## COMMENT AND CRITICISM

Do not turn backward. Oh time in your flight, Working conditions Today are just right. Those who like toiling May toil, but you see Checks from the welfare Satisfy me.

He rang my bell insistently until I opened the door. Clearly he had a job to perform and could not waste time.

"How about it, Buddy," he said. "The butcher gave me a piece of meat and if I can get some vegetables or canned goods, I'll make a stew for the kids. I'm an ex-service man. Were you in the outfit? No work! Have to keep the kids going." "No!" I replied, and shut the door. He was the seventh panhandler that morning.

Then inquisitiveness got the better of me. I sat on my porch and watched that enterprising young man call at the home of one neighbor after another. A couple of pennies here, a dime there, a can of tomatoes somewhere else—business was good.

And then, being mathematically inclined, I figured the number of calls that young man could make in a day. I figured what would happen if he devoted the same untiring energy calling upon prospective employers—why, he would have to get a job before long.

But I figured also the average amount he would collect in day of such active panhandling. Say, that man had a job. He was in business for himself. He was making real money.

And just so long as there are suckers in the world, this shark and thousands like him will conduct profitable businesses of their own.

## Sheik and Sheba Party Held Wednesday Eve.

The Royal Neighbors had a real time at their hall on Wednesday evening when the sheiks and shebas met to enjoy a Hallowe'en Party.

The hall was very attractive with the Hallowe'en decorations and made a very fine setting for the amusing costumes that were worn by the women. There were about 70 in attendance and with Mrs. Clarence Smith at the piano they had a grand march to decide who should get the various prizes. Mrs. Mary Green, Mrs. Forrest Jones and Mrs. Elmer Barnes were the judges. The best looking couple was Mrs. Walter Ash and Mrs. Carl Irish; the worst looking couple, Mrs. Ivan Rouse and Mrs. W. E. Scribner; the funniest couple, Mrs. Allen Secord and Mrs. Clarence Smith. Some of the costumes were so comical that many went home from the party with a few aches from laughing.

Many Hallowe'en games were indulged in and the champion bug player was Mrs. Walter Ash.

A short program was enjoyed. Brief recitations were given by Mrs. William Jones, Mrs. Walter Ash, Mrs. Albert Lawson and Mrs. Forrest Jones. A very amusing dialogue was presented by Mrs. Walter Ash and Mrs. Clarence Johnson.

At the close of an exceptionally fine evening of fun the sheiks and shebas partook of doughnuts, cider and coffee.

### Clarkston School News

#### Athletic News

The local lads played at Farmington last Friday for the toughest game of the season. The first half of the game was more defensive than offensive for Clarkston, Farmington making some nice gains through the line and putting C. H. S. in some tight places. In the last half the excitement started when Clarkston was backed up against her own goal and Farmington walked through the line recovering the ball over the goal. Farmington failed in their try for point. Clarkston's break came when a pass from Parker sent Soulbey trotting down the field for a 75 yard run and a tied score. Clarkston's try for a point also failed. And thus ended one of Clarkston's toughest games—We hope!

#### Senior News

The Seniors have selected "The Mummy Bride" as their play to be given November 22nd at 8:00 p. m. in the High School Auditorium.

Don't get excited on Friday when you see the Seniors all "dolled up", they are just having their pictures taken.

Another candy sale will be staged Monday noon at the usual place. The purpose is to secure some much needed money.

Boston seems to be a place of interest to a couple of Senior boys. What's the attraction? Herb.

#### "Junior Chatter"

J. D. is seen running around with a certain Freshman. What, another romance started?

S. D. now holds the title, "Sweet sixteen and never been kissed". We hope!!!

(Continued in supplement)

...but, after all is said and done, it's the cigarette itself that counts

... the question is, does it suit you?

Now, when it comes to a cigarette that will suit you... you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident...

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

Outstanding .. for mildness .. for better taste

Waterford

Carl Terry of Van Sycle Sub, who has been in the Pontiac General Hospital for the past week, was able to be brought back to his home on Monday afternoon. He is improving but it will be a little time yet before he can be about. The first meeting of the Parent-Teachers' association was held at the Waterford School on Thursday evening at 8 o'clock. One feature of the program was a discussion led by Mrs. Kenneth McVittie, English teacher of the school, on "The Library and what it means to the school." Refreshments were served. The complete program and action taken at the meeting will be announced in the next issue of the News. The Good-Will Club was very delightfully entertained at the home of Mrs. E. D. Spooner on Friday. The two course luncheon was served by the hostess at one o'clock at a long table with Halloween decorations. There were 9 members and one guest, Mrs. John Watchpocket, enjoyed the day. The program and business meeting which followed

were very informal. The president, Mrs. H. B. Mehberg, was in charge. Plans were started for the Holidays Spirit of Good cheer that the club each year tries to emphasize. The roll call was on current events. The club started work on a quilt and the November meeting will be an all day affair starting at 10 o'clock, at the home of Mrs. Percy Hunt of Pontiac. There, the club will continue with the sewing. There will not be any program for this meeting.

The Halloween party is to be given by the Ladies' Auxiliary on Halloween night at the church parlors. There will be a fine time planned for everyone. This is to be a "dressed up" party and anyone not complying will be subject to a fine. There are games for everyone. The popular grab bag will be supervised by Mrs. Ida Beattie and Mrs. H. B. Mehberg. The North Dixie and South Dixie and Williams Lake groups will provide the refreshments and the Andersonville Road group will furnish articles for the grab bag or fish pond. A good time is being planned so everyone make their plans to attend and enjoy the fun. One person from each circle will supervise the games.

The Home Extension Club of Waterford was entertained for the first meeting at the home of Mrs. George Rosenquist on Thursday. This was an all day meeting starting at 10 o'clock. The new president, Mrs. P. L. McLaughlin, presided over the meeting. The leaders for the year are Mrs. Arthur Walter and Mrs. Edward Ledger who brought a very interesting and pleasing lesson "on the art of salad making". The members took a dinner pail lunch and

the hostess served coffee. This was the first meeting for the year. The new secretary, Mrs. Earl Schwalm, took her part in the meeting. This club is both instructive and entertaining and a goodly number of Waterford and vicinity people are members.

This coming week many Halloween parties are planned, some are at the school on different nights, some at the homes, and then on Halloween will be the party for all at the church parlors where everyone will appear in costume.

The North Dixie group of the Waterford Ladies' Auxiliary will give away a quilt at the Jewell Grocery store, on Maple street next Tuesday evening at 8 o'clock. Some person is going to be lucky.

The Boy Scouts with their leaders, Russell Galbraith and Charles Harris, are going to Camp Pontiac this week on Saturday to remain over for Sunday. Some will be initiated at the camp. A fine time is being planned for the Scouts.

years the Howlands have made this change of address.

Laurence Harrup, who is attending school at Michigan State College at East Lansing, was home for the week end. His parents, Mr. and Mrs. Harry Harrup, took him back to school on Sunday.

The Speedball game played on Friday at Waterford between Waterford and Drayton Plains resulted in a victory for Waterford, the score 8-5.

Waterford Boy Scouts had the Court of Honor at Waterford on Monday evening and were joined by Holly and Drayton Plains troops. Head Scout Leader Herbert Watson was in charge.

The twenty-one-month-old Dwight Cleveland, son of Mr. and Mrs. Paul Cleveland of Waterford, met with a serious accident on Saturday. As his father was moving the car in the yard he ran in front of it and one wheel ran over his head. His mother took him to Pontiac General Hospital right away and it was thought there was a fracture. The doctor expressed the thought that with good care and quietness the little fellow would get along well. The last report was he was getting along as well as could be expected.

Drayton Plains

Under the Smith-Hughes state and federal aid plan, adult education classes will be offered this fall and winter, and the classes will be held in the School Auditorium same as last year, according to Superintendent C. A. Gordon.

The first course was held on Thursday at 8:15 p. m. with an organization meeting. The first course was clothing. Any woman who wishes to take this course may do so. The course will last eight weeks and will be taught by Mrs. George D. Eaton, same as last year. Under the plan the state pays seventy per cent of the cost to the school district and the other thirty per cent is paid by those enrolled in the classes by means of a small fee for each course. There will also be other courses offered such as home nursing and

nutrition. These will not be started until later in the year. It will take eight weeks to complete each course. The cost to each class member will be fifty cents per eight-week course for instruction. An additional fifty cents per eight-week period for housing will be necessary, making a total cost per course to class members of one dollar.

The men's club of Drayton Plains held its regular meeting last Monday night in the auditorium of the school with a good attendance. After the regular business meeting, moving pictures were shown. The remainder of the evening was engaged in playing cards. The next meeting will be held on November 4th.

The Home Demonstration club will meet next Wednesday, October 30th, in the church basement. A pot luck dinner will be served at noon with both lessons on foods and clothing following in the afternoon.

The Ladies' Aid will sponsor a Harvest Home Supper at the church tonight starting at 6:30. A good menu has been planned and a good crowd will be appreciated. Remember tonight, October 25th.

The meeting of the Townsend Club was held in the School Auditorium last Tuesday evening with a good attendance. The secretary, Mrs. T. Herrer, was elected as a delegate to the national convention to be held in Chicago, the last week of October.

**THE NEW FORD V-8 FOR 1936**

Why do we say The New Ford V-8 for 1936?

What is *new* about it? Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—Steering is made easier by a new steering gear ratio. The cooling system circulates 5 1/2 gallons of water through a new, larger radiator. Natural thermosyphon action is assisted by two centrifugal water pumps. New style hood louvres permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

### Clarkston School News

(Continued from page one)

I. C. may be heard in Type class chanting a song to I. B. Oh Boy!!!

A new girl enrolled in our class, Margaret Koop from Drayton Plains. The Juniors held a class meeting and decided to have a party on Thursday evening at 7:00 o'clock. We are looking forward to a delightful time.

S. D. seems to be going back to her old stand-by—a college fellow whom we all know by "Soulby". How about, it S. D.?

Loaned by Les.

### Session Room Gossip!

Tests! yeah, the dear old "Lena Prys" are here again. Time certainly does fly when it comes to exams.

Sav—you should have been to Epworth League Sunday night! The membership was increased by about 10 or 12 new members. We know it's an inspiring and interesting League, all in itself, but what were the added attractions? Let Vi—and George, tell you about it.

Our Salesmanship contest is going strong! The Seniors, believe it or not, are the only ones who have had to have a second "Pep" meeting. They weren't getting the alleged number of subscriptions that they were supposed to get. What's the matter with you Seniors?

How did D. M. break her glasses? Gee, Pontiac must be a swell place! at least Pete thinks so. That's why you seldom see his handsome, beaming countenance on Friday, Saturday and Sunday nites.

Notice!! Big Event: Stanley "Pouter" Poniatowski opened a book and started to study (maybe he was looking at the pictures, but it's all the same to us) without any directions from Miss Le Forge.

Relief! Shock! Swoon!

### Girls' Glee Club

We are thirty in number, and are we ever going places?? Just ask Mrs. Hutton, she's so proud of us that we're afraid all her new fall hats are going to be too small for her!

You should hear us do our two new numbers the "Desert Lullaby" and the "Shepherd Boy".

We are in hopes of being invited to perform somewhere, some time—so look out for us!

What harmony, syncopation, rhythm, and rhyme!

Waltena Winchell.

### News

Is B. M. forgetting his girl friend so soon? He hasn't written to her for three weeks, and we thought absence made the heart grow fonder!

Who was the lucky boy M. Y. had the date with last week?

Who's B. T.'s newest flame?—Another Junior-Senior romance.

We heard M. Y. had a crush on a short, dark person about school. Oh Marion!!!

Everyone is wondering what the other people are going to wear to Margaret Sh's masquerade on Friday nite. We bet there'll be some queer costumes there, from the reports we've heard.

Winchell's girl Friday.

### Mrs. Dunston's Room

In the sixth grade spell-down held Friday afternoon on the "States" Marjorie Dickman was the winner.
