Is Removed to Goodrich Hospital

Mrs. Howard Burt, wife of the Clarkston won both games from Superintendent of the Waterford Log Cabin High School Tuesday School, was removed to the Goodrich night. Log Cabin did not give the hospital in the Ogden ambulance Clarkston boys much competition in Wednesday afternoon. Mr. and Mrs. Burt are well known

in this community, the latter being who scored 8 points, easily defeated the daughter of F. D. Brigham, the Log Gabin second team. Molter namę in Ortonville. :

It is believed to be a case of neumonia although the statement is nconfirmed. Her condition is regarded as serious.

Mrs. Reese Feted At M. E. Aid Party

Mrs. Christina Reese was guest honor at the regular meeting of the Methodist Ladies' Aid which was held Wednesday afternoon at the home of Mrs. Elizabeth Rockwell, the occasion being Mrs. Reese's

birthday anniversary.
At the luncheon following the business meeting guests were seated at small tables, which were decorated with spring flowers. The flower scheme was carried throughout the rooms. A huge birthday cake was presented to Mrs. Reese as a gift from Mrs. Rockwell and attending

This meeting attracted the largest attendance of any previous meeting, which speaks highly of the esteem in which Mrs. Reese is held.

Bunco Club Meets Thursday

The "We all go Bunco" club held its semi-monthly meeting at the home of Mrs. William Leach yesterday.

Mrs. William Ross entertained members of the club two weeks ago at a pot luck dinner. Prizes went to Mrs. V. Cranton and Mrs. Carl

Drayton Men's Club to Visit Juvenile Home

Next Monday evening the Drayton Men's Club will visit the Oakland County Juvenile home. Members of the probate court staff will be present to assist Mr. Tinney, superintendent of the home, in entertaining the club. The club members are requested to bring their wives to this meeting. Visitors are also welcome. Cars will meet at the Drayton Plains school at 7:00 o'clock.

Program Presented By Local Group

Several young people of the Ep worth League attended a banquet at Swartz Creek Saturday evening, the Clarkston group put on the program composed of quartettes, duets and solos.

Those attending were: Elizabeth Belitz, Ralph Marshall, Helen Tindall John Giddings, Margaret Harris, Harvey Porritt, Elaine Mar-shall, Lewis Warden, Adele Gardener, and Jerry Cell.

Club Puts on Drive

The Bald Eagle Lake Club of Bald Eagle Lake is conducting a member-ship drive for the 1933 season.

Membership in the club includes the use of clubhouse and bathing desch throughout the season, as well as many other privileges, Membership is for Gentiles only.

Anyone interested in becoming member is asked to get in touch with Clarence F. Cope, Manager, or Helen C. Cope, Secretary.

Baby Girl Is Born

Mr. and Mrs. Leo Ellsworth, who reside on the Mrs. Marguerite Miller farm, announce the birth of an eigh pound daughter, which arrived Monday morning at 9:15 o'clock.

The young miss will answer to the name of Margaret Mary. Mr. and Mrs. Ellsworth lost their first born baby in infancy.

either game:

The second team, lead by Parker owner of a drug store bearing his was next high point man with 4 points. Soulby, Spencer, Scrace and Mann each made one basket. For Log Cabin, Bear was best with 5 points.

On the first play of the varsity game, Reynnells made a beautiful follow-up shot. Marthey counted two baskets and White one before Log-Cabin made their first score. The Clarkston team continued their bomhardment and the quarter ended, Log Cabin 3, Clarkston 10.

In the second quarter, Clarkston ran their score up to 18 and Log Cabin brought their total to 7.

All during the second half, Clarks-ton kept hitting the basket and when the game ended they had amassed a total of 40 points while Log Cabin had made 19 points.

Reviewing the game, the things that stand out are, the fine passing, and fine floor work of the team. However Holmes was considerably poor in his basket shooting. He threw the ball from all angles and only connected with four baskets. Parker passed nicely. Marthey played a hard game and was the main-stay of the team, although he too was weak on his shooting.

Tonight the boys play South Lyon. Let's see a large turn-out and help the boys win from them!

Increased Advertising Maintains Business

"Play the game according to the rule and then nothing can go wrong." Don't be a bootlegger. Bootlegging advertisers harm the community, cheapen the city.

A recent national advertising survey shows that 25 companies that increased their newspaper advertising budgets maintained their sales, as contrasted with 25 other firms which decreased newspaper advertising expenditures and suffered losses as a re-

Local Bank An Exception

In looking over the list of loans granted to Michigan banks and insurance companies by the Reconstruction Finance Corporation, as published in the Detroit News of. January 27th, it is interesting to note that the Clarkston State Bank was granted a substantial loan, but, according to its latest statement is using no Reconstruction Finance money whatever and is able to main-tain its high cash position of double State Law requirements out of its own funds.

This speaks well, not only for the bank, but our community as the list shows that approximately 9 out of 10 of the loans granted throughout the State are in use at the present time.

Has Autographs of Five Late Presidents

Mrs. Frank-Byrne Fox of "Maple Leaf Lodge" Waterford, is the proud possessor of many autographs and; letters of distinguished personages, among which are the following:

Autographs of the late President William McKinley, Theodore Roosevelt, Warren Harding, William Howard Taft and Calvin Coolidge, also of the late poet James Whitcomb Riley and the late Honorable Galusha A. Grow, who was congressman-atlarge and fourteen years in the House of Representatives from Pennsylvania.

Mr. Grow enacted the "Homestead Law". He was called "War Horse' Grow, and was a close friend of Andrew Carnegie, also a cousin of the late Waterman Phillip Grow (a pioneer of Oakland County, Waterford and Clarkston) attending the Baptist Church in Clarkston many years before the Baptist church at Waterford was erected and with hiswife is "resting" in Lake View Cemetery. His parents, Mr. and Mrs. Elisha Grow, were the first ones to be buried in "Lake View" cemetery

over seventy-five years ago. In the list of letters from noted people are included some from Helen Kellar (blind girl), Mrs. Calvin Coolidge, Mrs. Theodore Roosevelt, Sr., George B. Cortelyou, at one time secretary to President McKinley, the late Helene Modjeska (the great Polish actress) whose remains were sent home to her native land, Poland, for burial. She was the greatest tragedienne on the American stage.

Hostess at Dinner-Bridge

Mrs. Frank Petty was hostess to a group of friends at seven o'clock din-

ner Saturday evening at Chase Inn. The guests were seated at two tables attractively arranged with lace covers. Spring flowers formed the centerpieces and brass candle sticks with yellow tapers were placed at both ends of the tables.

Those who attended were: Mesdames Roy Addis, William Dunston, Emily Beardslee, Margaret Rockwell, D. M. Winn, Howard Huttenlocher, Carl Pettibone, Glen Ellis, Lee Mc-Farland and a Mrs. Berhans of Detroit: the Misses Emalyn Ellis and Lillian Regan. Prizes went to Mrs. Addis, Mrs. Dunston and Miss Ellis.

Halts Use of **Slot Machines**

Oakland County's new sheriff, Roy Reynolds, has started a drive to eliminate slot machines from the county when a rumor was spread that owners of the slot machines claimed they had

protection from the new sheriff. The sheriff's reply to these rumors is "I have not and will not provide protection for anyone engaged in any

llegal enterprise." In addition to having confiscated slot machines, several punch boards and other gaming apparatus were included in the lot.

Waterford Inn Is Remodeled

Charles Young, proprietor of Waterford Inn, has just completed remodeling the interior of his

For those of you who are followers of The Country Doctor and Seth Parker (and who isn't). . . . both of these kindly old gentlemen are Phillips Lord. He is in reality a forceful young business man who does a tremendous amount of work

every day. The son of a minister, he received his education at Bowdoin College and became the principal of a small high school. After two years as principal he resigned to take a position with a

New York candy factory. Phil was listening to the radio one night and heard a program devoted to the small-town folk of Maine, He was so displeased at the caricatures the program made of the people he knew so well, that, in defense, he wrote the first Seth Parker sketch. He then rehearsed it with a few friends, and presented it on a small

radio station. The original Seth was a sly old Yankee who played clever tricks to achieve an innocent end. Gradually the public changed him until now both characters he portrays are givers-of-kindly advice. His doctrines are accepted by over a million listeners, who call him their friend, and

Of the thousands of letters he receives, the ones that receive most attention are from sad and lonely people telling of aching hearts. To these people his advice is an inspiration.

A measure of the nation's appreend with Mr. and Mrs. Russell Beach ciation for this man, who is doing such a wonderful service to humanity, was expressed by Congress last family of Edenville are spending the summer, when the entire House rose week with his brother, Mike Wall to its feet and applauded as he was introduced.

Jones Against - Larger Cup ference.

Bobby Jones has announced that he is not in favor of the larger golf cup, proposed by Gene Sarazen. Sarazen suggested that the cup be increased from the present size of 41/4 inches diameter to an eight inch dia-

meter. Golfers are divided on the question of whether or not it would make game by bombarding the basket the game more interesting. Milford high school's basketball teams invaded Clarkston last Friday ning two of the three games played.

In the first game, between the second teams of the two schools, Molter led Clarkston to its only victory of the evening. He made a total of six of his team's 18 points. Parker also gave a good account of himself. Incidently, this Parker is only a freshman and you can watch for him in the future. Porritt did some very good work on the defense. He has a lot of fight and he takes the ball off the opponents backboard better than shot. All this time Miller would be any guard on the Clarkston squad.

From the start of the game, the Clarkston Seconds were in the lead. At half time they led 11 to 7 and the game ended with Clarkston 18 and Milford 13.

The Milford girls won an easy victory from the Clarkston girls. L. but as a tribute to Miller, who in Mr. and Mrs. Cunard M. The Clarkston varsity lost to Milford, 18 to 28. However, the score does not indicate the closeness of the visiting her brother, Fred Phillips of game. It was hard fought from the first whistle until the gun ended the

> Field opened the scoring with a field goal for Milford. Marthey tied the score at two all. Milford sank two consecutive fouls, and Marthey again tied the score. Fetch and Attley both hit from the field and the quarter ended, Milford 8, Clarkston

Reynnells and Holmes tied the score with a basket each. Howes again put Milford in the lead with two goals as the half ended, Milford 12. Clarkston 8....

Howes opened the second half with a basket. Clarkston then went into the lead with two baskets by Marthey, two by Holmes, and one by Reynnells. Milford made two, to tie the score again at 18 all, as the quarter ended.

In the last guarter Clarkston seemed to be trying hard and were unable to connect with the basket. In the meantime, Milford continued to hit and the game ended with Milford ahead, 28 to 18.

Cell, guard for Clarkston, ended ils scholastic career by playing one of the best defensive games seen so far this season. When Milford shot, Cell would leap high in the air to take the ball off the backboard. Then with a fast pivot and a short-dribble, he would bring, the ball out and start the offense. He will be hard to replace. Porritt of the second team promotion.

Wasn't that girls game with Keego tough one to lose? Miss King, the Clarkston coach, took it with a smile, but we wonder what she was really thinking. Anyway, she has a nice team and before the season is over she will have some victories to smile

During the second team game at Keego, several persons in the audience were heard voicing their opinion of seniors playing in the second team games. Most schools with first class varsity teams make it the rule to only play Freshmen and Sophmores on the second team. Very often the team is made up of five Freshmen. This gives them a lot of experience and by the time they reach their Junior year they are a polished ball team. Many coaches would be better off if they built for the future in this way.

A good basketball team is the best advertisement a town can have. A winning team is a drawing card for the school and for the town it repre-Therefore it is the duty of every citizen to give his loyal support to the team - win or los Clarkston is no exception - with a good coach, good material, fine facilities - all that is lacking is a little enthusiasm on the part of the fans. Let the players and the coach know you're for them and you'll be surprised at the results.

Did you notice the two forwards on the Orion varsity? Number 5 Brady and number 10, Miller. Two exceptionally fine ball players. Brady has been considered the star for quite some time, and the boy seems to know it. Several times, he and Miller were near the goal with only one guard defending it. When Brady had the ball the guard would quite maturally go for him and each time fight for an opening for a in the open. When Miller had the ball, it was quite the reverse. He would fake the guard away from the basket and then pass to Brady who would take the shot. This is not only good sportsmanship on the part of Mr. Miller, but it proves him to be a better ball player. This is not meant as a criticism against Bradv our opinion was the best player on

Unpaid Taxes in State Are Alarming

in the school auditorium on Friday Early Checks Show that Total Will Be Greatest in

State's History By Elton R. Eaton

Michigan farmers, home owners industrialists and merchants, unable longer to bear the tremendous tax burden heaped upon their shoulders by tax spending governmental units have surrendered the fight to maintain their possessions. The message of their abdication in the uneven struggle to make ends meet is written in the startling totals of unpaid taxes being reported daily to official-

One state official declared that if returns on 1932 unpaid taxes keep mounting until the final day for county treasurer returns on March 1, the total delinquent tax for last year will exceed that of the total state tax collected just a few years ago.

The total state delinquent tax for 1925 as reported on March 1, 1926 amounted to only \$1,796,816.34. Much of this was later paid.

In 1929 the amount was \$5.615 361,17. For 1930 the amount jumped to \$6,945,937.47 and in 1931 it reachthe staggering total of \$9,192,-092.62, as reported by county treasurers up to March 1, 1932.

There is no way of estimating just what it will be for 1932 but early reports from county treasurers indicate a most distressing condition among the taxpayers of Michigan. That the total may go to \$15,000,000 or even higher is not a wild statement and when the figures are checked at the end of next month, it will tell plainly the plight of Michigan property owners.

Legislative observers have wonder-Neil Brackstone, Mrs. Ed Weidemaned why high state executives did not detect through these rapidly mounting totals year after year the disressed conditions of the taxpayers. But Michigan like the rest of the nation was riding on the crest of a tax spending orgy that seemingly

knew no limit. The spree is now over and the day of reckoning is at hand. The potato grower up in Montcalm county, the celery grower around Decatur, the lumberman of Northern Michigan, the little home owner who have paid the bills for these good times in the past are no longer able to do so. That is what the delinquent tax reports

The one big question around Lansing at present is, who is going to pay for the last big carousal, where is the money coming from?

With a deficit in all of the state funds, a delinquent tax list that is mounting daily to a total that officials fear to estimate, state finances are providing no easy problem for

those trying to solve it. There is talk of new forms of taxation, but members of the legislature are wondering who will be able to pay any new taxes. Governor Comstock is proposing a sales tax. There are all kinds of schemes and plans for raising more tax money, but if one is to correctly read the minds of the senators and representatives, there is not much prospect of any not until there is a decided change of heart on the part of the legislators. One prominent member of the legislature who started fighting for economy in days when others thought such a word was a joke, declared that he was sure the members of the legislature would not approve a single appropriation or vote a new tax of any kind until state expenses had been cut to the very limit. There is going to be no half-way work about the economy program the legislature has in mind and any bill providing new taxation will get nowhere until first there is a rock-bottom cut in state expenses, and that includes every institution as well as department.

Many Puzzles Occur In Greenhouse Work

The puzzles occurring in the busi ness of producing plants under glass have reached such proportions in this State that Michigan State College, at the request of greenhouse owners, has arranged a special course of instruction to be given February 6 to 10 at East Lansing.

Two members of the faculty from Ohio State University, staff members from Michigan State, and operators of greenhouses will act as instructors. The Ohio State men are I, C. Hoffman and H. D. Brown.

Many phases of greenhouse management will be considered during the week. Some of the subjects listed are soils sterilization, use of fertilizers, spacing of plants, and insect and disease control.

One thing of pertinent interest to be presented is the report on the study of the Detroit vegetable market. Chain stores, independent buyers, and other men interested in the trade will be at the College to give their views of the marketing prob-

The use of trucks in the shipment of vegetables and the recent quaran-tine regulations against. Michigan truck crops are other subjects which will be discussed.
