**- Oakland County Retirees Association -
1999 - 2000**

At the annual business meeting May 19, 1999, the following officers were elected to two-year terms: **Tom Jackson, President; Donna Elliott, Vice President; Jane C. Chunovich, Treasurer; Ron Polley, Asst. Treasurer; Ann Devers, Secretary; and Betty Ockerman, Asst. Secretary.** **Gerald Miley and James McFarland** were elected Trustees, and **Joseph Mullen** is continuing his Trustee term. The 2000 meeting was held May 18 at the Silver Lake Golf Club. Reports at these meetings were presented by the Secretary, Treasurer, Membership Chairperson Donna Elliott and Memorials Chairperson Doris Schuchter, in accordance with the provisions of the OCRA bylaws.

The OCRA Executive Board and Advisory Committee are committed to carrying out the goals and objectives set forth in the bylaws which are:

- ◆ *Educate all present and future Oakland County retirees through newsletters and special speakers.*
- ◆ *Maintain an office that is easily accessible to all retirees.*
- ◆ *Encourage membership from the Defined Contribution group.*
- ◆ *Actively seek cooperation and/or affiliation with groups of similar interest and objectives.*

Ongoing activities are:

MEMBERSHIP: There is always considerable effort on the part of the Membership Chairperson to increase the number of members in the association. The challenge will be to keep membership up as many current county employees retiree under the new Defined Contribution Plan. OCRA encourages all retirees to join the association and to participate in its activities. Annual dues are \$5.

MEMORIALS: OCRA recognizes those member retirees who have expired with a \$20 memorial gift sent on behalf of the retiree. Each family is contacted regarding the charitable organization of their choice.

LEGISLATION: A board member is appointed to monitor local, state and national agencies to review legislation affecting seniors. This member reports to the Executive Board and recommends appropriate action, if necessary.

RETIREMENT COMMISSION: Shane Murphy was re-elected to a third, two-year term in 1999. He represents retirees at Commission meetings and assists the association with requests made to the Commission.

LUNCHEON MEETINGS & PICNIC: There are two luncheon meetings and a picnic each year. Attendance at these events has been good, especially the Christmas Luncheon.

RETIRES DIRECTORY & NEWSLETTER: A retirees directory is published every two years. The directory is an address and zip code listing of ALL retirees except those who do not want their information published. The newsletter is published three times a year - one month before each activity. The first two newsletters are sent to members only. The last one in November is sent to all retirees, along with membership applications and United Way material. The newsletter provides information re: social activities; OCRA business; news from retirees; a listing of those retiring from county service and those who have passed.

GOLF LEAGUE: OCRA sponsors a summer golf league at White Lake Oaks Golf Course with positions for 40 members. A League Secretary organizes the play and makes weekly reports of league scoring.

BENEFITS COMMITTEE: The Benefits Committee chaired by Joseph Mullen was reactivated and held its first meeting in September, 1999. This is the group that spearheaded the retiree increase in July, 1979 and the request for dental and vision benefits in 2000. Other committee members are Dick Beer, Evelyn Clelland, Gerald Miley and Shane Murphy. They will continue to evaluate retiree benefits and act accordingly.

THANKS TO - - - The Oakland County Retirees Association is most appreciative of the support and cooperation of: **County Executive L. Brooks Patterson; County Treasurer Hugh Dohany; Parks & Recreation Executive Officer Ralph Richard; Board of Commissioners members; and Retirement Commission members.** I look forward to continuing the work of the association with the goal of increasing member participation in our activities.

Tom Jackson, President

FORWARD

The following report covering the operations of the Oakland County Employees' Retirement System for 1999/2000 is submitted pursuant to the Rules of the Retirement Plan. Complete financial reports are detailed in the 1999/2000 Financial Report of the County of Oakland, prepared by the County Department of Management and Budget.

The Annual Report of the Actuary through September 30, 1999, is on file with the State of Michigan and with the Secretary of the County Retirement System. All reports required by the State Pension Committee for this period have been filed with that body.

BOARD ACTIVITY REVIEW

For the 31st straight year, County retirants were granted the maximum increase in their County Retirement Allowance under the 1-1/2% annual awards clause in effect since 1969.

The Commission has kept a close watch on its investment advisors, and has closely monitored their performance resulting in excellent returns. Our actuaries, Gabriel, Roeder, Smith, & Company, stated in their valuation report that our retirement system is in excellent financial condition based upon the actuarial principles of level percent of payroll financing.

56 applications for retirement were approved by the Commission in 1999. Fifty-six members were added to the Retirement Rolls during 1999. All qualified under Social Security in addition to their County benefits.

FINANCIAL STATUS

A complete financial report is included in the County's 1999 Annual Financial Report on file and; therefore, only those statements of general interest are set forth herein.

ASSETS AND LIABILITIES: The assets of the system, as of September 30, 1999, totaled \$790,888,633, an increase of \$92,107,014 over 1998. This included long term investments of \$769,757,903.

SOURCE AND APPLICATION OF FUNDS: The Commission, during 1999 had total receipts of \$111,668,264, disbursed \$19,561,250, and had cash and equivalents on hand at the end of the year of \$17,224,708.

Receipts of the system are derived from two principal sources, Employer Contributions and Earnings on Investments.

Disbursements are accounted for in the payment of retirement allowances and refunds of Employee Contributions. Of special note were payments of retirement allowances to our retirees and beneficiaries of \$18,217,053 and the transfer of \$1,344,197 to the County's Defined Contribution Plan for employees electing that option.
