## MILK PRODUCERS MEET DISTRIBUTORS

In the past week or two the Highland Creamery of Detroit has called a meeting of all the milk producers together at their various stations to submit to them the following plan.

The Company was represented by the president and two or three of the directors. They stated the reamery never was in as fine a shape (financially) as it is now having been able to successfully meet all competition and wonderfully increased their business. But now, to increase still more they need a lot of new equipment.

The president stated that while the company could borrow all the money it needed in Detroit to get this new equipment they had conceived a better plan, that of letting the producer share the profits of the Creamery by buying shares in the Creamery on an easy payment plan. This would give the producer an interest and a voice in the Creamery therefore bringing the producer and distributor into a closer relationship.

Their plan was to appoint a committee for each community to investigate and this committee to appoint an auditing committee to appraise their plant and equipment, for the valuation.

In the meeting in Clarkston the committee was appointed with Loan Walters, chairman. This committee is to meet again Thursday, April 19.

At Ortonville they also appointed a committee and they had their meeting Tuesday, April 17.

## MRS. E. J. KIDD

Mrs. Emma J. Kidd, aged 83 years, died at the home of her niece, Mrs. Wm. Belitz, three miles west of town, Saturday, April 7. She was born in New York state and has lived with Mrs. Belitz for the last three years. She is survived by Mrs. Belitz and a sister-in-law, Mrs. Carrie Green. Burial was made in the Lakeview cemetery.

## Arrested for Speeding

Clarence Vissher, of Flint, was arrested by Motorcycle Officer Cole on the Dixie south of town for speeding. He was arraigned before Justice Andrews and was fined \$10 and \$10 costs.

## Township Board Meeting

The Township Board of Independence Township met in the Town Hall Saturday evening, April 7, with the following present: Irish, Carran, Andrews, Lowery.

Motion by Andrews, supported by Lowery, the bills be acted upon first. The following bills were ordered paid:

John Harmon, services	\$ 4.00
Wm. Petty	8.00
H. A. Taylor, disinfecting hose	5.50
Miller & Beardslee, lumber	5.31
Geo. Elliott, labor	5.40
Geo. Elliott, repair lock	1.50
Community News Press, bal-lots	10.00
F. C. Dunston, salary	135.97
Floyd Andrews, salary	29.50
Chas. Hoyt, services	8.00
Lou Terry, meals	2.45
Detroit Edison	.75
Ed. Steet, stationery	.40
Alger, hdw.	2.45
Geo. King, bonds for treas.	25.00
Joe Lowery, elec. services	8.00
John Hammond, elec. ser.	8.00
Chas. Hoyt, elec. ser.	8.00
Wm. Petty, elec. ser.	8.00
Floyd Andrews, elec. ser.	8.00
J. Alger, hdw.	.20
M. J. Gaff	1.00
Lou Terry, meals	3.80
Sara Carran, services	174.32
Floyd Andrews, salary	29.50
Joe Lowery, salary	20.00
Total	\$513.90

It was brought out in this meeting that the cause for the large deficiency in the past year was caused by rejected tax, delinquent tax, lost personal tax and overdrawn orders on the road repair fund.

At this a lengthy discussion arose as to how much money to raise for road repair fund for the coming year. One of the board suggested that no sum be set until all outstanding orders for same fund are in that we might know how much is necessary to get the township out of debt. The following motion was an outcome of the discussion:

Moved and supported and carried that an advertisement be inserted in the Community News requesting all who still hold orders on the Road Repair Fund be turned in to the Road Commissioner on or before May 1, 1923, and he to report to Clerk.

## PNEUMONIA TAKES 3 MONTHS OLD BABY

The three months old son of Mr. and Mrs. Harvey DeMund died Friday, April 13, of pneumonia. He was reported to have been in perfect health up until a few hours of his death.

We know we are speaking the wish of the entire village when we extend to them our heartfelt sympathy in the hour of their loss.

## WOMPOLE RESIGNS AS VILLAGE PRESIDENT

### Frank Miller and His Job With Ford

Some time ago we read of how Henry Ford came to Davisburg and gave his old schoolmate, Frank Miller, a job in his factory, but the following is really how it was, as Frank told us himself: After Frank's wife had died from choking he gave up the farm and went to Detroit to get a job in the Ford plant after several attempts to get in he was ready to give it up. It seems they would not hire him because he had a farm.

But Frank didn't give up and still hung around until one day in some manner he got by watchmen, secretaries, etc. He saw Mr. Ford coming out of a building with another man to look at something on a Lincoln car and Mr. Ford espied Frank and immediately forgot his other companion and took Frank in his office for a talk of old times.

After a long talk Henry asked Frank what he was doing and of course Frank told him he had been trying to get a job, but guessed he didn't want one now as there was too much "red tape" about it. Henry turned to his stenographer, "Write this man a requisition for a life job without hard work or night work." And Frank says all he does is to watch a roll of some kind of material run off a machine and when a wrinkle comes he smooths it out.

## ANOTHER OLD RESIDENT CALLED HOME

Mrs. Sarah Torrance died Friday, April 6th, at her home in Ortonville. Mrs. Torrance was born in Independence Township and had lived in the neighborhood nearly all her life, having lived in Ortonville since 1866.

She is survived by two children, one sister, three grandchildren and nine great grandchildren.

## Supervisor Irish Back

Washington Irish is back again from the Supervisors' meeting at Pontiac. He reports there are five new faces on the board and he expects to meet a lot of opposition again this year in fighting for the principle he holds to.

An important meeting has been called for April 30 to consider the paying of moneys to Ex-sheriff Cross. Also the buying of certain gravel pits for county use.

Mr. A. Wompole, our former president of the village, handed in his resignation to the council at the meeting, Monday, April 16.

At our spring election Mr. Earl Walters was elected president but owing to his moving to the farm did not accept the office and according to statutes the former president would continue to hold office unless he resigns, as Mr. Wompole has done. This leaves it up to the council to appoint one of the members of the Council as president until next election. Two or three were asked to accept this office at this meeting but declined and if no member of the council accepts it will be necessary to appoint president-protem to transact the necessary business, but this will leave the village without a president at the interval between the regular council meetings.

Mr. Wompole says that he has had 40 years experience which is long enough for the village and it is up to some one else to take hold.

## OFFICER COLE ON THE JOB AGAIN

Harold Cole, motorcycle officer on the Dixie Highway, is making a decided effort to curb speeding on the stretch of pavement between Peter's corners and the county line.

He has already brought in a Detroit-Flint bus driver who was speeding 65 miles per hour with a load of women and children. Two others were arrested for driving in the neighborhood of 50 miles.

## THOSE BLACK CATS

We received many favorable comments on our Black Cats of last issue. It seems to be the unanimous opinion that these places should be cleaned up very soon. As a starter the Editor will volunteer a half or whole day, or whatever is necessary, to clean them up. Who will be next? Let's stop talking about it and get started.

## EARLY WALTERS MOVED

Earl Walters has moved back to his farm but will still continue his trucking service as usual. His new phone number is 72-F-3.

Community News Press

LEE M. CLARK, Publisher

CARROL BURDICK Editor

Seventy-five cents per year in advance

Entered as second class matter April 8, 1922, at the post office at Clarkston, Michigan, under the act of March 3, 1879.

## Editorial

Now is the time for every citizen in the village to use a little "Safety First" with fire. This is the time when we begin to do away with the old cook stove and set up the oil stove which at the best are not absolutely fire proof or fool proof as the past has proven.

In our village, within a year, we have had two fires that ran up in the thousands of dollars damage and both were caused by oil stoves.

This WARNING is given out at this time because, while Clarkston has as good a fire protection as many another village of its size, it is not just what it should be. It would take a good deal of money to give us absolute protection and we are all "hollering" about it now.

And another thing, the council and, while the council are doing their best to get another at the present time a bad fire would prove very serious.

So "Safety First" lets all be a little more careful, not light those oil stoves and go away and leave them, watch those chimneys that are apt to start burning the soot gathered during the winter.

What is the matter with a man's head who will drive a horse and buggy on a main highway at night without lights of any description? Why will he risk his life and that of a horse this way? It seems he had ought to have at least a little pity for the horse.

If this kind of a man gets hit by a motor car of course the car is to blame? A motorist is supposed to have "cat eyes" so he can see anything, anywhere in the dark.

This is not an argument for the motorist's side but just plain common sense argument for both sides. The LAW says all vehicles on the public highway shall have a light. Now while we are giving it to the bootlegger for breaking laws, let's look to home.

Does it pay to advertise in our paper? Ask Mrs. Wieland. She advertised a Hoover sweeper for sale in our last issue and received the answer two hours after the paper was out and sold it the next morning. **ADVERTISE IN YOUR HOME PAPER**

## BIRTHS

Born to Mr. and Mrs. Byron D. Kinsman, of Pontiac, April 13, 1923, and 8 3/4 pound son, James L. Mrs. Kinsman was formerly Vera Whipple. Mr. and Mrs. Kinsman will move soon to the Whipple farm northwest of the village, which they will make their home.

Born to Mr. and Mrs. Stewart Liebler, of Pontiac, on April 7, a six and one-half pound boy, William Herbert. Both mother and babe are doing fine. Mrs. Liebler was formerly Miss Ruth Dunston of this village.

Born to Mr. and Mrs. Clarence Bradford, of Pontiac, April 16, a son, John Robert. Mrs. Bradford was formerly Miss Ruby Irish of this village.

## ROBINSON AT CLARKSTON OPERA HOUSE

Monday evening, April 23, in the Opera House, Clarkston will have the opportunity of witnessing America's foremost Magical entertainer, "Robinson Mystifier Supreme" and his company of merry makers. Robinson recently returned from an extended tour in the Orient. He will feature in mystics of the East during the program. He will also present his masterpiece the "Flight of Time" which has received much comment thru newspapers and theatrical managers.

Sunday School	11:45
Service at Seymour Lake	2:30
Epworth League	6:30
Evening Preaching	7:30
Mid-week Prayer Service	
Thursday	7:30

The Standard Bearers met Tuesday evening at the home of Miss Clarabell Amidon. Pot-luck supper at 6:00 o'clock, followed by a business and social hour.

The young folks of the Epworth League and Sunday School are much enthused over plans for recreations on the site where the old sheds stood. The work of cleaning up is well under way and the ground will be ready in a short time. Basketball, tennis and volley ball are some of the games planned.

## Girls Sewing Club

The Sewing Club, organized by Mrs. C. Myers has gone beyond all her expectations, both in interest and benefit to the girls.

The last two Saturdays have had an attendance of 23 and 21. And still growing. They are not all real small girls, either, a good many of the older girls of the village are attending.

Mrs. Myers can feel proud of this achievement for the community. This class of work is a real asset to our village and we hope as many of the mothers and ladies of the village as can will attend these meetings every Saturday afternoon to help teach the girls. It is a big job and Mrs. Myers cannot carry the load alone.

The following is a list of the girls who are attending: Ada Hoyt, Louise Dunston, Emily Swain, Gladys Gundry, Laverna Ballard, Katherine Boice, Blanche Crosby, Leola Francis, Alice Samson, Ethelyn Stevens, Dorothy Bird, Helen Bird, Elizabeth Bird, Elizabeth Andrews, Francis Taylor, Charlotte McMillan, Dorothy Powers, Doris Terry, Florence Fiske, Mary Miller, Madeline Gulick and Isabell King.

## DANCE INVITATION

Mrs. James Stewart, of Fenton, invites her friends of Clarkston and vicinity to her "Special Dancing Party" at the Lyric Theatre, Fenton, Friday, April 27, 1923. The Famous Bearcat Orchestra, now playing Flint, will furnish a fine four hour dance.

## Chairs Re-Caned

Butler Holcomb wishes to announce that anyone desiring chairs re-caned to bring them not later than the fore part of next week.

With backbone, gumption and determination to succeed, you need not worry about other capital. It will seek you out.

Lay the foundation with a good banking connection. Establish your credit.

Come in and talk it over. We want to help real men and women.

**CLARKSTON STATE BANK**

**SOME LOCAL**

Mr. and Mrs. L. R. Terry and Earl Terry and Mr. and Mrs. Henry Hoyt were Fenton callers the 15th.

Mr. and Mrs. Frank Miller, of Flint, spent the 12th with Mrs. Alexander Gulick.

The March milk account for this locality was about \$7,500.00. Feed is still mighty scarce and so it the good hot sun that is necessary to make pasture, but our local dealers hope that with the coming of warm weather the figure will climb nearer to the \$9,000.00 mark.

Mr. and Mrs. Fielding Ireland and son, Charles, of Detroit, spent several days last week with Mr. and Mrs. T. L. Parker.

Mr. and Mrs. Roy Gundry spent the 8th in Flint.

Mr. and Mrs. Frank Leonard spent Sunday in Detroit.

On the 12th, friends and neighbors of Mrs. Albert Gundry gave her a surprise on her birthday. Progressive pedro was played with the following winners: First, Mrs. Judd Skarritt; Consolation, Mrs. Hursfall. Pot-luck supper was served. Mrs. Gundry was presented with a Pyrex baking dish.

Mr. and Mrs. Lee McIntyre, of Pontiac, spent the week-end with John Walters and family.

Mr. and Mrs. Lee Fairchild, of Detroit, visited friends and relatives here the 15th.

The Waterford hotel has been leased to Emanuel Dorman & Son of Flint and it is claimed it will be run as a year-round hotel, starting this spring.

Mr. and Mrs. Joseph Seeterlin, Sr. of Waterford Center, spent several days here recently with their sons, Edwin and Joseph.

Jim O'Roark has our village streets nearly all graded again.

**High School**

Spring is at least here in practice—the girls are practicing basketball and the boys are at baseball.

Miss Peters, the commercial teacher, is confined to her home on account of illness.

The Seniors are busy thinking about Commencement and the part each has to do.

Elizabeth Hammond will write the teacher's examination at Pontiac a week from Thursday and Friday.

The Juniors had good success with their play and cleared over seventy dollars.

Come out and watch us play baseball and basketball when the season opens. The first baseball game is Friday at Orion.

**A DOLLAR BILL'S ADVENTURE**

In order to know about the life and adventures of a dollar bill, the Waukegan (Illinois) Chamber of Commerce started out a new bill with a circular attached, requesting every person handling the bill to make a notation of its use.

The dollar was spent thirty-one times in the course of fourteen days, but it never got into church, or theater, and was not used for amusement. Here is the record of service which changed it from a crisp new bill to one wrinkled and world-weary:

Five times for salary, five times for tobacco, five times for cigarettes, three times for candy, twice for men's furnishings, once for collar buttons, three times for meals, once for automobile accessories, once for bacon, once for washing powder, once for garters, twice for shaves, once for tooth paste.—Peoples Home Journal.

# Fordson

THE UNIVERSAL TRACTOR

## Buy Your Fordson NOW

At this amazingly low price you can't afford to wait another day for your Fordson Tractor.

There is no tractor made that can approach the money value of the Fordson. Nor is there a Tractor made that can do more work for you.

Remember, the very day your Fordson arrives, it is ready for any one of the 101 jobs it can do—either as a tractor or a stationary power plant.

The Fordson has proved to the 170,000 owners that it has not only cut the cost of field work 30% to 50% but that it has made substantial savings on every job to which it is put.

Fordson figures are interesting-money-savers, labor-saving, drudgery-saving facts you ought to know. Come in, phone or write today.

Mrs. Stewart See and two children are visiting in Pontiac for two weeks.

Mr. and Mrs. S. Beals were in Clarkston Monday.

Mrs. Ella Cool has been visiting in Clarkston.

Mrs. Sam Morgan and Mrs. Henry Wells were at Davisburg, Tuesday. Mildred Beals spent Friday and Saturday with Bernice Cline.

There were 45 at the dance at Albert Orr's, Friday evening.

Mr. and Mrs. Chas. Cline and two children spent Sunday with Chas. Weber at Andersonville.

Mr. Will Horn was called back to Pontiac for jury duty.

Albert Orr is buzzing wood.

A sister of Mrs. Clement is here visiting.

**SCHOOL NEWS**

**First and Second Grades**

We were delighted to have Manly and Edsel Drake return to us from the south. A party was given in our room in their honor Friday, April 6th.

Charles Myers, of Detroit, one of our pupils last year, Billie Parker and Marjorie DeLind were visitors in our room recently. Other visitors have been Mildred Crosby and Evelyn LaMountain, also Mr. and Mrs. John Bates, of Leonard, and Mrs. Earl Bates, of Pontiac.

A letter has been received from Lenore Sugden, who moved to Romeo a few weeks ago. We are glad to learn that she has been promoted to the second grade of the Romeo school.

A new first grade pupil entered school Monday, Bernice Powers, of Seymour Lake.

The first grade have been reading and dramatizing the story "Henny Penny."

**Third and Fourth Grades**

Third and fourth grade children neither tardy nor absent during the month of March: Bruce Coryell, Mildred Coryell, Hazel Francis, Merritt Rockwell, Max McMillan, Hawley Skarritt, Billy Terry, Emily Terry, Harrison, Walter, Charlotte Yeager, Charles Williams, Carl Betz, Gordon Boice, Kathleen Boice, Walter Linbury, Walton Robbins, Lewis Warden and Marion Stephens.

The fourth grade have begun to keep a Nature Calendar, taking notes on the weather each day, the birds and any other signs of spring they may individually observe.

Dorothy Powers has entered our school from Seymour Lake school.

Hazel Francis has been transferred from our school to the Big Low school. We miss Hazel very much.

Donald Beach has been absent for a week having his eyes treated.

Vonda Douglass, Marjorie and Cecilia Seeterlin were winners in the second grade contest Friday.

**Fifth and Sixth Grades**

Ward Rohm has gone to attend school at Olive Branch.

Ward Rohm spelled the room down at our last spelling match.

The girls have bought a new bat for playing ball.

We have now thirty-two pupils on the roll.

**Seventh and Eighth Grades**

The following pupils have a perfect record in spelling for the month: Ralph Lawson, Helen Cheeseman, Alice Lawson, Ethylene Stephens and Frances Taylor.

Irene Frick and Prudence Buchbinder have entered the seventh grade.

We have four new pupils in our room, Ruth and Elmer Frick, Floyd and Howard Powers.

**A Long Time Investment**

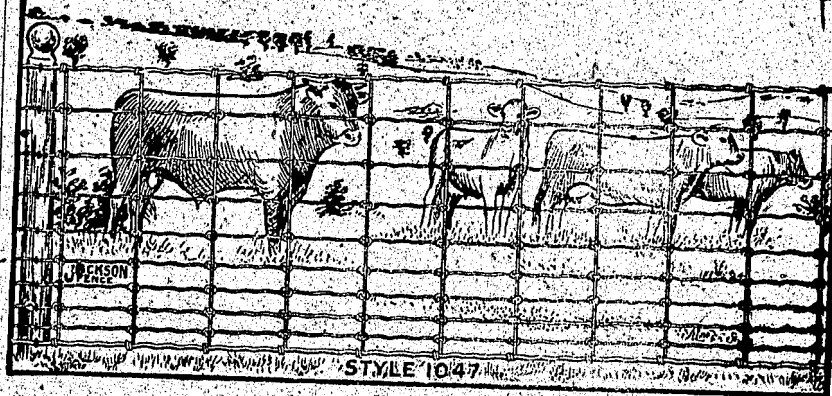

is what you receive when buying Jackson fence. It costs no more to stretch a good fence than a poor one—why not have the best. The saving of a few pennies, on initial cost in buying a light-weight, poorly made fence proves expensive in the end. Such a fence soon becomes saggy, shabby, breaks, falls and requires early replacement. Buy a fence that gives long life and satisfaction.

**Jackson Fence**

**Guaranteed-Full Gauge Hard Wire**

is the one fence on the market today that positively fulfills this claim, because it's the only line on the market with the combined Spiral and Flat Wave, made of **Guaranteed Full Gauge Hard-Drawn Wire**—galvanizing of Pure Commercial Zinc, all cross-bars, knots and laterals same size wire—a fence that's remarkably strong—extremely rigid, affording the utmost protection; not affected by rain, snow or cold—won't sag, rust or corrode; easily adjusts itself to uneven ground, economically erected, wears indefinitely—always retaining its shape and successfully resisting the most severe kicks and knocks of hard usage.
