TYPES OF SALARY RANGES

Flat Rates

A few classifications are paid on a Flat Rate. This means there is only one salary paid to all persons in that classification.

Salary Ranges

Most classifications are paid on a salary range, such as:

<u>Base Rate</u>	<u>6 Months Step</u>	<u>1 Year Step</u>	<u>2 Year Step</u>	<u>3 Year Step</u>
7200	7300	7400	7600	7800

The salary ranges for all classifications do not follow this exact pattern. Some have a three month step while others go from a base rate to a one year step. Some ranges end at one year while others run to four years.

EXPLANATION OF MERIT INCREASE PROGRAM

The advancement to the next higher step within a salary range is called a merit increase. As the name indicates, this increase is based not only on the completion of the specified length of service, but also on the quality of that service. Merit increases are not automatic, but are granted only on the recommendation of the employee's department head.

METHOD OF PAYMENT

Payday is every other Friday except at the beginning and end of the year. Pay periods begin on Saturday and end on Friday, 14 days later. Payday is the following Friday. In 1975 the bi-weekly pay will be the annual rate divided by 26.1.

EXPLANATION OF SERVICE INCREMENT PAY PROGRAM

Recognizing the importance of encouraging career employment among the persons in the service of Oakland County, the Board of Supervisors passed Miscellaneous Resolution 2817-A, effective January 1, 1954, providing that County employees and certain officials be granted special automatic salary increments in addition to their regular salaries, as provided by the following schedule:

<u>Years of County Employment</u>	<u>Percent of Salary Rate</u>
7 years	2%
10 years	4%
13 years	6%
16 years	8%
19 years	10%

"Salary Rate" is the current salary step the employee is at, within his classification, as shown in the Salary Schedule.

Length of employment is determined by the amount of service the employee has to his credit in the records of the Personnel Division of the Board of Auditors.

Service Increments become effective the payroll period nearest the completion of the required years of service.

EXPLANATION OF OVERTIME CODES

NO O/T Not eligible for overtime compensation.

EX O/T Not eligible for any overtime compensation except for specific types of specifically assigned overtime.

(No Code) Eligible for overtime compensation for all assigned overtime.
