NUMBER 35

VOLUME DIGHT

COMMENT AND CRITICISM

Now is a time when one thinks of dirt roads, rubbish dumps and garbage disposal. We admit that perhaps they are not pleasant but spring fever carries your imagination forward to a summer you long for and because the leaves are not yet appearing on the trees you can better where improvements could be made to make for a better and more enjoyable summer. Probably something should be done-but what.

The United States, with only 6% of the world's aggregate population of slightly over two billions, had onehalf of the world's telephones, or 17,-423,871, on Jan. 1, 1936. This community has had its proportionate increase in the number of telephone users. For pleasure or business the telephone is more than a piece of furniture in the home.

The mention of telephones brings this thought to mind. 36 out of 100 population in Washington have a telephone; 4 out of 100 in the Capital of Russia use the service. However I do not blame Russia. If I lived there I would be too disheartened to talk and would never use a phone.

Even if you are not planning on a new bus this year, this issue of the News carries news of some good used cars. Not only does it pay to advertise-it pays to read the advertise-

The Clarkston State Bank has over one-half million dollars in assets. This statement is proof that this is a thriving community.

O. E. S. Entertains Past Matrons & Patrons both by letter and Confession of

On Monday evening the local O. E. S. Chapter entertained the Past Matrons and Patrons at the Temple. There were about twenty or twen-

ty-five present and all had a fine time playing cards and visiting. During the evening gifts were presented to the honored guests and before each received the gift he or she had to relate the most exciting time during their term of office. The stories were amusing and brought to mind many happy incidents that had occurred since the Chapter was organized. Mrs. Emily Beardslee drew the door

The honored guests included, Mrs. Margaret Rockwell, Mrs. Rose Teggerdine, Mrs. L. F. Walter, Mrs. F. Andrews, Mrs. R. Gundry, Mrs. C. Fiske, Mrs. J. Skarritt, Mrs. R. Cole, Mrs. J. Mann, Mrs. Evadna Richardson, Mrs. Cora Skarritt and Roy Gundry.

Mrs. Guy Scott **Entertains Junior Club**

On Tuesday evening Mrs. Guy Scott was hostess to the Clarkston Junior Literary Club at her home. Nine members answered Roll Call by naming a Sculptor. Mrs. Stanley Henderson was a guest.

A short business meeting was conducted and then two exceptionally interesting papers were given; One on "Herman Atkins MacNeil" by Mrs. Raymond Jarvis and one on "Woman Sculptors" by Mrs. Edward Larion. The next meeting will be with Mrs.

Howard Lord on May 11th. The hostess served dainty refreshments.

Clarkston Graduate **Becomes Bride**

The home of Mr. and Mrs. F. W. Ware of Andersonville was the scene of a very pretty wedding on Saturday evening, April 17, when their daughter Miss Dorothy Vine Ware became the bride of Paul Gilles of Pontiac.

A double ring ceremony was performed in the presence of the immediate families and friends, before a bower of varied flowers and ferns flanked by white tapers. Rev. George A. Hill officiated.

The bride chose for her wedding a white satin gown and a veil. She carried white roses. The bride's only atpeach marquisette over taffet; carried roses. Miss Elizabeth Ware, George Perry's birthday. Miss Loraine and Miss Lucille Payne and Mrs. Robert Cox assisted as host-

Farmers Will Be Given Conservation Information

PLAN TO BE EXPLAINED AT MEETINGS

Schedule of Dates of Waterford, Independence, and Other Townships in Northwest Part of Oakland County

There need be no excuse for any farmer not understanding the 1937 Soil Conservation Program, if he will attend one of the meetings scheduled in this community to explain the program this year, according to Robert McCrory, President of the County Soil Conservation Association. Farmers have already been mailed notices assigning soil depleting bases for their farms. The purpose of the meetings is to explain what practices qualify for the soil building earnings which farmers may obtain.

The work of land improvement is one in which the Government is interested, because it means an adequate supply of food for future generations.

One purpose of the Soil Conserva tion Program is to prevent erosion or the washing away of the more fertile part of the soil. Local committeemen in charge of

the meetings will have farm maps and farm acreages and must be able to analyze all the details pertinent to any farm in the community. Schedule of the meetings and per

SEEKING SAFETY IN AUTO TRAFFIC

State Police Issue Manual Devised to Reduce Accidents

Distribution is being made this week by the Michigan State Police of a new edition of "Creating Safer Communities", outlining a model program of traffic safety activities.

The 48-page manual describes a four-point attack on automobile accidents. Outside of a chapter on rural traffic, it is identical with an edition cake. published last year by the Michigan State Safety Council. The new manual is published under the imprint of the Michigan State Police.

Information on setting up a comdata on procedures for reducing accidents by removing their causes is included in the text. Commissioner Oscar G. Olander declared the program was based on accident control techniques tested in cities with outstanding safety records.

Commissioner "This program," Olander said, "is devised not only as a guide for accident reduction but it presents methods of relieving congestion and otherwise obtaining a greater degree of traffic control. The four the Royal Neighbors will meet with basic features we have treated in this Mrs. Lewella Leighton at 2227 Oak manual include preparation and use of accident facts, the extension of cooperative dinner at one o'clock, child and adult education, improved enforcement of traffic laws and better engineering for traffic safety."

Copies of the book are being mailed nected with organizations interested sent this Drama of Temperance eduto local officials and to others conin traffic accident prevention. P. T. A. Spring Dance Was A Success

The Organization Cleared \$12.-

Although there was not a very large crowd at the Spring Dance sponsored by the Clarkston P. T. A. last Friday night those in attendance

had an exceptionally fine time. The auditorium was prettily decorated with spring flowers and colors and much to the enjoyment of the dancers the orchestra was on a dais in the center of the auditorium and the music could be heard in any cor-

ner of the room. Two dainty young Misses, Betty Clark and Betty Chamberlain went through the crowd selling candies. Miss Louise Gulick who was in charge of the check-room had as her assistants four very capable youths, Charles Perry, King McIntyre, Milton Fiske, and Chester Adams, About eleven-thirty everyone was glad when the refreshment committee, composed of Mrs. W. Ash, Mrs. W. Edgar, Mrs. C. G. Fiske, Mrs. J. Alander and Mrs. H. Soulby, announced that they were prepared to serve. The serving was done at one corner of the auditorium.

The officers of the organization were rather dubious as to making enough to pay all expenses but after all bills were paid they were more than pleased to find that they had cleared \$12.37. They wish to thank all committees and those who in any way helped to make the dance a suc-

Little David Ronk Celebrates Birthday

Little David Ronk was four yes old in March and when he got all ready to have a party his brother Henry came home from school with the measles. This seemed like a big disappointment for David. However he was very patient and waited until Tuesday of this week and then his little friends enjoyed a few hours of fun with him.

From four o'clock until seven these little people kept busy playing games and of course at six o'clock Mrs. Ronk served a birthday supper. The dining table was prettily decorated with green and yellow and at each place was a little truck holding the place card and some candies. In the center of the table was a birthday

David received some pretty gifts and the best wishes of all his little

friends. The guests included, Billy Kanold, Mary K. Winn, Joyce Woolfenden, munity traffic safety organization and Spencely Butters, JoAnn Shotka, Marie Bennett, Jimmy Huttenlocher, Jimmy Hubbard and Henry Ronk.

THE HILLTOPPER

SPORTS

Clarkston Defeats Brighton Friday, April 23, Clarkston over-whelmed Brighton by a score of 18 to 7. Clarkston's victory was due to our power at the bat and to fine pitching and fielding. The Clarkston hurlers were Clinton Russell and Dan Addis, the latter doing a swell job of pitching considering that it was his first league game. Russell came through as usual, allowing only three scattered hits in three innings. The outstanding performance at the assistant to help him on a busy day plate was made by Hamilton New or in case of his illness or absence man who got on base six times out of six times at bat for a perfect day.

The Clarkston boys built up a good lead for themselves by getting eight runs in the second inning, one of which was a home run by Pete Secord. Thus, the score at the beginning of the third inning was fourteen to two in our favor.

This is a good start for the season the year, we will equal or better our our staff in the future. Assistant listanding of last year, when we tied brarians are Evelyn Walz, Ruth Olfor second place in the league. We meet South Lyon on our own field lick. today and we hope to send them home in defeat.

Interclass Track and Field Meet The Juniors won the track and field meet with a total of 38½ points. The Seniors 22½, and the Freshmen 2. Banquet is scheduled for May 7—rain Favorite Subject—Commercial Law The track events were run off on or moon-shine and for everybody's Monday night of this week, while the sake let's hope it shines. field events were held on Wednesday.

Our school library has been enlarged by the addition of about forty-two new books, subject matter of which ranges from fiction to the sciences, manual arts, history, and children's stories for the grades.

EXTRA! EXTRA!

They were purchased with money received from the dance sponsored by the P. T. A., the necessary balance being supplied by the Board of Education. The list reads as follows:

Electric Cooking is not expensivel

COST OF OPERATING AN ELECTRIC RANGE family of 4

This figure is a 4-month's average (October, November, December and January) of actual cooking costs in families of four persons, at the rate of 21/4 cents (net) per kwhr. Special record meters were installed on these customers' ranges, and the above figure is the result. It shows a cooking cost of about half-acent a meal a person. This is an AVERAGE of the cost figures obtained. Some of the actual costs were higher, some were lower.

These figures are obtained under everyday working. conditions in ordinary kitchens . . . the ranges are used by women cooking meals daily for families of three, four and five people, or larger. In the survey, 5 well-known makes and 9 different models of electric ranges were included. These tests prove conclusively that electric cooking is not expensive.—
10,000 of your neighbors chose electric cooking during the year 1936. SEE THE NEW ELECTRIC RANGES ON DISPLAY AT DEPARTMENT STORES, ELECTRICAL DEALERS, AND THE DETROIT EDISON COMPANY.
