 The second grade students have started another new reader.

### Comment and Criticism

In response to popular demand, The Clarkston News appears, this week, in the conventional community size. We trust that it will be found pleasing to our subscribers.

Will you please notice the date line after your name on the address slip? If your subscription is past due we would appreciate your support in the form of a renewal.

The renewals and new subscriptions received last week lead us to believe that our efforts are being appreciated. In turn it is our intention to give you a better paper from week to week, as time goes on.

### Waterford Mother and Son Banquet

The Mother-Son Banquet which was a new undertaking for the Waterford Ladies Auxiliary was held on Friday evening in the church parlors and was a huge success. Guests were in attendance from Pontiac, Clarkston, Vassar, Waterford and vicinity filling the large dining room to capacity. A committee of men took charge of the kitchen and a group of girls served the dinner under the efficient commandment of Harry Harrup. The head of kitchen force was George King. The combined efforts of both groups gave very pleasing results.

Mrs. George Kimball Jr., chairman of Program committee, had charge of program, introducing Rev. Huey for invocation, also Mrs. McCaffery who in turn presented Mrs. H. A. Huey as toastmaster. The trio of Mr. and Mrs. Chas. Roehm and Howard Burt Sr. was enjoyed very much with the pleasing numbers they presented. Mrs. A. Wyckoff and Miss Ethel Mertens gave two vocal selections in their customary pleasing manner. Miss Grace McVittie accompanied Mrs. Wyckoff and Miss Mertens.

Toasts were given to the Son by Mrs. Kenneth McVittie and to the Mother by Laurence Harrup, which were received by much applause. Two readings were given by Miss Virginia Roush very ably. Rev. J. Wallace Jacobus of Vassar gave the address of the evening which brought many truths to all the people present, which would be of profit to them for all their lives.  
 Lovely bouquets were presented to the speaker but given to Mrs. Jacobus in token of appreciation. One to the oldest mother with son present. Mrs. McLaughlin received that honor. The mother with most sons present was Mrs. August Jacobus, who had her four boys with her. The dining room was lovely with its color of pink and white with beautiful plants decorating the tables. The plants were from the Monroe Greenhouse on the Dixie Highway.

### Engagement Was Announced Today

Mr. and Mrs. George D. King announce the engagement of their daughter Isabel to Richard Townsend Bullen, son of Mr. and Mrs. War' Bullen of Mason. The wedding will take place in June. Miss King is a graduate of Clarkston High School and Michigan State College. Mr. Bullen is a graduate of Mason High School and attended Michigan State College.

The third meeting of the Contract Bridge School was held on Tuesday evening at Caribou Inn. Following the regular lesson and a discussion of specimen hands the group played contract for an hour and refreshments were served. New pupils were Mrs. Jones of Pontiac and Mrs. Harcourt of Detroit. Next Tuesday evening former lessons will be reviewed and the new topic for discussion will be "Forcing Responses to Partner's Opening One Bid". All who are interested are invited to attend.

### SUMMER PROGRAM FOR BOYS' CAMP

#### Many Outdoor Activities Are Planned for the Event

The Oakland County Y. M. C. A. Camp after three seasons on the new picturesque site at Loon Lake in Isosco County, Northern Michigan, evolves into one of the finest boys camps in the middle west.

The program is on a very high plane including everything that a boy delights in doing in the open. A great variety of activities is possible. Such things as horse-back riding, canoeing, swimming, life-saving, sailing, athletics of all sorts, woodcraft, wild life propagation and conservation, manual arts, nature explorations, photography, hiking in the famed Au Sable river district, dramatics, music, Indian Lore, and numerous other boy activities are enjoyed by the campers.

The name itself, "Mah-n-go-tah-see" is one to conjure with. It was a greeting to the great "Hiawatha" (made famous by Longfellow) by one of his braves, meaning Loon Heart, Strong Heart, Great Heart. The cry of the Loon is heard on this lake nearly every night. A pair have lived there around the lake for many years. "The name therefore is peculiarly fitting to Loon Lake.

The health and sanitation phases of this Camp's life have received the highest commendation from the State Board of Health. A registered-trained nurse is in residence and this season a physician, who is the school doctor in a large school system, will be in residence at the camp in addition to the nurse.

Leadership, which is a vital part of any modern well organized camp, is carefully selected on the basis of character, personality, ability, and maturity. The maturity of the senior counselor is leavened with the youthful enthusiasm of the Junior Counselor in training, who is selected from the best young men in the High Schools of the County and more particularly from the older campers. A senior counselor is provided for each tent of six boys and associated with each senior counselor is a Junior counselor in training. The senior counselors come from the ranks of teachers, principals, college seniors, graduate students in universities, college professors, and young business men with college training. The variety of abilities in these leaders covers the whole range of camp activities.

This camp conducts a community where boys and leaders live together on a cooperative self-governing basis. Character is both caught and taught. Health becomes a reality in the out-of-doors life.

This camp is operated at a very minimum fee for the reason that no attempt is made to profit from the enterprise. The trustees and the many interested people in the county are providing the site and equipment.

The trustees are men who believe in this project as a method to help boys grow into useful citizens. These men are E. W. Scamlin, Birmingham, President; George T. Hendrie, Bloomfield Hills, Vice President; O. B. Summers, Pontiac, Treasurer; Maurice F. Coft, Ferndale, Secretary and Legal Advisor; Dr. Frederick A. Baker, Pontiac; W. F. Edmondson, Pontiac; Ivan H. Long, Pontiac; E. E. Vantine, Pontiac; Frederick D. Madison, Royal Oak; E. C. Huston, Birmingham; and John E. Martin, Birmingham.

### Bank Reopening Plans Approved

Reorganization plans for opening the Clarkston State Bank were approved Wednesday.

We understand that the stockholders meeting will soon be held followed by the election of directors and officers.

### Obituaries

**Joseph D. Boardman**  
 Joseph D. Boardman passed away at his home in Ferndale, Mich., on May 8. He had been confined to his bed with heart trouble and other complications since the fourteenth of last September.

Mr. Boardman was born at Syracuse, N. Y., June 29, 1871. He was the son of John and Nancy Boardman. When he was a very small boy the family moved from New York to Michigan and settled in Independence Township near the Block school-house, where Joe went to school. When a young man, he went to Detroit and worked for several years at the Cadillac Motor Co.

On March 7, 1893, he married Olive Richmond of Drayton Plains who survives him. He also leaves three brothers, Robert, William and John, and two sisters, Mrs. Anna Stewart and Mrs. Julia Johnston, all of Pontiac.

Mr. Boardman was a member of several branches of the Masons and Oddfellows.

The funeral was Wednesday, May 10 from the home at 300 LeRoy Ave., Ferndale. Rev. Foster Jones of Emmanuel Presbyterian Church of Detroit officiated. The Oddfellows conducted the service at the home and the Masons conducted the service at the Drayton Plains Cemetery.

**Arthur Swer Spashett**  
 Arthur Swer Spashett died at his home on Warren Drive on Saturday morning after a lingering illness of heart trouble. Before his health failed Mr. Spashett was manager of a grocery store in Pontiac. He was an active member of the Pontiac Baptist church and for several years was superintendent of the Baxter Mission.

Mr. Spashett was born at Blenheim, Ontario, April 20, 1882. He is survived by his wife Ollie and two daughters, Mrs. Albert Simmons of Pontiac and Mrs. Hardy Golden of Birmingham and one brother, Walter E. Spashett of Pontiac. The body was taken to the Davis Funeral Home and services were held at 3 o'clock from the Pontiac Baptist Church.

### LICENSE TO FISH WILL COST 50 CENTS

Ninety days after the state legislature ends its 1933 session every person over 18 years of age fishing in any of Michigan's inland waters will be compelled to have a license.

The fee will be 50c and entitles a man and his wife to fish with the one license. Owners, lessees or occupants or anyone regularly domiciled on any enclosed land or any member of their family actually residing thereon may fish without a license from waters wholly within the limits of the land at any time permitted by law.

The appointment of Bernard Schrader, of Royal Oak, as Oakland County inspector for the state liquor control board has been announced. It will be his duty to see that all provisions of the state law are being met. The salary is \$1,800 a year and is paid by the state. Mr. Schrader was the Democratic candidate for sheriff last fall.

**TELEPHONE SERVICE IS POPULAR AS PRESENT**  
**Gift Is Useful All Year—Makes Possible Closer Touch**

Telephones as gifts is one of the latest.  
 This past Christmas many telephone subscriptions were given in lieu of other Christmas presents, and they were most welcome to the recipients, for telephone service is something which people use every day in the year. Telephone gifts this last Christmas also included residence extension telephones from the man in the family to his wife or daughter, in order to save them many unnecessary steps by having telephone facilities available on more than one floor.  
 The plan of giving a telephone as a present began a few years ago and has slowly increased in scope since then, with the result that telephones today are considered appropriate presents not only for Christmas, but also for birthdays, anniversaries and other special occasions. This last Christmas, in particular, the telephone proved to be a favorite gift on the part of people who desired to keep in closer touch with relatives who, themselves did not feel able to bear the cost. Telephones as birthday and anniversary presents likewise are increasing in popularity.

**NEWSPAPER KNOWS VALUE OF SWIFT COMMUNICATION**  
 The Cincinnati Times Star, recently established in its new building, has a communication system comprising a two-position private branch telephone exchange switchboard serving 92 telephones throughout the newspaper plant and connected with the city's telephone system by 22 trunk lines.

**MAID THWARTS ATTEMPT AT EXTORTION, SAVES CHILD**  
 An extension telephone in the home of a Kansas City, Mo., citizen is credited with saving the life of a child recently, and at the same time thwarting an effort to extort \$15,000.  
 The child, a nine year old girl, was ill at home. The father was at his office and the mother was away from home when an armed man forced his way into the house and demanded that the maid call the child's father and order him to bring \$15,000 to the house at once or the child would be killed.  
 The intruder then forced one of the maids into a bedroom with the child. But he did not know that there was an extension telephone in the room. The maid was thus able to call the police and, later, the child's father. When the police arrived on the scene, the intruder saw his game was up and committed suicide.

**Waterford School feels very proud of Einar Kropp, one of their former graduates who is now graduating from the Pontiac High School. He has been asked to participate in examinations at East Lansing for the scholarship which is given each year to one pupil of Oakland County by the Michigan State College. Einar was the choice of the investigating committee. He is President of Pontiac High School Chemistry and Physics Club. He stood thirteenth in a class of 290. He plans to enter the chemical engineering school. Einar lives at Williams Lake.**

**STATE POLICE DO BIG TASK IN QUICK TIME**  
**Teletypewriter Message Starts Troopers Covering Bay State**  
 The value of teletypewriter service was again demonstrated in Massachusetts, when a job which once before required a whole month was accomplished in only 12 hours and seven minutes.  
 Back in 1927, Massachusetts State Police found it necessary to make a thorough investigation of all persons and companies authorized to sell or use explosives in the state. This proved a tedious job, and it required a month to finish it. Following a recent bombing in Worcester, Mass., a similar investigation of all persons and companies in the state authorized to sell or use explosives was undertaken.  
 In the intervening time since 1927, teletypewriter service had been introduced. This time the Commissioner of Public Safety promulgated the order at the state house by which a message via teletypewriter to the twenty-five State Police troop headquarters and substations throughout the Commonwealth.  
 The message soon had 150 troopers out on the road, going into all parts of the state, and six hours after the order for the check-up was issued, 208 of the 350 municipalities had reported. By 7:30 P. M. 341 reports were received. The towns that were heard from later than that were slow simply because of the great amount of territory that had to be covered by the troopers. The last report was received 12 hours and seven minutes after the order had been issued.

The delinquent tax measure sponsored in the legislature by Senator A. W. Moore, of Pontiac, is still alive after having been nearly down and out several times. Opposition to it has subsided in a measure after some features objectionable to senators and representatives had been eliminated, changed or explained.

**NEW LAW WILL BENEFIT FARMERS**

**Provided It Works Out in Way It Is Expected**

The passage of the farm adjustment Act by Congress and the signing of it by President Roosevelt is the beginning of a national program with the avowed purpose of increasing the prices of farm products. The second deals with the matter of agricultural credits, and the third gives the President and his aides power to change present national financial and currency measures.

Michigan farmers are more immediately concerned with the first part of the Act, which part will be commonly referred to as the Farm Act. This section of the law provides three means of increasing the prices of farm products: first, acreage reductions; second, payment of allotment benefits; and third, marketing agreements with processors and handlers of farm produce.

Farm products listed as coming

under the provisions of the Act are wheat, cotton, field corn, rice, tobacco, hogs, and milk and its products. Any of the products may be excluded from the operations of the Act by the Secretary of Agriculture.

Participation by farmers in this Act will be entirely voluntary. The first step in the administration of the Act will be an attempt to inform everyone of the purpose of the law and how it will affect those farmers who aid in its operation.

There are over a score of applicants for the position of Oakland County drain commissioner to succeed Murray D. Van Wagoner, who will become State Highway commissioner July 1. Mr. Van Wagoner has submitted his resignation as drain commissioner to take effect June 1. The appointment of his successor will be made by Probate Judge Dan A. McGaffey, Prosecuting Attorney Arthur P. Bogue and County Clerk Lynn D. Allen. As two of these are Republicans the natural assumption is that the new official will be of that faith.

**Mother and Daughter Banquet a Success**

The Mother and Daughter Banquet was a huge success. At 6:30 p. m. 140 mothers and daughters sat down to an appetizing dinner served in a very capable manner by Rev. Sutton, Messrs. Grubb, Purdy, Webber, Grahl, Pelton, Dancy, Wilson and Lawrence Webber. A great deal of credit is due the ladies who worked in the kitchen and prepared the meal.

The program which followed the dinner was in charge of Mrs. A. J. Barnhart, who acted as toast-mistress. The following numbers were capably rendered:

Toast to the Mothers: Esther Washburn  
Vocal solo: Charlotte MacMillen  
Toast to the Daughters: Mrs. Clayton Purdy  
Reading, "Mother": Cleabell Flink  
Piano solo, "Country Garden": Jeanne Schulte  
Address of the evening: Janet Kerr of Birmingham

The evening closed with the singing of "God Be With You Till We Meet Again", and a prayer by Mrs. C. J. Sutton.

**Drayton Plains**

Provisions have been completed for the disposal of about 35,000 ring neck pheasant eggs from the State Game Farm at Mason this spring, it has been announced by the Game Division of the Department of Conservation, and it will probably be impossible to fill any additional applications for eggs.

Attorney General O'Brien says that the making of home brew is illegal now as it was before, but that there will not be much effort to stop it unless the product is offered for sale. Malt has gone up in price, however, as many of the manufacturers of that article are now producing 3.2 stuff.

*Henry Ford*  
Dearborn, Mich.  
May 9, 1933

A great thing has occurred amongst us. We have made a complete turn-around, and at last America's face is toward the future.

Three years—1929 to 1932—we Americans looked backward. All our old financial and political machinery was geared to pull us out of the depression by the same door through which we entered. We thought it simply a case of going back the way we came. It failed. We now realize that the way out is forward—through it.

Thanks for that belongs to President Roosevelt. Inauguration Day he turned the Ship of State around. Having observed the failure of sincere efforts to haul us back the way we came, he designed a new method—new political and financial machinery—to pull us out the way we are going—forward. He is clearing international obstacles out of the way; he does not stand in awe of tariffs. The people begin to feel that he does not take advice from the "interests"; that he has courage and loyalty to work for one supreme interest only—the welfare of the American people. That is a big achievement for two months in office.

And now we all look to what is coming; we grow less and less concerned with what is behind. We are looking for a hand-hold on the haul rope. Every man wants to do what he can, and all he can.

The best thing I can do for the country is to create industry by building good motor cars. If I knew anything better to do, I would do it. Industry must be my contribution. Motor cars must face ahead to the future, like everything else. They are so much a part of the Nation's daily life that if they lag behind they hold the country back.

Ortonville Mother and Daughter Banquet

The Mother and Daughter banquet held in the parlors of the Baptist church Tuesday evening was voted a huge success. Supper was served to 125 mothers and daughters. The tables were beautifully decorated with tulips. Mrs. Leah Baker acted as toastmistress. Mrs. Ethel Addis presented the toast to the daughters which was answered by a toast to the mothers by Miss Millicent Sherman. Miss Hough gave a paper, "The Origin of Mother's Day" and Mrs. Minnie Salzer gave an original poem entitled "Mother". The music was furnished by Mrs. Helen Coventry, Miss Helen Tindal, the girls' quartet and Mrs. Luce and Miss Bernice Miller.

HOW SHE LOST 29 POUNDS IN 3 MONTHS

"I am using your Kruschen Salts to reduce and I've used a bottle and a half and dieted some, and lost 29 pounds in 3 months. I feel so much better and intend to keep on taking the Salts as I was almost 50 pounds overweight," Mrs. Thelma Gravelly, Roseville, Calif. (Jan. 11, 1933). To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning. A jar that lasts 4 weeks costs but a trifle at any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent front and double chin, and again, feel the joy of living—money back if dissatisfied after the first jar.

Mr. and Mrs. J. C. Sutton had as their dinner guests Tuesday night Mr. and Mrs. Tom Mees of Pontiac. Mrs. Mees and son Bobby expect to leave by airplane Saturday to visit relatives in Pittsburg, Pa.

Several of the Waterford young people who attend high school in Pontiac enjoyed their skip-day on Thursday.

LEGAL NOTICES

NOTICE OF PLAN TO RESUME BUSINESS OF THE CLARKSTON STATE BANK OF CLARKSTON, MICHIGAN. Notice is hereby given that the above named bank will resume business on the first day of July, 1933, under the following plan: In accordance with the provisions of Act No. 32 of the Public Acts for the year 1933, and Act No. 8 of the Public Acts for the year 1932, for the State of Michigan, and all acts amendatory thereof, supplemental thereto, or in substitution therefor, now or hereafter in force, also in accordance with and under the order of the Governor of the State of Michigan, the rules and regulations of the Secretary of the Treasury of the United States, and the Commissioner of the State Banking Department of the State of Michigan, applicable thereto. A detailed plan for the resumption of business of said bank is now on file in the office of the Commissioner of Banking of the State of Michigan, and will be available to all depositors and other creditors and stockholders of said bank during the legal banking hours of said bank. 1. The Commissioner of the Banking Department of the State of Michigan, by and with the approval of the Governor of the State of Michigan, shall immediately levy and proceed to collect to the fullest extent a 100% stock assessment against the stockholders of said bank. 2. All accounts listed as preferred accounts or preferred claims in the plan, such as state monies, postal savings, trusts accounts, deposited in said bank as a new business after February 11, 1933, will be available for payment in full without restriction. 3. All accounts of \$10.00 and under, and all savings accounts, will be available for payment in full without restriction. 4. The certificates of participation representing the waived deposits are to be issued against assets, which are to be taken out of the assets of the bank and placed in a trust for the benefit of the holders of said certificates. 5. Failure to make such application within the said thirty day period by a creditor, stockholder, or depositor shall be deemed to be consent to such reorganization or plan. 6. Release of available deposits: (a) 50% of other deposits to be released and made available to depositors as follows: The amount available under this paragraph or under the opening on restricted basis plan shall be 1/2% per annum, payable semi-annually for the first year; 2% per annum payable semi-annually for the second year; 3% per annum payable semi-annually for the third year; 4% per annum payable semi-annually for the fourth year; and 5% per annum payable semi-annually for the fifth year. (b) Such time certificates of deposit shall be redeemed at the bank on the date of maturity. (c) Such time certificates of deposit are callable at any time by the bank with the consent of the Commissioner of the Banking Department. Each time certificate called for payment shall cease to bear interest from the date of call. Notice of such call may be given by causing the notice thereof to be published in a newspaper of general circulation in the county or counties in which the bank is situated for such length of time as shall be determined by the Commissioner of the Banking Department, or may be given by personal notice or by mail, or in such other manner as the Commissioner of the Banking Department shall determine. Such notice shall also be posted in the lobby of the bank at least five days before time of redemption. (d) Such time certificates of deposit may be accepted in whole or in part by the bank in payment in whole or in part of any note, loan, mortgage, debt, and/or other obligation, whether similar or not, owing due or to become due to the bank, or reorganization, to have a determination of the value of his or their claims against the bank; and the court, in its discretion, may order and decree the payment thereof in cash, or by the allocation of assets to said claimant or claimants, to the value of his or their claims, as so determined; or said court may order or decree that said creditor or creditors, stockholder or stockholders, depositor or depositors, shall accept and abide by such plan or reorganization, or make such other or further order or decree in the premises as shall be fair and equitable under the circumstances of the case. 7. Failure to make such application within the said thirty day period by a creditor, stockholder, or depositor shall be deemed to be consent to such reorganization or plan. 8. The earnings of the bank to be conserved and no dividends to be paid to stockholders until after the resumption of business. 9. The capital structure of the bank shall be such as shall be determined upon by the Commissioner of the Banking Department and shall at the time of opening be represented by sound assets. 10. Officers and directors of the bank on opening shall be approved by the Commissioner of the Banking Department. 11. Interest on accounts: Interest on savings accounts and certificates of deposit and other interest bearing accounts will be computed to March 4, 1933, and become a part of the creditor's claim against the bank. 12. In the event it shall be deemed advisable to issue preferred stock and have the Reconstruction Finance Corporation subscribe for the same or part thereof, the Commissioner of the Banking Department shall have the right to order such preferred stock issued in such manner and form as shall be satisfactory to the Reconstruction Finance Corporation. 13. (a) This notice will be posted on the front door of the bank, and will be published in the Clarkston News newspaper printed and circulated in the county of Oakland, Michigan, for two successive weeks, and any depositor or creditor or stockholder upon application within thirty days next following the last publication of this notice to a Court of Chancery of said county that being the county within which said bank is located, such creditor or creditors, stockholder or stockholders, or depositor or depositors shall have the right to review said plan

THE DETROIT EDISON COMPANY

GENERAL OFFICES  
2000 SECOND AVENUE  
DETROIT, MICHIGAN  
May 15, 1933

TO THE CUSTOMERS OF THE DETROIT EDISON COMPANY

This is the seventh of this series of weekly letters addressed to our 500,000 customers in 29 cities, 58 villages and 130 townships in the southeastern corner of the State of Michigan: The Detroit Edison Company is the largest taxpayer in the district. We are all taxpayers, directly or indirectly, so we're all in the same boat. You customers pay our taxes. There is no other way of our earning them. During the last twenty-five years, our annual tax bill has jumped more than fifty-fold. In 1922, we paid out \$5,699,000 in taxes. That's a lot of money even in good times — and it's more than we paid in 1929 when we were selling much more electricity. In 1920, a little over 5 cents of every dollar we earned was paid out for taxes, but it's been climbing steadily until last year when it jumped to almost 13 cents. For every two dollars in wages we paid our operating employees last year, we had to pay one dollar in taxes! The biggest share of our total tax bill went into the coffers of the city government of Detroit. Last year we paid 4% of the total taxes assessed by Detroit. This was over 7.5% of the total taxes actually collected by the City during 1932! Now about rates. The price of electric service to our customers is lower than ever before, and is well below the average cost for the entire United States. Since 1921 we have voluntarily reduced one or the other of our rates thirty-three times, resulting in a total saving to our customers of almost 60 million dollars in the last 11 years. Just before the "crash," we voluntarily reduced our rates TWICE WITHIN TWELVE MONTHS (1928 - 1929). By these two rate reductions alone, our customers have been saved seven million dollars in the last four years. In addition there have also been rate adjustments, not filed as reductions, that have been to our customers' advantage and which amount to thousands of dollars more. While our rates have been dropping after 1914, the prices of other commodities, including everything we have to buy for our business, were skyrocketing steeply upward. Today, after four years of dull times, the cost of living is still 20% higher than its pre-war cost. What about electricity? The average cost of Detroit Edison household electricity today is 30% LOWER THAN BEFORE THE WAR. The Edison Company has faith in the future of the area it serves. The same men who build the greatness of our industries are most of them still with us — as able as ever. The Great Lakes region is the richest industrial territory in the world, not excluding the famed Ruhr Valley. And above all we have — in our automobile, metal-working, electrical appliances, chemical and other plants in Detroit and Southeastern Michigan — a body of expert workmen which is the greatest resource any community ever had.
