FREIGHT CARS JUMP TRACK

Maceday Lake Cottagers Escape Injuries

About noon on Wednesday the cottagers at Maceday Lake got quite a surprise when they saw about 15 freight cars toppling down hill at the rear of their cottages.

A broken wheel on a gondola loadwith scrap steel crumpled about 500 feet north of Andersonville Road crossing and careened down the tracks, tearing up the ties for about half mile before it jumped the

Fourteen freight cars were dragged down the embankment. The cottagers were filled with fear as they watched the cars pile up in their back yards. One ear loaded with automobiles landed upside down just a few feet from a cottage door.

Two girls and a young man from narrowly escaped being crushed beneath one of the cars as it dashed down the bank towards them. They were busy attaching a trailer to their automobile and made haste to get out of the way of the freight

To the amazement of all the onlookers the engine remained upright on the tracks.

The wrecker and its crew worker until quite late Wednesday night getting the tracks back into shape.

Waterford School Holds Commencement

The 10th grade class of Waterford School held its graduating exercises last Thursday evening in the school auditorium. A large crowd greeted the graduates. The program started when Miss Mary Jacobus played the strains of the march and the class marched in and up to their places on the stage: While the audience stood Rev. R. M. Traver gave the Invoca-

The class and the friends and parents were greeted by Russell Weil in his Salutatory address.

Ralph Weil started the history of the class going year by year for the the accident and reported. Crawford first ten grades which was very interesting. Each year he told who the pilots were that helped the pupils through.

The Pontiac High School Girls Triple Trio sang two numbers and all enjoyed them.

and Bill Spalding who gave the Prophecy. Bill represented "Prince Al Benda" and was shown in by "the maid" Lucille Hall from the 9th grade class to see Hilda and he saw all his prophecies through the mystic bowl that he looked through. This was amusing and interesting.

The Class Will was drawn up by June Collins and Kathleen Johnson but given by the latter.

The Giftatory was filled with a lot of fun and given by Eunice Hubble and Martha Hayward. They didn't forget anyone in the class and the teachers in the High room were remembered, Mr. Burt, Mrs. McVittie, Mr. Blazer and Mr. Galbraith all receiving gifts.

Grace Abrahims was the one who received honors by being the Valedictorian of the class and gave her talk at this time.

Presentation of Diplomas was handled by Kenneth McVittie who gave a short talk before the presentation.

The Benediction was pronounced by Dr. Traver.

Diplomas were presented to Grace Abrahims, Hilda Barnett, June Collins, Martha Hayward, Eunice Hubble, Kathleen Johnson, Will Spalding, Ralph Weil, Russell Weil.

This class has the distinction of being the first one to have twins graduate. The Weil boys gave them that honor. They are the sons of Mr. and Mrs. Archibald Weil. Following the program the 9th

grade gave the class a reception in the dining room of the school. The teachers were guests of the class also. Those on the reception committee were Barbara Chamberlain, Edna Attwater, Fern Batchelor, Mardelle Burrow, Lucille Hall, Eleanor Mehlberg, Lillian Widing, Camilla Web-ber, Lyle Walker, Keith Mitchell, Ernest McHugh, Jack Jacober, Kenneth: McVittie, Richard See, Willard Weston, Franklin Soults, Frank Soditch. Kuga Kajamia, John Martin. "

The stage was attractively decorated with potted plants and the colored paper ribbons of blue and gold. Wicker furniture was placed on the stage. Corsage bouquets were used

Some of the class are planning on High while some have other plans.

class had a party at the home of Kathleen Johnson at Clarkston.

Enjoyed by Many

Charge of Arrangements

A great many townsfolk look for-Aid of the Methodist Church serves every few months, and on Wednesday evening an exceptionally large crowd gathered at the church and enjoyed a real meal.

The committee with Mrs. David Teggerdine as chairman spent quite Avenue and enjoyed a lunch. a few hours working diligently preparing the dinner and arranging the dining-room. Their efforts were not in vain because when the church bell rang the dinner hour, the dining-room was crowded. Everyone had plenty and remarked how good everything tasted.

Mrs. Teggerdine is very grateful to all who helped with the work and all who attended the dinner.

Mrs. C. W. Russell Is Hostess to Friends

Last Thursday Mrs. C. W. Russell entertained a number of friends at a luncheon and bridge at her home on Deer Lake.

At one o'clock a delightful luncheon was served and many games of bridge were enjoyed during the afternoon. The honors went to Mrs. Herbert LaVigne and Mrs. George D.

Then on Tuesday afternoon eight more guests had a happy time at the Russell home. They enjoyed the one o'clock luncheon and the usual after- guerite Koop. noon bridge. The awards went to Misses Nell Barry and Edna Alger.

George Crawford

While walking north on the Dixie Highway just north of the Williams Lake road last Tuesday night, George inson. Crawford, age 57, of Drayton Plains, Voc was instantly killed by an automobile ford-Mrs. L. G. Rowley: driven by William Randell of Ferndale.

Deputies E. K. Thomas and Floyd Harger were called to the scene of was walking about three feet from the shoulder of the pavement on the west side. Randall was driving a truck south and told the officers he did not see Crawford in time to avoid the accident.

Crawford has been working at the Oasis in Drayton Plains for the past several months. His funeral was ne at 2:00 last Saturday afternoon, with Rev. H. H. Savage officiating. Burial was in Drayton Plains Cemetery.

He is survived by three children, Mrs. Helen Randall of Pontiac, Mrs. Evelyn Arnett of Berkley and George Crawford of Birmingham, Mich. Two brothers and one sister also survive. They are Frances Eugene Crawford of Pontiac, Bert Crawford of Detroit, and Mrs. Alfred Newberry of Romeo.

LOWER RATES ON LAND BANK LOANS

Michigan farmers who owe a portion of the \$72,502,000 in Michigan mortgages held by the Federal Land Bank will benefit by the reduction of interest rates granted for the period between July 1, 1936 and June 30, 1939, according to Governor W. I. Myers, farm credit administration.

Installments on loans obtained through local loan associations which are payable in the one-year period beginning July 1, 1936, shall be at the rate of 31/2 per cent, and installments due in the next two-year period, July 1, 1937-June 30, 1939, shall be at the rate of 4 per cent.

Installments on loans obtained directly from the land bank due during the first period shall be at the rate of 4 per cent, and those due during the two-year period shall be at the rate of 41/2 per cent.

This means a temporary reduction of interest on all Michigan Federal Land Bank mortgages written at an interest rate higher than those set temporarily by this new regulation. The reduced interest charge will also apply on the installments of new loans made and becoming due within the three years for which interest rates are lowered.

Another change in loan regulations is the permission given to borrowers from the loan commissioner to use such loans for the purchase of land. This has been impossible before. Land bank commissioner loans can be made upon the security of a first or a second mortgage and may be for CLARKSTON BAPTIST CHURCH as much as 75 per cent of the fair appraised value of the land. This will make possible the purchase of land by tenants or young men who formerly could not finance land buying.

"ROSE MARIE" NEXT | Picnic Gloses Season For Literary Club

Held at the Home of Mrs. Roy Blakesley of Waterford

Every June the Literary Clubs finish their season with a picnic and

Tuesday was the great day for the in Waterford in time to prepare and Two long tables laden with food, were set in the beautiful grounds at the rear of the Blakesley home. Twenty-two members and five guests partook of this wonderful meal and

man, Mrs. H. A. Huey, and her committee entertained the group for the remainder of the afternoon. Even as late as Thursday some of the members were complaining of having aching sides, the result of so much laughing. Each member of the program committee supervised a stunt and the winner received a prize. The stunts will long be remembered because the participants enjoyed them so much, they forgot their troubles and worries and made the afternoon

a jolly one. Before they adjourned, the programs for the coming season were distributed. About 4:30 they all left for home, satisfied that the season had closed with one of the best picnics they had ever had.

Cutworms Are Now No. 1 Public Enemy

Cutworms have become Hawley rather than disclose Jim's enemy number one in the fields and Fisher Body company in Pontiac and hiding place, and sings her "Indian gardens of Michigan, and, like other mind to signal him by singing that aged their appetites for crime, according to the entomology depart-

Reports of destruction roll into the entomology department on the telephone, by telegraph, and by mail. but Rose Marie, who now believes Six acres of everbearing strawberries disappeared near West Highrel over Wanda, will have nothing to land, and an inspection of the field inage to produce a confession from cies of plant. They have been reported as destroying carrots, corn, toma toes, all sorts of garden plants, and some flowering plants.

When cutworms are present in the numbers now reported, the only practical method of controlling them is to use poison bait. The bait should be placed in the infested areas just before dark. It is scattered on the ground in flakes to avoid leaving lumps which might injure birds or

domestic fowls. The poison bait is prepared by mixing one bushel of bran, one-half gallon of cheap molasses, and one pound of white arsenic or one pound of paris green. Enough water is added to permit thorough mixing and to allow the poison to go into solution so that each particle of bran has a coating of the killing agent. Too much water wastes poison, as any water that drips out carries poison in solution. Two ounces of banana oil are added to the mixture.

The quantities of materials mentioned will make bait enough to treat two acres. Bait should not be wasted by applying it in areas where plants are not being damaged. Bait applied early in the day will dry out and is effective in attracting cutworms. Gardeners who have only small

plots of ground to protect can cooperate with neighbors in buying and mixing the bait. Local dealers in supplies often will mix the bait and sell it in quantities needed. Ten pounds of bait will treat one acre. Arsenate of lead or calcium arsen-

ate can not be used successfully in preparing poison bait. Sodium arthey are broken more easily. Care senite can be used but it usually is must be exercised to bend back the not so readily available at local

Fall plowing of land to be used for gardens or crops helps materially in controlling cutworms and other insect pests. with DUTCH OVEN SUSAN is as EASY as

You can put a complete meal for a family of six-two vegetables, a roast, potatoes and gravy-in this cooker, and go out for the afternoon. When you come home your dinner is waiting, perfeetly cooked—piping hot and ready for the table. No watching or attention is necessary: DUTCH OVEN SUSAN cooks the whole meal, giving you added hours of freedom to do the things you like.

Dutch Oven Susan is easy to use. You simply plug it into any convenience outlet, and it will do every cooking operation possible on a small stove. It will roast all cuts of meat to perfection; it will fry eggs, steaks, chops, etc.; it will bake cakes, pics, cookies, biscuits, and mussins; and it will hold half-a-dozen pint jars when canning by the cold pack, hot water bath method. Yet Dutch Oven Susan is compact . . . it medium size model will roast a 10-pound ham, a 6-pound chicken, or a large leg of lamb. The large size will easily accommodate a 151/2-pound turkey. And there is "Small Sister" Susan, an electric casserole. It has a twoquart capacity and will prepare all casserole dishes such as waterless pot roast, Boston baked beans, fried chicken, baked potatoes, etc. to melting perfection. See this modern appliance on display at all Detroit Edison offices, Department Stores, and Electrical Dealers.

CROP PROSPECTS GOOD IN MICHIGAN

Encouraging Conditions Reported by State Statistician

Michigan crop prospects are very bright as far as they can be deter mined now, according to Verne H.

Church, agricultural statistician. The outlook for wheat in the State Board of Commerce, Dr. Harold is for a crop 50 per cent larger than Reame, one of the staff doctors, gave last year. This is much better than a very interesting talk describing conditions indicate for the crop in the

About 46,000 acres more rye will be harvested in Michigan this year the yield will be more than a million bushels higher.

following the drought in the south-

Close pasturing last year failed to permanently injure pastures, which now are in excellent condition. Killing out of new seedings of clover during last year's dry season has made it necessary to plant more than a normal acreage of emergency hay

and pasture crops. The value of alfalfa on Michigan farms was demonstrated by its abilwent a very critical operation on ity to withstand extremely adverse weather conditions. The acreage of

An unusually encouraging prospect faces fruit growers of the State as far as yields are concerned. This condition may be changed by later adverse conditions. Reports from southern states indicate a larger peach crop there than last year, California will have a smaller crop, and the conditions are unfavorable in the eastern states from Virginia north-

VESPERS INNOVATION AT CRANBROOK CHURCH

The next three Sunday afternoons it vespers Christ Church, Cranbrook, will try out something unique, as far as that parish is concerned, in the form of what they are calling a "carillon meditation". At a point during the service while the congregation is allowed to meditate in silence the bellmaster, William Hall Miner, will play three numbers on the bells. The bells are most effectively heard by people seated in the church. Immediately following the service there will be the regular carillon recital which can be heard outside of the church. Included in these last three vesper services-until September-will be brief addresses by the Rev. W. Hamilton Aulenbach.

Appointment of a Farm Debt Advisory Committee for Oakland County was announced this week by Governor Frank D. Fitzgerald. The county committee will cooperate with the Michigan Agricultural Advisory Credit Committee in an effort to solve rural debt problems.

Burton P. Daugherty, Attorney, of Pontiac, has been designated by the Governor to act as secretary of the committee. Other members are Frank M. Haddon, of Holly, and Harold Albertson, of Oxford.

The Governor has asked the committee to meet at once in order that the program of Farm Debt adjustment can get under way as soon as

The debt adjustment work is being conducted in cooperation with the rural rehabilitation program of the FERA. James F. Thomson, Commissioner of Agriculture, is chairman, C. H. Wright is executive secretary with offices in the State Department of Agriculture, Lansing.

"Mes, this new Ford V-8 is both longer and wider"

THAT'S the first question any one asks. "Isn't this New Ford bigger?" Facts are: It is 8 inches longer from bumper to bumper and seats are wider. Front seats are from 41/2 to 5 inches wider. There's more leg room for everybody. The gear lever is curved out of the way of passengers. And every car has a special luggage compartment.

More car for less money is the Ford policy. Come and see this sensational New Ford V-8. It rides like a breeze.
