NUMBER 20

COMMENT AND CRITICISM

And now Clarkston is to have an amateur show. One complete with prizes, song and lots of amateur stunts. It will be held a week from Thursday night, the 30th. This is one of those shows where you are invited to not only be entertained but to entertain.

I played my first game of indoor hockey at the P. T. A. meeting Wednesday. It is said that Hockey is one of the fastest games there is but I believe that indoor hockey is still faster.

We have company down at our house. They do not come in the house but they hang around expecting us to set them up three good meals a day. They do not talk to us. They even run away when we try to call them but they seem to enjoy our hospitality. Anyway the 10 or twelve pheasants on our premises are attracting the attention of some of the sportsmen around.

O. E. S. Penny Supper Draws Large Crowd

Everyone who attended the Penny Supper at the Masonic Temple on Wednesday evening enjoyed a good home-cooked meal. There was a splendid crowd and plenty to eat and the sponsors wish to thank all who helped with the work and all who attended.

The Farmers' Club will meet with Mr. and Mrs. George Scott on Jan. 15th. Mrs. Malcolm Wilkey and Mrs. Victor Gray are in charge of the program.

Mr. and Mrs. Mallory Stickney of Cadillac and daughters, Janet and Honor, were dinner guests at the home of Mrs. Iva Miller last Friday evening. Mrs. Stickney, Janet and Honor will be leaving this week with Mrs. Stickney's parents, Mr. and Mrs. J. Malcolmson of Detroit, to spend the remainder of the winter at Lake Hamilton, Florida. Mr. Stickney will return to his duties as CCC director near Cadillac.

Athletic News

Clarkston High School basketball teams had little difficulty in taking three games from Brighton High School Friday, Jan. 10. The second team set the pace by defeating the Brighton seconds, 16 to 8. The varsity team did not play the same brand of ball it did in the Walled Lake and Milford games but ended up on the long end of a 20 to 9 score. Parker and Souby led in the scoring with five points each. The Girls came back fighting from the Milford defeat and displayed some of the fight that won the Walled Lake game for them, and trounced Brighton, 30 to 5.

The feud still remains between the varsity team and the girls, each having two victories and one defeat. There is no girls' game this week as Farmington does not have a Girls' team.

Senior News

Warning to all high school boys, especially Seniors: Beware of the girls. This is Leap Year.

Hugo and his new car are becoming very popular.

NOTICE!!! We would like some new yells for C. H. S. In fact, we need some new ones. We would also like a few cheer leaders; at least, one. If you have any good yells turn them in to any member of the staff of the Blue and White Flash.

Erma seems to have her troubles. First it's Rassic then it's her boy friend and then it's both of them.

It seems as though the Seniors had to invite the Juniors to join them in a tobogganing party Sat. night so they would have at least one party this year.

If you knew that: Bart is going to tap dance in the amateur program. Junior is going to play the sax. Tucker is going to play the mouth organ.

Hugo is going to imitate birds and animals, especially crows. Bill is going to play the violin. Phyllis is going to sing. And Don and Lyle are going to show us how true members of the O. E. F. act.

Would you be surprised? It seems that Jr. Waterbury is going the way of all good men.

High Lites—Low Lites

It seems that if Marion Yost had her way there would be no "saying" that goes with "coldsore". It seems she has one and does she get razzed that couldn't be from Mildred's party could it???

A correction please—! No Genevieve's name hasn't been changed to Douglas—the mistake on the honor roll last week in the paper should read—Genevieve Beardslee and Shirley Douglas. Does that clear it up?

Who of the seniors is Hilda Barnett going to fall for next?

What kind of lipstick does Laura use? Just ask Ralph, he seemed to know Friday nite.

Boy oh boy! does Jean Conklin ever go for that short boy—Tish! Tish! Jean.

Margaret Sh. has been telling about the good time she had at the toboggan party Sat. nite. Doesn't the fact that a certain Andersonville lad, formerly of C. H. S., was present explain that?

Hazel Sommers was absent the first two days of this week. Better cut out the strenuous weekends, Hazel.

We have another member of our class on the sick-list—Louise Gillick, it seems, has tonsillitis. Well, I'm sure we all wish her a speedy recovery and hope she hasn't lost her voice, for what is a girl to do when she can't talk—I ask you!

From all reports everyone had a good time on our Junior, Senior and (Concluded on page three)

The Community Chorus Meets Monday Evening

Special Business to Be Discussed

The Community Chorus met at the school last Monday evening with a very good attendance and the director was pleased to see so many men interested. However, more men are needed and their presence would be appreciated next Monday eve. at 7:30. The alto division is also making a plea for more voices.

The numbers that Mr. Hutton has selected for this season are exceptionally pretty and everyone present on Monday thoroughly enjoyed the two hours. Next Monday evening the chorus is to discuss several important items of business and it is hoped that there will be a full attendance. Every member is needed and is greatly missed when absent.

Remember the meeting at the school on Monday eve. Jan 20th at 7:30 o'clock. Make an effort to be there on time.

Clarkston Locals

Rev. C. E. Edwards attended the Flint District Methodist ministers meeting held in Goodrich last Monday. While there he visited Will Pearce, confined in the Hospital with a broken leg, and found him much improved and on the happy road to a soon recovery and return home.

Mrs. Ada Mills, Mrs. Emma Fiske and Mrs. George Harris held a quilting "bee" in the Methodist parsonage last Wednesday. Rev. Edwards, we are reliably informed, refused to assist, and after lunch "took to the woods" until the "bees" stopped buzzing.

Little Bobby Rowland was taken to Hurley hospital in Flint last Saturday to be treated for blood poisoning. He is getting along quite nicely but expects to be there for a week or so.

Tobogganing parties seem to hold the spotlight for a while. The William Edgars entertained at one last Saturday evening and that same evening the Epworth League of the local Methodist church held one and everyone had a good time.

PULLING CONTEST AT EAST LANSING

Horses vs. Men Will Be Feature of Farmers' Week

Which can pull more, weight for weight—horses or men?

One of the interesting features during Farmers' Week at Michigan State College February 3 to 7, will be a pulling contest between a champion draft team and Charley Bachman's near-champion football team. The contest will take place in the college demonstration hall, on Thursday night of Farmers' Week. This contest is only one of the many unusual features of the Farmers' Week program.

Several departments on the campus are cooperating to make the programs interesting as well as instructive by preparing unusual exhibitions of entertainment as well as educational character.

The Engineering show is always popular, and the students this year have still something new to offer. The chemistry department is preparing to show some of the wonders of simple compounds and members of the history department will present today's world problems.

The Rural Drama contest, for which groups of actors have been rehearsing for weeks, will prove an attraction to many. The players have been providing entertainment for themselves and their home audiences, and the winner in sectional contests will compete for the state prize.

The completed program for the week is now being printed and will be mailed out within a few days. Those who do not receive a copy within a reasonable time may do so by writing to the college.

Andersonville

The Andersonville Christian Endeavor will meet at the church on Sunday evening, Jan. 19th, at 8:00 o'clock. Miss Reta Halsey will be the leader. All the young people of the community are invited to attend.

From January 28th to Feb. 2nd is Christian Endeavor week and societies throughout the nation will celebrate the 55th anniversary of the founding of the organization and pay tribute to the founder, Dr. Francis Clark. The Andersonville society will visit Davisburg on the evening of Jan. 26th and will have charge of the meeting which will start at 7:30 o'clock. All members are urged to be out that night and start Christian Endeavor week out right.

Watch the billboards for the Andersonville poster.

The next meeting will be at the church in February. All the ladies of the community are invited.

Mrs. Edward Miller Is Hostess to Club

Will Meet Again Next Tuesday with Mrs. C. E. Edwards

Mrs. A. E. Butters favored the Club with two solos accompanied by Mrs. A. L. McIntyre.

The next meeting of the Club will be Tuesday, Jan. 21st, with Mrs. C. E. Edwards as hostess.

U. OF M. SYMPHONY IN HARTLAND CONCERT

The University of Michigan Little Symphony, with Thor Johnson conducting, will give a concert at the Hartland Music Hall on Sunday afternoon, January 19, at three o'clock. No admission will be charged but a silver offering will be taken.

The Little Symphony is composed of fourteen assistants in instrumental instruction of the School of Music faculty. Each member of the group is qualified musically as an instrumental artist, and the personnel has been selected from outstanding youthful musicians throughout the United States.

This season the Little Symphony is giving more than sixty concerts in twenty states extending from Michigan to the Gulf of Mexico and covering the major portion of the eastern and southern states. Appearances are being made in a number of the leading institutions of higher education and prominent musical centers.

The program to be given here will include symphonic works especially written and adapted for chamber orchestra, and a number of interesting compositions seldom performed by larger instrumental groups. Romine Hamilton, concert violinist, will be presented as soloist with the Little Symphony. The soloist will play Mozart's Concerto No. 4 in D Major, and will be accompanied by the Little Symphony under the direction of Mr. Johnson.

This concert will be one of the outstanding programs of the Vesper season at the Music Hall. A cordial invitation is extended to all.

Don't miss the President's Ball.

For Homemakers

Although the program for Farmers' Week at Michigan State College, February 3 to 7, is set up under a number of divisions, with one expected to be especially interesting to home makers, those in charge of the meetings expect nearly as many women in certain of the agricultural sections as in those sponsored by home makers.

Among the discussions expected to be especially interesting to farm women are those on bees and honey production, poultry and its care, meat cutting, curing, and canning; various phases of dairy production, fruit and vegetable canning, flower culture, and horticulture.

In addition the programs of music, those of the Country Life association and the Master Farm Home Makers' association will, no doubt, attract many of the farm women. The Home Economics division is expecting a full attendance at the meetings devoted to lighting, nutrition, home crafts, table decorations and table service.

The discussions of the present situation and conditions in Ethiopia are expected to hold the attention of the feminine visitors. Miss Bess M. Rowe of the Farmers' Wife will be a welcome speaker, as well also, as Dr. Mary S. Rose, Columbia University.

The sea lamprey and the alewife are comparatively recent arrivals among the 177 different fishes present in Michigan. They are believed to have made their way to this state from the east by swimming through shipping canals.

Bank Stockholders Hold Annual Meeting

Clarkston State Bank Reports 40% Increase in Resources

The annual meeting of the stockholders of the Clarkston State Bank of Clarkston, Michigan, was held Tuesday afternoon at the bank.

A summary of activities disclosed that the bank had enjoyed growth of 40% in resources or \$98,000.00; had made 588 ordinary loans, 151 chattel mortgages, 29 mortgage loans and had purchased \$116,000 in bonds. Net earnings on the capital stock, approximating 11% were placed in the reserve account.

After the report on the condition of the bank the following officers were elected for the ensuing year: J. H. Alger, T. J. Foley, G. E. Harris, C. D. King, C. J. Sutherland, C. G. Waterbury, and G. A. Walter. The directors then chose the following officers: President T. J. Foley; Vice President G. A. Walter; Vice President and Cashier George D. King; Assistant Cashiers R. C. Ainsley and Robert Jones.

HOLLY THEATRE

If it's songs you are looking for, "Thanks a Million" has more than you count; if it's laughs, it's the season's top joy show; and if it's romance and stars, how about Dick Powell, Ann Dvorak, Fred Allen, Patsy Kelly, Paul Whiteman and his band with Ramona, Rubino and the Yacht Club Boys!

Crammed with entertainment, 20th Century's spectacular new fun-music film, "Thanks a Million", comes today to the Holly Theatre for a 3-day engagement.

It has a frivolous plot, woven about the wildest adventures of a troupe making one night stops under the masterful misguidance of comedian Fred Allen.

Dick Powell is the company's songster, and Ann Dvorak its leading dancer, and as you might guess they're wild about each other.

In some fantastic manner, Allen manages to get the troupe entangled with a bunch of wild-eyed politicians, and before they have extricated themselves, plenty happens.

The romance of Powell and Dvorak is threatened by the intrusion of Margaret Irving, Powell becomes temperamental and Allen becomes more nutty than ever.

But it all comes out happily in the end, with Powell a radio star, and Miss Dvorak ready to say "I do!"

The film's songs, largely from the pens of Gus Kahn and Arthur Johnston, include "Thanks a Million", "I've Got a Pocket Full of Sunshine" and "Sugar Plum".

Adapted from a screen story by Nunnally Johnson, "Thanks a Million" was personally produced by Darryl F. Zanuck and directed by Roy Del Ruth.

Raymond Walburn, Benny Baker and Alan Dinehart are prominent in the supporting cast.

Don't miss the President's Ball.

Drayton Plains

Roy Dancy had the misfortune to slip on the ice last week and crack three ribs. Several attended the funeral of Evert Reid in Pontiac last Wednesday. Mr. Reid, before moving to Iron Mountain three months ago, resided in Drayton Woods. Mr. and Mrs. Claude Shoupe were hostesses to Mr. and Mrs. J. W. Shoupe and family of Orion and Mr. and Mrs. Walter Shoupe and family of Pontiac on Sunday. The children of Mr. and Mrs. A. E. Mowbray of Seelye Drive are ill with chicken pox. Dr. and Mrs. L. G. Rowley were called to Illinois last Friday by the death of Mrs. Rowley's uncle.

Mrs. Fred Smiley entertained her bridge club last Thursday afternoon. Mrs. Ransom Robb is recovering from a severe attack of the flu. The young women's basketball team of the church has been organized and their first game was played in the church basement last evening. Leslie Jones, son of Mr. and Mrs. Frank Jones of Sherwood Drive, was taken to General Hospital last Friday where he underwent a serious appendicitis operation the same afternoon. Mrs. Myrtle Stevenson of Pontiac has been very ill at the home of her brother and sister-in-law, Mr. and Mrs. Carl Kruger on Sashabaw Rd. for the past two weeks. The Adult Bible class of the church will hold its regular monthly meeting

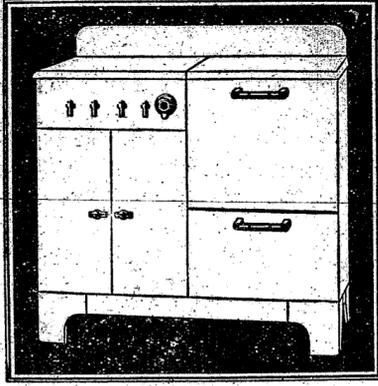

in the church parlors tonight, Friday, January 17th. Usual pot-luck supper will be served at 10 o'clock. Mr. and Mrs. J. B. Simpson of South Drive spent Sunday with their son William M. Simpson and family at Romeo. Mr. and Mrs. Oliver Seibert and family were guests of Mr. and Mrs. Roy Dancy and son Donald on Friday afternoon and evening. Mrs. Fred Shelby of St. Mary's, Ohio, and Mrs. Zura Springer of Celina, Ohio, sisters of Carl Kruger, spent from Wednesday until Sunday with Mr. and Mrs. Kruger and Mrs. Myrtle Stevenson. David Franklin has sold his Spanish Tavern on Dixie Highway to Mr. and Mrs. Frank Codon of Detroit. Mr. and Mrs. Franklin will move to Detroit.

Frank Barzen and Miss Leonore Cullins, both of Chicago, are spending a week with the former's mother, Mrs. F. Krause, and family, of Riverside Drive. The Ladies' Missionary Society met at the home of Dr. and Mrs. L. G. Rowley on Thursday evening, January 9th. This was the big meeting of the year, and the members' husbands were the honored guests. Thirty-five were present. The scripture was taken from Acts 11:19-26. Mrs. Clayton Purdy was the leader and in her usual way conducted the program in a most interesting way. The topic for the evening was "Women under the Southern Cross". The meeting opened with the putting together of jig saw puzzles of both North and South America. There were 3 groups, each with a captain. The first group's captain was Mrs. I. Lewis, second Mrs. Lloyd Bowden, and third Mrs. Walter Aderholdt. Each captain with her members was to sail around the world in boats by blowing out candles until they returned to South America. Before starting the voyages, prayers were given by Russell Maybee, Lloyd Bowden, Mrs. Roy Dancy and Mrs. Russell Maybee for the safe arrival back to South America from the point where they started from. Mrs. A. E. Barnhart sang, "Jesus keep me near the Cross". Mrs. L. G. Rowley accompanied her at the piano. A short play entitled "Home in South America of Yesterday" was presented. Characters were Mrs. Frank Jones, Mrs. Ivan Tracy, Mrs. Earl Grahl, Mrs. Roy Dancy and Mrs. Lloyd Bowden. After the first act Mrs. L. G. Rowley sang "The Sunshine of God's Love". Then the guests sang one verse of "The Old Rugged Cross". Act two of the play took place, "Homes of South America To-day". Mrs. C. J. Sutton read a poem, "God Bless You". With all singing "Till we meet again", Mrs. William Brown closed the program with prayer. The business meeting was turned over to the vice-president, Mrs. C. J. Sutton, asking for roll call, answering with a verse with the word "cross" in. The secretary's and treasurer's reports were read and accepted, also other secretarial reports were accepted. The next meeting will be held at the home of Mrs. John Watkins on February 13th, with Mrs. Earl Grahl as leader. The word is "Joy". Delicious refreshments were served at the close of the meeting.

Erma C. is really getting curious about that "practical joke". I guess maybe we will leave up the Class of '35's' picture after all. Thank Stan S. for that. Little Bud I. really took a tumble from Durward A. Tues. noon. All the time messing around. Jo Watt Mrs. Beardslee's Room The boys and girls are enjoying the story of "Hans Brinker or The Silver Skates" by Mary Mapes Dodge. The 4th Grade Geog. Class has been studying "Mining in the Plateau States" and the 5th grade class has been studying "Lapland and the Reindeer". We have one new pupil in the 5th grade—Bobby Reid from Iron Mountain. Wilbur Adams won out in the 4th grade spell-down on Fri. and Bobby Brown was the winner in the 5th grade. Grade News Mrs. Hutton's Room We have been making a special study about Eskimos this week. It has been so interesting that a number of the boys think they would like to be Eskimos, but Ruth Davies says she isn't very keen about this business of getting down on your hands and knees to crawl into the igloo. Jimmie Reid has entered the 1st grade. He is such a happy little fellow that we are more than glad to have him. Jimmie brings our enrollment up to 33. The following kindergarten children can print their name without help: Bruce Henderson, Katherine Beckman, Marilyn Kennedy, Pearl Ann Parnall, Betty Johnson, and Bobby Denham. All of the others can print their first name, but are having a little difficulty with their last name. They are also learning the letters of the alphabet. Up to date Bruce is the only one who knows them, and can print them without

help. Reading is gradually being introduced through the means of their color book. Let no one think that Kindergarten training is not valuable. We have noticed every year, that the child who is slow and not up with his classmates in the first three grades is the child who was not privileged to attend kindergarten. It is a most difficult task for a little tot of 4 1/2 or 5 years of age to adjust himself to the routine of school work, besides learning to adjust himself to his many playmates. Kindergarten is a lovely half way place between his home and the first grade, where he must learn Readin' Writin' and Richmette. Music Interest is being stimulated in good music through the 4th, 5th and 6th grades by having a music memory contest. Mrs. Hutton has selected 20 of the most favorite numbers used in music memory contests and is training the children in the memory of the tune, name and composer. The following numbers will be studied within the next 3 weeks: "Minuet in G", "To a Wild Rose", "Spring Song", "Barcarolle", "Melody in F", "Humoresque", "Traumerei", "Morning", "Hallelujah Chorus", "Blue Danube Waltz", "William Tell Overture", "Largo", "Pillgrim's Chorus", "The Swan" and "Berceuse". Mrs. Rockwell's Room Children who received credits in our spell-down, Friday, Jan. 10, were: Helen Denton, Jerry Howser, Clayton Frick, John Ronk, Billy Howland, Phyllis Tremper. Children who have neither been tardy nor absent this year are: Jack Craven, Shirley Terry, Mary Drake, Billy Howland, Jerry Howser, Donald Perrin, Jimmy Rowland. Ninety-one inland lakes of Michigan are named "Long Lake"; 60 are named "Twin Lake" and 59 are named "Round Lake".

(Concluded from page one) Epworth League party Sat. nite. Even though a few have colds to pay for it—Oh well! We think we ought to suggest to the person that had the water poured down her back at the Sat. nite party, that she send in a Pet Peeve about it to the P. P. Editor. Who knows, maybe she'd win a dollar! How did you like the game Friday nite, we thought it was swell. Who were the Senior boys who couldn't take care of themselves when the teacher was out of the room—I suggest that they be sent back to the kindergarten. Type students are burning the midnight oil trying to get three budgets in in a week—Oh me—Are you going to join the Amateur show at C. H. S. Bart M. Bill P. and Bud I. are—Can't you just hear them "howling"? Be good, until I see you next week. Winchell's Girl Friday.

Stuff and Stuff Ain't love grand!—ask Waterbury. Herb had better watch out. Another girl's boy friend is after him. Shirley seems to be getting her nose pulled a great deal. It seems that she has a cold from having the back of her neck in the wrong place, when some started blowing from a glass and followed the natural course of gravity. Why did Milton F. do so much sitting down, Sat. night? Where was Hilda Sat. night? Did you notice Violet's size 8's? Did you notice that trio Sat. night? Betty Ch., Betty CL, and George Dupee. Does Hugo ever let his dad use the new car? Where is Jo Caswell during vacations and week-ends? Big Soph. party Sat. night. First Seniors, then Senior, Jr. and Epworth League inc. and now it's the Sophs. that are going tobogganing. Why don't they get original? Pete seems to be picking on the cradle now. We believe her name is Irene Walz. (What's this for Pete?) June D. has a bad habit of leaving things in cars. Erma C. seems to have the same trouble. Even Violet C. has been known to have left a handkerchief in a car. Jo Caswell, nearly. These forgetful gals!! Don H. seems to be going that-a-way. Why did Lyle R. sleep in Monday morning? Mrs. Durand didn't make the seniors that waffle yet. Did you hear of the reunion of the class of '35', Fri., the 10th? More fun and excitement!!!
