COMMENT AND CRITICISM

THE CAUSE. A notice in this column about Dr. Church at the Methodist Church every Sunday during February, delivering a sermon that deserves a large attendance.

RESULT: 50% larger attendance Sunday.

MORAL: It pays to advertise, even if it is religion that you are selling.

If competition is the life of trade, we should have three very good circuit judges for the next term. Only 18 candidates for the republicans and 5 of the democrats are in the race.

Things are happening fast in the newspaper offices. In fact there seems to be so much news, so many election campaigns, such an improvement in general business that only one or two of our exchanges found time or space to mention the fact that Lincoln's Birthday was Tuesday of this week. We are ashamed to say that even the only mention the News gave the event was to state that the bank would be closed.

Would it not be a better world if we did not look for some fault (even if it is an innuendo) against every good idea that is brought forward for the supposedly betterment of the world. We do not forget that there are two sides to every question, but we do object to the thought that if it is not our idea, that the idea is no good. For example, i. e., let us consider the bonus question. Certainly there is not much opposition from outside of the ranks and what little there is is gradually dying off—even the administration feels that the subject is too delicate for a strong fight. And having nobody to fight on the question the V. F. W. finds it worth while to disagree with the Legion on how the money shall be raised. Says the one order "Pay the bonus with fiat money". The Legion thinks bonds should be issued in the manner approved by usage these many years. And now those behind Rep. Patmah cast this slur: "The President of the Legion is a banker and wants his interest on a bond issue" and implies that his bank would buy the whole issue by telling the amount of interest the bank would collect—an amount equal to the total amount of the bonus. Over such rough roads do nations progress.

Somehow the different "share your wealth" ideas make me think of the young lover talking to his loved one over the phone: "I could climb the highest mountain, I would go thru fire and flood for you" and as an afterthought added "I will not be over tonight as it is raining".

There is, we imagine, an announcement soon due to the effect that Russell Walter is taking in a partner in his business. The new partner is a young man known as John Russell Walter, a son of Russell, born Feb. 13th.

Births

Born to Mr. and Mrs. Donald Beach a 6 1/2 pound son, Jack Gordon, at the Mary Green Hospital on Monday, February 11th.

Born to Mr. and Mrs. Russell Walter, a son, John Russell, at the Elizabeth Rockwell Hospital on Wednesday, February 13th.

Born to Mr. and Mrs. James Harley of Detroit, a 9 pound son, Theron Reese, on Sunday, February 10th. (Mrs. Harley will be remembered as Miss Alice Davis).

FARM CENSUS NOW UNDER WAY HERE

Farmers of Oakland county in a census that is nation wide will be asked a list of questions, 100 in number, prepared by the Federal Department of Commerce with a view of providing the government with a comprehensive view of the agricultural situation. All information will be held strictly confidential.

The census in Oakland County is under the supervision of Clarence Seebalt, of Pontiac, assisted by Charles W. Rankin. So far ten enumerators for 22 townships have been named. The list includes Frank Dunston, of Clarkston; for Brandon and Oxford townships; Harvey Callonette, of Milford; for Rose and Springfield townships; Robert O'Connor, of Pontiac; for Highland and White Lake townships; and Harry Otten, of Pontiac; for Groveland township.

Dunston-Jarvis Nuptial Janet Stickney Solemnized Saturday

February 15th

Last Saturday evening the Baptist Church on Dupont Street in Flint was the scene of a very pretty wedding when Miss Louise Dunston, daughter of Mr. and Mrs. F. C. Dunston of Clarkston, became the bride of Raymond Jarvis, also of Clarkston. Rev. Lutz officiated.

The bride was lovely in Roosevelt blue crepe and carrying tea roses. The bride's only attendant was her sister, Mrs. Edward Larion, as matron of honor. She was attired in gun metal crepe and carried sweet peas and for-get-me-nots.

Mr. Edward Seefelin of Clarkston assisted Mr. Jarvis as best man.

After the ceremony a buffet supper was served at the home of the bride's sister Mrs. Evelyn Rowland to the members of the immediate family.

The young couple will reside in Clarkston after Feb. 15th.

Both young people are well known here having graduated from this school.

Twenty Guests Enjoy Bridge Luncheon

Mrs. B. F. Miller and Mrs. Bradley Miller Are Hostesses

Last Thursday afternoon twenty guests enjoyed a bridge luncheon at the B. F. Miller home on North Main Street with Mrs. B. F. Miller and Mrs. Bradley Miller as hostesses.

The St. Valentine motif made the tables very attractive and everyone enjoyed the very tasty luncheon which was served at one o'clock.

Five tables of bridge were in play throughout the afternoon and the awards went to Mrs. C. G. Waterbury, Mrs. H. Huttenlocher, Mrs. H. Garter and Mrs. E. Butters.

Janet Stickney Celebrates Birthday

On Wednesday of this week Janet Stickney was thirteen years old. 13 may be an unlucky number for some people, but for Janet it was lucky because her mother had planned a theater party for her.

On Tuesday evening eleven, including Mrs. Stickney and Mrs. Miller, went to Pontiac and thoroughly enjoyed seeing Katharine Hepburn as "Babbie" in James M. Barrie's "The Little Minister".

It was quite late when the party returned to their homes but they had a pleasant evening and will remember Janet's 13th birthday for a long time.

Miss Berniece Thomas Hostess to Club

Next Meeting to be Tuesday, February 19th

On Tuesday evening, February 5th the Clarkston Junior Literary Club met with Miss Berniece Thomas of Pontiac. There were eight members present. The roll call was answered with household hints. After the regular business was taken care of Mrs. Grace Rockwell and Mrs. Doris Hemingway gave one minute papers on "Interior Decorating".

The hostess served an exceptionally delightful lunch.

Owing to so many affairs taking place last week the report of this meeting is a little late getting into print. The secretary regrets the delay. The next meeting will be at the home of Miss Uldene Coleman of Drayton Plains next Tuesday evening, February 19th.

JACKIE CRAVEN IS 7 YEARS OLD

Friends Celebrate at the Craven Home on Holcomb St.

Thursday of last week what might be termed "A big day" for Jackie Craven. He was seven years old and he was not the only one who knew it because a number of his little friends were his guests at his home from three until five in the afternoon. What a jolly time these little people had. They played games and made as much noise as they wanted to. They were all happy with Jackie. And of course they had the usual birthday refreshments and a cake with candles on it.

The guests included Billy Howland, Henry Ronk, Frederick Hemingway, Jimmy Rowland, Byron Miller, Clayton Frick Jr., John Ronk, Jimmy Waterbury, Frank Ronk and Marie Bennett.

EXHIBITION CAR WILL TOUR STATE

"Wolverine" Will Visit Cities and Villages of Michigan.

The railroad car, "Wolverine," used for many years in the distribution of fish fry and fingerlings in Michigan, is to be converted into an exhibit car and used this spring for educational Conservation work, the Department of Conservation stated Wednesday.

Since having been supplanted by the modern truck distribution system in fisheries operations, the "Wolverine" has been idle at a siding at Paris, Mecosta county. It will be brought to Lansing, where the exhibits will be arranged and installed.

The "Wolverine" will go on the road April 1 to visit the cities and villages of the state. At each stop it will be open during the day for inspection by school children and at night for adults. Fish, geology, game, fire prevention, park, forestry, and law enforcement will feature the exhibits.

Two attendants will be in charge of the car during the two-month annual tour of the state.

By furnishing all transportation from point to point free of charge, the railroads are performing a valuable service in the cause of educational conservation work.

Under the Federal Housing Act loans are authorized for farm improvements. The Federal Housing Administration has just issued a bulletin which outlines the method of securing a loan and lists all the various improvements approved for financing. The bulletin is designated as FHA No. 136 and any interested farmer may secure a copy by addressing a postal card request to Congressman George A. Dondero, 522 Washington Square Bldg., Royal Oak; or Box 162, Redford Sta., Detroit, Michigan. The supply is limited, so requests should be mailed without delay.

Progressive Class Has Meeting

Mrs. Ray Clark and Mrs. E. Butters Are Hostesses

On Wednesday evening the Progressive class of the Methodist Sunday School met at the home of Mrs. Ray Clark on Orion Road. Mrs. E. Butters was co-hostess.

There were twelve present. The regular business was taken care of by the president, Mrs. Ray Clark.

Mrs. Baynes reported that Miss Ruth Parks of Ortonville would be glad to visit the Sunday School any time transportation was available.

About 9:30 Mrs. F. E. Davies attended the meeting long enough to make a report on the repair fund project.

The Sunday School scrap book was talked of and every one contributing is asked to deliver their material at Sunday School on Sunday morning.

After the business meeting a short program was thoroughly enjoyed. Each one present read a paragraph on the life of Abraham Lincoln. Then the group participated in a couple of games and everyone entered into the fun most heartily.

At the close of the evening the hostesses served refreshments. The St. Valentine motif was used and so made the lunch table pretty as well as inviting.

The class did not decide where the March meeting would be held, but an early announcement will be made.

P. T. A. To Discuss Special Project

Meeting to be Next Wednesday Evening, Feb. 20th

The Parent-Teachers Association will have their regular meeting next Wednesday evening but at this meeting there will be a discussion on whether the Association will unite with the school in purchasing a moving picture machine. The parents, especially are urged to attend and have a voice in this matter. The pictures now at the school will be shown at this meeting to give the parents a clear idea on the machine. The pictures will be shown to students during the noon hours.

Clarkston Locals

Sherman Lowery spent Sunday in Pontiac visiting friends.

Curtis Allen of Detroit spent the week-end at his home here.

Mr. and Mrs. Ray Anthony have moved into the Voorheis house on Holcomb St.

Friends of Ward Dunston will be glad to hear that he is able to be at work again.

Mr. and Mrs. Guy Walter spent the week end with Mr. and Mrs. Lee Skinkle of Detroit.

Mr. and Mrs. Ed. Wieland spent Sunday with his sister, Mrs. Guy Lyons of Orion.

Miss Maude Weld of Mt. Bridges, Ontario, is visiting at the home of Mr. and Mrs. Durand Ogden.

Children Honor Father on Birthday

The Children of Charles Perry Celebrate His 83rd Birthday

Last Sunday Charles Perry was 83 years old and what a happy time he had when his children and their families gathered at the home of his daughter Mrs. Sam Morgan and enjoyed the day with him.

A co-operative dinner was served. The guests were Mr. and Mrs. Fred Williams and family, Mr. and Mrs. William Avenall and family of Metamora, Mrs. George Morgan and family of Ortonville, Mrs. William Andrews and family of Bald Mountain, Mrs. Ella Cleveland of Millersburg and Mrs. Hattie Petty and Mrs. Frank Moulter of Clarkston.

The children all wished their father many more happy birthdays and hoped they would be able to have many gatherings of this kind with him.

STATE HAS SUPPLY OF SEED FOR BIRDS

Offers Same to All Wishing to Plant Patches This Year

Looking toward the winter of 1935-36, the Michigan Farm Bureau has ordered two tons of seed mixture to be used by individuals and organizations this spring in the planting of food patches for game and song birds.

The mixture contains various percentages of the following seeds: Sudan grass, buckwheat, New Era cow-peas, flax, hemp, golden glow corn, white wonder millet, common millet, Tennessee German millet, proso, Kaffir corn, sorghum, hegari, Manchou soy bean, Ita San soy bean, fetterita and sunflower. It was formulated by Dr. P. F. English, cover and food specialist of the Department of Conservation, who will send a descriptive folder to those requesting it.

Individuals and organizations desiring to order quantities of the mixture should do so soon. Orders may be made through R. W. Bennett, of the Farm Bureau, 211 Cedar Street, Lansing.

Approximately 3,800 pounds of this mixture were distributed last year. Only 4,000 pounds are available this year. In lots under 25 pounds the mixture will sell for 11 cents a pound and in lots over 25 pounds for 10 cents a pound. The three per cent sales tax and transportation charges must be added, English says.

Blue and White Flash

Clarkston School News

The two boys teams of Clarkston High School journeyed north on Tuesday to meet the powerful Davison team of the Genesee County Athletic League. Davison is at the top of the Genesee County league they being undefeated in league competition to date.

Playing before a large crowd and on the largest floor that they will play on during the season the Varsity boys played consistent, aggressive ball to come out victorious by a 29-25 score. Davison's rangy team, the tallest to be met this year, presented the threat of an "overhead" game which failed to materialize as Clarkston's defense took advantage of each break by the Davison offensive, and turned them into scoring opportunities for themselves. Clarkston took the lead at the start of the game to establish a 15-11 lead at the half.

At the beginning of the third quarter both teams scored in short order and Davison went into the lead 18-17 with the third quarter well under way. Clarkston recovered the lead 19-18 and a few seconds later extended it to 21-18 not to relinquish it again.

Davison shifted from a man to man defense to a zone defense in the 4th quarter but the Clarkston boys established their lead and forced the zone defense to come out after the ball, demoralized the defense and caused another shift back to the man to man defense by the Davisonites.

With the defense demoralized the local lads were able to control the ball the greater part of the final quarter and with the score 29-25 with the last quarter half gone, the boys controlled the ball, and there was no further scoring.

Williams and Hall, Davison forwards, were high point men of the evening, each getting 11 points to account for 22 of their team's 25 points.

Clarkston's scoring was more scattered with every man breaking into the scoring, led by Parker, who collected 10 more points to add to his season's total.

Clarkston has been a thorn in the side of league leaders this year, winning from Davison, undefeated leader of the Genesee County League, and forcing Orion into an overtime period before going down by a 25-23 score. Orion is also undefeated in their league, the Tri-County League.

On Friday Clarkston will travel to Walled Lake to meet the league leading restorers. In an earlier game the local boys played on even terms with Walled Lake up to the last quarter only to "blow up" and yield by a 12-24 margin after leading at the half. The Clarkstonites seem to have overcome their early season faults, and feel confident of making a much better showing. From the improved showing of the team late in the season the boys are pointing for a win with the best of chances to come out with a victory. If victorious they will still be very much in the running for the Southwestern Oakland County League title.

In the reserve game the Davison lads had difficulty in getting started and gave Clarkston a chance to get a 7-0 lead before they settled down, and with the aid of Madison who came into the game at the beginning of the 2nd quarter went into the lead 11-9. Secord and Yost were pulled in the 3rd quarter, Yost having four personal fouls called on him. The Davison reserves once having established their lead went on to win easily by a 25-13 score.

Madison was easily the most outstanding player on the floor being in on most of the Davison scoring plays and causing the Clarkston defense endless trouble.

The Valentine Box party at the school which was to be on Feb. 15 has had to be put over until March 1st on account of conflicting dates. There will be a fine program and the proceeds will go to finance the running of the school bus. Everyone keep this date in mind. Those in charge are James Sutton and Lyle McLaughlin. The committees for the Father & Son banquet met at the home of the president, Mrs. George Rosenquist, on Monday evening. Owing to conflicting dates the banquet was changed to the 6th of March. Chairmen of the committees are: Menu, Mrs. Chas. Calhoun; Dining Room, Mrs. Harry Harrup; Program, Mrs. Chas. Roehm; Tickets, Mrs. Carl Terry. The Bible Class met at the home of Mr. and Mrs. Carl Terry on Tuesday evening. There were twenty guests present. The lesson was given by Henry Mehberg. Roll call was questions on the preceding lesson. Song service opened the meeting. Mrs. John Miller offered prayer. Following the lesson Mrs. Earl Schwalm, Mrs. P. L. McLaughlin provided games and stunts for the guests. Refreshments of cake and coffee were served. The March meeting will be at the home of Mr. and Mrs. Charles Calhoun. Mrs. A. W. Emery of Dixie Highway entertained for the pleasure of her little daughter Marion's fifth birthday on Saturday. Guests were Jean Girst, Joyce Terry, Donald and Marjorie May Anderson, Joan McCaffrey, Phyllis Schwalm, Dale and Kitty Lou McLaughlin, John and Martha Atkins, Sammy Ledger. This was her first party. All had a lovely time. Decorations were in Valentine colors and hearts. Refreshments were served.

Wyckoff and Marion Sloat back to school. They have both missed several weeks on account of sickness. Max Burt is honor child in the room this month. He only missed one word in the semester tests in Reading. Marion Roehm was a close second, having missed four words. She has also missed quite a bit of school. Those having a perfect attendance record this last month are: Max Burt, John Calhoun, Virginia Carter, Charlotte Finzel, Barbara Helfer, Norman Johnson, Dale McLaughlin, Morris Rapson, Evelyn Sanford, Nick Secan, Joanne Spalding, Jacqueline Welch and Phyllis Wilcox. A large crowd attended the P. T. A. meeting in the school auditorium on Thursday evening. A business meeting was conducted by the president, Mrs. R. N. Hickson. A paper sale was discussed and voted on, with a contest and chairman chosen from each room. Papers and magazines can be sold and proceeds used to carry on P. T. A. work. The contest will close May 1st. A nominating committee was appointed, as follows: Frank Lane, Harry Reeves, Mrs. Don Upton and Mrs. L. E. Kriser. The election of officers to be held in March. A splendid program was arranged by C. E. Elder and Primary teacher Mrs. Jane Johnson. A two course luncheon was served to the guests, seated at small tables with a color scheme of green and white predominating. A beautiful bouquet of mixed flowers formed the table centerpiece. Other guests attended from Detroit and Clawson. Mr. and Mrs. MacDonald were presented with a beautiful gift. Mr. MacDonald holds a position with the Detroit Free Press.

ably with that done in any regularly established college or university. It is evident that the practical experience which most of your teachers have had is making them stronger and more worthwhile instructors. The fine spirit among your students and teachers was noticeable to me as an outsider. It is a marked achievement to be able to develop such an atmosphere. Suggestions and corrections were given by teachers when needed, but they were given in a most constructive and kindly manner. This spirit was reflected on the part of class members and evidently was responsible for reciprocal interest and cooperation. Teachers often deal too much in the realms of theory and the impractical. It was gratifying to note that your instructors, on numerous occasions, applied their instructional work to the practical aspects of their subject. They showed a knowledge of the community, its geographical needs and desires. This was possible only through the excellent manner in which they have identified themselves with the life and activity of the community. You and your staff are to be commended for your splendid work. It is a marked achievement to accomplish such an organization where one has no law, tradition or social pressure to back the work. You have built an organization of the spirit and such must be the work of every successful Freshman College teacher. I shall look with pleasure towards a visit with you again and extend my best wishes for your continued success. Please feel free to call on us whenever we can be of further assistance. Sincerely yours, H. J. Ponitz, Supervisor of Freshman Colleges.

Waterford

The Ladies' Auxiliary of Waterford held their February meeting on Thursday at the Waterford Church parlors. Luncheon was served at one o'clock. Hostesses—Mrs. George Rosenquist, Mrs. R. J. Blakeslee, Mrs. H. B. Mehberg. The tables were attractively decorated in Valentine colors, with bright napkins arranged at each place. Pots of ivy graced the center of the tables. Following the cooperative luncheon which was served at one o'clock to thirty people Rev. R. M. Traver gave us a fine talk on his travels and showed us the "curios" he had collected while on his trip around the world which he took while he was pastor of the Baptist Church at Pontiac. As an introduction to his talk he praised the Auxiliary for the good work they were doing and the fine cooperation exhibited in the fact that so many are eager to help. It is the wish of Rev. Traver that there may be some decorating done. Each Sunday Rev. Traver speaks to us. The business meeting was held following the talk. Mrs. Clarence Johnson joined the Auxiliary at this meeting. Plans were made for a Father-Son banquet at the church parlors March 8th. The committees named by the president, Mrs. George Rosenquist, were: Tickets—Mrs. Carl Terry, Mrs. Edward Ledger, Mrs. James Saylor. The tickets will be 50c per plate this year. Menu—Mrs. Charles Calhoun, Mrs. John Brown, Mrs. J. C. Campbell, Mrs. Lovell Spalding, Mrs. Tucker, Mrs. Earl Schwalm.

Mr. and Mrs. Louis Anthony and family moved to the Carrie Voorhels house in Clarkston last Thursday. Mr. Kojami of Waterford Blvd. is very ill at his home. He has been ill for some time. Bernard McCaffrey of Lansing is at the home of his brother and wife, Mr. and Mrs. Angus McCaffrey. Mr. and Mrs. Ray Linabury of Pontiac were Sunday guests of Mr. and Mrs. George Slayton. Mrs. Edward Ledger of Williams Lake spent Monday with Mrs. George Slayton. School was closed on Friday (today) and the teachers are attending Teachers' Institute. Mrs. George Hunt's sister in Sashabaw Plains gave a miscellaneous shower on Friday honoring Mrs. Hunt. She received many nice gifts. Mrs. Carl Terry and children went to Pontiac on Wednesday to spend the day with her parents, Mr. and Mrs. John Parrish of State Street. The young son of Mr. and Mrs. James Sutton has been given the name of William Alan. He is coming along nicely and growing every day. Mr. and Mrs. Lyman Girst and family were Sunday guests of the latter's parents, Mr. and Mrs. Combs of near Fenton. Mr. and Mrs. P. L. McLaughlin and family spent Sunday as guests of the latter's sister and family of Adrian. Mrs. Lillian Norton received word of the passing away of her sister, Mrs. Jessie Beatty, of Portland, Ore., on Feb. 6, just a month from the death of James Parks, her brother in Canada. Mrs. Norton is the last one of the Parks family.

Primary Notes: We are glad to welcome Billy

If folks will pay more attention to taking care of their "principal" and not worry too much about the interest their money earns, this country is not likely to have another depression for many years to come. High interest rates and high risk always go hand in hand.

Dramatic Theory and Practice

Everyone has sometime secretly expressed the desire to act. For those who still want to fulfill that ambition opportunity is now opening the door. A community class in Dramatic Theory and Practice is being offered on Monday evening at seven o'clock. We want all ages, for this class will cast plays of varying types and these types can be true life. One hour lecture and discussion will precede the acting for those who only want to develop their appreciation of the drama. Acting will follow. What will we do? Why not come up and let us know what you want to do?

Why Study French?

The earliest dividend of the study of French is probably the ability to read such words as are interspersed in good literature. These are rarely translated and are lost without some knowledge of French, and this ability can be measurably acquired in a few short months.

For the musically inclined, there is a charm in the harmony of sound, and for the accurate, a pleasure in its exact and non-slovenly construction.

Forty-million people in France alone speak it as a living language, not to mention many other countries, and a knowledge of French and English is sufficient to travel all over Europe. French still remains the court language of many countries.

Much beautiful literature has been written in French most of whose charm is lost by translation.

Finally, the French student gets more credit from society for his knowledge than any other equivalent linguist. The awed comment: "He speaks French!" is most agreeable.

Practical Electricity

When the iron won't work or the radio howls, there is a perfectly valid reason for it. There is no longer any mystery about electricity, since practically all its phenomena have been worked out into "laws".

It is a vast advantage to be able to reverse a motor, read one's own meter, fix the iron, or discover what is wrong with the ignition system of the car, and the initiated may proceed sure-footedly with no danger of a "burn-out".

College Algebra

This branch of mathematics is the foundation of all higher branches. In any continuation of mathematic study it is indispensable, and in fact one is simply blocked without it.

Mathematics has a high economical value, in that it presents the only means we have at our command for prediction. It is positively necessary to know before hand how large a wire must be to carry the current in such-and-such installation, and the absolute certainty that the bridge will not crash must be had before the first girder is set.

Algebra gives this foresight to a large degree.

CALVIN N. SMITH
 Republican Candidate
 For
CIRCUIT JUDGE

Mr. Smith was born on a farm where he resided with his parents, and attended public schools until he was eighteen years of age. He attended college and became a school teacher in which work he continued for a period of five years. He then worked as a railroad brakeman, attended the University, where he completed his law course, and for the past twenty-five years has been actively engaged in the practice of law.

He has maintained a law office in the City of Ferndale for the last eighteen years. He has held many public offices of trust and confidence. He was attorney for the Ferndale School District before Ferndale was a municipality; was attorney for Royal Oak Township School District No. 10 for several years, was attorney for the Village of Clawson, and was the first City Attorney for the City of Ferndale, which position he held for many years.

Mr. Smith has been President of the City of Ferndale, President of Oakland County Lincoln Republican Club, and has served as a member of the Board of Supervisors of Oakland County. He has been actively interested in the civic and social welfare of Oakland County since the summer of 1917, at which time he became a resident of Ferndale. He is a member of the Baptist church, Masons, Elks, Eagles and Rotary Club. He is forty-nine years of age, is married and has a family of four children.

By reason of his age, education, temperament and broad experience, Mr. Smith is well qualified for the office of Circuit Judge.

its subtle humor, its philosophy, its dramatic situations and its irony, and they are planning on a big round-up Feb. 22, and annual meeting given a remarkable cast headed by Aline MacMahon and Guy Kibbee, the film version of "Babbitt" is expected to rival in popularity the book on which it is based.

Aline MacMahon and Guy Kibbee are the film's undisputed leaders in real comedy characterizations. Each is rated as a real star.

Kibbee has the title role of Babbitt, a small town realtor whose success went to his head. Pompous, boasting, glibly inclined to run a little wild at conventions of the "Zebras," of which he was an officer, he is taken for a ride by a blackmailing widow and runs to his wife, portrayed by Aline MacMahon, for help. He gets it, as well as a punctured ego, for Aline is able to see through his shams and conceits and loves the big heart behind the vanity that made Kibbee fall for the schemes of dishonest politicians because he was flattered by their attentions. Claire Dodd has the role of the conniving widow, and the romantic interest is supplied by Glen Boles, as Babbitt's son, and Nan Gray, portraying his fiancée.

Your eyes won't tell you!

MOST of us choose lamps because they are attractive and ornamental, or because they fit in with the decorative scheme of a room. We take it for granted that our lamps are furnishing good lighting when frequently our eyes are being strained by poor lighting and do not complain until it is too late. There are four essentials of good lighting that you may quickly and easily follow in your own home: (1) Use correct size lamp bulbs—"WATTS." In table and floor lamps with three sockets, use 40 watts in each socket; with two sockets, 60 watts; with one socket, 100 watts. (2) Have at least one-tenth as much light in the rest of the room as you have on your book, newspaper, sewing, etc. (3) Use SHADES on all lamp bulbs to prevent GLARE. (4) Use shades with light-colored linings to get the most light.

The Detroit Edison Company

ANNOUNCES CANDIDACY FOR CIRCUIT JUDGE

A. Floyd Blakeslee announces his candidacy for Judge of the Circuit Court on the Republican primary ballot.

During his 22 years as a member of the Oakland County Bar, he has practiced law exclusively, and has also made a good record in his public service.

Twice he was elected and served Oakland County as Prosecuting Attorney, 1921-1924, for two years he was Chairman of the Oakland County Republican Committee, 1925-1927; for four years he was a member of the Republican State Central Committee, 1928-1931.

He is attorney for the Village of Orchard Lake and attorney for Bloomfield Township and other municipalities.

Mr. Blakeslee is 47 years of age, resides in Pontiac with his wife, Tirzah J. Blakeslee, and two children, Ellen 14 and Arthur 11.

COLLEGE ADVISES CERTIFIED SEEDS

In This Way Farmers May Secure Increased Profits

Use of certified seeds of all kinds is one of the practices recommended by the farm crops department at Michigan State College as an aid in increasing farm profits.

Certified seeds cost more than ordinary field-run seeds but they are worth more. All the seeds in any lot were produced by the same variety and the same type of plant. Fields planted to certified seed grow and ripen more evenly than those in which mixed varieties are used for seed.

Records kept by the crops department at the College prove that certified seeds yield more bushels per acre and produce a greater proportion of No. 1 product than do ordinary seeds.

Growing second grade products does not pay well in a time when prices are down and is never as profitable as producing quality crops.

Michigan has the highest standards for certified seeds of any region producing them. The seeds must be 99.25 per cent pure to pass inspection. Tests for germination must also be passed by the Michigan seed. All of it is adapted for use in the State.

Considerable Michigan seed corn has been saved that contains so much moisture it is apt to be unsatisfactory when planted. No corn should be used for seed until it has been tested for germination; certified seed carries a statement of the percentage of viability.

Low prices for potatoes usually results in growers selecting seed from their own crop. Certified seed also is low relatively in price and should be used. Potatoes rapidly become infested with diseases unless the growing crop is carefully watched and diseased plants are destroyed. This has been done in fields producing certified seed.

WAYNE UNIVERSITY TO GIVE RADIO PROGRAM

The Michigan Radio Network, through its Detroit Station, WXYZ, will carry the "Wayne University School of the Air" for which plans are thus far only tentative, Tuesday being the proposed day on which the programs will be presented. In addition to the "School of the Air" program, the Detroit Public Schools are already on the Michigan Radio Network and State WXYZ every Tuesday at 10:30 to 10:45 a. m. with a discussion of child welfare problems.

This announcement is of interest to the people of this locality in view of the fact that the Holly Freshman College is sponsored by the Wayne University.
