Up-to-Date Information Supplied by County Agent

Tuberculin Testing of Cattle to Start May 1st

Word has been received from Dr. C. H. Clark, State Veterinarian, by K. D. Bailey, County Agricultural Agent, that tuberculin testing of cattle in Oakland County will start this summer. Oakland County is due for re-accréditation about May 1st and an endeavor will be made to conduct a test on all cattle in the county prior to the expiration of their accreditation. This test will be conducted as indicated unless the fund provided by the Legislature is exhausted before that time. When the Legislature made provision for the fund for conducting the test during the fiscal year, there was a considerable reduction from the amount asked for and indication at the present time are the department may not be able to conduct the test until June 30th. Dr. Clark states, however, he hopes to take care of the testing in Oakland County before that time.

Farm Credit Association Meets
January 22nd

The annual meeting of the Pontiac Production Credit Association will be held at 10:30 a. m. Tuesday, January 22, at the Board of Commerce Building in Pontiac, according to announcement made by Fred J. Beckman to farmer borrowers in a letter sent out this week. This is the first annual meeting of the local Association, and reports of the financial conditions and progress of the Association will be presented to the members.

The Pontiac Production Credit Association is a co-operative credit association which was organized last April by the County Agricultural Agent and interested farmers. Since that time, production credit loans exceeding \$80,000.00 have been made to farmers, the majority of whom live in Oakland County.

This meeting is open to borrowers as well as to other farmers who may be interested in finding out more about production credit.

Farm Record Books Available
1500 copies of a farm record book which has been prepared by the U. S. Dept. of Agriculture are now in the hands of the County Agricultural Agent for distribution to farmers. The book is very carefully gotten up and provides a simple record of receipts, expenses and inventory. The books are available to farmers in the county.

Three Groups Compete in Rural Dramatic Contest
Three Home Extension Groups, "Deby", "South Avon" and "Brandon Grange", under the direction of Mrs. Leona MacLeod, are completing one act plays in competition for the rural dramatic contest which is held annually during Farmers' Week at the Michigan State College.

The local groups will hold their try-out on January 10th at the Lincoln Junior High School, Pontiac. The final selection will be made on Jan. 17th when the winner to go to Farmers' Week will be announced.

County Farm Bureau Board Meets
A meeting of the Oakland County Farm Bureau Board was held Thursday evening, January 3rd, at the home of Mr. and Mrs. Fred J. Beckman, Clarkston. Plans for the annual meeting of the organization were completed. This year the Farm Bureau wishes to sponsor legislative clubs among the various groups in the county. The purpose of the legislative clubs will be to study current legislative activities.

The annual meeting of the Oakland County Farm Bureau will be held Friday, January 25th, in Clarkston. Committees announced include: Resolutions Committee: James S. Mitchell, Holly; Ray Allen, Oxford; and Fred Boardley, Oxford. Nominating Committee: A. J. Smith, Pontiac; Herbert Baynes, Clarkston; and Percy King, Waterford.

and 12000 yards of marl bargained for, marl digging is a leading activity among farmers in several communities of Oakland County starting this week. Marl beds under contract include those owned by Joe Grippe, Leonard; Fred Beardislee, Clarkston; Leonard Wudarcki, Ortonville; Cleveland Chamberlain, Davisburg; Fulton Patterson, Holly; Louis Prince, Highland; Charles Richmond, Highland; Standard Gravel Co., New Hudson; Frank A. Bloom, Milford; Fred Heindinger, South Lyon.

Four meetings will be held on Monday, January 14th, for the purpose of adjusting working schedules and signing up more marl purchasers:

Clarkston Town Hall—10:00 a. m.
Holly Village Council Rooms—1:00 p. m.
Highland Town Hall—3:00 p. m.
South Lyon City Hall—7:30 p. m.

ADVISE FARMERS REGARDING CORN
Production Should Be Based on Prospective Demand

The normal likelihood of overproduction of corn after a year of drought and decreased feed supplies, will be increased next year because large reductions in livestock numbers have reduced requirements for corn in the U. S., according to the farm crops department at Michigan State College.

Corn requirements for 1935 will be materially below the level of those in the past several years as a result of an adjustment of more than 30 percent in hog numbers and a reduction of from 10 to 15 percent in cattle numbers since a year ago.

These changes in livestock demand would account for the equivalent of at least 15 million acres of corn, or from 350 to 400 million bushels. Past experience has shown that farmers, planting individually, are unable to make accurate allowance for reductions in requirements. Without a control program, another burdensome surplus of corn would be expected next year.

The 1935 corn-hog program, endorsed by a majority of the producers who voted in the October referendum, offers farmers an opportunity for cooperative planning to meet their production in line with effective demand and for sharing the resulting benefits through the provision for optional corn acreage reductions of 10 to 30 percent below the base acreage with benefit payments of 35 cents a bushel.

WHERE TO ADDRESS CONGRESSMAN DONDERO

While Congressman George A. Dondero, 17th Michigan District, is in Washington for the first regular session of the 74th Congress, two district offices are maintained for the convenience and service of constituents. "CLEOPATRA" IS COMING TO HOLLY

Not the Noted Siren, but Screen Play of That Name

During the production of Cecil B. DeMille's most recent film, "Cleopatra," someone unearthed the following choice tidbits:

More than 5000 persons were employed on the picture, which is coming to the Holly Theatre for 3 days, starting Tuesday, with Claudette Colbert, Warren William and Henry Wilson.

The feathers of 600 pheasants were used to make up the fans of the Egyptian dancing girls in one scene.

A total of 185 pounds of clothing was worn by Claudette Colbert, as Cleopatra, and Henry Wilson, as Marc Antony, in one of their love scenes.

It took 600 ostrich feathers to make up the solid feathered arch before which stood Cleopatra's couch.

The DeMille "bathtub" in this picture (the public bath at Rome) measured 100 by 150 feet.

Twelve persons worked nine months on research before a camera was turned.

It took approximately 250,000 square feet of space on which to build all of the sets.

It took the hair of 700 European peasants to make up the wigs, curls, switches and hair pieces used by principals and extras, it is estimated.

Cleopatra's palatial barge, one of the most lavish things described by history, was reproduced both as to exterior and interior by DeMille. The original was 400 feet long and could carry 4000 people.

MANY ACTIVITIES AT F. E. R. COLLEGE

New Courses Planned; Visitors; Basketball Game Tonight, etc.

There will be a close basketball game between the revised Holly Freshman College team and a strong Melvindale Freshman College team. This Melvindale squad is a much stronger team than any of the previous teams we have played. They have one outstanding star, Stickle, by name, who made half of his team's points against the very strong team of Wyandotte. They have five other players who are average players each making about the same number of points. The game will be Thursday night, January 10, at 9 o'clock at Holly. The late hour is due to the fact that there is a women's physical educational class from 8 to 9, and the Melvindale players can not get here sooner.

Tuesday afternoon the Speech class

and instructor were surprised by the call of Dr. Poyah, Personnel Director, and Dr. Scott, Head of the Speech Department of Wayne University. Dr. Poyah is accompanying Dr. Scott in his observation visits of the Speech Departments of the various Freshman Colleges. The two gentlemen stayed only for the one hour, leaving for Algonac, Holly was the eighth Speech Department visited during the day. Dr. Scott made a few remarks to the class and assured us we were following the same type of work that he and his staff are doing at Wayne University. Although Dr. Scott was not effusive in compliments and is known not to be, he said we were following along well and did not seem disturbed or necessary to make any direct criticisms. This was rather pleasing as this is the first visit of a department head to Holly. It is expected that other departments will be inspected in the near future.

Some very interesting literary work is being received in the English department. Each student is required to write a semester thesis on some writer. Some material has been received direct from the writers. The work will soon be on display in the library.

The community gymnasium class has been started. The class meets Tuesday and Thursday evenings from 8 to 9 o'clock. Anyone interested is welcome. A small group attended the class Tuesday but report they had a good time and are bringing their friends to the next class. Should the young business women in the community desire to have basketball or more strenuous exercise, Miss

Norton will be glad to arrange a time.

Do not hesitate considering Accounting for your winter season's study. Several business people have signified their interest. The course will likely be given from 7-8 two nights a week. Consider the opportunity and discuss the course with your friends.

A course in Dramatic Theory and Appreciation is being considered. Several have expressed a desire for this work.

Are you interested in Art? Let us know. If we can be assured of a sufficient number in Art or Music, Director Gibb of Detroit states he will consider these subjects in arranging his personnel for the second semester.

MANY WILL CONTEST FOR CIRCUIT JUDGE

With a large field of candidates on both tickets for nominations for Circuit Judge in Oakland County this promises to be an active primary campaign, with a vigorous contest following for election in April. The primary election will be held March 4. All three of the present judges have petitions in circulation, Frank L. Covert, Glenn C. Gillespie and Frank L. Doty, and they will be opposed on the Republican ticket by Harry J. Merritt, of Royal Oak, and Charles S. Matthews, of Pontiac, and possibly one or two more. The Democratic candidates so far in the field with nominating petitions are James H. Lynch, Samuel J. Patterson and Robert D. Heitsch, of Pontiac, and Franklin E. Morris, of Ferndale.

"The Spy", by James Fenimore Cooper, was based on the experiences of Harvey Birch, a spy who served under George Washington.
