seek election in one of the Oakland County sections of his redrawn district he must take up residency there.

Concerning redrawing state House of Representative districts, no significant political composition changes are seen here.

The 6th District of Republican Representative Clifford Smart, although changed substantially in the northern part of Oakland County, still includes the Oakland County portion of Northville, Novi, Wixom and South Lyon.

And the 35th District of Representative Marvin Stempien, who is seen as a likely candidate for Congress as a result of congressional redistricting, still includes Northville (Wayne County section) and Northville Township.

Esch vs. Stempien?

Congressman Jack McDonald and Governor William Milliken, all Republicans, have been extended westward to take in the eastern tier of townships in Livingston County—including the City and Township of Brighton and Green Oak Township.

As redrawn, the 19th District remains predominantly Republican.

However, veteran Republican Congressman William Broomfield's district has been chipped up to create a new one, and the congressman reportedly is considering the possibility of battling McDonald for the GOP nomination in the 19th.

If that happens McDonald, despite his previous showings, could be in trouble.

That's where other banks that try a part-time imitation of our six-day-a-week, 9:30 'til 4:30 hours fall short. But at West Oakland Bank, every bank service is available to everyone...every hour we're open.

Why put up with complicated schedules or incomplete service? Bank at the six-day-a-week bank with 101 services and 9:30 'til 4:30 hours...including those busy Saturdays.

Stop by West Oakland Bank any day of the week except Sunday (and holidays) and you'll find us open...til 4:30 p.m., including those busy Saturdays and 'til 6 p.m. on Fridays. That's why we're known as the six-day-a-week bank.

And at West Oakland being "open" means that from 9:30 'til 4:30 six days a week you can cash checks, make deposits or withdrawals, apply for a loan, or take advantage of all of our 101 services.

Church to Show Film on Sunday

"For Pete's Sake!", a full-length comedy-drama film, will be presented Sunday evening at the First Baptist Church of Novi.

The Eastmancolor film by World Wide Pictures will begin at 7 p.m., and the Reverend Arnold Cook extends an invitation to anyone in the community to attend. No admission will be charged.

Financed entirely on location in Denver and the Colorado Rockies, "For Pete's Sake!" is the story of Pete Harper, a family man at a service station owner, who is shocked flat by unexpected problems but finds strength to stand up again to face life anew.

It stars Robert Sampson, who also starred in the "The Restless Ones, and Pippa Scott, who is well-known for her Broadway appearances and numerous television roles.

"For Pete's Sake!" is a family film, not only because it is good family entertainment but because through its storyline families can see and feel exactly what is needed to develop deeper understanding and build stronger ties, according to Mr. Cook.

Speaker Previews YRS Experiment

GEORGE JENSEN

"Excitement in a New School Calendar" will be the topic of George Jensen's keynote address Wednesday, May 24, at a general community meeting on the experimental year round school program.

Sponsored by the Year Round School Steering Committee, the meeting begins at 8 p.m. in Northville High auditorium. Jensen is organizer and present chairman of the National School Calendar Study Committee, a non-profit volunteer organization created in 1960 to encourage nationwide investigation and discussion of the present school calendar.

The meeting will include an explanation of the school district's proposed state sponsored, Federally financed, experimental program and explain how it could affect Northville families. Northville's program will include 150-250 volunteers in grades kindergarten through five. Conducted at Amerman Elementary, the program will begin July 31. In operation will be the 45-15 plan, alternating 45 days of school with 15 days of vacation.

Jamboree Set Friday

It'll be time to hitch up your holsters, saddle up "old Paint," and mosey on over to the Country Jamboree at Orchard Hills Elementary School Friday, May 19. Sponsored by the Orchard Hills Booster Club, the

Jamboree will begin at 6 p.m. and last until 9 p.m. The school cafeteria will be converted to resemble an entire Western town in keeping with the theme of this year's fair. Featured will be a pancake

supper. Prepared by Wallace Johnson, a professional pancake maker, the supper runs from 5-7 p.m. Tickets cost \$1.25 for adults, 75 cents for students, and 50 cents for pre-schoolers and entitle the bearer to all he can eat.

Arson Suspected Early Morning Flames Gut Northville Laundry Building

Arson remained a possibility Wednesday morning as investigators probed the ruins of Ritchie Brothers Laundry-Cleaners in the wake of the pre-dawn blaze that destroyed the building and contents.

A state fire inspector was on the scene at daybreak but had not yet reached any conclusions about the cause of the fire at press time.

Northville Police Lieutenant Louis Westfall indicated arson is a possibility but he awaited the inspector's findings before issuing any formal statement.

"By the time I arrived minutes after the fire was reported at 1:35 a.m., flames had broken through the roof

and out the windows on the north, south and west sides of the building," said Westfall, who also serves as assistant fire chief.

Westfall, who lives a short distance away, was the first fireman to arrive at the scene. The building—what is left of it—is located at 331 North Center Street, several doors north of Randolph Street on the west side of Center.

The fire appeared to have started in the rear of the main building or in the attached rear garage where two panel trucks were parked. Both trucks were destroyed.

About all firemen could do was prevent the raging flames from spreading to adjacent houses. The house on the south side of the building, where the Tagman business is

located, was undamaged except for windows that "popped" in the searing heat. Paint on the house also was blistered.

Some 35 firemen from Northville, and the city and township of Plymouth battled the fire.

All of Northville's fire fighting equipment was present. Two aerial trucks and a pumper were pressed into service from Plymouth.

Small sections of the building were still smoldering at 7 a.m., and several Northville firemen, including Westfall, were still on the scene.

Tons of water were poured on the stubborn blaze from three sides. Flames ate from the rear to the front of the building,

"By the Time I Arrived... Flames had Broken Through the Roof"

—Lt. Louis Westfall

BACK FROM WASHINGTON, D.C.—Mrs. Ruth Watson and her fifth grade class at Nov's Village Oaks Elementary School were back in their classroom Monday after taking a rather unique field trip the previous day. Mrs. Watson and 27 fifth graders boarded a National Airlines jet Sunday morning and

flew to Washington, D.C., where they toured the Senate chambers, Arlington National Cemetery, John F. Kennedy's grave, the Lincoln Memorial, the Washington Monument, and the Smithsonian Institute before returning home that evening.

Fifth Graders Tour Capitol

Fifth graders at Nov's Village Oaks School had quite an experience last week. At 7 a.m. Sunday, May 7, they boarded a United Airlines jet liner at Detroit's Metropolitan Airport and flew to Washington D.C. for a day of sightseeing, only to return home that evening in plenty of time to be bright and chipper in school Monday morning. "It was quite an experience, there's no doubt about that," said Mrs. Ruth Watson, the children's teacher. "There's no better teacher than personal experience and these children had an opportunity to experience first-hand the things they've been studying all year."

The trip was the brainstem and the result of a lot of work on the part of some of the parents of children in Mrs. Watson's class. According to Mrs. George Kelley, one of those parents, the idea began when she was approached by another fifth grade mother, Mrs. Timothy Hensel. The two carried their plan to VOICE, Village Oaks' Parent-Teacher Association, where school administrators rejected it as a school-sponsored activity, but at the same time let it be known that if the parents wanted to sponsor such a trip as a group of private citizens, they were within their rights. And the wheel started turning. Spearheaded by the efforts of Mrs. Marlene Spielman, the plan quickly began to take shape. Travel bureaus were checked, reservations were made, and all year."

Aruba Tops Vacation

By NANCY DINGELDEY

As my daughter remarked after viewing the aftermath of the first two hail storms on Mother's Day, "Gee, somebody must have made Mother Nature awfully mad..."

The girls of Mrs. Christiana's first grade class at Wixom Elementary may have had "their day" during Easter vacation when their teacher, Mrs. Betty Taylor, took them on a picnic.

The flight to Aruba, which took five hours, marked Mildred's first commercial try at "wings" and although she suffered a slight case of "malaise" on the way down she's now a confirmed flyer.

For Marjorie and Jerry Narragon along with Jeanne and Dennis Andrews of Hopkins Drive and two other couples loaded in a station wagon, theirs was a different kind of trip but equally enjoyable.

Aruba is known for its miles of beautiful beaches and skiing, diving among other things. Mildred and Ken did not see the snorkel masks but enjoyed the water looking through a glass bottom boat.

Police Blotter

Nab Escapes in Car Theft

In Northville

Three escapes from the women's division of Detroit House of Correction have been charged with car theft after forcing a Detroit man from his car Sunday near Wayne County Training School.

Arrested on the charges Monday and remanded to Wayne County Jail without bond were Patricia Lindsey, Doree Cantieri and Connie Johnson, all of Detroit.

City police received a call from Wayne County Sheriff's Department about 10:30 p.m. that three women, pursued by sheriff's car, were headed northbound on Sheldon Road (Center Street).

The cars were spotted by city police who were waiting at Sheldon and Seven Mile roads and joined the chase. The escapes' car ran red light at Seven Mile, Main Street and Eight Mile.

County sheriffs shot at a woman the car north of Eight Mile, the driver lost control and ran into a ditch on the east side of the road.

The three were arrested and taken to the county jail. Sheriff's department spokesman said the three escaped about 5:15 p.m.

They and stole the car shortly after that time. None of the women was armed.

Two tires and chrome mag wheels were stolen from a garage at 317 Ely Drive North. Police said the theft of the items, valued at \$300, occurred between 5 p.m. Sunday and 9:30 p.m. Monday.

Police are investigating a break-in at a model home at 977 Springfield Drive in Lexington Commons North. The break-in was reported about 8 a.m. Saturday. Police said a window of the home was broken and foot prints in the mud indicated someone had run from the home.

Nothing was found missing. Michael P. Chernavagh and Wade J. Prolisec, both of Detroit, waived examination Monday before 51st District Judge Richard L. Hammer sitting in 35th District Court and were bound over to Wayne County Circuit Court.

No charges will be pressed, police said, because she is already serving time in jail. FIRE CALLS May 9 - 4:58 p.m., Highland Lakes and Griswold, grass fire. May 10 - 9:36 a.m., Eastlawn Convalescent Center, grass fire.

May 10 - 3:39 p.m., Highland Lakes, garage fire. May 11 - 10:41 a.m., assist Salem Township with grass fire along railroad tracks. May 11 - 4:19 p.m., Windsor Court in Highland Lakes, building fire.

COURT NEWS Gary E. Bills of 190 East Main Street pled guilty to an added count of entering without permission and sentencing was deferred up to one year.

He also was placed on one year supervisory probation. Bills, arrested April 24 by city police, had been charged with breaking and entering a garage and the chase.

The charges stem from a break-in April 18 in which a mini-bike and go kart were stolen. Bills appeared in court Friday before 47th District Court Judge Michael Hand of Farmington who heard the case.

In district court May 5, Tippy Potter of 226 Wixom Road pled guilty to no operators license ever acquired and was sentenced to eight days in Detroit House of Correction.

Potter, arrested by city police September 11, 1971, was ticked up on a warrant May 5 for failing to appear in court on the charge.

On May 8, Alfred Pruess of 1908 Hopkins in Wixom pled guilty to failing to stop in assured clear distance causing an accident and was fined \$19. He was ticked by city police April 10.

On May 9, Calvin C. Hopkins of Detroit was fined \$54 on a charge of drunkenness. Hopkins, arrested by city police January 10, was found guilty of the charge by a jury April 28.

Fred W. Swarthout of Walled Lake was placed on six months voluntary probation and ordered to pay \$100.00.

They knocked on the door they were refused entry. They then left the location and contacted the Oakland County Juvenile Court, the Oakland County Sheriff's Department, and the girl's mother, who was summoned to the Novi address.

When the girl's mother had made a positive identification, Grubb and Pratt again knocked on the door requesting permission to enter. When the permission was again denied they kicked in the door and recovered the missing girl.

Two arrests were made. Jesse Irwin Kidd, 49, and Ralph Kidd, 50, were issued a warrant charging them with contributing to the delinquency of a minor.

The girl was turned over to the Oakland County Youth Home. Under ordinary circumstances, kicking a door in without a search warrant is illegal, Detective Lieutenant Richard Faulkner reported.

"When certain conditions exist, however," he continued, "officers can make a forcible entry. That's what happened last week. Grubb and Pratt developed a positive cause and went in and recovered a run-away juvenile."

"It was excellent police work," commented Chief Lee Be Gole. William Alfred Deere, 32, of Southfield was arrested on charges of driving under the influence of liquor and carrying concealed weapons last week.

Deere was apprehended when police received a report of a vehicle being driven in a highly reckless manner. They found the described car in a ditch on the entrance ramp to the I-96 expressway.

Novi police recorded a total of 188 accidents during the first four months of 1972, according to Corporal Frank Barabas of the Uniform Division. Included in that figure are 113 property damage accidents, 33 personal injury accidents, 16 non-fatal accidents, and one fatal accident.

Barabas also indicated that a break-in of a home Pickford was solved last week by township police. An employee of a service station in the area notified police of the car abandoned in a field. Through checking, the vehicle was found stolen from Livonia earlier the same day.

Following a pre-sentence investigation, Charles K. Paquette of Livonia was placed on one day voluntary work detail and ordered to pay supervisory costs. Paquette, arrested April 18 by township police, pled guilty to a charge of discharging firearms.

They had no search warrant when they kicked in the front door of a residence last week, but Novi police were completely justified in what they did and actually received a letter of commendation from the Oakland County Prosecutor's Office for their handling of the case.

On Sunday, May 7, police received an anonymous phone call reporting a 14-year-old female run-away from Union Lake was at a residence at 1813 East Lake Drive. Officers Jack Grubb and Gerald Pratt drove to the residence and observed the girl inside the house, but when

SUMMER & FALL ENROLLMENTS River Road Children's Nursery is now accepting registrations for summer and fall. We are a private day nursery, located at 43489 Grand River in Novi, and is owned and operated by Mrs. Ruth Pawlowich.

How can Milo's offer you more than most in the field of decorating and time and money? More and more people are finding that coming to Milo's means complete decorating service. Custom draperies, unlimited selection (over a decade of experience). Wallpaper (one of the area's largest selections).

Injured Stars Return; Thinclads Still Lose

Summarizing the exploits of the Novi track team last week is a task not all dissimilar to either giving away by play description of a class reunion or writing a Breviary commercial.

For example, Jim VanWagner came back.

Pat Boyer came back. Bill Ross came back. Jim Wilenius continued his comeback.

And Coach del Munson was glad they did.

It's no great secret that the Wildcat track team has been ravaged by injuries this season. Three key performers—Steve Lukhart, Dennis Waldenmeyer, and VanWagner—were lost before the season even started, and to make matters worse, the injury jinx has continued to hunt the Novi thinclads throughout the regular season.

Boyer hasn't been "right" since early in the year and last week was forced to the sidelines altogether. Wilenius, an outstanding low hurdler, has suffered the same problem injury that has slowed Boyer, and although he competed last week, he is still hampered by the injury and trying to overcome the effects of a week enforced lay-off earlier.

Once again Boyer paced the Novi team, as he won three different events. His 209' leap occupied first place in the long jump, his 8" effort was tops in the high jump, and his 16.5 timing was good for first place in the high hurdles.

Ross was a double winner, taking the 880 in 2:05.7 and the 440 in 53.9. In addition Ross took third place in the long jump (19'2") and ran the anchor leg on the victorious mile relay team with Wilenius, Duane Miller, and VanWagner (3:42.4).

Wilenius won the low hurdles (21.9); Dave Miller added another victory in the 880, taking the lead in the 10:38.3 clocking; and Pat Macaluso, Gary Collins, and Terry Aulen swept the shot put. Macaluso's split of 37.77 earned first place.

Lincoln took a 74-49 victory Tuesday and Pinckney narrowly edged the Wildcats Thursday 66-57.

"It was nice to see all those fellows back," said Munson, "but none of them are in the condition you could call good condition because of their injuries. I don't like to sound like I'm always complaining about our injuries, but it's a matter of record that we just didn't have the overall team depth without them in there to have a successful dual meet season.

EASY DOES IT—Novi's Pat Boyer hasn't even bothered to remove his sweat suit yet as he easily glides over the bar at 5'3" en route to first place in the Wildcats meet with Ypsilanti Lincoln Tuesday. Boyer, who holds the school record of 6'3", only had to jump 5'6" to top Lincoln and on Saturday, he leaped 5'10" to take second place in the Class B regionals at Oxford and qualify for the state meet.

Pat Boyer came back. Bill Ross came back. Jim Wilenius continued his comeback. And Coach del Munson was glad they did. Wildcat

Pat Boyer has been selected Wildcat of the Week for his performance in the Class B regional track championships at Oxford Saturday. Hobbled by a leg injury, Boyer still managed to qualify for the state finals by taking second place in the high jump with a leap of 5'10". No one jumped higher, but the Novi junior was relegated to second place on the basis of fewer misses.

By Bob Moore

Summer is usually the time to relax, take it easy, and not worry too much. But not for the U.S. Women's Alpine Ski Team. Their coach, Hank Tauber, puts them on a very strict two-week diet every off-season. The diet consists largely of eggs, fresh vegetables and unbuttered toast. But, oh, the results! The women lose as much as twenty pounds in two weeks! How about that for a summer sport? Believe it or not, the women do manage to maintain good energy levels.

Baseball Team Falters

"Second Time" Stings Novi

Don't let Novi baseball coach Rick Trudeau tell you his favorite song is "The Second Time Around."

It just ain't so. In fact, for Trudeau to find anything even remotely pleasing about the tune would be something akin to Billy Martin selecting Earl Weaver as Manager of the Year or Danny McLean admitting Mickey Lolich is a better pitcher than he is.

Novi-Lincoln

Shot Put: Boyer, L. 40"; Barber, L. 41"; Baatko, L. 37". Long Jump: Boyer, N. 20'9"; Ross, N. 19'2"; Reed, L. 19'1". High Jump: Boyer, N. 5'3"; VanWagner, N. 5'0"; Thomas, L. 4'9". Jayvees Split Two Games

One bad inning was all that stood between the Northville junior varsity baseball team and another perfect week, but unfortunately "bad innings" are still tabulated in the final score and the young Mustangs had to settle for a split in their two games.

Thursday the junior varsity rode the no-hit pitching of Joe Bishop to a decisive 9-1 triumph over Walled Lake Western Friday. However, Oak Park trounced for six first inning runs and then held on to defeat the Northville team 7-4.

John Boland relieved the Northville starter and limited Joe Bishop was all Northville needed in their triumph over Walled Lake. The sophomore southpaw struck out eight hitters and gave up only an unearned sixth inning run in hurrying the no-hitter.

Schedule

THURSDAY, MAY 18
Track: at Southeastern Conference Championships at South Lyon, 4 p.m.

FRIDAY, MAY 19
Baseball: Novi at Saline, 4 p.m.; Brighton at Northville, 4 p.m.; Saline at Novi Junior Varsity, 4 p.m.; Northville Junior Varsity at Brighton, 4 p.m.; Novi at Southeastern Conference Meet at South Lyon, 4 p.m.

Baseball: Northville at MHSAA Regionals at Highland Park, 6:30 a.m.; Novi at Highland Park, 6:30 a.m.

Track: Northville and Novi at MHSAA Championships at East Lansing all day.

MONDAY, MAY 22
Baseball: Northville at Novi, 4 p.m.; Novi Junior Varsity at Northville, 4 p.m.

TUESDAY, MAY 23
Baseball: Dundee at Novi, 4 p.m.; Novi Junior Varsity at Dundee, 4 p.m.

Golf: Novi at Southeastern Conference Meet at Godwin Glen.

WEDNESDAY, MAY 24
Baseball: Northville at Dearborn Crestwood, 4 p.m.; Dearborn Crestwood at Northville Junior Varsity, 4 p.m.

Ninth Graders Sweep Meet

Blair Robinson won three different events and anchored the victorious 880 yard relay team as he paced the Northville ninth grade track team to first place at the Cooke Middle School track meet.

Paced by Blair's 15 point performance, the young Mustangs rolled up 70 points to blank Walled Lake (43), Bloomfield West Hills (23), and Clarkson Sasshawab (22).

Robinson won the long jump (17'11"), the 100 yard dash (12.9), and the 200 yard dash (22.7), as well as running a leg on the victorious 880 yard relay team of Rich Marcicki, Bill Lusk, and Jim Pink.

Cooke Bombs West

"Go West, young men" would have been good advice for the Plymouth West junior high track team last Friday, but unfortunately the young Plymouth athletes came north to Northville and got lambasted 97-29 by the Cooke Middle School track squad.

Pat Aenbacher paced the Plymouth team against the Novi team in the 880 yard relay. He was not the only Mustang freshman to do well, however, as Coach Dave Graf's charges won 10 of the 15 events in the meet.

Mustang Nine Starts to Jell

Coach Chuck Shonta knew what was wrong with his struggling Northville Mustang baseball team all along.

"Too much rain," he asserted. "When you've got a young team like we do you have to play a lot of ball to be any good, and we just haven't been playing enough games. The batters haven't been able to get their timing down and our pitchers have only been going once every eight days and they should pitch every four days to be effective."

Last week the Northville nine was scheduled to play three games and, for a change, Sonny Elliott (or whoever it is who controls the weather in these parts) was kind and allowed all three games to be played.

And the Mustang's made Shonta's diagnosis of their problem look good.

Friday they trounced Oak Park 8-2; Thursday they trimmed Walled Lake Western 6-3; and the only blemish on their record was a 2-1 defeat to Redford Union Wednesday.

But even that loss was a victory of sorts. Jeff Moon, the Mustang's big left handed

pitching ace, fired a no-hitter at the Redford Union hitters only to lose the decision when he was out in the fourth inning. But then he faced before finally yielding a single to Jim Geary leading off the fifth and the Walled Lake pitcher came around to score on a wild pitch and two infield outs.

Evans got in trouble again in the sixth as he suddenly lost his control. A walk, a single, and three more walks brought in two runs and Shonta brought in Moon to replace Evans with the bases loaded, one out and the Mustangs trying to hold onto a 5-3 lead. Moon was equal to the task. He forced the first Western batter to ground to third baseman Bart Taylor who threw to catcher Bill McDonald for the force at the plate and then ended the threat by striking Bill Prater for the third out.

Northville, in the meantime, was scoring their second largest output of runs all season, as they tallied six times.

Northville, in the meantime, was scoring their second largest output of runs all season, as they tallied six times. Rick LaRue doubled leading off the second inning and scored the first run of the game moments later when McDonald singled him home. McDonald tallied the second

inning, but he had a perfect game going until two were out in the fourth inning. But then he issued a walk to Mike Johnston, and shortstop Rick LaRue and third baseman Bart Taylor both misplayed ground balls, as Redford scored two runs.

And that was the ball game. Northville had scored once in the second. Steve Serkian and Dale Griffith laced singles, Tim Marzonie walked to lead the bases, and Moon lofted a fly ball to the centerfielder to bring Serkian in from third. But that lone run was the sum and total of the Mustang scoring.

Redford hurler Tom Miller limited Northville to a single hit the rest of the way to enable his teammates to take the 2-1 decision.

None of the Mustangs thrived on the busy schedule of games more than Moon. The senior southpaw got the starting nod Wednesday as the Mustangs hosted Redford Union and Moon responded by holding the Redford team hitless.

Evans looked as if he might duplicate Moon's no hit effort. Evans reared the first 12 men he faced before finally yielding a single to Jim Geary leading off the fifth and the Walled Lake pitcher came around to score on a wild pitch and two infield outs.

EARL GREY WINS AGAIN—To many long-time area baseball fans, the name of Earl Grey is a familiar one. The famous old arbler is now practically an institution after a lifetime of umpiring. Semi-retired, Grey still makes an occasional appearance behind the plate. Here Northville's Steve Serkian argues one of Grey's decisions, but the Mustang catcher learned, as have many before him, that it just doesn't pay to argue with Earl Grey.

Witek Paces Thinclads Captures Vault Crown

It's not that Northville track coach Ralph Redmond likes to lose. Perish the thought.

But somehow the Mustang mentor just wasn't all that upset about the 83-38 wallowing administered to his team by a powerful Waterford Mott squad last week.

The 1972 season has been a good one for Redmond so far. In the first place, the Northville coach expected his sophomore-led thinclads to do little better than break even in their dual meets and has been pleasantly surprised as the youngsters have streaked away to post a highly creditable 7-4 record.

Witek was the only Northville thinclad to qualify for the state meet, but he was not the only Mustang to win a dual meet. Brad Cole, a sophomore two-miler Guy Cole came within two seconds of also qualifying for the state meet as he finished fourth in the two mile with a time of 10:14.7.

"Oxford was probably the toughest match-up the state meets is Bill Witek. Still just a junior Witek posted Northville's only regional championship as he leapt 12'8" a personal best.

Mustanger Witek of the Week honors go to Bill Witek. The outstanding junior thinclad was the only Northville athlete to qualify for the state finals, as he capped first Saturday in the pole vault at LaSalle at the Oxford Regionals with a leap of 12'8". Witek also competes in the shot put and the high jump for the Mustangs.

"Bill took a series of jumps at 13 feet," Redmond reported. "He cleared the bar twice, but each time he knocked it off with his hand on the way down."

By virtue of the victory at Oxford Witek is eligible to compete in the State Class B championships at East Lansing Saturday. "I think Bill can hit 13 feet in the finals," said Redmond. "If he does, he has a good chance of placing in the top five."

Witek was the only Northville thinclad to qualify for the state meet, but he was not the only Mustang to win a dual meet. Brad Cole, a sophomore two-miler Guy Cole came within two seconds of also qualifying for the state meet as he finished fourth in the two mile with a time of 10:14.7.

Witek was the only Northville thinclad to qualify for the state meet, but he was not the only Mustang to win a dual meet. Brad Cole, a sophomore two-miler Guy Cole came within two seconds of also qualifying for the state meet as he finished fourth in the two mile with a time of 10:14.7.

By Half Point Netters Lose Match

Sure "close only counts in horseshoes," but Northville's young-of-beaten tennis team lost by a mere half point to Walled Lake Western and even the close call of victory was cause of some celebration for the Mustang netters.

"I think we're finally beginning to come around," said Coach Bob Simpson, "particularly in the singles play."

Score of the Northville-Walled Lake skirmish was 4-3; and what made the loss even sadder is that it was the fact that the Mustangs won four of the seven matches.

A Western Six Conference rule change this year calls for the winners of both the singles and doubles matches to receive 1 1/2 points. The winners of the rest of the matches get one point with the exception of third doubles where the winners earn just half a point.

Purpose of the scoring

Surprisingly, O'Berry was upstaged by Jim Graham of Avondale. Blown by gusting winds, Graham's winning time was 10 minutes flat. O'Berry was second in 10:07, while Hind of Avondale was third in 10:12-27 seconds ahead of Cole.

"You just know there will be a lot of runners in the state who don't finish within seven seconds of O'Berry," Redmond said in lauding Cole's fourth place finish.

The only other Northville athletes to win medals at Oxford were John Pacific, Alan, and Phil Guider who were the 440 relay, and Dave Newitt, Tom Coram, Bob Bloomfield, and Rich Marcicki took the mile relay with a 3:46.0 clocking.

"They're awfully strong," said Redmond admiringly, "particularly in the field events where most of the field events trail 27-30."

Some idea of just how strong Mott is in the field events is provided by the fact that Witek vaulted 12'8" and had to settle for second place. Furthermore, sophomore

shotputter Jim Porterfield, who has not lost a dual meet all year long, also had to settle for second place as Mott's Jim Sheldon got off a put of 46'8".

The lone Northville victory in the individual events was taken by co-captain Guy Dixon, who won the mile in 4:52. Tim Taggart was second in 4:58.

The other two Northville wins came in the relays. John Pacific, Paul Szarnowski, Stu Allum, and Phil Guider won the 440 relay, and Dave Newitt, Tom Coram, Bob Bloomfield, and Rich Marcicki took the mile relay with a 3:46.0 clocking.

Shot Put: Sheldon, M. 46'8"; Porterfield, N. 45"; LaFevre, N. 45"; Cole, N. 43"; Miller, M. 37"; Marlies, M. 19'7". Pole Vault: Gibbons, M. 13'4"; Witek, N. 12'8"; Lyle, M. 11'7". High Jump: Gerber, M. 6'; Witek, N. 5'3"; White, M. 5'0". 800 Yard Relay: Mott, 1:54.5. 1500 Yard Run: Gray, M. 2:06.3. 2000 Yard Run: Gray, M. 2:58.8. 3000 Yard Run: Lawrence, M. 4:15.2. 4000 Yard Run: Bennett, M. 6:16.2. 5000 Yard Run: Campbell, M. 8:04.4. Mile Relay: Northville (Newitt, Coram, Bloomfield, Marcicki, Szarnowski, Allum, Guider), 4:53.

Family Restaurants

401 N. CENTER STREET—NORTHVILLE—349-6380

Promoter Questioned

Rezoning OKd For Restaurant

Rezoning of the property on which the old Northville Methodist church sits was unanimously approved by the city council Monday.

Personal interest in the restaurant proposal nor in Harris, but that he attended Monday's meeting, after reading about the proposed project in The Record, to offer his advice as a citizen.

City Manager Frank Ollendorf said he was aware of the misgivings of Harris, but he and councilmen emphasized that the action before the council was that of rezoning, not approving the restaurant proposal.

The planning commission, he emphasized, must pass on site plans for the proposed restaurant before it can become a reality.

In other action Monday, the council adopted a resolution of its intent to issue \$200,000 of special assessment bonds for parking in conjunction with the purchases, prompted him to have "grave doubts" about Harris' reliability.

Name Scholars

Continued from Nov. 1 but at present has no definite plans regarding vocation.

Donna has been an active participant in Earthday, and the Junior-Senior Prom, as well as the University of Michigan Seminar and the Michigan West Contest.

Laura has been a member of Nov's marching band for the past four years. She has also served on the Yearbook staff and is a member of the French Club.

Miss Soulliere also released statistics regarding the plans of the senior class. Forty-four percent of the graduating seniors are college bound, while 46 percent will enter the job field immediately after graduation.

Budget Cut

Continued from Record, 1 current budget year.

Biggest increased outlay in the new budget is in the police account, where expenditure is put at \$338,200, up nearly 8,000 from the current year.

Salary increases are within federal guidelines in police and other personnel categories.

Other proposed general expenditures by broad categories, compared with the latest anticipated costs in the current budget are:

Council, \$4,850, down from \$5,239; clerk's office, \$37,680, down from \$42,578; manager's office, \$37,850, down from \$39,215; court, \$43,500, down from \$50,921; DPW, \$213,500, up from \$211,176; inspections, \$15,420, up from \$14,492; fire, \$43,020, down from \$43,292; library, \$20,500, up from \$20,467; and recreation, \$18,545, down from \$18,900.

The budget proposes a public improvement expenditure of \$492,000, with a like amount in public improvement revenue.

Among the major proposed public improvement expenditures are:

Street construction, \$100,000; track police, \$70,000; parking construction and lease, \$65,000; drains, \$36,500; bridge (Rural Hill Cemetery), \$50,000; and equipment, \$33,000.

Water fund expenditures are pegged at \$207,000, with water fund revenues at \$207,300.

The storm run-off would be handled by the existing ditches and the effluent would be directed onto the golf course at the bottom of the hill rather than drained into the lake.

Mettala's motion was not seconded, however. Perhaps the council agreed to the compromise measure should provide residents an opportunity to express their feelings before further action is taken and will, therefore, provide city officials with a sounding board for further action.

Reappraisal Set

Continued from Record, 1

Oakland County, on the other hand, will conduct its reappraisal at a rate of \$10 per lot or from \$7,000 to \$10,000.

Council waived bids and awarded a contract to Oakland since the detailed inspection and remeasurement of each house in the Oakland section of the city, where most of the new housing is located, is seen as essential.

Reappraisal of properties in the Wayne County section, made up mostly of older homes, will be less extensive with little remeasurement.

Locally assessed valuation of property is multiplied by the factor applicable to the area in which the property is located to increase its taxable value to what the state considers to be 50-percent of the market value.

This taxable value is called the state equalized value (SEV).

Theoretically, if Northville's property was at a 50-percent level the factor would be 1. That's what city councilmen hope to accomplish by the reappraisal.

OBITUARIES

WILLIAM L. KELLY, 59, a former area resident, will be held at 1 p.m. today (Thursday) at Casselene Funeral Home in Northville. The Reverend Norman Riedesel of South Lyon Presbyterian Church in which Mr. Kelly was a member will officiate.

He was born February 17, 1913, in Detroit to George and Irene (Bastian) Kelly. In addition to his widow, survivors include his mother of Whitmore Lake and a daughter, Lynda Kelly of Ypsilanti.

Three years ago, they peacefully lived on West Seven Mile Road. They had been Salem-South Lyon area residents for more than 20 years.

Community Calendar

Computer Center Links Network Of Cattle Farms Across Nation

When officials of Premier Corporation say their computers are on top of the cattle industry they're not kidding. Mulching data and sewing print outs, the computers are located in the "loft" of a barn just off Grand River Avenue near Fowlerville.

'Barn Loft' Serves as Headquarters - Computer Center for Premier Corporation Near Fowlerville

With the same imagination and business acumen that he used in making a financial success of Hoover Ball & Bearing Company of Ann Arbor, Brittan hired experts, employed the most modern technology available and established Premier and its affiliated divisions.

Today this vast operation includes cattle and grain farms, a breeding center, commercial herds, progeny research and bull test center, processing facilities, foreign consulting services, and, of course, the Belgian horse farm.

The farm and the horses were purchased by Premier several years ago. Upstairs above the horses, the computers churn out farm management data, performance testing, sire evaluation, reproductive efficiency, inventory control, cost analysis, accounting procedures and herd health information.

Barn Doubles as Belgian Horse Stables and Plush Offices

Black Angus Are Foundation Stock of the Premier Cattle Herds Across Country

Information includes a unique tag number, name, birth date, tattoo and registration number on each animal on any Premier farm or ranch at any time. Each week data is checked on every animal in the system. Breeding records of the animal, its last calving date, last service date, a complete service history, a summary of public relations and advertising, that makes our gene to steak program click.

Asked to explain what he meant by the importance of "space" in beef production, Donahue notes that availability of land is a big concern of cattlemen today. Like the city dweller facing spiraling property taxes, the cattleman must cope with this same problem. That, plus the fact that "he's simply running out of space on which to raise cattle," he says.

Biggest of Premier's spreads is the 46,000-acre Two Bar Two Ranch at Roggen, Colorado. A relatively recent acquisition, this ranch is the corporation's commercial unit where cattle are raised for meat as opposed to breeding purposes. A note of importance: Colorado interest in Premier is its breeding center located outside of Denver.

Sees Stadium As Tax Thorn

The proposed new Detroit stadium, Northville's representative in the Wayne County Board of Commissioners, contends, is headed for financial problems.

McCann met with councilmen to background them on stadium plans because, at its last meeting, the council was asked to back efforts to block the stadium's construction. He deferred action pending McCann's report.

Suspect Faces Questioning

It appears likely that the suspect in the double-Kelley case, Plymouth Township woman will be questioned about the unsolved Radtke-Keyes murders.

Bennett is the son of Leroy Bennett, member of the Schoolcraft College Board of Trustees.

To date exhaustive police investigation into the 1972 murders of the two local teenagers has failed to uncover the slayer's identity.

Believe It or Not This Computer Center is Located on Second Floor of A Barn on Meadow Brook Farm

Computer Links Cattle Farms

Continued from Page 1-B country who wish to increase their knowledge and efficiency in handling a breeding herd.

The center also sells livestock supplies.

At its Progeny Research and Bull Test Center at Mahogany Farms, Premier tests offspring from each bull in the breeding program as well as ranking the sire.

This comprehensive testing program also includes a facility emulating typical feedlot conditions and related in-depth research that other independent organizations utilize.

Also at Williamston is a processing plant, which prepares and packages beef products for sale.

According to Donahue, development of the Mahogany Farms quick frozen steaks is in itself an aid to Premier research.

That's because, in preparing three nationally marketed products, carcasses are deboned and defatted to a final content of 10 to 12 percent fat content to provide uniform quality.

"This means we've got to be interested in producing beef low in fat content. Deboning

permits us to study the exact red meat content available in cattle from Premier's test program."

This data, he explains, provides a yardstick by which to measure progeny groups.

Expensive, top cuts produced at the processing plant, representing about 22 percent of the cow, are sold to luxury restaurants. The remaining 78 percent of the animal are specially processed.

The latter is custom blended, fast-frozen and packaged as strip-shaped steaks and sandwich steaks.

Neuest venture of Premier is its consulting services to foreign countries. Only recently Premier air-lifted several hundred prize cattle to Japan in specially constructed containers. These cattle and the technical information supplied by Premier are to be utilized by the Japanese in development of their own beef herds.

LOOSE LEAF

By ROLLY PETERSON

WRITER'S NOTE: There are many hazards in writing, like misspellings and typos. Last week of them cropped up. A column written several weeks ago and put on the deck because there wasn't enough room then was inadvertently plugged into the Loose Leaf column last week. The column which should have appeared in this paper last week appears below. It's this writer's reaction to President Nixon's announcement that north Vietnam ports would be mined.

Parks to Open For Memorial

Continued from Page 1-B facilities include an 18-hole, par 71 golf course, nature center with seasonal exhibits, Canada Geese on the lakes, and several labeled nature trails for "self-guided" hikes.

Bluegills, crappies, and bass inhabit Kent Lake, one of the most popular fishing sites in Southeastern Michigan.

There are two boat launches at the park and there is a rental permit area. Required permits are issued without charge and are good for the 1972 season at the park office or by attendants at the launch.

Rental craft are available at the Boat Rental Building. Motors are limited to five horsepower on crafts rented from the park and there is a 10 mile per hour speed limit on Kent Lake.

No water skiing is permitted and gasoline and bait are not available at the park.

Refreshments are available when the buildings are open at both Martindale and Maple Beaches, the golf course and the boat rental building.

County Approves New Rates

This year's equalized property values in Wayne County were approved by the County Board of Commissioners only after a number of commissioners charged that many local assessors are not doing their jobs.

The action, taken April 27, sets a total equalized value of \$12,973,814,435 on property in the county—an increase of \$502,152,259 over last year's figure of \$12,471,662,176.

Approval became a slight to strong criticism of some cities and townships in which property assessments had to be increased sharply through equalization.

Property tax increases resulting from upward equalization at the county level fall disproportionately on the average homeowner and favor land investors, one commissioner charged.

The commissioner, Rose Mary C. Robinson of Detroit, urged that the board refuse to approve the equalized property values to protest the practice of underassessment.

However, the Board of Commissioners turned down her motion and approved the equalized valuations of all 43 cities and townships on a basis of legal advice that state statutes required approval.

The vote was 18-3.

The board was told that the equalization report must be submitted to the State Assessors Board by May 1. Failure to approve the report, an assistant corporation counsel said, would prevent levying of this year's property taxes throughout the county.

Following approval, Mrs. Robinson proposed that the commissioners ask the Michigan Tax Commission to order all communities with an equalization factor of more than 1.2 to reassess their property at their own expense.

Her proposal was referred to the General Government Committee for consideration.

Twenty-one communities have factors of more than 1.2. Charles E. Morley, director of the County Bureau of Taxation, told the board that a new state law, requiring certification of local assessors, takes effect January 1. He said it will go a long way toward eliminating chronic under-assessments at the local level.

Under the law, Morley said, the Board of Commissioners will be able to ask that a local assessor be de-certified and then have the Bureau of Taxation go into that community and reassess the property at local expense.

The State-imposed equalization process is designed to assure that each local community has assessed its taxable property at the constitutionally-required level of 50 percent of its true cash value.

When analysis by Bureau of Taxation appraisers shows property in a particular city or township is under-assessed, an equalization factor is applied to that community's total assessed valuation. Unless the increase is overturned by the State Tax Commission, the local assessor must increase assessments accordingly.

This does not necessarily mean higher tax bills for property tax payers because a given community may have had at least as high an equalization factor for any number of previous years.

However, Mrs. Robinson contended, homeowners bear the brunt of the property tax resulting from equalization in the rapidly-developing areas west of Detroit.

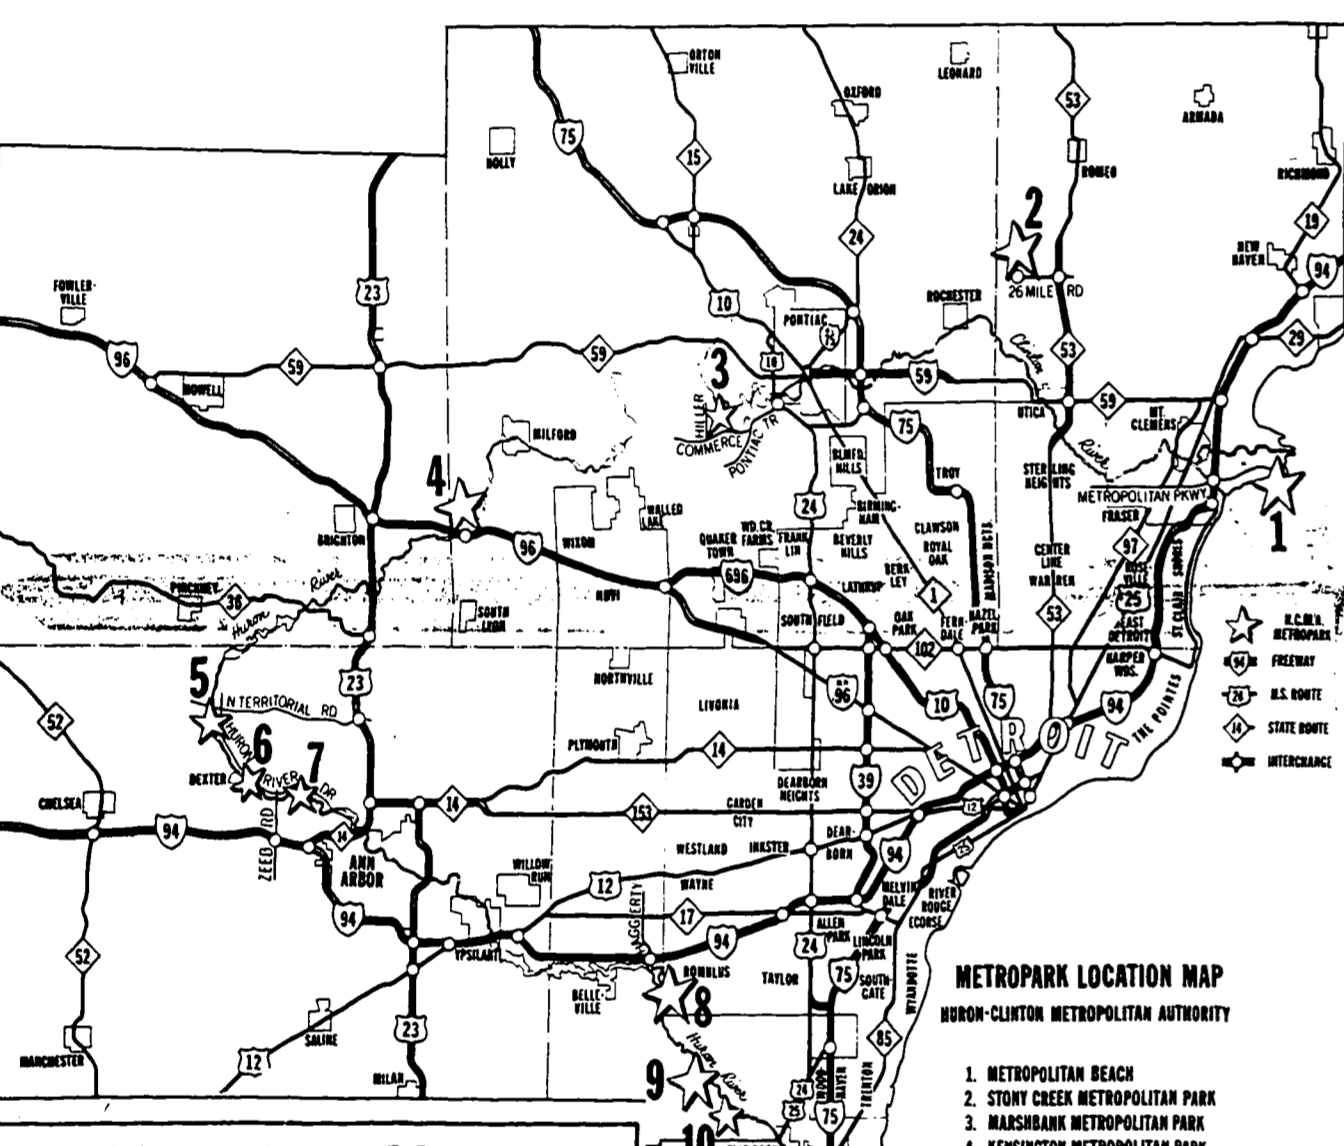

This, she said, is because underdeveloped land in those areas has skyrocketed in value in recent years, but in many instances is still assessed at its former value while most residential property is assessed at its actual true cash (market) value.

"Much of the undeveloped land in western Wayne County was bought for as much as \$2,500 an acre and is selling for as much as \$12,000 an acre," she declared. "Yet it is still assessed at \$600 an acre."

An equalization factor of 1.000 means that a community's assessments are at the statutory level of 50 percent. A factor of more than 1.000 increases a community's total property tax load beyond the assessed level.

When assessments are factored upward, the city or township has the option of reducing its property tax rate so that the amount actually paid by each taxpayer remains the same.

However, most communities spread their

Guild Accepts Martin Tittle

Martin Tittle, a piano tuner serving this area, was admitted as a craftsman member during the May meeting of the Detroit Chapter of Piano Technicians Guild.

Tittle has been tuning and servicing pianos in this area since his graduation from the University of Michigan where he studied piano technology with Kurt Pickel.

Although primarily self-employed, he is a regular on the staff of the National Music Camp at Interlochen, maintaining 90 pianos for nine weeks each summer.

The Piano Technicians Guild is a national organization whose aim is to encourage the highest level of professional skill while providing piano owners with an accredited service.

As a prospective Craftsman member, Tittle had to take several tests including a tuning test, an oral quiz, and a practical or "bench" exam on all aspects of repairing and regulating. In addition, he had to meet the high ethical standards of the Guild.

Tittle considers this a major step forward in his profession, noting, "I think I will gain most, simply from association with other P.T.G. members; the guild provides a great 'stomping ground' for ideas and experiences in an otherwise fairly solitary profession."

Cyclists to Compete in Championship Races

One of the nation's top professional motorcycle riders will be attempting to take his way to the number one position when he competes at Northville Downs May 27 at the \$2,500 under-the-flags race event.

Gary Nixon (r) of Phoenix, Maryland, was ranked number 10 nationally last year after suffering a serious crash in 1968.

He was Grand National Champion in both 1967 and 1968 when he topped all riders on the American Motorcycle Association's national racing circuit.

He'll be joined by more than 150 other professional riders in the 15-race event at the Downs' half-mile oval. Doors open for the races on Saturday, May 27 at 6 p.m., with races beginning at 7 p.m. and continuing until 10 p.m. Typical of the scenes that will be repeated at Northville Downs is the picture left.

County Ok's Property Values

Continued from Page 3-B

property taxes on a basis of equalized, rather than assessed, values. County legislators have complained historically that some communities use a tax base deliberately in order to put the onus for property tax levels on the county and state.

The total assessed value for Wayne County this year amounted to \$10,946,994,216, compared with the equalized figure of \$12,973,814,435.

Four communities objected to their equalized valuations in hearings held prior to board approval.

The figure for Ecorse was reduced slightly as a result of evidence that a number of business buildings are no longer being used and

Al Guarino, left, receives trophy from Secretary of State, Richard Austin

Our Al is a pro . . . !

He's spent the last 25 years driving the big wheel rigs, hauling steel to Michigan's industrial community. He has driven a million accident free miles during that time.

The 57-year-old River Rouge resident was honored by Secretary of State Richard Austin and the Michigan Trucking Association in February when he was named MTA's Driver of the Year.

It was the 24th year in a row he has honored a Michigan big rig driver for safety efforts during their career. Al Guarino is a pro. Just like the other 250,000 truck drivers in Michigan.

But we don't rest on the laurels of Al Guarino. We look to the future and the Al Guarino's of tomorrow. This year we will award 12 scholarships to Lansing Community College to train the drivers we need for Michigan's fourth largest industry.

By the way, Dick Austin thinks so much of our Al, he is having a copy of the above photograph placed in every Secretary of State branch office. Look for it next time you stop in.

We're proud of Al Guarino, and all of Michigan's professional truck drivers — those of today and those of tomorrow. We're working to keep you in goods and services.

Remember . . . If you got it, a truck brought it.

Home-Lawn And Garden

THE NORTHVILLE RECORD—NOVI NEWS
SOUTH LYON HERALD—BRIGHTON ARGUS
Wed., Thurs., May 17-18, 1972 Page 4-B

How to Mow Your Lawn

Mowing your lawn is more than just "cutting the grass." Doing the job wrong could be the big reason your lawn doesn't look as good as it should, say turfgrass specialists at Michigan State University.

Height and frequency of mowing are equally important in maintaining a quality turf. The specialists recommend the following:

HEIGHT—
Height of cut should be adjusted to the turfgrass species. Mowing too short results in a shallow root system and a weakened turf which is prone to weed invasion.

The preferred cutting height for most Kentucky bluegrass and red fescue varieties is 1 1/2 to 2 inches. In contrast, the low-growing bentgrasses should be mowed at a height of three tenths to eight-tenths inch.

Adjust the height by placing the mower on a hard, level surface and adjusting the bed knife (reel) or rotary blade edge to desired height.

FREQUENCY—
Frequency of mowing should be adjusted to the growth rate of the turf. Do not remove more than one-quarter to one-third of the total leaf area at any one mowing.

The specialists also suggest that varying the direction of mowing will improve the appearance of the turf.

'Sprayless' Gardening Methods

Area "green thumbs" planning home gardens this spring may benefit from suggestions to "forget poison sprays that kill songbirds and other wildlife" by changing to natural gardening methods, presented in the May bulletin of Western Suburban Junior Woman's Club.

The club also suggests gardeners interested in natural gardening may write plant chives around the plants. Chives form a nice border; the leaves are good in salads and the flowers are attractive.

1. If you like roses but are bothered by aphids, merely plant chives around the roses. Chives form a nice border; the leaves are good in salads and the flowers are attractive.

2. To keep Japanese beetles away from roses, plant common geraniums among them.

3. Bean weevils are repelled by marigolds or nasturtiums.

4. If worms bother your cabbage plants, mint or tomatoes will keep them away.

5. Any variety of marigolds will produce a substance in the soil which kills nematodes (microscopic sucking insects which attack roots and cause plants to wilt). Marigolds in a corn patch will attract insects away from corn.

6. Ashes from burned hardwood, when scattered around squash plants, will drive away squash beetles and cutworms.

7. Radishes planted among

"Hi, Mom. Can you talk for a minute?"

On a day when she has hours . . . you interrupted nothing while your thoughtfulness told her everything . . . simply with a long distance call.

Now anyone can lower the cost of loving simply by dialing direct on long distance calls within Michigan instead of going through the operator. You save 40% by dialing direct weekdays after five, and weekends from 5 p.m. Friday till 5 p.m. Sunday. Dial direct any other time—save 20%.

And if you talk long distance within Michigan for just one minute you pay for one minute, not three.

Know someone in another town who would smile at the sound of your voice? Don't hesitate to call . . . often.

You can lower the cost of loving by 40%

Her's when to direct dial long distance and save

Mon. thru Fri.	Sat.	Sunday
7 AM to 5 PM	20%	40%
5 PM to 7 AM	40%	20%
7 AM to 7 AM	40%	40%

Discounts also apply to station-to-station calls in areas where direct dialing is not available.

For Insect Control Selecting Sprayers

Selecting the proper spray equipment is an important step in effective insect control, say entomologists at Michigan State University.

"If you don't have the proper application equipment, you're licked before you get started, and it doesn't really make any difference how good the insecticide is," says one of MSU's lawn and garden specialists.

A hose-sprayer is a good piece of equipment which requires no backbreaking pumping. However, it may plug with wettable powder formulations and result in contamination of the end of the hose.

Compressed air sprayers are metal tanks with one to three gallon capacities. Air is pumped inside the tank with a plunger, and spray is delivered through an attached hose and nozzle.

This is a good kind of sprayer which can apply the chemical to both the top and bottom of the leaves, but from one-half to one quart and sporting around, gives low volume of spray and tanks rust out.

Knap-Sac sprayers are compressed air sprayers with metal tanks that are three to five gallon capacity and are strapped on one's back. A pump handle is pumped continuously at a slow pace to build up pressure.

The knap-sac sprayer is good for larger jobs. However, loaded with water, it is very heavy. Its metal tank is also subject to rusting.

Before buying equipment, keep in mind the size of the job, kind of performance desired, kinds and amounts of insecticides to use, amount of water needed per spraying, size of plants to be treated, and amount of money you want to "shell out," advise the specialists.

They offer the following information on certain kinds

Try Wintergreen For New Lawn

If you are thinking about establishing a lawn, don't overlook a new grass variety.

The large leaves of the Common Dutchmanspipe make a dense screen and are best for trellises or frames.

How to Thicken Balding Yard

Unless those bare spots on your lawn are at least one foot square or larger, attempting to thicken up the grass sod by overseeding may be a waste of time and lawn seed, say turfgrass specialists at Michigan State University.

Competition from the established sod does not give the young seedlings a chance to get started, explain the specialists. They recommend a good fertilization and weed control program.

They also suggest filling in the small spots with plugs of sod removed from other areas of the lawn.

However, for the larger spots, Robert Shearman, MSU extension turfgrass specialist, recommends the following steps:

1. Go over bare spots with a garden rake to loosen the soil. Soil moisture is right for seeding when the soil rakes

Michigan Mirror Daylight Savings Debate's Still Simmering

LANSING—Some issues are placed before the Legislature or the general public, voted up or down, and forgotten about as other concerns move into the spotlight. Parochialism was a good example of this. It was approved by the Legislature in 1970, voted down by voters and laid to rest. But then there is Daylight Saving Time which has been rejected by the Legislature and rejected by the people. And it hasn't gone away. As a result, voters will get a second chance to voice their opinion on it this November.

keeping Michigan on standard time the year round, western Michigan is able to have the same time as its neighbors six months a year, too. In Detroit, which is tied with Chicago, many firms have some employees come in an hour or a half early during the summer months to be more in touch with New York. THE CONTINUING debate here over DST centers around the Uniform Time act passed by Congress in 1966.

Indiana which observes Eastern Standard Time in the winter also has been exempted by the legislature there from DST. MICHIGAN VOTERS will decide again this November whether they want to try DST. Last time the issue was voted on it was decided by a margin of less than 500 with millions of votes cast. If voters adopt DST this time, it's a good bet its opponents would petition it back onto the ballot in 1974 for yet another test after the state had tried it.

Babson Report

WELLESLEY HILLS, Mass.—The following comments and suggestions are directed primarily toward the young executive or professional man who is making a good current income and wishes to build up a sizable estate for retirement many years hence. What type of investment program should he adopt at this time, and how much risk should he assume to achieve his objectives?

reserves that can be used as promising buying opportunities develop. The amount that should be kept for this purpose would depend upon the new money coming into the account each year, the amount of risk the investor wishes to take, and other relevant factors. AT THIS STAGE of the investment cycle, we feel that the young executive can well afford to be patient rather than take the risk of assuming a top-heavy position in common stocks.

Pay particular attention to well-managed concerns that are of outstanding importance in their respective industries. Quality grade and diversification are two other significant considerations to be stressed. The amount that should be kept for this purpose would depend upon the new money coming into the account each year, the amount of risk the investor wishes to take, and other relevant factors.

Special Gift

You could pass the tree a hundred times without seeing the bright little bird peeping out. Nature neglected to give man such camouflage. In the scheme of things he is actually quite obvious. But God created man in His image—a much greater asset. He was given a strong body and a mind which which to think. And He has given us a very special gift; the miracle of Faith.

Six to Receive LIT Diplomas

Several area residents will be among the 432 graduates of Lawrence Institute of Technology to receive diplomas at the school's 40th annual commencement exercises June 4.

The exercises will be held in the Ford Auditorium of Detroit's Civic Center beginning at 3 p.m.

Local graduates are:

Timothy M. Askew, who lives with his wife, Mary, and two children in Brighton at 8978 Christine Drive, is a 1960 graduate of Mumford High School.

He is employed by Eaton Corporation in the Research Center as a technician where he participated in the

development of air bags, a crash restraint system.

Presently, he is working with experimental anti-ski systems on heavy duty trucks.

He will receive a bachelor of science degree in industrial management.

Anthony J. Pucci, who lives at 6318 Baldwin Court, Brighton, with his wife, Lucille, and daughter.

A graduate of Crestwood High School in Dearborn Heights, he was a member of the American Institute of

Architects during his freshman year at L.I.T.

A photographer by hobby, having won first place in a national photography competition in 1968, he is employed by Winkelman's as sales supervisor. He has been with the company seven years.

He will receive a bachelor of science degree in architecture.

Daniel J. Harmon, who lives with his wife, Charlotte, and two children at 43712

Lyric Court in Northville.

A 1963 graduate of St. Xavier High School in Cincinnati, he is employed by the Ford Motor Company.

He will receive a bachelor of science degree in mechanical engineering.

John E. Marshman, who lives with his parents at 27900 Dixboro in South Lyon.

A 1967 graduate of Plymouth High School, he was a member of the Society of Automotive Engineers while at L.I.T.

He will receive a bachelor of science degree in

mechanical engineering.

Donald K. Ledford, who lives with his wife, Francisca, and two children at 23221 Valerie in South Lyon.

A 1962 graduate of Wayne Memorial High School, he has been a member of Kappa Sigma Kappa fraternity while at L.I.T.

He also participated in intramural football and the Men's Glee Club.

Commencement speaker June 4 will be John J. Riccardo, president of Chrysler Corporation.

Horse's Mouth

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI 48178.

Family Fun Show-Saturday May 20, 9:00 a.m. Navajo Arena, M-59 and Hacker Road, four miles west of U.S. 23. Presented by the 4-H Gauchos Horse Club of Hartland. Entry fee: 50 cents per class. Concession stand on the grounds.

Following are a few of the classes: fitting and showing adults; fitting and showing 9 and under; fitting and showing (family entry) Mam-Dad-kids special award for largest family showing; Horse and pony hitch both adults and 4-H age; barrel bending; cloverleaf, diaper race, hot scramble, down and back and the egg and spoon race.

Proceeds to go 50 percent to Livingston County 4-H Horse Association, 50 percent to Livingston County 4-H Council.

Trashed Hints

Now that warm weather has arrived, it is time to get rid of the winter blankets. No doubt they will need repairs, and cleaning.

A big washing machine will sometimes handle one blanket. If you don't have a machine available you will have to spread the blanket out on the ground and scrub it by hand, rinsing it with the hose.

Some blankets, namely those with jute instead of woven linings, go completely to pieces when they are washed. These are much cheaper when new but are a false economy because they only last one season. If your blankets are the kind to be washed, please use only cold water and do not dry near any heat. Otherwise you will have to replace all the leather breast straps. Repair any broken straps or hooks and then pack the blankets away with mothballs.

Cycle Deaths

Declining

Motorcycle deaths have declined during the past five years, Michigan State Police report.

The downward trend in the death rate per thousand cycles registered is attributed to the helmet law, licensing of motorcyclists and the public's awareness of motorcycles, state police say.

During the years covered in the report, 7.7 deaths per thousand motorcycles were reported in 1971; 8.7 in 1970; 10.9 in 1969; 12.2 in 1968; and 10.4 in 1967.

For the five-year period, the average mortality rate for motorcycles is 9.5 per thousand vehicles registered, while for all vehicles registered the rate is 5.0 per thousand.

During 1971, there were 187,351 motorcycles registered in Michigan. A total of 144 deaths were reported for an estimated 262,053 miles traveled by all motorcycles, based on police figures of 3,000 to 5,000 miles traveled per cycle.

NONE SOLD TO DEALERS

REPEAT—The always popular turtle race, sponsored by the Northville Recreation Department, will be repeated again this year. As in the past (picture above), the races are exciting for both the youngsters and their parents.

Activities Announced

'72 Summer Program Excites Director Prom

"I've never been so excited about our recreation program as I am this year," said Robert Prom, recreation director, as he reviewed plans this week for the upcoming summer program.

His enthusiasm is generated by the number of additional activities and additional facilities.

"We're offering more programs for girls... and we're going to continue to do so," he said.

"And because of the addition of two new baseball diamonds we'll be able to accommodate more youngsters, with more games played in the evening so that parents may watch."

Lights at the new Thomson Memorial Field in the township are going up this week, he said, and a new diamond should be ready at the high school on the plateau between the football field and the varsity diamond by May 29, he said.

"Among the new programs to be in operation this coming summer, he reported, will be a special day camp for handicapped children of the community.

"It's something entirely new for us so we'll be experimenting. Because we don't know what kind of response we'll get we still haven't formulated our plans for the handicapped.

"One thing we plan, however, is to integrate this program with our regular day-camp activities because we see no reason why handicapped children should be segregated from the other children."

Following is a play-by-play of upcoming summer activities:

Day Camp

To be held each day, Monday through Friday, from 9 a.m. until 11:45 at three locations—Scout-Recreation Building, Amerman School playground, and Moraine School playground—beginning Wednesday, June 21, and ending Wednesday, August 9.

Activities include arts and crafts, group games, skits, treasure hunts, special events, etc. A small charge is made for some materials. Age: five years and older.

From reports that supervisors will receive in-service training prior to the start of the program to learn about new activities to be incorporated in the program.

Handicap Day Camp

Plans are still indefinite but the program will be held in conjunction with the regular day-camp program and be especially geared to children with handicaps of one kind or another.

Swimming Instruction

Swimming lessons will be given to registered boys and girls, 8 years old and older, at the Northville High School pool. Four sessions are planned, each consisting of 10 lessons of 45 minutes in length. Cost per session is \$10, with participants furnishing their own towel, swim suits and caps.

Sessions also are planned for "toddlers", youngsters ages 4 to 7.

Interested persons are asked to consult the department's schedule of events for features, dates for the various age groups.

T-Ball

This activity is new this year. It involves hitting the softball from a tee, with 15 players in the field.

It will be offered for boys, 6-7 years of age (6 years old before July 1), and for girls, 6-9 years of age (6 years old before July 1).

Knobole Softball

Boys 8-9 years of age. Every boy who will be 8 years of age before July 1 is eligible.

Knobole Baseball

For boys who will 10 years old before July 1, but who will not have reached 12 years before September 1, 1972. The Recreation Department reserves the right to move a ballplayer regardless of age, from one league to another, depending upon a player's ability—although this is not to be a common practice.

Schedule of practices are to be given upon registration. Each boy is given a team shirt.

Thirteen-year-old boys have been eliminated from knobole baseball this year, explained Prom, because "we're forming our own Class 'P' night league for boys 12 and 13 years of age.

Another major change in knobole softball will be the use of a pitching machine, he said. By using a pitching machine on an experimental basis, "we think will liven the games by reducing forfeitures, increasing the amount of field and hitting. With its use we will go back to the conventional three-strike out rule as opposed to the two-strike rule used last summer."

Baseball

In addition to the knobole program, plans call for 11 teams of boys who play in Class D, E, and F and Adray leagues in the evenings. The program is set for Saturday, June 3 and Sunday, June 4 at Ford Field and Northville High School.

Class 'D' ball for ages 14, 15 and 16 will be offered as usual, but "we believe some boys 14 to 17 may want to play slo-pitch which will be offered this year.

All adult games are to be played at Thomson Field, while games for youngsters will be played at either Ford Field or the high school.

Powder Puff Softball

For girls who will be 9 years old before September 1 but who will not have reached 13 before September 1, 1972.

Schedules of practices and games will be given upon registration. Each girl is given a jersey provided by the sponsor. Some games are to be played in the evening.

Girls Night Softball

A team consisting of girls, 13 and under, and a team involving girls 15 and under, will play in the Livonia night league.

Members of these teams are to be selected from candidates who attend pre-season practice sessions, dates of which are to be announced later.

Peewee Baseball

For boys 5 years of age. Instruction in throwing, batting, fielding and running fundamentals will be given each Wednesday afternoon from 1 to 2:15 p.m. from June 23 to August 9 at Ford Field.

Basketball Clinic

Scheduled for three weeks, beginning Monday, June 18 and continuing through Friday, July 7—except for July 3 and 4.

The five-day per week program, under instruction by Coach Walt Koepke, is open to fifth and sixth graders from 1 to 3 p.m. and for seventh and eighth graders from 9 to 11 a.m.

The first two weeks of the clinic will involve fundamentals, while the last week will be devoted to a round-robin tournament.

Participants must furnish their own equipment, although youngsters will be given a shirt.

Fees for the program is \$12.

Zoo Trips

Trips to the Detroit Zoological Park at Royal Oak will be held on Wednesday, June 28, July 12, and July 26.

Continued on Page 6-C

Northville Summer Recreation Registration Starts Saturday

First date for registration in the 1972 Northville summer recreation program is set for Saturday, June 3. Recreation Director Robert Prom announced this week.

Times for registration Saturday and on May 27, June 3 and June 10 is from 8 a.m. to 4 p.m., he said.

Still other registration periods are planned for Monday, June 12 through Friday, June 16 from 9 to 5 p.m., and then each day, Monday through Friday, from 8 a.m. to noon and 1 p.m. to 5 p.m. throughout the summer program.

However, boys and girls who want to play on any baseball or softball team are urged to register early.

Persons wishing additional information about registration times or the program itself are asked to call 349-0203 on any of the above dates and times. Prom indicated.

Participants in the program, he explained, must be registered and show their registration cards upon request of recreation supervisors.

Registration fees are \$1.50 for residents of the City of Northville and Northville Township, \$5 for non-residents who reside within the Northville Public School District, and \$12 for non-residents outside the Northville School District.

This means, for example, Novi residents living in the Northville School district are charged the \$5 fee, he explained.

Fees help offset the cost of the program which is jointly financed by the city and township on a participant basis.

Prom estimates that the registration fees will produce about \$2,200 this year based upon projected enrollments. The total 1972-73 budget exceeds \$40,000.

Cost to the city is pegged at approximately \$18,000, and to the township, approximately \$14,000.

Anticipated registration this year is expected to top the 1,000 mark for the first time in history. Of this total, Prom expects some 699 to come from the city and 478 from the township. Also, some 71 non-residents within the school district are anticipated along with four non-residents.

These figures, however, are merely estimates based on previous enrollments and trends.

Insurance fees are paid by individual participants in the baseball program, with each participant assessed on a pro-rata amount on the team policy premium. Prom said.

Some programs, such as adult recreation, are self-supporting through the fees charged.

About Our Servicemen

Warrant Officer Howard Norris, Jr. of 1895 Haggerty Road, has returned to Ford Bragg, North Carolina following a leave.

Norris entered the service two years ago following graduation from Plymouth High School. He took his basic training at Fort Polk, Louisiana and Fort Walters, Texas.

He received his warrant rating at Fort Rucker, Alabama.

A helicopter pilot, he is anticipating a tour of duty in Vietnam.

Army Private Isaac L. Brewer, 21, son of Mr. and Mrs. Willard Brewer, 28225 Beck Road, Wixom, recently completed eight weeks of basic training at the U.S. Army Training Center, Fort Bragg, North Carolina following a leave.

Norris entered the service two years ago following graduation from Plymouth High School. He took his basic training at Fort Polk, Louisiana and Fort Walters, Texas.

He received his warrant rating at Fort Rucker, Alabama.

A helicopter pilot, he is anticipating a tour of duty in Vietnam.

The private's wife, Teresa, lives at 1631 South Commerce Road.

Navy Hospitalman Apprentice George L. Gombasy, son of Mr. and Mrs. Louis G. Gombasy of 28262 Clark, Novi, has completed the Hospital Corps School at San Diego.

Hospital Corpsmen assist doctors and nurses in every phase of medical service including X-ray, laboratory work, operating room assistance and general practice.

He attended Michigan Technological University in Houghton, Michigan.

Your Ford Dealer has more new models, special models and sale models than anybody.

RED, WHITE AND BLUE SPRINTS. Sporty Pinto, Maverick and Mustang sprints with accent stripes, dual racing mirrors, USA emblem, whitewalls, more.

SPECIALLY EQUIPPED FORD GALAXIE 500's. Special values with options like air conditioning, special paint, accent stripes, deluxe wheel covers, and more.

NEW FORD PINTO WAGON. Pinto Wagon—for more room than an economy car, but still economy-priced.

FORD EXPLORER SPECIAL PICKUPS. Special package discounts on special option packages including air conditioning, automatic transmission, tinted glass, more.

FOR-FUN PINTO SUNROOF. Lets the sunshine into Pinto Sedan and Runabout models.

OUT OF PAST—A baseball came through the mail last week, reminding Oakland County Road Commissioner Frazer Staman of Wixom a 50-year-old heartache. It was a half-century ago that Staman, then a high schooler, fired a near perfect game—striking out all but one batter.

Fired Up by Liniment

He Almost Uncorked The 'Perfect Game'

His political opponents might say he's pitched a lot of curves in his days—but certainly nothing like that day on April 22 exactly 50 years ago. Frazer Staman remembers it well now, particularly after opening a package upon returning last week from a vacation. The package, laughs the former Novi Township supervisor who now is a Wixom resident and vice-chairman of the Oakland County Road Commission,

contained a baseball, a bottle of Sloan's liniment, and the following note that tells it all: "April 22, 1922, Frazer Staman of Farmington High School struck out 20 batters in a seven-inning game with Dearborn High School. "Staman had a sore shoulder from pitching the previous day, so after a couple of innings, his coach applied some Sloan's liniment to his shoulder. His arm got hot but Staman got wilder and wilder as the game progressed.

The batters were so frightened they were glad to strike out just to get out of batter's box." The package was sent to Staman by Earl Teeple, supervisor of Farmington Township. "How in the world Teeple ever found out about it I don't know," says Staman, who once managed the Northville A&P store and who now operates an insurance business in Novi. "Much as I hate to admit it I guess his story's right on base."

The game was played on a field owned by the ex-governor Fred Warner, recalls Staman, who came within just one batter of hurling a perfect game. An 11th grader at the time, Staman says the lone batter who did not strike out hit a grounder down the first base line. "I can see it rolling down there now." The batter was out at first but Staman lost his perfect game even while racking up a 3-0 victory.

general public for the first time during a tour of south-central United States and proved so popular that it has been booked for appearances throughout the nation.

The concert will get underway in the park at 5 p.m. In the event of rain the concert will be given in Central High School.

Local appearance of the widely acclaimed musicians was made through the Army recruiting station serving Northville.

Under the direction of Colonel Hal J. Gibson, the band offers pulsating rock and modern jazz in a unique "big-band" manner, while the chorus offers today's ballads in its distinctively veiled and subtle stylings.

The show was exposed to the DAN COOK HAS CHANGED LOCATIONS... BUT HIS SERVICE IS AS FRIENDLY AS EVER. COOK'S STANDARD SERVICE now at 47407 W. 7 Mile at Beck 349-9847

Senior Citizens 'Tulip' Trip Set Saturday

A trip to the Holland, Michigan, Tulip Festival this Saturday, May 20, is the next of a host of events for Northville's active Senior Citizens' Club. The eight-year-old club also is making plans to honor its charter members at its monthly dinner meeting at 6 p.m. Tuesday, May 23, at Northville First Presbyterian Church.

A bus will leave Kerr House at 7 a.m. Saturday for the Dutch festival. Mrs. Richard Sharon, president, points out that the charter bus that usually takes the seniors to the ball game is cancelled for that Saturday.

Kerr House, the new center for seniors on Cady Street, Mrs. Sharon adds, now is open for club members to drop in every Wednesday afternoon from 1 to 5 p.m. The 46 charter members who formed the club in 1964 will be honored at the dinner program next Tuesday in the church fellowship hall. The committee in charge of arrangements includes Mrs. Sharon, Mrs. Oscar Hammond, Mrs. Lottie Powers, Mrs. Clarence Harsch and Mrs. Sidney Frid.

It was in January, 1964, that the club elected its first slate of officers, who also served as its first board of directors. Mrs. H.A. Boyden, still an active member, was chosen president with Mrs. Mary Slessor, vice-president. Mrs. Emma Reid, treasurer; and the late Mrs. Percy Angove, secretary.

Nine of the original group have died and six others are no longer able to attend the senior meetings with several now in nursing homes. They, however, are receiving notes of appreciation from the club. Planners stress that the program will be short and informal with charter members free to sit with their friends as they wish.

Other recent activities of the club this month include an enjoyable evening at the Plymouth Theatre Guild's production of "Any Number Can Die." Mrs. Sharon

reports that 20 attended. At its May 9 meeting the club heard Ron Griffith, director of community services at Schoolcraft College, outline the aim of the college and its foundation to institute a program of community services. He explained features it is hoped can be offered later to seniors in Northville and other areas in the college district.

Northville's president, Mrs. Sharon, is serving on a Schoolcraft senior advisory group.

Attends Meet On Insurance

Kenneth R. Rathert of Northville Agency, Inc., was among 18 especially-selected independent insurance agents and brokers from several states attending the recent regional Producer-Company Council sponsored at Osage Beach, Missouri.

At the Producer-Company Council meetings, independent agents and C&F company personnel have an opportunity to discuss current needs of the insurance-buying public and how they can best cooperate to provide the insurance products and services the public seeks.

Deadline Near For Dog Tags

City and township dog licenses expire May 31, officials remind owners. The one-year licenses are \$2 and may be obtained at the city and township offices. Both report license sales are below last year's figures, with the township having sold 100 compared with 1,000 sold by May last year.

City officials note 80 licenses have been purchased by dog owners so far, down from the 138 sold by May, 1971.

C. HAROLD BLOOM AGENCY, INCORPORATED OVER 38 YEARS EXPERIENCE TRAILER INSURANCE MOBILE HOMES MOTOR HOMES WE INSURE BY TELEPHONE CALL 168 W. MAIN-NORTHVILLE 349-1252

REMEMBERED—While Mr. and Mrs. Fred Kidman, 359 North Rogers, no longer are able to attend meetings of the Northville Senior Citizens, they are being remembered by the club as it honors its 46 charter members who formed the group in 1964. The committee is hoping many of the original founders will be on hand at the dinner program at 6 p.m. Tuesday at Northville Presbyterian Church. Longtime residents, the Kidmans are parents of Mrs. Clyde Ferguson and Essie Nirider.

Little Red Schoolhouse Nursery Mrs. Larry Beaupre—Director 349-5029 or 455-5554 A PRIVATE SCHOOL WITH AN EDUCATIONAL PROGRAM FOR CHILDREN THREE THROUGH FIVE YEARS OF AGE. Has your child made his own play dough, painted on an easel, given a puppet show, explored the floor of a forest, made a collage, picked apples and made his own applesauce, danced with scarves to music under the branches of a large tree, experimented with what floats and what sinks, played a real snare drum, toe painted, sung with a group of children while accompanied by a guitar, baked and frosted his own cookies, made a chemical garden, been exposed to several hundred of the very best children's books, worked with red pottery's clay, played in a tree house, fed a baby rabbit, or made his own toys with hammer and nails? If not, the Little Red Schoolhouse Nursery will provide him with these wonderful experiences. We are now enrolling children for the 1972-73 school year. Aids Council

Jaycees Plan Benefit Dance

Northville, Plymouth and Canton Township Jaycees are co-sponsoring a "Council for Community Concerns Benefit Dance" scheduled for June 16 at Roma Hall in Livonia. Council for Community Concern (CCC) is a broad based non-profit corporation serving a 72 square mile area including Plymouth, Northville, Canton Township and Northville Township.

Involving concerned youth and adult volunteers as well as community professionals, CCC's goal is to coordinate response to community problems, according to a Jaycee spokesman. Present major emphasis of CCC is directed toward helping troubled youth. CCC operates drop-in crisis and counseling centers in Plymouth ("Our House") and Northville ("U-KAN"). Buzzline and Rapline are emergency telephone services housed at these facilities. A similar facility is planned for Canton Township as soon as operating funds are available.

Recognizing the need for coordinated programming and elimination of duplication of effort, the Northville Jaycee group recently voted unanimously to join CCC. The governmental bodies of Plymouth and Canton Township recently extended official recognition of CCC and pledged financial support. Main purpose of the benefit dance is to raise funds for CCC. "However, to be truly

Notice of Public Hearing Township of Northville Planning Commission

At a meeting of the Northville Township Planning Commission to be held in the Northville Township Hall on May 30, 1972, a public hearing will be held at 8:00 p.m. to consider the following: AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE, MICHIGAN DEALING WITH OFF-STREET LOADING AND UNLOADING REQUIREMENTS AND CLARIFYING FRONT YARD SETBACKS IN THE INSTANCE OF A FRITE STREET OR RIGHT-OF-WAY AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACT OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS, AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDING HEREAFTER ERRECTED, THE LIGHT AND VENTILATION OF SUCH BUILDING, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS: PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by amending Section 12.14 and adding thereto a new subsection to read as follows: (c) All loading and unloading in the I-1 Industrial District shall be provided as a totally off-street facility in the rear yard, or in interior side yard, but shall in no instance be permitted in required minimum front yard. PART II. That the Zoning Ordinance of the Township of Northville is hereby amended by amending Section 11.1 and adding thereto a new subsection to read as follows: (p) In the instance of a private street or right-of-way, the applicable front yard setback shall be measured from the nearest edge of the right-of-way easement or pavement, whichever is the greater. If the pavement is nonexistent and if an easement has not been recorded, then the setback shall be established by the Board of Appeals after it receives recommendation, concerning the setback, from the Planning Commission.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision. A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination. ATHLETIC BOOSTERS—Newly elected officers of the Novi Athletic Boosters are gathered around Mrs. Delphine McAllen, as they inspect a program from Monday's High School Athletic banquet. From left to right are Keith Branch, president; John Osborne, high school athletic director; Eugene Pisha, treasurer; and Maurice Ford, vice-president. Mrs. McAllen is secretary of the club. More than 130 high school athletes and cheerleaders were honored at Monday's banquet.

Margaret Morse She'll Graduate

Margaret Morse of Northville will be graduated from Saint Mary's Academy June 2. The daughter of Mr. and Mrs. Kenneth G. Morse, 44154 Cottisford Road, is a member of the largest class ever to be graduated from the 130-year-old Academy.

Commencement speaker will be Dr. Peggy Cooper SMA '64 of Washington, DC. Dr. Cooper was named One of the Seven Outstanding Young Women in America last year by Mademoiselle magazine for her work in establishing a program for the aid of disadvantaged children in the District of Columbia. Miss Morse, who entered the Academy after studying

Rummage Sale Set Saturday

St. Luke Methodist Church will sponsor a rummage sale Saturday, May 20, from 9 a.m. to 2 p.m. Highlighting the sale will be old nursery school chairs offered for \$1.50 each. The church is located at the corner of Five Mile and Haggerty roads.

TV TARGET Chuck Machael Two networks, ABC and CBS, have been making movies not just for TV but for screening at the local theaters and drive-ins like "For Love of Ivy," "They Shoot Horses, Don't They?," "The Reivers," and "A Man Called Horse" out of CBS. Major Hollywood studios have begun to think this causes a problem. Hollywood says the networks are monopolizing the movie-making business. The networks, on the other hand, simply insist that they are trying to keep up with the rising demand for such films.

Did you know that A & A TV REPAIR, 4299 Grand River Ave., Novi, 349-0140, gives fast, expert and efficient service on all makes of tvs? Call us now—we're as near as your phone. NORTHVILLE PUBLIC SCHOOLS— NORTHVILLE, MICHIGAN

What Parents Are Asking About Northville's Voluntary, Experimental 45-15 Year-Round School Program

- Q. Will my child have the same teacher for the complete school year (180 days of school)? A. Yes. Teachers will follow the same schedule as the children (45 school days in class, 15 days on vacation).
- Q. How will teachers be selected for the program? A. All teachers will be voluntary — just like the children.
- Q. Will Art, Music and Physical Education be provided for the children in the Experimental Program? A. Yes. All regular program offerings will also be made available to the Experimental Program children.
- Q. Must we keep our children in the program once it gets started? A. We hope you will. However, we are interested in what is best for your child and, as a result, will cooperate in any way we can.
- Q. How long will this Experimental Program last? A. For at least one year (1972-73) and, hopefully, three years (1972-73 through 1974-75) if proper funding is maintained and parents want their children in it.
- Q. Is there a chance of expanding the program beyond the fifth grade? A. Yes — but only if the community wants it. When we go beyond the fifth grade, we must think in terms of all students at a grade level rather than a section or two, as can be the case for grades K-5.
- Q. What steps is the district taking to provide for room temperature control during summer operation? A. Nothing. One of the questions we hope to answer during the first year of operation is whether air conditioning is a necessary factor to the operation of a year-round school program. Time schedule changes may be instituted this summer if temperature control becomes a problem.
- Q. How many children will be assigned to each room? A. Approximately 25 per room.
- Q. Can our child enroll in the program if we live outside the Amerman School area? A. Yes. Transportation will be provided for any child living in the Main Street School or Moraine School attendance areas.
- Q. What will happen if too many children volunteer? A. We will place them on our waiting list. (We can handle up to 300 children the first year; 75 have volunteered already.)
- Q. How will children be selected for the program? A. First come, first served — by pre-registration application date.
- Q. How will pupil progress be reported? A. In the same manner as the regular program: report cards and parent conferences.
- Q. Will children in the Experimental Program be exempt if Northville is included in cross-district busing? A. They will not be excluded unless they fall within the group which criteria identify for assigning all children in the District for cross-district busing.
- Q. Which session will kindergarten children attend — A.M. or P.M.? A. We won't know that until all volunteers have been determined and we can establish how they line up with our regular kindergarten bus run program.
- Q. Will children in the Experimental Program in the same family always be on the same school and vacation schedule? A. Yes — unless you request otherwise and a schedule change is possible.
- Q. How many sections do you plan to operate? A. Hopefully, we will have enough children to operate one section at grades K, 1, 2, 3, 4 and 5. If enough volunteers, we will operate two at each level, with one section starting on July 31 and a second section starting on August 21, 1972.

SEE ANNOUNCEMENT OF PUBLIC MEETINGS AND 45-15 SCHEDULE ON PAGE 5-C.

SEMCOC's Park Plan Irks Novi Manager

Obviously displeased, City Manager George Athas revealed the latest proposal from SEMCOG for the creation of parklands in Novi.

SEMCOC—the Southeastern Michigan Council of Governments—is a regional planning council for the southeastern part of the state. Composed of numerous local municipalities (Novi has been elected to become a member), it proposes to

provide an overall, long-range planning perspective not available through the functioning of each isolated, legislative unit.

But Athas and several members of the Novi council have little respect for the organization.

Prefacing his report of the latest SEMCOG "Open Spaces" proposal, Athas told the council "the idiots have decided not to become a member," he then proceeded to relate the plan

which called for a regional park to be created in the northwest sector of the city.

"What really bothers me about this proposal," said Athas, "is that they have taken a good 20 percent of our prime industrial land for their park. And what makes it worse," he continued, "is that they submitted their plan on one of our zoning maps, so they darn well knew that

we've got that area planned for industry."

Athas also questioned the wisdom of creating a park in an area which contains a heavily-used railroad trunk and a major sewer plant.

The proposal was the second one submitted to the council by SEMCOG. In September they submitted a plan which was also roundly criticized by the council. That

other council members discussed the advisability of creating parks within Novi.

"There are areas in Novi which would be ideal park lands," said the Mayor. "and God knows we need open spaces in the proper spots."

Councilman William Brien suggested that parks have a "strong" letter to SEMCOG. Mayor Joseph Crupi recommended moderation, however, and Athas proposed that SEMCOG

already owns 500 acres—planned for the "New Town" development two years ago—which could easily be converted into some sort of a regional park.

Sole objection to such a park was raised by Councilman Donald Young, who said he was opposed to any type of metropolitan area regional park in Novi due to the numerous problems it

would create for the city in terms of police responsibilities.

Athas was given permission to write a letter objecting to the latest SEMCOG proposal.

At the same time, however, the council left him with the general direction to be somewhat receptive to further discussion regarding creation of a major park within the city.

Novi PO Gets New Processing

Novi Post Office has become part of Area Mail Processing, one of the newest innovations of the U.S. Postal Service.

Postmaster Gordon J. Blackburn announced, "The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of the Central Mail Processing Center, he explained.

The Royal Oak Post Office, according to Blackburn, is a facility serving 40 associate post offices in Michigan.

"Area Mail Processing is a plan whereby eventually all mail originating at these offices will be consolidated at the central facility for complete preparation and processing for outgoing dispatch."

"All mail deposited in letter boxes designated for the deposit of mail for Local Delivery Only, and all mail deposited in a receptacle in the Novi post office which is designated for the deposit of mail for Local Delivery Only will be postmarked with the postmark of the Novi office."

"The mail for local delivery will be processed at that office. The outgoing mail will be dispatched to the area mail processing center."

The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of the Central Mail Processing Center, he explained.

Blackburn urged Novi customers to no longer use the word "city" on mail addressed for local delivery, but rather spell out the name and add the zip code.

A revised delivery service also has been proposed by the Novi office to Detroit Metro Center to assure earlier and more efficient service to Novi customers, he said.

One additional route is to be added to the present force. Tentative approval for annexation and enforcement of its provisions and to prescribe penalties for the violation of its provisions. To provide for a board of appeals and its powers and duties:

NOTICE OF PUBLIC HEARING TOWNSHIP OF NORTHVILLE PLANNING COMMISSION

At a meeting of the Northville Township Planning Commission to be held in the Northville Township Hall on May 30, 1972, a public hearing will be held at 8:00 p.m. to consider the following:

AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE MICHIGAN DEALING WITH THE REGULATION OF OUTDOOR ADVERTISING AND OUTDOOR SIGNS OF ALL TYPES IN ALL ZONING DISTRICTS

An ordinance enacted under Act 184, Public Act of 1943 of the State of Michigan, as amended, to provide for the establishment of zoning districts lying wholly within the unincorporated parts of the Township of Northville, Wayne County, Michigan within which zoning districts the use of land, natural resources, and structures, including tents, and trailer coaches, the height, the area, the size, and the location of building hereafter erected, the light and ventilation of such building, the area of yards, courts and other open spaces, and the density of population shall be regulated: To provide further for a method of administration and enforcement of its provisions and to prescribe penalties for the violation of its provisions: To provide for a board of appeals and its powers and duties:

The Township of Northville Ordains:
Part I. That the Zoning Ordinance of the Township of Northville is hereby amended by repealing Section 12.18 and replacing it with a new section to read as follows:

SEC. 12.18 SIGNS:
The purpose of this section is to regulate outdoor advertising signs and outdoor signs of all types in all zoning districts. The regulation of outdoor advertising and all signs is further intended to enhance the physical appearance of the Township, preserve scenic and natural beauty of designated areas, to make the Township a more enjoyable and pleasing community, and to create a more attractive economic and business climate. It is intended by the provisions of this Ordinance to reduce sign or advertising distractions reducing traffic accidents; to reduce hazards that may be caused by sign over-hanging or projecting over the public rights-of-way; and to avoid the "canceling out" effect of conflicting adjacent signs.

1. Definitions:
For the purpose of this section, the following terms defined herein shall be interpreted as follows:

a. Sign: Means the use of any words, numerals, figures, devices, designs or trademarks by which anything is made known such as to show an individual firm, profession, business, product or message and are visible to the general public.

b. Accessory Sign: Is a sign which pertains to the principal use of the premises.

c. Non-Accessory Sign: Is a sign which does not pertain to the principal use of the premises.

d. Advertising Sign: Shall be known as a non-accessory sign and shall relate to a business, use or service not carried on the premises upon which the sign is placed.

e. BILLBOARD: Means an advertising sign over twenty square feet in area, but does not include:
(1) A political sign.
(2) A time or weather sign.
(3) A vehicle advertising sign.

f. Bulletin Board or Announcement Sign: Means a business sign of the following nature:
(1) Existing church services.
(2) Stating religious activities.
(3) A directory of offices or activities within a building or group of buildings.

g. Business Sign: Shall be known as an accessory sign and shall relate to the business, activity or service conducted on the premises upon which the sign is placed.

h. Festoon Sign: Means a business sign where incandescent light bulbs, banners or pennants or other such features are hung or strung overhead and are not an integral physical part of the building or structure they are intended to serve.

i. Flashing, Animated or Moving Signs: Means a sign that intermittently reflects lights from either an artificial source or from the sun; or sign which has movement of any illumination such as intermittent, flashing, scintillating or varying intensity; or a sign that has any visible portions in motion, either constantly or at intervals, which motion may be caused either by artificial or natural sources.

j. Ground Sign: Means a sign not attached to any building, and supported by uprights or braces or some object on the ground; and is a type of freestanding sign, not a pole sign.

k. Identification and Name Plate: Means a business sign stating the name of a person, firm or name or description of a certain permitted use.

l. Maximum Size of Sign: Means the total area of a sign included within the rectangle, triangle, or circle caused by encompassing the outer-most portions of the sign or around the outer-most edges of a sign formed of letters or symbols only. An area so created shall include all solid surfaces as well as all openings and shall include all sides serving as a sign surface.

m. Political Sign: Means a sign relating to the election of a person to public office, or relating to a political party, or relating to a matter to be voted upon at an election called by a public body.

n. Projecting Sign: Means a sign attached to a building or other structure and extending in whole or in part more than twelve (12) inches beyond the surface of the portion of the building line or extending over public property.

o. Pylon: Means a type of pole sign with a clear space of not less than ten (10) feet between the bottom of the face of the sign and the grade.

p. Real Estate Development Sign: Means a business sign placed on premises of a subdivision or other real estate development to indicate a proposed start or to inform relative to availability.

q. Real Estate Sign: Means a business sign placed upon a property advertising that particular property for sale, or for rent, or for lease.

r. Temporary Sign (Without Permit Required): Means a business sign with or without letters and numerals, such as window signs in business and industrial districts, of light-weight cardboard, cloth, plastic or paper materials and intended to be displayed for special events, sales and notices. Temporary signs shall not be permanently fastened to any structure including posts with permanent footings. Such signs shall not exceed six square feet in area and shall not be intended to have a useful life of more than fourteen (14) days. Permits for the erection of this nature of sign shall not be required.

s. Temporary Sign (With Permit Required): Means a business sign with or without letters and numerals such as land sale signs, subdivision openings, construction signs, seasonal events or public and semi-public functions as permitted in all use districts. Such signs shall be constructed of permanent weather resistant materials and shall be fastened to posts with permanent footings as opposed to attachment to a building. Such signs shall not exceed eighty (80) square feet. Permits for erection of this nature of sign shall be required.

t. Vehicle Business Sign: Means a vehicle sign when the vehicle upon which the sign is painted or attached is parked or placed upon the owner's premises primarily for advertising purposes.

u. Wall Sign: Means a sign painted on, erected on or fastened against the wall or roof area of a building structure with the exposed face of the sign in a plane approximately parallel to the plane of such wall and not extending more than (12) inches beyond the surface of the portion of the building wall or roof area on which painted, erected or fastened.

NUMBER AND SIZE OF SIGNS:

Sign	RM-1		RM-2		RM-3		RM-4

Vehicle Business Sign	50	6	50	6	50	6	50	6

NOTES:
(a) The maximum size of wall and pylon signs shall be regulated as follows:
(1) Wall signs: The maximum size of the sign shall not exceed ten (10) percent of the total area of the front facade, including the area of all fenestration, and in no instance shall the wall size exceed two hundred (200) square feet in area.
(2) Pylons: The maximum size of the sign shall not be in excess of one (1) square foot of sign area for each one thousand (1,000) square feet of land area. In the instance of a multi-story building, a pylon shall be permitted to equal sixty (60) square feet of sign surface area as a minimum and in no instance shall the size of the surface exceed two hundred (200) square feet. Pylons shall not exceed twenty (20) feet in height. Pylons shall not penetrate the minimum required front yard setback. In a shopping center developed as a comprehensive unit, only one pylon, not to exceed three hundred (300) square feet, shall be permitted and used to identify the overall center.
(c) The Maximum size of wall and pylon signs shall be regulated as follows:
(1) Wall Signs: The maximum size of the sign shall not exceed ten (10) percent of the total area of the front facade, including the area of fenestration, and in no instance shall the wall size exceed two hundred (200) square feet in area.
(2) Pylons: The maximum size of the sign shall not be in excess of one (1) square foot of sign area for each one thousand (1,000) square feet of land area. In the instance of a multi-story building, a pylon shall be permitted to equal sixty (60) square feet of sign surface area as a minimum and in no instance shall the size of the surface exceed two hundred (200) square feet. Pylons shall not exceed twenty (20) feet in height. Pylons shall not penetrate the minimum required front yard setback. In a shopping center developed as a comprehensive unit, only one pylon, not to exceed three hundred (300) square feet, shall be permitted and used to identify the overall center.
(c) The Maximum size of wall and pylon signs shall be regulated as follows:
(1) Wall Signs: The maximum size of the sign shall not exceed ten (10) percent of the total area of the front facade, including the area of fenestration, and in no instance shall the wall size exceed two hundred (200) square feet in area.
(2) Pylons: The maximum size of the sign shall not be in excess of one (1) square foot of sign area for each one thousand (1,000) square feet of land area. In the instance of a multi-story building, a pylon shall be permitted to equal sixty (60) square feet of sign surface area as a minimum and in no instance shall the size of the surface exceed two hundred (200) square feet. Pylons shall not exceed twenty (20) feet in height. Pylons shall not penetrate the minimum required front yard setback. In a shopping center developed as a comprehensive unit, only one pylon, not to exceed three hundred (300) square feet, shall be permitted and used to identify the overall center.

(2) Pylons: The maximum size of the sign shall not be in excess of one (1) square foot of sign area for each one thousand (1,000) square feet of land area, and in no instance shall the size of the surface exceed one hundred fifty (150) square feet on each side. Pylons shall not exceed twenty (20) feet in height. Pylons shall not penetrate the minimum required setback.

(d) In residential districts, reference to bulletin boards and pylons shall be limited only to uses such as churches, schools, municipal uses and those uses permitted under Section 4.1 and 4.2 of the Zoning Ordinance.

3. Required Conditions:
The following shall apply to all signs erected or located in any use district:
a. In all districts, only one accessory sign per building shall be permitted; however, in buildings having more than one (1) tenant, one (1) identification and name plate sign shall be permitted for each tenant.
b. No sign, except those established by the Township of Northville, the County of Wayne, State or Federal Governments, shall be located in, project into, or overhang a public right-of-way or dedicated public easement.
c. Every directional sign required for the purpose of orientation and direction when established by the Township of Northville, the County of Wayne, State or Federal Governments, shall be permitted in all use districts.
d. Whenever a billboard is permitted, it shall be located at least the following minimum distance from another legal billboard on the same side of the street:
Along Freeways - 600 feet apart
Along Major Thoroughfares - 200 feet apart

e. Signs mounted on a building shall not project more than twelve (12) inches horizontally beyond the wall of a building. Signs shall not be permitted to be painted directly on the wall of a building.
f. Signs mounted on a building shall not project above the highest point of any roof line or parapet of the building.
g. Pylon signs shall not exceed twenty (20) feet in height and shall not be placed closer than one hundred (100) feet to any adjacent residential district.

h. In all residential districts, the only signs permitted on a residential lot shall be a house number, an identification or name plate, not exceeding two (2) square feet in area, indicating name of occupant, a real estate sign used for advertising land or buildings for rent, lease, or sale. Real estate signs shall be located only on the land or building intended to be rented, leased or sold.
i. Pylon signs shall be restricted to only one (1) such structure per building.
j. A pylon, when ancillary to a single building, shall permit the name and address of the firm and any other advertising having to do with the principal use.
k. A pylon, when ancillary to two or more buildings, shall only have displayed on its surface the name and address of the complex of buildings.
l. A wall sign shall only be used to display the name of the firm, the address or a symbol, or type of business, and shall be placed only on the front side of the building.
m. All gas stations or shopping centers composed of a complex of retail outlets shall be permitted one (1) pylon sign for each major thoroughfare providing frontage to such use, wherever said frontage is equal to at least five hundred linear (500) feet. Double frontage of less than five hundred linear (500) feet along each street shall be restricted to one pylon sign per use or building complex. Gas stations or other permitted drive-in type facilities, when said facilities are located at the intersection of two major thoroughfares, shall be permitted to have both a wall sign and pylon.
n. Except for the following nature of signs, no sign shall be erected or installed unless and until a permit has been issued for such sign:
(1) Freestanding residential signs that include the name of the resident or residence and the address when said sign surface is less than two (2) square feet in area.
(2) Real estate signs used for advertising land or buildings for rent, lease or sale and having a sign surface of eight (8) square feet or less.
o. Temporary signs, with permits required, shall not be permitted for a period greater than twelve (12) months, and shall only be permitted after review and approval by the Township Board.
p. Directional signs within the lot area and behind the minimum front yard setback shall be permitted when said sign is placed so as to have its highest point below four (4) feet. Said directional signs shall not be used for advertising purposes, but shall direct vehicular or pedestrian traffic to parking area, loading area, or to portions of a building. Directional signs shall not exceed six (6) square feet in area, and shall not require permits.
q. Deviating signs from the standard set forth in this Section 12.18 shall not be permitted without first seeking a zoning change from the Township Board. The Board of Appeals, in extending a variance as a hardship, shall not vary any of the standards relating to do with maximum size of sign, location or height.
All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.
A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

NOTICE OF PUBLIC HEARING TOWNSHIP OF NORTHVILLE PLANNING COMMISSION

At a meeting of the Northville Township Planning Commission to be held in the Northville Township Hall on May 30, 1972, a public hearing will be held at 8:00 p.m. to consider the following:

AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE MICHIGAN DEALING WITH THE REGULATION OF OUTDOOR ADVERTISING AND OUTDOOR SIGNS OF ALL TYPES IN ALL ZONING DISTRICTS

An Ordinance enacted under Act 184, Public Act of 1943 of the State of Michigan, as amended, to provide for the establishment of zoning districts lying wholly within the unincorporated parts of the Township of Northville, Wayne County, Michigan within which zoning districts the use of land, natural resources, and structures, including tents, and trailer coaches, the height, the area, the size, and the location of building hereafter erected, the light and ventilation of such building, the area of yards, courts and other open spaces, and the density of population shall be regulated: To provide further for a method of administration and enforcement of its provisions and to prescribe penalties for the violation of its provisions: To provide for a board of appeals and its powers and duties:

THE TOWNSHIP OF NORTHVILLE ORDAINS:
PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by repealing Section 12.18 and replacing it with a new subsection to read as follows:
(d) For the purpose of computing the permitted number of dwelling units per acre, the following room assignments shall control:
RM-1
One Bedroom equals 2 rooms
Two Bedroom equals 3 rooms
Three Bedroom equals 4 rooms
Four Bedroom equals 5 rooms
RM-2
One Bedroom equals 2 rooms
Two Bedroom equals 3 rooms
Three Bedroom equals 4 rooms
Four Bedroom equals 5 rooms

Plans presented showing 1, 2, or 3 bedroom units and including a "den" or "library" or other extra room shall count such extra room as a bedroom for the purpose of computing density.
All units shall have at least one (1) living room and one (1) bedroom, except that up to ten (10) percent of the units may be of an efficiency apartment type, and not more than fifty (50) percent of the dwelling units of any development shall consist of one (1) bedroom units.
The area used for computing density shall be the total site area exclusive of any public right-of-way for either interior or bounding roads.
The total number of rooms (not including kitchen, dining, and sanitary facilities) shall not be more than the area of the parcel in square feet divided by two thousand (2,000) square feet in RM-1 District and divided by twelve hundred (1,200) in the RM-2 District.
All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township Planning Commission before making its decision.
A copy of the item scheduled for hearing is on file in the office of the Township Clerk during regular office hours for public examination.

NORTHVILLE PUBLIC SCHOOLS YEAR ROUND SCHOOL NOTICE OF PUBLIC MEETINGS

THE STEERING COMMITTEE OF NORTHVILLE PUBLIC SCHOOLS PROPOSED VOLUNTARY EXPERIMENTAL ELEMENTARY (K-5) YEAR ROUND SCHOOL PROGRAM FEATURING A 45-15 CALENDAR FOR STUDENT ATTENDANCE (9 WEEKS IN SCHOOL - 3 WEEKS ON VACATION) AND AN INNOVATIVE APPROACH TO CLASSROOM INSTRUCTION ANNOUNCES:

A GENERAL PUBLIC INFORMATION MEETING To Be Held on Wednesday, May 24, 1972 At The Northville High School Auditorium at 8 P.M. Keynote Speaker: George Jensen

CHAIRMAN,
NATIONAL SCHOOL
CALENDAR COMMITTEE
MINNEAPOLIS, MINNESOTA

THE PURPOSE OF THIS MEETING WILL BE TO GIVE A FULL EXPLANATION OF THE DISTRICT'S PROPOSED STATE SPONSORED, FEDERALLY FINANCED, EXPERIMENTAL PROGRAM AND TO EXPLAIN HOW IT COULD AFFECT YOU AND YOUR CHILD.
THIS GENERAL PUBLIC MEETING WILL BE FOLLOWED BY THE CONDUCTING OF THREE YEAR ROUND SCHOOL "INFORMATION CENTERS" TO BE HELD ON THE FOLLOWING DATES, TIMES AND PLACES:

May 30, 1972	Amerman School	7-9 p.m.
June 1, 1972	Moraine School	7-9 p.m.
June 6, 1972	Main Street School	7-9 p.m.

YOU ARE INVITED TO ATTEND ANY OF THESE CENTERS AT WHICH TIME PRE-REGISTRATION OF STUDENTS FOR THIS PROGRAM WILL BE ACCEPTED AND YOUR INDIVIDUAL QUESTIONS WILL BE ANSWERED.

'72 Summer Program Excites Director Prom

Continued from Page 1-C

With each trip being limited to 55 persons. Reservations may be made at the Recreation office.

A charge of 50 cents covers the cost of the Chimp show and train rides. Participants, all of whom are based, must bring or buy their own lunches. Volunteer mothers are needed to chaperone.

Nature Hikes

Nature Hikes in Kensington Metropolitan Park are planned July 5 and July 19, with each trip being limited to 55 persons. Reservations may be made at the recreation department offices, located on Cad Street behind the city hall.

Turtle Races

The annual turtle races will be held at the rear of the Scout-Recreation Building on Tuesday, July 11. Judging for the largest, smallest, best decorated and most originally decorated turtle will begin at 9:30 a.m. No snapping turtles are permitted—and participants must provide their own turtles.

Pet and Doll Show

This annual event will be held Wednesday, August 9 at the rear of the Scout-Recreation Building. Prizes are offered in dog, cat, bird and float classifications.

BOOSTER—VFW Post 4012 is one of the biggest boosters of Northville's Recreation Department activities, annually contributing monies to buy shirts and equipment for the department's summer baseball program. This year was no different as Commander Jerry Rotta (above) presented a \$500 check to Department Director Robert Prom.

New books available at the public library this week include:

ADULT

"How to Start a Small Business." Dr. Larry A. Lackey: Covers everything from capital needed to choosing an accountant and lawyer.

Also lists sources from which further information about specific businesses can be obtained.

JUVENILE

On display in the library for two weeks are books written by Orchard Hills students.

Michigan Week Luncheon Mayor's Aide to Speak

SPEAKER—An address by Walter R. Greene, assistant to the mayor of Detroit, will cap a visit to Northville by officials of Oxford, which has been paired with Northville in the mayor's exchange program on Our Government Day Monday.

Walter R. Greene, chief executive assistant to Mayor Roman Gribbs of Detroit, will be the guest speaker at the Michigan Week Mayor's Exchange Luncheon Monday at the First Presbyterian Church of Northville.

Sponsored by the Northville Rotary Club, the luncheon will be part of the club's regular noon meeting.

Greene's talk is slated to begin at 12:45 p.m.

His address will concern the effect of Detroit's problems on suburban communities such as Northville, Novi and Wixom.

Fifty-five year old Greene attended schools in Detroit, receiving a bachelor of arts in social science from the Detroit Institute of Technology in 1956 and a

master of arts in political science from the University of Detroit in 1961.

Married with two children, he is a former Army intelligence officer, having attained the rank of major. Immediately prior to his appointment by Gribbs in 1970, he served from 1967 to 1970 as deputy director of the Michigan Department of Civil Rights.

From 1942 until 1945, he served as a platoon commander in the South Pacific, and following discharge he was an investigator for a brief period with the Detroit Department of Public Welfare.

He was a training specialist and later research specialist with the Veterans Administration from 1946 to 1950, and from 1950 to 1953 during the Korean War he was an intelligence officer with the United States Army.

Following military service for the second time, he became a contract negotiator and adjudicator with the Veterans Administration.

Following military service for the second time, he became a contract negotiator and adjudicator with the Veterans Administration, and from 1956 to 1962 he was a field representative with the Fair Employment Practices Commission of Michigan.

From 1963 to 1966 he was the chief of equal employment with the United States Army Material Command of Michigan, and from 1966 to

At NBD, it's the same low flat closing fee, no matter what size house you buy

At NBD, we have a closing fee that has nothing to do with the size of your mortgage.

Instead, it's one low flat fee. One low flat fee whether you're buying a \$20,000 house. Or a \$100,000 house.

So you might say, the more you save at NBD.

Quite possibly save enough to pay for a new chair. A couple of tables. Perhaps even carpet a room.

And when you get your mortgage from NBD, we'll also give you a good estimate of how much your total cost of closing will be—including our fee, insurance, prepaid taxes, everything.

Which means, at NBD, we'll not only save you money on your closing costs. We'll also save you from any unexpected surprises when you sit down to close.

And those are just two of the reasons more people come to us to finance their new home than to any other bank in town. Come see us.

NBD's Flat-Rate Mortgage.

Parade Marks Memorial Day

Novi will honor its war dead Monday, May 22, as the traditional Memorial Day parade gets underway at 10 a.m.

Duane Bell, a veteran of World War II, will be honorary parade marshal.

This year under the direction of Philip Cozadd and James Leatherman of the Novi Jaycees; Peter Alcalá, chairman of the Parks and Recreation Commission; and Herbert Parah, president of the Fireman's Association, the Memorial Day activities will include the parade and memorial services at the Novi

Road Cemetery, the memorial at the Novi Community Building and the Orchard Hills Cemetery.

Cozadd expects one of the largest parades in the history of the event in Novi.

Led by various veteran organizations, the parade will include the Blue Star Mothers, the boy scouts, girl scouts, cub scouts, and brownies.

In addition, members of the Novi city council and Mayor Joseph Crupi will ride in cars in the parade, as will Todd Price and Mrs. Sandra Mitchell, presidents of the Novi Jaycees and Mr. and Mrs. Hugh Crawford, district Jaycee officers from Novi.

Officers of various Homeowner's Associations and the Novi Chamber of Commerce will also participate.

Featured in the 1972 parade will be the Novi High School marching band under the direction of Gordon Seiler.

Cozadd said he also expects a color guard from the National Guard and the "Muzzle Loaders," a colorful marching unit.

The Novi Fire Department,

Jaycees and Michigan Tractor and Novi Towing will also enter units in the parade.

Parade officials are expecting a substantial number of decorated bicycles and are offering a \$5 prize for the best decorated bicycle, mini-bike, and riding tractor.

Further entries from local organizations are welcome. Information is available by contacting Alcalá at 624-1088 or Cozadd at 349-7466.

All parade units should assemble in the vacant lot across from the Novi Cemetery at 9:30 a.m. The parade will then proceed to

School Board Names New Superintendent

A 38-year-old Southfield school administrator with a doctorate degree in education has been named superintendent of the Novi public school system.

By unanimous action of the board of education Monday, Dr. Gerald B. Kratz of 2310 Lathrop, Southfield, was hired as superintendent here effective July 1.

He will fill the post of Thomas Dale, who has resigned with the closing of the current school year.

The appointment ends a lengthy search for a new chief executive that involved assistance from college placement services, screening of dozens of applicants, and interviewing of many of the candidates who were given priority standing.

Dr. Kratz comes to Novi from Southfield where since 1969 he has served as assistant superintendent of instruction and employee relations.

Married with four children, Dr. Kratz was administrative superintendent of personnel services in the Huron Valley school system (Milford) from 1966 until taking the Southfield post.

He was an administrative intern to the superintendent of the Detroit Public Schools (1965-1966) and administrative assistant of employee relations in Detroit in 1969.

Dr. Kratz began his educational career as a teacher at Catholic Central High School in 1955. The following year he became a teacher at St. Theresa's High School.

In 1964-65 he was a teacher in the South Redford School District, and he taught night classes (driver education and recreational courses).

From 1960 to 1963 he coached track, from 1968 to 1962 was publication advisor, and in 1968-69 he was a guest lecturer for Michigan State University.

Receiving his bachelor of science degree from Wayne State University in 1955, he was awarded a master's degree in education from the same institution the following year.

He received a humanities degree from Columbia University in 1964, and in 1969 received his doctorate from Wayne, majoring in curriculum development.

His doctoral dissertation was on collective bargaining. He assisted Dr. Samuel Brownell negotiate the first collective bargaining agreement in Detroit in 1966, assisted A.V. McCutcheon negotiate in Detroit the following year, and from 1967 to 1969 negotiated teacher and non-teacher contracts in the Huron Valley system.

His professional background has included: Camp director of youth activities, conducting teacher workshops, chairman of

the steering committee investigating a House plan concept, past official of the Michigan High School Athletic Association, and member of several professional associations.

He has been affiliated with the Parent-Teacher Association, member of the Redford Township Economic Opportunity Commission (1960), the Jaycees (now an "exhausted roster"), past president of the Huron Valley Human Relations Association, past representative of the Torch Drive, and a member of Kiwanis.

He served in the Air National Guard from 1957 to 1961 and in the Air Force Reserve from 1961 to 1964.

Dr. Kratz becomes the sixth Novi superintendent since the district was consolidated.

First superintendent Dr. William Medlyn served four years until he was replaced by Tom Culbert in 1961. Culbert remained until 1965, and was temporarily replaced by Gerald Hartman, who was named acting superintendent.

Later in 1965, Robert Young of Freeland twice accepted the post and twice rejected it, serving only three weeks on the job before Dale was hired in January, 1966.

Appointment of Dr. Kratz fills Dale's post, but the post of Assistant Superintendent, T. Richard Hendrickson, who resigned recently to accept a superintendent's post this summer in Williamson, is yet unfilled.

While there has been no confirmation by the board, rumors suggest Dale may be considered for the assistant's post.

The salary of the new superintendent has not yet been fixed by the board.

DR. GERALD KRATZ

'72-73 Budget Adopted

Although Wixom's 1972-73 budget has been boosted to a new record high, just under \$700,000, the operational millage rate was peeled back slightly for the third straight year.

In giving the new budget its unanimous stamp of approval Tuesday night, the city council also fixed the millage rate at 5.7 mills following the public hearing. This rate, explained Mayor Gilbert Willis, represents a one-tenth mill decrease.

Also approved was a 4.4

mill decrease, against the city's sewer debt.

Only one change in the budget was made Tuesday, and no citizens raised any objections or comments about it during the hearing.

Overshadowing the new budget, however, was the disclosure that a government grant for expansion of the city's sewage disposal plant has been approved.

Cost of the project, which Mayor Willis predicted will get underway before June 30, was put at \$1 million, with the government picking up 80-percent of the cost.

Because of federal government participation, which has long been sought by Wixom, officials are confident no increase in debt millage will be necessary.

First word of the grant's approval was contained in a letter from State Representative Clifford H. Smart. The letter was read to the council at a special meeting last week Wednesday.

Calling it a "bread and butter" budget, Mayor Willis explained that the decreased operational millage rate was made possible by holding cost increases to a minimum and because of an increased equalized valuation, which was pegged at \$59,925,000.

Willis also noted that committed but unused funds from the present year's budget have been recommitted in the new budget, accounting in part for the record-high document.

Last year's budget was approved at just over \$625,000. Revised budget estimates, however, anticipate that this figure will climb to more than \$665,000 before the end of the fiscal year.

Lone budget change made Tuesday was prompted by a suggestion of Councilman Gunnar Mattila that the outlay for snow removal supplies be increased by \$1,000—from \$2,500 to \$3,500.

Metzler argued that in light of past costs for snow removal, the \$2,500 was unrealistic. He noted that citizens had raised "static" over the snow removal outlay.

In voting on this measure, two of the six councilmen voted "no." They were Mrs. Mary Parvu and Councilman Dr. Val Vangieson.

The change means \$1,000 is to be transferred from the contingency reserve to the snow removal account.

Questioned by Councilwoman Parvu, Mayor Willis disclosed that budget plans call for expansion of fire department facilities. He said negotiations for property is underway, but he declined to disclose details or location so as not to jeopardize the transaction.

Major salary increases in the new budget include:

For Randolph Drain New Tax Eyed

Efforts to find an equitable and feasible method of financing drainage districts has led the Novi city council to consider the possibility of spreading an ad valorem tax over the entire city.

The whole question of drainage districts arose at Tuesday's council session when City Manager George Athas presented a report on the latest status of the Randolph Drain negotiations.

That discussion soon broadened, however, as Athas advised the council that several other drainage projects were of impending concern.

"The Randolph Drain could well be expensive," he said, "but it wouldn't be difficult to arrive at a special assessment. However, we have the Paternales Drain matter staring us directly in the face when we complete the Randolph Drain and that would probably be an absolute impossibility to assess."

In as much as the financing of the Randolph Drain would set a precedent for the financing of future drain districts, Athas told the council it should set a precedent which could be easily applied to all drainage districts.

The Randolph Drain matter has been before the council for some time. Covering a major portion of Northville and that part of Novi west of Taft and north of Eight Mile Road, the natural drainage district was disrupted when Northville allowed developers Thompson and Brown to construct Lexington Commons on a flood plain south of Eight Mile.

Representatives from Novi and Northville met with an Oakland County Interdistrict Drain committee to arrive at a solution. After nearly a year of long, hard-fought sessions filled with charges and counter-charges, a settlement is near.

"There is still some question about the total cost of the project," Athas reported, "and there is still some question as to whether the piping will stop at Eight Mile Road and come up into Novi at a later date or come up into Novi now."

"It's our position," the city manager continued, "that we will not get involved in the matter unless we have a full legal guarantee from Northville that if we do stop at Eight Mile now—in the future, when we were ready to develop the area, Northville will not deny us capacity in the line."

Much of the controversy between the two cities centered around the division of costs. Northville originally wanted a 50-50 division, but Novi argued that in as much as the Drain covered a significantly larger percentage of Northville than Novi, that the Novi land to be serviced by the Drain was largely undeveloped property while the Northville land had been developed, and that the problem had been created by Northville in the first place, a more equitable division of cost should be arrived at.

As matters presently stand, Novi will have to pay 24 percent of the cost.

Next week's meeting will be held Tuesday, May 30. As usual, the council will meet in the City Hall at 8 p.m.

Announce Plans For Graduation

United States Representative Jack McDonald will be the featured speaker at the fourth annual Novi High School commencement exercises slated for Tuesday, June 6, at 8 p.m.

School Board President Gilbert Henderson will distribute diplomas to the 115 members of the class of 1972.

In a break with tradition, commencement exercises will be held outdoors on the high school football field.

Announcement that McDonald would be the commencement speaker was made Monday by High School Principal Hal Seymour, who outlined the schedule for the year-end activities.

Senior's Honor Convocation will be held Tuesday, May 30, at 9:30 a.m. in the School Commons. Parents are urged to attend as awards and scholarships are presented to outstanding individuals, Seymour stated.

Senior exams will be held Wednesday through Friday, May 31 to June 2, while senior commencement rehearsals will take place Thursday and Friday, May 25 and 26, and

KIDS VERSUS COPS—It'll be Wixom's first annual "Kids versus Cops" softball game tomorrow (Friday) at 4 p.m. behind the Wixom City Hall. Led by Chief George VonBehren and City Attorney Gene Schnelz, Wixom's "finest" will take on a crew of local teenagers in the crucial showdown.

Here David Henry (left) takes an "eagle's claw" victory over Police Investigator Walter Sprenger, while Records Clerk Larry Rouke eyes the proceedings. The game is part of the city's Hospitality Day festivities in its week-long celebration of Michigan Week.
