Mr. Henley served in the US Army and was retired from GM Truck and Bus. He was a volunteer in Lake Orion Community Schools from 1985-87 and coached baseball in West Orion in 1976.

Mr. Henley was the president of Gingellville Community Center since 1987. He was a very dedicated, caring and thoughtful man. The children of the community were very important to him. They were always the first concern in all his decisions regarding the community center. He was respected and loved by all the members of the community center and all the children who are involved with the center.

A memorial took place at the community center on Oct. 28.
