## COUNTY OF OAKLAND

DANIEL T. MURPHY, COUNTY EXECUTIVE

October 26, 1984

TO THE OAKLAND COUNTY BOARD OF COMMISSIONERS - FINANCE COMMITTEE:

Enclosed is a copy of the Apportionment Report on Local Tax Rates. This report was prepared by the Equalization Division of the Management and Budget Department, under the supervision of the Oakland County Board of Commissioners' Finance Committee.

The certificates, statements, papers and records submitted by the various townships, cities and villages were examined, and the enclosed report represents a compilation of those documents. The certified rates, as adjusted by Headlee (Section 211.34D), Truth in Taxation (Section 211.24E) and Truth in Assessing (Section 211.34), are set forth for all townships, cities and villages in Oakland County.

The certified rates are subject to amended House Bill 5475 of 1984, which will allow additional millage to be voted up to and including November 8, 1984 for townships and December 14, 1984 for schools; said additional millage(s) would require Board approval before they could be spread.

Of special interest on Page 1 is the Summary of the Estimated Tax Levy by the various taxing jurisdictions. These recaps depict the average tax rate and estimated total levy. In 1983, Oakland County's portion of the tax levy amounted to 8.42%; while in 1984, the County's portion declined to 8.27%.

The Apportionment Report (see attached resolution), passed by the Oakland County Board of Commissioners on October 25, 1984, authorizes the Clerk to sign the several tax certificates in which the attached tabulation was based. This action thereby authorizes and directs the various assessing officers to spread the rates against the 1984 State Equalized Valuation.

If you have any questions or need further information, please contact my office.

Respectfully submitted,

Louis A. MacKenzie, Director  
Department of Management & Budget

RE: MANAGEMENT & BUDGET DEPT. - APPORTIONMENT OF LOCAL TAX RATES

TO THE OAKLAND COUNTY BOARD OF COMMISSIONERS

Mr. Chairperson, Ladies and Gentlemen:

WHEREAS your Finance Committee on Local Taxes has examined certificates, statements, papers and records submitted to it from the various townships, cities and villages having taxes to be spread upon the County Tax Roll, and has checked these documents with the pertinent law (Section 37 General Property Tax Laws), and has caused corrections to be made where necessary; and

WHEREAS your Committee has prepared tax certificates showing the certified rates as adjusted by Sections 211.24E, 211.34 and 211.34D of the General Property Tax Laws, authorized to be spread against State Equalized Valuations, which certificates are submitted herewith and which are the basis for the tabulation above mentioned, and it is recommended that the Board of Commissioners authorize the Clerk to sign these certificates; and

WHEREAS the certified rates are subject to amended House Bill 5475 of 1984, which allows additional millage to be voted up to and including November 8, 1984 for townships and December 14, 1984 for schools, said additional millage(s) would require Board approval before they could be spread.

NOW THEREFORE BE IT RESOLVED that this Board adopt the attached certificates from the Finance Committee with the recommendations herein contained as part of the permanent records of the Board.

BE IT FURTHER RESOLVED that the Clerk be authorized and directed to sign the several tax certificates on which the attached tabulation was based, thereby authorizing and directing the various assessing officers to spread the rates against the State Equalized Valuation set forth herein for 1984.

Mr. Chairperson, on behalf of the Finance Committee, I move the adoption of the foregoing resolution.

FINANCE COMMITTEE

Dr. G. William Caddell, Chairperson
