YOUR RETIREMENT ALLOWANCE

The County Retirement Plan provides for monthly allowances upon retirement from County Service for Life of the Retirant, based on years of service and final average compensation. Minimum qualifications are age 60 with ten years of service. Eight years will qualify for a deferred pension. Service time beyond age 70.

The Plan provides, at the option of the retirant, for proportionately reduced allowances to cover his selected beneficiary for the life of the beneficiary in addition to his own.

Federal Social Security benefits are over and in addition to the County retirement allowance.

Examples of coordinated County and Social Security benefits can be found on the adjacent table. For those who wish to more accurately estimate their future benefits the outline below can be utilized.

Step 1. AGE OF RETIREMENT:

Set down the age at which you expect to retire bearing in mind benefits cannot be paid before age 60.

Your Answer

Step 2. SERVICE TIME:

Set down the total number of years you expect to have worked for the County by the time you have set for retirement. *

Your Answer

Step 3. FINAL AVERAGE COMPENSATION:

Estimate your average annual compensation for the highest consecutive five years of your last ten years of service. If you are close to retirement age this will not be too difficult. If you are younger you can use your present annual salary allowing for such future increases as you feel can be reasonably expected by the time you have set for retirement.

Your Answer

Step 4. COMPUTATION OF REGULAR SERVICE RETIREMENT ALLOWANCE:

(A) Multiply your estimated FAC (Step 3) up to \$4200 by .01.

Your Answer

(B) Multiply your estimated FAC (Step 3) in excess of \$4200 by

Your Answer

(C) Add (A) and (B).

Your Answer

(D) Multiply (C) by your estimated service time (Step 2). This is your annual Service Retirement Allowance.

Your Answer

(E) For your monthly retirement allowance divide (D) by 12.

Your Answer

Step 5. MONTHLY RETIREMENT ALLOWANCE UNDER OASI:

Consult your Social Security Booklet available at your local Social Security Office. These contain simplified charts for estimating your current OASI benefits.

Your Answer

Step 6. OVERALL MONTHLY RETIREMENT ALLOWANCE:

Add answers under Step 4 (E) and Step 5 above.

Your Answer

^{*} No years counted after age 70.

FOREWARD

The following report covering the operations of the Oakland County Employees Retirement System for the two year period of 1965 and 1966 is submitted pursuant to Section 14 of the Retirement Plan. Complete financial reports are detailed in the 1965 and 1966 Financial Reports of the County of Oakland prepared by the County B \mathbf{o} ard of Auditors.

The Annual Reports of the Actuary through June 30, 1965 are on file with the State of Michigan and with the Secretary of the County Retirement System. All reports required by the State Pension Committee for these periods have been filed with that Body.

ACTIVITY REVIEW

Mr. Lyle Baker served as Chairman and Mr. Delos Hamlin as Vice Chairman of the Retirement Commission for both 1965 and 1966. Mr. Donald Kratt was elected December, 1964 as Employee Commissioner for a four year term effective January 1, 1965. In December, 1966 Mr. James W. Hunt was reelected Employee Commissioner to a new four year term effective January 1, 1966.

The Annual Retirement, Service Award, and Credit Union Banquet for 1965 was held at Pine Knob, March 31st. 23 Retirants were presented Certificates of Retirement at the affair. At the 1966 Banquet held March 7th at the Pontiac Elks Lodge an additional 32 Retirants were similarly honored.

In addition to regular business and consideration of Investment of Retirement Funds, principal activities of your Commission during 1965 were as follows:

- 1. A recommendation for a study to provide a suitable merit system for County Employees. Such a plan placed on the ballot by the Board of Supervisors was adopted in 1966.
- 2. A review of the election procedures for employee commissioners was undertaken. The period for casting ballots was liberalized; and, by an advisory vote of the members, 332 to 142, the idea of a primary vote was rejected in favor of the present method of election.
- 3. Adoption of new policies resolving conflicts between the language of the Retirement Act and the State Veterans Act regarding crediting of service time for members returning from the Armed Service.
- 4. Preliminary studies were initiated toward facilitating procedures for the handling of stocks and bonds purchases and for the better investment of retirement funds on a temporary basis pending purchase of such securities.
- 5. During 1965 the Commission approved 35 Retirement Applications, extended 31 members over age 65 in service for periods up to one year and approved one application for prior service.

RETIRANTS AND BENEFICIARIES

Thirty-two (32) members and three (3) beneficiaries with annual benefits of \$35,936.88 were added to the Retirement rolls during 1965. Twenty-one (21) members and four (4) beneficiaries were added in 1966. All but one of these qualified under Social Security in addition to their County benefits. One was retired under the old benefit formula in effect prior to the adoption of Social Security and two (2) were retired with disability pension benefits.

During the two year period nineteen (19) retirants were dropped from the rolls on account of death, leaving 208 retirants and beneficiaries on the rolls as of December 31, 1966. Of these, 143 were drawing regular service allowances, thirty-five (35) Option A (Full Survivorship), eighteen (18) Option B (Modified Survivorship) and twelve (12) ordinary death benefits. Benefits paid for 1965 totaled \$179,141.90; for 1966, \$211,006.73.

SOCIAL SECURITY

Employee Social Security (F.I.C.A.) taxes paid for 1965 were \$241,038.81; for 1966, \$331,510.94. This amount was matched by the County through employer Social Security Taxes. In addition the County paid the State of Michigan \$500 each year for their costs in administering this program.

- 2. Guide lines were established and policy recommended that the County pay for Federal Medicare coverage for eligible members and spouses and that such coverage be supplemented by modified Blue Cross coverage. This policy was adoped by the Board of Supervisors at the time of adoption of the 1967 Final Budget.
- 3. Approval of a new servicing agreement with Detroit Bank & Trust, Investment Councelors for the Retirement System, providing for better procedures in the handling of investment transactions. This agreement provides for the day to day investment of retirement funds pending purchase of regular investment securities, for the safekeeping of securities and new procedures for the purchase of stocks on a practical basis. These procedures have been reviewed and approved by the County Treasurer, County Corporation Counsel, the Accounting Department of the Board of Auditors and the Auditor General's Office of the State of Michigan.
- 4. Approval in June of our first purchase of Common Stocks. These are restricted by State Law as to quality and amount not to exceed a total of 10% of total investment portfolio, nor more than 3% a year. Approximately \$164,000 of Common Stocks were purchased during 1966.
- 5. A proposal for the purchase of conventional real estate mortgages on a service basis with a local bank was studied but rejected on advice of Corporation Counsel and Investment Counsel.
- 6. Review and approval in principal of the recommendations of investment counsel for 1967 investment, including consideration of purchase of not to exceed \$250,000 of F.H.A. mortgages with expected yields of 6.4%; bringing common stock purchases to statutory limits of 6% for the two year period; the sale of certain F.H.A. housing securities and investment of the balance of funds in high grade bonds. Immediate effect was given to the purchase of \$150,000 of high grade bonds and the purchase of approximately \$60,000 of Common Stocks.
- 7. During the year the Commission approved 25 Retirement Applications; extended 27 members over age 65 in service for periods up to one year and approved one application for prior service.
