## COMMENT AND CRITICISM

Next holiday—Christmas.

If you did not attend the P. T. A. dance, that was your bad luck.

Do your Christmas shopping in your own community.

There will be no Township tax in Independence township this year. But do not confuse this with the idea that there will be no taxes, because in addition to a number of taxes that you pay in the price of what you buy, the usual taxes will be collected by your Township treasurer.

Greeting cards in the issue to be published the day before Christmas are now on sale, in fact nearly sold. If we have missed you just call 43.

Shop, wrap and mail your Christmas gifts—EARLY.

Some little boys and girls will be good so that they may have a visit from Santa. Wise little boys and girls will pray that there are no more wildcat strikes—for the same reason.

Gradually the township duties are being handled in the County seat. First they took the filing of chattel mortgages to the Register of Deeds. Then the control of roads was taken away from the township. After Jan. 1st, you will have to go to Pontiac for a driver's license. In a few years, at this rate, the town board will go by the boards and the rural people will be at the mercy of the State and County politicians, located if you please in the larger cities. Truthfully it has been said: "Liberty is only maintained by a constant battle for it."

Three weeks from tomorrow is Christmas.

## EROSION OF SOIL BEING CONQUERED

Control Measures Effecting Good Results on Farms

Farmers don't put up signboards advertising soil conservation, but any traveler through the country can see "signboards" that say to a practiced eye that farmers are adopting erosion control measures, according to R. C. Behymer, Project Manager, Soil Conservation Service, Howell, Michigan.

"These 'signboards' are usually found on sloping land, in pastures, forests, and even in gullies," Behymer said. "Their prevailing color is green, and the water running from these 'signboards' is usually clear, thus showing that the precious topsoil is not being stolen from the farm."

Contour bands of meadow alternating with similar strips of clean-tilled crops, is one type of "signboard" becoming increasingly frequent as the work of the Soil Conservation Service progresses. "These bands," Behymer explained, "denote that many farmers are adopting strip cropping to prevent further soil and moisture losses, for these farmers are appreciating what the loss of the top few inches of soil means, not only to themselves, but to those who will later till the soil."

"Curving rows on the contour instead of up and down the slope are a sign that farmers have chosen contour tillage to retard soil run-off," Behymer said. "Contour tillage is a very effective soil conservation measure that is getting widespread adoption where it is necessary to cultivate any sloping land."

"Terracing, another 'signboard', is dotting the landscape in many sections of the country. This soil and water conservation measure is being used very effectively by the farmers in the fight on soil erosion," Behymer stated.

"Not all soil conservation measures may be seen by the eye, but their effectiveness is fast becoming apparent," he said. "Pasture improvement, timber stand improvement, improved crop rotations, and liming and fertilizing were listed in this group."

## Clarkston Locals

Mr. and Mrs. Charles Brogman and Beverly of Drayton, spent Sunday with Mr. and Mrs. Allen Secord.

Mr. and Mrs. Hawley Skarritt and Mr. and Mrs. Jack Chisholm spent Thanksgiving with relatives in Gladwin.

## Christmas Decorations Beautify School Gym

P. T. A. Holds Last Dance for the Year

The last Clarkston P. T. A. dance for this year has come and gone and although the town supporters were few yet all who did attend had a very lovely time.

The spirit of Christmas was awakened by the little lighted trees, the red candles, poinsettias and evergreens that were used for the decorations. The large lights were not used, the Christmas tree lights, the candles and a flood lamp at one end of the room made the dancers feel that they were not in a large auditorium but in a cosy club room.

The orchestra tried to please the majority by asking them what dances they wished. Only one square dance was indulged in during the program. The young folks who took care of the check room aimed to please and were very alert when customers appeared at the check-room door.

Long tables were arranged in one of the corridors for the convenience of those who desired refreshments. Hot-dogs, doughnuts and coffee seemed to be enjoyed by mostly everyone.

The P. T. A. officers are appreciative of everything that was done to help and they wish to thank all the committees that served so faithfully.

## REQUIRE HUNTERS TO MAKE REPORTS

New Law Applies to Both Small and Large Game

Clarkston deer hunters who haven't yet reported on their luck—good or bad—during the season just closed are reminded that they are required to do so under an act of the last state legislature.

Those who killed bucks may not need much urging to put the fact on record, but the reports of those who came back from the northern deer areas empty-handed are equally important. Every hunter is required to fill out the report card which was attached to his license and mail it to the department of conservation before Feb. 15. Hunters who fail to do so are committing a misdemeanor.

The act applies not alone to deer hunters, but to all hunters of big and small game, birds and fur-bearing animals, and also to trappers. The report cards attached to small game licenses inquire into the number and kind of animals and birds taken. Those on the deer and bear licenses provided for a report on both the 1936 and 1937 seasons.

Data accumulated in the reports will assist state game specialists in research work and will contribute importantly to the gaining of a more complete picture of hunting and trapping conditions throughout the state.

## LIVE STOCK SHOW OCCURS NEXT WEEK

3-Day 4-H Club Exhibit Will Be Held in Detroit

Seventy steers and 252 lambs that have received feed and care fit for livestock royalty are being groomed by 4-H boys and girls all over the state for the eighth annual Michigan 4-H Live Stock show to be held in Detroit Dec. 7, 8 and 9.

Wednesday the boys and girls will parade their animals through the show rings. Thursday these same animals will go on the auction block when Andy Adams, Litchfield, wields the auctioneer's hammer and commission houses and packing plants bid for the animals.

From Oakland county, animals selected for the show include those of Joyce Zimmerman, Ortonville; Robert Clark, Oxford, and Jack Foster, Clarkston, Shropshire lambs; and Wesley Throop, Grand Blanc, Hereford steer, and Onalee Croup, Ortonville, Angus steer.

Nevels Pearson in the 4-H club department at Michigan State College has inspected each of the animals to determine sufficient quality to be entered in the show. Exhibitors will be eligible for championships, trophies, ribbons, breed association awards and sale prices of the animals. Purpose of the show is to stimulate the boys and girls to better animal production and showmanship.

In a banquet at the Statler Hotel in Detroit, Wednesday evening, the show participants will hear Paul Adams, Chicago, executive vice president of the National Live Stock Exchange. G. A. Brown, head of the animal husbandry department at Michigan State College, will serve as toastmaster. John B. Strange, state commissioner of agriculture, will present a message of welcome.

## Literary Club Met Tuesday

Mrs. William Kyle Was Hostess

The Clarkston Literary Club met on Tuesday afternoon at the home of Mrs. William Kyle with sixteen members and one guest answering Roll Call with a sentiment pertaining to Thanksgiving.

After the business meeting at which time the plans for a luncheon for the Christmas Party were made, plans for the Bake Sale were completed and each member was requested to bring some article of food for baskets for Christmas distribution, the following program was given; in the absence of Mrs. Charlotte Smith, Mrs. Frances Walter conducted a very interesting discussion on "The Landing of the Pilgrims". Mrs. Eli Fisher read an original poem.

The meeting adjourned to meet with Mrs. Rose Teggerdine on December 14th.

## Death Claims Mrs. Truax Eaton

Funeral Was Held on Sunday Afternoon

Early on Thursday morning of last week Mrs. Elmina Truax Eaton passed away at the home of her daughter, Mrs. R. N. Smith in Davison.

Mrs. Eaton was the daughter of early pioneers of Oakland County and spent the most of her life here. Besides her daughter, Mrs. Smith, she leaves another daughter, Mrs. Delbert Clark and one son Fred Eaton, both of Flint; seven grandchildren and three great grandchildren.

The funeral service was held in Davison on Sunday afternoon. Interment was in Seymour Lake cemetery beside her late husband, James Eaton.

## 4H Summer Clubs Met in Ortonville

Robert Sutton and Eugene Hubbard Receive Honorable Mention

The local achievement program for the 4H summer clubs was presented at Brandon Grange Hall in Ortonville on Tuesday night, Nov. 23rd, at 7:30.

After the banquet the following program was presented—very pretty numbers by a brass trio, Dick Shaughnessy, Eugene and Robert Hubbard; singing by a group of Ortonville 4H girls; Leona Algoe of Ortonville, who was one of the 4H delegates chosen to represent Michigan at the National Convention in Washington, D. C. last summer, read a speech given at the Convention.

William Sutton, leader of the Oak Hill 4H group asked some of the 4H members what they had learned from their projects; Mr. Hart, State District leader and Mrs. Leona McLeod, home demonstration agent, gave brief remarks. After this the members were given their certificates and pins. Mr. Hart announced the four members to receive honorable mention. They are Leona Algoe and Onalee Croup of the Ortonville group and Robert Sutton and Eugene Hubbard of the Oak Hill group.

## Surprise Parties Popular This Week

Mrs. William Pierce and Mrs. Mary Green Were Honored

On Tuesday several neighbors of Mrs. William Pierce gathered at her home to help her celebrate her birthday.

A lovely pot-luck luncheon was served and during the afternoon card games were enjoyed. The awards went to Mrs. Ida Brandt and Mrs. Herbert Baynes.

Mrs. Pierce had a happy afternoon and appreciated the thoughtfulness of her friends.

On account of Mrs. Mary Green's work keeping her busy on her birthday her friends had to forget a celebration but on Wednesday they made up for it all when twenty gathered at Mrs. Green's home.

At one o'clock a delicious pot-luck dinner was served. In the afternoon the group had a good time visiting and doing fancy-work. Mrs. Green enjoyed having the group at her home and she felt it was a fine climax to a real vacation.

## Social Security Board Makes Payments

Many persons in the Pontiac area who are entitled to lump-sum payments under the social security act have failed to claim the money due them, it was said today by Walter B. Redman, manager of the old-age insurance bureau office in the Peoples State Building.

"Early this year the field research section of the social security board estimated that during the calendar year there would be about 690 claims for lump-sum payments filed in the district served by the Pontiac office," Mr. Redman said.

"So far only 80 claims have been filed indicating that some 610 other persons who were expected to seek these lump-sum payments before the end of 1937 still must do so although the year is nearing its end. Any person who has been employed in an occupation included in the social-security coverage is entitled to a lump-sum payment if he has reached the age of 65 this year," Mr. Redman added.

"Employers may file claims in behalf of these workers for whom no further contributions are to be made under the federal old-age insurance plan, once such employees reach the age of 65 years. These workers are entitled to a lump-sum payment equal to 3 1/2 percent of the wages they have received while working this year in occupations covered by the social security act."

"Similar claims may be made in behalf of all persons who have died this year after working in covered employments. Relatives or the estates of such persons may claim these payments which are also 3 1/2 percent of wages paid. It is not necessary to hire an attorney or an expert to file these claims as our office is prepared to give all necessary services in this connection," Mr. Redman added.

In the Cleveland region, which includes the states of Ohio, Michigan and Kentucky upwards of 4400 claims have been filed so far in contrast with a total of more than 35,000 expected this year.

## L. M. Clark Reenters Insurance Field

After being out of the Insurance business for several years, Lee M. Clark has, at the request of many of his former clients, reentered the local insurance field. Mr. Clark represents the Guarantee Mutual Life Company, a mutual legal reserve company established in Omaha in 1901, writing all kinds of Life Contracts for adults as well as an attractive line of juvenile policies. For the present his office will be at his residence on Holcomb Street.

## Young People Have Busy Week

Miss Eleanor Baynes and Miss Phyllis Boyns Entertain

On Saturday evening Miss Eleanor Baynes entertained a number of her friends at her home.

Several delightful hours were spent playing games and dancing.

The guests included Miss Louise Gulick, Miss Genevieve Beardslee, Miss Mildred Butters, Miss Phyllis Boyns, Durward Ash, Bill Parker, Lester Spencer, Max Souby, Winston Churchill, and Clare Rasmussen.

On Sunday Miss Phyllis Boyns was hostess to a number of her friends at dinner at her home.

Dinner was served at about two o'clock at a large table centered with an old-fashioned arrangement of fruit. In the afternoon the group enjoyed visiting and singing.

The guests were Miss Genevieve Beardslee, Miss Eleanor Baynes, Miss Marion Anderson of Ann Arbor, Miss Louise Gulick, Lester Spencer, Durward Ash, Max Souby, Clare Rasmussen, Winston Churchill, and Don Mann of Pontiac.

Dec. 21st—Tuesday evening the local Legion Post and Auxiliary will meet at their hall on Main Street. Dinner will be served and gifts will be exchanged. Every member is urged to attend.

## M. E. Ladies' Aid Met Wednesday

Mrs. Russell Maybee Talked on "Woman's Work"

On Wednesday afternoon the Ladies' Aid of the Clarkston M. E. Church met at the home of Mrs. Fred Stewart with Mrs. Anna Fleming, Mrs. John Mann and Mrs. LeRoy Addis as assisting hostesses.

There were about twenty-five present. At the business meeting it was decided that no project would be undertaken during December on account of so many other activities. The regular Aid dinner will be served some time in the early part of January with Mrs. Fred Stewart's division in charge. An invitation to meet at the home of Mrs. Durand Ogden in January was accepted.

After the business meeting a very fine program was presented. Mrs. Frederick Thomas played a pretty piano solo; Mrs. Alice Urch gave two humorous readings; Mrs. Russell Maybee gave an interesting talk on "Woman's Work"; Mrs. L. F. Walter in her usually pleasing style sang "Thanks be to God". Dainty refreshments were served.

## Junior Auxiliary Met in Waterford

Catherine and Barbara Roehm Were Hostesses

On Wednesday evening the Junior Auxiliary of the American Legion met at the home of Catherine and Barbara Roehm in Moon Valley Sub-division.

There were ten members present. The group planned a Christmas party to be held at the Legion Hall on Main Street in Clarkston on Friday evening, December 17th at 7:30. The president, Mary Louise Buok appointed a refreshment and an entertainment committee. Gifts will be exchanged. Other activities were discussed and it was decided to have the next business meeting at the home of June Harris and Mary Louise Buok on Andersonville Road in Waterford on Wednesday evening, January 6th at 7:00 o'clock.

After the business meeting was adjourned the hostesses served dainty refreshments.

## Make Application For Potato Diversion

Final Date to be Saturday, Dec. 4

The final date for making application for diversion of potatoes for feeding purposes will be Saturday, December 4, 1937, according to notice received by Mr. Robert McCrory of the Oakland County Agricultural Conservation Committee.

Farmers can make application at the office of the Agricultural Conservation Committee for diversion of potatoes grading U. S. No. 2, or better. Upon the receipt of authorization for diverting, the farmers will be eligible to receive payment for these potatoes at the rate of fifteen cents per bushel or twenty-five cents per hundredweight upon proof of having actually disposed of the potatoes.

Any farmer interested should first apply at the office of the Agricultural Conservation Committee stating the estimated amount of potatoes he wishes to divert. He should not feed or dispose of potatoes until he receives the authorization. It is possible, according to the notification, that when the authorization is given and inspection of the potatoes made, molasses or dye can be applied to the potatoes rendering them unfit for human consumption. This would then constitute proof of disposal and payment would be recommended. The potatoes can then be fed to livestock by the farmer or sold to others for feeding purposes.

In no case should potatoes, on which application for payment is to be made, be fed or disposed of until authorization has been received. Further information is available at the county office, but application must be made on or before 12:30 p. m. Saturday, December 4, 1937.

Robert F. McCrory is chairman of the Oakland County Agricultural Conservation Program.

Judge Malcolm Hatfield. Juvenile authorities are still hunting for the two young hitch hikers who held up and tied a business man who had given them a ride.

Hours later the merchant was found securely bound to a tree where his assailants had left him. He was fortunate that they had not taken his life to cover up the theft of his money and automobile.

So long as the public encourages boys to stand on corners and thumb rides, the younger generation will continue to expect something for nothing. Furthermore, with the problem of transportation solved by friendly motorists, thousands of boys are likely to throw off all family ties and develop into ordinary vagabonds.

SAFETYGRAMS

Every day the papers write of hunting accident. "Hunter accidentally shot." "Rifle or shot gun explodes when hunter drops gun." And so on.

A loaded gun should not be taken into a house, hunting shack, or car. Many times some other person tries out the "sight," pulls the trigger, and a fatality is the result. Pulling a loaded gun through a fence by taking hold of the barrel is a dangerous stunt.

50,000 OF YOUR NEIGHBORS

YOU are shopping for a new kitchen stove and you look at two stoves, both the same price. One is an ordinary stove and one is an electric range. Which should you buy?

Outwardly, there is little difference in appearance. Both stoves are attractive, both have enamel finish, both are about the same size. Apparently, there is little to choose between them. YET THERE IS A BIG DIFFERENCE!

Electric cooking is the latest and most modern method of cooking. That is what appeals to most of the 10,000 families in and around Detroit who have switched to electric cooking during the past year. And today you can purchase an electric range for just about the same price you pay for an ordinary stove!

But in addition, an electric range gives you advantages you obtain in no other stove. It brings you CLEANLINESS, with pure heat from a glowing wire—heat as

HAVE Switched TO ELECTRIC COOKING

clean as sunlight. It brings you BETTER FLAVOR—the delicious natural flavor of meats and vegetables cooked in their own juices. It brings you healthful WATERLESS COOKING, with precious minerals and important food values sealed-in, without requiring special waterless utensils. It brings you more LEISURE—extra hours of freedom away from the kitchen. And it brings you a bright, sparkling kitchen, with less frequent need for re-decorating, and practically no scouring of cooking utensils. It is a big time-saver—of your time!

Remember these ADDED FEATURES, when you go shopping for a new stove. Remember that stoves may look alike, but you pay no more for a stove with these advantages of the electric range than you do for one without them. Buy wisely... choose an ELECTRIC range for your kitchen!

## BASKETBALL SEASON OPENS TONIGHT

Clarkston plays its opening game of the 1937-8 basketball season tonight with Log Cabin. The game will start at 7:30 and will be played in the C. H. S. gym. We sincerely hope that a large crowd will attend and start the boys out on a successful season. The starting lineup has not been announced.

Those who attend the games regularly may save money by purchasing season tickets. They are offered at a price which makes a substantial reduction on the cost of tickets for the individual games.

## CLARKSTON OFFERS GYM CLASSES

By Esther Soncrante  
A program in gym activities has been started for the Junior and Senior High School pupils. The students of the seventh, eighth, ninth and tenth grades are given the opportunity to have a gym class two periods each week. The Juniors and Seniors have no regular scheduled classes but may join some of the ninth and tenth grade classes where their schedules permit. The classes are being taught by Miss Wellington, Mrs. Walter and Mr. Thayer. In these classes we hope to introduce competitive sports to the boys hoping that they will gain something of the spirit of team play and incidentally, acquire the fundamentals of our major sports. With the girls, we

hope most of all that they will have a good time, but if we can improve posture in some cases and in other cases, effect a release from awkwardness caused by self-consciousness we shall feel very well rewarded.

## FROM THE CLASSROOMS

By Pearl Olsen  
Mr. Waters  
The Biology Class is making an index of all available material in the National Geographic Magazine which shall be used for both present and future references.

Mrs. Durand  
The members of the Public Speaking class are studying the Bible for selections which are to be memorized.

Mrs. Walter  
King McIntyre brought the naturalization paper of his great grandfather, Frederick King, to Civics class. His petition to become a citizen was granted by the Circuit Court of Oakland County in the "village" of Pontiac in 1859. Nelson W. Clark and Mark Walters were his witnesses. The Seniors were much interested in it for they have been studying naturalization.

## GRADE NEWS

By Evelyn Davies  
Miss Elzinga's Room  
Now that Thanksgiving is past we are starting our Christmas activities. The students are putting a mistletoe border on the blackboard and other Christmas decorations are being made.

The Geography class is studying India, its climate, surface features, industries and people. We intend to make a large map of India, similar to the map of Africa which we completed two weeks ago.

We have completed the study of the Greeks in History and now we are starting to study the Romans. We are attempting to use all of the reference material available on this particular subject.

The Sixth Grade has had very few absences because of illness this year. We hope this good record will continue.

The Art Class is making plaques out of can lids. They are using paints and pictures to make them very attractive.

## THE INQUIRING REPORTER

By Junior Bird  
Question: What is your favorite subject? Why?  
Marion Chamberlain—My favorite subject is English because I will have to use it in my future and it is very interesting.

Bettie Waid—Algebra is my favorite. I like it best because I like Arithmetic and Algebra is like it only easier.

Esther Soncrante—I like News because someday I hope to be a stenographer in a press office and this will help me a great deal.

Jewell Robitaille—I like Geography best because it is a study of foreign people and their land.

Alice Williams—Commercial Geography is my favorite. Foreign countries and customs interest me. The different people, their work and I want to travel some day too.

## REMEMBER WHEN—

By Charles Perry  
—McIntyre used to "kid the life" out of anyone who associated closely with girls?

—Some of the high school teachers were single with names such as Le-Forge, Otto and Walton?

—Clint Russell was the woman-hater?  
—Carmen Clark was "sweet and simple"?

C. H. S. used to win most of its athletic events?

"Hilltopper" was "Bug" and "White Flash" with a lot of gossip?

The dimensions of the basketball court weren't quite up to specifications?

(This one isn't for the younger generation) Dr. Sutherland played football way back in the 80's and was a letterman at the U. of M.?

—There were no Public Speaking, News, Library, Home Economics, Shop, Gym or World History classes?

—Orchestra met only once a week?

—There were no ping-pong tables, no checker tables, indoor hockey games or shuffle board courts?

—The school had to borrow dishes for Junior-Senior banquets and other occasions?

—Track was a very minor sport? The girls sold candy in the halls with various attempts by the boys of swiping candy bars?

—There was no dictionary stand in the far corner of session room?

—There was no signing out slip on the session room desk?

—Junior home room was the Math room?

—There was no posting of current news on session room bulletin board?

—Anyone could turn on the lights in the high school with a nail file or hair-pin?

## FEATURES

There was no band, but there were broad smiles to welcome Clint when he returned to school on Monday.

It certainly seemed good to see him. C. H. S. seems quite itself once more.

Lots of food was consumed over the holiday according to all reports of the big meals. No severe after effects were reported.

Several of the faculty members had unpleasant experiences returning to Clarkston on Sunday. Icy roads caused many delays and some narrow escapes.

The gym classes are really taking. Most of the students are enthusiastic over them. C. H. S. students will derive many benefits from these classes.

Fred, Mr. Waters, Mr. Kyle had lots of "fun" correcting the basketball court and painting the boundaries where they belonged. We understand that a couple of Seniors accidentally stepped on a not-quite-dry place and were promptly delegated to Fred's private dog house.

Ralph Ware can blush better than any C. H. S. student—or have you any really good blusher to offer him a little competition?

Galligan is cultivating a moustache. If it will contribute dignity to said Roger we'll all chip in and buy hair tonic to help it along.

NOTICE OF ELIMINATION OF STATUTORY DOUBLE LIABILITY WITH RESPECT TO STOCK OF THE CLARKSTON STATE BANK, CLARKSTON, MICH. (Public Act No. 21, Acts 1937; Senate Enrolled Act No. 47, Senate Bill No. 2.) Sec. 59. Liability of Shareholders. The shareholders of every bank shall be individually liable for the debts of the bank and not one for another, to satisfy the obligations of said bank to the amount of their stock at the par value thereof,

in addition to the said stock; but persons holding stock as executors, administrators, assignees, or trustees, and persons holding stock as collateral security, shall not be personally liable as shareholders, but the assets and funds of the bank constituting the trust shall be liable to the same extent as the testator, intestate, ward, or person interested in such trust funds would be if living or competent at the time of the person pledging such stock shall be deemed the shareholder and liable under this section. Such liability may be enforced in a suit at law or in equity by any such bank in process of liquidation or by any receiver or other officer succeeding to the legal rights of said bank. Provided, That the additional liability imposed upon shareholders under the provisions of this section in any bank organized and existing under or governed by the provisions of this act shall not apply with respect to shares of stock issued by any such bank after July twenty-one, nineteen hundred thirty-three. Provided further, That the additional liability imposed upon shareholders in any bank organized and existing under or governed by the provisions of this act shall cease on the effective date of this act, but only as hereinafter provided with respect to all shares issued prior to July twenty-one, nineteen hundred thirty-three, by any bank which shall have been transacting the business of banking on the 1st day of January, 1937. Such liability shall be deemed to have ceased as of June four, nineteen hundred thirty-five, as to all shares issued on or after June four, nineteen hundred thirty-five, by the person or persons who became depositor or creditor of such bank prior to June four, nineteen hundred thirty-five, such liability shall cease as to such person or persons who became depositor or creditor who expressly or impliedly consents thereto, and in any event shall cease on the 1st day of January, 1937, unless such depositor or creditor files with the bank an express written statement to the contrary. It shall be the duty of the bank to post a copy of this section in a conspicuous place in such bank at least thirty days prior to July one, nineteen hundred thirty-seven. As respects banks which have not received a copy of this section of the law shall be deemed to have received a copy of this section of the law on the 1st day of July one, nineteen hundred thirty-seven. A copy of this section of the law shall be published in each week for a period of three weeks immediately preceding July one, nineteen hundred thirty-seven. If the bank fails to give such notice and publication as herein provided, the termination of such additional liability may thereafter be accomplished as of a date sixty days subsequent to notice in the manner provided herein.

little brother Tommy from the gangster's fate ahead of him and to raise them both out of the slums.

McCrea is seen as Dave, the poor architect she loved, who dreamed of tearing down all the tenements in the world, and loved the beautiful Kay, played by Wendy Barrie, who had found a way out of the slums into penthouse luxury.

Humphrey Bogart plays "Baby Face Martin", the killer, drawn back from his gangland haunts to the slum where he was spawned, by an irresistible yearning to see his mother and his boyhood sweetheart, Françoise, once more—who faced the cold steel of the G-men's bullets, all to find his mother hated the very sight of him and that Françoise had taken life the easiest way.

The sets, chief of which is the "dead-end" slum street, where the fashionable apartments brush against the tenements of the waterfront, were designed by Richard Day.

Nobody plays a fast-talking, wisecracking newspaper man like Pat O'Brien, but he has a feminine rival for those honors in "Back in Circulation", the Warner Bros. comedy-drama which opens at the Holly Theatre Tuesday. And the rival is none other than Joan Blondell, who is co-starred with him.

"Back in Circulation", which was written by the eminent author, Adela Rogers St. Johns, and directed by

Ray Enright, sees Pat as managing editor of a sensation newspaper which will halt at nothing to increase its circulation, and Joan as his star reporter.

The story has to do with the mysterious death of a millionaire, which Pat and Jean solve—as well as rescue from death or life imprisonment the man's widow, who has refused to save herself from conviction for murder. Miss Blondell is said to give one of her most realistic performances as a sob sister who stops at nothing to get her story.

Outstanding in the simplicity of design and one of the most popular of the Territorial stamps issued by the United States is the Hawaiian stamp that is appearing on so much of our mail.

## The Hilltopper

(Concluded from page three)

Old man winter has really come to stay. It won't be long now before those steps by the creek will cause many students to lose their dignity along with their equilibrium.

Dick, Frank and Junior have been looking for a good adding machine to keep track of the time they have made up for skipping. Limited pecuniary resources prohibit the buying of a new machine but second hand offers will be considered.

Art Clark gained twenty pounds this last week. Too much turkey? No, not at all you see it was only in Walled Lake's "Student Chatter" where he suddenly became "Clarkston's 200 pound line smasher."

The decorations for the P. T. A. dance made many realize how close Christmas really is. They helped to arouse that Christmas spirit.

To Miss Wellington, Junior Bird, Mutt Beemer, Lyle Wiechert, Jack Skarritt and all others who came home without the buck, we can only say that we have been hearing about meat going up until it was out of sight. And anyway Santa has to have a few reindeers.

Happy thought! Mrs. Walter tried hard to explain to Charlie Perry that a certain attitude was typically Junior High School; Charlie couldn't agree—he thought it quite infantile. Which goes to show that we do grow up even though our elders doubt it.

How six weeks went by so rapidly is beyond our comprehension but the faculty insist that it is time for marking period tests and that report

cards will be out next week and so we poor kids drag out our calendars and find their statements to be correct and so that's that.

**STANDARD FORD V-8 . . . 112" wheelbase; 85 or 60 horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Broadcloth or Mohair upholstery, Mohair extra in "60"; Mahogany-finished trim; One tail light, sun visor; Twin horns; 3 body types; 3 colors.**

Ford offers two new cars for 1938—the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance—but built to the same high standard of mechanical excellence—on the same chassis.

Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8.

But some folks wanted still more size and style, with the same Ford advantages. For them, we designed a new De Luxe line.

The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments all around.

De Luxe cars are equipped with the 85-horsepower engine only.

The Standard is even lower priced than the De Luxe. It has graceful new lines and well-tailored interiors—with a choice of engine sizes—85 or 60 horsepower.

Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an eight-cylinder car with all-around economy. The thrifty "60" engine, especially, makes possible in Standard models a very low first cost and equally low operating cost. With two distinct designs, two engine sizes and two price ranges, you'll find a 1938 Ford car to fit your needs exactly.

## HOLLY THEATRE

Twenty-four hours of throbbing life in a city street thunders across the screen in Samuel Goldwyn's production of "Dead End", which begins a two-day engagement at the Holly Theatre on Sunday.

Sylvia Sidney and Joel McCrea are starred at the head of a great cast in this powerful human story based on the stage hit by Sidney Kingsley.

Miss Sidney has her greatest role as "Drina, the girl who valiantly fought a losing battle to keep her
