Waterford

The Penny Supper held at the Waterford Church parlors on Saturday evening had a smaller attendance than the July supper but there was a good attendance and proceeds of \$30.00 were taken in. A baked goods sale and bazaar was held in connection with the supper. The money will be added to the treasury fund of Ladies' Auxiliary. The committee in charge of the dining room was: Mrs. A. W. Emery, Mrs. Ainsworth Wyckoff, Mrs. Elmer Collins; kitchen: Mrs. Edward Ledger, Mrs. Carl Terry, Mrs. August Jacober, Mrs. Charles Calhoun and Mrs. Leonard Eakle. The bazaar and baked goods booth was in charge of Mrs. H. B. Mehlerberg.
 The regular Auxiliary meeting will be the first Thursday of September. Those who will be the hostesses for the day are Mrs. Charles Roehm, Mrs. Carl Terry and Mrs. Arthur Walter. All the Auxiliary members are asked to be present. The full account of the bazaars and suppers will be read and plans will be made what the Auxiliary will next take up. They have felt that the sum-

mer's work and activities have been able to return with them, will remain a success. The three circles, the North Dixie headed by Mrs. James Saylor, the Williams Lake circle headed by Mrs. Howard Mortimore and the Andersonville Road Circle with Mrs. Harry Harrup as chairman, have all worked hard to have the summer activities a success. Over all the circles is the president of the Ladies' Auxiliary, Mrs. Charles Calhoun, who merits much credit for her splendid work.

Mr. and Mrs. Lyman Girst, and family and uncle, Azo Combs, who have been visiting in the state of New York last week, returned to their home here on Tuesday.

Mr. and Mrs. Emery Smith accompanied their daughter and husband, Mr. and Mrs. Clarence Bouquin of Pontiac, to the Milford County Fair on Friday and enjoyed the afternoon there.

George Whitfield of Williams Lake Road, who was operated on Friday at Highland Park Hospital, had a successful operation and all the friends of the family hope for his speedy recovery.

Mr. and Mrs. Howard Mortimore and family spent some of their vacation at Mio, Mich., near West Branch.

Mr. and Mrs. H. B. Mehlerberg spent the fore part of the week in Ohio.

The Good Will Club held their picnic at the Cass Lake State Park. A fine time was enjoyed although the crowd was small owing to so many were away and there was illness in the families of some of the members.

On Saturday Leonard Eakle, Howard Burt Jr. and Bob Mehlerberg spent the day in Pontiac visiting Leonard and Norman Craven.

There was a family picnic held on Sunday at the King Grove which the members of the Huntoon family attended.

Mrs. George Rosenquist and Mrs. Henri Buck and son Charles Harris who have been in California for the past three weeks returned to their homes here early Wednesday morning. Mr. Rosenquist, who was un-

**Rails Present
 Blue Picture**

"After the rails are abandoned—Some eighteen months ago the Omaha Railroad abandoned its branch line from Sioux City, Ia., to Wynot, Neb., a distance of about forty-five or fifty miles. The line had been operated at a substantial loss for some time prior to its abandonment and because of its proximity to Sioux City most of the business which it would have normally carried was diverted to trucks. When the petition for abandonment was presented by the railroad to the Interstate Commerce Commission, that body granted a stay of one year to determine whether or not the people living in territory tributary to the line wanted railroad service or not. After the year of grace had expired the I. C. C. granted the petition of the railroad and the tracks were torn up.

The truckers assured the townspeople and the farmers that they would be entirely able to fill their transportation needs. They pointed out that the bulk of the transportation services were already in their hands and that they could handle what little remained.

Now let us see what has happened in this Sioux City-Wynot territory. First of all the grain rate by rail to Sioux City and the east was three cents per hundred from the farthest point on the line. Now the rate is ten cents a bushel to Sioux City. Coal was laid down in the furthest town for twenty cents a ton, while at present truckers are offering to

deliver coal to close-in points at two dollars a ton. Farm values have depreciated from 50 per cent to 70 per cent. Some farmers are miles from a railroad. Homes in the towns erected at a cost of \$4,000 are begging for buyers at levels as low as \$500 and there are no buyers. Last year the Omaha road paid \$28,000 each year in taxes and this sum has been shifted over to the remaining taxpayers.

"This is not a nice picture, yet if the rural merchants and the rural community do not awaken it is a scene that is going to be enacted in scores of towns that are today thriving points."—Durand Express.

The Public Looks at its Telephone

(Excerpts from unsolicited letters from Michigan Bell Telephone subscribers)

"... did not know his address nor any particular leads we might use in running this fellow down, but we eventually did through the very courteous service of the long-distance operator. ... I finally reached my party ... was much impressed by the way in which the operator was anxious to help. ..."

"... this was anything but a simple case, and my reason for offering commendation to your operator is that she handled the whole thing with quick understanding, and quickly converted me from a rather abused sort of person to one who appreciates good service well enough to tell about it."

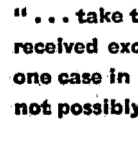

"Last night about 1 A.M. ... a serious situation had arisen. ... A truck had killed some one. A telephone call had been placed by the driver. ... In his excitement the only information given was that the accident had occurred some six miles out of Fostoria, Ohio. ... It was imperative that officials know who the driver was. Exactly where was the accident? Were there any others injured? If so, to what hospital were they taken? Would aid need to be sent? ... All these details must be cleared immediately. ... A call was placed ... the operator located the driver at a barbecue stand six miles south of Fostoria. The connection was completed ... example of splendid personalization and helpfulness in times of emergency."

"... owing to a most unfortunate accident, it became very important and urgent that we have medical assistance and we appealed to our telephone operator. ... Thanks to the efficiency of the operator and supervisor, within ten minutes the doctor had the patient out of danger. The patient joins me in expressing our sincere thanks."

"... I feel as chief of our fire department that a word of commendation to the operators for their co-operation is worthy of mention by us. When we are on the receiving end of an emergency telephone call, our experience has shown that the caller is nearly always in a highly excited state of mind and unable to talk distinctly enough to give us the proper location, and in these cases the operators have rendered very commendable assistance. ... I write this merely to pass on to you the thanks that we receive from many citizens ... without the valuable assistance and attention to duty of the telephone girls this very important service would be subject to delay."

"... take this opportunity to extend our appreciation. ... We have always received excellent and courteous service from all your operators, but this one case in particular warrants merit. This girl ... about 12:30 A.M., could not possibly have done more if it had been her own house that was on fire."

"This morning about 8 o'clock I was faced with the necessity of reaching, on Long Distance, the general manager of a New York company. ... They had recently changed managers ... and we did not have his address. The call was very important, and also on Sunday. Your operator finally located my man in one of the suburban towns of New Jersey, and I could well understand the satisfied tone of the operator when she said, 'I think I have the right man for you.'"

These comments describe the kind of service we wish always to give. In order that we may constantly serve you better, we request a prompt report on any feature of the service unsatisfactory to you.

 ABOUT THAT
 FORD V-8
 TRUCK OF
 YOURS AGAIN!”

“SURE
 I’M BRAGGIN’
 ABOUT IT...
 I DON’T SEE
 HOW I EVER
 GOT ALONG
 WITHOUT IT!”

"How's it happen you think so much of that truck? What's it got that's different?"
 "Well, for one thing, it has an 80-horsepower V-8 engine. That's different ... and not only different but BETTER! What's more, it has torque-tube drive, a strong, husky frame, a big, new heavy-duty clutch and new brakes that stop quicker and wear longer. But the things that I like about it are the RESULTS of all these features. I'm here to tell you V-8 Performance and V-8 Economy are just what the farmer needs today."

"There's a lot in what you say. Ford ought to know the kind of truck the farmer needs. He's a farmer himself and he's always built a good truck for the farm."

"Yes ... and he has built MORE trucks than any other manufacturer in the world. Don't forget that! If you're as smart as I think you are, you'll go see the Ford dealer and ask him for an 'On-the-Job' Test of the new Ford V-8 Truck with your own loads, over your own roads. He will let you TRY it before you BUY it!"

HOME COMING WAS DAVISBURG EVENT

Next Year Will Be Centennial of Its Founding

The Davisburg Homecoming was held on last Thursday, Aug. 15th, at Davisburg Church. Although the attendance was not as large as last year, yet everyone present enjoyed the gathering and cooperative spirit manifested that day. May Wilson Cooke was elected general chairman for another year and Ward Rohm elected secretary. Next year's gathering is to be in cooperation with the Davisburg Centennial which celebrates the 100th anniversary of the founding of the village by Cornelius Davis and Isaac J. Losee.

"GAY DIVORCEE" TO CLOSE SEASON

Last Production of Opera Under the Stars in Detroit

Opera Under the Stars brings to the mammoth outdoor stage at Navin Field as the last production of its first summer season, the most outstanding musical comedy in years, "The Gay Divorcee". It will start its week's engagement Monday night, August 26.

This rollicking romance held sway on Broadway for almost a year and then was produced in London where it enjoyed a six months engagement. Following this it was made into a motion picture and in this form "The Gay Divorcee" became one of the outstanding screen hits of the year.

For a fast moving story, hilarious comedy and catchy music this musical show is hard to beat. Among the many songs is the sensational hit "The Continental"; there is also the dance of the same name which is one of the flashy high-points of the whole show. Elaborate dance numbers, gorgeous girls and colorful costumes make this show bubble over with life and action.

The whole of this delightful comedy is woven around a situation that is harrowing to the people involved and hilarious to onlookers. Guy Holden glimpses Mimi and falls head over heels in love! He pursues her madly hither and yon, singing and dancing into her heart. She cannot

return his love, however, because she is under obligations to another man. To free herself from these obligations she hires, through a friend, a professional flirt, intending to stage an affair which will make her former sweetheart jealous. Her plan backfires ludicrously when Guy, about whose private life she knows nothing, comes upon the scene in circumstances that cause Mimi to believe that he is the professional flirt. From this point on eventuate the dizziest sort of romantic complications.

A brilliant all-star cast appears in this musical comedy. Jack Good, who plays the role of the love-struck dancing suitor, Guy Holden, is one of the cleverest and most colorful dancers on the stage today. The laughing, singing and dancing Mimi is played by Sandra Ward, who will take her place in the limelight as one of the leading stars of the entire season. Miss Ward and Mr. Good as a dance team promise to be sensational. The comedy roles of Aunt Hortense and Tonetti, a gigolo, are played by Hope Emerson and Harry K. Morton, who have been the comedy stars of the opera and who are acknowledged to be about the best in their line in the country. Leonard Ceeley will appear as Guy's comic friend, Egbert. Many other well known favorites will be seen in the cast as well as one of the largest

and most beautiful dancing choruses ever seen on the legitimate stage. This gay and colorful musical comedy, which will have its last performance on Sunday night, September 1st, will bring to a close in a blaze of glory, Detroit's first summer season of outdoor musical shows, which has been most unusual and successful. All seats are reserved and performances start at 8:30 nightly.

September First is the last day to pay your taxes for 1932 and prior years without interest or penalty!

AND now, after years of postponement and delay, the time has come for you to pay your taxes.

You can't put off this duty any longer. Your peace of mind and domestic security demand it.

Fortunate, indeed, are the tax-payers of Michigan. A thoughtful legislature has acted boldly to lighten their burden. Never before has the tax-payer met with such prime consideration.

You, who still owe taxes for 1932 and previous years can now pay in the original amount. Although years have passed you need pay no interest or penalties, here alone saving yourself from 27% to 45%, and even more.

But your law-makers have not stopped at merely cutting interest and penalties. Well they know that debts piled up with

the years can not be met over night, even if the totals are reduced. So They Created The "10-Year Plan"!

Now you can pay your back taxes for 1932 and prior years so as to take advantage of big and worthwhile savings. If you cannot pay in full at this time you can pay as little as one-tenth and pay the balance over a period of years, with only a small carrying charge.

September first is the last day to pay back taxes for 1932 and prior years without interest or penalties. Do not delay! Act Now! Your County Treasurer will quickly tell you the exact amount of your tax. He will accept your payments and restore you to good standing as a faithful tax-payer of a great State.
