CLARKSTON, MICHIGAN, FRIDAY, JULY 23, 1937

NUMBER 47

VOLUME EIGHT

COMMENT AND CRITICISM

If it is news, tell the News about it. The chances are that we will present it better than it would appear being tossed over the back fence.

This week we take pleasure in publishing the school report for Waterford School. Next week the Drayton Plains and Clarkston reports are scheduled to appear. In this way those who were unable to attend the annual meetings are kept advised of school doings.

This week an advertiser who has been with us for the past six months signed a contract for a weekly ad for the next year. All of which proves the truth of our saying "Clarkston News ads bring results".

A base ball team, if winning, is an advertisement worth while for any town. Our local team, the "Clarkston Merchants" added last week's game to those they have won this season.

Three new advertisers this week. Another reason why you should take the News. These ads are messages of offers merchants wish to present to you. They are of mutual benefit to the reader and merchant.

The students of the Clarkston Station School will hold their 19th annual reunion on the 13th of August. They always report having a pleasant time.

Free movies are probably a good thing for a village. Anything that brings people into town for entertainment is probably a good thing. The next question is what are we going to do when they get here. Naturally we should do all in our power to satisfy them. But should they be immune from all laws or shall they be forced to obey the same laws we do. Common sense and our ordinance says that there shall be no parking in the entrance to the fire hall. People will not park by the side of a fire hydrant but altho the words "Fire Hall" are printed on the doors in letters a foot high, they will park in the entrance. This condition was true during the movies last Thursday evening, the 15th and will probably be true Thursday the 22nd.

"Faith of our fathers" is a strong tie. We presume we could even say that right will prevail. However the court bill, as this is written, seems to be a lost cause. Of course we are diplomatic and so we say it would be alright if Mr. Roosevelt were always to be president but we are afraid that his successor might not be so wise, when what we mean is our fathers decided that they were giving us a pretty good form of government and if anyone tries to change it watch him. We might also add to the thought truth prevails the C. I. O. Do not misunderstand us, the CIO is not dead, nor should it be. Unions have been with us for some time and are here to stay but we do believe that there should be no two branches of labor. And while we are on the subject of right prevailing, how about a third term for President Roosevelt. Even with the Republicans in office, Coolidge considered that if he ran again and served his term he would have been president for ten years and he "did not choose to run". We believe the present president would hesitate to accept the candidacy with the handicap, "running for a third term", would give him.

Andersonville

Mr. and Mrs. Ralph Pickering entertained the Davisburg Grange at their home on Wednesday evening. A cooperative supper was served at 7:30 and a fine program was rendered during the evening.

You are asked to remember the date of the Ladies' Aid annual bazaar, Wednesday evening, July 28th. Ice-cream and home-made cake will be served during the evening. Mrs. Edna Ware and Mrs. Bernice Ware have charge of the apron and miscellaneous booth; Mrs. Lou Hoxie and Mrs. Mary Burt, the baked goods and vegetable booth. There will also be a pop-corn and candy booth and a fish pond.

Mrs. F. Thomas Honored Tuesday

Miss Elaine Marshall Is Hostess

On Tuesday evening Miss Elaine Marshall entertained a number of her friends at a personal shower at her home honoring Mrs. Frederick Thomas (Adele Gardner) a bride of last May.

An assortment of wild flowers made the rooms very attractive. During the evening the group enjoyed playing appropriate games and of course the interesting part of the evening was the presenting of the gifts. Keys were hidden about the house and the guests had to search for them and give them to the honored guest who had to find the one that would unlock the rainbow treasure chest that contained the gifts. At the close of a very pleasant evening dainty refreshments were served.

The guests included, besides the honoree and her mother, Mrs. Oliver Gardner, Mrs. Ralph Marshall, Mrs. Harlan Oakes, Miss Lolita Mann, Miss Marguerite Andrews, Mrs. Sherman Hall, Mrs. Robert Jones, Miss Marjorie DeLind, Mrs. David Stewart, Miss Helen Tindall, Miss Elizabeth Belitz and Mrs. Edward Owen.

Legion Post Holds Annual Election

The Campbell Richmond Post of the American Legion of Clarkston held its annual election Tuesday evening, at which time the following officers were elected:

Commander: Elmer Collins
Vice Commander: Lyman Grist
Adjutant: Clarence Smith
Finance Officer: Henri Buck
Historian: W. H. Stamp
Chaplain: Charles Roehm
Sergeant-at-arms: James Saylor

Good Places to Eat On Warm Nights

Tonight the ladies of the Waterford Church are serving an especially good Penny Supper at the Church on Maple Street, just off the Dixie. There will be something on the menu to suit every taste and you can even finish with ice-cream. Make an effort to attend and save work at home.

And after you have had a good dinner at the Waterford Church you might just as well make an evening of it and make a trip to Seymour Lake where the Ladies' Aid is sponsoring an ice-cream social. If you have never tasted the ice-cream you get at Seymour Lake then you had better be there tonight or you will miss a grand treat.

Then on July 28th if you want to enjoy another good evening and have more delicious ice-cream and cake just take a trip to Andersonville where the ladies of the church are sponsoring their annual bazaar. They will serve ice-cream and cake during the evening and then too you can purchase some good home-made candy.

"In the spring a young man's fancy—" but why repeat that because right now it seems to be ice-cream, something to relish in this warm weather. So on August 4th the Ladies' Aid of the Clarkston Methodist Church will sponsor a home-made ice-cream and cake social at the church. You had better jot down all the ice-cream dates and then be there to enjoy your share.

Clarkston Locals

On Wednesday evening Mr. and Mrs. B. Comstock and daughter, Bettieann attended a birthday celebration at Square Lake honoring Miss Shirley Mae Gundry of Drayton Plains who was sixteen years old. A picnic supper was enjoyed. A large part of the evening was spent swimming and everyone had an exceptionally fine time. Shirley Mae received some lovely gifts and the best wishes of all of her friends.

Rev. and Mrs. C. E. Edwards expect to leave for Boston early next week. They will visit with the former's brother, Dr. Martin Edwards, at Wayland, Mass., and Mr. Edwards will spend several days in the Harvard Medical Clinic undergoing tests for glandular deficiency. They expect to return in about two weeks. During their absence the pulpit of the Methodist church will be supplied.

Oak Hill 4H Club Enjoys Weenie Roast

Eugene and Robert Hubbard Are Hosts

Last Monday evening the Oak Hill 4H Club met at the home of Eugene and Robert Hubbard. There were eleven members present.

At the business meeting Robert Sutton, the president, who was the delegate to the convention in Lansing gave a very interesting report of his trip. The group discussed the preparation of animals for the 4H exhibit to be held in Pontiac at the Washington Junior High School on August 14, 15 and 16. Mr. Hart, the State supervisor of 4H Clubs, will join the Oak Hill group on July 27th and make a tour and view the animals and projects that other 4H members in the County are preparing for the exhibition. Mr. Hart will advise the members and help them with any preparatory work. The club decided to hold the next regular meeting with Billy Allen on August 2nd.

After the business meeting the young folks enjoyed a weenie roast on the grounds at the rear of the Hubbard home. Everything was arranged very conveniently. An extension for the electric lights was strung from the house and the group got quite a thrill out of cooking the weenies over a charcoal fire in an improvised stove.

Black & White Kitty Becomes A Pet

Perhaps some of the readers did not know that a skunk could be petted. There is an old saying, "Seeing Is Believing" and if you still hold that this is true when it comes to petting skunks then all you have to do is to visit Dr. A. W. Emery, veterinarian, who operates a pet hospital in Waterford on the Dixie Highway. This cute little kitty is only a baby with the softest fur that one can imagine. It is now minus the scent glands so is quite safe to handle. The tail is almost as long as the body and when you pick it up it will curl up into a pretty little ball of fur.

Churches

CLARKSTON METHODIST CHURCH

C. E. Edwards, Pastor
Sunday, July 25:
10:30 Worship and sermon.

11:30 Church school, Lewis Warden, Superintendent.

Your pastor will be away for the next two Sundays, Aug. 1 and 8, but there will be regular services at the usual time.

SEYMOUR LAKE METHODIST CHURCH

Sunday, July 25:
9:00 Worship and sermon by the pastor.
10:00 Sunday school, Mrs. Iva Miller, Superintendent.

Another of our famous home made ice cream and cake socials is being held tonight, July 23, at the Community house. The public is invited and all will be welcomed.

In the pastor's absence during the next two weeks the pulpit will be supplied. Regular services will be held.

WATERFORD CHURCH

Sunday School at 10:15, Supt. Henry Mehberg in charge. There are classes with teachers for all ages.
Church service at 11:15. The pastor, Rev. S. M. McFalls will bring the message. You are invited to attend. A welcome is waiting for you.

An Interesting Tale Of Long Long Ago

Bald Eagle and Seymour Lakes Named Over 100 Years Ago

It seems natural for a person to enjoy hearing tales of the long, long ago. The incidents of the past are what make history and some of these interesting incidents took place in our immediate vicinity.

Back in 1857 there passed from this earth a man, Arza C. Crosby, who helped build Springfield Township. In 1833 he with his wife and six children came from New York State to Michigan and made their home upon government land, the deeds were signed by the president, Andrew Jackson. In those early pioneer days their nearest Post Office and mill were fifteen miles away and were reached by an Indian trail. It was after the Crosbys settled in Springfield that the territorial road, afterwards known as the Saginaw turnpike, was built some six miles west of Pontiac. Mr. and Mrs. Crosby were the originators of the first school district in Springfield, the school being held in the grainery of their barn. They also organized the first religious meetings which were held in their log house until a school-house was built. Mr. Crosby organized the first road district in the township and engaged Capt. Parks of Pontiac to lay out the present roadway.

Many people have wondered how Bald Eagle Lake got its name also why the Lake northeast of town was known as Seymour Lake. Well Mr. Crosby was responsible for both names. It seems that he went on what he called a land-looking and hunting excursion and while on his travels saw and killed a number of bald eagles on an island in the lake and he at once gave the lake the name it is known by today. Then one day with his team he moved I. B. Seymour, his goods and cattle, to the Lake now known as Seymour Lake.

The Crosbys had neighbors but they were few and far between. Their nearest was a squatter who did not purchase his claim until sometime after settling upon it.

Mrs. Crosby passed away in 1884 and three children survived her, Horace Crosby of Oakwood, Mrs. J. W. Taylor of Lapeer and Mrs. J. B. Johnson of East Saginaw. She also left three step-sons, the eldest, Clark Crosby, lived in Clarkston and was well known throughout the County. Mrs. Crosby was greatly missed. During her late years she enjoyed telling the newcomers to the community of the trials and experiences of the early settlers.

The folks of the present day now know this Crosby farm as the B. F. Miller farm where Bradley Miller and his family now live. It was in 1896 that the B. F. Millers moved to this farm and they lived there for 25 years. It is interesting to hear Mr. and Mrs. Miller relate their first experiences on this old place for of course it was badly in need of care. The house, that is now the Bradley Miller home, had been used for a barn as there was no barn on the place at that time, and this house-barn could hardly be seen from the road on account of huge lilac bushes, weeds and grass. Many folks would have been greatly discouraged and would hardly have known where to start to clean the place up but not Ben Miller. He was young and ambitious and with the aid of his capable wife they soon had a very respectable looking farm. They built the barn that is still in use. Over the course of a few years many improvements were made to the place and about nineteen years ago the B. F. Millers moved into Clarkston. Ten or twelve years ago the Bradley Millers moved to the farm. The farm home today looks just as it did twenty years ago except that the porch has been enclosed.

The B. F. Millers were in business in town for many years and worked just as industriously as they did on the farm. Their present home is a very lovely structure on North Main Street and at the rear of the home, overlooking the mill pond, is a beautiful lawn and stately trees, which give the whole place the appearance of a haven of rest. Mr. and Mrs. Miller spend a good part of the warm season at their home in Lewis and the winter in the southlands.

Swimming Class Held Tuesday

Several Ready for Junior Life-Saving Test Next Week

Kick, Up, Breathe, Down, Bend, Out, such were the words that could be heard along the beach at Deer Lake on Tuesday afternoon when Miss Dorothea Lawrence conducted another Red Cross swimming and life-saving class.

There were not as many present as usual on account of the cool weather but those who did attend said that the water was very warm and they all enjoyed the hour very much. The beginners certainly are doing well. Children who were scared almost to death if they got water in their faces not three weeks ago plunged into the water just like expert swimmers. The teacher was greatly pleased with the progress these little folks made. Before very long these little boys and girls will be swimming as well as the older ones.

Several of the older children won their swimmer's buttons last week and are now getting ready to try their Junior Life-saving test which they hope to be ready to take next Tuesday. In order to get their swimmer's button they had to tread water for 30 seconds; float motionless; do a plain front dive; swim 100 yards, demonstrating two strokes, a side stroke and any other; swim 50 feet on back using legs only, and surface dive into 6 or 8 feet of water and recover an object. Each child must be twelve years before taking this test. Those who won the buttons and are preparing for the Junior test are, Charles Waid, Ralph Kennedy, David Wainman, Betty Drake, Ann Russell, Barbara Andrews and Maynard Scofield. Maynard who is a fairly good swimmer was absent when the other's tried for the swimmer's button but the teacher feels confident that he will be able to take both tests next week and keep in line with the rest in his class.

Every child in Clarkston should be allowed to take advantage of these free swimming and life-saving lessons. The parents are invited to go to the beach and see what wonderful progress the classes are making. The classes start every Tuesday at 1:30 and those desiring this instruction are urged to be there promptly.

Friends Entertained Tuesday Evening

On Tuesday evening Mr. and Mrs. George D. King entertained a number of their friends at dinner at their home. The occasion was Mr. King's birthday.

Dinner was served at 6:30 on the porch overlooking the beautiful grounds that surround the King home. Garden flowers were used as table centerpieces.

After a very lovely meal the guests enjoyed visiting and they especially appreciated hearing about the F. E. Davies' trip to Gaspe and Cape Breton Island. Mr. and Mrs. Davies had with them many pictures they had taken and others which along with their word picture gave the group a fine idea of the country they had seen and the people that inhabited some parts.

Mr. King received the best wishes of all his friends.

Community Events

July 23rd—Friday evening a Penny Supper will be served at the Waterford Church. Serving will start at 6:00 o'clock. Everyone is invited.

July 23rd—Friday evening—the Ladies' Aid of the Seymour Lake church will sponsor a home-made ice-cream social at the Community house. The public is invited.

August 4th—Wednesday evening starting at 7:00 o'clock the Ladies' Aid of the Clarkston Methodist Church will sponsor a home-made ice-cream and cake social at the Church. Everyone is invited to attend.

August 11th—Wednesday—the Royal Neighbors will spend the day at the home of Mrs. Luella Leighton at Williams Lake. A picnic dinner will be served at noon.

BASEBALL NEWS

Sunday, July 18 At Clarkston

Clarkston, 9; Ramblers, 8

Clarkston took a six to two lead in the first two innings but in the third and fourth, Burrows, the Clarkston pitcher, became wild and with the help of a few errors the Ramblers took the lead 8 to 6. When Clarkston came to bat in the last half of the ninth the score was still 8 to 6 in favor of the Ramblers. Williams, first up for Clarkston, fanned; W. Kelly singled and took second on a bad throw to first after C. Souly lined out; Burrows singled, scoring Kelly; Trimark singled, scoring Burrows and L. Kelly doubled scoring Trimark and winning the game for Clarkston 9 to 8. Williams did a good job of relief pitching for Clarkston and received credit for the victory.

The team has elected Mike Trimark as manager and catcher of the team and Mike appreciated the honor.

Clarkston plays Fisher Body night-shift team a return game next Sunday at Fisher's home field.

The Clarkston team's record so far this season is seven wins and one loss.

Clarkston Woman Injured in Accident

Mrs. Hattie Locke, 72 years old, is in Pontiac General Hospital suffering from injuries received when two cars crashed on Walton Blvd. at Sashabaw road on Tuesday evening. She received a fractured right collar bone and bruises of the knee, hip and arms.

According to deputies Norman Locke, 55 years old of Clarkston was driving north on Sashabaw road when his car collided with one driven by Ralph Boatright of Pontiac.

TICKETS FOR FARM WOMEN'S WEEK MUST BE HAD

Secure from Mrs. MacLeod

All women who plan to attend Farm Women's week at Michigan State College July 25 to 30 are reminded that it is necessary for them to have reservation tickets in order to register.

These tickets may be secured from Mrs. Leona MacLeod, Home Demonstration Agent, whose office is in the Post Office Bldg., Pontiac.

Game Bird Season Has Been Extended

The game bill passed by the legislature and sent to the governor for his signature provides for a hunting season on ring-necked pheasants and ruffed grouse that is three days longer in the lower peninsula than last year.

The legislature set the open season for hunting these birds at Oct. 15 to Oct. 31, inclusive, in the lower peninsula. It set a season of from Oct. 15 to Oct. 31 on prairie chickens and sharp-tailed grouse in the lower peninsula north of northline of Town 16 north and west of Saginaw Bay and left the season closed on prairie chickens and sharp-tailed in counties south of that line.

Last year the upland bird hunting season in the lower peninsula was from Oct. 15 to Oct. 28, inclusive.

The legislature left the open season on ruffed grouse, prairie chickens and sharp-tailed grouse in the upper peninsula for this fall the same as last year—from Oct. 1 to Oct. 12, inclusive. Pheasants remain on the protected list the year-around to 1940 in the upper peninsula, by order of the Conservation Commission.

Clarkston Locals

Robert Jones, who is employed at the Bank, is enjoying his vacation. Mrs. James VanEvery of Detroit was the guest of Mrs. F. E. Davies on Wednesday.

Donald Sternberg of Clarkston and Irene Greenwald of Oxford have made application for a marriage license. Both young people are known in this vicinity.

At the biennial meeting of the Republican Women's Federation of Oakland County held on Tuesday in Pontiac Mrs. Milan Vliet of Clarkston was chosen second vice-president.

PRESTON ALLEN, Attorney, 265 Washington Sq. Bldg., Royal Oak, Mich.

STATE OF MICHIGAN—The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 14th day of July, A. D. 1937.

Present: Hon. James H. Lynch, Judge of Probate.

In the Matter of the Estate of William W. Sheldon, Deceased.

Mary C. Sheldon, executrix of said estate, having filed in said court a petition praying that the time for the presentation of claims against said estate be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said court.

It is Ordered, that four months from this date be allowed for creditors to present claims against said estate.

It is Further Ordered, that the 6th day of December, 1937, at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

JAMES H. LYNCH, Judge of Probate.
Florence Doty, Register of Probate.
Preston Allen, Atty. for Estate, 265 Washington Square Bldg., Royal Oak, Michigan.

Mary Louise Buck left last Sunday to enjoy two weeks at Camp Sherwood the Girl Scout Camp near LaPeer.

Be sure and attend the Penny supper at the church tonight. This is a good chance to eliminate some of your kitchen work in the warm weather and still enjoy a good home-cooked meal at a small cost.

You are asked to notify as many as possible about the school reunion at the school on August 7th. There will be a pot-luck dinner, a business meeting and a fine program.

Mr. and Mrs. H. B. Mehlberg and Mr. and Mrs. E. D. Spooner left on Thursday of last week for a trip to the western coast. They expect to be gone about three weeks.

Recent callers at the office of Rep. George A. Dondero in Washington—Mr. and Mrs. E. B. Howarth, and daughter and son, of Royal Oak and St. Petersburg, Fla. Mr. Howarth and Rep. Dondero were formerly law partners.

Mr. and Mrs. Murray Ashbaugh, their daughter, Caroline, and son, William, of Pontiac. Miss Helen Stroupe of Pontiac. Mr. and Mrs. Ellsworth and family of Oak Park, Royal Oak. Dr. Stewart W. McClelland, president of Lincoln Memorial University, Cumberland, Tenn. Dr. McClelland is well known in Michigan, having been an active member of the Monroe Exchange Club and an officer of the Michigan Affiliated Exchange Clubs.

At some time during their stay in Washington for the Boy Scout Jamboree, the Boy Scouts attending from the 17th district were guests of Rep. George A. Dondero. Scoutmasters Haskins, Sanderson, Chapman and Eimes were among those who brought groups of scouts to meet Rep. Dondero. These groups enjoyed a tour including the House Office building, the Senate, the House of Representatives, and other parts of the Capitol.

Another scout visitor was Edwin Pellowe of Saginaw, son of a former pastor of the Royal Oak M. E. church.

BIG PROGRAM AT STATE COLLEGE

Has Been Arranged for Farmers' Day, July 30th

There may be "nothing new under the sun" but the staff of Michigan State College intends to show a parade of new agricultural science to the thousands of farm visitors in the annual Farmers' Day program on the campus at East Lansing Friday, July 30.

New type barn roof construction is involved in one agricultural engineering demonstration. Miniature buildings will be tested for stresses and roof load limits. New floor finishes for cement, wood and linoleum will interest farmers as well as their wives.

Grazing management and time of cutting alfalfa are farm crops offerings during the day. In addition the department will show results of sugar beet transplants, time of plowing sweet clover for beans, soybean varieties and culture and potato experiments.

Twenty-six brood mares and their colts will be one of the program features for the animal husbandry department. The dairy department will exhibit results of a breeding program with proven sires. Forestry staff blowing sand with tree plantings. members will show how to handle Poultry demonstrations will include use of summer shelters for growing pullets.

The annual program starts off in the morning with a new type pulling endurance contest for competitive teams matched against a pair of college geldings. Trophies for the best team and the best teamster are offered by the Michigan Horse Breeders association.

After the contest and departmental programs, the afternoon entertainment and education will include a fact parade depicting sources and size of Michigan's agricultural income. E. L. Anthony, dean of agriculture, V. R. Gardner, experiment station director, and R. J. Baldwin, extension director, will make brief addresses.

For Homemakers

Hot weather or cool, the dressmaker who wants to obtain praise for the clothes she wears or sells should put the pressing iron after it has cooled off. For pressing in the minds of clothing specialists is a major part in adding a tailored look to new clothes, even before the goods are cut.

Suggestions from Marjorie Eastman, clothing specialist at Michigan State College, offer the conclusion that pressing is important at various stages of the work as well as when the garment is finished.

She suggests first pressing the folds and wrinkles out of the fabric before starting to cut it. If the parts of the pattern are pressed, the cutting can be more accurate, too.

If ornamental features, such as pockets, are made before sewing up the seams, they can be pressed while the section is flat. Collars, cuffs and other parts made separately, may be completed and before they are attached to the garment. After darts, tucks or pleats have been basted and that portion of the garment tried on, it is time to stitch and then press these details.

Stitched seams are pressed open, particularly if they are later crossed by other seams, as when the waist and skirt of a dress are joined. Sometimes the iron can be used instead of basting a hem or turning a narrow edge. It is a great help in making bias binding or piping that must be folded evenly.

Midget Auto Races Will Be Resumed At Davison Sunday

Twenty-five of the fastest cars and best drivers in the country will be at the Davison race track Sunday night for the resumption of the weekly Midget auto races, which always attract several from Holly. There was no meet last Sunday night due to the track being softened for the harness racing.

Prominent among the drivers will be Howard Dauphin, driving a car formerly owned by Jimmy Snyder, and holder of speed records. Jimmy is tied up with a big car contract that will not allow him to drive in midgets, they being classed as too dangerous.

Mrs. Jake Jacobson asks that apologies be given to all who watched her race at the last meet. "Frankly," she said, "I lost my nerve. I took the car around the track early in the afternoon, it was so slippery and unmanageable that one time while skidding the west turn I just narrowly avoided going through the fence. Then after

ANNUAL MEETING JULY 12, 1937

Annual meeting of School District No. 9, Eri., Waterford and Independence Townships, held at school house for the purpose of electing one trustee and any other business that may come before it.

Meeting called to order by President King.

Minutes of 1936 annual meeting read and approved.

Treasurer's report read by Treasurer H. Mehlberg.

Motion made by C. Roehm supported by Walter Whitfield that report be accepted as read. Carried.

Motion made by C. R. Wood seconded by Walter Whitfield that school bus be operated and expenses paid by school district for year 1937-38. Carried.

Nominations declared in order for successor to Mr. King as trustee. Glen Campbell and Howard Burt appointed tellers.

W. Whitfield nominated P. King. E. Biddinger nominated C. R. Wood. Grace King nominated L. Girst. Floyd Wilson nominated R. Maybee. C. Roehm nominated W. Whitfield.

Nominations declared closed. Results of first ballot: P. King 7, C. Wood 16, L. Girst 8, W. Whitfield 6, R. Maybee 6.

2nd ballot: P. King 9, C. Wood 16, L. Girst 7, W. Whitfield 4, R. Maybee 5.

3rd ballot: King 13, Wood 19, Girst 7, Whitfield 1, R. Maybee 1. No majority so ballots passed for another vote.

4th ballot, King 13, Wood 22, Girst 2. C. R. Wood declared elected. Motion made meeting adjourn.

N. R. E. S. Fills Many Jobs for Workers

The National Reemployment Service found 2456 jobs for residents of Oakland County during the first six months of this year, Major Howard Starret, State Reemployment Director, reported today.

The semi-annual report of the NRS, a division of the U. S. Employment Service operated under the Department of Labor, showed private jobs were seven times what they were for the same period a year ago.

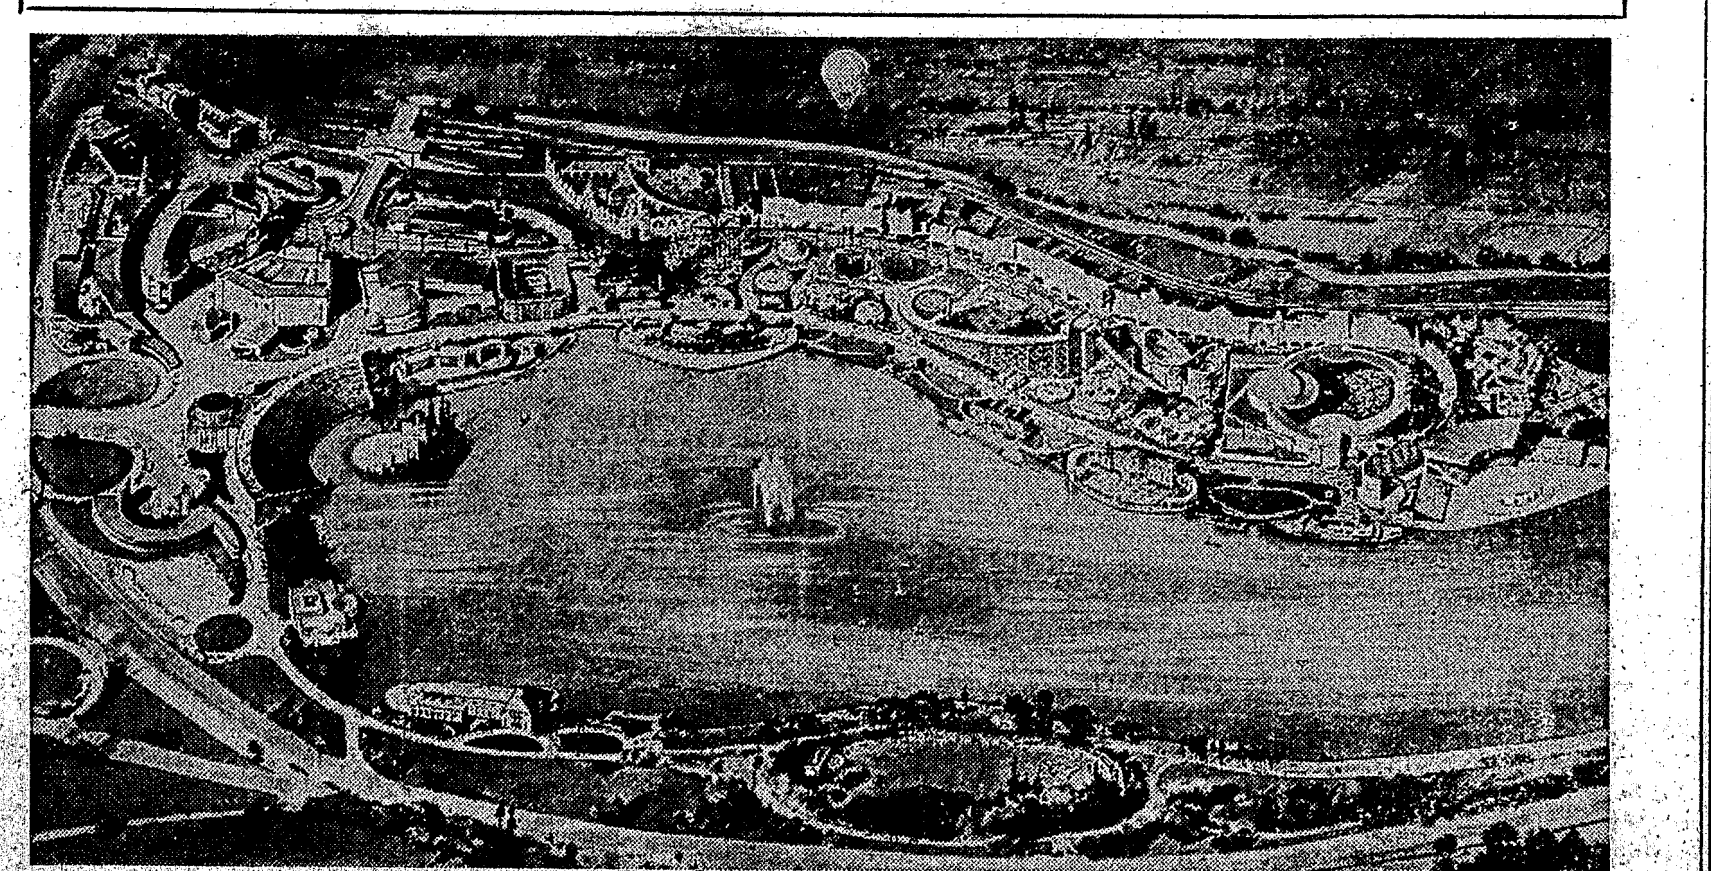

Throughout Michigan, 63,029 persons were sent to work. Only 6,115 of these persons were sent to Federal

Hazard of Fog May Be Removed

A light that will cut the densest fog is the latest objective of a public safety experiment to be launched on the state highway system.

At the request of State Highway Commissioner Murray D. Van Wagener, the state administrative board has granted approval for the experimental project to be carried out by the Detroit Edison Company.

1939 NEW YORK FAIR'S TWO MILE AMUSEMENT LOOP

NEW YORK (Special)—"The 1939 New York World's Fair has planned to have the largest area and the greatest number and variety of amusements ever provided for any exposition in the world," announces Grover Whalen, President of the Fair Corporation, "but let it be understood, too, that we are already assured of producing a fair that will be remembered for its bold treatment of today's problems and for its path-finding to the World of Tomorrow."

than that of any amusement park in the world. Following an entirely new pattern that lends itself to the development of new and novel amusement and entertainment features, the sector is featured by the two-mile looped thoroughfare, flanked on one side by a continuous facade 70 feet high and on the other by the more open and landscaped area extending to the east shore of Meadow Lake.

**SCOUT JAMBOREE
 WAS BIG EVENT**

**Congressman Dondero Has High
 Praise for Organization**

Representative George A. Dondero of this Congressional district writes the Advertiser as follows concerning the recent Boy Scout Jamboree in Washington:

"The Boy Scouts have just completed their International Jamboree in Washington, D. C. They have been here about 10 days. They came representing 24 nations of the world. They exceeded in number 27,000.

"We in Washington had an opportunity to observe them, to dine with them, and to extend to the boys of our district and state such courtesies as lay within our power to grant. They took advantage of the opportunity and visited both Houses of the Congress and the Capitol. They came to our offices to visit; they were upon the streets and highways of the city in large groups and numbers. In all the time they were here, they were the most orderly, well conducted, quiet, and courteous group which has visited the capital city during the nearly five years I have served in the Congress of the United States. They were an honor and a credit to the districts and the states from which they came. They deserve the respect, the admiration and the support of every law-abiding citizen.

"The Boy Scout movement is a splendid work. The boys will be better citizens because of their scout training and as we have better citizens we will have a better country."

Attendance figures this year have been completed up to June 26. The total number of visitors as of that date was 1,972,013; total number of camps, 4,508.

In comparison to last season's records for the same period, the number of visitors is higher, but the number of camps lower. Visitors to and including June 27, 1936 totalled 1,820,286; camps 5,134.

HOLLY THEATRE

Holly movie fans who go Sunday to the opening of the Cosmopolitan comedy-drama, "The Go-Getter," are warned by critics to be prepared for a shock right at the beginning of the picture.

The episode that introduces the star, George Brent, is a reproduction of the tragic crash of the U. S. dirigible Macon into the Pacific Ocean a few years ago. Brent is a member of the crew as she goes down. He escapes with his life, but loses a leg, and therefore has to quit the Navy and get a job in civil life.

In this manner he meets up with Peter B. Kyne's famous old fiction character, Cappy Riicks, played by Charles Winninger.

Brent also meets Cappy's daughter Margaret, who is played by the ethereal blonde star Anita Louise.

The movie deals with the various tests through which old Cappy puffs Brent, before giving his consent to a courtship—and how Brent successfully emerges from them.

Warning! It's "Angel's" day off, which means Trouble in the office! Whizzing headlong into the Office looking for Trouble is "Ginger" Jane Withers, harum-scarum half-pint of dynamite off on her hip-roaring rampage in "Angel's Holiday," Twentieth Century-Fox picture opening Tuesday at the Holly Theatre.

Mischievous Jane puts the "holler" into "holiday" when she routs the riot squad with its own tear gas and makes trouble as fast as she makes headlines when she turns detective.

Aided and abetted in her topsyturvy laugh spree by Robert Kent, Joan Davis and Sally Blane, Jane, turned sleuth, tracks down and plagues the very lives of a murderous band of gangster-kidnappers, who welcome the refuge of jail promised with the final arrival of the police.

Disrupting the disappearance, faked for publicity purposes, of movie star Sally Blane, Sleuth Jane finds that not a small part of the mischief she has done is to re-unite Robert Kent and Sally, two former sweethearts.

Bliss for the happy pair is deferred, however, by the interference of a band of mercenary gangsters who kidnap the "disappeared" Sally and hold her, Robert and Jane for ransom.

CHILDREN IN COURT

Judge Malcolm Hatfield

The price of a half fare bus ticket proved the means of landing a thirteen year old girl in the juvenile court today.

Twenty four hours before her apprehension by juvenile authorities for stealing from a ten cent store, this child had heard her mother tell a bus driver that she was eleven years of age. While the mother saved a small amount of money by misrepresenting her daughter's actual age, this proved to be the most expensive ticket she ever purchased for an example of dishonesty was set which the child was not slow in adopting.

FEW FOREST FIRES

Lansing—Few large forest fires have occurred in Michigan so far this year, the largest covering an estimated 3,000 acres in Presque Isle county. The 12,263 acres burned over is the aggregate loss from 722 fires. Authorities report, however, a grave hazard condition developing in parts of the upper peninsula due to dry weather.

ASK FEDERAL AID

Lansing—The department of conservation will ask federal permission to use CCC labor in construction of a tourist bathhouse, shelter building and sanitary facilities at P. H. Hoefft state park on Lake Huron northwest of Rogers City in Presque Isle county. Plans soon will be submitted for federal approval.

LEGAL NOTICES

Marshall E. Smith, Attorney, 416 Pontiac Bank Bldg., Pontiac, Mich.

MORTGAGE SALE

DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by Mrs. Mary Wiseman to William Dandison dated the 26th day of June A. D. 1920 and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 19th day of July A. D. 1920 in Liber 276 of Mortgages, on page 506, which mortgage was duly assigned by Forrest C. Dandison, Administrator of the Estate of William Dandison, deceased, by assignment dated June 11, 1925, to Eliza Dandison, widow of William Dandison, deceased, and recorded October 15, 1925, in Liber 577 of Mortgages, Page 441-2 on which mortgage there is claimed to be due at the date of this notice, for principal and interest, Taxes and Insurance the sum of Three thousand One hundred forty and 37/100 (\$3,140.37) Dollars, and an attorney's fee of Thirty-five and 00/100 (\$35.00) Dollars, as provided for in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in the mortgage, and the statute in such case made and provided, on Tuesday, the 12th day of October, A. D. 1937, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw Street entrance of the Court House in the City of Pontiac, Michigan, that being the place where the Circuit Court for the County of Oakland is held, sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with 7 per cent interest, and all legal costs, together with said attorney's fee, together with any taxes or insurance that may be paid by the undersigned prior to such sale on the mortgaged premises, which premises are described as follows: Property situated in the City of Pontiac, County of Oakland and State of Michigan described as Commencing at the southeast corner of land owned by Lillian J. Beal on the West line of Ferry Street, thence westerly about one hundred and seventy feet to land of State of Michigan, on the 22nd day of July, A. D. 1931 in Liber 673 of Mortgages, on page 485-6, which mortgage was assigned on January 15, 1932, by Jacob R. Rupp and Edith V. Rupp, his wife, to George H. Harris and Kitty Harris, his wife, and recorded January 21, 1932, in Liber 701 of Assignments of Mortgages, on Page 36-7, Oakland County Register of Deeds Office, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of One thousand Six hundred Twenty-four and 50/100 (\$1,624.50) Dollars, and an attorney's fee of Thirty-five and 00/100 (\$35.00) dollars, as provided for in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in the mortgage, and the statute in such case made and provided, on Tuesday, the 7th day of September, A. D. 1937, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw Street entrance of the Court House in the City of Pontiac, Michigan, that being the place where the Circuit Court for the County of Oakland is held, sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with 6 per cent interest, and all legal costs, together with said attorney's fee, together with any taxes or insurance that may be paid by the undersigned prior to such sale on the mortgaged premises, which premises are described as follows: Property situated in the City of Pontiac, County of Oakland and State of Michigan described as Commencing at the southeast corner of land owned by Lillian J. Beal on the West line of Ferry Street, thence westerly about one hundred and seventy feet to land of State of Michigan, on the 22nd day of July, A. D. 1931 in Liber 673 of Mortgages, on page 485-6, which mortgage was assigned on January 15, 1932, by Jacob R. Rupp and Edith V. Rupp, his wife, to George H. Harris and Kitty Harris, his wife, and recorded January 21, 1932, in Liber 701 of Assignments of Mortgages, on Page 36-7, Oakland County Register of Deeds Office, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of One thousand Six hundred Twenty-four and 50/100 (\$1,624.50) Dollars, and an attorney's fee of Thirty-five and 00/100 (\$35.00) dollars, as provided for in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.

George H. Harris and Kitty Harris, his wife, assignees of mortgagees.
 Dated June 8, 1937.

Nearly everybody has his own precious ideas about what causes automobile accidents. It all depends on the point of view. Some people believe it is the slow drivers, others lay it to the weather, some to the road surface, and many to the car itself. All these factors and many others contribute to the large toll of accidents. One of the very important causes should be listed as poor equipment.

There is no single cause. For instance, where would you place the blame when a car with bad brakes on a slippery pavement hits a pedestrian whose head is hid behind an umbrella? Since there is no single cause, there can be no single remedy. It requires the combined cooperation of every living soul to do his utmost to prevent accidents.

New York Fair Hall to Feature Radio and Television

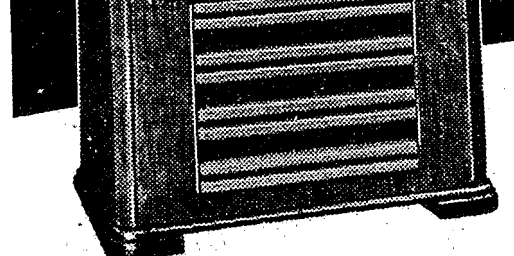

NEW YORK (Special).—Radio, television, movies, telephone, telegraph, photography, news and magazine print—all those factors as they relate to communications in American life—will have their own pavilion and ten-acre exhibit zone at the New York World's Fair of 1939, according to an announcement by Grover Whalen, President of the Fair Corporation.

The Hall of Communications will be built this year on the 121 1/2-acre exposition site within a few minutes ride from mid-town Manhattan. Its location is adjacent to that of the unique Theme Centre structures, which with their "thousand wonders" will dominate the Fair grounds. About the Hall will be grouped ten acres of buildings to be connected by private exhibitors in the communications industry, said Mr. Whalen.

Before the building will be two ultramarine pylons, 100 feet high and faced with continuous glass lighting fixtures. Features of the structure are a great hall in which will be placed the focal exhibit summing up the role of communications in the World of Tomorrow, and a glass-walled restaurant opening onto a dining terrace and garden. The total length of the Hall of Communications will be over 400 feet. Its cost is estimated at \$400,000. Numerous other Fair structures are emerging from stages of design. Construction of the exposition, however, will not reach its peak until early next year.

Special Until JULY 31st 1937

THIS \$40 "KITCHEN RADIO" FREE!

WITH EVERY MODEL 67 WD or 68 WSD 1937 GRUNOW REFRIGERATOR

 Mr. and Mrs. F. E. Davies and daughter spent the week-end on the shore of the AuSable.

Mr. and Mrs. Ira Herron of Pontiac visited at the Durand Ogden home on Wednesday.
 Mrs. Essie Cone of Pontiac called on friends in Clarkston on Wednesday.
 Mrs. F. E. Davies entertained her contract club at her home on Wednesday afternoon. Luncheon was served at one o'clock.
 Kenneth Rockwell has returned

from a ten day visit at the home of Mr. and Mrs. J. Ross Deal of Rockwood, Penn.
 Mrs. John Maynard and Mrs. Warren Wixom of Walled Lake were guests at the T. L. Parker home on Wednesday.
 Mr. and Mrs. W. J. Murray were hosts to a number of their friends at dinner at the Clarkston M. E. Church on Wednesday evening.
 Mr. and Mrs. Leslie Simpson of Jackson were guests at the home of Mr. and Mrs. Durand Ogden last Sunday.

their guests for the week Mr. and Mrs. Albert J. Duden of Akron, Ohio, and Mr. Duden's niece, Miss Viola Duden, of Des Moines, Iowa. Mrs. Comstock was unable to go on account of substituting for Mrs. Badgero, local telephone operator, who is on her vacation for three weeks. However Mrs. Comstock entertained the A. J. Dudens and Miss Viola for three days before they went north.

BEGIN SPRAYING ROADSIDE TREES

State Highway Department Is Now Engaged in Work

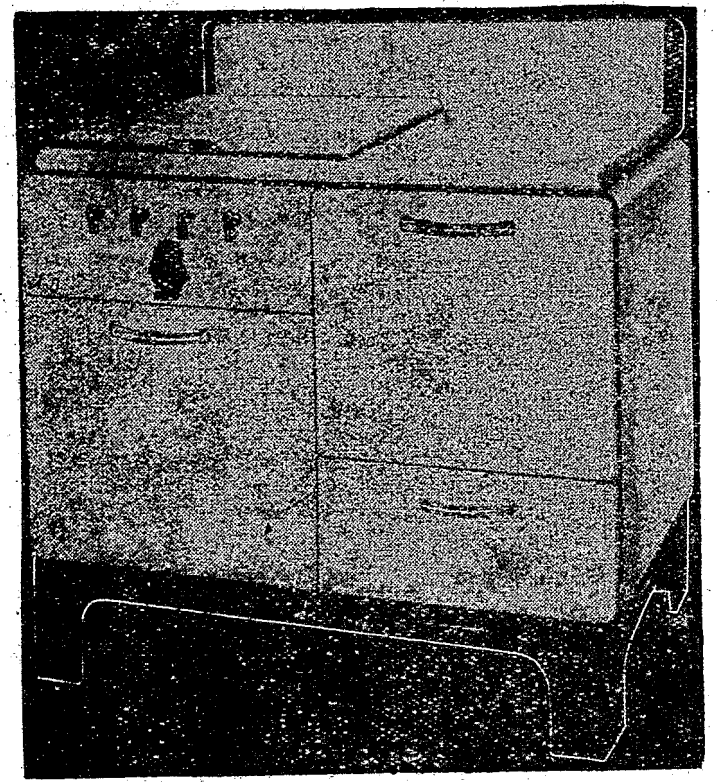

The state highway department's summer spraying program on roadside trees is now in full swing. As a result, leaf-eating caterpillars which are expected to hatch immediately, will run into concentrated doses of arsenate of lead when they attack shade trees along the highway department's right-of-way. Mixed with the lead arsenate is a heavy oil that makes the solution stick to the trees even during rainy weather.
 The spraying program, which started in June, has covered more than 25 of the 42 counties in the Lower Peninsula. Four highway department districts are being covered in this program.
 For the first time, the department is spraying trees that have been transplanted the last five or six years.
 Spraying of elm trees against canker worms has already been completed. The work is now being concentrated on walnut, butternut, hickory nut, and wild cherry trees. Sprayers combat not only the leaf-eating caterpillars but also the young scale that is just hatching.
 Four high-pressure sprayers are used by the department in this program. It was initiated for the first time last year by State Highway Commissioner Murray D. Van Wagener and met with widespread approval.

Cook Quicker With GAS

Enjoy More Leisure This Summer With a Modern GAS RANGE

Don't work over a hot stove another summer. Relax with a modern gas range. Its insulation will keep your kitchen cooler, its time and labor saving features will provide more leisure hours for your enjoyment.

We'll Put This New A-B Gas Range In Your Home on FREE TRIAL

Yes, without any obligation whatsoever we will install this new modern A-B Gas Range right in your home so that you can see for yourself just how it will simplify meal preparation.
 Prepare your daintiest meals, see how it bakes, fries, broils, then if you like the range and want to keep it you can pay for it for as little as 10c A DAY.

Trade In Your Old Stove

We will take your old stove as part payment on a new range. Come in now and see the many new improvements you can have in your home by taking advantage of this generous offer.

TESTED RECIPE
 From Consumers Power Home Service Kitchen
STUFFED PEPPERS
 6 large sweet peppers 6 tsp. butter
 2 cups corn Salt and pepper
 1 1/2 cups tomatoes, cut Bread crumbs
 Cut out stem end of peppers, take out seeds and wash. Mix corn, tomatoes, salt and pepper. Fill peppers with mixture, put one teaspoon of butter on each. Cover with bread crumbs, place in baking dish, and cover.

Extra Safe

COLLECTING LIQUID RUBBER ON FIRESTONE PLANTATIONS IN LIBERIA
 An ever-increasing supply of rubber comes from these plantations. Savings made by controlling raw materials and by more efficient manufacturing and distribution make extra values possible at no extra cost.

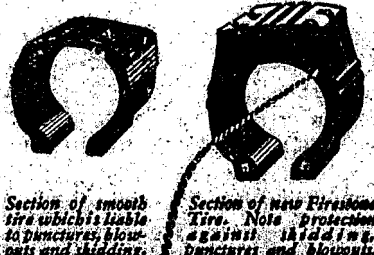

BECAUSE in Firestone Standard Tires—
YOU GET EXTRA PROTECTION AGAINST BLOWOUTS— eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. By this process every fiber in every cord in every ply is saturated with liquid rubber. This counteracts dangerous internal friction and heat that ordinarily cause blowouts.

PRICES AS LOW AS \$6.40
