## COMMENT AND CRITICISM

Somehow this "Swing" music seems very well suited to a presidential election year—and how the candidates will "swing" it.

It is hard to understand how a man who smokes a pack of cigarettes a day and pays the federal government 6c a pack or \$21.90 a year thinks taxes are low because he pays no income tax.

Another dream shattered. Governor Hoffman who was supposed to be through because of his stand in the Hauptmann case is offered a position at \$25,000.00 a year. Think of politics as a "builder-upper"; imagine a politician giving up the chase.

It all goes to show that if you say and stand for what you think is right, after the first black eye or so heels, if you keep on people will start to respect you and your opinion.

Pity the poor constables who are forced to carry out the provisions of the dog quarantine as mentioned in another part of this paper. Naturally the law must be enforced and still in the minds of some there exists the thought that (especially where the dog is a real family pet) the law is for the other fellow's dog. Naturally also there is sometimes some feeling when the fact comes home that the other fellow may be you and that the law covers your dog. However did you ever know this or think of the matter in this way. Most of the officers know the dog owners and their pets in this community and while they advise the owners to protect their dogs against rabies for the sake of the animal, they must protect the community against the abandoned pets that tourists throw out of their cars when passing thru small towns.

While we are on the dog subject we must give a little free advertising (and in the Newspaper business, that's bad) but we must always remember the subscriber so here goes. In case you wish to remove your dog from the county you can secure your permit (on presenting a certificate from a veterinarian showing the animal has been inoculated against rabies) from Constable Ed. Sesterlin. Dr. A. W. Emery (whose card is in the directory) is equipped to inoculate and issue the certificate.

Rumors: The offered gift by Henry Ford of 37 acres of land for the Veterans Hospital, if it is located near Dearborn, seems to endanger the chances of Clarkston securing the hospital.

Monday night promises to be a "big" night in the old town (hall). It is the monthly meeting of the Village Council and you should attend.

## CARD OF THANKS

## Seymour Lake

Mr. and Mrs. Emmett Bailey announce the marriage of their daughter, Doris Arlene, to Alfred Massey, son of Mr. and Mrs. Arthur Massey of Mt. Morris, at Goodrich on Saturday, April 18th. They have moved into their new home on Perry Lake road.

Sunday school services will begin at 9:00 o'clock a. m. instead of 10:00 as in the past. The preaching services have been discontinued until after June due to the continued ill health of our minister, Rev. C. E. Edwards. Everyone is welcome to come to Sunday School and a great deal of interest and enthusiasm have been expressed during the cold winter months and an increase in class attendance has developed since the warmer weather has come. Teachers for all classes and a place for everyone makes you welcome.

Mr. and Mrs. Leslie Bailey and sons have moved to the Howard House on the Round Lake subdivision and Mr. and Mrs. Merle Mansfield have moved to the farm occupied by the Will Serages. Mr. and Mrs. Harry Miller will now occupy their farm home vacated by the Jesse Toles who have moved to North Main street in Oxford. Mr. and Mrs. Milton Miller will make their home in the Harry Miller residence.

Last Friday Mr. and Mrs. Harry Miller and family went to Rochester to attend the funeral of his aunt, Mrs. Elizabeth Miller, an Oakland county pioneer who died at the home of her son, Fred Miller, near Milford, on Wednesday.

Marvin Porritt attended a county meeting for the soil and crop project which was held in Pontiac on Thursday. Mr. Porritt is chairman for Brandon Township.

Hundreds of people were attracted to the fire on the old Case homestead, now known as the Wellman Sheep Ranch on Sunday where four barns, a large quantity of hay, grain and soy beans, a large shed full of implements and two brood sows were destroyed. It was reported that overheated corn in a barn caused spontaneous combustion forcing one end of the barn out with the explosion and in a few seconds, the barns which had been recently remodeled and covered with a roof of tar composition were enveloped in flames. The stock, with the exception of the two hogs, was all saved. The owners of the farm have been specializing in breeding black Persian sheep but these animals all escaped as they were out in the pasture.

We are all glad to hear that Miss Carrie Buckindale is home from Goodrich Hospital and is getting along nicely on her crutches which she will have to use for some time.

Mrs. Belle Sherwood had the mis-

## A Family Dinner Is Enjoyed Sunday

A pleasant afternoon was spent socially. Guests were present from Pontiac, Royal Oak, Seymour Lake and Clarkston.

## Literary Club Met Tuesday

The Oxford Club Furnished the Program

The Clarkston Literary Club met on Tuesday afternoon, April 28th, at the home of Mrs. A. E. Butters and entertained twenty-seven members of the Oxford Literary Club, who furnished the program.

The meeting was called to order by the president, Miss Ada Serace. After a short business meeting the Oxford group presented the following program—

Piano duet—Mrs. Lockwood and Miss Brown.  
Book Review—"Grace Whitney Huff" by Mrs. Sharp.  
Solo—"Rain"—Mrs. McKenna.  
Play—"Testing the Teazels".

At the close of the program, tea was served by the hostess.

The next meeting will be held at the home of Mrs. Roy Blakeslee of Waterford. Mr. Blakeslee of Wayne University will be the guest speaker.

fortune to fall and hurt her shoulder but she is recovering nicely at present.

Miss Velma McIntyre entertained the young folks at a treasure hunt on Saturday evening.

Miss Ellen Beardslee and Mrs. Clark Miller were Pontiac callers on Friday.

Mrs. Birdsell Corless and baby daughter, Sylvia, have returned to Valdosta, Georgia, after a three weeks visit with Mr. and Mrs. C. J. Cheeseman and family at their home in Daytona Beach, Florida.

## Mothers Banquet With Daughters

Mrs. J. S. Jones of Clawson Is the Speaker

A very lovely Mother and Daughter Banquet was held in the Clarkston Baptist Church on Wednesday evening.

The tables were beautifully decorated with pastel colors of pink and green. Large bouquets of spring flowers centered each table and at either end was a pink candle in a pink and green holder. At each place was a partially opened imitation rose containing after-dinner mints.

Mrs. H. Stevens invoked the Divine Blessing and while some of the young men were serving the first course, the group sang several songs from the community song sheet which was at each place. A delicious dinner was served.

After dinner Mrs. Galloway introduced the toastmaster, Mrs. Emily Beardslee, in a very charming manner. She painted a word picture of Mrs. Beardslee's life from the time of her birth until to-day. Then Mrs. Beardslee went ahead with the program introducing the different participants and in so doing she cleverly recited a few lines of poetry.

Miss Georgia Johnson gave a very lovely tribute to mothers and this was followed by two beautiful piano and violin duets by Mrs. Winifred Perrin and Harold Konzen. Mrs. W. H. Stamp gave the tribute to the daughters and then Miss Helen Tindall, in her usual sweet manner sang two appropriate "Mother" songs. Little Marilyn Jones, granddaughter of Mr. and Mrs. Ira Jones, entertained the group with two readings, the last one being a tribute to grandmothers and at this time she presented her Grandmother Jones with a bouquet of snapdragons. The speaker of the evening was Mrs. J. S. Jones of Clawson. Her address was one that gave every mother and daughter something worth-while to think about, especially the daughters who are at an age when they are about to decide what their life-work will be.

Mrs. Jones told of her experiences as a nurse and teacher at the Grenfell Mission in Labrador. Her word picture of the country, its people and their dress and occupations, the hospitals and schools, the climate and the work of the Grenfell mission was not only interesting but educational and Mrs. Jones told it in such a pleasing manner that even the smallest daughter could have listened to her for another hour. She explained that the Dr. Grenfell mission did not build up health but it built character as well and started many young people on their way to make their mark in the world, who otherwise would never have had a chance. Many folks from all over the United States go to this desolate place and do their bit to help these poor people. Those who failed to hear Mrs. Jones missed a real treat.

The program closed with the singing of "God Be With You Till We Meet Again".

Mrs. Geo. D. King Is Hostess Wednesday

On Wednesday Mrs. George D. King entertained twelve guests at a one o'clock luncheon and bridge at Green Acres.

The guests were seated at one large dining table, which was centered with beautiful daffodils and a delightful luncheon was enjoyed.

In the afternoon the guests had a lovely time playing bridge. The honors went to Mrs. D. M. Winn, Mrs. L. I. Coon and Mrs. Zoza Grant.

sition, \$25,000,000 World's Fair opening at Dallas June 6, visited the team's San Antonio training camp. The girls invited President Bill Bens-wanger and the members of his team to attend the Exposition.

## Dog Quarantine Is Ordered in Oakland

Sheriff Spencer C. Howarth on Monday placed in effect a dog quarantine in Oakland County, on authority of James F. Thompson, State Commissioner of Agriculture, to prevent further outbreaks of rabies.

All dogs must be securely chained or otherwise confined on the premises. Sheriff Howarth may issue a permit for a dog to run at large if the owner produces a certificate showing the dog has been vaccinated against rabies within six months.

Any dog running at large contrary to the quarantine may be destroyed and his owner is subject to a fine of not less than \$10 or more than \$500 or imprisonment in the County Jail for not more than six months.

Sheriff Howarth asked the quarantine following reported cases of rabies around Pontiac and Royal Oak. The quarantine runs six months.

## Jr. Literary Club Met Tuesday Eve.

Mrs. Daril O'Dea of Drayton Is Hostess

On Tuesday evening the Jr. Literary Club met at the home of Mrs. Daril O'Dea of Drayton Plains.

Thirteen members answered Roll Call. A short business meeting was held and the sending of representatives to the meeting of the Junior Clubs to be held at Devon Gables on May 16th was discussed.

After the business meeting, Mrs. Howard Lord, Mrs. Edward Larson, Mrs. Earl Terry and Mrs. Russell Walter presented a comedy skit of 2 acts. This little play was cleverly given and was very amusing, and the members thoroughly enjoyed it.

A very fine evening closed with the serving of dainty refreshments by the hostess.

## GIRDLED TREES A VEXING PROBLEM

D. H. Hootman, Extension Specialist in Horticulture, Michigan State College, and Karl D. Bailey, County Agricultural Agent, will conduct four demonstrations at the farms shown below, in order that fruit growers may be assisted in repairing girdled trees. The schedule of demonstrations is as follows:

Tuesday, May 5, 10:00 a. m.—Herman W. Berndt, 1 mile west of Holly.

1:30 p. m.—Claude W. Owen, 1/2 mile west of Ortonville.

Wednesday, May 6, 10:00 a. m.—Vernon M. Spencer, 1 mile west of Wixom.

1:30 p. m.—Green Brothers, 8 miles southwest of Pontiac at the corner of Walnut and Orchard Lake Roads.

Reports from 23 fruit growers sent in to the County Extension Office listed a total of 1682 trees girdled by mice and rabbits. The greatest damage is in an orchard of 500 trees near Northville. Several other orchards contain as many as 275 to 300 trees which have been girdled. Girdling has been most severe in young orchards. 14 of the 23 orchards which have been severely injured are under five years of age. The number of old orchards which have been girdled is not numerous, but the number of trees injured in each orchard more than make up for it, since some large, old orchards are almost completely girdled. The damage need not be a total loss, in fact, trees can be saved by bridge grafting. Bridge grafting is a plan of inserting small shoots in the trunk of the tree, bridging over the wounded area. This work cannot be done until the tree starts growing, but previous to that time, the injured portion should be painted with white lead paint or brush grafting wax.

The scions or small twigs used in grafting must be cut and stored so that they remain dormant until the time of grafting. It is a good idea, also, to dig the soil away from the base of the tree so that bark around the roots is exposed to sunlight. This should be done at once.

For Homemakers

There's no argument that pancakes and maple sirup make a combination that is practically unbeatable for starting out a day in a sweet frame of mind, but sugar bush operators in Michigan and home economics specialists at Michigan State College believe that the use of maple sirup can be made a year 'round practice in households that like maple flavor.

Confections, ice cream, puddings and sauces are natural spots in which to use maple sugar or maple sirup for flavor, with perhaps some nutmeats for variety.

Out in the state some of the oldest sugar bush lots have seen a decreasing usage each spring because farmers realize that unless they sell their sirup and sugar while cold mornings and hot griddle cakes are in fashion they will have little or no market for their maple products until another fall and winter roll around on the calendar.

One dessert recipe that sounds good even on paper is called "Maple Dreams." Cut maple bread in slices one fourth inch thick. Remove the crust, butter half of the slices and add a thin layer of chopped dates spread evenly over each slice. Butter the remaining slices, and place them on top of those spread with dates,

pressing lightly together to form sandwiches. Dip each sandwich in a mixture of one egg slightly beaten with one cup of milk, and brown in a little butter. Serve with maple sauce.

Another simple but palate tickling dessert is a maple flavored rice pudding. Combine two and one-half cups of boiled rice and two and one-half cups of milk. Beat three eggs and one cup of maple sirup together, add them to the rice and milk, and add one-half teaspoon of salt, one-half teaspoon of nutmeg and one cup of raisins. Pour the mixture into a buttered pudding dish, place the dish in a pan of hot water, and bake at about 350 degrees Fahrenheit in the oven; or cook the mixture in the top of a double-boiler.

Lack of color and variety may make the difference between failure and success at church and community suppers, according to Ruth L. Godfrey, instructor in institutional administration at Michigan State College, East Lansing.

Miss Godfrey, who has made a study of menus for large groups, stresses the importance of variety in food, color, texture and flavor in successful church or community suppers.

"For example, a meal consisting of meat, potatoes, cauliflower, cottage cheese salad, and white cake could be made more appealing and effective if carrots were substituted for cauliflower, peach salad for cottage cheese, and perhaps lemon pie for white cake," she says.

Miss Godfrey recommends serving beef, chicken, ham, or pork for the main dish. The cook or cooks should seldom plan to serve fish or lamb, because these foods are apt to be disliked by some persons, she says.

A model community supper, which can be prepared at low cost she says, might consist of the following dishes: tomato juice cocktail, baked ham, scalloped potatoes, green string beans or peas, a salad of shredded cabbage, green pepper, pimientos, and thinly sliced radishes with a dressing of vinegar and sugar, rolls or bread, butter, dessert of cherry tarts or a jellied fruit, and coffee.

HOLLY THEATRE

In the picture that is the entertainment scoop of the year, Darryl F. Zanuck makes movie stars of the first rank of the world's front-page darlings, as he presents the Dionne Quintuplets in their first full length feature, "The Country Doctor", which comes Sunday to the Holly Theatre. Adapted from an original story by

Charles E. Blake, Chicago newspaper man, "The Country Doctor" finds its drama in the life-and-death conflict that a physician eternally wages in the Canadian wilds in his unselfish work. It is warm with romance, brightly alive with delightful humorous touches, fresh with the antics, the crooning and the play of the world's most famous babies.

Jean Hersholt, beloved character star, is the doctor of the picture, a heroic, self-sacrificing physician who fights pain and ill in a Canadian fur-trading post with inadequate equipment.

Because his nephew, Michael Whalen, persists in his love for June Lange, daughter of the post's manager, and because Hersholt himself tactlessly attempts to get a hospital and needed supplies for his people, he incurs the displeasure of the company powers. Without regard for his record or heroism, the post manager ousts him from his position.

He is broken and despondent when he gets a call to attend John Qualen's wife and goes to her, never suspecting the phenomenon he is going to witness. In a sequence that is the highspot of the picture for drama and comedy, the five tiny mites are brought to the world, and the doctor begins the fight to keep them alive.

As the film nears its close, we witness the fame and rewards that are heaped on the happy doctor as his little charges prosper and grow. And at the height of his happiness, the post manager relents and gives his consent to the romance of Whalen and Miss Lang.

The screen story of the picture, which was directed by Henry King, was written by Sonya Levien. And

Slam Summerville, Dorothy Peterson and Robert Barratt, as members of the all-star cast, occupy prominent roles.

We Never "Turn Down" a Loan

without listening to the applicant's story, analyzing his problem, and then trying to make clear to him that what we consider bad business for the bank is in reality bad business for HIM, too.

In other words, when we can't see our way clear to make a loan, we believe the person should know the reasons for our refusal. This policy, we think, makes for a better feeling and a clearer understanding between customer and bank.

### ATHLETIC NEWS

Clarkston High School's Baseball team defeated Brighton here Friday making it two straight victories. Six hits by Clarkston combined with Brighton's thirteen errors made it possible for The Hilltoppers to chalk up twelve runs, nine of which were scored in the second inning. Russell pitched the full route for Clarkston and was very effective. Brighton used three pitchers. The final score was 12-7.

This week Clarkston travels to South Lyon to try and make it three straight. On Tuesday, May 5, New Hudson plays at Clarkston for the second home game.

### SOPHOMORE PARTY

The Sophomores had their long awaited class party last Friday. They met at Addis' at eight o'clock and from there went to Pontiac to a show. The class went to the Oakland, or at least part of the class did. It seems that one of the drivers didn't like the Oakland so he and several others went to the Orpheum, but when they got out of the show, their passengers could not be found, so they went home without them. The other two drivers divided the extra passengers equally and then headed for home, stopping in at the Camp Inn for a bite or so. In the meantime the third driver had gone back to Pontiac again, looking for his passengers. Everybody got home safely in the end although a few of the cars were slightly (?) crowded and angered! Oh well, Marie, we'll forgive you this time.

### GOLDEN GLOVES?

What is this about a fight that K. M. got into. It seems that K. M. spilled someone's books on the floor and someone objected with a kick in the shins—the receiver of which was K. M. The details which followed are far

too gruesome to tell so we'll let the matter drop at this point.
