## Marker on Grave of Revolutionary Soldier -- Old-Fashioned Masquerade and Box Social

### Sashabaw Plains Cemetery Scene of Patriotic Ceremonies

Members of the Gen. Richardson Chapter, D. A. R., sponsored the unveiling of a grave marker Thursday afternoon to the memory of Jacob Petty, soldier in the Revolution and pioneer to Oakland County. The ceremony took place at the family lot in the Sashabaw Plains Cemetery in Independence Township.

Descendants of the veteran were present representing his three children who pioneered with him to Michigan. The youngest son, Jonathan, was represented by the entire family of the late Elmer Petty. Mrs. Petty and her son Glen, entertained this family at luncheon on the day of the unveiling at their home in Springfield Township. Their guests consisted of Mr. and Mrs. Jacob Petty III and daughter Patricia of Detroit; Mr. and Mrs. Frank Betty and Mr. and Mrs. George Smith and daughters Marjorie and Ethel of Clarkston.

The veteran's daughter Patricia (Patty) Gulick was represented by her grandsons, Jacob Gulick and Joseph Gulick of Clarkston.

The veteran's eldest son John Petty was represented by Dr. and Mrs. John Petty, of Au Gres, Michigan; Mrs. Elmer Major, of Fenton; Mrs. Peter Addis, Raymond E. Addis, John R. Addis and Ralph D. Addis, of Holly.

Many of the friends of the Petty family were present, veterans from three wars and other interested citizens from neighboring cities and towns. Among the older citizens were listed Mrs. Henry Miller from Springfield, and William G. Miller from Rose. The latter was born in Sashabaw in 1839.

Veterans of the Civil War were represented by Handy Austin and Theodore Burden, of Holly. Henry Mercier was the Spanish American veteran while Paul Dryer, commander of the Holly Legion Post, led in the singing of America.

The ritual was ably conducted by the Regent, Mrs. E. D. Benjamin. She was assisted by the Chaplain, Mrs. F. H. Harper, and her sister members of the Gen. Richardson Chapter, as well as Mrs. F. E. Foster, State Chairman on Correct Use of the Flag.

Dressed in attractive colonial costumes, Patricia Petty, great, great, great granddaughter, and John R. Addis, great, great, great grandson of Veteran Jacob Petty, unveiled the marker after which a fitting speech of acceptance was made by the State Regent, Mrs. James H. McDonald.

The Sons of the Revolution were represented by State President Norman B. Conger, who responded with a short address to the gathering. Mr. Conger was accompanied to Sashabaw by Registrar William Kriebbaum.

A historical sketch of Jacob Petty was given by his great, great, great grandson, Raymond E. Addis. In the work of securing information Mr. Addis was assisted by Mrs. Elmer Petty of Springfield, who has retained a keen recollection of facts as told her many years ago by Mrs. Esther Petty, the wife of Jacob Petty II. The sketch follows in full:

In the annals of the American Revolution the soldier from New Jersey receives a great deal of praise. Today we are assembled to honor one of these soldiers of the Jersey line—Jacob Petty—one of the few Revolutionary veterans to be laid to rest in the soil of Independence Township and of Oakland County.

Jacob Petty was born in 1760 in the village of Mansfield, County of Sussex, which is a very picturesque part of the state of New Jersey. The name of the village has since been changed to Washington, and that part of Sussex county is now a part of Warren County, New Jersey.

While a 16 year old boy and residing with his parents in Mansfield Jacob enlisted in the New Jersey militia in October of 1776 and served as a private under his father, Captain John Petty. During his four years of service in the Revolutionary army he was transferred many times however, serving periods under Captains White, Henry and McCullough and alternate again in his father's company whenever possible. His regiments were commanded by Colonels West and Hooper except for the time he spent with Colonel Daniel Morgan's riflemen. Jacob must have been a pretty fair shot as well as a good wagoner for history tells us that Morgan's men were all sharpshooters and expert teamsters and when ordered on the field they were the dread of the British army.

A part of the time Jacob's platoon was in command of his brother who was his senior by one year. This 20 year old boy, Sergeant Peter Petty

### Ames-Linabury Ceremony Held

On Saturday, October 7th, the home of Mr. and Mrs. Charles Meyers of Clarkston was the scene of a very pretty wedding when Miss Etta Ames, daughter of Mr. and Mrs. Charles Ames of Detroit, became the bride of Cyrus Linabury, son of Mr. and Mrs. Jasper Linabury of Clarkston.

The ring ceremony, which was performed by the Rev. C. E. Edwards, pastor of the local M. E. Church, was held at 2:30 p. m. after which a dinner was served to the immediate families.

Out of town guests were Mr. and Mrs. Dominic Simi, Mr. and Mrs. C. Donaldson, Mr. and Mrs. Arthur Nix and Mrs. Anna Reed of Detroit.

The house was attractively decorated with Jane Cowdahl's and fall flowers.

The bride was prettily dressed in brown and carried a shower of Claudis Penette-roses.

Mr. and Mrs. Linabury will spend a few weeks in Clarkston before motoring to Florida for the winter.

The news joins with their many friends in wishing them many many years of wedded bliss.

### Class Party Held

On Wednesday evening promptly at 7:30 twenty-six members of Mrs. C. E. Edwards' Sunday School class gathered at the home of Mrs. Durand Ogden. A short business meeting was held, after which a very interesting and instructive program was rendered. Mrs. Charles Hutton in her usual enthusiastic style led the community singing while Mrs. Frank Perrin capably presided at the piano. Two exceptionally good articles were read by Mrs. F. E. Davies. Mrs. Louis Walter, the guest-artist of the evening, sang two numbers, "Somewhere a Voice is Calling" and "Sweet Mystery of Life".

A great interest was aroused by the Book Review given in a very pleasing manner by Mrs. H. Huttenlocher. Last but by no means least everyone enjoyed the dainty lunch, and the hospitality of the hostess, Mrs. Durand Ogden.

### Clarkston O. E. S. Held Dance Friday

### Clarkston Independents Play Pontiac Cubs

The Clarkston Independents opened their football season last Sunday with a loss to a strong Ferndale team. The home team looked good but was lacking in capable substitutes.

The line up was as follows: Ends—Reese, Rexford and Jarvis; Tackles—Sarvis, Holcomb and Clark; Centers—Parnell and Chamberlain; Guards—Forritt and Larson; Backs—Morrison, Cross, Boice and Robinson.

Sunday, October 15, the team plays the Pontiac Cubs here. As the home team is self-supporting they would appreciate your help financially as well as morally. A complete schedule is now ready and includes the last Sunday in November. All games at home are called promptly at 2:30 p. m.

Be a Booster for your home team—a little cheering would do your throat good and what a help it would be to the players.

### Comment and Criticism

A noted American humorist recently said that "what we need most right now is to 'can' the beer propaganda and drink deep of the Spirit of Optimism!" The thought occurs to the writer that if it (the Spirit of Optimism) could be as easily obtained as is beer today, the statement would hold good. Unfortunately such is not the case. Optimism cannot be brewed, bottled, and sold as a tonic to revive depressed business. Optimism is a distilled spirit which cannot be confined in bottle or keg and must be imbibed by a mental, not physical, process of assimilation. However it can be distilled and freely imbibed by anyone who chooses to gather and mix the necessary ingredients. The following recipe may be used with good effect:

Grab off a man sized habit of Cheerfulness from the first cheerful person you meet. By Cheerfulness I do not mean any Polly-Anna type of sanguine philosophy which forces a grin in the face of seeming disaster. What I do mean is the habit of Happy Expectation that somehow we are going to find and work our own way out of our difficulties.

To this Habit of Cheerfulness ADD the largest measure you can find of genuine Efficiency and mix well. Efficiency means getting the largest possible result with the least possible effort. The common turtle is a good example. When he gets sick he pulls in his head, looks around inside to find out what the trouble is—and FIXES IT HIMSELF!

Then sit in a good heaping scoopful of pure unadulterated pioneer grit. This is most important. The successful men of history were so intoxicated with the Spirit of Optimism that they did not know when they were licked—and refused to admit it anyhow. As Coach Yost once said to his boys in my hearing: "You are never licked until you admit it!"

Next chop up fine a yard of the Golden Rule together with the whole 13th chapter of first Corinthians and let it simmer until hot. Place the entire mixture upon the fire of your imagination and stir well until it boils violently. The steam generated will be the Spirit of Optimism to which the above quoted writer refers.

As Eddie Guest says in the language of N. R. A.:  
"Much too long we've sobbed and whimpered,  
Much too long we've talked of woe.  
Now it's time for Optimism,  
And the hopeful words: 'Let's Go!'"  
(By Rev. C. E. Edwards, carrying the ball for the regular runner)

### Why Not Sing?

Laugh and the world laughs with you,  
Weep and you weep alone,  
But SING if you will at the high school  
And we're sure all your troubles  
will roam.

The Place—Clarkston High School.  
Time—Monday, Oct. 16, 4:00 p. m.  
Purpose—To form a woman's community chorus.

Aim—To give every woman the use of her singing voice and pleasure in song as a means of expression.

Those eligible—Any woman who likes to sing.

It is not the aim of this proposed organization to have only trained voices. All who can "carry a tune" are welcome and urged to come. If you are not able to attend this first meeting, get in touch with Mrs. Charles Hutton at the High School.

### COUNTY BUDGET MUST BE LARGELY REDUCED

Because of the state's 15 mill constitutional limitation Oakland county's budget for the coming year must be brought down to \$459,000, and in order to do this expenses must be cut all along the line and many services formerly furnished must be discontinued. Three committees of the board of supervisors, the ways and means, the appropriations and salaries committees, are working this week on the new budget to be presented to the full board later this week. Then no doubt there will be a lively discussion before an agreement is reached.

"We are taking the budget figures on which the board passed last spring," said Supervisor Joseph A. Long, chairman of the ways and means committee, Tuesday, "and are paring them down to bring the county's budget within the limits permitted, excluding of course the debt service."

After this Mr. Waters gave a toast to the boys leaving school this June. Those included are Jack Huntly (half back), Lloyd Hursfall (tackle), Stan Irish (tackle), Bob Reynolds (end) and Donald Scrace (substitute end).

Songs were then sung and Mr. Waters gave us his own interpretation of popular hits. Cards were played after this and prizes were awarded to first, Jack Huntly, second, Duane Hursfall, and third, Billy Parker.

The dinner given by Mrs. Miller was a great success and all the boys appreciate it very much.

### Clarkston Victim of Walled Lake 19 to 0

In the first quarter of the football game Friday between Clarkston and Walled Lake the resorters took advantage of Clarkston's weak passing defense to build up a lead of 19 points, one which Clarkston was unable to overcome.

Although Clarkston could not solve Walled Lake's aerial attack they could stop the resorters' line attack and did to hold Walled Lake to her own goal line for the rest of the game. Clarkston outplayed Walled Lake in the last three periods which shows that the Blue and White will be a formidable foe for other schools who will be opponents of the Clarkston "11".

During the first 15 minutes of play Walled Lake used a clever passing system known as the cutback and scored her 19 points. This did not, however, mean that Clarkston was beaten for in the rest of the game Clarkston fought and plunged its way to Walled Lake's goal line only to be thwarted by a fumble or hard luck on Clarkston's part. One of these instances was when Walled Lake scored its second touchdown. The Blue and Gold fought its way by passing to Clarkston's goal line then Pennel, Walled Lake's halfback, fumbled on a line plunge but recovered after the ball had rolled across the Clarkston goal line. The other two tallies were made by Sullyer, Walled Lake's quarterback, on long passes.

One of the bright spots of the game was the performance of Billy Parker, who took Tucker's place at quarterback, Tucker having been forced to the sidelines by injuries. Young Parker made consistent gains through Walled Lake's line and was one of the reasons that Walled Lake was held in her own territory by Clarkston's defense. Another player who made his debut into the game Friday was Allison Holcomb who did very nicely for his first tryout as a regular.

Next week Clarkston plays South Lyon and a tough aerial battle is expected from the opponent as this team won the S. O. C. L. track championship last May.

Coach Waters has been stressing on pass defense and the boys look stronger yet than they did against Walled Lake so we expect to "bring home the bacon".

The lineup of the team that played Friday was as follows:  
Lyle Rexford, L. E.  
Stan Irish, L. T.  
Junior Waterbury, L. G.  
Duane Hursfall, C.  
George Miller, R. G.  
Floyd Hursfall, R. T.  
Clark Souby, R. E.  
Billy Parker, Q. B.  
Dewitt Clinton, L. H. B.  
Jack Huntly, R. H. B.  
Ralph Grate, F. B.  
Substitutes—Holcomb, Rasmussen and Scrace.

Mr. and Mrs. Fred Landry and Misses Ira and Myra Hussard of Pontiac spent Sunday with the Cleveland Buzzard family.

Last Sunday morning the Rev. C. E. Edwards performed a baptismal service. The babies baptized were Winnifred Elaine, daughter of Mr. and Mrs. Edward Lee Porritt and Ronald Wallace, son of Mr. and Mrs. Alan Fiske of Pontiac. Both babies were born on June 15th, 1933 at the Green Hospital, Mr. Porritt and Mr. Fiske were members of the same graduating class in 1926 from the Clarkston High School.

Mr. and Mrs. C. G. Fiske had as their guest for a few days last week Mrs. Evert Davis of Detroit.

### Clarkston P. T. A. Will Sponsor Benefit for Milk Fund

The committees have worked diligently to provide amusements and hope old and young alike will come and take part, youngest to be high school students. The parents of new scholars in the school are especially invited. Prizes will be given the lady and man wearing the most original costume. Prince Ali Bendo will be present with the gazing crystal to mystify you. Admission will be a box lunch for 2, or 25c per couple or 15c per single person. The boxes to be sold at auction. Coffee may be had at a small cost. The proceeds to be used to provide milk for needy school children. Let's go, everybody! Make this milk fund benefit a success! We thank you.

**For Homemakers**

The average cash expenditure for the living of the farm family has decreased \$173.28 in the past year according to figures compiled from 27 farm home accounts in the State Home Demonstration office at the Michigan State College. The average amount spent per family, according to these 27 records was \$609.48.

Of the total amount, \$157.44 was for food purchased, \$102.72 for operating expenses, \$93.48 for shelter, \$83.88 for clothing, \$61.84 for one-half auto expense, \$38.88 for health, \$17.16 for recreation, \$30.48 for education, \$18.48 for church and \$19.32 for gifts.

Edna V. Smith, State Home Demonstration Leader under whose supervision the studies were made, does not believe that standards of living were materially reduced in order to bring about the savings in living expenses. She believes the savings were largely accomplished as a result of lower

prices for the necessities purchased and through making over clothing and producing more of the family food supply on the farm.  
 Reports from district meetings which have been held throughout the state indicate, in general, better health of farm families as a result of correctly planned meals and a considerable saving on expenses through the renovation of clothing and furniture.

## PROVED IN ENDLESS AND EXHAUSTIVE TESTS

Over the roughest roads—through the deepest ruts—the Ford V-8 gives an excellent account of itself under the severest of conditions. The sturdy construction must withstand the most exhaustive road tests we can conceive. Here the rigid frame and steel body show their true worth. Here also the transverse springs take the worst the road can give with but little sacrifice to the comfort of the driver and with no sacrifice to safety. Take the wheel of a Ford V-8 yourself. Head for the roughest, toughest road you know. In comfort and an assuring sense of complete safety and balance you will experience results of the fine engineering that goes into the design and manufacture of this outstanding car. Truly, average, unpaved country roads seem almost-like boulevards to the driver of a Ford V-8.

## "LADY FOR A DAY" COMING TO HOLLY

## Big Attraction at Liberty Theatre on Three Nights

Distinctly in a class by itself as regards motion picture entertainment and possessing a story so universally appealing that it is impossible to predict anything but outstanding success for it, "Lady for a Day", the Columbia superproduction starring May Robson (Apple Annie) with Warren William will start its local run at the Liberty Theatre on Sunday for a 3 day engagement.

"Lady for a Day" is like a fantastic fairy tale, yet it is real and human. Its appealing humor and touching dramatic scenes make the laughs and tears blend wholesomely with an emotionally agitating effect that is at once overpowering and heart-warming.

A revelation to picture audiences will be the magnificent performance of May Robson as "Apple Annie". All night denizens of Broadway and the roaring "Forties" know and like "Apple Annie"—the mugs, the gamblers, the panhandlers and the racketeers. Dave the Dude, a gambler, never enters a deal without buying an apple from Annie for luck.

None of Annie's associates know that she has a lovely young daughter whom she is raising in a Spanish convent, and that she is giving her daughter the impression that she is a socially conspicuous figure.

When her daughter writes that she is coming to America with her fiancé's family, who wish to investigate her mother's position in society, Annie appeals to her pals for aid.

"The Dude" borrows a rich man's apartment and installs Annie in it. "Missouri", a night club hostess, has the old peddler beautified. It is necessary for Annie to have a temporary husband, so "Judge Blake", a pool shark, is pressed into service.

After a series of exciting but hilarious incidents, the masquerade works out perfectly. The noble Spanish family accepts all Annie's pretensions, and takes her daughter back to Spain for a magnificent wedding in their ancestral home.

"Lady for a Day" boasts of a cast of stellar luminaries. May Robson is starred, and featuring roles are played by Warren William, Guy Kibbee, Glenda Farrell, Jean Parker, Ned Sparks and Walter Connolly.

Frank Capra, the director, has taken the brilliant story by Damon Runyon, which appeared in Cosmopolitan as "Madame La Gimp".

"Chaise", used to designate a light, two-wheeled, one-horse vehicle for two persons, is now almost an obsolete word.

## Blue and White Flash Clarkston School Notes

EXTRA EXTRA EXTRA  
 The Blue and White Flash news staff is looking for jokes, button busters, jaw breakers, ear wigglers or humorous comments. If any student can qualify with these breath-taking tests, please communicate with any of the news staff members, as we will be more than glad to get them. We would appreciate this very much.

Staff News  
 The Blue and White news staff has added two more members to its organization. The Senior news will be reported on by Florence Chamberlain and the Freshman news will be taken by Billy Spaulding.

Senior News  
 The seniors have now started their laboratory work and are progressing splendidly. They have experimented with metals, beating them in air to show that a chemical reaction takes place, the oxygen units and adds to the weight of the metal. They have also worked with glass, bending it by heating.

A student council meeting was called last week by the president, Jack Huntly. Plans were made to finance the football team. Each student pledged to contribute a sum of money. Approximately \$14.15 was contributed.

The Eighth grade held two elections, one for class parties and the other for forming a citizenship club. For class parties Beverly McFarland was elected president, Alton Secord vice-president, Hamilton Newman secretary and treasurer. For the Citizenship Club Leslie Vliet was elected president and Violet Coy secretary. The class named their club the A. A. C. C.

On Tuesday the Seniors had their photographs taken by photographer representing the Camp Publishing Company of Ypsilanti. Representatives of the Camp Publishing Company have been taking pictures of students of Clarkston High School for the past several years and everybody seems satisfied with their splendid work.

The Yo-Yo epidemic finally has hit Clarkston. Of course the victims cannot perform like these Phillipino chaps but the yo-yo sure provides entertainment for those who are distressed or gloomy.

Here is something new. The Blue and White Flash has secured the services of the great psychologist Aunt Heppie who will solve all problems that trouble you. Just hand your questions to members of the news staff and they shall be given to the dear old lady. Here are a few that were handed in:

Dear Aunt Heppie:  
 I am a science bug and have studied the seven wonders of the world. Could you please tell me what you think the eighth wonder will be?  
 (signed) A. T.

Dear A. T.:  
 The eighth wonder of the world will be a boy sitting on a school step waiting for school to start.  
 Aunt Heppie.

Dear Aunt Heppie:  
 Every time I take my girl out in company or to a dance she falls asleep. Can you give me advice as to what to do?  
 (signed) L. J.

Dear L. J.:  
 I would advise you to get a new girl friend.  
 Aunt Heppie.

If any of you need help Aunt Heppie will advise you I'm sure.
