Concert at Hartland Area Next Sunday Afternoon

It is with pride and pleasure that we announce the second appearance of the Hartland Area Band on the current Vesper Concert Series. The organization has added a few more players thus making their instrumentation more complete. There is now a total membership of 35.

The program will include numbers Especially noteworthy is the closing numbers of the program, "1776" by Zamecnik. It is a description of the dramatic highlights of the Revolutionary War, leading to the Declaration of Independence. This number alone will be worth the effort of attending the concert.

The Woodwind Quintette from the course give us an artistic performance. There is nothing quite so beautiful as a small ensemble of instrumentalists who play well, and we know that anything sent out from Mr. Ravelli's band will be well worth
