Cars Figure in Head-on Collision

Gerald Andress, owner of the Autogenous Welding Co. of Pontiac, who lives about one-half mile south of Waterford Center School, is in the General Hospital at Pontiac recovering from injuries sustained in a head-on collision Sunday evening on Highland road at Crescent Lake.

Andress was driving west while the other car driven by Lenn Kennaday of Pontiac was heading eastward. Andress received a fractured left arm and lacerations of the head.

Empty House Burns Down

An unoccupied farm house located opposite the Orchard Crest farm on M-15 near Ortonville was burned to the ground in a fire on Monday. Mrs. C. E. Marsh discovered the structure ablaze and summoned help from Holly but the flames had gained such headway it was impossible to save the building.

Small Amount of Taxes Paid Up

According to a report coming from Township Treasurer Will Baldwin's office, only about 10% of the taxes due have been paid to date.

A year ago at this time more than 25% had been paid. Collections are coming in very slowly. The expiration date is March 1.

Streets Are Being Repaired

The village is busy getting its streets in readiness for the spring weather.

Church street and Depot road has been filled in with gravel, making it smoother for automobiles to travel over.

Scout Notes

Twelve were present at the regular Monday evening Scout meeting. Opening ceremony was followed by collection of dues. Because of the cold weather a fast game was played indoors to warm up.

Plans were made to make Jig-Saw Puzzles at the next meeting. Every boy is to bring a picture, wood and saw.

Mr. Archibald worked with the group on drilling while Mr. Buck worked with a few individuals to give them the principles of drilling.

The compass was reviewed by all, Mr. Roehm taking charge. Mr. Buck worked with First Aid.

During the past week part of the troop passed their mile run. Scout members last members made the drive on selling tickets and delivering hand bills for the Minstrel Show.

On Tuesday evening, January 17, the troop met at the assistant Scoutmaster's home and had an evening of practice on the semaphore code. At the conclusion a large dish of popcorn was enjoyed by all.

Mrs. Gladys Wills and daughter spent Wednesday with Mrs. Elizabeth Drake and enjoyed a rabbit dinner.

Many Interested In Park Progress

Much interest is being displayed in the development of Clarkston's new park. Most of the rubbish has already been removed and the natural streams and springs are being preserved.

The undertaking of this new project is not costing the village any money, the labor being furnished by the indigents of the township.

Stuart Croop of Oxford visited his sister, Mrs. Arthur Beardsley, on Sunday.

Mrs. Farmer E. Davies was a Detroit visitor Wednesday.

Andersonville Ladies Meet

The Ladies Aid of the Andersonville church will meet next Wednesday at the church house.

A pot luck dinner will be served at the noon hour and all members are urged to be present.

Baby Dies

The infant son of Mr. and Mrs. Ray Walter of 79 N. Francis street, Pontiac, born on Sunday evening was pronounced dead at birth.

Funeral rites were held Wednesday afternoon at Lake View cemetery. The infant was given the name of John N. Walter.

Losing Team Fetes Winners

The losing team of O. E. S. will entertain members of the winning team at a banquet next Tuesday evening in the lodge home.

Mrs. Lyla Hopkins is captain of the losing side and Mrs. Mildred Russell captain of the winning team. A contest was put on some time ago to raise funds and two teams were organized. Both teams worked hard and showed good sportsmanship.

Lame Duck Amendment Passed by 39 States

After this year both the President and the newly elected Congress will take office the January following November's election. The January session of Congress, from which the Amendment takes its name, will not convene again. Michigan ratified the amendment in March, 1932.

Franklin D. Roosevelt will thus serve less than 4 years. He will take office on March 4th and his term will end on January 20, 1937.

Beginning next year, Congress will meet every year on January 3. The President will take office every four years on January 20. The seventeenth day difference is to give Congress time to canvass and certify the election results.

Drayton Plains School Notes

At the last meeting of the Hi-Y, Gerald Shell and Francis Mullen were accepted for membership. The initiation of these new members will be held on Wednesday evening, February 1, in the school from 7 to 9 P. M.

Final examinations this week. Promotion will be made Friday afternoon. The new semester will begin Monday.

The newly organized basketball team will play games with high school second teams. They are anxious to secure games.

Accounting Expert to Assist Farmers

While farm accounts for 1932 will not show the same story they did in 1931, farm cooperators will doubtless use their records for project return comparisons and over-head reductions. Twenty-five cooperators of Oakland County will meet January 27th and 28th at the Farm Bureau Office at Pontiac to check in their books.

A special session for instruction in Accounting during the year of 1933, especially for farmers who are opening accounts for the first time, will be held Saturday, January 28th at the Farm Bureau Office in the Post Office Building.

Around the State

A gang of four youngsters from 8 to 1 years pulled off a "stunt" at Keego Harbor one day last week that was certainly out of the ordinary. A boy of fifteen wrote notes saying that a poor family of several children had just come from Ohio and needed assistance, it being too early to get on the welfare, and asking that contributions of nickels and dimes be given by charitable people. The notes were given to the small kids and passed out with such good results that several dollars in small change was collected. Then new series of notes were sent over to Sylvan Lake village, three miles from Keego Harbor and several more dollars were collected. Suspicions were aroused and the gang run down. It was certainly a bold scheme and the 15-year old leader showed a head for detail and astuteness that was remarkable.

William Cowdrey, 15, of Hamilton, O., will not lose the use of his right arm as the result of an unusual operation. It was badly torn by the accidental discharge of a shotgun, Nov. 15. The boy's arm was attached to the skin of his abdomen, and for two weeks received nourishment which it could not have obtained from the shoulder. When disconnected last week it was much stronger and he already had partial use of his hand.

Definite plans seem to be under way for the development of a village park at Clarkston on the strip of land between Depot Road and Washington street to the north and south and between Main and Holcomb streets to the east and west. Those receiving township aid are to start cleaning up the premises in the immediate future.

The Depositors' State bank, Northville's new institution which is to open January 23, is unique, officials declare, in that nowhere in the United States have any two closed banks in the same community been merged and re-opened by mutually "teaming on each other" as have the two closed Northville banks.

Daughter of Local Family Is Robbed

Mr. and Mrs. A. C. Beckman, son-in-law and daughter of Mr. and Mrs. Byron T. Beardsley, were held up in their gasoline station at M-15 and the Holly Road shortly after 11 o'clock Saturday evening.

Although Mrs. Beckman was able to get the license number of the automobile, a check-up revealed that the car had been stolen shortly before. A description of the bandits was furnished the Sheriff's office. The bandits made their get away with \$16.

Drayton Men's Club Meets

Members of the Drayton Men's Club sponsored a dinner Monday evening in the church dining room in honor of the deputies who helped in the paper sale last December.

Music for the occasion was furnished by the Mitchell Orchestra. Wilfred Hunt, a well known vocalist of Detroit, rendered several selections. He was accompanied by Miss Maxine Zater. The program was in charge of the program and social committees combined.

Seventy-six persons attended, including wives of members.

The next meeting of the Men's Club will be held at the Oakland County Juvenile home. All men wishing to attend, whether club members or not, will meet at the school at 7 p. m. Transportation will be furnished those who do not have a way to go.

Davisburg Grange Met on Thursday

Mr. and Mrs. William King, west of Clarkston, entertained members of the Davisburg Grange at their home yesterday. A pot luck dinner was served.

The following program was presented:

Music by the Grange
Roll Call answered with current events
Music by Mr. and Mrs. Henry Birge
Discussion - Forestry and the Farm, by Martin Poole and Edward Cook
Reading, Mrs. Charles McGretney
Debate: Resolved, "That Husbands should eat every dish their wives prepare for them." Affirmative, Mrs. Martin Poole and Mrs. Rowland Crawford. Negative, Mrs. William King and Mrs. James Thomas

Return From Southern Trip

Mr. and Mrs. E. D. Parrent returned from a two months' motor trip to Florida and New Orleans. They returned Sunday evening and report a most delightful trip.

Oak Hill Club Meets

At the regular monthly meeting of the Oak Hill Farmers Club which met last Wednesday at the home of Mr. and Mrs. Fred Beckman, the following officers were elected for the ensuing year:

President - Alex S. Iley
Vice President - Charles Beardsley
Secretary, Treasurer - Mrs. Charles Beardsley
An oyster dinner was served by the men following which an enjoyable program was held. Mrs. Herbert Baynes who had charge of the entertainment procured an interesting speaker from Pontiac who spoke on "voice training".
The next meeting will be held at the home of Mr. and Mrs. William Beltz.

Butterfly Is Seen Here

Another sure sign that spring may be just around the corner is evidenced by the fact that a butterfly was seen fluttering in the area west between the Clarkston State Bank and the Miller & Leonard garage.
This happened last week Friday and a great many local citizens were witness to the fact.

Clarkston Home News

Miss Irene O'Neal of Detroit spent Sunday with her mother, Mrs. Emma Green.

Miss Leona Secord has returned to the home of her parents after working at Sylvan village for the past year.

On January 18th Miss Phyllis Beardsley entertained three little guests at a house party, the occasion being Phyllis' 12th birthday.

Mr. and Mrs. Walter Ash motored to Harrison, Michigan, last Friday and returned Sunday bringing with them the latter's mother, Mrs. Perry Bailey, who will spend the winter here.

A little over a year ago four colored boys, the oldest nineteen, walked into the studios at the C. B. S. for a hearing. After the Director of the Artist Bureau heard them he connected them to the loud speaker of the President of the Network. The President listened to them for two hours and then gave them a contract. Their first appearance on the air brought them swarms of letters and the Mills Brothers were made.

Today, they live in Harlem, New York City. They have a huge limousine and a liveried chauffeur. Their clothes are the talk of the town. A valet takes care of them. When they have to go to the studio in a hurry, a police escort with screeching sirens clears the way.

The Columbia Broadcasting System has a feud on its hands. Tony (Scrapbook) Wons and Ted Husing, the sports announcer, are doing a bit of friendly feuding over their Indian names. It seems that while Tony was on his vacation last summer the Chipewa Indians took him into their tribe and called him "Meshkaegewit" which means "Sending big voice over the air." Ted's name, which he got while broadcasting a water carnival in Bay City, Michigan, is "Keemah-keeshig" which means "King of the Air." And now both boys are pointing about which of them ranks higher in the councils of the tribe.

WELL, WELL, so the sex appeal in Bing Crosby's voice is caused by a corn on the vocal cords, heh, heh, and they mistook Fred (Bath Club) Allen for Grace Allen's lost brother.

Morton Downey was kicked out of high school for turning in a false fire alarm.

The Baron keeps a pad and pencil at his bedside to write down gags he thinks of during the night - wonder if he writes in his sleep. - Paul Whiteman can not dance.

Al and Pate are now Bill and Henry (that's no improvement!).

Homemaker's Own Corner

Did you ever read a story that O. Henry built around an onion - or, rather - the lack of one? If you have, you will be in complete sympathy with the frequent assertion that no good cook can get along without them for seasoning - whether it be a stew, as in O. Henry's story, or a soup, or a hash, or a salad - to say nothing of onions as a vegetable by themselves. In fact onions may appear on the table in every conceivable dish except dessert.

Historically onions are one of our most interesting vegetables. They were widely used in ancient Palestine and in the Orient generally. The Bible says the Israelites complained to Moses of the lack of onions. The laborers of the great Pyramid of Egypt are said to have eaten 16,000 talents' worth of onions and garlic, or about 3 million dollars' worth.

And did you know that the onion is own cousin to the beautiful Easter lily?

If you think you don't like onions perhaps you have never eaten them under auspicious circumstances. Stuffed and baked, for example, or French fried, or fried with apples; or scalloped with peanuts, or in onion soup.

But the people who do like onions have the advantage of enjoying an additional kind of raw vegetable in salads and sandwiches.

Use the large white Spanish or Bermuda for cooking and the brown skinned, smaller onion for seasoning.

Scalloped Onions and Peanuts

- 6 medium sized onions
 - 1 cup peanuts, ground
 - 1 tablespoon melted butter (or fat)
 - 1 tablespoon flour
 - 1/2 cup milk
 - 1/2 teaspoon salt
 - 1 cup buttered crumbs
- Skin the onions, cook in boiling salted water, until tender, drain and slice. Make a sauce of the fat, flour, milk and salt. In a greased baking dish place a layer of the onions, cover with the peanuts and sauce, and continue until all are used. Cover the top with buttered crumbs and bake in a moderate oven for about 20 minutes.

Baked Onions in Tomato Sauce

- 6 medium sized onions
 - 1 quart canned tomatoes
 - 1 bay leaf
 - 1/4 teaspoon celery seed
 - 2 cloves
 - 2 tablespoons flour
 - 2 tablespoons melted butter (or fat)
 - 2 teaspoons salt
 - Dash of pepper
- Skin the onions, cut in half, simmer in slightly salted water for 10 minutes. Drain, and put in large baking dish. Cook the tomatoes with the bay leaf, celery seed, and cloves

for ten minutes, and strain. Blend the flour and melted fat, add to the tomato juice with the salt and mix well. Pour over the onions, cover and cook until the onions are tender, about 1 hour. Serve from the baking dish.

Broiled Hamburg Steak on Onion Rings

- 2 cups ground lean raw beef
- 3/4 cup ground suet
- 1 cup soft fine bread crumbs
- 7 strips bacon
- 7 slices Spanish onion 1/2 inch thick
- 1 tablespoon chopped parsley
- 3 tablespoons butter
- 2 teaspoons onion juice
- 1/2 teaspoon salt
- 1 tablespoon water

Lay the slices of onion in a buttered shallow baking dish. Pour over them 2 tablespoons melted butter, sprinkled with salt and pepper, add the water, cover closely, and bake in a moderate oven for 30 minutes. In the meantime, cook the chopped parsley in 1 tablespoon of butter and combine with the beef, suet, crumbs, and seasonings. Knead until thoroughly mixed. Mold into seven flat cakes and wrap each with a slice of bacon. Place each cake on an onion slice in the baking dish, and broil for five minutes on each side. Bake occasionally.

If you do not have a broiler, they may be pan broiled, and served on the onion slices.

Milk is superior to any other food for bone and muscle building and is the surest protection against nutritional deficiency. The less money there is for food, the more important milk becomes.

Do you save the edges from your hand-crocheted pillow cases? Here is a way to use the lace after the pillow cases are worn out. They will really beautify your linen closet. First, cover the shelves with oil cloth, either colored or plain. Then wash and starch your lace and tack on the shelves. It looks very neat and dresses up your linen closet.

When a recipe calls for 1 square of chocolate and you have only cocoa, it may be used this way. For 1 oz. (square) chocolate use 1-3 cup cocoa and 1/4 teaspoon fat.

Waterford

Howard Burt, Jr., who was injured on Thursday afternoon as he was returning home from school, is a patient in the Goodrich hospital where he had his leg placed in a cast as both bones were broken a little ways above the ankle. He was coming home from school with other children and backed directly into the street in front of an on-coming car. The driver tried to escape, the child but hit him on the side. That was the only injury incurred. He was only one block away from home when he was injured. The driver of the car stopped and took him to his home and waited until he was taken to the hospital, also accompanying him. The latest report received is that he is coming along nicely. He is the son of Mr. and Mrs. Howard Burt. Mr. Burt is the Waterford school superintendent. Waterford friends were very sorry to hear of this added trouble.

The Ladies' Sewing Club plans to meet on Thursday of this week at the home of Mrs. Oscar Virgin. This will be an all day session. Roll call will be responded to by giving "a favorite recipe."

The Waterford P. T. A. is to meet on Thursday evening of this week at the school building. The time is 8 o'clock. The main speaker is Miss Myrtle Shorer of Pontiac who is most instructive in giving travel talks. All parents are urged to attend these meetings which are made very interesting.

Harold Jacober of Lansing spent the week-end at his home here. Mr. and Mrs. Robert Beattie and family plan to move this week to their farm near Columbiaville, Michigan. Mr. Beattie is slowly improving in health—it is reported and the change will be beneficial to him.

Mrs. John Young of Pontiac was in town on Friday. She is suffering from a broken arm which will have to be reset.

Mrs. Harold Wormley of Coolidge Highway was the guest at the E. D. Spooner home on last Sunday.

Mrs. Lyman Girst and Mrs. Arthur Walter were in Pontiac on Wednesday receiving instructions in the home economics work.

Mrs. L. Norton spent a few days of the past week in Detroit.

Mrs. Elmer Collins was joint hostess on January 19th at the Legion Auxiliary which was held at the home of Mrs. Edward O'Roark of Clarkston. Refreshments were served.

Word was received of the sudden death of Leonard Tallman of Cadillac. He was a close friend of Orrin Barber and resided here a short time. Death was due to pneumonia.

Lois and Elaine Burt are spending a short time at the home of their grandparents at Ortonville.

Among those from Waterford at

tending the "Feed a Kid Minstrel" in Clarkston Friday night were Mr. and Mrs. Henry Buck and family, Mr. and Mrs. Charles Roehm and family, Mrs. Davis and son Keith, Miss Grace McVittie, Mrs. R. C. Linger and others.

Philip Etter has recovered from his recent escape of a bad accident and is attending school. Several marks of his cuts and bruises are still visible.

Mrs. Louis Dorman has returned from a visit with relatives at South Bend.

Louis Dorman is driving a new Dodge car.

Monday afternoon Mrs. Fred Wasmuth and Mrs. Harry Hosler of Crescent Lake and Mrs. James C. Sutton of Maceday Gardens were visitors at the Oakland County Tuberculosis Sanatorium. Mrs. Wasmuth's only son Warner is a patient at the sanatorium.

Miss Sarah Kelley, who has been the house guest of her sister, Mrs. Robert Smithson, for several months, was called to her home in Anniston, Alabama, recently on account of the illness of her mother.

Mrs. E. L. Lamberton was a recent guest of relatives in Detroit.

Mrs. Smithson of Williams Lake has been confined to her home with an attack of grippe.

Mr. and Mrs. James Wulpi and son Donald of Birmingham were guests of Mr. and Mrs. George Slayton at Williams Lake Sunday.

Ben Hawkins, superintendent of T. A. C. hangar at the Airport, was a business visitor at the Stinson Aircraft factory in Wayne county last week.

Mesdames Frank Brothers, and Frank Schultz were Detroit visitors on Friday.

Mrs. George Maten is a patient at the Pontiac General Hospital due to a fall which fractured her limb near the hip. She continues about the same.

Waterford Center

The largest meeting of the Waterford Club for the year was held at the home of Mrs. Carlos Richardson last Thursday when 35 members and guests enjoyed the co-operative luncheon at 1 o'clock. Election of officers was as follows:

Mrs. Elmer Jewell, president, re-elected; Mrs. William Norrie, vice-president, re-elected; Mrs. Wayne Shoemith, secretary; Mrs. Harry Martin, treasurer, re-elected; Mrs. Robert Hickson, corresponding secretary, re-elected.

The next meeting will be held at the home of Mrs. C. E. Elder, Crescent Lake in February.

Junior Baum planned a birthday surprise party for his friend, DeLos Keelean, last Friday evening at the home of Delos' grandparents, Mr. and Mrs. C. E. Bird of Crescent Lake. Fifteen guests attended. Games were played and a buffet luncheon was served later in the evening.

Duncan McVean, Pontiac, was a guest at the home of C. E. Bird on Thursday evening in honor of the birthday anniversary of DeLos Keelean.

Mr. and Mrs. Art Hickson entertained Mr. and Mrs. Will Schank of Detroit and Mr. and Mrs. Harold Wells and family of Pontiac on Sunday.

Sarazen Proposes Larger Cup
 Gene Sarazen believes that, with larger hole rims on the putting greens, golfers would get greater thrills out of the game. He suggests that the cup, which is now 4 1/4 inches in diameter, be increased to eight inches. Undoubtedly many 'duffers' would realize their life-long ambition to break a hundred.
 Francis Ouimet, former National Golf Champion, is very emphatic in declaring that instead of providing greater thrills, it would lessen the thrills. His reason for this is that the larger hole would eliminate the possibility of taking an extra putt on the greens, which would tend to make the game dull and uninteresting.
 Among the leading golfers who favor Sarazen's plan are Leo Diegel, Paul Runyan, Jimmy Thompson, Al Espinosa, Johnny Dawson and John Deforest.

How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luelsdo of Dayton writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, SAFELY and HARMLESSLY—take one half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—it is the safe way to lose unsightly fat and one bottle that lasts 2 weeks costs but a trifle. Get it at any drugstore in America. If this first bottle fails to convince you this is the safest way to lose fat—money back.

But be sure and get Kruschen. Sales imitations are numerous and you must safeguard your health.

The Ladies Aid met with Mrs. William Pelton January 18 with 16 members present. Mrs. Pelton opened the meeting by reading the sixth chapter of Corinthians. Ladies sewed on sunshines and shadow bags which are to be distributed among the members at a later meeting. A Valentine entertainment was planned to be held on February 14. Delicious refreshments were served at the close of the meeting. Mrs. Purdy and Mrs. Rowley acted as hostesses with Mrs. Pelton.

Old Joe

By Nellie Hoard Sutton

"What in de wurld de matter wid ole Joe, Uncle Wash, he look lak he dun fit a whole war by hese?" asked de young negro man as he entered de ancient cabin of ole Uncle Wash Doolittle.

"Dat 'bout it son, dat ole dog fight as long as he kin stan' up, I reckon. Pull yosef up, a cheer an' set down. Lie still, Joe, ain't nobody gwine step on yo' so' foot."

"I dun tied up de places de bes' I kin. Ain't he dun look lak a Chris-mus tree wid all dat mess o' rages on him? But I tells yo' son, I hates to see dat dog git hurt. Yo' know he was Marse John's dog an' since he dun passed away I looks atter Joe an' I sho' thinks lots o' dat dog."

"I kin jes shet mah eyes an' see him now settin' up in de waggin by Marse John when he was a-gwine to town."

"Den he use to fetch de cows up at night an' drive de hogs in when dey git out. I never locks de dor when I goes 'way kaze ole Joe nint lettin' nuthin' in here. Marse John allus say Joe was part sheep 'log wid sum wolf blood in him."

"But how did he git dese euts an' scratches?" asked de younger negro.

Clarkston Loses Three to Keego

Friday night, January 20, three basketball teams representing Clarkston High met and were defeated by three teams from Keego High School. Of the three games played, the game between the girls' teams turned out to be the most thrilling. Both boys teams from Clarkston lost by the same score, 18 to 9.

In the curtain raiser, the Keego second team took an early lead and held it until the end of the game. The final score was Keego 18, Clarkston 9.

The Clarkston girls lost a heart-breaker to the Keego girls by the score of 20 to 15. Clarkston soon overcame Keego's early lead and then had everything their own way until the final three minutes of play. Justman, of Keego, tied the score at 15 all, and then sank two goals from the field and one from the foul line, giving her team a five point lead and victory.

For Clarkston, Lowrie was very aggressive, but the opposing guards were too large for her and spoiled most of her shots. Chamberlain was unusually clever with the ball and her pivot had the guards fooled most of the time.

The varsity game was opened with a display of defensive work seldom seen. However, Clarkston's fast breaking offense soon began to break thru for several shots. They were mostly fast, short shots and during the first half every one of them was wild. Neither team seemed to be able to connect and the half ended 6 to 2 for Keego.

Reynolds opened the second half with two baskets, tying the score at 6 all. Marthey and Cell went under the basket repeatedly for short shots, only to see them roll around the hoop and fall out. Keego began hitting and soon pulled out in front. They kept increasing their lead and when the gun ended the game they were ahead 18 to 9.

Although defeated by Keego, the Clarkston varsity displayed one of the best passing attacks of any team in this section. Time and again they worked the ball under the basket for short shots which should have been converted into points. The trouble seemed to be that the boys were not getting their eyes on the basket. And on the intermediate shots they were shooting while off balance.

If the team continues to pass as they are now doing, and improve their shooting, they will be able to defeat, with ease, any team in the league. That's saying quite a lot, but the material is there and Coach Waters has already developed the most important thing necessary to a great team—passing!

SHOOTING PRESERVE LAW MAY BE REPEALED

The Department of Conservation will recommend to the State Legislature that the Shooting Preserve Law be repealed.

A resolution adopted by the Conservation Commission at its January meeting says that so serious opposition to the Act has developed that there is a tendency to undermine public cooperation in many other conservation affairs.

Director George R. Hogarth, in asking the Commission to take a stand for repeal of the law stated that "While I am now recommending its repeal, I would not have you lose sight of the necessity of finding some way to make it worth while for many people to take a direct interest in the production, protection and year-round management of pheasants and other farm-type game birds."

Numerous communications and resolutions from Michigan sportsmen's organizations, recommending action both for and against the law were read by the Commission.

AS YOU THINK, YOU ARE!

As you think, you travel; and as you love, you attract. You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you. You cannot escape the result of your thoughts, but can endure and learn, and accept and be glad. You will realize the vision (not the idle wish) of your heart, be it base or beautiful, or a mixture of both, for you will always gravitate towards that which you secretly, most love. In your hands will be placed the exact results of your thoughts; you will receive that which you earn; no more, no less. Whatever your present environment may be, you will fall, remain, or rise with your thoughts, your wisdom, your ideal. You will become as small as your controlling desire; as great as your dominant aspiration.—James Allen.

Who Shall Obey the Laws?

"A state anxiously looking to a new administration to solve many of its present ills is plainly worried over the attitude of two prominent officials on the subject of keeping the law.

"Both Governor Comstock and Auditor-General Stack have been quoted as stating that they did not intend to obey certain laws. The governor thought the law about reporting campaign expenses didn't amount to much, and said he did not intend to obey it.

"The auditor-general said he didn't like the law regarding the publication of delinquent tax lists; and he didn't intend to obey that. On top of which, the governor said he would pardon Mr. Stack if he should be sent to prison for violating this law.

"Perhaps both laws are bad. Per-

haps both should be changed or repealed. If so, there is a right and fair way to do it. But to what riot of lawlessness are we to descend when each of us, from the governor down, starts to decide what laws he will obey and what ones he will flout; and preaches this defiance of law openly to the public.

The above is an editorial appearing in the Royal Oak Daily Tribune. It states the case clearly and expresses our beliefs exactly.
