Commencement Week

JUNE 20 - 21 - 22

For the school and its patrons next week is filled with events for every day and for the whole community. It gives an opportunity to make a real commencement, to become young again; throw off our cares and rejoice with the young people.

The Baccalaureate sermon will be delivered by Rev. Stephens Sunday evening, June 17, topic "The Great Game of Life." There will be special music by Mrs. Steet and Mrs. Louis Walter. This evening of consecration gives an opportunity for all to worship with the students.

On Tuesday evening, June 19, the Juniors will give their annual reception for the Seniors on Sunset Hill.

For the first time in several years the Eighth Grade will have Class night exercises. These exercises will occur Wednesday evening, June 20. The program is entirely in the hands of the pupils and will be attended largely. The program appears on page four.

It has been our good fortune to obtain for Commencement, Friday, June 22, Charles McKenny, president of the Michigan State Normal College, for the main address. Mr. McKenny is known throughout the country as a thoughtful and inspiring speaker as well as an able administrator. Dr. C. J. Sutherland will present special music. Presentation of diplomas to both eighth grade graduates and Seniors will be in the hands of Earl Walter, secretary of the Board of Education.

HUGH GREEN DIES

Hugh Green was quietly laid to rest in Lakeview Cemetery, Thursday afternoon, June 7th. He had spent the most of his life in this community. He was born on what is known as the Green farm south of the village, where he lived until about 25, then moving to Missouri to work on the railroad, a position which he held for about 27 years. From there he moved back to Clarkston where he died at the age of 83.

It has been said that Mr. Green was a sportsman from the word "go." His greatest enjoyment was spent in the woods fishing or hunting.

He is survived by two brothers in Holly, Michigan, and three sons, of Clarkston.

Lee M. Clark attended the annual meeting of the Oakland County Y. M. C. A. Committee at the home of Mr. E. S. George, Bloomfield Hills, Saturday, and was re-elected as a member of the County Committee. Ferris Miller and Milton Clark attended a meeting of the County Hi-Y Council.

NOTICE

It has been reported that boys are throwing stones at the street lights on the Deer Lake bridge, watering trough and bathing beach. These light bulbs are costly and the committee in charge are going the full extent of the law which governs these cases when the boys are caught.

The Crooked Lake Meeting

Wednesday afternoon, June 6th, the meeting at Crooked Lake proved to be hot and furious in spite of the impending rain. Mr. Bushman arrived in the village, thinking the crowd would leave at that point. Amzi Dennis filled his car and finally when the editor arrived, decided that was all who was going, so we proceeded to the lake. Thinking all who were going were with him, Mr. Bushman decided to go by the way of the Orion road and explain some of his plans to the party on the way to the lake at that end of the lake and around Whipple Lake. The first stop was at the sharp turn just west of Ed. Beasley's. Mr. Bushman stated that here he wanted to straighten the road and go direct across the swamp to do away with this bad turn and bad roads. From there to a bad piece of road also proposed to straighten along the Darling farm. Mr. Bushman proposes to do all this work at his own expense.

From then we drove to Crooked Lake and behold, upon arriving there, about 50 or 75 men and women were waiting. At this point sparks began to fly, in the form of threats from both sides of the question. Mr. Bushman stated that he had the law on his side and was going to put his fence along the lake and close the lake to the riffraff from Detroit and Flint from making this spot a place of carousing. This, of course, started objections from opposing parties.

From here on the meeting was all arguments. Road Commissioner J. O'Roark put a hot argument on his view point of the interest of the people he represented.

Mr. Bushman proposes to furnish keys to all neighbors around the lake, also put one in any store in Clarkston desired by the people.

However, the case seems to sum up this way: If he has a right to fence this lake and make it a private lake, he will do it. It remains for the authorities to decide.

New "KEEP TO THE RIGHT" Sign

We are to have a "dummy policeman" placed at the top of the hill by Seeterlin's Garage in the center of the pavement. Many close calls have been witnessed at this corner by cars speeding up the hill to make the grade and coming up on the pavement at a high rate of speed and cutting across the corner. The "dummy" will direct all traffic to the right, thus stopping the corner cutting. This is intended to reduce the danger at this point to a minimum.

BIRTHS

Born to Mr. and Mrs. Clarence Drake, Sunday, June 10, a daughter, Betty Jean.

COUNCIL MEETING

The village council met Monday evening, June 4, in the council rooms with the following present: Warden, Voorheis, DeMund, Howland, Seeterlin and Walters.

The following bills were read:

Detroit Edison, st. lights	\$ 45.50
Clarkston Garage, storage	11.17
Wm. Buzzard, gravel	3.00
Doris Hursfall, care of siren	4.50
Austin Taylor, labor	6.00
Clarkston Garage, storage	10.00
Detroit Edison, lights	49.50
James O'Roark, labor	52.50

Total \$182.17
Motion made by DeMund, supported by Warden, that S. Voorheis act as president protem for the meeting. Carried.

Motion made by Seeterlin and supported by Warden, that bills be allowed and paid. Carried.

Motion made by Warden and supported by Howland, that \$3000.00 be paid to the village this year.

President protem Voorheis and Seeterlin were appointed to act on the Board of Review.

Ed. Seeterlin and H. Garter were appointed to make a "Dummy Policeman" to place in the center of main street.

The following are the different committees for the year:

Sidewalk—Dunston, Seeterlin
Street Lights—Howland, Voorheis
Auditing—Warden, DeMund
Street—Voorheis, Seeterlin and Walter

CAMP BOYVILLE—MAIDVILLE "Y" Summer Camps for Boys and Girls.

Fathers and mothers of Clarkston: Can you think of a better place for your boy and girl this summer than to be in a camp for a period of ten days or more, where carefully supervised recreation and swimming are coupled with practical character development?

The dates July 5th to August 4th; July 5-15 Junior Boys; August 6-16 Farm Boys; August 14-24 Junior boys; August 24-31 Hi-Y boys; July 16-26 Girls; July 26-Aug. 2 Farm girls; Aug. 2-4 Women's Camp.

The place—Elizabeth Lake. Under supervision of the Oakland County Young Men's Christian Association.

For further information see Lee M. Clark, local member of the Oakland County "Y" Committee.

PIANO RECITAL

The pupils of Miss Winifred Warden will give a piano recital tomorrow evening (June 16th) in the Methodist church. Miss Warden has a fine list of pupils this year and the coming recital promises to be one that will be enjoyed by any lover of music. The program begins at 8:00 o'clock and she will be assisted by Dr. Sutherland.

Clarence Bird gave a birthday party at the old Perry farm Saturday, June 2. A large crowd were present.

Mrs. Dickman had a picnic dinner at Silver Lake last Sunday.

Attorney Lynch at Crooked lake

A delegation of Clarkston business men went to Crooked Lake Tuesday afternoon with Attorney James Lynch to go over the dispute out there and have Mr. Lynch tell just what could be done and what could not be done.

Mr. Lynch stated that according to the present laws and the decision handed down by the court in a similar case in Pontiac, Mr. Bushman can place a fence around the lake and make a private lake of it. Also that he can bar anyone from entering this lake at any point, be it where the water comes in the public highway or up any stream that might flow out of the lake.

It was also stated that in as much as it is impossible to keep this lake a public lake, the people of the community might better work together with Mr. Bushman and let him place the fence where he first planned to, and moving the road over about 8 feet and regraveling it, also take out the bad turn over the sluice. The road at this point is only about 8 feet wide and lays in such a position in a turn so as to make a very dangerous bend. It was stated that Mr. Bushman would move the road and take out this bend and regravel at his own expense, thus making a beautiful drive out of the road.

The question was asked as to who had the authority to let Mr. Bushman go ahead and straighten these roads and improve them. Mr. Lynch answered that the Road Commissioner had this authority but in case he would not grant Mr. Bushman the right to improve these roads, if a petition was presented with the proper amount of signatures the matter would have to then be laid before the Township Board for decision.

Mr. Lynch stated that if the work was properly done it would be a big improvement and asset to the community for if these plans of straightening of roads were carried out.

We have been informed that Mr. Carl Irish has withdrawn his injunction against Mr. Bushman.

In an interview with Road Commissioner O'Roark, he stated that as long as there was no chance of keeping the road open to the public, he did not consider it wise to place any unnecessary hinderances in the way of the improvements on the roads Mr. Bushman proposes to do at his own expense.

FARM BUREAU MEETING

The Farm Bureau held a special meeting in the Grange Hall Tuesday, June 12. A very interesting talk was given by Dr. Mulford, of Lansing. His subject being "Organization". Those who have heard Dr. Mulford speak can appreciate the way he can hold his listeners, and the crowd that were there Tuesday went away feeling that they agreed with him in every respect.

MASHERS!

Sure, and you don't have to go to the cities either. A very disgusting scene of this type was witnessed by the writer near Deer Lake, just last week. A young school girl, on her way home from school, was accosted by an young (man?) on a horse. A conversation very similar to the following was passed between them:

"Hello, little girl. Want to go for a ride?"

"No thanks."

"Oh, yes, just for a little ways, I won't hurt you."

"No thanks."

"Won't you just sit up here with me on the horse a little while?"

"No thanks."

"Well, then, let me carry your books and walk along with you."

"No thanks, I can carry them."

No more of the conversation could be heard from this point, but this was enough. God bless this girl for having the courage to say no.

O'Brien was soliciting funds for Ireland. After he had finished his appeal he offered to answer any questions. "How much if this 'ere money sticks in yer pockets, Mr. O'Brien?" asked a big rough in the audience.

Immediately the man on his right hit him in the jaw and knocked him down. His neighbor to the left jumped up and down on his prostrate body. Two big policemen carried him up the aisle and threw him into the gutter. Finally when quiet had been restored, the chairman advanced to the front of the platform and said: "Is there anyone else who would like to ask a question?"

Woman's Conference

The Woman's Conference of Oakland Co. will be held at Maceday lake June 27th. A pot-luck dinner will be served at noon. Each person is requested to bring their own sandwiches and one other article of food, also their own plate, cup and silverware.

The Clarkston ladies are requested to wear small white aprons. There will be a prize for the largest number from a community.

A good program is being prepared. Everybody welcome.

The Clarkston Economic Club will meet with Mrs. C. K. Kester in July the date to be announced later. A Cold Pack canning demonstration will be given by Miss Eva Carrett.

Home Economics

The Home Economic's Club met at the home of Mrs. R. H. Dawson, on Friday, June 8. After a bountiful dinner served by the committee in charge, Miss Koch gave her last lecture on "Home Furnishings and Decoration." Miss Koch gave a series of four lectures and every one attending those meetings derived a lot of good ideas about line and quality of furniture and color and texture of Wall and Floor coverings, also drapes and different accessories used in the home. The next meeting will be a canning demonstration by Miss Eva Carrett at the home of Mrs. J. R. Kester. The time and date will be announced later.

CHURCH on WHEELS

Rev. W. F. Jerome, of Detroit, representing the Episcopal Diocese of Michigan, was in town Wednesday evening, June 6th, and gave one of his characteristic lectures on "Practical Religion for To-day." Mr. Jerome represented Hillsdale County in the Michigan Senate for six years and was chaplain of a Michigan brigade in France during the World War, being present at the terrible battle in the "Argonne Forest." He has a complete "church on wheels" and carries the gospel principally to the smaller towns where the church which he represents has no resident rector or services.

Ithaca, N. Y., Sept. 1.—Mr. and Mrs. Frank E. Brown and their daughter, Miss Laura Brown, of 756 South Aurora Street, returned to Ithaca last night from a motor trip to California. The Browns made the long trip across the continent in their Ford coupe, and declared today they were much more comfortable than they would have been in a larger car. They were three weeks on the road, going by way of Chicago, Lincoln and Omaha, Neb., and Ogden, Utah. They crossed the Utah desert in comparative comfort and said they had practically no car trouble of any sort.

Both Mrs. Brown and her daughter declared today that the next time they go to California, it will be to remain there, so well do they like the country. Mrs. Brown spent some time in California a few years ago, and says it felt like going home to return there this year.
