Clarkston P. T. A. Met Wednesday

Plans Are Completed for Dance on Nov. 30th

On Wednesday night the Clarkston P. T. A. met in the English room at the school. There was a very good attendance.

The meeting opened with Community Singing led by Lewis Warden with Betty Ash at the piano. Many of the group had enjoyed a delicious dinner at the church and felt rather drowsy but the song leader soon had everyone wide awake and ready to absorb everything that followed. Then the school orchestra directed by Orlo Willoughby played some beautiful numbers which delighted the audience.

Mrs. Shotka presided at the business meeting and after several reports had been read, Mr. Winn was called upon. He gave a short talk mentioning the organizing of a school band and a safety patrol. Mr. Winn commented on the harmony that had been one of the outstanding features of the Clarkston P. T. A. ever since its existence. He asked for a continuance of the parents' cooperation with the teachers and vice versa.

The president then appointed a nominating committee, Robt. Waters, D. M. Winn and Mrs. Joseph Skinner. This committee will present the names of new officers at the December meeting. Mrs. Shotka thanked all who had cooperated with her during her term as president.

Mrs. F. E. Davies then gave a word picture of their trip to Nova Scotia last June. Her talk was exceptionally interesting.

The committees for the dance on Nov. 30th were named and will be announced next week.

The refreshment committee then served dainty confections.

Armistice Dance Draws Large Crowd

Last Friday night a large and happy crowd attended the Armistice Dance given at the school by the local Legion Post and Auxiliary. Each year many look forward to this gala affair and it seems that this year the party was just a little nicer than ever before. The music was good and the floor show was snappy.

During intermission refreshments were served by the ladies of the Auxiliary and the sandwiches, fried cakes and hot coffee seemed to give everybody new pep and a longing to dance for another few hours. The toy balloon dance made heaps of fun and added a little variety to the program.

There were many out-of-town guests and all enjoyed a fine evening. Although the Legion does not put on this dance with the idea of making money but to join with the people of the community to celebrate Armistice Day yet last Friday night the Post and Auxiliary did make a small profit which will be used in a charitable way. Christmas is approaching and it is the duty of every Post and Auxiliary to help in some way those in the Veterans' Hospitals and the children at the billet besides any needy in the community. The public is assured that any help they have given by way of patronizing any American Legion affair is greatly appreciated not only by the members but by those who benefit by the organization's work.

On Saturday night the local Post is sponsoring a Feather Party at the Clarkston Town Hall. This will be the last affair open to the public for this year. Your support is invited. There will be a grand door prize. Join with the crowd and have a good time.

Mrs. Mabel Elizabeth Scafe, 28, of 3219 Warren Drive, Drayton Plains, died Friday in Pontiac General Hospital. She was a member of the First Baptist Church. Her husband, Elton Scafe; her father, Fred Hockey of Pontiac, and a brother, Lester Hockey, and two sisters, Freda Paschal and Josephine Hockey, all of Pontiac, survive. Rev. H. H. Savage of the First Baptist Church conducted the funeral service Monday at 1 p. m. Burial was in Oak Hill Cemetery.

The one story, four room frame home of Mr. and Mrs. Clyde Warren, on Cheeseman street, was destroyed by fire early Sunday evening. The flames were discovered by a neighbor, Thad Taylor, during the absence of the Warrens, who were visiting in Pontiac. The fire spread rapidly and destroyed the entire house and its contents, as neighbors had no opportunity to save anything. The blaze is thought to have started from a stove. The house, built during the past summer, was insured for a portion of its value. Pontiac firemen, responding to the alarm, found the house practically destroyed when they arrived. Firemen were not allowed to give the cause of the blaze but estimated the loss at \$1,400 on the structure and \$600 on furnishings.

Miss Gladys Grahl of Detroit was a Sunday guest at the home of her parents, Mr. and Mrs. Earl Grahl.

The Mothers' Chorus will meet in the school auditorium Thursday at 10:00 a. m. Any mother wishing to sing is invited.

Clarkston received the kickoff and after about seven plays, mostly end runs, scored a touchdown with Clark carrying the ball. The try for extra point was unsuccessful.

In the second quarter Clarkston added two more points to its score by a safety. South Lyon had the ball in its possession near its goal line. Clark blocked the attempted punt, the ball rolled across the end zone and left the field of play, giving Clarkston a safety.

Throughout the whole game Clarkston was on the offense. South Lyon never threatened, not getting within thirty-five yards of the Clarkston goal line. The local lads failed to take advantage of several scoring opportunities in the third and fourth quarters.

GRADE NEWS

By Jewell Robitaille
Miss Wade's Room
We were so surprised to find two goldfish waiting for us when we came to school Monday morning. One we call "Goldie" and the other we named "Spot" because he has black spots on his tail and fins. Both goldfish have large fan tails. We are learning a song about our goldfish and choose helpers each week to feed and take care of them.

Both the Kindergarten and First Grade have been weaving paper rugs. We have three Thanksgiving borders. One is a black and white silhouette of Pilgrims walking through the snow on their way to church. Another is a picture of three angry turkeys chasing the cook. They hope to get rid of him before Thanksgiving Day. On our front board we have a border of turkeys, pumpkins and corn stalks.

Mrs. Vilet's Room
Thanksgiving is a most interesting topic these days. Our Thanksgiving border displays appetizing fruit baskets and plump turkeys. We are singing seasonal songs and learning a rhythm-band arrangement of "Come Ye Thankful People, Come".

Fifth Grade
 Linda Myer brought some vinegar and Myra K. Rowley brought a chicken bone to put into the vinegar. The vinegar dissolved the calcium in the bone making it soft.

IN SHOPPING around I discovered that the prices of electric ranges were just about the same as the prices of other stoves of comparable size and features. There was very little difference. Imagine! All these years I've been wanting an electric range, and I've never bought one because I had a notion they were too expensive. They used to be—and I was simply amazed when I found out how prices have dropped.

"When I learned how reasonably you can buy an electric stove today, I didn't waste any time. I bought mine right away. It was too good a bargain to miss. With prices the same, I wouldn't have anything else BUT an electric range.

"What other stove gives you such **CLEANLINESS** and freedom from the problem of keeping kitchen walls clean? What other stove cooks without flame or matches? What other cooking gives such delicious **FLAVOR**? What other stove permits healthful **WATERLESS COOKING** of meats and vegetables right on the stove, without special waterless cooking utensils?"

"I looked at all of them, and only the electric range had every single one of these features. It wouldn't have been very wise to pay the same amount of money for a stove with none of these advantages. So naturally, I chose the electric range. Now I have a stove that will be modern for years to come, and I'm sure I wouldn't exchange it for any other stove in the world!"

ONLY AN ELECTRIC RANGE GIVES YOU ALL THESE IMPORTANT FEATURES

Today's Freight Trains

AMERICA has always been a great user of railroad freight service. Ours has been a major dependence on that service.

Have America's railroads speeded up their freight service to keep abreast of this faster era?

America has the fastest freight trains in the world.

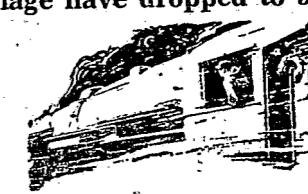

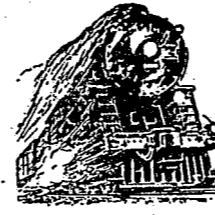

Many of them travel on schedules as rigid as passenger schedules. Many of them are speedier than passenger trains were 15 years ago. Many of them have cut from 5 to 20 to 30 hours off of their 1930 schedules.

Basically, America's freight trains have been speeded up 55% in the past six years. Freight trains with average speeds above 45 miles per hour are becoming the rule.

In 1922 the average freight train carried 676 tons of freight; consisted of 38 cars; maintained an average speed (including all stops) of 11.1 miles per hour, performed in the average hour a service equivalent to carrying 7,479 tons of freight a mile, with payments for loss and damage to freight amounting to \$1.11 per car loaded with revenue freight.

Today the average freight train carries 731 tons; averages 46 cars per train; has an average speed of 16.0 miles per hour; had an hour-performance equivalent of 11,718 ton-miles; and claims for loss and damage have dropped to 50 cents per loaded car.

A fast-moving world requires fast and efficient freight service. America's railroads are providing it.
