CLARKSTON, MICHIGAN, FRIDAY, FEBRUARY 8, 1935

NUMBER 23

COMMENT AND CRITICISM

Well Sir and Madam, Dr. Frank Church must have delivered a mighty good sermon, last Sunday. One of his listeners even wanted to pay for an advertisement to tell the people of the community how good he was and invite them to come for the next three Sundays that he has the Methodist pulpit. We feel it our duty to help the churches but we never have and hope never will feel that we should be paid for promoting anything for the good of the community.

For the sake of those who are sojourning in the South and West, we must pass on the word that right now we are again ploughing around in a deep carpet of snow. For the sake of those at home we wish to remind you that winter, with all of its beautiful snow scenes, is now at its prettiest.

We view with alarm the fate of politicians in Michigan this year. First, the Kerns Hotel fire was fatal to a number of our legislators, then death called Auditor General Stack, and now Sheriff Roy Reynolds has gone to the home eternal. A thing that is somewhat apparent in the death of the Auditor General and the Sheriff is that the carrying on of a campaign for election is apt to weaken one to the extent that if they catch a cold they do not have the strength to fight the ailment. Stack, a democrat, and Reynolds, a republican, had been re-elected by both parties, because of their good work. Is it not a horrible picture of the future of our country to contemplate, if a candidate who has proven his services has to ruin his health to seek the opportunity of continuing to serve the public?

Let me see. Now just what do you enjoy the most—the newspaper—the radio—talking pictures? Because gentle reader you can have your Hauptmann trial served to you in any of the three forms. You can read in the papers Hauptmann said "You are a Liar". You can hear his voice impersonated over the radio. Or you can see a living picture of him as he utters the remark, and hear the remark. They wrap his testimony around Lydia Pinkams Pink Pill Adv., to help sell her product. They shout it over a radio to sell a weekly news magazine. They charge you an admission at the movie to help the motion picture industry. The bets are about even on whether Wilentz or Reilly will win the game. But we have yet to hear a word of sympathy for the trial the Lindberghs are enduring and nobody seems to care whether Hauptmann gets a fair trial or not. Has not the time come to place ear muffs as well as a blindfold on the statue of Justice.

Mrs. Chas. Bryant Hostess to Club Several Guest Speakers Were Presented

The Clarkston Literary Club met with Mrs. Charles Bryant Tuesday afternoon. In spite of the snowstorm fifteen members and four guests were in attendance. After a short business meeting the guest speakers were presented. Mrs. McClelland introduced Mrs. Green, candidate for school commissioner, who gave a short but interesting talk. Then Mrs. Ronk introduced Mrs. J. W. Brower of Oxford who gave a splendid talk on "Home Economics, Marketing, its Problems and Method." Mrs. M. Axford of Oxford was also a guest. A paper on "Home Crafts and Hobbies" was given by Mrs. F. H. Steiner. After adjournment dainty refreshments were served and all felt they had spent a profitable afternoon.

Clarkston Locals

Misses Marjorie Ellen, DeLind and Elaine Marshall spent Monday in Detroit. Word has been received that Rev. C. E. Edwards is getting along nicely after undergoing an operation at Ford Hospital on Monday of last week. Word has been received from Mr. and Mrs. Ira A. Jones that they are nicely settled at 1318 Illinois Avenue, St. Cloud, Florida, and both report they are enjoying the warm, sunny weather. The Clarkston folk who attended the President's Birthday Ball in Pontiac on Wednesday night and reported having a lovely time were Mr. and Mrs. Frank Petty, Mr. and Mrs. Bert Denham, Mr. and Mrs. Gerald Odell, Orson Coe, Manley Walter and Robert Jones.

Ladies' Aid Meeting Attended by Many

Many Useful Gifts Given to Church Kitchen

On Wednesday afternoon about thirty-five attended the Ladies' Aid meeting at the Clarkston Methodist church.

Mrs. C. G. Fiske, the president, presided at the business meeting. Many plans for future work were discussed and it was announced that the first division would serve dinner at the church on Wednesday evening, February 20th. After the regular meeting a program was presented. Mrs. Lee Clark accompanied by Mrs. Winifred Perrin at the piano sang very sweetly "I Never Knew". Then Miss Genevieve Beardslee hurried over from the high school and favored the group with a piano solo. Mrs. William Jones then gave some readings which amused everybody. The last number of the program was a short play in pantomime. Mrs. Durand Ogden was the reader and the following characters took part—Mrs. Gerald O'Dell as the son of a Spanish Nobleman sought the hand of Maggie O'Brien, enacted by Miss Ada Scarce. Mrs. Walter Barrows played the part of the maid, Zingerella. Mrs. W. H. Stamp, as Patrick another of Maggie's suitors was faced by the Spaniard and Pat finally won the fair maiden. The different properties used were enacted by Mrs. John Mann and Mrs. Ada Mills as curtains; Mrs. Ed. Miller, the stairs; Mrs. Alice Urch, the Sun; Mrs. Elizabeth Rockwell, the hours; and Mrs. Fred Stewart and Mrs. Arthur Beardslee as Shadows and Darkness.

As the whole play was in pantomime of course it was funnier than ever and the audience enjoyed a good laugh.

After the program, the kitchen gifts were unwrapped and displayed on a long table. The Ladies' Aid is very grateful for all the bowls, plates, tea towels and dish cloths.

Shortly after four o'clock the ladies served gingerbread with whipped cream and tea and a very pleasant afternoon was brought to a close.

Mrs. Clara J. Losch Passes Away Monday

On Monday Mrs. Clara J. Losch of Ortonville passed away at the home of her daughter, Mrs. Otis Leese, in Ponton.

Mrs. Losch was born in Swornville, N. Y., on March 19th, 1857. She married Elias P. Losch in Swornville on October 29th, 1884, and at that time came to Oakland County. Mr. Losch died Dec. 6th, 1932.

Mrs. Losch was a member of the Methodist church. She leaves to mourn her loss, one son and two daughters, Miss Edith Losch of Detroit, Mrs. Otis Leese of Fenton and Herbert Losch of Ortonville and four grandchildren.

Funeral services were held at the home of her son in Ortonville on Thursday afternoon at 2:00 o'clock with Rev. I. W. Cargo of Fenton officiating. Burial was in Ortonville cemetery. The funeral was in charge of Durand Ogden of Clarkston.

Community Chorus Well Attended

On Monday evening almost all members of the Community Chorus were in their places. They enjoyed a good practice and made further plans for their concert which they will give very soon. The practices will be every Monday evening at 7:30 and all members are urged to attend as there is so little time before the concert and all voices are needed.

Missionary Program Draws Large Crowd

Miss Myrtle Shore of Pontiac is Speaker

The Clarkston Methodist Sunday School was crowded last Sunday morning. A good Missionary program arranged by the Progressive class was the reason.

Harold Konzen played some beautiful numbers on his violin. He was accompanied by Mrs. W. Perrin at the piano. Lewis Warden, in his usual fine manner, sang some missionary songs. The kindergarten class with their teacher Mrs. Walter Barrows at the piano sang some missionary songs.

The speaker was Miss Myrtle Shore of Pontiac and as she is a school teacher she seems to have the knack of talking to young folks and holding their attention. Everyone, old and young, enjoyed hearing her and hope to hear her again some time.

These missionary programs are given in the Sunday School the first Sunday of every month and a special effort on the part of the Progressive Class is put forth to make these programs different and outstanding. If you missed the last one, plan on attending the next one.

BERYL E. ORR WEDS GEORGE W. HUNT

Mr. and Mrs. Albert Orr of Clarkston announce the marriage of their daughter Beryl Elizabeth to George W. Hunt, son of Mr. and Mrs. W. D. Hunt of Waterford, on January 28th.

The ceremony was performed by the Reverend C. W. Anderson of the First Methodist Church at Goshen, Indiana.

The young couple were attended by Mr. and Mrs. Lorin Long of Cooley Lake.

Mrs. Hunt is a Clarkston graduate.

Past Matrons' Party Held Last Friday

Those who attended the card party given by the Past Matrons last Friday evening at the Masonic Temple enjoyed a good sociable time. The only regret was that the crowd was not very large. There were 5 tables of bridge and one of five hundred. The prize winners were Mr. and Mrs. Beebe, Mrs. Drake of Pontiac, Miss Ada Scarce, Manley Walter and Durand Ogden. The ladies served a very lovely lunch.

Past Matrons' Club Has Regular Meeting

On Wednesday evening the Past Matrons' Club of the O. E. S. met at the home of Mrs. Floyd Andrews. After the regular business meeting a social time was had. The hostess served dainty refreshments. The next meeting will be on March 6th with Mrs. Henry Garter.

Mrs. Edward O'Roark Hostess to Club

Thursday afternoon of last week Mrs. Edward O'Roark entertained her Five Hundred Club at her home on Washington St.

A pot-luck dinner was served at noon. The honors for the afternoon went to Mrs. F. C. Dunston and Mrs. Frank Molter.

Civic Doings

The bank will be closed Tuesday, Feb. 12th, on account of Lincoln's Birthday.

Pay your taxes before the books are returned to the County Treasurer on March 1st.

And now two caucuses on the same night. As only one ticket was presented last year, it was decided to hold both meetings on one night and save the expense of heating for an extra night.

FILES FOR OFFICE OF CIRCUIT JUDGE

H. Russel Holland, Municipal Judge, Announces Candidacy

H. Russel Holland, formerly Associate Judge and for the past four years Judge of the Pontiac Municipal Court, has announced his candidacy for Circuit Judge on the Republican ticket.

He was raised on a farm, and received his education in the Public Schools, the University of Richmond, where he graduated with the degree of Bachelor of Arts; University of Michigan and Detroit College of Law, where he graduated with the degree of Juris Doctor in 1926. Judge Holland is a World War veteran.

Judge Holland has given freely of his time during the past to many civic enterprises; including church work, Community Chest activities, and aid for disabled war veterans, their widows and orphans.

Judge Holland has spent considerable time and effort in sponsoring laws for the welfare of the working man, and was instrumental in drafting the present, Personal Receivership law which protects laborers against garnishments. This law has proven especially helpful to men long unemployed who have just returned to work.

Judge Holland's efficient handling of cases in the Municipal Court made it unnecessary to continue the services of an associate justice, thereby effecting a considerable saving to Oakland County taxpayers.

Judge Holland is a member of the Baptist Church, Masons, Elks, the American Legion and Rotary Club.

Many will recall hearing Judge Holland deliver an address before the local P. T. A. here last winter.

MISS VIOLA ALGER HOSTESS TO CLUB

On Tuesday afternoon Miss Viola Alger entertained her bridge club at Ingle-Nook. Everyone enjoyed a one o'clock luncheon. Two tables were in play during the afternoon. The awards went to Mrs. Roy Addis and Mrs. George King.

TRIP TO JAPAN WITH MISS SHORE

Trip Taken by Way of San Francisco and Hawaii

Last Saturday evening a fairly large crowd travelled with Miss Myrtle Shore of Pontiac on an imaginary trip from San Francisco to Hawaii thence to Japan. Miss Shore made her talk so interesting that perfect quietness prevailed throughout the hour and a half and when she announced her final picture even the smallest boy and girl in the audience uttered disappointment. She emphasized the fact that we in America should consider ourselves lucky because of the fact that we have so many wide open spaces in which to enjoy God's out-of-doors and also because we have so many modern contrivances by which we make our mode of living clean and healthful. Everyone present realized the truth of all these statements when by the pictures they could visualize the living conditions in Japan. But as Miss Shore said there are parts of Japan that are very beautiful, the iris beds, the chrysanthemum gardens and the groves of cherry trees with those beautiful pink blossoms make it very picturesque.

Those who missed Miss Shore's talk missed a real treat, but the Republican Women's Club who sponsored the program on Saturday evening is hoping that they will be able to have Miss Shore come again some time and tell us about some other country as she has done a good deal of travelling and being a geography teacher in one of the Pontiac schools she keeps her travels fresh in her mind.

The club is planning on having many more profitable programs.

Mr. & Mrs. B. F. Miller Entertain at Dinner

On Thursday evening of last week Mr. and Mrs. B. F. Miller entertained sixteen guests at dinner and bridge at their home on North Main St.

A very delicious dinner was served at 6:30 and for the rest of the evening four tables of bridge were in play. The honors for the evening went to Mrs. F. E. Davies, Miss Nell Barry and Messrs. L. F. Walter and Guy Walter.

Sam Morgan Honored on Birthday

A number of friends arrived at the Morgan home, Wednesday evening, to celebrate Sam's birthday.

A bounteous dinner was served at 6:30.

The evening was spent playing Pedro. Five tables were in play. First prizes were awarded to Mrs. Charles Rockwell and Will Clement. Consolations to Mrs. Margaret Rockwell and Bert Barnes.

Guests included Mr. and Mrs. Howard Dean and daughter of Drayton Plains, Mr. and Mrs. Bert Barnes of Pontiac, Mr. and Mrs. George Smith and family of Clarkston Station, Mrs. Mattie Beals of Drayton Plains, Mr. and Mrs. Charles Rockwell, Mr. and Mrs. Richard Morgan, Mrs. Elizabeth Rockwell, Mr. and Mrs. Will Clement, Miss Hilda Barnett, William Clement Jr., Mrs. Margaret Rockwell, Merritt Rockwell, and Mr. and Mrs. Ben Robinson of Pontiac.

P. T. A. DANCE TO BE MARCH 9TH

The P. T. A. dance that was scheduled for Wednesday, February 13th, has been postponed until Saturday, March 9th. The committee decided that on account of so many other affairs during St. Valentine's week it would be wise to change the date and so give everyone a reasonable chance to help on the school library project.

Notice

The Tax Roll for the Township of Independence will be returned to the County Treasurer on March 1st. Please arrange to pay your taxes before then and save extra fees.

Sara W. Carran,
Treasurer Independence Twp.

Movie at High School Tonight

Moving pictures and an orchestra concert will be presented at the high school tonight. The proceeds from the 10 and 15 cent admissions will go toward the purchase of a moving picture machine for the school. The pictures will include a variety of selected subjects both educational and entertaining.

Clarkston vs. Keego

Holding Keego to just 3 field goals during the entire game the boys varsity won their first game against Keego this season by a score of 19-11.

Clarkston was off to an early start and established an 8-0 lead at the quarter. During the second quarter the game became quite rough and Keego sank 3 free throws and scored twice from the field while Clarkston scored a single free throw to make the score at the half 7-9 Clarkston.

At the start of the second half the local lads went to work and scored to win on the long end of a 19-11 score.

The game was one of the rough-est played in this year which accounts in part for the fact that neither side was able to take advantage of many usual "dog shots". During the contest 15 fouls were called, five of them on the local lads.

The girls lost by a score of 23-13. Shirley Douglas was forced out of the game by way of the personal foul route, and was followed shortly after by Marion Yost. Both girls were three time offenders in the first quarter.

Clarkston was not the only one to lose players through fouling however as Keego lost Klinger Backman by the same route. In the game there were 25 fouls called 9 of which were on the locals.

In the opener the Boys Reserves defeated Keego 29-15.

Clarkston vs. Hadley

On Tuesday at the High School Clarkston and Hadley played two games before a small crowd. In the opening game the girls played Hadley to a 9-9 tie. Rules forbade girls playing overtime to break ties. Lowna was high scorer for Clarkston scoring 6 points and Ar Walker was high for Hadley scoring 5 points. The game was listless as neither team showed much fight and the crowd failed to find much to excite them. Both teams missed excellent scoring opportunities.

Hadley got off to an early lead 4-0, but Clarkston overcame it and established a 9-7 lead late in the game. They held that lead until there was just seconds left to play when Hadley slipped in a field goal to tie it up. The horn blew ending the game before either team had any chance to score further.

In the Varsity game Coach Waters took advantage of the opportunity to give the regulars a rest and started a team of Reserves. It gave a chance to see what reserve material

THREE BIG SHOWS COMING TO HOLLY

Pictures of Unusual Interest Billed in Schedule for Week

Shirley Temple—most sensational film discovery of the year—will be seen at the Holly Theatre, beginning Thursday, Feb. 7, in her latest and, according to all advance reports, her best Fox picture, "Bright Eyes".

"Bright Eyes" was conceived as a Shirley Temple vehicle by David Butler, who directed the idea to Sol M. Wurtzel, Fox Film producer, he found the latter at once fired with enthusiasm. Together with Edwin Burke, Butler was promptly put to work setting the idea down on paper. Then its adaptation was handled by William Connelman. Apparently it represents an entirely new type of vehicle for the remarkable child player. Once more James Dunn is cast as Shirley's leading man.

Preview audiences in Hollywood are said to have greeted "Bright Eyes" as the finest and most heart-warming picture in which Shirley has been seen. A human and compelling story, that at moments brings the tears, is combined with thrills that will chill the spines of any audience. So runs the advance report.

"Biography of a Bachelor Girl", playing at the Holly Theatre on Sunday and Monday, brings back a team which won dramatic fame with a single picture. They are Ann Harding and Robert Montgomery, together again for the first time since the prize-winning "When Ladies Meet".

Miss Harding as the bachelor girl is an exceedingly glamorous one. She is Marion, artist and sophisticate, who has tread the gallant path to fame.

Montgomery is the curt Mr. Kurt, hard-boiled magazine editor who induces the girl to write the colorful story of her life.

Immediately arises the amusing situation of a train of ex-admirers flocking back to beg her to abandon the project, one which would bring ruin to them, now that they have become Important Public Figures.

Chief among these is Edward Everett Horton, ace comedian of the amusing, frustrated mannerisms. Una Merkel is Slade, daughter of Publisher Kinnicott, the part played by Charles Richman who created it on the stage. Both parts are expertly handled.

In "Happiness Ahead", which comes to the Holly Theatre on Tuesday, Wednesday, Thursday, First National has cast a new team in Dick Powell and Josephine Hutchinson.

Like most of the successful teams that have worked together either on stage or screen—the new team is a study in contrasts.

Dick is the entirely natural, blithe and ingenuous type of actor. Miss Hutchinson is restrained, studied and serious.

In the complications of youthful love affairs, such as in "Happiness Ahead", the combination is perfect.

Now on display for the first time in this city the New Pontiac STANDARD SIX
An Additional line of cars whose quality and beauty make the price phenomenal

Today, Pontiac presents the Standard Six line—even lower in price and offering many of the features that the 1935 De Luxe Six and Improved Eight introduced with such sensational success. All models have the speedlined styling that gained Pontiac the name of the most beautiful thing on wheels. The bodies are solid steel "Turret-Top" Bodies by Fisher. The brakes are big hydraulics, triple-sealed against dirt and moisture. The new ride resulting from stabilized, synchronized springing, is every bit as comfortable as you could ask for. The engine, with its silver-alloy bearings, provides dependable performance so smooth and lively that you will doubt it is a six. And, best of all, its economy will literally amaze anyone who has had experience with other low-priced cars! A look, a ride and you'll decide you simply can't do better.

\$615* HIGHLIGHTS OF PONTIAC QUALITY FOR 1935

He will speak upon the development of co-operative industries. This is really a worthwhile program. Tickets are on sale at Cliff's Hardware and Batchelor's Inn.

ROY N. REYNOLDS HAS PASSED AWAY

Oakland County Sheriff Died in Pontiac on Tuesday

Sheriff Roy Reynolds of Oakland County died in St. Joseph's Mercy Hospital in Pontiac at 12:28 a. m. Tuesday. He had been ill for a week of uremic poisoning.

Reynolds was born in Cape Girardeau, Mo. As a youth he had little opportunity for formal schooling and entered the coal mines at Harrisburg, Ill., as a mule driver in his early teens. Driven by the ambition which was his outstanding characteristic, he came to Pontiac when 16 years old to find employment in automobile factories.

After a short service as a factory hand he obtained employment as an attendant at the Pontiac State Hospital and left that work to join the Pontiac Police Department in 1922 when he was but 20 years old. His ability to handle men was so marked and he won friendships so easily that a year later he was appointed sergeant, becoming the youngest police officer in the Nation to hold that rank.

He resigned in 1924 and went to Ferndale as a plain clothesman, which office he held until Sept. 7, 1927, when he was made chief of the Ferndale department.

In the fall of 1932, he was a candidate for the Republican nomination for sheriff but was defeated by a narrow margin by the late Frank Greenan, then undersheriff. Upon the death of Greenan, shot in a battle with a bank bandit five days before election, Reynolds was named to take his place on the ballot and was elected. He was re-elected last November.

Reynolds is survived by his widow, who was formerly Mariona Rundel, of Hancock; a daughter, Donna Jean, 18 months old, and two children, Donald, 11, and Jean, 7, by a previous marriage.

LINCOLN CLUB BANQUET AT PONTIAC, FEB. 14

The Lincoln Republican banquet will be held in the Lincoln Junior High School, Pontiac, Thursday evening, Feb. 14. The principal speaker will be Rep. James W. Wadsworth, Jr., New York, formerly U. S. Senator from New York, and a party leader of national prominence.

Another speaker on the banquet program will be Mrs. Jean B. Chamberlain, Detroit, president of the Board of Jury Commissioners of the Recorder's Court, Detroit, and past president of the State Federation of Republican Women's Clubs.

Rep. George A. Dondero of Royal Oak will also appear on the program as a speaker.

GASOLINE TAXES INCREASE IN 1934

Indicate Business Upturn; "Stickers" to Be Sold

Automobile users of the state paid \$1,547,163 more in gasoline taxes, in 1934, than they did in 1933, figures just compiled by the Secretary of State show. The increase is cited as additional evidence of business upturns; any increase in these collections will aid the state which, two years ago started granting approximately \$6,000,000 annually from the gasoline tax revenues, to the 83 counties of the state, which already receive the entire weight tax collections.

In 1933, total gasoline collections were \$20,460,256.553; in 1934, collections were \$21,913,193.04. The increase is about 7 1/2 percent. The figures cited are gross collections. Refunds of taxes on gasoline purchased for other than highway uses, such as for agricultural machine propulsion, totalled \$1,001,798.75 in 1933, while in 1934, this figure increased to \$1,090,134.68.

A measure is before the legislature at present which would abolish all refunds of gasoline tax. This would not disturb the present law under which taxes on gasoline for aviation purposes is allocated to the Michigan board of aeronautics.

While the present session of the legislature may enact wide-spread changes in the present distribution of gasoline and weight tax revenues, two measures—one the first act of the current session—would affect the payment of license plate taxes. The act making permanent the "sticker" or two installment payment plan of purchasing plates, is a companion measure, in effect at least, to the bill proposing that the final date for purchase of an automobile license plate for any year be December 31 of the preceding year.

In connection with enactment of the half year "sticker" permit plan, Orville E. Atwood, Secretary of State, has set Feb. 18 as the date when these "stickers" will go on sale at all branch offices of the state department, as well as at the Secretary of State's office at Lansing. The time required for securing delivery of the sticker forms, dictated the setting of the date for 20 days after passage of the bill by the legislature.

Wyoming was the first State to extend equal suffrage to the women. The State took this progressive step in 1869.

YOU "GO PLACES" . . . WITH A TELEPHONE

The convenient way to arrange parties and other good times today is by telephone. It's easier . . . quicker . . . and more satisfactory, because answers can be had and plans completed without delay. Those who can be called easily are included in such good times more often than those who have no telephones.

A telephone offers more than social advantages, however. It enables one to order supplies and "run" errands without leaving the house. Business associates can call "after hours." And, when emergencies occur, aid can be summoned instantly by telephone.

The cost of having a telephone in your home . . . only a few cents a day . . . probably is but little more than the amount the average family spends in using public pay telephones. For complete information about telephone service, call, write or visit the Telephone Business Office.

OPTIMISM SHOWN BY FARM LEADERS

See Better Days Ahead for Tillers of the Soil

A definite note of optimism pervaded the meetings at Farmers Week, held at the Michigan State College, East Lansing, January 28 to February 1, where great agricultural leaders talked to the largest group of rural people which assembles in America each year.

Chester C. Davis, administrator, AAA, proved to the audience that better days in agriculture are immediately followed by a speeding up of factory-wheels and by an increase in the contents of pay envelopes.

Mr. Davis said, "I base this statement on definite statistical information. Figures taken from waybills on four of the most important railroad systems in the southeast show that the actual shipment of industrial and manufactured commodities from Michigan to 10 agricultural states of the Southeast have been increased by a fraction over 45 per cent since the nation's recovery program got under way. These pertain only to carlot shipments, which are more than 95 per cent of the total shipments by weight."

"I believe you will be interested to know what effect these improved conditions in the Southeast have on some of the cities of Michigan. Shipments of automobiles from Lansing, in the period from July 1, 1933, to June, 1934, increased 301 per cent over the shipments for the preceding year. Furniture shipments from Grand Rapids increased 25 per cent. Detroit shipments of automobiles increased 138 per cent in the same period."

Administrator Davis also pointed out the direct benefits of the AAA program to Michigan farmers. Payments on wheat contracts brought \$720,485 to Michigan contract signers for 1933. Benefit payments on the 1934 corn-hog contracts in Michigan will be \$3,500,000. Mr. Davis explained the benefits which the Michigan beet producers will obtain from the adjustment program, and told of the efforts of the AAA to aid Michigan milk producers and the growers of sour cherries.

Dean Chris L. Christensen, University of Wisconsin, stressed the importance of the dairy industry in Michigan agriculture. He believes that an increase in employment in cities will be immediately followed by a great increase in the consumption of fluid milk and of products sections of the Nation.

L. J. Tabor, Master, The National Grange, said: "We can, in this land of plenty, preserve the political and the religious liberty for which our forefathers died, and we can develop an economic liberty that completes the privileges of America and makes the assurance of a recovery that"

manufactured from milk. The Dean believes that the decrease in the purchasing power of city residents is the cause for present prices of dairy products.

Dean E. L. Anthony, Michigan State College, in concluding a talk on the outlook for Michigan dairying said: "Michigan dairymen, because of their closeness to markets and of their ability to produce milk with home grown feeds at low cost, will be in an enviable position as compared with producers in most other touches not only the pocketbooks but also the minds, the patriotism, and the spirits of men."

Hon. John C. Ketcham, state insurance commissioner, told his audience, "Wise men make use of every opportunity offered and think things through to the end. We must march steadfastly onward, preserve those things which are worthwhile, and add to the store of worthwhile things. Agricultural leadership should be sane, progressive, sensible, and practical."

C. H. Bramble, Master, Michigan Grange, advocated a legislative program to lower state and national taxes, to stop the exemption of securities from taxation, to obtain a workable old age pension, and to prevent radio advertising of liquor.

J. W. Lentz, president, Michigan Farmers Union, made a plea for the cooperation of all agricultural groups because they all have the same primary object, the betterment of the farmer and his family.

If all the freight cars on U. S. railroads were loaded at one time they would move 95,896,000 tons of freight.

For 1935, Ford has added many important improvements to the Ford V-8 Truck. Chief among these is better balanced load distribution. The load-center has been moved farther forward, resulting in less body overhang, better braking and more uniform tire and brake wear.

The brakes have been newly designed for quicker, smoother stops with heavy loads. They will not "fade" even when making quick stops in rapid succession. The cast iron brake drums have integral cooling ribs which dissipate heat faster and minimize distortion.

The new clutch has a diameter of 11 inches and a larger frictional area. Pedal pressure is lower at idling speeds. Plate pressure increases by centrifugal force as the speed of the engine increases. This is a new type of clutch developed by Ford engineers.

Crankcase ventilation has been added to the engine. No other change has been made in this engine, which has proved so economical and reliable in the hands of owners. The cooling system has been improved; the

radiator is wider and water pump impellers are larger.

Appearance has been materially improved. Fenders are skirted and finished in baked enamel colors that match the hood and cab. The new cab has a sloping windshield. Passenger-car comfort has been provided for the driver. The seat is adjustable, and its width has been increased to 49 inches. Safety Glass is standard equipment throughout. Triple ventilation includes (1) Clear-Vision Ventilation in door windows; (2) Easy-opening windshield; (3) Large screened cowl ventilator. Interior of cab completely lined. Roof and dash insulated.

Ask your Ford dealer to arrange an "on-the-job" test with your own loads, over your own routes, with your own driver at the wheel. Prove to yourself how V-8 Performance and Economy will save time and money for you.
