Birthday Party Held on Tuesday

Relatives Assemble for Visit and Dainty Luncheon

On Tuesday Mr. and Mrs. Charles Bone of Walled Lake, Mr. and Mrs. Andrew Bone of Fenton, and Mr. and Mrs. Ewers of Detroit held a surprise birthday party for Elizabeth Rockwell, the occasion being her birthday.

A luncheon was served at noon and it was reported that the candles on the cake were snuffed out in the time honored manner. Well, here's to many more years of happiness and service.

Births

Born to Mr. and Mrs. Arthur Davies, Saturday, Sept. 16, at the Rockwell Hospital, a 7½ pound daughter, Nancy Alma Josephine Davies.

Obituary

Mrs. Mary A. Osborne, of North Holcomb Street, died early Saturday morning at the age of seventy nine years. Mrs. Osborne had been ill at her home for the past few weeks with paralysis. The funeral was held on Monday afternoon at two o'clock at her residence, with burial in the Woodmere Cemetery, Detroit, with Rev. C. B. Allen, of the Metropolitan M. E. Church, officiating.

She was married in 1872 to D. L. Osborne at Detroit. Mr. Osborne died in 1925. Mrs. Osborne was a member of the Calvary Presbyterian Church of Detroit, and she moved to Clarkston in 1915.

Surviving are two children, Mrs. Edward Mitte of Detroit and Mrs. Clarence Kent of Clarkston, three grandchildren and two great-grandchildren.

Funeral arrangements were in charge of the Ogden Funeral Home.

N. R. A. Notes

We Do Our Part

The women's division in charge of Mrs. Milen Vliet, reports that the consumer canvass has been completed with 801 cards signed. Mrs. Vliet requests those who were missed, if any, to call at the postoffice, and upon signing their card will receive their stickers.

There have been some cards returned by parties on the rural routes, with the notation that they did not understand. The purpose will be explained by calling at the postoffice.

Oak Hill Friends Hold Surprise Party

Mr. and Mrs. Guy Allen were delightfully surprised by twenty Oak Hill neighbors and friends on Friday evening. The fore part of the evening was spent in playing five hundred and later a luncheon was served.

Rev. C. E. Edwards Returns to Clarkston

Conference Reappointed Him to the Clarkston Charge for Another Year

Rev. and Mrs. C. E. Edwards have returned from Conference and have been reappointed to the Clarkston Charge, which includes Seymour Lake, for another year.

Mr. Edwards reports a general feeling of optimism for better times just ahead in the minds of Conference officials and attending ministers.

Mr. Edwards proved, during the last year, that his interest in life and community was large enough to care for his charge, take his part in civic affairs, support the local fraternal orders and still have time enough to make a host of friends.

Boy Shot Thru Arm With Rifle

Loaded Gun Discharges, Bullet Goes Thru Arm

Saturday afternoon a boy was examining the action of a 22 rifle belonging to Morris Terry, the gun was discharged and the bullet passed thru the arm of the Terry lad.

Dr. Miller was called and after an x-ray examination, reported that the bullet had not shattered the bone but had gone through for which the boy can be very thankful as the accident will have less harmful results.

Eastern Stars

A lovely dinner was served to about eighty members of the O. E. S. on Tuesday evening at the Masonic Temple. The dinner was followed by the initiation of several new members. Guests were present from Grosse Pointe, Detroit, Royal Oak, Pontiac, Rochester, Orion, Oxford and Holly.

To Property Holders On Elizabeth Road

Important Matters of Vital Interest to Be Discussed

A meeting of the property holders on Elizabeth Lake Road and the old Oxbow road will be held Sunday, Sept. 24, afternoon at 2:30, at the Oxbow Dance Hall to discuss the right of ways and widening of these roads.

We urgently urge all property owners to be present as matters of vital importance will be discussed in regard to paving this road.

Tag Day for St. Joseph's Mercy Hospital

To Be Held in Clarkston, Saturday, Sept. 23rd

"The Lord loves a cheerful giver" and when the gift enables the sick, regardless of creed, nationality, age or sex, who can not afford medical attention, to receive it without cost, surely the giver is twice blessed.

The St. Joseph's Mercy Hospital clinic is reaching out a helping hand to all the worthy who apply, and it is to aid them in continuing their noble work that Saturday, Sept. 23rd, has been set aside as Tag Day throughout the county.

This movement is sponsored by the Ladies' Auxiliary of the Hospital. Through their untiring efforts the clinic has already been provided with much necessary equipment.

Miss Nell G. Barry has been appointed chairman of the committee which will canvass Clarkston and will be assisted by Mrs. C. A. Walter, Mrs. William Vliet, Mrs. Herbert La Vigne, Mrs. Clifford Waterbury, Mrs. Edward Seeterlin, Mrs. William Watson and also the Boy Scouts.

The following is a report of the cases treated by the clinic during the year 1932:

Obstetrics, 69; gynecology, 148; adult medical, 631; adult dental, 1236; surgical, 3402; ear, nose and throat, 789; eye, 786; children's medical, 921; children's dental, 322; crippled children, 468; dermatology, 26; tonsils and adenoids, 198; total cases, 6865.

Comment and Criticism

What is the use of building automobiles to go 90 miles an hour if the roads are to follow round-about trails? The Elizabeth Lake-Highland road is the shortest distance between two points.

I am glad I settled in Clarkston, where the bank is OPEN AND DOING BUSINESS at the old stand instead of some town where the banks resemble bears and are still HIBERNATING.

On hearing for the hundredth time the new song "I Loved You Wednesday" the thought came that most of us love every day and do not use the radio to advertise it either.

Competition is getting harder in every line. Even a "fan" dancer in Chicago had her boss arrested for giving her a darkened eye in an attempt to make the "front page".

This community should have a gun club. How else can ye editor know who can shoot, and looking ahead, know who will furnish a venison steak for the wife and I.

But enough! I should have been in bed an hour ago.

Everyone Joined in to Assure a Great Success

Wednesday evening, the annual reception for the pastor of the M. E. church and teachers of the Clarkston School was given in the church.

The program was in the style of the school in days gone by, which must have reminded Mr. Edwards of the little red school he attended in the days of his youth and probably caused our school family to breathe a sigh of relief to think that they did not have to teach such a class.

The program was in charge of Mrs. Alice Urch. Those who took part were in costume.

The program follows:

Song, "The Old School Bell", Lena Woodward.

Recitation, "Welcome", Maudie Miller and Earl Walter, Church.

STATE MATTERS OF INTEREST TO ALL

Digest Prepared in the Office of Secretary of State

The emergency administrative board, composed of two senators and two representatives in addition to the seven members of the regular board, last week made \$1,400,000 available for loans to school districts, which have funds impounded in banks. The loans will be made in cases where lack of available funds would compel schools to close.

At the present time more than \$4,000,000 in 1933 corporation taxes have been collected and Department of State executives estimate that the total 1933 corporation tax will amount to \$5,500,000. This is a half-million dollars more than was anticipated in estimates made last spring at the time the state budget was prepared.

Fred B. Perry, director of the gasoline tax division of the Department of State, was elected treasurer of the North American Gasoline Tax Association at the annual meeting held in Indianapolis recently. The consensus of opinion at the conference called for reductions of gasoline taxes to a minimum for active "war" against gasoline bootleggers in order to eliminate unfair competition; and was opposed to diversion of gasoline tax moneys for other than highway purposes.

MICHIGAN BELL TELEPHONE CO.

A STATEMENT BY MISS GRACE J. GRAVES
 Miss Graves, who is head of the Employment Bureau of the Lucid Private Secretarial School, in Grand Rapids, relies entirely on the telephone in contacting both employers and applicants. She says:
 "We use the telephone exclusively in placing applicants. And we will not accept an application that does not give a telephone number."
 Other things being equal, the applicant for employment who can be reached quickly and easily by telephone is likely to be the first called to work. Telephone service pays its way. Order a telephone today. Installation will be made promptly.

Buying Power of Wheat

Articles Farmers Buy Cost in Terms of Wheat (Each sack holds 3 bushels)

1914	8
1920	7
1925	2
1930	22
1933	22

* First 8 months

GIVING wheat the same buying power that it had in the period before the World War is the goal of the Agricultural Adjustment Administration. This chart shows how big the problem is. In 1914 8 sacks of wheat would buy a pair of shoes, a barrel of flour, a chair, and a plow. In 1925 it took 9 sacks of wheat to buy the same set of articles. In 1930 it took 19 sacks of wheat and early in 1933 it took 22 sacks of wheat. The cause of the low buying power is too great a supply. To remedy the situation, the Agricultural Adjustment Administration has begun a campaign asking farmers to reduce their acreage for the 1934 and 1935 crops so that the return from a bushel of wheat will be once more what it was in the prewar period, in its power to buy the goods which farmers need. The goal of the wheat administration is the 1914 basis, on which 8 sacks of wheat would buy the bill of goods pictured here.

DELAY EXPECTED IN WINTER TAXES

State Tax Commission Coming to Revalue County.

Revaluation of Oakland County property with a higher level than that now obtaining probable in many instances, is planned this fall by the State Tax Commission. The County Board of Supervisors was informed of the plan Monday by M. B. McPherson, chairman of the tax commission.

The commission is coming into the county at the request of Birmingham and Bloomfield Hills. Attention is expected to be given to blanket reductions of assessed valuations ordered in Farmington and Pontiac. Supervisors from other localities have protested that these reductions were unreasonable.

High valuations expected to be established will aid the County in living within the fifteen-mill tax limitation by increasing the amount of taxes that may be collected, the board was advised.

Because of intervention by the State board delay in collecting taxes is expected in December, as the supervisors cannot assess the State tax until the new valuations are established.

Deputy-Clare Hubble of Holly made a rush trip from Pontiac to Oxford Monday morning to take serum for a 16-months-old boy, Ronald Nolan, who had been bitten by a rattlesnake in the barnyard of his father's home two miles north of town. The prompt action is believed to have saved the boy's life.

STRANGULATION

Like an octopus, special taxes upon the motorist and the automobile industry have so enveloped us that they threaten to strangle the very life-blood of Michigan's principal industry. The Automobile Club of Michigan is marshalling forces throughout the state to fight unfair automobile taxation. Despite fewer cars and less driving this year, motorists of Michigan will pay the greatest amount of taxes in their history. Even if driving does not increase, and if registrations continue at their present low figure, there will be another increase in 1934.

Take the word of a "Man about Gobi"

Next to a Camel Chevrolet gives most miles per gallon

No argument about the camel. When it comes to miles per gallon, there's nothing in all the Gobi desert—or anywhere else—that can beat him. No argument about Chevrolet, either. It's the most economical full-size transportation on wheels. More miles on a tankful of gas. More miles on a filling of oil. More miles without worry and trouble and repair! And they're smoother, safer, more comfortable miles, too, due to all these features exclusive to Chevrolet in the low-price field: A cushion-balanced six-cylinder engine. Fisher body. Fisher steel-plus-hardwood construction. Fisher Ventilation. Starterator. And many more!

Travel in comfort and save as you go. Save with a new Chevrolet. In addition to being America's most economical car, it's also America's fastest selling car by the widest margin of leadership in history.

Liberty Theatre HOLLY

Friday and Saturday two features are the attractions at the Liberty Theatre, Jack Holt in 'The Wreckers' and 'The Pride of the Legion'.

For Rinty's son, Rin-Tin-Tin, Jr., whom Lee Duncan, owner of both dogs, had been training since puppyhood to take his noted sire's place...

Fortunately, the fear that Rin-Tin-Tin's place could never be filled has proved ill-founded as all advance reports assure us that little Rinty, Jr., has inherited all the beauty, intelligence, personality and daring of his deceased dad.

Rin-Tin-Tin passed away suddenly just as shooting was about to begin on the present film. He was fourteen years old and the most famous animal in the world.

'The Pride of the Legion' is adapted from Peter B. Kyne's Cosmopolitan story of the police department. Rinty, Jr. shares honors with Barbara Kent, Lucien Littlefield, Victor Jory and Sally Baline.

Marie Dressler and Wallace Beery in 'Tugboat Annie', their first appearance since 'Mir and Bill', are the attraction, sometimes hilariously funny, sometimes tensely dramatic, but always entertaining, at the Liberty Theatre, Sunday, Monday and Tuesday.

The public has long clamored for another Dressler-Beery picture, and the present story in which they are filmed is an ideal one.

A BURNING MATCH WON'T SELL Your Merchandise!

A BURNING MATCH in a dark store will give a certain amount of light... but no modern merchant would think of trying to show merchandise to a customer by means of lighted matches.

(1) A display of dry goods in the show window of a retail store was lighted to an intensity of 15. Only 11 per cent of the people on the street paused to look at the window.

(2) In the interior of a store with a general illumination intensity of about 3, a show case was dark. Only 14 per cent of the passersby stopped to look at the display.

Detroit Edison engineers will measure your store lighting without charge, and tell you definitely how it compares with standard present-day lighting.
