INSTRUCTION BALLOT FOR VOTERS

WAYNE COUNTY, MICHIGAN

GENERAL ELECTION — TUESDAY, NOVEMBER 7, 1972

TO VOTE YOU MUST —

1. Turn SWITCH LEVER to RIGHT.
2. To vote the PARTISAN BALLOT (WHITE SECTION) you must follow STEP A, B or C.
NOTE: Candidates for President and Vice-President must be voted for as a unit, and the vote cannot be split.
A. To vote a STRAIGHT TICKET: TURN DOWN the Lever of your Party. Your Party Ticket has now been registered.
B. To vote a SPLIT TICKET: TURN DOWN your PARTY LEVER. TURN UP the Lever at the Right of the candidate's name you wish to eliminate and TURN DOWN the Lever at the Right of the name of the candidate for whom you desire to vote.
C. To vote a MIXED TICKET: DO NOT turn any PARTY LEVER but TURN DOWN the Lever at the Right of the name of each candidate for whom you desire to vote.

NOTE: The following must be voted separately. The straight party lever does not operate voting printers for non-partisan offices.

3. To vote the NON-PARTISAN BALLOT (BLUE SECTION) TURN DOWN the Lever at the Right of the name of each candidate for whom you desire to vote.
4. To vote the QUESTIONS (RED SECTION) TURN DOWN the "YES" or "NO" Lever at the Left of each Question.

NOTE: To vote for a candidate on this ballot: Push the Release Trigger and at the same time push back the Metal Slide to the left of the office for which he is a candidate and write or place the candidate's name on the paper exposed.

TO CORRECT A MISTAKE Turn back the Lever voted in error and turn down another in its place.

CAUTION: Be SURE all VOTED LEVERS are down in proper position with crosses showing like this —

NOTE: This Ballot is printed in 3 colors to assist you in voting.

THE NOV NEWS
SERVING THE CITY OF NOVI AND THE CITY OF WIXOM

Vol. 17, No. 26, Two Sections, 28 Pages Thursday, November 9, 1972 — Novi, Michigan 15c Per Copy, \$6 Per Year in Advance

Voters Turn Out in Record Numbers

ELECTION DAY - 1972—The majority of the voters in both Novi and Wixom had to endure long waits in line before being able to cast their ballots in Tuesday's national presidential election. In Novi, some 4,179 registered voters showed up at the polls in spite of the day-long rains. The polls in Wixom were open to 11:40 p.m. when the last of 992 voters stepped into the machine to register his choices.

O'Brien, Jolly Fail In Bids for Election

In spite of a day-long drizzle, both Novi and Wixom experienced record turnouts of voters in Tuesday's national presidential election that kept election officials up into the wee hours of the morning tabulating ballots. George McGovern had conceded victory and NBC News had terminated its election coverage with the comment "there's little more to report" when the last Wixom voter entered the voting machine at 11:40 p.m. All Novi voters had cast their ballots by the scheduled 8 p.m. closing of the polls, but close to 300 absentee ballots which had to be tabulated without the aid of a voting machine stalled tabulation procedures considerably. It was 3 a.m. in both communities before all votes had been counted and sent to the county seat in Pontiac. The number of voters who cast ballots Tuesday showed a marked increase over the number of voters who participated in the last national presidential election in 1968, reflecting the population growth in both Novi and Wixom. Actual percentage of registered voters showing up at the polls Tuesday remained about the same in Novi, however, and took a decided dip in Wixom, which has a traditionally high percentage of voter turnout. Novi had an 82 percent voter turnout as 4,179 of 5,100 registered voters cast ballots. In 1968, 81 percent of Novi's 3,300 voters turned out. Wixom's percentage of voter turnout fell from 90 percent in 1968 to just 75 percent in Tuesday's election, as 992 of the city's 1,325 registered voters indicated their preferences. The same Republican landslide which swept the nation was mirrored by Novi and Wixom voters, as only a few Democratic candidates were able to cut into the almost 2-1 margin afforded their Republican opponents across the board. Novi and Wixom have traditionally been Republican strongholds. President Richard Nixon and Senator Robert Griffin were endorsed by 2-1 margins in both cities. The only Democrat able to pull more votes than his Republican counterpart was Oakland County Sheriff candidate Johannes Spreen, who was given a scant 1,339-1,718 edge over Leo Hazen by Novi voters. Wixom endorsed Hazen's nomination by a 456-380 vote. Of particular interest to local voters were the races between Wixom incumbent Republican Law Coy and Novi city councilman William O'Brien for Oakland County Commissioner and incumbent Judge Martin Boyle and Novi resident Terrance Jolly for the judgeship of the 52nd District Court which serves the Novi-Wixom areas. —Presented distinguished service plaques to Mary Louis Taylor and Peter Alcala. Mrs. Taylor served on the Community Building Board for many years, while Alcala is a former chairman of the Novi Parks and Recreation Commission. Both Mrs. Taylor and Alcala were thanked by Mayor Joseph Crupi for their years of "service to the city." —Directed City Attorney

The Winners

WILLIAM BROOMFIELD

CLIFF SMART

Township Boasts 94% Turnout

Ninety-four per cent of the 100 registered Novi Township voters went to the polls in Tuesday's election. National, state and county partisan results were in favor of the Republican party and all five Republican candidates for township offices were unopposed. Proposal B, the abortion issue, was the closest race with 47 yes votes and 44 no. The voters in the township came out in favor of daylight savings time and against Proposal E which, if approved, would allow the state to borrow funds for tuition benefits for veterans. Proposal C to limit property tax was defeated as was the graduated income tax which received 76 yes votes and 17 no. Richard M. Nixon came out on top of the presidential race receiving 73 votes over the narrowest of victories by

But Reject 4-Year Mayoral Term

Wixom OKs 4 Amendments

Wixom voters have turned down one of the five proposed amendments to the Wixom city charter. A total of 79 per cent, or 992 of Wixom's 1,325 registered voters, voted on the changes. The term of the city mayor will remain at two years rather than the four years recommended by the charter revision committee. Voters cast a majority of votes to defeat the proposal. The difference was about 100 votes. Proposition 5, which will require Council to adopt a set of rules of order, won by the biggest margin. As the charter stood previous to the election, there was no provision for a set of rules to be required for use in Council meetings. Also approved was Proposition 2 which has amended the charter of Wixom to extend the term of office for the mayor and councilmen to begin the second Monday in January next following the regular city election. The charter formerly read that the elected officials were to take office on the Monday after the election. The passage of Proposition 4 has given the City Council of Wixom the authority to grant up to two weeks severance pay to terminated employees. This is to be based upon the annual base salary of the employee. Previously, there was no provision for this in the charter. By a margin of nearly 100 votes, Wixom citizens have amended the city charter to read that the mayor has ninety days after taking office to make appointments rather than the thirty days previously provided for in the charter. According to City Attorney, Gene Schnetz, all of the proposals which were approved become effective immediately, with the exception of "those which are excluded by their very nature."

Seek Limits on Billboards

Novi Nears Sign Ordinance

An ordinance designed to establish standards for the size and placement of signs within the city of Novi is currently nearing completion. City Attorney David Fried told the city council Monday that he had been asked by the Novi Planning Commission to review a proposed sign ordinance and give his opinion on its legality. The Planning Commission, which is charged with the preparation of the ordinance, will revise the proposed legislation and then submit it to the council for final approval. A public hearing is required before the ordinance can be adopted. Fried informed the council Monday that he saw no difficulties with the ordinance and recommended that the Planning Board is preparing except for one portion that eliminated all billboards in Novi. "In my opinion this cannot be done," said the attorney. "You can establish rigid restrictions as to where billboards can be placed and how big they can be, but to eliminate them altogether would probably not stand up in court. I recommended to the Planning Board that they take a stand on every issue to come before council by casting a vote but exclude him as a member of council. This was not permitted on the ballot because of what the Attorney General's office called "a contradiction in terms." Another proposal which was never approved for placement on the ballot was one which would provide for filling a vacancy on the council with the council candidate from the last election who was within five per cent of the vote cast for the last elected

Council Finds More Funds

An additional source for funding the paving of Meadowbrook Road was uncovered Monday as Novi City Attorney David Fried told the city council that an additional charge could be levied on property owned by developer Kaufman and Broad. The additional funds will amount to approximately \$25,000. Fried's pronouncement answers a legal question raised by Councilman Edwin Frennell at the time the council passed the seventh of seven resolutions which established the special assessment district to finance the paving of the road. At the time the council adopted the ordinance, which requires developers to pay the full cost of paving half the road that abuts their property at the time they receive final plat approval. Under the assessment district established for Meadowbrook Road, Kaufman and Broad was only assessed \$14 per front foot—the amount assessed against each individual property owner—even though the per front foot cost of paving half the road was \$43. The reason K&B was charged the lesser figure lay in the timing of the ordinance which was passed. At the time the council adopted the ordinance, K&B had already received preliminary plat approval from their Heatherwood subdivision. The question then was whether the ordinance could be applied to K&B since it hadn't been adopted until preliminary plat approval had been granted. Frennell claimed that since K&B has not yet come in for final plat approval, ordinance could indeed be enforced. "But then City Attorney Howard Bond disagreed with the councilman, and the council proceeded with the ordinance." —Continued on Page 16-A

Wet Voters Swamp Northville Polls

Some Wait Two Hours

Longest election lines and longest waits in local history were set Tuesday as voters swamped polls in both the city and township. Some voters in the township (above) waited for more than two hours to cast their ballots. It wasn't until

11:30 p.m. that the last vote was cast. Biggest turnout in history, the election here helped President Richard Nixon pile up a landslide victory across the nation.

Last Ballot Cast After Nixon Wins

A wallpaper ballot, rain and a whopping turnout of voters plugged local polls here Tuesday as Republicans garnered wide vote margins in both the city and township of Northville. Despite a steady drizzle, voters crammed the polls throughout the day, with some voters waiting two hours or more to cast their ballots. In the township, 100 electors were still waiting to vote some two hours after the polls closed. In fact, it wasn't until Senator George McGovern was delivering his concession speech at 11:30 p.m. that the last township voter cast his ballot. Counting of absentee ballots continued well into early morning hours in the township and until shortly before midnight in the city. Percentage of voter turnout was 80-percent or better in most city precincts but in the township the turnout was well off the pace set in 1968. Of the 4,485 registered voters in the township, 3,480 cast ballots (not including 390 absentees) for a 77.5 percent turnout. Four years ago the turnout was 87-percent. Best township turnout was in Precinct 3 with 76-percent. The city's best voting precinct was 3 (in Oakland County), where 83-percent of the electors cast ballots. The overall turnout was 80.69 percent—two percentage points less than registered in 1968. President Richard Nixon gave a ringing local endorsement, just as he also claimed a nationwide landslide. In the city the turnout ran better than 2 to 1, garnering 1,656 votes to McGovern's 705. His margin was even greater in the township where he picked up 2,156 votes to McGovern's 834 (not including absentees). Local electors also joined with voters elsewhere to give Republican Congressman Marvin Esh a victory over State Representative Marvin Stempien and best Northville's R. Robert Geake, also a Republican, into the Michigan Legislature. It is Stempien's state House of Representatives post that Geake will assume in January, Stempien, a former Northville city attorney,

Wixom Forms Cub Pack

A new cub scout pack is being formed at the Loon Lake Elementary School in Wixom. Boys between the ages of eight and 11 years old are invited along with their parents to attend an organizational meeting at the school, Tuesday, November 14, at 7:30 p.m. The school is located at 2151 Loon Lake Road. Pack 102 will be headed by Cub Master Edward Styre. Den Mothers to assist Styre will be selected from the parents of boys joining the pack. Sponsored by the Loon Lake School PTA, the pack has already been given a boy scout flag by the Wixom Police Department. The Loon Lake Veterans of Foreign Wars Post has donated an American flag to the scout. Further information about the cub scout pack is available by calling the Loon Lake School.

Same Name, Different Man

What's in a name? Just back from Texas, former township supervisor George Clark was flabbergasted to read his name last week in an advertisement endorsing for supervisor candidate Larry VanderMolen. Friends wondered, too, asking the Republican, now living in the City of Northville, why he would be endorsing a township candidate... a Democratic candidate to boot. "I checked the directory and found, to my surprise, that it was the name of a township resident living in King's Mill. Unfortunately, people who know me automatically think I'm the person giving Mr. VanderMolen the endorsement." Clark, the former supervisor, lives in the city at 849 West Main Street. The other Clark lives at 18111 Jamestown Circle.

Wild Game Leads Menu

Delicacies such as elk, caribou and moose will be on the menu for the annual Alaskan Wild Game Dinner sponsored by the Lamplighter Lions of Livonia. The dinner is scheduled for two evenings, Wednesday, November 15, and Thursday, November 16, from 6 p.m. to 10 p.m. each evening at the Iyld Wyld Golf Club, 35780 Five Mile in Livonia. The total proceeds from the dinner will go toward buying Christmas gifts for the Alaskan children whose families were devastated by recent floods along the Alaskan coastline. According to a Lions Club spokesman, many of these children have never received gifts at Christmas time. Tickets will be available at the door and the cost is \$2.50 for adults and \$2 for children.

Snowmobilers Plan Dinner

Northville Snowdrifters snowmobile club is planning a dinner dance tomorrow, Friday, at 7 p.m. at the Elks Club in Plymouth. Members interested in attending are asked to call Mrs. Frank (Mary) Kocian at 349-5090 for further information. Spokesmen for the club reminds members that upcoming winter trips and outings will be posted on the bulletin board at Cal's Gulf, 202 West Main Street. The next meeting of the Snowdrifters will be held at 8 p.m., Wednesday, November 15, at 470 East Main Street.

JONATHAN JEWELERS 150 E. Main 349-6160

HALLOWEEN TREATS—Gypsies, witches and skeletons who ventured into downtown Northville last week were in for a surprise of their own. Cider and popcorn were given out

to the costumed goblins by the Northville City Auxiliary Police (top) and the volunteer firemen (below).

Crowd Packs Race Opener

Jackson's action at Northville Downs swept to a sensational start Monday night as 4,015 fans flocked to the first session of the 47-night meet, to wager \$349,526. Both were opening night records for the Leon A. Slavin-directed late fall-winter meet. The turn-out of fans far exceeded the previous best, a crowd of 3,150 in 1970. They had wagered more than the \$252,000 record of 770 by the sixth race, and went on to miss a \$100,000 increase by less than \$2,000. Only a late scratch in the 4th-race perfectly, requiring refunds prevented a much larger final handle. Speed broke out with the first race, and remained the order of the night for most of the events on the card. Clarence Ayotte, driving Royal Plaid, went quickly to the front and remained there for a first race victory in 2:09.95. Through the middle of the card five consecutive races were clocked at 2:10 or faster, with the swiftest of the night being the 2:07 registered by Nibble C. in the featured eighth race. Owned by Floyd and Eva Cheek, New Hudson, Nibble C. driven by Gordon Norris was another to use quick speed and staying power to get the job done. The 7-year-old was overlooked by the crowd and returned \$16.00 for the win, its fourth of the year. Gerry Banfield, Farmington resident who topped the drivers in wins at the recently completed Jackson meet with 29 victories, was off to a great start in the same race here, scoring two wins on the opener, as did Jim Merriman, Jr. There were no particularly large pay-offs on the opening program despite the fact that horses from Hazel Park, Jackson, Lebanon, and Wheeling Downs were competing in the same events. Top trotters and pacers are expected to see action in the feature races Friday and Saturday night, with the pacers going in the first leg of the Jackson-at-Northville late closing series.

City Acts to Boost CBD Fire Protection

Preliminary engineering for a new water tap for the central business district was ordered Monday by the Northville City Council following a report on downtown fire protection. The tap would be located at Center and Cady streets, and probably will cost upwards of \$30,000, according to City Manager Frank Ollendorf. This new tap would represent the first of several steps recommended by the Insurance Services Office of Michigan (ISOM) as a means of beefing up fire protection in downtown Northville. Study of the downtown needs was launched several weeks ago after the Northville Chamber of Commerce voiced concern in the wake of a number of costly fires. ISOM recommended a full-time fire inspector, increased supply of water to the central business district, increased water line sizes in the CBD, and additional hydrant locations. An aerial ladder, however, was not deemed important "as long as our tallest building is three stories," Ollendorf told councilmen. The inspector also encouraged installation of sprinkler systems in downtown stores, pointing out that in most cases the savings in insurance premiums would pay for such installation within seven to 10 years. Additional training for volunteer firemen was also advised, and the city council Monday appropriated an immediate \$500 allocation for this purpose. In other business Monday, the council—Approved a carryout liquor transfer for D&J Good Time Party Store, which is under the same ownership but which has incorporated. Approved temporary transfer of funds from one account to another, totaling \$16,000 and earmarked for repayment within 30 days. Approved names for private streets in the Lexington Commons development on the north side of Eight Mile Road. Concurred with the city planning commission's endorsement of the Oakland County Planning Commission growth policies. Named Rosanne Cook acting clerk for two weeks (for the duration of the voting period), with the appointment of Hilda Boyer to the post to take place upon completion of the two-week period.

For Township Board

It's Clean Sweep for GOP

While Senator George McGovern was giving his concession speech in the Presidential election, township electors were casting ballots, voting in a full slate of Republicans. Last of the township's 3,480 voters left the polls at 11:40 p.m. Tuesday. Leading the Republican ticket was unopposed incumbent Treasurer Joseph Straub with 2,311 votes. He was followed closely by unopposed constable candidate Paul DeJohn with 2,175 votes. Also elected were Lawrence Wright, supervisor, 2,019 votes; Sally Cayley, clerk, 2,150 votes; Trustees John MacDonald, 2,138 votes; and Richard Mitchell, 1,765 votes; and unopposed constable James Schrot, 2,121 votes.

Vendors Named For 'Millionaires'

Area residents seeking to become instant millionaires will get their first crack at the chance Monday when the state lottery tickets go on sale in 11 Northville business places, seven in Novi and one in Wixom. Designated by the newly created Michigan Bureau of Lottery as official area agents permitted to sell the tickets are: In Northville—Cal's Gulf, D&J Good Time Party Store, Hamlet foods, Kroger's, Lorenz Pharmacy, Northville Drug, Northville Hotel (Wagon Wheel restaurant), Spagy's Grocery, Six and Park Party Store, Jack Room, and Winner's Circle bar. In Novi—Novi 196 Shell, Novi Drugs, L&H Service Center, Willowbrook Market, Dolan's Service Center, Jack's Meat Market, and Meadowbrook Pharmacy. In Wixom—Wixom Bar. For selling tickets vendors are to be paid 5-percent of their ticket sales. Manufacturers National Bank of Detroit, Northville branch, one of the 103 banks in the state designated to deliver tickets to vendors, had not yet received its supply of tickets early this week. As a matter of fact the bank had not been formally notified of the names of vendors for which it is to provide tickets.

Students Favor Nixon, Teachers Go McGovern

Students and teachers at Northville High School have some differences of opinion when it comes to politics. Take for example the race for President. In a mock election Thursday—six days before the real Presidential election—students gave President Richard Nixon a two-to-one edge over Senator George McGovern, 596-254, while teachers favored McGovern, 24-18. And just as they supported the Republican nominee, students also gave Republican Senator Robert Griffin a healthy edge over Attorney General Frank Kelley, 502-320. And teachers were even more heavily inclined to the Democrat in this race than for President, giving Kelley a 25-14 edge. In a real cliff-hanger, Republican Congressman Marvin Esh eked out a one-vote victory over State Representative Marvin Stempien, 402-401, in the student poll. Teachers did not vote on this Congressional race in the mock election. The vote on the state proposals also showed students differing from

NEWS BRIEFS

AREA SERVICEMEN who will be serving overseas during the Christmas holidays will, as in the past, receive packages from the Veterans of Foreign Wars. To be sure no one else is missed the district VFW is asking people to submit names of eligible servicemen and women, their addresses and serial numbers to the Northville VFW Post 4012, 438 South Main Street, no later than Monday, November 13.

RETIRING TOWNSHIP Supervisor Gunnar Stromberg and Clerk Eleanor Hammond will be honored at an open house Thursday, November 16. Sponsored by township employees, the open house will be held from 4 to 7 p.m. in the township offices. The public is invited to attend.

PUBLIC HEARING on the school district's proposed 1972-73 budget is scheduled for 8 p.m. Monday. The budget is pegged at \$3.876 million, highest in the school district's history.

FIRST STEP in what might eventually become a series of out-county satellite centers for county facilities became a reality Friday as the Wayne County Board of Commissioners approved a budget including a \$250,000 outlay to establish such a center at the Wayne County General Hospital. Some proponents of this plan hope the satellite plan will one day include out-county court facilities as well.

IT WAS A GOOD or bad month, depending upon the viewpoint, as the city's receipts from District Court for September hit \$6,618.78—highest for one month ever. Normally, the city collects an average of \$4,000 monthly. The increase reportedly is due to increased police activity.

COURT ACTION on violators of Northville's new law prohibiting revolving and/or flashing signs is in the offing, according to city officials.

College Hosts Olympic Coach

Continued from Page 6-A

conclude with a question and answer session that runs from 9-10 p.m.

There is a registration fee of \$2.50. Heading the Fall Wrestling Clinic Saturday, November 11, will be Dr. Harold Nichols, coach of the Iowa State University wrestling team which has won four of the last five NCAA Tournaments.

Two of Dr. Nichols' former wrestlers - Dan Gable and Ben Peterson - won Gold Medals in the Olympic games at Munich.

Registration for the clinic will be from 8-9 a.m. There is a fee of \$2 per wrestler and \$3 for coaches, although coaches with ten wrestlers from their team attending will be admitted free.

Active participation will be allowed for those who so desire. Dressing facilities will be available.

Now will be the clinic instruction from 9:40-4:30 p.m. and 11 a.m. till 12:45 p.m. with a 15 minute break in between. A question and answer session will run from 12:45 p.m. to 1:30 p.m. and four mats will be made available for informal workouts after 1 p.m.

For further information regarding either clinic contact Schoolcraft College Athletic Director Marvin Gans at 591-6400.

COUNT 'EM UP—Moraine Elementary students spent Halloween trick or treating to raise funds for the school-wide UNICEF campaign. Besides collecting money, the students saved labels from products which may be redeemed for UNICEF contributions.

Tallying the collection are, from left to right, Carreanna Martin, fifth grade; Bert Eirehart, second grade; Leslie Neal, fourth grade; Suzanne Philippeau, third grade; and Katie Schmidt, first grade. The school collected more than \$300 in the campaign.

Federal Loan Request For Police Radio Revised

Northville still hopes to secure federal funds for new police radio equipment but it appears now the city may have to share a bigger portion of the cost than originally anticipated.

Council Rejects Zoning Request

The state, which passes on applications for federal monies, had rejected the city's initial request because of cities of under 25,000 population, such as Northville and Plymouth, are not eligible for federal funds to provide their own dispatch functions.

A rezoning appeal to permit development of multiple housing on Taft Road was turned down Monday by the Northville City Council. In voting against the request (5-0), the council ratified the recommendation of the planning commission which earlier, by a 3-2 decision, voted against the petition of Dennis Roux.

Under this compromise, the federal government would furnish monies to purchase Northville's new base station and antenna, and it would pay 75 percent of the cost of a new radio console, three mobile radios, three new portable radios and installation, he explained.

Park Offers Film Lectures

Until March 31 park naturalists from the Huron Clinton Metropolitan Authority will be providing lectures accompanied by films or slides with an environmental education theme to schools in Livingston County.

Novi Vote A Record

Continued from Novi, 1

topped Democrat George Montgomery in Novi 2,563-1,131 and Wixom 325-283.

Of the five state proposals, only one, proposition A which called for Michigan to change to day light saving time, was endorsed by local voters.

In Novi the daylight savings time won by a 2,740-1,147 margin, while Wixom voters supported the proposal 356-331.

Proposals B, C, D, and E were all defeated in both communities.

Proposition B (abortion reform) was defeated 2,063-1,825 in Novi and 504-354 in Wixom.

Proposition C (limiting property tax for school financing and providing that the state legislature establish a plan for state-wide school financing) was rejected in Novi by a 2,506 margin and in Wixom by a 579-361 margin.

Proposition D, which would have removed the constitutional ban against a graduated income tax, suffered a 2,872-902 setback in Novi and a 632-205 loss in Wixom.

Proposition E, which supported borrowing money to give veterans tuition payments and bonuses, was rejected by Novi voters 2,371-1,388 and by Wixom voters by a 529-274 margin.

Wixom OKs Amendments

Continued from Novi, 1

councilman. This was rejected by the Attorney General as being against the law.

When the committee received word that the proposals would not be permitted on the ballot, it was decided by them and the council to change the necessary wording and send them to the Attorney General for approval in another election.

According to Schneke, there has not been time to have the previously rejected propositions reviewed again by the office because of Attorney General Frank Kelley's recent campaign for the Senate.

Members of the Wixom Charter Revision Committee were Mrs. Lillian Byrd, Arthur Cronin, Neil Taylor, Cass Schulte and Fred Morehead who was recently named to the city council seat vacated by Elwood Grubb's resignation.

the polls, but they said they heard few complaints from residents about the long wait, with most of the persons cooperative.

One group of Precinct 2 voters still waiting to cast ballots around 11 p.m. started a card game to occupy time.

A record 345 absentee ballots were cast, and it took until 4:30 a.m. Wednesday before they were counted.

Years Ago

FIVE YEARS AGO

A suit brought against the city of Northville by Randolph Street residents protesting the levying of assessments for the paving of Randolph Street was dismissed by a Wayne County Circuit Court judge. The judge ruled that the city had "acted in good faith" and that the street improvement had constituted a "substantial improvement to the abutting property."

A decision on whether or not to move the township offices to the city-located old library building or to expand the facilities on Franklin road was delayed by the township board until a study of comparative costs could be determined.

Gridders Earn Perfect Record

Northville's eighth grade football team put the finishing touches on one of its most successful seasons in recent history last week by downing Plymouth East 38-12.

The victory brought the eighth grade graders' season to an end and left them with a perfect 6-0 record.

"That makes us 9-1-2 overall," said Omar Harrison who coaches the eighth graders with Dave Schoop and the seventh graders with Ken Pawloski.

Harrison declined to single out any individuals for praise. "I don't want to mention any names because we've had so many kids who've done well and I wouldn't want to leave anybody out. You've got to have good performances from a lot of people to go 6-0."

"Our defense was especially good, though," he continued. "We had four shutouts in six games. Offensively, we did pretty well, too. We scored at least 18 as many as 38 points in one points in every game and had game."

SURROUNDED—Novi's Eric Hanson finds himself the object of considerable attention from boys of Ypsilanti Lincoln tacklers in Friday's game. The Wildcats' potent offense rolled up more than 350 yards rushing, but were only able to put 28 points on the scoreboard against the

tenacious Lincoln defenders—their lowest point total since the first game of the season when they were held to 26 points by Northville. Nevertheless, Novi won easily 28-0 and clinched the Southeastern Conference championship.

Novi Wraps Up 1st SEC Crown With 28-0 Win

Coach Tom LaFramboise is a practical man who takes pride in the fact that his near last place team held Novi to its lowest league score of the season. But he's more convinced than ever that the 1972 Wildcat edition is the finest squad to grace the Southeastern conference in many a moon. Better even than Chelsea at its peak, he insists. The Wildcats, who tomorrow take on Dearborn Crestwood in a final bid for an undefeated season, wrapped up the Southeastern Conference title Friday — its first — by shutting out LaFramboise's Ypsilanti Lincoln eleven, 28-0. The victory was Novi's eighth this season (seven in conference play) and the 12th straight since the Wildcats last lost a game against Chelsea (28-0) in mid-October of last year. Incidentally, that loss to Chelsea was the only defeat suffered in 1971. Friday's shutout was the fourth this season for the Wildcats, who blanked Chelsea (35-0), Dexter (48-0) and South Lyon (64-0) in succession. In the four other games this season, opposing teams were able to muster only a combined total of 37 points against Novi's stellar defense.

Lincoln's 4 where Pat Boyer plunged over for the score. In the second quarter, Novi ramped on its own 45 yard line. Jim Van Wagner—the real workhorse in Novi's 349-yard rushing performance—raced 55 yards up the left side of the field for the final score of the game. Van Wagner finished the game with 255 yards in just 14 carries. Lukkari kicked two extra points (one was blocked), and Boyer ran a two-point conversion. The Wildcats piled up 276 yards rushing in the first half, while limiting Ypsi to 74 yards. In the second half, Novi managed to pick up only 73 yards on the ground but Lincoln mustered only 31.

Statistical table for Novi vs Lincoln game, including First Downs, Passing Yards, Rushing Yards, etc.

Rosey Leads SEC Harriers

Cross-country was a brand new sport at Novi High School this year, but at least one Wildcat harrier—senior Kirk Rosey—performed as if he's been running the three-mile distance all his life. Rosey capped off a brilliant first year by winning the Southeastern Conference individual championship at the Inverness Country Club course in Chelsea last week. One year, one champion. Not bad work anyway you look at it. What's more, Rosey set only won the race, he set a new course record in doing it.

"I think we could have done much better in the league meet," commented Norgren. "If we'd have been healthy we could have taken first and second in the league meet." With the injury to Miller, most of the individual honors went to Rosey. Two weeks ago he finished tenth in the Class C regionals at Mayville, this was the qualifying for the state meet at Jackson, where he finished twenty-fifth in a pack of the state's top Class C harriers. But the real prize was the SEC championship. "It came as a real surprise," said Norgren. "Saline was expected to take first second, and third, but Rosey really upset them."

Final SEC Grid Standings

Table showing final SEC grid standings for Novi, Chelsea, South Lyon, and other teams.

In Grid Contest She's Top Winner

Easy winner in last week's football contest was Suzie Mach of 618 Fairbrook, who came up with just one wrong guess. She picked Air Force to beat Army. Second and third place winners, however, were closer with both coming up with two mistakes. But it was Tony Hamp of 4800 Eight Mile Road who took the second-place money by virtue of his more accurate guess of the score in Detroit's victory over the Chicago Bears.

An Aprilaire Humidifier. Humidistat-controlled, high capacity, Minimum maintenance. Call us for more information.

ELY Fuel Inc. 349-3350. 316 N. CENTER NORTHVILLE

Mustanger

Sophomore running back Doug Crisan was selected MVP of the week by Coach Chuck Shonta. Even though playing with an injury, the 6'3" 195 pound underclassman picked up 116 yards in 21 rushes against Milford and added 11 more yards to that total with a pair of pass receptions. It was the second consecutive game of 100 plus yards rushing for Crisan, who gained 148 yards against Brighton last week.

Wildcat

For the first time, Wildcat of the Week honors go to a member of Novi's cross-country team, as senior Kirk Rosey was selected for his outstanding performance over the past two weeks. After finishing tenth in the Class C regionals and twenty-fifth in the Class C state finals, the thin three-miler played the season by winning the Southeastern Conference individual championship in the record time of 17:10 last Thursday.

Offense Rolls, But Mustangs Fall 7-6

Psychiatry will have to come up with a name for it—the strange phobia which seems to take control of the Northville football team every time it gets within scoring distance of their opponents' goal line. Something like "end zone-aphria." Or, "six-pointitis." Regardless of what you choose to call it, however, the Mustangs suffered through an extreme bout of it against the Milford Redskins Friday night and—far from an extra point—were defeated by the score of 7-6. Frustrating? You bet. Between the 20 yard lines, the Mustangs moved the ball like—well, almost like Novi. But once inside the 20, the poor old Northville offense spluttered to a standstill and meekly surrendered the ball on downs to Milford.

The Mustangs scored an early touchdown: gave the Redskins their only touchdown of the game by fumbling the ball away on the 26 yard line; and then spent the rest of the game moving back and forth between the 20 yard lines. The Mustangs opened the scoring in the first quarter. Starting on the Milford 34, Northville failed to pick up a first down and was forced to punt. But Milford was called for illegal use of hands on the punt play and the Mustangs were awarded a first down on the Milford 41. Eleven plays later—with second down and seven yards to go for the first down from

Statistical table for Mustangs vs Redskins game, including First Downs, Passing Yards, Rushing Yards, etc.

ESCORP SERVICE—Northville's Doug Crisan (left) looks downfield as he leads interference for running back Jim O'Brien (42). Lately Crisan has been carrying the ball himself far more often than leading the blocking, as he had spearheaded the Mustang running attack by topping the century mark in yards gained in each of his last two games.

the eighth, sophomore running back Larry Pink took a pitch from McDonald and skirted carries and catching two passes for 11 more yards. McDonald was nine for 20 in the passing department for 90 yards. Ted Furges and Crisan each had two receptions.

REPLAY

with Chuck Shonta

It was a disappointed Chuck Shonta who sat dejectedly in the coaches' locker room following his Mustangs' 7-6 loss to Milford Friday night. "What do you do?" he asked. "How do you teach them to score?" "Between the 20 and the 20 you move the ball with no problem. But once we get inside those 20 yard lines we just don't seem to be able to do anything. It's frustrating. It's really frustrating." The Mustangs dominated the rest of the game and mounted drive after drive on the Milford goal. But when it came right down to crossing the goal line, the Northville drives always fell short.

In the second half, the Mustangs had twice as many first downs and ran off twice as many offensive plays as the Redskins. Early in the second half Northville had the ball first and ten on the Milford 13 yard line. But three plays netted only four yards and a fourth down pass fell incomplete as Milford took over on the nine. On another occasion the Mustangs drove from their own 21 down to the Milford 26 before their drive faltered.

Northville made one last attempt on the Milford goal late in the game, moving from the 50 yard line down to the 12. But with fourth down and four yards to go for the first, McDonald was caught for a two yard loss and Milford took over the ball with just 1:23 remaining on the clock. The final statistics showed that Northville had outgained the Redskins 229-111. But in the end, "end zone-aphria" had won out. Spearheading the Northville offense was sophomore quarterback Doug Crisan. The 6'3", 195 pound underclassman rushed for more than 100 yards for the second

Sherman, Taylor Win Honors

Two Northville players—wide receiver Bart Taylor and defensive halfback John Sherman—were unanimous choices to the Western Six Conference All-Star team named last Thursday. Five other Mustangs received honorable mention in the balloting. The All-Star team was named by the head coaches of the five Western Six teams in a special meeting last Thursday. According to league rules, each coach may nominate as many of his players as he so desires. After all nominations have been made, the coaches then vote for the all-star squad with no coach permitted to vote for his own player. A minimum of one of the five votes for the first team is required for honorable mention.

Steve Srikasian, who received two votes but lost out to Churchill's Rod Hawraney in a split decision. Other Mustangs receiving defensive tackle Dave McClain, junior linebacker senior nose guard and team Tom Rice; and sophomore co-captain Bill Norton; senior running back Doug Crisan.

Harriers 13th in State Meet

Tom Coram was the second Northville finisher, crossing the line in forty-sixth place. Dave Beers was sixty-ninth, Kevin Kofler was seventy-second, and Tim Hurley rounded out the Northville contingent across the line as junior Guy Cole in nineteenth place with a time of 15:30, just 23 seconds behind the winning time of 15:27.

REPLAY

with John Osborne

haven't been any games we haven't had just about wrapped up by half time. Osborne also agreed with LaFramboise's comments about VanWagner being one of the state's top backs and Boyer and Lukkari being right behind him. "I think he may have been particularly high on VanWagner because he gained almost 300 yards against him Friday," Osborne laughed. "I agree with him. As far as I'm concerned all three of them are among the best around and have fine futures in college ball." The victory officially wrapped up the SEC championship for the Wildcats—practically a foregone conclusion since they defeated Saline and left them just one victory away from their second goal—an undefeated season. "The 1972 season comes to close tomorrow when Novi hosts Crestwood."

6-3 Business and Professional Services: PROFESSIONAL Dry Wall & Textured Ceilings. Call Tom, 229-2687. Brighton 437-2687.

Horse's Mouth

This column is open to news of all breeds of horses and ponies. Send your questions, comments, and horse show news to "Horse's Mouth", care of South Lyon Herald, South Lyon, MI 48178.

Winner of the team competition at the Majestic Farm jumping show at Greenfield Village, Dearborn on October 22 was the Haverhill Farm riding team of Judy Obrist, Linda Lovgren, Margie Winkler and Sue Mills. With nine faults on an 11-jump course performed twice, the Haverhill team beat out a second place Mixed School team of Leann Ormsby and Michael Behrman of Stoney Ridge Farm. Terry Kinshuler of Haverhill and Carol Debradt of Majestic Farm. The second placers had 12 faults.

Third place team was Majestic Farm, 1300 West Joy Road, Ann Arbor; fourth, Whitehall Farms of Birmingham and fifth, Stoney Ridge Farm of Ann Arbor.

Peter Mathews of Majestic Farm, riding Centennial, was the winner of "Choose Your Own Line" with a time of 57 seconds. Whitney Walz also of Majestic Farm, on Animal Cracker took third with 71 seconds.

Horse show judges to meet the needs of Michigan's burgeoning horse industry for now and a decade hence will be whetting their skills in the Dec. 8-9 Horse Judging Roundup at Michigan State University.

About 350 horse owners, from age 14 years on up, horse club leaders, horse show judges and would-be judges are expected for the third annual event in MSU's Kellogg Center for Continuing Education and Livestock Pavilion.

Professional judging demonstrations and student judging competition will be highlights of the roundup. Friday afternoon lectures on the relation of form to function, inherent soundness and performance judging in the Kellogg Center will be new this year.

Halper class and showmanship judging demonstrations and judging competition will be held on Friday night; performance classes on Saturday morning, and special classes on Saturday afternoon, all in the Livestock Pavilion.

Horses for the demonstrations and the judging—Appaloosas, Morgans, Pains and Pintos, among others—will be provided by Michigan horse associations.

Horses are now a quarter of a billion dollar segment of the state's economy, according to Dr. Richard J. Dunn, MSU extension specialist, who plans the roundup. The state's horse population of around 176,000—most of them pleasure horses—is expected to double within the decade. Each year more than 500 horse shows are held in the state, and the number will increase as the horse population increases, he anticipates.

The roundup is sponsored by the MSU Cooperative Extension Service, Department of Animal Husbandry and Continuing Education Service.

A brochure, reservation forms and additional information may be obtained by contacting Dr. Richard J. Dunn, 104 Anthony Hall, MSU, East Lansing, Mich. 48823, telephone 317-353-1718, or Edward Farmer, conference consultant, 24 Kellogg Center for Continuing Education, MSU, East Lansing, Mich. 48822, telephone 317-355-4557.

DRESS REHEARSAL—Jim Van Wagner (right) makes a point in dress rehearsal for the Novi High School play, "The Death and Life of Larry Benson," to be staged Friday and Saturday. Curtain goes up at 8:15 p.m. in the high school commons. Admission is \$1.50. Approximately 40 students have worked for 10 weeks in preparation for the play, which concerns the experiences of a returning prisoner of war. Others in the picture are Cindie Barr (foreground), Greg Boyer and Eric Hansor. Other cast members are Mark Ferritta, Meg Garcia, LeRoy Harrison, Sandy Kovar, Rhoda Kreger, Claire McComas, Carlo Salow, Ingrid Schart, and Lucine Tafrafan. Faculty director is Calvin F. Schmucker, and student director is Eric Hansor.

But Novi Approves C-T

Rejects Multiples Zoning

Acting on the recommendation of the planning board, the Novi City Council Tuesday rejected one rezoning petition and approved another by a split vote.

• Killed was the petition of Donald Twork to rezone eight lots from R-1 (one family residential) to R-2A (restricted multiple family

County's Future Seen in Policies

Should Oakland County's population increase, remain constant or should it be decreased? This is but one of many questions explored by the county planning commission in development of a comprehensive growth policies statement that eventually will go to the Oakland County Board of Commissioners for adoption.

For the past several months local municipal officials have been studying the suggested policies, recommending changes and endorsing or rejecting the policies concept—first of its power in the nation ever to be tried on such a massive scale.

Officials of Northville—planning Commission and council—already have endorsed it; Lyon Township has completed an intensive review as has Novi; and South Lyon and Wixom are still reviewing it.

While Northville planners had a number of minor recommended changes and clarifications, they generally agreed with the concept, praising the county planning commission for involving local communities in its development.

Northville planners and councilmen were particularly pleased with the fact that the Oakland County Planning Commission, unlike Wayne County, "goes out of its way to assist local planners" even though a relatively small portion of the city lies within Oakland County.

Presently county planners are weighing the reactions of the municipal officials and their suggestions before preparing the final suggested document.

Composed of six chapters, the policies advance basic questions concerning planning and zoning in Wixom and Novi, and attempt to reach conclusions.

Citizens Invited to Flint

'Keep Doors Open' Urges School Proposal

An "excellent opportunity" to develop a program that can break through the governmental subdivision boundaries that presently divide Novi was seen Tuesday as the Novi Board of Education and community leaders explored the community education concept.

Meeting for the first time in the new mobile conference room next door to the high school, board members and a large number of citizens bubbled with enthusiasm following a presentation by an Eastern Michigan University official.

Wixom Denies Zoning Request

The Wixom City Council, acting on a recommendation from a city planning consultant, has concurred with a decision of the planning commission and denied a request for the building of multiple family dwellings in the city.

Action was taken on the matter at last Thursday evening's regular council meeting. A public hearing was granted the request of Michael Feiler to change 60 acres of land from single family zoning to permit construction of multiple dwellings.

The property is located west of Wixom Road on Cherm

Board Praises '72 Grid Champs

Novi's 1972 Southeastern Conference football champions, who Friday wrapped up an undefeated season, was lauded Friday in a special resolution adopted by the Novi Board of Education.

The resolution, which notes that "the measure of a quality program is not solely in the wins and losses but in positive attitudes and value development which take place in youngsters," makes these assertions:

"That during the season good judgment and sportsmanship prevailed."

"That the faculty and coaching staff has given of their time and energy."

"That the board of education is extremely proud of the excellent football team and devoted fans whose meaningful enthusiasm was a model for the entire school district."

"That the undefeated team has brought recognition to the entire community."

"Therefore be it resolved, the resolution concludes, that Friday, November 17, 1972 be declared Green and White Day with appropriate recognition given the team at a school assembly."

"Further, be it resolved that a copy of this resolution be presented to the high school principal by a member of the school board at that assembly..."

Tree Survives Construction

Saving a tree may have cost a house, Novi City Councilmen learned Monday as the Commemora Homeowners Association appealed for help in resolving a subdivision dispute.

According to Association President Charles Meredith, a house now well under construction in the subdivision fails to meet subdivision conveniences because it is less than 20 feet from the property line.

And the Association, he said, "is determined not to grant a variance."

The contractor (who was not identified) refused, said Meredith, to follow through on a commitment to purchase adjacent property to meet the 20-foot minimum restriction.

Meanwhile, Meredith indicated he is hopeful the contractor will yet purchase additional property to meet the side lot requirement.

But barring such action, cautioned Crup, the only other course open to the Association is a civil suit...and in view of the fact that the house is already up (though not completed) the mayor advised the homeowners he wouldn't bet on a favorable legal ruling.

3 to Review Applications

Three councilmen have been named to a screening committee by Novi Mayor Joseph Crup to review applications of candidates for city manager.

Named were Councilmen Denis Berry, Louis Campbell and William O'Brien.

The mayor Monday turned over some five applications already received for the position.

Undefeated!

Number One in the eyes of partisan fans, Novi's champion griders ended the season Friday on another successful note, defeating Class A Crestwood handily. Rated among the top three Class C team's in Michigan, the Wildcats so impressed Southeastern Conference coaches they garnered 10 positions on the SEC All-Star team. See story about Friday's game and the SEC selections on Page 17-A.
