COMMENT AND CRITICISM

A few more days and you will have selected three circuit judges to sit in judgment should you have occasion to have matters in that court during the next six years. . . . and six years is a long time. We cannot urge you too strongly to go to the polls and cast your vote for the three best men. . . . three men you would trust for such important work.

Personally we wish the Junior class the best of success, Friday night. School shows are well worth attending.

It looks, acts and feels like spring but there may be some life in winter, yet.

Personally, will it not be a pleasure to forget elections for a while?.

Mrs. Christina Reese Honored Monday

A Member of O. E. S. for 39 Years

Last Monday evening was an eventful one for Mrs. Christina Reese. The Eastern Star Chapter honored Mrs. Reese at a banquet at 6:30. Sixty-five were seated at two long tables decorated with flowers. The meal was thoroughly enjoyed.

In the evening six candidates were initiated.

Mrs. Christina Reese, who has been an Eastern Star member for thirty-nine years, was presented with a life certificate by the worthy matron, Mrs. Avadna Richardson. Then Mrs. Blanche Walter on behalf of the chapter presented her with a beautiful corsage bouquet and Mrs. Reese who is past ninety years responded in a most remarkable manner.

There were several guests present from Detroit, Ferndale, Oxford, Berkley and Rochester. Among those who were presented in the East were Mrs. Verda Ferguson, Past Grand Ruth, of Detroit, Mrs. Mabel Wells, President of the Oakland County Association, of Berkley, and Mr. Hassburger, Vice-President of the Oakland County Association, of Ferndale.

Mrs. Reese spent a happy evening and thoroughly enjoyed seeing the Eastern Star work and talking about it. She recalled the days when she was an active member and she rejoiced in the fact that the good work was still being carried on by the younger women. Her only regret was that she could not attend regularly.

Several Attend Birmingham Party

To Benefit the Doctor's Library at St. Joseph Mercy Hospital

On Wednesday evening a number from town drove to Birmingham to attend the card party sponsored by the Ladies' Auxiliary of the St. Joseph Mercy Hospital for the benefit of the Doctor's Library. Those in the party were Mrs. Joe Seeterlin, Mrs. John Haupt, Mrs. George King, Mrs. Anna Fleming, Mrs. Durand Ogden, Misses Theo Alger, Nelly Barry and Mae Barry, Mr. Wm. Barry, and Mr. and Mrs. Guy Walter.

Everyone had a lovely time and enjoyed a very sociable evening. The hostesses were charming and made a special effort to see that everyone had a nice time. There were many prizes given, door prizes as well as table prizes. Those from here who won table prizes were Mrs. Guy Walter, Wm. Barry and Mrs. Durand Ogden.

The party was given in the Birmingham Community House and a very large crowd attended.

The Father and Son Banquet a Success

Young and Old Enjoy a Variety Program

The Father and Son Banquet at the Methodist church last Thursday evening was well attended and many compliments have been paid the Ladies' Aid for the delicious dinner they served.

Mr. Cal Edwards Jr. of Detroit, son of our local pastor, favored the group with music during the dinner hour.

After dinner the program was presented and all the participants received a hearty applause. The speaker was introduced by Rev. Krumelberg of Detroit. The young-folk especially liked the magician, Archie Allen of Pontiac, and his many tricks mystified not only the sons but some of the fathers. The program follows: Invocation. Rev. C. E. Edwards Group Singing

Led by Howard Burt Sr., Waterford Introduction of Toastmaster. . . . Gerald O'Dell Toastmaster. . . . Robert Waters Tribute to Sons. . . . Irving Ronk Piano Solo. . . . Donald Smith Tribute to Fathers. . . . Bartlett Mann A Bag Full of Tricks. . . .

Archie Allen of Pontiac Address. . . . Dr. Peter Stair of Detroit Benediction. . . . Dr. Frank Church Pianist. . . . Cal. Edwards of Detroit

The popular songs that were sung by the group during the evening added pep to the banquet and much credit is due the song leader.

Durand Ogden is very popular with the sons in Clarkston as was evidenced last Thursday evening when he took ten boys to the banquet. He had asked twelve boys to be his guests but two were unable to attend.

The Ladies' Aid and the Program Committee composed of Mrs. Walter Barrows, Mrs. D. M. Winn, Mrs. W. Howard Huttenlocher and Mrs. W. H. Stamp, wish to thank all those who in any way helped to make this banquet a success.

Death Takes William H. Stewart

A Life-long Resident of Oakland County

William H. Stewart, aged 87 years, died at his home in Pontiac on Wednesday morning. Mr. Stewart had been ailing for the last five months.

He was born at Sashabaw Plains February 20, 1848, the son of Mr. and Mrs. Robert Stewart. Mrs. Stewart passed away December 20th, 1910.

He was a life-long resident of Oakland County. He is survived by three sons, Charles of Georgetown, Conn., Arthur of Clarkston and Louis of Pontiac; two daughters, Mrs. Anna Longmuir of Sylvan Lake and Clara of Pontiac, and one sister, Mrs. Francis Windiate of Ontario.

Funeral services will be held Friday afternoon at 2:30 at the Grace Funeral Home in Pontiac with Rev. W. H. Marbach officiating. Burial will be in Oak Hill cemetery.

SENIOR GIRLS HAVE PARTY

Plan to Organize a Friendship Club

Last Friday evening the Senior girls of the Clarkston High School were entertained at the home of Miss Mildred Shell of Drayton Plains. The girls are anticipating the organizing of a club through which they will be able to maintain a friendship after their school days are over.

Miss Shell was a very pleasing hostess on Friday night and the girls had a real good time. They played games and had very dainty refreshments.

The P. T. A. to Give Card Party and Dance

Next Tuesday afternoon, April 2nd, all card players will have a chance to enjoy another P. T. A. party. You remember the good time you had at their last party; the school gym was so bright and pretty with all those little pots of ivy sitting around and the guests were so friendly and happy and the ladies in charge were right at the door to greet you, and oh, yes that attractive tea table at one end of the room and those delicious cakes and oh so many things that all made it a pleasant afternoon. Well next Tuesday you will have another good time, so be on hand to enjoy the hospitality of the P. T. A.

Well, we are almost sure that spring is here and after that, those warm summer days when the thoughts of dancing will make you feel weary. Now, before those strenuous summer days come, you would like to enjoy another good dance and the P. T. A. is going to accommodate you by having a dance at the school next Friday evening, April 5th. And what's more Mr. Dusenberry has said that he will be in person to direct his orchestra and that means there will be peppy music. Make next week a big week and attend these affairs because this may be the last card party and dance given by the P. T. A. until next winter. Now is your chance to help your town by helping your school where your children attend or may attend at some future date.

Mark Tuesday afternoon, April 2nd, and Friday night, April 5th, in your date book.

Clarkston School News

Synopsis
The story is that of an eccentric old man who died leaving a will stipulating that his four heirs—two nephews and two nieces—must remain for three nights in the house occupied by him for many years and which had the reputation of being haunted.

If any of the heirs refuse to remain for three nights in the house, his or her share is to go to those who stayed. If all of them are frightened away, then his property was to be divided equally between his old secretary and a colored servant—who is deaf and dumb. If either one of these two dies, the other inherits all the property.

Things begin to happen from the moment the heirs put in their appearances and they keep right on happening until the final curtain. The old secretary is choked to death by an unseen hand. The chandelier falls to the floor. A revolver is snatched from out of space from the hand of one of the heirs.

A leaf, upon which is written the name of the next one of the party to die, is torn from the book by an invisible force and vanishes.

The characters are as interesting as the plot. The stuttering hero, the frightened colored boy, the dumb but tough inspector, the deaf and dumb colored servant, the old secretary all help to create an amusing but spooky atmosphere. See the prominent Juniors in a new light.

The amazing solution comes just a moment before the end of the play. Don't miss "Spooks", or you'll miss half your life.

Mrs. Beardslee's Room
Pupils neither tardy nor absent during March: Betty Beach, LaVerne Hoyt, Arnold Mann, Billy Miller, Harry Wetzel, Marvin Willobey, John Allen, Charles Beach, Ruth Belitz, Billy Cole, Garth Pearsall, Dorothy Rouse, Betty Taylor, Leah Wetzel.

In our Art classes, the 5th grade pupils have made Easter posters and the 6th grade pupils have made modernistic designs of potted tulips.

We have four new pupils enrolled: Robert Bennett, 5th grade; Clifford Bennett, Florence Chamberlain, Charles Chamberlain, 6th grade.

Junior News
The cast is still laughing at the joyed a pot luck dinner at school between rehearsals on Wednesday. They wish to thank the mothers for their cooperation.

The act is still laughing at the "corpse" who became frightened at the strange happenings and bounded to his feet at rehearsal the other night.

Is that a wicked knife the Juniors use in this play? Wait until you see it!

It was lots of fun watching the girls of the cast handling the guns. A few lessons took care of that however.

Mary Kay Winn was an appreciative guest at rehearsal the other night. The cast hopes tonight's audience will be equally responsive.

Some of the slams thrown around on the stage have very "real" characteristics—witness the Inspector and Douglas!

See you at the play tonight. We hope Mrs. Barrows brings knitting enough to go around.

Program Broadcasted Over Station SNCH

Mrs. M. Somers, William Neal, Elmer Cook and William Harpley Honored

The folk at Andersonville and the immediate vicinity have a great admiration for those in their midst who have lived on and operated the same farm for the last fifty years or more. This fact was evidenced last Thursday evening at the Andersonville Community House when one hundred sat down to banquet with Mrs. Mary Somers, William Neal, Elmer Cook and William Harpley.

The long tables were laden with food and looked very attractive, with beautiful flowers here and there down the center. The group enjoyed the meal and were jovial for more than an hour. The very air seemed to permeate with happiness.

After the dinner, a program was presented in the church and was broadcasted over station SNCH, the initials of each honored guest. Many fine musical numbers were given, not only by home talent, but from outside as well. Several accordion and banjo solos were enjoyed and the Andersonville quartette was very well received.

Methodist Ladies' Aid To Have Sewing Bee

A Pot-luck Luncheon to Be Served at Noon

The Ladies' Aid of the Methodist Church has decided to postpone their afternoon tea scheduled for next Wednesday until a later date. So many adorable apron patterns have been received that the ladies are going to make many more aprons to be sold the afternoon of the tea and they are quite sure that every housewife will want one of these good-looking aprons to wear while housecleaning. There will be quite an assortment of styles to choose from.

Next Wednesday, April 3rd, the ladies are having another sewing-bee at the church and you are urged to be there at 10:00 a. m. There will be a pot-luck luncheon at noon, so of course take along something good to eat. The ladies had a good time at their last sewing-bee and had plenty of delicious food. There is enough sewing to keep everybody busy. If you cannot sew on the machine you will be able to baste or perhaps cut out the patterns or even be on hand to make suggestions. Anyway be there and help, next Wednesday at 10:00 a. m.

Rev. C. J. Sutton has been preaching at the Community United Presbyterian Church every evening this week.

Mrs. William Huntoon attended the Bible class party of the Congregational Church, Pontiac, at the home of Mrs. Lillian Wicks on Lexington Place last Tuesday. At 1 o'clock a lovely cooperative dinner was served in the dining room. They celebrated Mrs. Wicks' mother's birthday. She is past ninety years. A lovely time was enjoyed by all.

At first sight, America named the Silver Streak Pontiac the most beautiful thing on wheels. But even that high praise tells only half of Pontiac's story. Get in, drive, and you'll discover that this low-priced car is even better than it looks. It's an unusually safe car with solid steel "Turret-Top" Bodies by Fisher and triple-sealed hydraulic brakes.

It's a marvel on the road—smooth, lively, easy to handle and easy on gas and oil. And, as such super-fine features as silver-alloy bearings and a completely sealed chassis prove, Pontiac asks no odds of any car at any price when it comes to quality and dependability. A look, a ride and you'll decide—the car makes the price phenomenal.

LAW IN REGARD TO ABSENT VOTERS

Section of Statute Stating Who Has Privilege.

There appears to be a little ripple in political circles in this section of the county over the question of who is legally entitled to cast an absent voter's ballot. It is claimed by some that a too liberal interpretation of the law has been the rule of late and that absent voters' ballots have been cast by persons who were not legally entitled to the privilege. The section of the law reads as follows:

(454) Sec. 3134. Absent voter defined. Section 1. For the purposes of this act the term "absent voter" shall be taken to mean any qualified elector, who, on account of physical disability, is unable, without another's assistance, to attend the polls, or any qualified elector who is absent or who expects to be absent from the township or ward in which he resides, on the day of any election or official primary election, and who is,

- (1) A person in the actual service of the United States, or of his state, or (2) A student, while in attendance at any institution of learning, or (3) A person engaged in teaching in the public schools of this state, or (4) A regularly enrolled member of any citizens' military or naval training camp, held under the government of the United States or the state of Michigan, or (5) A member of the legislature while in attendance at any session of the legislature, or said member's immediate family for such time, or (6) A commercial traveler, or (7) A person employed upon or in the operation of railroad trains in this state, or (8) A sailor engaged or employed on the great lakes or in coastwise trade, or (9) Any person necessarily absent while engaged in the pursuit of lawful business, or recreation.

The term "commercial traveler" shall be taken to mean a person engaged in soliciting the sale of goods, by the exhibition of samples, or by catalog or other device, for the purpose of effecting such sales and taking orders for goods to be subsequently shipped by his employer.

HOLLY THEATRE

Perhaps the most ambitious and costly spectacle that Hollywood has ever attempted, "The Lives of a Bengal Lancer" has at last been screened and comes Sunday to the Holly Theatre after four years of unremitting effort in its production.

Featuring Gary Cooper, Franchot Tone, Richard Cromwell and Sir Guy Standing in the principal roles, "The Lives of a Bengal Lancer" is a stirring, action-crammed story of the exploits and adventures of England's Colonial soldiers in India.

The story is that of the extraordinary bravery, discipline and skill that has enabled a mere handful of English officers to hold sway over the teeming millions of India. Cooper is a captain of the 41st Bengal Lancers, commanded by Sir Guy Standing, when Sir Guy's son, played by Richard Cromwell, arrives as a raw recruit.

Cooper and Tone, also an officer of the regiment, take over the training of the young lad, but, on a visit to an adjoining province, Cromwell becomes involved with a beautiful girl and is kidnapped by Mohammed Khan, a hostile leader, who hopes that his father will pursue him and thus lead the Lancers to disaster. Cooper and Tone follow and are caught when they attempt to free Cromwell. Under torture, Cromwell discloses the whereabouts of a tremendous cargo of ammunition. Mohammed Khan captures the ammunition, brings it back to the fortress and prepares to lead a revolution against the British.

The Bengal Lancers ride on the fortress, prepared to face destruction if it will stem the revolution until reinforcements can arrive. The needless sacrifice is prevented by Cooper, who, by a daring maneuver, single-handedly destroys the fortress, effects the release of the prisoners, and saves the Bengal Lancers.

DON'T GUESS WHERE HIS Eyesight IS CONCERNED

USE THIS NEW DETROIT EDISON Service

There is no substitute for the services of an eyesight specialist, but proper lighting helps to protect eyes good and bad, young and old. Your child's eyesight is far too precious to gamble with. His eyes are one of his most important possessions, and defective vision will handicap him in his school activities, in his studies, in later life. Poor lighting is a major cause of crippled eyesight . . . figures show that one out of every five school children has defective vision. Is YOUR home lighting adequate? You owe it to him to see that he has GOOD lighting now in these critical years.

Here are 5 simple rules that will assure reasonably good lighting in your home. They are practical and easy to follow: (1) Use correct size lamp bulbs—"WATTS." In table and floor lamps with three sockets, use 40 watts in each socket; with two sockets, 60 watts; with one socket, 100 watts. (2) Have at least one-tenth as much light in the rest of the room as you have on your book, newspaper, sewing, etc. (3) Use SHADES on all lamp bulbs to prevent GLARE. (4) Use shades with light-colored linings to get the most light. (5) Have enough lighting fixtures or portable lamps to insure the proper intensity of light throughout the room.

The School Movies Drew Large Crowd

The P. T. A. Profited \$9.40 Last Friday Night

The manner in which the town people are cooperating with the P. T. A. is very encouraging to the committee in charge of finances. Last Friday evening they had a movie at the school and a fairly large crowd attended. The picture, "The Covered Wagon", was interesting as well as educational. The P. T.

A. profited \$9.40 which of course will be spent on the movie machine. More and more the men and women about town are beginning to realize what a help this machine will be in the school work and so they are going to help pay for it by attending as many of the P. T. A. affairs as possible. The committee in charge is making an effort to secure pictures that old and young will enjoy. Watch for the date of the next movie and then do your part.

SENIOR CLASS HAS SKIP DAY

While the "News" is going to press, the Senior Class accompanied by their superintendent, Mr. D. M. Winn, is in Detroit to enjoy a well planned day. Studies are forgotten while they wend their way through the Ford Plant and then to Greenfield Village. The Class intends to dine in Detroit in the evening and then enjoy a theater party. This is a big day for the Seniors and the story will appear in next week's paper.

HAVE SAVED MANY FARMS TO OWNERS

Activities of Committees Result In Good Showing

Committees of farmers and business men who have volunteered their services in the past year have saved 40,000 farms in the U. S. from foreclosure by acting as arbitrators between the farmers and their creditors, according to the farm credit administration.

Many of these adjustments have been made in Michigan when applicants for federal farm loans could not obtain loans large enough to clear their existing indebtedness. In those cases, attempts are made to have the creditors scale down their claims to a point where all can be paid and the farm saved to its owner and operator.

Reports from Michigan agricultural agents show that the demand for federal farm loans has passed its peak but a considerable number of applications are still made every month. More interest is shown now by farmers in this State in production loans which are made for short periods with personal notes given as security. All Michigan communities have federal farm loan and production loan associations. These are cooperative organizations of borrowers. The money is obtained by federal government controlled agencies by the sale of bonds. Adequate security is required for the loans which are made at a low rate of interest.

Applications for loans are passed upon by the local men who compose the loan committee of the association. These men know all applicants and have a good basis for judging their ability to pay back the borrowed money. Farm loan associations have been operated successfully for years, but the production loan associations made their first loans in Michigan last year.

For Homemakers

The singing of robins is a signal for housewives to give their houses a thorough cleaning and to rearrange the rooms so they appear more comfortable and more attractive. Rooms

may be made to look new and attractive without spending any money, home economics specialists of Michigan State College advise.

Many rooms are inconvenient to clean because they are filled with too many useless and unnecessary things. Eliminating small extra things will give the house a new feeling of quiet, dignity, and simplicity.

What things are to be discarded? Taking away those things which serve no particular purpose is a good rule to follow. Objects showing poor workmanship have no place in an attractive room, nor do fussy, elaborate articles. Simplicity that suggests plainness is better than over decoration and elaborateness.

Another way to know a beautiful thing is to judge it for its color. The most beautiful colors are neither the very brightest nor the very dullest. Colors that are too bright seem harsh and bold, and colors that are too dull are uninteresting and lack character. Choose those that are some place between the very brightest and the very dullest and they will be clear and beautiful, the most pleasing of all.

Sometimes, after taking away all the articles that serve no purpose and those that give a cluttered effect, a room will seem to have certain bare spaces and a scattered appearance. This may be taken care of by rearranging those things which are left, to fill the bare spaces. Placing large pieces of furniture, such as the piano, and davenport parallel to the sides of the room will add size to the room. The smaller pieces of furniture should be grouped with the larger pieces to make them most useful.

The Ford enables you to step up into the fine-car class in performance, beauty, comfort and safety. But there is no stepping up in price. That is kept down by Ford low-profit policies and unique manufacturing methods. These are as different as the car itself.
