 Rev. Jacobus sends the following message to his friends in this community:
 First Baptist Church, Vassar, Mich. June 11, 1937.

Dear friends Everywhere:
 SUNDAY JUNE 20th is HOMECOMING DAY for all of our members and all of our friends. This originally was BRIDES & GROOMS DAY; and to them, again, we extend a most cordial invitation; but the day has been enlarged to include the many friends of the Church and the pastor and also to be a HOMECOMING DAY for our membership. Please put this day aside right now and trek early toward the North. For those who will want a part in the dinner served on the lawn or spacious porch of the preacher's domicile, they may bring a contribution basket for a picnic dinner.

The morning service begins at 10:30. The pastor will preach—the subject will be, "WHY WAS JESUS A CARPENTER?" There will be special music and singing—a service you will remember! An acousticon has been installed to enable the hard-of-hearing to enjoy the service; so, if you are thus afflicted and have not heard a service for years, you will hear this one. NOW, EVERYBODY, C*O*M*E!!!
 Sincerely yours,
 J. Wallace Jacobus.

Waterford Church will be the scene of another Penny Supper on June 25th at 6 o'clock. The Ladies of the Willing workers circle will serve. The President Mrs. Earl Schwalm named the following committees to have charge.

Kitchen Committee: Mrs. Howard Mortimore, Mrs. Lovell Spaulding, Mrs. H. Dryden, Mrs. Portt, Mrs. E. Britain and Mrs. E. Hurd.
 Dining room committee: Mrs. Ainsworth Wyckoff, Chairman, Mrs. David Mephäm, Mrs. Otto Duguid, Mrs. Carl Zanders, Mrs. Joseph Helman, Mrs. T. Wiles.

Let Us Be Thankful
 We have had rain and sunshine, warm days and cool nights which are conducive to relaxation and rest, work and time for play, our crops are producing well, our prospects for an abundant harvest are encouraging.

These features were not evident as I journeyed to the northern part of our state last week on business. Rather—on the contrary, there were marks of great damage to that section. I was informed by natives of Cheboygan County that there had been only one rain in their locality during this entire Spring. The truth of this fact was borne out by my own observations as I drove along the paved highway. Great clouds of dust like a smoke screen came sweeping across the highway before me. It was necessary for me to close the windows of the car. Then, too, forest fires were raging on both sides of the highway but at a safe distance to provide safety for the tourist. The very fact that everything was so dry made it an easy prey to forest fires. Smoke ascended up far into the heavens and formed great black and white clouds. This being insufficient to complete the havoc—many legions of army worms came along to strip the trees of their green Spring dress, thus, giving the woods the appearance of the Fall of the year in some sections. Basswood and maybe maple trees around my cottage which are some sixty or seventy feet in height were completely relieved of every leaf on them. Two and three army worms could be counted on mostly every blade of grass. They crawled over the houses, up and down the windows and screen doors, found entrance through minute holes even into the houses. The ladies, whenever going out of doors, covered their

heads to keep the worms from falling in their hair and on their necks. How many of these trees will die because of being stripped of their leaves—time alone can tell. Wherever these worms attacked the woods; a deplorable scene was presented. Clinging to the sides of the trees they appeared like swarms of honey bees. A great cluster of them was even hanging to the chimney on my cottage. I came back with a self satisfied conviction that Oakland County was after all about the finest place to live in the State of Michigan. Again I say to my good readers of the Clarkston News—

Let us be thankful!
 Yours for success and happiness,
 Rev. Howard Jewell of Waterford, Mich.

 The Flag staff was purchased by the Bible Class and presented to the church on Sunday with the flag that Rev. R. M. Traver gave to the church during the world war, flying. In spite of the rain over 90 were present in the flower bedecked chapel.

The Dixie Ann Circle met on Thursday evening at the home of Mrs. E. D. Spooner, with 16 present. The President Mrs. Henri Buck conducted the meeting.

Plans were completed for a contest for summer months. Mrs. John Gillespie and Mrs. James Saylor were chosen leaders. Mrs. Gillespie chose Mrs. Henry Mehlberg, Mrs. A. McCaffrey, Mrs. Henri Buck, Mrs. Bessie Owen, Mrs. E. D. Spooner, Mrs. Louis Dorman, Mrs. Wm. Kratt, Mrs. Leonard Eakle, Mrs. Howard Burt, Mrs. Arthur Walter, Mrs. John Myers, Mrs. John Miller and Mrs. Chas. Chase to assist her. Mrs. James Saylor has as her helpers Mrs. Smith, Mrs. James Stites, Mrs. Wm. Hunt, Mrs. Nellie Hood, Mrs. Charles Roehm, Mrs. Donald Williams, Mrs. Oscar Virgin, Mrs. O. D. Anderson, Mrs. Lloyd Gidley, Mrs. Ida Hayden and Mrs. Arthur Babbs.

Following the business meeting the hostess served dainty refreshments. The next meeting in July will be held at the home of Mrs. Oscar Virgin.

Mr. and Mrs. Every Smith are having their home painted this week.

Mr. and Mrs. E. D. Spooner called in Clarkston Sunday afternoon at the homes of Mr. and Mrs. Louis Walter and Mr. and Mrs. George Slayton.

The Good Will Club was entertained Wednesday at the home of Mrs. Bessie Owen. The hostess served a one o'clock luncheon. The program was in charge of Mrs. F. M. Thompson and roll call was responded to with current events. The short business meeting was in charge of the Pres. Mrs. Mehlberg.

The homes of Mr. and Mrs. Kenneth McVittie, Mrs. Ida Hayden, Mr. and Mrs. John Myers, and the Waterford Church have benefited from a clean up—paint up—remodel campaign. All in all Maple Street has taken on a prosperous appearance. The trees are more beautiful than ever. Mere words fail to tell the real value of these trees and it is to be hoped that the rush of time will not cause their removal.

The members of the Red Group who gave a party for the winning Blues Friday night had a wonderful three decker cake trimmed in blue and white, with blue flowers topping the frosting. In blue were the words "Congratulation Blues". All enjoyed a wonderful time. The interesting part of the contest was that the blues won by 39c. Each side earning over \$20.00 apiece.

GAYLORD WILL BE HOST TO VISITORS

Annual Outdoor Festival Occurs June 25 to 27

Gaylord will play host to thousands of recreationalists and outdoor lovers on June 25, 26 and 27. This will be the Fourth Annual Gaylord Outdoor Festival.

The event is yearly being sponsored by the local Chamber of Commerce, and has developed into a very much looked forward to event, attracting many persons from the south and central west.

Otsego County can boast of 101 lakes and 150 miles of excellent trout water, all of which have been stocked regularly by the Michigan Department of Conservation.

Scenic drives along forest trails have been carefully mapped out, offering to the tourist, Michigan in all her wild life glory. Fly and bait casting events will attract sportsmen from various sections of the state. Champion exhibition casters will perform, including nationally known Curley Moulton, of Geneva, Ohio.

At the festival headquarters will be one of the largest and most interesting collections of wild life specimens ever shown. Large cash prizes will be awarded to fishermen of all species of fish. Ben East, of international fame as wild life authority, will display interesting moving pictures and slides, accompanied by lecture. Coon dog trials will attract owners of famous dogs throughout the country.

Mr. and Mrs. Fred Bear, accompanied by several other archers, will give exhibitions in archery. Mrs. Fred Bear is a former Michigan champion, and their performance is highly anticipated.

Saturday evening, the 26th, the Festival Queen will be crowned, following which the Queen's Ball will be staged in the high school gymnasium to the music of a very popular orchestra. You are urged to come and bring your friends.

A Lively Former "Follies" Beauty's Latest Exploit

An article in The American Weekly with the June 20 issue of The Detroit Sunday Times, tells how a former show girl declined the hospitality of police who insisted upon providing a free room for the night. . . but after a strip-tease exhibition she went to sleep in the station house in the "raw".

Say you saw the adv. in The Clarkston News.

ROAD BUILDING FUNDS ARE NOW AVAILABLE

A bill appropriating \$5,000,000 a year to the state highway department for new construction is now ready for Governor Murphy's signature.

The bill, which originated in the Senate, was passed by the House last week by an overwhelming vote of 88 to 7. The measure drew heavy non-partisan support on its journey through the legislature. Only 12 members of the two Houses voted against it.

Murray D. Van Wagoner, state highway commissioner, is depending upon the appropriation to avoid a road-building holiday. The funds are needed, he points out, to match Federal Aid money and to permit some construction on state trunklines that are not located on the Federal Aid highway system.

HOLLY THEATRE

The tensely human story of a love that affected nations is drawn vividly in the fictional drama of "Parnell, Metrogoldwyn-Mayer offers at the Holly Theatre, with Clark Gable and Myrna Loy in the starring roles.

It closely follows the spectacular career of Charles Stewart Parnell who found a great love more powerful than a great cause.

Gable and Miss Loy are superb in their respective roles as the fiery Irish leader and the beautiful Katie O'Shea, whom he loves beyond any fame or fortune that political power might bring.

"Parnell", as it is here presented, becomes international, although it remains essentially Irish, of course. But always, it is the dramatic love story of a striking individual and a gorgeous woman, presented with supreme artistry.

The supporting cast is one of the most impressive ever assembled for a picture. Included are Edna May Oliver, Billie Burke, Alan Marshall, Edmund Gwenn, Donald Crisp, Bertou Churchill, Donald Meek and others. In addition there is a spectacular group of native Irish who add realistic color to the scenes.

The Adult Bible class of the Methodist Church held their monthly meeting at the farm home of Mr. and

Mrs. August Doebler. This being the occasion of Mrs. Doebler's birthday a pot-luck supper was held at 6:30 in her honor, and a little gift of affection was presented to her by the members of the Class. There was a good turnout and a very pleasant evening was much enjoyed.

Mr. and Mrs. A. B. Wompole and daughter spent the last week end in

Dansville, N. Y. His father, who is 80 years old, made the return trip with them and expects to visit here for a few days. The Wompoles are expecting to have as their guests for this week end his brother and family, the M. R. Wompoles, from Catawba Island, Ohio. Mrs. A. B. is very happy right now because she received a lovely letter from her folks in San Leandro, Calif., telling her how they celebrated their golden wedding anniversary on June 7th. Mr. and Mrs. Buchholz are the parents of seven children, all of whom are living. They also are very proud of their three granddaughters and one grandson.

This message is an appeal to truck drivers. The trucking industry has achieved some remarkable results in accident prevention. There has been a great improvement in the past four or five years, not only in the conduct of these drivers, but also in their personal habits and their driving.

Occasionally, however, you will find several large trucks being driven along our highways very close together. This makes it difficult for private passenger cars to pass them because of the speed involved and the length of time it takes to pass two or three of these large trucks.

Truck drivers should maintain the proper amount of space between trucks in order that private passenger cars and others traveling at a faster rate of speed can turn in when passing these large trucks. It is an added measure of safety, and the same principle can also apply to private passenger cars traveling close together.

This is a dangerous situation and one that we can all help to correct.

"A Description of United States Postage Stamps", the new booklet issued from the Government Printing Office on June 1, is the most popular booklet ever turned out. The original order was 50,000 copies but with 25,000 filled the first week, 10,000 more waiting, it is estimated that the printing will go into the hundred thousands. Not only is there a demand in ing in from nearly every foreign country.

The first armoured ships were used by the Chinese, in conquering Siam. They were armoured with raw ox hides, which protected their crews from the arrows and stones hurled at them by the enemy.

Tall Tales

As told to: **ELMO FRANK E. HAGAN and SCOTT WATSON**

The Colorado Cinder Beetle

WHEN the Santa Fe railroad was built into Colorado, its coming brought rejoicing to the residents of the rich Arkansas River valley. It meant an outlet for their crops and prosperity. But that lasted only a little while. Then disaster swept down upon them.

Every night a large section of the roadbed disappeared. Something was taking away the cinder ballast. Train schedules were disrupted and there were endless delays until the damage could be repaired. In several cases freight trains were wrecked or derailed.

Santa Fe officials were frantic, for no one could discover what was carrying away the ballast. Finally a newspaper man, Charley Blakesley of the Kansas City Star, suggested that possibly the Colorado cinder beetle was eating up the ballast and his surmise proved correct.

How to check the ravages of the insects was the next problem. That was solved when it was discovered that the cinders used for ballast were from soft coal. So hard coal cinders were substituted and the cinder beetles broke their jaws trying to eat them. For some time, it is said, passengers on the Santa Fe were kept awake at nights by the cinder beetles screaming with the pain of their broken jaws. So the railroad speeded up the schedules of their passenger trains. They now went so fast that the passengers heard the moaning of the broken-jawed cinder beetles merged into a symphony of sound, like the rustle of wind through pine trees, that quickly lulled them to sleep.

When a harder race of cinder beetles developed with jaws capable of eating hard coal cinders, the Santa Fe was ready for them. They began using crushed rock and since that time have had no trouble with the little pests.

THERE'S A MICHIGAN TRAIL

A-WINDING...

• Tenting tonight on the old camp ground!

THE superb highways of Michigan are something more than efficient arteries of traffic. In the hands of the State Highway Department they have become truly roads of romance... pleasantly winding trails that add tremendously to Michigan's prestige as a great vacation State.

A major phase of the Department's work is the development of highways along our Great Lakes coast-line to give motorists the finest views of lake, shore and forest. Another phase is dedicated to roadside beauty and convenience... the care of trees, landscape projects, rustic drives, parking areas, springs, pools and cascades.

Resident or visitor, we can all gratefully salute a Highway Department that has made motor touring in Michigan a refreshing adventure in convenience and scenic delight.
