Gudenburr, Thomas

A 15 year old Lake Orion boy died from injuries he received in a car accident Sunday morning.

Thomas Gudenburr, 15, of 26551 Wareing Cove was pronounced dead on arrival at 1:30 a.m. at Pontiac Osteopathic Hospital, according to the Oakland County Sheriff's report. He was the son of James and Sandra Gudenburr

The sheriff's spokesperson said Gudenburr's car was traveling west on Silverbell road, between Giddings and M-24.

The report stated Gudenburr was probably the driver when the car lost control and rolled over. The boy was thrown from the car and severely injured.

"He was driving without permission apparently," said the spokesperson. He added the car was borrowed and another 16 year old boy had been the original driver.

The accident is still under investigation, but no charges are expected to be filed.
