COMMENT AND CRITICISM

To those of you who are interested the well on the News property is an accomplished fact—as far as present indications show. Gravel is not the easiest thing to dig through and after giving up trying to drive for a shallow well, we were advised to try drilling. P. A. Sherman of Ortonville was selected and down went the casing to water. One man was injured and had to be taken home, but he was supposed to be digging a well and the next morning he was back on the job. Water was reached at 44 feet. However one fact remains and that is that one never misses such a common thing as water—till he has none and then it is bad.

Do you get your radio program second-hand? In other words does your neighbor play the program he likes, so loud that you hear it, even with the door closed? It is a peculiar thing that people who try so hard to be fair in everything else, will persist in furnishing radio enjoyment for the entire block. While we are not bothered, we have heard so many mention this nuisance that we believed we should pass it on to people who like radio programs with more than a bit of volume.

Waterford Hill Maples Almost Removed

The tourists who year after year travel north in Michigan by way of M 10 will no longer be able to admire the beautiful Maple trees that formed an avenue on Waterford Hill. Of course the safety of the motorist had to be taken into consideration and in these fast times when the motorist must drive at top notch speed on the Dixie all hazards must be removed.

However the residents in this district have long thought of this particular place on the highway as one of Oakland County's beauty spots and now it will be just another part of the motorists' speedway.

"STICKERS" ARE LEGAL ONLY ONE MORE WEEK

Use of automobile "stickers" or half-year permits will be illegal after midnight, July 31, and owners of motor vehicles in this state who expect to operate them after that time must equip them with 1936 license plates before then.

Orville E. Atwood, Secretary of State, points out that he is permitted no latitude, discretion nor power of extension and that only express authorization of the state legislature—not now in session—could delay or change this deadline.

On July 15 a total of 447,084 "stickers" had been sold by the Department of State.

The arrest and conviction were the outcome of a collision last Sunday afternoon between a truck driven by Nowak and a new Ford V8 Sedan, owned by Frederick Depken, also of Detroit. Depken, his wife, and 15 year old daughter were all injured and were taken to Goodrich Hospital by Durand Ogden. The arrest was made by Constable Floyd Kimball.

Reduced Telephone Rates

Effective on the dates shown below

By order of the Michigan Public Utilities Commission, dated July 1, reductions are made in certain telephone rates and charges in the Clarkston exchange.

On rural lines the charge for the upright or desk type telephone is reduced from 25 cents a month to 10 cents, and will be eliminated entirely after the customer has had that type of telephone in service continuously for 18 months.

The charge for the hand telephone is reduced from 25 cents a month to 15 cents, except on rural lines where it remains at 25 cents, and will be eliminated entirely, as at present, after the customer has had that type of telephone in service continuously for 18 months.

The above reductions will be effective in the case of present customers on August 6.

Reductions also are made in the charges for installing and moving telephones, and for changing the type of telephone instrument. For instance, the charge for installing a business telephone where there is no instrument already in place, is \$2.50; for a residence telephone where there is no instrument already in place, it is \$1.50. Those reductions became effective Saturday, July 11.

Effective August 6 charges for rural multiparty service beyond six miles from the base rate area are reduced. Monthly rates for other residential and business service are unchanged except that the four party business service is discontinued, and two party business service will be furnished at the former four party business rate.

Telephone service now represents greater value than ever before. To place an order, or to obtain further information, call, visit or write the Telephone Business Office. Installation will be made promptly.

ANNOUNCEMENT

Spencer C. Howarth, present Republican Sheriff of Oakland County, has announced his candidacy for the Republican nomination in the Primary election September 15, 1936.

Mr. Howarth was born in Troy Township and has lived in Oakland County during his entire life. He was appointed a special Deputy Sheriff in 1924 and has always been an active Republican figure in the public life of this County.

Mr. Howarth was three times elected Supervisor of Orion Township and in 1930 resigned to become Business Manager of the Oakland County Storage Plant. At that time Mr. Howarth had charge of the purchase of supplies for County use. He became Under Sheriff on January 1, 1933 and was appointed Sheriff on February 7, 1935.

In announcing his candidacy Mr. Howarth says: "Everyone is glad to

see increasing employment for our people, but this happy condition has also made it increasingly difficult to secure and keep competent deputies in the face of increasing opportunities offered to them by industry. "Any campaign in my behalf will of necessity be in the hands of my friends because the summer season always brings increased work for the Sheriff's Department and it has been necessary to give considerable of my personal time to work in connection with the grand jury now being conducted in Oakland County."

Clarkston Locals

Mr. and Mrs. H. W. Huttenlocher left on Thursday for a short vacation somewhere in Northern Michigan. Her aunt, Miss Anna Parent of Detroit will have charge of their home during their absence.

Dinner guests last Sunday at the C. G. Fiske home were, Nicholas Hoffman and family, Mrs. Vrooman, and Mrs. Elmer Phieffe and family, all of Detroit and Mr. and Mrs. George Jones and family of Birmingham.

Mazy Wompole is the proud possessor of a new bicycle. What makes this bicycle much nicer than a great many others is the fact that Mazy bought it with money she has saved for over quite a period of time.

Rev. and Mrs. Fred H. Townsend were in Davison on Monday of this week in attendance upon the funeral services of the Rev. Charles E. Benson, for 68 years a Methodist minister, and who was nearly 91 years of age at the time of his decease.

On Wednesday Mrs. Albert Janks of Detroit entertained in honor of her aunt Mrs. Adella Morrison. Among the guests were Mrs. R. M. Ackerson of Detroit and Mrs. Raymond Miller, Mrs. Fred Owen, Mrs. Frank Dunston and Mrs. Judd Skarritt of Clarkston.

Mr. and Mrs. M. O. Clark and daughter, Madeleine, have gone to

New York to visit Mrs. Clark's brother, William Bower. Mrs. Norman Shidel, of New York, who has been visiting at the Clark home for the past two weeks, returned with them.

Mrs. Eva Barr of Ann Arbor is visiting her brother, Willis Bellows.

Mrs. Alice Lyons and Miss Chapman of Detroit have rented a part of the south side of the Irish home on North Main Street and intend to spend the rest of the summer in Clarkston.

The News is in receipt of a card from Rev. C. E. Edwards which states that he and Mrs. Edwards are both fine and are enjoying the concerts at Interlochen, the spot for all music lovers. Mr. Edwards is gaining weight and strength and both are having an ideal rest.

HOLLY THEATRE

Joe E. Brown promises to bring an unusually big package of laughs in his new film musical romance, "Sons O' Guns", which is scheduled to open at

the Holly Theatre on Sunday. The picture is based on the rollicking Broadway stage hit of the same title, a colorful, mirth-laden, tuneful comedy of World War days, dealing only with the bright and hilarious side of doughboy life.

Four big specialty numbers are in the production. One number is sung by Joe and the Chambers Male Chorus of thirty-two voices. Two new song numbers were written especially for the picture, one of which, "For a Buck and a Quarter a Day", is sung by Joe and Joan Blondell.
