COMMENT AND CRITICISM

Potatoes are higher, rent is higher, everything is higher—and the strange part of it is, so are everyone's spirits. Well you have tried both schools of thought. Which do you prefer? High prices—with money to buy—or low prices and not sufficient money to buy.

So often we hear the thought "Such a plan is alright for the big city but this community is too small to have it work here." 'Tis, then, with a shout of satisfaction, that we approve of the idea of having a fitting memorial service on Memorial day. Why not? We think just as much of our departed as anyone in a larger community. The man from the smaller community who gave his life that American ideals might survive gave just as much as the man from the larger and more crowded community. True we may not do the honors in the showy manner of the larger place but we can and should be just as sincere in showing our respect to our honored dead.

Things are better. There is no doubt of it. Why, bank bandits are even satisfied with just the loose cash lying around on the bank counters and no longer want to get into the vaults. Tuesday when the state police were thicker than ants at a picnic in this town and hereabouts, bank bandits cleaned about \$6,000 off the teller's desk in Lapeer and another \$2,000 off the desk in the nearby village of Oxford. In neither place did they enter the vaults.

Getting back to this idea of trying to carry on in a small, and by that we mean, less densely populated, community—our hat is off to Mrs. Shotka, President of the Clarkston P. T. A. Regardless of the attendance she has spared neither time nor effort in providing a worth-while meeting . . . always something different . . . a magician for the children . . . a visitor's story of the flood area for news value . . . moving pictures of foreign countries for sitting room travelers . . . a cure for juvenile delinquency, to make for a better world, by an assistant prosecutor . . . The Ford Dixie-eight . . . just good entertainment and in addition the P. T. A. has sponsored two benefits for school activities. Perhaps this is a President's job, but because we believe she has been entitled to better support from the town in the way of attendance, we doff our hat for just "carrying on"; for continuing to provide good programs.

To the two new subscribers this week, the town and the publishers thank you and welcome you. A good town paper is a good adv for the community. The more readers, the more pulling power for the dealers advertising news and the better opportunity to present more news of general interest . . . all resulting in proving to the world that this is a good place to live. And if you want to live here and cannot rent, buy a lot and build. After all, real estate, especially around here, is a good investment.

Buy Your Poppy Saturday, May 22

Charles Roehm Is General Chairman

Saturday will be Poppy Day, the one day when the American Legion and Auxiliary call on the public to participate in its glorious heritage, the care of the disabled veterans of the World War, the day when every man, woman and child will be wearing a Poppy in memory of our World War dead. By wearing this little red flower they will be serving the living.

At a meeting of the local Post and Auxiliary held Tuesday evening Charles Roehm was appointed general chairman with Mrs. Henri Buck and Mrs. P. L. McLaughlin assisting in Waterford and Mrs. Clarence Smith and Mrs. Joel Beckman assisting in Clarkston. Everyone is asked to be as generous as possible.

Remember the money realized by the sale of the Poppy not only helps the veteran who is kept busy making the poppies but it goes far to help with welfare work throughout the year.

"Only a paper poppy
But it holds the hopes and fears
Of numberless men and their loved ones
As they carry on through the years."

Legion Post And Auxiliary Met Tuesday

On Tuesday evening the Campbell Richmond Post of the American Legion and the Ladies' Auxiliary met at the Hall on North Main Street and completed plans for Poppy Day on Saturday, May 22. The Post also decided to place flags on the soldiers' graves on Memorial Day.

At the close of the meeting delightful refreshments were served with Mrs. Lyman Girst and Mrs. P. L. McLaughlin as hostesses.

The next meeting will be at the hall on June 15th with Mrs. Charles Roehm and Mrs. James Saylor as hostesses.

Athletic Benefit Well Attended

Last Friday evening a fairly large crowd attended the Athletic Benefit concert given in the school auditorium.

The program consisted of dance numbers, vocal numbers, a reading, guitar music, and a short skit. Besides the local talent the children from the Dublin school and the Commerce school took part. The children certainly danced well considering the number of lessons they had had. The Public speaking class presented a short skit, just a sample of what they will present at the school on Friday evening.

Clarkston Locals

Everyone will be glad to learn that little Tommy Bullen is recovering quite nicely and they expect to bring him to his home here from the Hospital in Lansing on Sunday. He was to have been put in a cast today and will most likely have to wear the cast for a couple of weeks.

Mr. and Mrs. Fred Stewart, Mrs. Anna Fleming, Mr. and Mrs. William King, Mr. Northrup, Mr. and Mrs. Henry Birge and Mr. and Mrs. Kenneth Stevens were entertained at dinner at the home of Mr. and Mrs. Wesley Stevens last Saturday evening.

Rev. and Mrs. C. E. Edwards were out to the Beardslee cottage on Big Fish Lake last Tuesday at the time the Lapeer bank robbers were reported to be in that vicinity. Their now grey car was under deep suspicion of being planted for a get-away and at one time it appeared likely that Rev. "Cal" might spend some time in the "chain gang". However he was able to talk the officers out of it and is still at liberty at this writing.

Open House Held on 70th Birthday

On Thursday of last week Mrs. George Perry held open house in honor of her mother, Mrs. Minnie Kath's seventieth birthday.

Mrs. Kath who has been in ill health for a while and has been confined to her bed at the home of her daughter had an exceptionally busy day beginning at about ten o'clock in the morning. Friends and relatives from Clarkston and vicinity, from Pontiac and many other places called at the Perry home and wished Mrs. Kath many more birthdays. She received numerous gifts, heaps of beautiful flowers, many pretty birthday cards and plenty of local and long distance telephone calls. It was one of the happiest days she had spent in some time.

Among the callers were three great grandchildren, Caroline Ann Yoder, David Leak and Lanny Leak, all of Pontiac. Caroline Ann who will be three years old in August presented her great grandmother with a lovely bouquet of sweet peas and sang "Happy Birthday". David Leak, who is five years old, like all children believes that the birthday is the day for a spanking, so he insisted on giving grandma seventy spanks.

By the time the clock struck ten that night Mrs. Kath was quite tired but happy to think so many had remembered her. She says she will remember her seventieth birthday for a long, long time.

Local Phone Exchange Has New Manager

Mrs. Badgero Comes to Clarkston After Fourteen Years Service in Flushing

For the past week when the people in this community have used their telephones they have been greeted by a new voice, that of Mrs. Addie Badgero, the new manager of the local exchange.

Mrs. Badgero comes to us from Flushing where she had served the people of that community in a friendly, courteous and efficient manner for the last fourteen years. While in that village she took an active part in the business and social affairs and everyone here feels that very soon she will be at home in Clarkston and will enjoy activities here in a similar congenial atmosphere.

While in Flushing Mrs. Badgero was active in the work of the Order of the Eastern Star having served in all appointive chairs and taking the office of Worthy Matron in 1930. Her term as Matron was marked with success in every endeavor and all business of the Chapter was conducted in perfect harmony and efficiency. She was also a member of the O. N. M. Club and various other social groups.

Before leaving Flushing Mrs. Badgero was honored at many social affairs.

STATE PARKS TO BE OPENED ON MAY 30

Improved Service Will Be Afforded Visitors This Summer

Half the state parks which open officially for public use Memorial day, May 30, will have facilities for electric service to trailer cars.

Walter J. Kingscott, superintendent of state parks, said 20 parks were provided with electric service last year. This service was used extensively by tourist campers and the demand increased for similar facilities in other state parks.

As a result several additional parks which have annual attendances in the higher brackets will be wired for electric service to trailer cars this spring. This will bring the total number of parks where such service is available to 25.

Kingscott stated the prospects for the state parks this year indicates greater use, especially by the trailer campers, and heavier attendance. "We had almost 9,000,000 visitors in the 55 open state parks last year," he said. "This season there are indications that the attendance will surpass that mark. Attendances at state parks generally reflect the trend in business conditions and it is commonly agreed that business is better than last year."

Later this season a newly-developed state park at Indian Lake near Manistiquic will be opened for public use. Known as "Indian Lake" state park, this unit has been improved by CCC men and has an attractive layout of rustic type park buildings and equipment with improved water-front facilities.

Ford Dixie Eight Thrills Large Crowd

P. T. A. Is Grateful to Beattie Bros. for Securing Talent

The people of Clarkston should never absent themselves from a P. T. A. meeting. Why? Because as sure as you do you will miss something extra fine. Those who were not at the school on Wednesday evening missed one of the best and snappiest programs that the P. T. A. has presented. And too, the report of the president was one worth hearing. In the few months that she has been in office the organization has sponsored two dances, a musicale and an Athletic Benefit and realized \$113.42. Out of this amount \$41.87 has been given to the Library fund; \$25.00 to the school orchestra; \$15.00 to the school chorus and \$28.70 to the Athletic Association.

After a brief business meeting the Ford Dixie Eight were presented. Their program consisted of solos, quartets, octets, and piano solo. As an extra treat two tap dancers delighted the audience with several numbers. Such a musical program is something you cannot hear in Clarkston very often and so everyone thoroughly enjoyed it.

After the program tea and cookies were served. The committees in charge were: refreshment, Mrs. Walter Ash, chairman, Mrs. John Shaughnessy, Mrs. Ben Powell, Mrs. Lloyd Marlowe, Mrs. Alton Secord, Mrs. John Tremper and Mrs. Wm. Shotka; reception, Miss Ada Scraze, Mrs. Emily Beardslee, Mrs. James Bennett and Mrs. Fred Kennedy.

The P. T. A. wishes to thank Beattie Bros. for securing the Ford Dixie Eight. They appreciate the fact that such talent is in demand and Beattie Bros. were interested enough in the town and school affairs to keep on trying to bring this treat to town.

Clarkston Locals

Mr. and Mrs. Durand Ogden, Mr. and Mrs. L. F. Walter and Mr. and Mrs. George Slayton attended the Penny Supper at the Waterford Church on Wednesday evening.

SPORTS

Regional Track Meet

Saturday, May 15, Clarkston was represented at the Regional Meet at Ypsilanti by a squad of fourteen men. The meet consists of a large group of B, C, and D class schools. The Class C events were quite crowded in fact, in the mile run there were 37 contestants and in the half mile, 45. The Clarkston dash men, Newman, Walker and Beemer ran well up with the leaders in their heats and just failed to qualify.

The runners of the larger event did not do so well. One good example of "sticking to a thing" is Wilson Denton's run in the mile. Denton lost a shoe soon after the start of the race. He continued the race with only one shoe, still coming in very close behind the Milford miler and leading the other Clarkston milers.

The only event in which we placed was the 880 yard relay, in which we took fifth. The team consisted of: first, Marion Beemer; second, Lyle Walker; third, Howard Boyns, and anchor man, Clinton Russell. In this event we led the Milford team which failed to place.

Track Men Lose to Milford
Wednesday, May 21, Clarkston was defeated at the Milford Fair Grounds in a track meet by the score of 51 to

35. (Scoring in a track meet is done as follows: First place, 5 points; second place, 3 points; third place, 1 point. In the relay race, in which there are only two teams, the winning team gets 5 points, the losing team, nothing.)

Clarkston took first place in mile, half mile, quarter mile, and 220 yard dash. In the field events they did not do so well, not even placing in the pole vault, and getting only one point each in the high jump and shot put. In the broad jump, though, they took second and third places. Newman with 8 points earned by winning first place in the 220 and second place in the broad jump. Truesdale was "high point" man for Milford earning 16 points by winning the pole vault and broad jump and placing second in the shot put and high jump.

Farmington Routs Clarkston
Clarkston lost to Farmington on the home diamond, Tuesday to the decisive score of 18 to 3. The three Clarkston runs were made by Yost, Addis, and Secord. Clarkston's defeat was in a great part due to the 15 fielding errors they made. Russell pitched the first four innings, allowing six runs and 5 hits. Addis pitched the remaining three, letting in twelve runs and 3 hits.

The last meeting of the Club will be June 4th in the form of a picnic at Mrs. Strait's home.

Light Demonstration

On Tuesday of this week, Mr. Holmes of the Detroit Edison Company gave a very interesting talk before the Physics class on the development of light.

GRADE NEWS

Mrs. Rockwell's Room. We had a very happy time at our Mother's Day party with a good attendance also.

Second grade children who won credits in our spell-down on Monday, May 17, were Ida Mae Sleaf, James Fuller, Jean Gundry, Mary Marmon, Doris Boyens, Kenneth Hempstead, Katharine LaPlant and Bruce Watson.

Third grade children who won credits were Joan Fuller, Ronald Jones, Audrey Weichert, Gordon Hemingway, Joyce Lawson and James Waterbury.

Mrs. Vliet's Room

Next Friday the fifth grade will have "Open House" from 2:30 to 4 o'clock. We are all busy preparing a radio program for our Mothers.

This week we are aboard the steamship, Monterey, sailing across the Pacific to Honolulu.

The class wrote letters to Marilyn Molter, yesterday. Marilyn has been ill for several days.

Miss Elzinga's Room

We have completed our geography note books and are beginning a review of the year's work.

In reading we are being marked on sight readings and we are going to outline stories on which our final test will be based.

We have learned for language the poem "The Thistle" by Tennyson.

The sixth grade is going to play their kitchen band for the 8th grade Thursday.

Mrs. Beardslee's Room

Our Nature Study lessons for the month of May have been centered around "Trees and Seeds". We have studied about fruit trees, nut trees and shade trees that grow in this locality.

We went on a short trip to the woods Monday afternoon and discovered an abundance of trilliums, anemones, violets, and hepaticas. We observed a number of kinds of trees: maple, elm, apple, oak, walnut, and hickory.

Our boys and girls have learned to identify many birds and wild flowers.

We have been enjoying the book, "Carmen of the Golden Coast", by Madeline Brandeis. Two other books by the same author, which we read earlier in the year, are "The Little Dutch Tulip Girl" and "The Little Indian Weaver".

Highlights at C. H. S.

We hear that Shirley Douglas was out riding with that Souly boy the other night.

Irene Walz wears Howard's suit very nicely. You wouldn't have known it was Irene on the stage last Friday night at the Athletic Benefit.

It seems that Kenny Grate was late for session room just because he had to finish eating an ice cream cone.

Pete Secord is looking for a new girl friend who must meet the necessary requirements.

Many of the C. H. S. students are wearing dandelions for corsages.

Lyle Walker made a basket in type room the other day as he is practicing for next year's basketball.

We noticed June Taylor and Betty June Wright in conversation with two of the Farmington boys at the baseball game here Tuesday night.

Clinton Russell gets a kick out of sliding down the banisters after school.

Many of the Seniors are wearing Tiger pins in memory of their Skip day.

Hamilton Newman seems to be interested in promoting more wainie roasts—"We wonder why!"

Roy Spencer is looking for the rebound of the man who hit a young lady even when she hits him.

Among those who were harmonizing in "Sweet Adeline" the other day were none other than Les Vliet and Bud Shaughnessy.

Pearl and Ruth Olson keep their romances a secret. They've got many

people guessing who the boys from out of town are.

A patent on staying out of school has been taken by Pat De Lap.

Kenneth Grate and Marion Beamer haven't been leaving session room fifth period lately to go to see some of the teachers. You ask them some questions and you'll see.

A certain light in June Dunston's eyes show that she is receiving letters from Walled Lake regularly.

Note: This is second in a series of articles written by 9th graders on this subject. When the series is finished, write The Hilltopper and let us know which one you thought best.

A LOCAL DUMP FOR CLARKSTON. Charlotte Sue Miller

After having read the paper before me you will probably have learned in detail "just why we should have a local dump". But the fact remains—we still need a local dump. Now, of course, we ninth graders aren't even pretending that we know more on the subject than you do but we do have more time to spend on such things.

Once before the officials of the town attempted to place the local dump on the outskirts of town but it was just like trying to move the Rock of Gibraltar, because the citizens of the town would not cooperate and what good is a dump without any rubbish?

A dump won't cost as much to rent as an epidemic of diseases which might be spread by the dump where we live it now would to control and I'm sure everyone will agree that he doesn't want typhoid fever, and that he doesn't want the dump located in his own back yard. From all dumps, rats, insects, and odors come and rats and insects are two of "old man disease's" best aides—as are ignorance and lack of interest in what happens to our community.

If the dump was located outside of town, Park Lake and the Mill Pond perhaps wouldn't smell so bad in early fall. Another thing, were you ever riding along some pretty country road or through some pretty little town and have the picture all spoiled by a few dirty tin cans and other rubbish dropped along the road by some lazy person who doesn't care about anybody else's road but his own?

This could all be avoided by a dump that could be located behind some trees or down a short lane out of sight, which would be a 100 per cent improvement on the place where our (Concluded on page four)

dump is located now. Our dump is just at the entrance of this town and what will visitors think when they see it there? Perhaps, that these people aren't very bright or else they are just lazy.

Now, really, is that the opinion you want expressed about this town and its inhabitants? If not, let's do something about it!

The Problem Column
Care of Theresa Lane

Dear Miss Lane:
For eight years I have been keeping company with a young man, who attends Clarkston High School, whom I have seen five times a week and twice on Sundays during this period. He has now been lured from my secure and unselfish devotion by a younger one year my junior. What can I do to regain his favor and secure from him, an understanding of some sort. Thanking you I remain:
HEARTBROKEN

Dear Heartbroken:
The formula for a complete comeback:
One set of crinkle curlers.
One complete set of irresistible make up.

One book on "How to Be Charming in Two Easy Lessons"
Two bottles of Mouthwash.
One Newly Revised Personality.

In conclusion, I might add, that this has never failed yet.
Dear Miss Lane:
I am writing in defense of the modern young men of today. Lately, the school which I am obliged to attend has been literally "swamped" with females who look down on one

from six inch spike heels; who talk to one from overwhelming red lips and obnoxiously tinted finger nails, the very thought of which nauseates and exhausts me. Will you kindly write a few lines concerning this disgusting display. You'll have our unending gratitude if you will help us in this campaign.

One of The Crowd
Dear One of the Crowd:
There are farms located in Alaska which the government is urging people to settle, this would be the ideal solution to your problem, for there you will find only the quiet and demure type of pioneer woman.
