**- Oakland County Retirees Association -  
20th Anniversary, 1978 - 1998**

Throughout the year the Oakland County Retirees Association celebrated its 20th Anniversary with special remembrances and activities. At the September 23 luncheon at the Silverdome-Main Event, the following early officers were honored: **Leo Halfpenny, Cadman Prout, Robert Lilly, LaMar Gilchrist, John Witherup, Shakey Godoshian, Ralph Florio, Betty Ockerman and Donald Tews.** The association is most appreciative of their contributions in establishing and maintaining the organization. We were privileged to have as guests former County Executive Daniel Murphy and his wife Carolyn, Executive Officer Douglas Williams and Personnel Director Judy Eaton..

The OCRA Executive Board and Advisory Committee are committed to carrying out the goals and objectives set forth in the bylaws which are:

- ◆ *Educate all present and future Oakland County retirees through newsletters and special speakers.*
- ◆ *Maintain an office that is easily accessible to all retirees.*
- ◆ *Encourage membership from the Defined Contribution group.*
- ◆ *Actively seek cooperation and/or affiliation with groups of similar interest and objectives.*

Ongoing activities are:

**MEMBERSHIP:** There is always considerable effort on the part of the Membership Chairperson to increase the number of members in the association. The challenge will be to keep membership up as many current county employees retiree under the new Defined Contribution Plan. OCRA encourages all retirees to join the association and to participate in its activities. Annual dues are \$5.

**MEMORIALS:** OCRA recognizes those member retirees who have expired with a \$20 memorial gift sent on behalf of the retiree. Each family is contacted regarding the charitable organization of their choice.

**LEGISLATION:** A board member is appointed to monitor local, state and national agencies to review legislation affecting seniors. This member reports to the Executive Board and recommends appropriate action, if necessary.

**RETIREMENT COMMISSION:** Shane Murphy served the second year of his term in 1998. He represents retirees at Commission meetings and assists the association with requests made to the Commission.

**LUNCHEON MEETINGS & PICNIC:** There are three luncheon meetings and a picnic each year. Attendance at these events has been good, especially the Christmas Luncheon. At that time there is a food drive for donation to The Lighthouse of Oakland County.

**RETIREES DIRECTORY & NEWSLETTER:** A retirees directory is published every two years. The directory is an address and zip code listing of ALL retirees except those who do not want their information published. The newsletter is published four times a year - one month before each activity. The first three newsletters are sent to members only. The last one in November is sent to all retirees, along with membership applications and United Way material. The newsletter provides information re: social activities; a letter from the OCRA President; news from retirees; a listing of those retiring from county service; and a listing of retirees who have passed.

**GOLF LEAGUE:** OCRA sponsors a summer golf league at White Lake Oaks Golf Course with positions for 40 members. A League Secretary organizes the play and makes weekly reports of league scoring.

**BENEFITS COMMITTEE:** This group continues to work on proposals for presentation to the Retirement Commission. The increase that was granted in July, 1997 was the first additional benefit in seven years.

**THANKS TO - - -** The Oakland County Retirees Association is most appreciative of the support and cooperation of: **County Executive L. Brooks Patterson; County Treasurer Hugh Dohany; Parks & Recreation Executive Officer Ralph Richard; Board of Commissioners members; and Retirement Commission members.** This being the last full year of my second, two-year term, I would again like to express my thanks to our officers, Advisory Committee and ALL OCRA MEMBERS who support us. I have enjoyed my tenure as Vice President and President and hope to remain active in the organization.

*Evelyn Clelland, President*  
1995 - 5/1999

## **FORWARD**

The following report covering the operations of the Oakland County Employees' Retirement System for 1998/99 is submitted pursuant to the Rules of the Retirement Plan. Complete financial reports are detailed in the 1998/99 Financial Report of the County of Oakland, prepared by the County Department of Management and Budget.

The Annual Report of the Actuary through September 30, 1998, is on file with the State of Michigan and with the Secretary of the County Retirement System. All reports required by the State Pension Committee for this period have been filed with that body.

## **BOARD ACTIVITY REVIEW**

For the 30th straight year, County retirants were granted the maximum increase in their County Retirement Allowance under the 1-1/2% annual awards clause in effect since 1969.

The Commission has kept a close watch on its investment advisors, and has closely monitored their performance resulting in excellent returns. Our actuaries, Gabriel, Roeder, Smith, & Company, stated in their valuation report that our retirement system is in excellent financial condition based upon the actuarial principles of level percent of payroll financing.

46 applications for retirement were approved by the Commission in 1998. 46 members were added to the Retirement Rolls during 1998. All qualified under Social Security in addition to their County benefits.

## **FINANCIAL STATUS**

A complete financial report is included in the County's 1998 Annual Financial Report on file and; therefore, only those statements of general interest are set forth herein.

**ASSETS AND LIABILITIES:** The assets of the system, as of September 30, 1998, totaled \$698,781,619, an increase of \$74,108,458 over 1997. This included long term investments of \$691,830,496.

**SOURCE AND APPLICATION OF FUNDS:** The Commission, during 1998 had total receipts of \$107,168,366, disbursed \$32,591,496, and had cash and equivalents on hand at the end of the year of \$1,995,354.

Receipts of the system are derived from two principal sources, Employer Contributions and Earnings on Investments.

Disbursements are accounted for in the payment of retirement allowances and refunds of Employee Contributions. Of special note were payments of retirement allowances to our retirees and beneficiaries of \$17,538,942 and the transfer of \$15,052,554 to the County's Defined Contribution Plan for employees electing that option.
