## COMMENT AND CRITICISM

We should be thankful there is so little sickness.

To-night! Let me feel Oh, yes! Sure, to-night is the night the Seniors of the Clarkston High School give, present, and put on their annual show. And as we read the cast of characters, we find many of the editorial force of the Column "Blue and White Flash." We know you have read and enjoyed their work in that feature and we are sure you will enjoy their show, just as much. Keep right on "hitting it." Seniors, We are all with you.

We should be thankful we have weathered the depression as well as we have.

One by one the mighty hunters are returning—empty-handed. Wonder if that is the proper word for not getting a deer. Most of them would make good reporters. They have such good alibis. But perhaps we can forgive some of them. It seems the lack of snow prohibited tracking the deer after they were shot and one hunter reports finding two "legal" deer, that had wandered from the spot they were shot and could not be found by the hunters. Dr. Miller's smile, however, is the result of either hitting Mr. Deer so he died on the spot or else because he possessed eyesight enough to follow and find his target.

We should be thankful we have escaped serious traffic injuries.

For the first time this week the sun is shining (written Wednesday—it may be raining when you read this). However (the garage and oil men will love this) do not hesitate too long before changing to winter oil and greasing.

We are thankful for the roads in Clarkston. They might be worse but not much.

For years scientists have argued what would happen if an irresistible force met an immovable body and the answer is if you are talking about one car hitting another—SUDDEN DEATH. By which the News performs its allotted duty of reminding you to drive safely. It has been estimated that more hunters will be killed or injured in traffic than on the hunting grounds.

It should not be so hard to find something to be thankful for, next Thursday.

## BONDING VOTE IS DUE NEXT MONDAY

### Will Settle Question of New Office Building for County

The special election to vote on the question of bonding the county for \$120,000 for the erection of a new office building will be held next Monday. Only taxpayers, and wives of taxpayers, will be allowed to vote. The question has been debated, pro and con, for the past few weeks, but it looks as if sufficient interest had not been aroused to insure a large vote. It is argued that the new building would save enough rent to pay off the bonds, principal and interest, but exception is taken to this statement by others who maintain that the present rentals could be more than cut in half by utilizing space that the county already owns. The fact that bond issues of all kinds have gone into disfavor within recent years will also militate, it is feared, against the success of the pending proposition.

## Start Preparing For Xmas Season

### P. T. A. to Gladden Some Child's Heart

The Finance committee of the P. T. A. is going to give away a beautiful, big doll with complete wardrobe, just before Christmas. This will be one way of raising money to help pay for the school dishes and silverware. Be ready to do your share when you are called upon. Watch for further details.

## William Buzzard Honored Last Sunday

Last Sunday was a happy day for Mr. Wm. Buzzard when his family and their families gathered at his home to have dinner and spend his 80th birthday with him. At one o'clock sixteen sat down to a delicious meal. In the afternoon everyone enjoyed visiting and little ones and grown ups had a good time. Mr. Buzzard received many lovely gifts and the best wishes of all for many more happy days.

#### Senior News

Big event!!! The annual Senior Play, Friday night. My, my, how time does fly. We hope to see everyone attending. If you miss this play you will have missed the best entertainment ever presented in the Clarkston High School,—by our class,—we hope!!

Who is the Mummy Bride????  
Don H. still likes his gum,—and how?

On November 27, the Senior class will journey to Pontiac, Birmingham, Detroit, or what have you, for a theater party.

Will Junior Waterbury ever quit monkeying around?  
Bart Mann was kind of playful on Tuesday. Ask him about it.

Lyle Rexford is seen quite often with a new pair of shoes. Maybe it is caused from walking to school every morning.

Hugo V. attended a wedding on Wednesday. Is he learning how it is done or what? It still looks bad.  
\* Again I beg you all to come to the Senior play at Clarkston High School on the date that this paper comes out.

All the proceeds derived from the play will go for a good cause. That is, if we make a profit.

The Senior class is donating \$10 for the dishes, out of the proceeds. So-o-o-o, you see we have to make at least \$10.

The Seniors are getting a great deal of help from one of the Jolly Juniors. He is a Drayton lad at that. Jerome Mitchel is sure putting in a lot of his spare time on the setting of "The Mummy Bride". He'll give the play that Jr. touch.

Such are the doings of the Seniors. We shall see Friday night how good they are in putting on a play.  
—Made by Moulter.

#### This and That

A certain Sophomore girl (better known as Vi) took a dare the other noon. She was dared to kiss a certain Senior boy—and she did it—oh, Vi, are we shocked!

The stairs are even becoming "Lover's Lane." three couples took turns sitting on them. We ought to put up a sign, "No Parking."

Oh Duane! you'd better look after your girl-friend. Stan P. has now taken a liking to her. We caught him walking down the hall with her and he was gazing up into her eyes. Tish! Tish! Such goings on.

We are starting our monthly tests. We had an American History test on Tuesday and everyone seems to think they will get "A's". Here's hoping we do get A's because I had to take that test, too.

The students of good old C. H. S. are helping to buy some dishes for the school. The Juniors are each putting in a quarter. We are to get it back when the Junior play rolls around, in the form of a ticket that we may sell or give away.

It takes us Juniors to help the Seniors along. (They admit it themselves.) Some of our Junior boys have helped out with the stage setting for the play. They just couldn't get along without us!!!

## Marriage Vows Spoken Wednesday

### Margaret Harris Weds Francis Lansing

On Wednesday afternoon the Clarkston Methodist church was the scene of a very pretty wedding when Margaret Jeanette Harris, daughter of Mr. and Mrs. George Harris, became the bride of Francis Lansing, son of Mrs. Bertha Lansing of Lapeer.

The ceremony was performed at four o'clock by Rev. C. E. Edwards before a beautiful setting of white chrysanthemums and palms and a large candelabra with seven white lighted tapers.

Just before the bridal party entered, Mrs. Charles Hutton in her usual sweet voice, sang, "Because". As Mrs. Arthur Wesley, a cousin of the groom from Lapeer, played the "Wedding March", the bride on the arm of her father and her attendants slowly marched down the aisle and took their places.

The bride was charming in a white lace gown, floor length and long sleeves, a long white tulle veil held in place with a band of orange blossoms and carrying a bouquet of white roses and bebe chrysanthemums.

The Maid of Honor, Miss Irene Crewe of Pontiac, was gowned in light blue moire with dark blue velvet trim. She wore silver sandals and a silver turban and carried pink roses and small white chrysanthemums. The bridesmaids, Misses Ellen Beardslee and Marion Vliet of Bay City, were dressed in light pink moire with beet-root velvet trim and they too wore silver sandals and turbans but in place of the flowers they carried chic little muffs that matched their gowns.

The sweet little flower girl was Ardith Smith of Lapeer and she wore a dainty dress of pale pink.

The ring bearer, Jerry Wesley of Lapeer, wore a dark blue velvet suit and carried a large cala-lily, in which reposed the wedding ring.

Mr. Lansing was assisted by the bride's brother, Donald Harris.

Emerson Vliet, Charles Plummer and Arthur Wesley of Lapeer and Neil Layman of Flint acted as ushers.

After the ceremony an informal reception took place in the church lobby and at 5:30 o'clock about ninety relatives and friends retired to the dining-room where refreshments were served. The bride's table was centered with the bride's cake on either side of which were two lighted tapers.

Mr. and Mrs. Lansing left on a motor trip into Canada. On their return they will reside in Lapeer where Mr. Lansing is in business.

Mrs. Lansing is well known here having graduated from the local high school and having taken an active part in 4-H club work.

Last Saturday Miss Margaret Harris was honored at a kitchen shower by Miss Irene Crewe of Pontiac and Miss Ellen Beardslee at the Beardslee home.

During the evening many games were played and many brain twisters or teasers afforded a great deal of amusement. The pretty prizes were presented to the honoree.

Miss Harris received many lovely and useful gifts from the kitchen and responded in her usual sweet manner.

Dainty refreshments were served at a table which was centered with a congratulations cake.

The guests included, besides the honoree, her mother, Mrs. George Harris, her aunt, Mrs. L. I. Coon, Mrs. Clark Miller, Mrs. Glenn O'Berry, and Misses Lolita Mann, Helen Tindall, Georgia Johnson, Elaine Marshall, Elizabeth Belitz, Virginia Clark and Gladys Gundry.

## Clarkston P. T. A. Elects Officers

### A. E. Butters Is Re-elected President

On Wednesday evening the P. T. A. had its regular meeting and annual election. The officers for the past year were re-elected and will carry on for another year—president, A. E. Butters; vice president, Howard Huttenlocher; corresponding secretary, Miss Virginia Le Forge; recording secretary, Mrs. Wm. H. Stamp; treasurer, Mrs. Ray Clark.

The annual reports were submitted and everyone was pleased to hear the splendid report of the finance committee given by the chairman, Mrs. A. B. Wompole. The finance committee has been stepping all year and their last big venture for the year was to invest in dishes and silverware. Everyone will be glad to help raise money to pay for this much needed equipment. Each dish will have the monogram CHS and by all reports the school and the community will be proud of them. The finance committee is kept busy planning how to raise funds and now they are giving away two lovely turkeys. Wouldn't you love to claim one of these turkeys? Well you might be the lucky person. The turkeys will be exhibited down town and you want to get busy and make inquiries just how you might get one.

Mrs. Wompole also reported that one of the turkeys was being donated by Mr. and Mrs. Rance Vliet. They are happy to help pay for the dishes and silverware. The P. T. A. is very grateful for the donation.

At the close of the business meeting the speaker of the evening, Lloyd Kirby of Pontiac, was introduced. Mr. Kirby had spent 14 years in the Philippines as superintendent of schools and he gave a very interesting and instructive talk.

The meeting adjourned until December 18th.

## Andersonville

The Christian Endeavor Union of Oakland County will meet at the Community House, Monday evening, Nov. 25th, at 8:00 o'clock. Ernest Marks of Detroit will speak. A large crowd is expected. A lunch will be served after the meeting.

Last Saturday evening about 42 officers and members of the Holly and Andersonville C. E. societies enjoyed the pot luck dinner and program at the Andersonville Community House.

Last Wednesday evening the ladies of the Legion Auxiliary met at the home of Mrs. W. H. Stamp. There was a very good attendance and the meeting was conducted by the president, Mrs. George Rosenquist. Plans for brightening someone's Christmas were discussed and investigators were appointed. Mrs. J. Shaughnessy was appointed Child Welfare chairman. Mrs. L. Girst of Waterford was made a member. The next meeting is to be on Tuesday, Dec. 17th, at the home of Mrs. Henri Buck in Waterford.

After the business meeting a couple of interesting talks were given and discussions followed. The hostess served refreshments.

Rev. Drury Martin of Lansing called on friends in this vicinity on Monday.

## O. E. S. Officers Installed Monday

### Mrs. W. H. Anderson of Pontiac Is Installing Officer

A large crowd gathered at the Masonic Temple on Monday evening to witness the installing of the new officers.

The program from first to last was very interesting and one to be remembered. The first number was a memorial service for all departed members. This was a very beautiful and impressive ceremony conducted by Mrs. Roy Gundry with Rev. C. E. Edwards opening with prayer and Mrs. L. F. Walter singing the vocals. This was followed by a vocal solo by Guy Caswell with Miss Mullen at the piano, a musical trio by Donald Smith, pianist, Stanley Perrin, violinist, and Richard Shaughnessy, cornetist; a piano duet, Margaret Gundry and Betty Taylor; a piano solo, Ellen Seeterlin of Waterford.

After enjoying all these musical numbers the installation ceremony took place and absolute quietness prevailed while Mrs. W. H. Anderson of Pontiac, as installing officer, assisted by Mrs. Charles Jones of Goodrich as marshal, Mrs. Charles Tower of Pontiac as chaplain and Mrs. Ethel Voorhis of Pontiac as pianist, conducted the work very efficiently. The following were installed—worthy matron, Mrs. Cora Skarritt; patron James Bennett; associate matron, Mrs. Vera Craven; associate patron, George Gundry; secretary, Mrs. Myrtle Yost; treasurer, Mrs. Helen Walter; conductress Mrs. Elizabeth Pettv; and associate conductress, Mrs. Lila Hopkins.

At the conclusion of this ceremony, three sweet and dainty little girls, Shirley Richardson, Lois Baynes and Barbara Craven, made their appearance and presented each officer with a beautiful corsage. Then Mrs. William Russell presented Mrs. Evadna Richardson, retiring matron, with the jewel and Mrs. Richardson's little daughter presented her with a gorgeous basket of flowers, and Mrs. Ralph Cole with a few endearing remarks gave her the chapter ring.

Mrs. Richardson very cleverly responded by reciting 2 or 3 appropriate poems. As is customary the newly installed worthy matron, Mrs. Cora Skarritt, was called on for a few remarks.

The singing of "God Be With You Till We Meet Again" brought a wonderful evening to a close.

The Ladies' Missionary meeting was held with Mrs. William Felton near Waterford last Thursday afternoon. Twenty-five members were present. The program was in charge of Mrs. Lloyd Bowden and she opened the meeting with song "My Solemn Vow". The scripture was the 100th Psalm. The thank offering message was given by Mrs. Ransom Robb. The thank offering in India by Mrs. L. G. Rowley. The thank offering in Egypt by Mrs. Roy Dancy. "An Offering of Thanks", a short play, was given by Mrs. Clayton Purdy, Mrs. A. E. Barnhart, Mrs. Oliver Seibert, Mrs. Earl Grahl and Mrs. Floyd Wilson. "A Thanksgiving Day" by Mrs. Wesley Stevens. "Beautiful Garden of Prayer" was sung by Mrs. A. E. Barnhart, with Mrs. L. G. Rowley at the piano. Mrs. Bowden gave a talk on "Prayer Our Best Preparation". In planning our coming "Ingathering" of Thanks Offerings let us all be much in prayer. Without His blessing all our plans will be in vain. Pray earnestly in our families, in our societies, and in our prayer groups. Prayer plus good methods plus consecrated zeal will result in victory. Pray definitely, in faith: First, for the true spirit of thankfulness. Second, for the active expression of our gratitude in our Thanks Offerings. Third, that the 90,000 women of our church will each have a part in this Thanks Offering. Fourth, that this year's Thanks Offering be the best ever given. Fifth, for God's richest blessing upon every gift and giver. Do you realize what the gift of His Son means in your heart? What would your life be if you were one of the millions of women who have not heard of Jesus; women who are:

unwelcome at birth; untaught in childhood; unloved in widowhood; unprotected in old age; unlamented when dead. Let us show our gratitude by our gifts. The business meeting was turned over to the president, Mrs. C. J. Sutton. The Thanks Offering program will be held on Sunday evening, December 8th, with Mrs. Dora Whately, a returned Missionary from India, as guest speaker. After the meeting a silver tea offering was held. Ribbon sandwiches and several kinds of cookies with green and black tea were served.

Last Friday evening the Drayton Plains school auditorium was filled to capacity to enjoy the Major Bowes amateur program. More than 350 were in attendance. Jess Gunter acted as master of ceremonies for the amateur hour. Twenty-five entertainers from Drayton Plains, Waterford, Pontiac, Auburn Heights and Waterford Center took part and they were real entertainers. In addition to the amateurs a number of entertainers who have had more experience on public programs were Mrs. Basil Kimball and Miss Norma Arms, of Pontiac; Hugh Davies, of Detroit; and Mrs. L. G. Rowley, of Drayton Plains. At the close of the program six best performers were chosen, Norman Nolan, Eleanor Monroe, Clayton Purdy, Phyllis Allen, Betty Ann Bailey, of Drayton Plains, and Robert Waters, of Auburn Heights. Then three best were chosen from the six, Clayton Purdy, Betty Ann Bailey and Norman Nolan. These three will participate in an amateur hour at the Pontiac High School Auditorium on December 11th under the auspices of Brotherhood Lodge, F. & A. M.

A. T. Stewart, superintendent of the Drayton Plains Fish Hatchery, has announced that six new motor trucks for use on the hatchery ground have been ordered with the Oakland Area WPA office at Pontiac. The trucks will be used for heavy hauling about the grounds. At the present only two or three trucks will be needed but when the work opens in the spring more will be required. Workmen on this \$110,000 project are awaiting the arrival of steel to continue the work on the new hatchery building. The building will be built of steel, concrete and wood. The foundation for the new caretaker's cottage is all finished and only lack of steel prevents the finishing of these jobs. The cottage will be brick veneer.

The task of throwing in dykes to shift the course of the Clinton River from its present location to a new bed on the far side of the pond system is rapidly progressing. Construction of new ponds including ten for the fisheries research department at the University of Michigan, is progressing. There are 80 men who have been employed on the average, each day. There are, however, more than 100 on the payroll. This is the largest WPA job in the county.

The Bethany Circle met with Miss Frances Jones on Sherwood Dr. Thursday evening. Mrs. Mamie O'Boyle was the leader. Her family have moved from Waterford to Walton Blvd. near Drayton Plains. The Bible class of the Community United Presbyterian Sabbath School met in the church parlors last Thursday night for their regular business meeting and social good time. Mrs. Frank Jones returned Sunday evening from a two weeks visit with relatives in Cass City. Deer hunters from here include C. A. Gordon, Kirby Millour, Myron VanSyckle, Gara Tewilliger, George Blakeslee, Morris Young, Mr. and Mrs. Jack Visgatis and Mike Wall.

The Townsend Old Age Revolving Pension club meeting was held in the school auditorium last Tuesday evening. After the regular business meeting was held, the secretary, Mrs. T. Harrer, gave a very interesting talk on the convention held in Chicago. At the conclusion of her talk Mrs. Harrer's three children entertained the group with tap dancing. There was a special entertainment in the form of a box social. A good time was had by all. The club is pleased as to the way the people are responding and up to the night of this meeting Drayton Plains had a membership of 245 members. Seldom does a day go past but we hear of the Ingathering of the Needle Work Guild of Drayton Plains. The work of the Needlework Guild is far reaching and ever conscious of the need of those less fortunate, and the members annually donate new garments and household linens. This new organization was only recently organized in Drayton Plains, and last Tuesday held their first ingathering. Three hundred fifty garments were received and on display in the school auditorium. Mrs. Robert A. Ribe is president, Mrs. Charles Nolan treasurer, and Mrs. A. E. Barnhart secretary. C. A. Gordon, superintendent of the school, is welfare director. All garments will be distributed in Drayton Plains through the Men's Club. Mrs. Harry Y. Fitzgerald was a guest for the afternoon. Tea and wafers were served.

The movies this week were very interesting. "Byrd in the Arctic" and "Silas Marner" were the features of this week. Other pictures were "Water Power" and "Toads, Frogs and Salamanders". The high school play, "At the End of the Rainbow", will be presented next Tuesday in the School Auditorium by the Sophomore class. Plans for an "Old Fashioned Fair", sponsored by the P. T. A., are well under way. There will be no school the Friday after Thanksgiving.

V-8 LEADERSHIP

ON OCTOBER 31 of last year, Henry Ford announced his intention to build a million Ford V-8s in 1935. We are pleased to report that this goal was reached in exactly ten months instead of a full year. One million cars and trucks is an impressive total. But figures by themselves mean nothing. It is what they represent that counts. Selling a V-8 at a low price has brought a new kind of automobile within reach of the people. Producing it has provided steady work for hundreds of thousands of men in the Ford plants, in associated industries and on the farm. These million Ford V-8 cars and trucks have helped to make things better all around. In the first ten months of 1935 the Ford Motor Company paid out in the United States alone, \$140,119,326.00 in wages and \$523,111,389.00 for materials.

Our reading list has been extended so as to include many of the new books that are recent additions to our school library. We now have such reputed books and authors as Cimmarron, by Edna Ferber; So Big, by the same author; Glorious Adventure, by Halliburton; Sea Devil, by Lowell Thomas; Becky Sharp, by Thackeray; The Bont Twig, by Canfield; and many others as interesting as those mentioned. New reading material that we C. H. S. students are just "eating up."

Sophomore History met their Waterloo in a stiff battle with Napoleon Tuesday morning. Say, did we rout him—or did we? Outside work is making our history course more incomplete several cartoons, maps, time lines and essays.

At last we are in a position where it is possible for us to purchase the dishes that we have needed for a long time. They will be checked out carefully when needed, the persons taking them out being directly responsible for them. Each class has had the privilege of selecting its own method of earning their share of the

money needed to purchase the dishes. The Sophs are selling candy bars in the halls each noon; the Freshies had a bake sale, Saturday afternoon; the Junior High Students are having Fish Ponds; homemade candy sales, pencil sales and 7th graders will check coats for 2c, the nite of the "Mummy Bride" to be presented, you know, this Friday nite.

Those are my rights.  
Just try to dispute them;  
You'll end up in a fight.  
Hush! and be quiet,

Get set for some thrills,  
You'll get them—that's certain.

In spite of the weather, the Sophomores had their weenie, roast in Cedar Glen Friday nite. Decorations were in mud-brown and rain-gray, with a back ground of Autumn leaves and — trees. Outstanding events of evening; Chet Adams making a belated, but triumphant, appearance in about the middle of the activities. Also a ducking of a Sophomore girl in the fresh water tank, which didn't take place—they lost their nerve! Vi made her debut, that same nite, amid the colorful setting, as a "big sister" to us. Giving ad-

vice to the love-jorn, freely. Oh, yes, quite freely.

Bondie Clark spent the week end with E. Jencks. It seems they rode horses quite a bit. Results: both are limping about, or were limping about quite painfully.
