## COMMENT AND CRITICISM

Duane Hursfall has lost a Persian kitten and wishing to recover his pet as soon as possible, naturally he placed his advertisement in the News at once. Well we think he showed very good judgment. The News believes in advertising and even advertises advertising space. Look this issue over and see if our ads brought results.

Times are better . . . people are buying ten cent greeting cards instead of five cent cards.

We are seven months ahead of the time when we must think of saving the Nation, again. However the rumble of drums in the offing warns us that the warriors are preparing for battle. And, what a battle it promises to be. Candidates who were defeated at the last elections have been busy patching up fences so their constituents will stay in place the next time . . . and the present office holders are getting polite way ahead of time. At the present time, we are filling . . . in the waste basket . . . at least a ream of paper each week on which is written hopes that forever keep blooming in the politicians' hearts . . . with no sign of diminishing—in fact the propaganda is increasing. Well if everyone else is going to run for some office, I will be different. I hereby serve notice that my mother's baby boy is not in the race for the office of President of these United States of America, in the next Presidential election.

## Ralph Cole Gets Surprise

Last Sunday was Ralph Cole's birthday and to help him celebrate this fact, five couples arrived at the Cole home on Saturday evening and gave him a pleasant surprise. A fine social evening was enjoyed and about midnight a co-operative supper was served.

## Death Takes Mrs. Julia Sherman

Burial was in Oak Hill Cemetery on Tuesday

Mrs. Julia Sherman, aged 86 years, passed away Sunday at the home of her daughter, Mrs. D. G. North, in Detroit.

Mrs. Sherman, born Oct. 21, 1849, near Clarkston, will be remembered by the older residents of this vicinity as Miss Julia Starring, daughter of Martha and Henry Starring, who were Michigan pioneers and descendants of New York Dutch colonists.

Mrs. Sherman attended school in Clarkston and Pontiac and for ten years taught school in Waterford. Mrs. Sherman was a member of the Methodist Episcopal church and was a devout Christian. Since Mr. Sherman's death in 1923 she made her home with her daughters in Pontiac, Port Huron and Detroit.

## Mrs. Skinner Is Hostess To Child Study Club

The regular meeting of the Child Study Club was held Nov. 21 at the home of Mrs. Joseph Skinner. 11 members were present. Business meeting.

Programs in folder form containing outline of year's program and other material were distributed to the members. Definite and complete plans for Christmas activities were made. These will be made public later.

Roll call was answered by giving a Thanksgiving poem. Mrs. Edward Fuller gave a paper on "For how much should we expect children to be thankful". A discussion followed.

Because of the death of his father, Dr. C. A. Neafe was unable to attend this meeting. He will speak on "Contagion and Immunization" at the meeting held on Dec. 5th at the home of Mrs. Irving Ronk.

Light refreshments were served. Mrs. Joseph Skinner presided at the tea table.

(Editor's note—This item was received too late for last week's paper.)

## Blue and White Flash Clarkston School News

Senior News  
Is it a fact that Mrs. Durand is going to entertain the Senior class with that new waffle-iron? Effects of the Senior play seem to be wearing off. Phyllis Boyns is seen parting her hair on the side again.

Now we wonder what Eileen carries in that pocketbook of hers. She seems to guard it like a cat would a mouse.

Bernadine was a good little girl this week, but Erma, Oh! I just couldn't print it.

The calling off of the theatre party by the boys didn't go over so big with the girls (they must have seen red).

Lyle and Don seem to be going strong for the girls, they must have got it out of reverse.

Basketball season is here. Bill, watch out for these women, they have a bad effect and we simply must beat Walled Lake.

Don H. almost received his walking papers in Civics class Tuesday and him a Senior.

Boy, does Tucker look funny without his mustache.

Don't forget the Basketball Game the 13th. It will probably be the hardest game of the season and the team needs support, so let's back them 100%. We'll see you at Walled Lake Friday the 13th and don't disappoint us. And don't be late, the best part of the game is the first toss up.

We don't mind Jr. Waterbury sleeping in Civics class but the noise is terrific. Better get a muffler, my friend.

According to the way Betty W.'s feet left the ground Tuesday morning she should have a pillow to sit on.

Molter  
This and That  
It seems that both Donald Halsey and Lyle Rexford know how to spell the name "Sommers"—of course it has nothing to do with Hazel, or has it?

Girls' and Boys' Basketball has started off with a "bang".

How fortunate that Josephine and Basil just seem to meet all the time.

Why is it that June D. doesn't wear her white sweater with her letter on it? Several people have said they like it and wonder where her School Spirit is because she doesn't wear it.

We are sorry to have to report the illness of Earl Beardslee. He is in the hospital because of an appendicitis operation. We all of the Junior session room wish him a speedy recovery.

## SUDDEN SUMMONS TAKES SEN. MOORE

Dies While Conducting Case in Court at Pontiac

Hon. Andrew L. Moore, of Pontiac, state senator from this district, died suddenly on Monday while conducting a case in circuit court. Senator

ANDREW L. MOORE

Moore was one of Oakland county's leading citizens, as a member of the bar, public official, property owner and tax authority. He was a native of Oakland county and resided here his entire life, a period of 65 years. In 1908 he was a member of the State constitutional convention with the late Judge Kleber P. Rockwell. In Pontiac he had been city attorney and member of the Board of Education. He was also prominent in the Methodist Episcopal church and was a trustee of Albion College. Funeral services were held on Wednesday with burial in Oak Hill cemetery.

## Discontinues His Clarkston Office

Due to the pressure of business in Pontiac, Dr. W. E. Lee has discontinued his Clarkston office.

## Business Firms Move Across the Street

Kennedy's Barber shop and the Beauty Parlor operated by Mrs. Chisholm are now almost settled in their new location. The barber shop with all the newly decorated walls, and ceiling is a big improvement over the old place. The Beauty Shop is more up-to-date, lighter, and equipped to take care of your needs. Mrs. Chisholm has everything arranged for your comfort and will have the facial booth in readiness very soon.

## HOLLY THEATRE

A picture that probably sets the record for the amount of musical sound track in a single evening's entertainment is the latest feat of Hollywood. In line with the growing popularity of music on the screen, Metro-Goldwyn-Mayer filmed "Here Comes the Band", in which ninety-seven per cent of all sound track contains harmony in special numbers, sequences, or underscoring.

Featuring Ted Lewis and his orchestra, the production follows the fortunes of an army band from the armistice to 1935. The picture comes Sunday to the Holly Theatre.

The story itself centers about a song, "Headin' Home", by Herbert Stothart and Ned Washington. This is a blend of all typical American music, and in a fictional plagiarism suit over it the authorship is proved by a demonstration in court, in which Indians, hillbillies, Negroes, cowboys and others sing, in choruses, component parts of the music originating in their folk songs. In this courtroom ensemble a chorus of forty Negroes for spirituals, twelve Indians, including one squaw, six authentic hillbillies and a double quartet of authentic cowboy singers feature.

A song which is expected to sweep the country is "Roll Along, Prairie Moon", by Ted Fiorito, Albert Von Tilzer and Harry Macpherson. A great finale with army band and 100 voices was written by Eddie Ward, who collaborated with Herbert Stothart on the special sequences. A production number, "You're My Thrill", is another hit by Lane and Adamson.

Vaudeville acts and music figure in a hilarious radio station sequence, in which an "amateur night" is presented.

## POSTER-SLOGAN CAMPAIGN STARTED IN MICHIGAN

A campaign intended to focus state-wide attention on better observance of the Conservation laws will be conducted during the winter months by the Federated Garden clubs of Michigan in cooperation with the Department of Conservation.

The campaign will be known as the "Half the Poacher" poster-slogan contest and will be open to high school students.

Contests in the respective communities will be sponsored by local garden clubs, which will arrange for the judging of winners and the awarding of local prizes.

Local prize poster-slogans are to be submitted to the state contest chairman by March 1, after which state judges will endeavor to select the three best slogans. The best slogans will be used by the Department of Conservation and will be posted conspicuously on the main highways of the state as a means of encouraging better conservation law observance.

## Many Attend Quarterly Conference

Rev. C. E. Edwards Is Proud of His Flock

On Wednesday evening many attended the First Quarterly Conference held at the First Methodist church in Pontiac. Those who were unable to attend the dinner at 6:30 were there for the program which followed.

Dr. R. M. Atkins was in charge and as usual had many interesting and instructive things to say. One number on the program that delighted the Clarkston representatives was the singing by the Walled Lake choir, directed by our own Charles Hutton and besides one of the members was our Mrs. Hutton. The choir sang three numbers and these were enjoyed by the whole assembly. Another very pleasing number was the talk given by Rev. Evans of Walled Lake. He gave a song sermon and of course the whole group joined in the singing of the songs. This gave everyone a chance to take part on the program.

When the reports from the districts were given by the ministers in charge and the representatives were asked to stand up, Rev. Edwards was pleased to see so many of his flock there. Those who attended were Rev. and Mrs. Edwards, Mr. and Mrs. George Harris, Mrs. Earl Walter, Mrs. Ed. Miller, Mrs. Margaret Rockwell, Mrs. C. G. Fiske, Mrs. Ada Mills, Mr. and Mrs. D. M. Winn and A. E. Butters. The Epworth League was represented by Phyllis Boyns, Betty Walter, Mildred Butters, Genevieve Beardslee, Durward Ash, Billy Parker, Duane Hursfall and Forest Irish.

## Good Time Had At Grocery Party

On Wednesday evening about thirty enjoyed the grocery party sponsored by the Royal Neighbors at the Legion-Hall. Bingo was played during the evening and many were lucky enough to take home some groceries.

A real social evening was spent and doughnuts and coffee were served.

## Clarkston Locals

Miss Ruth Walter of Farmington spent the week-end at her home here.

Mrs. James Urch has returned to her home in Detroit after visiting with friends and relatives here.

A large number of our Clarkston folk attended the Quarterly Conference of the Methodist Church held in Pontiac last-Wednesday evening.

Mrs. Cora Smith has returned from visiting her daughter, Mrs. Ruth Gundry. She is much improved in general health.

## NEW TITLE FORM TO BE ISSUED BY STATE

Within a relatively short time, the familiar long yellow sheet on which titles to the more than a million motor vehicles in the state are registered will disappear, to be replaced by a new form about half the size of the present one. The new form will be on paper watermarked with the seal of the state, with printed matter on a faint gray background carrying an intricate design which would instantly betray any attempt to alter original writing. The new form will be virtually white. Sample copies were sent this week by Orville E. Atwood, Secretary of State, to sheriffs and police officials to familiarize them with the new form.

Another important change in the form is reservation of space in which "sticker" and license numbers for successive years will be written. Heretofore, license numbers for successive years have been endorsed on any available space on the face of the title. The new form contains space for recording of "sticker" and license numbers for 1935 to 1940 inclusive.

The primary reason for changing the size of the title is so that copies for filing in the Department of State can be made easily by photostatic process from original titles; a device for saving time and positively eliminating possibility of error in copying detailed information to forms now used for filing.

The present yellow forms have been in use for five years; prior to then, titles were printed on green tinted bond.

## Kalico Carnival Held To-night

Fried Chicken Dinner at 6:00 O'clock

Do not forget the Kalico Carnival at the Clarkston M. E. Church to-night. See all the pretty aprons on living models. Buy from the Italian vendors who will mingle with the crowd, displaying and selling their wares. Save yourself from that tiresome bake job on Saturday by making your purchases at the Goody shop. Oh, there will be many different things for you to see and buy, because the women of the church have worked without ceasing to make this an unique affair. And then that good country-style, fried chicken dinner that will be served at 6:00 o'clock. Imagine helping yourself to as much chicken as you can eat from those heaping platters, and at such a small cost, it would pay to have the family eat at the church to-night.

There will be no auction at the close of the Carnival. All perishable goods will be returned to the donors and other goods will be kept by the Aid for future sales.

## CHRISTMAS SEAL SALE SHOWS FINE PROGRESS

The Michigan Tuberculosis Association announces that Joseph H. Alger was the first in this vicinity to buy the tuberculosis Christmas seals. Clarkston's first added a new member to the Association's Order of First Seal Buyers and a new name to the Christmas Seal honor roll.

Helping to continue the fight against the White Plague during 1936, the sale of tuberculosis Christmas seals will be continued throughout the nation until Christmas Day. In Michigan, 62,000,000 seals were distributed this year. Funds raised will support the activities of the Michigan Tuberculosis Association and affiliated units during the coming year.

Dr. Bruce H. Douglas, president of the Michigan Tuberculosis Association, commended the generous spirit which is bringing early returns from communities all over Michigan.

"It is fine to know that people throughout the state are supporting the cause so enthusiastically," said Dr. Douglas. "It would be difficult to estimate the good their contributions will accomplish. Their generosity means new hope for hundreds of tuberculous sick in Michigan."

## Clarkston Locals

These matters are all again reviewed once each month by the entire Board of Directors.

Thus policies are formed and good loans assured. The responsibility for making loans or refusing them is, you see, divided among SEVERAL men, so there is no need to thank the CASHIER when you are granted a loan — and no reason for cursing him if you don't get it.

It is not so strong that it blisters the most sensitive skin and has no offensive odor." Mr. Hughes, 130 Judson St., Pontiac.  
Vapein acts in two ways at once:  
1. Externally—through the skin very much like old-fashioned poultices and plasters.  
2. Internally—the ingredients are released as vapors by heating, thus carrying the medicine direct to the irritated air passages.  
Vapein is a local product.
