The sixth graders are studying about the feudal age and are making a cardboard castle, typical of those used at that time.

The fifth, sixth and seventh graders were conveyed by the school bus Monday, February 20 to Cedar Island where they joined Dublin School in a skating party.

There was a good attendance at the puppet show last Friday. Most everyone enjoyed it, especially the younger ones. The proceeds from this show went to the music department.

The basketball games this week will be on Tuesday and Thursday. On Tuesday the girls' second team will play with Drayton and the boys' second team will play with Donelson.

There will be a roller skating party for the high school room on Friday, February 24.

Some of the boys seem to be entertaining themselves with the iron pipe in one of the basement rooms for the purpose of "chinning" themselves.

The girls' first team finally won a game when they play Dublin last Tuesday. The score was 17 to 14. However they lost the following night with Dublin, 17 to 10. We hope they keep winning.

Mrs. Alfred Hutchison gave an interesting sketch of Frances Willard's life.

"Beautiful Snow"

By Mrs. Minnie Fisher Snow, Snow, beautiful snow, As you fall from the sky to earth below, You spread a white coverlet over the street And bring the bloom to a maiden's cheek. Joy you bring to the boy and girl, As through the air you gaily whirl. You mantle well the leafless trees As you flit about with the winter breeze. And well protect the grain and flowers That are lying dormant awaiting spring showers. But you haven't very long to stay, For like a bubble you'll vanish away, But though you may come and go, It would be a drab winter without some snow.

PONTIAC POTATO IS SHOWING WELL

New Variety Gives Promise of Being a Winner

Michigan's newest potato variety, now known under the Indian name of Pontiac, is due for thorough state-wide tests now that preliminary results indicate it is one of the best in breeding and production available to growers in this state.

H. C. Moore and E. J. Wheeler, potato specialists in the farm crops department at Michigan State College, have found in three years' trials that the Pontiac had a total average yield in three years of 527.93 bushels on an acre basis on muck plots at the college. Of this average yield, 493.03 bushels were U. S. No. 1 grade. In 1938 the tests showed 763.3 bushels to an acre.

The Pontiac is late maturing, round to oblong in shape. It has not shown any marked resistance to insect or disease attacks, neither does it seem to be much more susceptible than the Russet Rural, Green Mountain or Chippewa.

One quality it does have. It sets its tubers deeper than other varieties, avoiding sunburn. Parents were the Katahdin and the Bliss Triumph in a cross made in 1930 by potato breeders of the United States Department of Agriculture.

In 1931 the seedling now known as Pontiac was picked out of several hundred plantings at the Lake City Experiment Station by members of the college farm crops department.

Tests out of state have been made in Florida, Louisiana, Iowa and North Dakota. In some trials it has proved more drought resistant than other varieties and freer from hollow heart and misshapen tubers.

We have been having typical Michigan winter weather the past week. On Sunday it rained all day, removing much of the snow and ice, but in places, there was still so much ice that it interfered with the natural flow of water, diverting it into cellars and basements. Monday and Tuesday were fairly pleasant with comparatively high temperatures but Tuesday night the thermometer took a drop down to about 10 degrees, and there was a slight fall of snow.

Heap Big Chocolate Indian

By Frances Lee Barton

HAVE you a Boy Scout or a Girl Scout in your home? If so, they are sure to be off "over the hills and far away" these fine winter weekends—and that means a lunch to be packed. Woe betide you if you fall to tuck in amid the more solid fare, a sweet-tooth appeaser! For this wind-up to the hiker's meal, nothing is better than a Chocolate Indian—except two Chocolate Indians.

Chocolate Indians: 1/2 cup sifted cake flour; 1/2 teaspoon double-acting baking powder; 1/4 teaspoon salt; 1/2 cup butter or other shortening; 2 squares unsweetened chocolate, melted; 1 cup sugar; 3 eggs, well beaten; 1/2 cup finely cut dates; 1/2 cup chopped walnut meats, toasted; 1 teaspoon vanilla.

Sift flour once, measure, add baking powder and salt, and sift again. Add butter to chocolate and blend. Add gradually sugar to eggs, beating thoroughly; then chocolate mixture and blend. Add flour and mix well; then dates, nuts, and vanilla. Bake in two greased pans, 8x8x2 inches, in moderate oven (350° F.) 35 minutes. Cut in squares before removing from pan. Makes 4 dozen Indians.

HOLLY THEATRE

After forty years on the stage and screen, Lewis Stone has found a role he can play all the rest of his life. And he intends to play it, for Stone is resolved never to retire.

"I have enjoyed a rich and full life," said Stone, "but it has never been so pleasant as it is right now. Playing Judge Hardy has given me a new future and something to work for."

Age, sickness, changes in screen formula, nothing can alter the Judge Hardy character. With other members of the family he has ceased to be a motion picture personality and has become a monument dedicated to the Great American Family. Andy Hardy (Mickey Rooney) and Marian (Cecilia Parker), the children, can grow up. Andy is scheduled for college soon. Marian is prepared for marriage and a home of her own. Judge Hardy can keep pace with them, as can Mrs. Hardy (Fay Holden) and Aunt Milly (Sara Haden).

In "Out West with the Hardys," fifth of the Hardy Family pictures, which comes to the Holly Theatre next Sunday, Judge Hardy solves one of the most difficult legal problems yet to confront him.

When the Judge takes his family Out West in answer to the desperate plea of an old sweetheart whose ranch holdings are jeopardized by a legal battle over water rights, he is faced with many new situations. If you remember, it was a suggestion made by Andy that got the Judge out of serious trouble in "Judge Hardy's Children". In this picture it is Mrs. Hardy who comes to the rescue and helps him gain a decision over a gang of modern Western racketeers. That is what makes the Hardys so interesting and real. There are no individual heroes, only the family as a unit is important.

Safetygrams

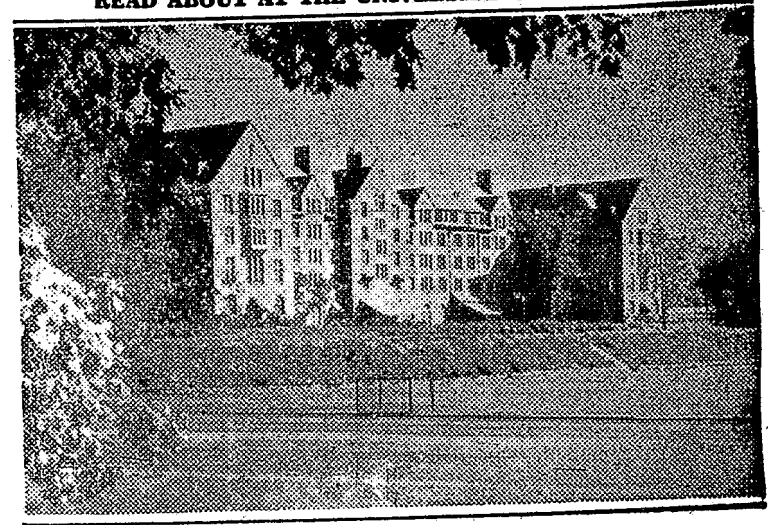

A few weeks ago in this column I suggested that horns be eliminated from all motor vehicles. Some of my friends, in commenting on this, said the idea was too radical—that such a change would immediately cause a tremendous increase in accidents.

Would it? Whenever weather conditions are extremely bad for driving, such as fog, sleet, ice and snow, communities pride themselves that no motor vehicle fatalities have been reported during such a period. The reason is this: all drivers become more careful when driving conditions are bad. If the elimination of the horn would control some of the thoughtless driving habits by slowing us down, then the idea cannot be too radical.

If you care to write, I shall be glad to receive your criticisms or suggestions. Please write me in care of this newspaper.

MOSHER-JORDAN HALLS, DORMITORIES FOR WOMEN.

One of the largest women's dormitories in any American university, Michigan's Mosher-Jordan Halls have facilities for 436 students and have served as a residence for nearly 2,000 women since they were opened in the fall of 1930. Mosher and Jordan Halls are operated as separate units for social purposes, although the preparation of food and their other business aspects are under joint management for the sake of efficiency. Each unit is served by a social director, her assistant, and a resident nurse. The two units of the dormitory are named after Dr. Eliza M. Mosher and Mrs. Frederick P. Jordan, the University's first two Deans of Women. In this picture, Mosher Hall is at the left end of the building, Jordan Hall at the right. This side of the building overlooks the beautiful women's athletic field.

GRADE NEWS
by Harlan Day
First and Second Grades
Mrs. Dunham—We enjoyed our Valentine party and all of us received many nice Valentines. Barbara Breaky brought a lovely big red valentine box filled with cookies; an animal shaped and a heart shaped cookie for each of us. The first grade have finished their Primer books and are now reading in Book one.

We are sorry to have Donald Marmon move away. We dramatized the story "The Elves and the Shoemaker" from our second grade reader. John Adams and Jean Perrin were the shoemaker and his wife. Bobbie and Eddie Olson were the Elves and Leo Andrews was the shoemaker's best customer.

Kindergarten and First Grade
Miss Wade—Our Post Office Project is well under way. We mailed our Valentines last week and a post-man delivered them during our party. There are windows where we buy stamps, get money orders and mail packages. This week we are learning to mail letters with one, two, and three cent stamps on them. We know how to send letters airmail and how to get money orders too. By using make believe money in our post office we have learned the value of real money. We can sing a song about "The Postman". Next week we will learn how to mail packages. Then all of the boys and girls will help us write a story about "Our Post Office".

Both the Kindergarten and First grade children enjoyed making silhouettes of Abraham Lincoln and George Washington and little red, white and blue hatchets.

Third Grade and Fourth Grade
Mrs. Beardslee's Room—The third grade Arithmetic class is learning a new process—"Carrying in Addition". The fourth grade Arithmetic class is working on "Practice Exercises in the Fundamentals".

In keeping with the patriotic theme of the month of February we are learning a "Flag Song"—We enjoy singing "Marching" and "America". A new border which we have made this week is a parade of wooden soldiers from free-hand paper cuttings in silhouettes.

Some stories which our boys and girls are reading for enjoyment are "The Funny Thing" by Wanda Ga'g; "Ting-Ling and Mee-Too" by Keto; and "Ameliaranne at the Circus" by Gilmour.

CLASSROOM NEWS
by Betty Waid

Mrs. Walter:
The eighth graders have been working in their notebooks on their accounts of the presidents. They enjoyed their recent Scholastic lesson on the "Great Lakes Section" for it dealt with our own section of the country and gave particular attention to the automobile industry.

Members of the American Literature class have been working on a unit in which they studied biographies and material on personality. They completed this work by each one writing either an autobiography or a self-analysis. They are now studying essays and after reading a group of American essays each one will write an essay.

Mr. Thayer:
In a recent speed test for First Year Students, Irene Walz made 40 words a minute with no mistakes.

Miss Cohen:
English 10 class will begin reading "Silas Marner", a realistic novel of early 19th century England.
English 9 class is still studying about verbs.

Latin I class has just completed a test. Each member of the class has been working on limericks—each one trying to supply the last line of a short poem.

Speech classes are studying the facts that make a speech interesting and vital. They are practicing making introductions to speeches in a variety of ways.

NOTICE!

In the near future, the "Juniors" are going to give a surprise assembly. No one knows but the Juniors what they are going to do or say. Be sure to watch for further announcements about this assembly because they guarantee that it's going to be "Just Grand". Well, why wouldn't it be if the Juniors were putting it on? They will be seeing you at their assembly. No date—no hour—no nothing has been given out, so watch closely.

EIGHTH GRADE CLASS PARTY

Last Wednesday evening the eighth grade of C. H. S. held a class party in the Gym of the High School. About twenty of the class attended. They had a "swell time" playing games and then they had hot dogs, buns and kool-aid for refreshments.

From what I hear they played some rather mature games such as "gly-winkem", "Spin-the-bottle", basketball, and "Truth and Consequences". Mr. Thayer, their sponsor, was very popular during the evening and joined in the fun with all the "kids". Here's hoping they have many more successful parties.

MILFORD DEFEATS CLARKSTON

!!

by Cliff Bennett

Last Friday night the Clarkston Boys lost another game to Milford with the final score 28 to 14. Glen Minton was high point man for Clarkston with a total of 6 points. Clarkston made 3 points in the first quarter, 2 in the second, 6 in the third, and 1 in the last making it a total of 14 points. Milford made 6 points in the first quarter, 8 in the second, 7 in the third, and 5 in the fourth making a total of 28 points.

The lineup for Clarkston:

- F.—Minton
 - F.—Don Tee
 - C.—Clark
 - G.—Boyns
 - G.—Richard Tee
- Substitutes were: Johnson, Russell, Smith.

Clarkston's second team won with a score of 24 to 22. Gerald Weston was high point man with 12 points to his credit. Clarkston made 15 points in the first half and 9 points in the last half. Milford made 13 points in the first half and 9 in the last half. During the second quarter an amusing incident happened. The referee ran into the "pop-corn" man thus spilling a few sacks of pop-corn on the floor.

NOON ACTIVITIES

by Frank Russell

The shuffleboard and checker tournaments are going along nicely and should reach the final rounds next week. Most of the interest seems to center around the basketball games at noon between the different grades. So far there have been two unbeaten teams the 8th grade girls and the 11th grade boys who are the champions. Basil Bird of the Junior team has the most points scored in one game (14) and has scored also a total of about 40 points during the Basketball tournaments.

THE JUNIORS ON PARADE

by Jackie Parrish, the Walter Winchell of the Hilltopper

A notice to bewildered teachers and students.

That noise you heard in the halls Tuesday noon wasn't the Umbrella man, but the Juniors selling home made candy. By all reports the sale was a success. The reason underlying the sale was to raise money for the expenses of the Junior play, which by the way is "Aunt Abby Answers an Ad"—a rollicking comedy in three acts. There will be more candy sales in the future so watch for them.

THE REQUEST ASSEMBLY

by Dick Lowrie

A request assembly was held Friday at 3:15 in the Auditorium of C. H. S. Arlene McCann was Master of Ceremonies and introduced each person to the audience. The assembly was sponsored by the Student Council.

The first on the program was Irene Walz and Marion Chamberlain who did a novelty tap-dance. Dick Tee and Dick Craven gave their interpretation of "Two Sleepy People" Dick Craven playing the part of the girl. Don Smith at the piano, Jack Skarritt on the Clarinet, and Dick Shaughnessy on the Cornet playing "When you wore a Tulip" was next on the program. Ernest Hazlett gave his version of "At the Grave of the Old Napoleon" much to the amusement of the pupils.

Next the scene changed to a much serious nature and Inez Miller favored us with a toe dance. Junior Bird sang "Cross-eyed Sue" and Betty Ash played "Kitten on the Keys" on the piano. Tom Boothby did a very good imitation of himself when he was three years old. Art Clark another of the Rhythm Rascals tooted his Saxophone to the tune of "My Reverie" and Carmen Clark, with Betty Ash at the piano, sang very sweetly "Smoke gets in Your Eyes". Betty Persinger did a tap dance for us and Billy Radoyev did very well on an imitation of Tizzie Lish. Next came the best thing on the program Mr. Waters, Mr. Thayer and Mr. Willoughby with Mrs. Willoughby at the piano (poor Mrs. Willoughby) sang "Old Black Joe", "Good-Bye, My Lover, Good Bye", and for an encore

"Sweet Adeline". We all enjoyed helpful criticism from guest conductors and other high school choruses. "Here an' There"

Junior Play Announcements

by Elaine Waterbury

Well, the Juniors have finally selected a play. It's the rip-roarin' comedy "Aunt Abby Answers an Ad" by Henry Rawland.

The committee (after long deliberation) chose this play from a list of ten. This choice was made because they felt that the play is well suited for the class and is different from any other play that has been given.

Here are a few comments from some of the committee:

Ralph Ware: I think it was a good choice and I think the whole class will like it.

Irene Walz: I think we have students in our class who will fit the parts, and too, it's a "grand play".

Frank Russell: It's a "swell" play for our class. It should please the audience because it's very funny.

Miss Cohen: The play was successful wherever it was put on. I hope we too can make it a success, and I feel confident that we will.

MUSIC NEWS

28 members of the H. S. Chorus are fast turning gypsy in preparation for the operetta, GYPSY ROVER, to be given March 10. Seventy yards of costume material has been purchased which should be enough to make a very interesting and colorful gypsy colony.

The new officers of the band have already shown their interest and determination to make their organization a success. Their plans are a secret but we know that you will hear from them soon. Several new marches, evertures, solos, and duets have been added to their library with the intent of giving every member an opportunity to have a prominent part.

The band is not the only music department, however, which has a large program planned for this semester. The orchestra is showing a growing interest perhaps due to the new members and the new music they have purchased. The Jr. High Chorus surprised themselves as well as their director by breaking forth in real four-part harmony. As well as the faculty trio?? Well after all there were only three of them.

Then not to be left idle when the operetta is over, the High School Chorus have five new numbers to be prepared for the Annual Music Festival at Hartland on April 25. Seven other schools are participating in this choral festival with the hope that all who take part will have a definite satisfaction of having achieved a

high musical goal as well as received helpful criticism from guest conductors and other high school choruses.

"Here an' There"

From what I hear there is a "feud" taking place between the "Juniors" and the so-called "Mighty-Seniors". Well, really, you can't be the best all the time, Seniors.

Wanted: A big Handkerchief for Dick Tee and Milt Fiske to cry into when they are so moved by "the Hero's" capture.

At Operetta Practice the other night our leading man seemed to have an awful time getting his tenses of verbs right. Are you as flustered as all that, LaVerne???

Zara or Pud to you, seems to enjoy being chased by Dick Tee very immensely or it would seem so as she goes tripping lightly over stumps—and covered wagons.

Dick Tee also "stammers and stutters" when he tries to make love to "Pud". Could it be that he is that loyal to Howard?

I wonder how surprised Tom Boothby would be if Dick and Milt just tapped him "lightly" when they come up behind him in one part of the Operetta?

What is the U. T. O. L. that Betty Taylor and Pud are sporting on their blouses?? This is the question among a few of the curious. (Well, why not?)

What is this we hear about a certain Senior boy taking quite an interest in Margaret Miller? (We won't mention any names, will we gals??)

Jack Skarritt and Maxine Bowday have taken an interest in each other. (Concluded on page four)

"More abundant use" means cheaper electricity—in Michigan as elsewhere. As your use of electricity goes UP, the average price goes DOWN. And ONE CENT acquires tremendous buying power as you use more electricity!

For example, most residence customers can add additional electric appliances to their existing uses without greatly increasing their bill. It is wise economy to use more of these thrifty electric servants: ONE CENT will furnish soothing comfort from an electric heating pad for 10 hours... or brew 24 cups of coffee... or burn a "night light" in your bathroom or hallway every night for one week... or do most of the family wash on Monday... or cook a tempting meal in the electric casserole.

Electricity is cheap! You can make free and unstinted use of lighting and appliances and not add much to your bill. Prove this by using all the electricity you need.

EPWORTH LEAGUE PARTY

by Leda Miller

The Epworth League Party was enjoyed by about 40 young folks of all ages and sizes. They planned about 3 games one of which five girls and five boys had to get a chocolate heart out of a bowl of flour without using their hands. Nobody knows who won. Then two games were played at once, one was like musical chairs only there were hearts on the wall and the idea was to put your hand on one of the hearts when the music stopped. Hearts were taken down at certain intervals. Betty Ash was the piano player and did very nicely as usual. Pud Chamberlain won this game with Don Smith running a close second. While all the "kids" were walking around the room, Milt Fiske and Howard Boyns posing as cops and arrested them for smiling, not smiling, flirting, laughing loudly, or laughing softly. They could only be arrested once unless they were only fined a few cents then they could be arrested twice or until a total of five cents was paid in fines.

Mr. Large was Professor of Prof-sociality (?). Refreshments were served and then the cleaning up started, some helped and some didn't but those who did had a grand time.

The flu epidemic that has been spreading in various parts of the country has been gradually seeping into Clarkston and vicinity. Rudolf Schwarze has been quite ill. Lou Chamberlain was confined to his home for several days but was able to attend the caucus on Wednesday night. Mrs. Clarence Johnson is ill and is confined to her bed. Mrs. George Slayton, although not a flu patient, has been on the sick list and we are glad to report that she is on the mend and is able to sit up for a few hours each day. John Mann who was in Goodrich Hospital for a few days for observation is home and is feeling a little better. We understand that a very rigid diet is what is going to keep Mr. Mann's health up to par. Clarence Smith has been confined to his home with a severe cold.

The date of the annual Methodist church meeting is set for March 7th. Reports of all organizations within the two churches will be made to Rev. Atkins in this meeting.

Money payments now due under the Social Security Act are averaging more than \$100, according to Walter R. Redman, manager of the old age insurance office in Pontiac. "Claims certified for payment in the Pontiac area during the month of December averaged the sum mentioned," Mr. Redman said. "These payments are now due persons who reach age 65, also the legal heirs of workers who have died recently after having been employed in jobs covered by the Social Security Act."

The Hilltopper

(Concluded from page three)

It appears that way to others any-h.w.

The request program seemed to be quite a bit of fun. At least Dick Craven got bit by Dick Tee. Not saying where.

The sophomores are planning quite a party so we hear. An invitation affair so to speak. You upperclass men had better be nice to these sophomores in the future.

We hear a buzzing around school lately with these girls asking each other what they are wearing to the Senior Prom. What do you think??

Wait until the boy friends see the girls on the stage with their gypsy costumes on the night of the opera. Won't they fall, though?

This is strictly confidential, but ask the girls what they did Tuesday night, you know just casual-like. Maybe they will tell you and maybe they won't, but did they have fun, Oh Boy!

Maybe you think Milt hasn't got any wind, well, you should have seen him blowing up balloons the other night—and breaking them.

To see Milt on one set of the Opera you would think he was scared of the dark. What! A big boy like you, Milt.

Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may Apply to Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Second Saturday before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at G. A. Walter's store Wednesday, Feb. 22, 1939, from 8 o'clock a. m. to 6:30 o'clock p. m.; Thursday, Feb. 23, 1939, from 8 o'clock a. m. to 6:30 o'clock p. m.; Friday, Feb. 24, 1939, from 8 o'clock a. m. to 6:30 o'clock p. m., and on Saturday, March 4th, 1939, last day, from seven o'clock a. m. to 10 o'clock p. m. For general registration by personal application for said election. The name of no person but an ACTUAL resident of the village at the time of said registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION OF ABSENTEE BY OATH

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury. Any inspector of election shall have authority to make such registration and to swear such person to the registration affidavit. Dated February 6th, 1939.

Do you know that Michigan offers fine facilities for winter sports... that probably no State excels our own as a winter playground? And do you realize the advantages of making this fact more widely recognized? It will stimulate a growing Michigan industry. It will bring additional money into the State. It will create more jobs for Michigan men and women. Progress has already been made in this work. Every one should help—you can help by telling your friends about Michigan's Winter Carnivals and centers of winter sport. The Michigan Bell Telephone Company is publishing this advertisement, one of a series, in 250 Michigan newspapers to help gain wider acceptance of Michigan as a great State for the sport that winter brings.
