Clarkston Home News

Ray C. Ainsley is leaving Monday for his vacation and plans to go north.

Some culprits broke into Miss Shaw's cottage in King Hollow on Tuesday night and left quite a mess, stealing little articles and generally upsetting the place. Deputy Seeterlin is working on the case.

Mr. and Mrs. Wylie Peasall and family are planning to return here to make their home September 21st.

Louis F. Walter, who has been ill at his home, is much better. The Clarkston Station School opened Tuesday with Miss Helen Seelbinder returning as teacher. She will make her home with Mrs. George Nelsey.

Errors do creep in. In last week's issue we stated that Colonel and Mrs. Waldon were visiting their son in the east, and it should have read that they were visiting Mrs. Waldon's brother.

Sunday guests at the home of Mr. and Mrs. David Newland were Mr. and Mrs. Rufus Clark of Grosse Pointe.

HARRY J. MERRITT

for Circuit Court Commissioner

During the time I have been Circuit Court Commissioner, there have been before me respondents in approximately seventeen hundred rent cases. The law would require that any of these seventeen hundred people who had to be forcibly removed from the property, be set on the street. However, through the cooperation of the local press and the deputies, we have been able to supply houses, rent free, in all except less than a half dozen cases and two of these parties refused to accept houses we had procured for them. I submit that this record is without parallel anywhere in the country, especially during these trying times.

If the conduct of this office merits your support, then I desire your vote. I have conducted this office impartially and will continue to do so if re-elected.—Political Advertisement.

Accident on Main St. Damages Three Cars

Frank Leonard, driving his new Buick sedan, collided with a Ford pickup driven by Lawson Dunlap of Goodrich on Main street Thursday morning, damaging both cars and also Robert Jones' car which was parked at the curb in front of the bank. Damage amounted to approximately \$100 on Leonard's car, \$35 on the Ford pickup, and \$20 on Bob Jones' car. Leonard is covered by insurance.

Mr. Leonard was driving north on Main street while Dunlap was going south. Leonard turned to go into the Buick Garage and Dunlap was unable to stop. There were four men in the front seat of the pickup. On Leonard's car the front wheel, tire, fender and light on one side was damaged considerably.

The Candidates Say:

Contacts this week with some of the candidates on which we vote at the primaries next Tuesday brought the following to our attention, and we consider them worthy of your consideration:

A. L. Moore:
In the space of only eight days his friends have piled up a list of between 9,000 and 10,000 voluntary signatures endorsing his candidacy for the office of State Senator. This is an unusual expression of support for any candidate.

Joseph S. Seeterlin, democratic candidate for sheriff:

"I pledge to the voters of this county that if I am selected by you next Tuesday to be your Democratic Candidate for the election of November Eighth, that I will go into that office Honest and Come Out as honest as I went in, and if at any time during the tenure of my office there should arise the question of retaining the office at the expense of losing my good name and reputation for honesty I will drop the office like I would a red hot poker, and I serve notice here and now to any and all who may attempt to corrupt my morals or pervert my sense of Justice and Honesty that they will have cause to remember me the rest of their natural lives.

Harry E. Curtiss, republican candidate for Register of Deeds.

"Sentiment through out this county today clearly reflects a desire of the voters to make a change this year in those county offices which have been monopolized for years by single people. They feel that all county department heads could and should be held by married men with dependent families. This department during the last eight years has for some reason perhaps best known to the present incumbent failed to provide a single position for the married man."

Robert G. Yerkes, republican candidate for congress:

"Last spring when he became a candidate, Mr. Yerkes reversed the usual process of candidates. Instead of himself declaring the issues as is usually done, he first spent a number of weeks going into every part of the Seventeenth District, talking to people in every community and in every walk of life. His purpose was to learn what is foremost in the minds and closest to the hearts of the people of the Seventeenth District. With this knowledge and understanding, he formulated his platform, based on principles which he has evolved out of his broad experience as a successful farmer, lawyer and business-man. His method of going to the people first and learning their views rather than endeavoring to impose upon the people won him instant and widespread support.

"As the campaign approaches its height, and with many candidates seeking the favor of the voters, Mr. Yerkes strikes a different note. Instead of contenting himself with merely asking people to elect him to office, Mr. Yerkes is pointing out the tremendous importance of the office and is urging the citizens of the District to make a careful study of the qualifications of every candidate who has offered himself. Mr. Yerkes' friends and supporters are confident that intelligent, careful study will convince the majority of the people that he is splendidly fitted to represent them at Washington."

George A. Dondero, republican candidate for congress:

"Stands High in the councils of the party because of the straight-forward manner in which he has met the issues of the day. He believes that government costs should be reduced as drastically as consistent with sound progress. National problems will not be solved by the levying of new types of taxes in lieu of governmental bud-

We endorse A. L. MOORE for State Senator
"A Tax Expert for a Tax Job"

We, the undersigned citizens of Independence Township gladly endorse the candidacy of A. L. MOORE for State Senator on the Republican Ticket, 12th Senatorial District, and commend him to our friends and neighbors as one we can depend on to fight for the reduction of taxes.

To My Friends, Neighbors and Loyal Supporters In Oakland County:

I desire in this public way to express my very deep and sincere appreciation of the loyal support and enthusiastic work in my behalf which has been carried on by hundreds of friends, neighbors and supporters throughout the entire County.

I realize that I cannot meet you all personally in order to say "Thank You" and so am taking this opportunity of expressing my appreciation to you all. If nominated and elected, I shall to the best of my ability, endeavor to be worthy of your wonderful expression of confidence.

To insure my nomination on September 13th, at the Primary, ask for a Republican ballot, and vote early to avoid the rush.

Bernard F. Schrader
DEMORATIC CANDIDATE FOR SHERIFF

As my last appeal to the voters of Oakland County I offer my successful career as business man.

My business has been law enforcement for the past 12 years, 8 of which I have been an executive and am asking only for one step forward in a business I am thoroughly qualified and capable to manage and direct to the advantage of the taxpayer—I am not seeking new fields to conquer.

I will effect a complete and constructive reorganization with equalization of pay.

Greatly reduce the present personnel as well as the overhead and maintenance costs at least 40%.

Will replace the time worn methods by eliminating all unnecessary deputies and install a zone patrol system for the complete protection of the outlying districts.

I have always been a Democrat, coming from a long line of Democrats that are now active in State and National Democratic work.

Two years ago the Republican slogan was "Don't experiment in the Sheriff's Office". It's a good thing to remember when asking for a DEMOCRATIC Ballot on September 13th.

Potatoes Yield Well

Potato harvesting operations are in full swing on several farms in the territory adjacent to Oxford. Fairly good yields are being obtained as a result of the good growing weather throughout most of the present season.

A yield of 208 bushels per acre is being dug at the farm of Lloyd Wait. The use of good seed, good cultural practices and fairly excellent growing season have combined to produce a better than average crop in this locality.

A number of farmers used Northern grown No. 2 certified seed or seed grown from certified seed this season. These include: Lloyd Wait, Harry Miller, M. C. Dunlap, Mato Newton, Frank Shipman, Oswald Lody, Clayton Jones, Fred Beckman, W. W. Sutton, Floyd Ingamells, N. W. Morgan and W. B. Van Zanit.

Representative Philemon J. Miller LETTERS OF APPRECIATION FOR SERVICE RENDERED

COUNTY CLERK'S OFFICE OAKLAND COUNTY

Burton P. Daugherty, County Clerk Pontiac, Michigan

June 7, 1932, Hon. Philemon J. Miller, Walled Lake, Michigan. My Dear Mr. Miller:

Attached hereto is a copy of a resolution adopted by the Board of Supervisors expressing their appreciation of your untiring efforts and excellent legislative ability in obtaining for Oakland County laws which were so necessary for the solution of its great problem.

Very respectfully yours, BURTON P. DAUGHERTY, County Clerk.

MICHIGAN STATE FARM BUREAU 221-227 North Cedar Street Lansing, Michigan

May 24, 1932, Honorable P. J. Miller, Walled Lake, Michigan.

Dear Representative Miller:

Enclosed is a copy of a letter which has been mailed from this office. It has been a pleasure to recognize the service you rendered to agriculture during the recent special session. We assure you that this recognition has not been extended on party or factional grounds, but solely on the basis of our estimation of your personal efforts.

With kindest regards and best wishes, I am, Yours very sincerely, C. L. BRODY, Executive Secretary.

CITY OF ROYAL OAK Michigan

May 14, 1932, Mr. Philemon J. Miller, State Representative, Walled Lake, Michigan. Honorable Sir:

The attached resolution passed by the Commission of the City of Royal Oak is forwarded to you that you may know the Commission deeply appreciates the efforts put forth by you as a member of the House of Representatives in securing much needed relief.

Yours very truly, R. BRUCE FLEMING, City Clerk.

Return SENATOR James E. Lawson

Republican Primary Not Campaigning with House to House Solicited Signatures but Supported by Voluntary Endorsements.

A bill is successful in passage if a well known, well liked and enough of his fellow law-makers to the affirmative. Mr. Lawson has yet to propose a bill that has not been passed. If you want your conscientious representative proposes this bill and is able to win Senator to be successful in passing bills for your betterment, then vote for Senator Lawson.

Your Senator Lawson through hard work in the senate cut \$100,000,000 from the assessed valuation of Oakland County. This meant a saving to every taxpayer.

It is friendship and experience that puts things across. Mr. Lawson is the man who alone is qualified in this important respect. Your Senator Lawson single handed fought for Covert Road relief and now thousands of dollars are saved for the Taxpayers.

Your Senator Lawson is endorsed by the Oakland County Board of Supervisors, a tribute which every office seeker is anxious to get. This endorsement was voluntary.

In the interests of impartial representation and of clean, honest and efficient endeavor in the taxpayers' and home-owners' behalf, vote for Senator Lawson September 13th.

This ad donated by appreciative taxpayers and home owners.

Irish Cobblers for Extra Early Market

A trial plot of potatoes containing
2 varieties in the field of Lloyd Wait,
living 2½ miles west of Oxford was
harvested last week. The result will
be of interest to potato growers in
this locality who have been planting
Russet Rurals for the early market
for the past several years.

Alternate rows of Irish Cobblers
and Russet Rurals were planted May
16th and dug August 30th. The Irish
Cobbler is Michigan's leading early
variety and the Russet Rural is the
principal late or main crop variety.
The average yield of the Irish Cob-
blers on a No. 1 basis was 106
bushels per acre. The total yield
was 125 bushels per acre. The aver-
age yield of U. S. No. 1 Russet
Rurals was 176 bushels per acre and
the total yield of the latter was 208
bushels per acre. The Irish Cobbler
variety was allowed to come to full
maturity, the tops being completely
dead when dug. Both varieties pro-
duced a very good type of market
potato, quite smooth, free from scab
and growth cracks. The Russet
Rurals, however, were not mature.
The tubers skinned up badly in
handling. The Irish Cobblers showed
practically no handling injury. Both
varieties were dumped from crates
during the grading and weighing.

It is the opinion of Mr. Waite as a
result of this demonstration that the
Irish Cobbler would be a good vari-
ety for the early market in which
cases they should be planted early in
May and dug before the middle of
August, thus supplying the market
in competition with the New Jersey
potatoes.

Mr. Dean made his announcement and gave out his platform to the
District early in June. "Fully Dedicated to the CAUSE of the people.
Mr. Dean will with these verses REST
his nomination in the BATTLE of the
Primary.

Because it comes within the race, he
has chosen to set these words in place:
Oh! David, Phil, Chester and James,
Oh, I'm most smothered by so many
names; for when I CAME IN, I looked
around, and not a man could be found;
but as late as the 26th I find myself
in quite a FIX, because some misun-
derstanding heart has misjudged my
very part. THEY say I'm out to skin
you all, when that is not the CASE at
all, for I'm just out to FIX things
up, and I ask your support on election

ESPECIALLY AFTER 10,000 MILES

you'll be glad you said

"SIX CYLINDERS

No more . . . No less"

Compare a Chevrolet Six whose
speedometer reads over 10,000 miles
with any other low-priced car of about
the same mileage. Compare bodies.
Compare chassis. Compare the way
the two cars have stood up. Compare
the gas and oil mileage each is getting.
You'll be surprised at what a differ-
ence there is in favor of Chevrolet.

Chevrolet's wood-and-steel Fisher
body remains tight, staunch and
trouble-free. Chevrolet's chassis
stays rigid and solid—shows none of
the ill effects of age or wear. Chev-
rolet's six-cylinder engine continues
to purr along smoothly, quietly and
dependably. And it continues to
give the same all-around economy as
it did when new.

The reason for this difference after
10,000 miles can be summed up in
three major facts: First, Chevrolet is
such a wonderfully well-built car.
Second, Chevrolet has adequate
weight, unusual ruggedness and
strength to withstand the effects of
long, hard usage. Third, the Chev-
rolet engine has SIX CYLINDERS.
And SIX is the fewest number of
cylinders you can have in a car, and
avoid destructive vibration.

Play safe, in choosing that low-
priced car of yours. Put your good
money in a sure thing. Buy the
automobile in which the majority of
American motor car buyers have
placed their faith ever since January,
1931—a new Chevrolet Six.

Frothy Whips are yours in a jiffy with an electric Food Mixer

Iced desserts for summer evenings are doubly delicious with light, fluffy whipped cream—and it takes an electric mixer to do the job well. But you will find a dozen other ways in which a mixer can be helpful.

For instance, it mashes potatoes, turnips, squash to a creamy consistency. It beats eggs. It juices oranges and lemons without effort. It whips mayonnaise to perfection. It stirs finer cakes, cookies, candies.

All in all, a food mixer is quite a Jack-of-all-trades. Once you've used it in your kitchen, you'll wonder how you ever did without it!

Waterford

Mrs. Elmer Collins and daughter June and Betty with Mildred Barkham were in Clarkston on Tuesday afternoon.

Waterford people were greeted with the merry call of the school bus on Tuesday morning as Frank Farmer started the opening of school by bringing the scholars to the school in time before the final bell rings out at 9 o'clock. Superintendent Howard Burt who is head of the school was in charge of the plans which will be worked out throughout the year. Mrs. Mamie Baker was greeted with 40 new faces will enter the primary work. It was found necessary to get more new seats for that room. Mrs. Kenneth McVittie, Russel Galbraith, Miss Marveta Hines, Mrs. R. C. Langer were all at their places of duty. Waterford people were very sorry to learn that Mrs. Norman Smith—2nd and 3rd grade teacher—is in the hospital at Detroit where she underwent an operation on Tuesday. A sub is taking her room until her recovery.

Enters Training

Miss Doreen Douglas, daughter of Mrs. Jean Douglas, has entered nurse's training at the Grace Hospital, Detroit. Miss Douglas left Monday to start her studies and plans to take a full nurse's course. She was graduated from the Clarkston High School in June, 1931. Good luck to you, Doreen.

REPUBLICAN CANDIDATE FOR CORNER OF OAKLAND COUNTY

KIMBALL

It has been two years since I went before the voters of Oakland County and pledged them my best efforts for a high type of service as coroner, and I am more than grateful to say that, with very few exceptions, my work has met with satisfactory cooperation from those connected with the cases I have been called on. Public officials, Law enforcement officers and the citizens of the county at large have invariably assisted me in the performance of my duties. For this I am thankful. In these present trying times, I again pledge to the people of Oakland County my present policy of efficiency, fairness and economy.

VOTE FOR ROBERT G. YERKES

- Farmer • Lawyer • Business Man •
- World War Veteran •

No congressional district in the United States contains a greater diversity of population and interests than our new 17th District of Michigan. We have farms and factories, small towns and large cities, large residential areas and business centers, in two different counties. To properly and adequately represent such a district in Congress, its representative must be a man of unusual INTELLIGENCE, CAPACITY AND COURAGE, a man with a high sense of duty who has the welfare of the people at heart.

Robert G. Yerkes is the one candidate for Congress who has the comprehensive understanding and experience which the task of representing the 17th District demands. As owner and operator of Braeside Farms, Novi Township, Oakland County, where members of his family have resided since 1824, Mr. Yerkes is thoroughly acquainted with farm problems. He has a personal, vital interest in agricultural legislation.

As a member of the law firm of Yerkes, Goddard and McClintock, Mr. Yerkes has come into contact with a wide range of problems affecting people of this District. He can and will devote himself to being helpful to his constituents in every part of the District, as their Congressman.

As a business man and a taxpayer, Robert G. Yerkes has the experience, the seasoned judg-

ment, the breadth of vision that this important office requires.

A World War Veteran and member of the American Legion (Lloyd H. Green Post of Northville), "Bob" Yerkes has a particularly keen interest in the affairs and problems of his comrades with whom he served. He stands ready to serve in peace as in war, and will devote his entire time to the welfare of this District.

David A. Green

David A. Green, a lifelong resident of Pontiac and Oakland County, is a candidate for Representative in the State Legislature, Second District, Oakland County.

As a taxpayer, and a former member of the Legislature, I believe I am qualified to serve the people of the Second District to advantage. If honest and good legislation was ever needed, it is now.

I shall stand for a drastic economy program. The Legislature must stop spending the people's money. Stop the State Highway Department for a period of two years in their mad rush in road building.

I am in favor of the state paying the Covert road debts, or the elimination of the State property tax or both, or the exemption of the home to the amount of \$3,000.00.

A reduction of 20 to 40% in salaries and a big reduction in overhead in the general expense in the several state departments and institutions. The salary reduction should include the salaries of the members of the legislature according to the Hinkle Bill, introduced in the present legislature, which was voted down by the present members.

The consolidation of units, commissions, and different departments of our state government to reduce taxation. The elimination of commissions, etc., that we can get along without.

A change should be made in the State Equalization Board so that the State Tax Commission could not control that body.

Our banking laws should be amended so as to give depositors security.

If nominated and elected I pledge myself to use my best efforts to put the issues above stated and other needed legislation into effect.

A rigid economy program should be put across only by electing members to the next legislature.
