Men's Chorus to Appear in Palm Sunday Service at Methodist Church

Reception of Members and Baptism Postponed Until Easter Sunday

The Annual Palm Sunday Service, ushering in the observance of Holy Week, will include special anthems by the Men's Chorus at the 10:30 Sunday morning service of the Clarkston Methodist Church. Due to the illness of Rev. Large over last week-end, the reception of new members and baptism of small children will be postponed to Easter Sunday morning. The theme for the Palm Sunday service will be "What Can We Believe About Jesus?"

The Men's Chorus will be making their third appearance since their organization this winter by Mr. Thomas Boyns, and interested citizens who furnished special music for the choir. Mrs. Frank Perrin will play for the singing, which has been directed by Mr. Lewis Warden. This informant men's choir is open to members of the community who enjoy meeting and singing together.

The sermon for this service will be the sixth in the series of seven sermons prepared by Rev. Large on the theme "What Can We Believe?" The final sermon will be delivered Easter Sunday morning on the theme "What Can We Believe About Eternal Life?" Much interest has been shown in the Lenten Services this year.

Clarkston Locals

Mr. and Mrs. Ira Jones and Mr. and Mrs. Charles Rockwell returned from Florida last Saturday.

Mr. and Mrs. Frank O. Stoker, who live in Sturgis, Michigan, stopped in Clarkston for two days last week to visit their daughter, Mrs. Dwight Large. They were returning to Sturgis after two months in Florida, where they spent the days in Orlando.

Frederick Fuller, infant son of Mr. and Mrs. Edward Fuller has been very ill with pneumonia and is confined in St. Joseph's Mercy Hospital in Pontiac. The last report was that he was now on the way to recovery and the young man will be brought to his home soon.

Charles Robinson, an instructor and coach in the Berkley school will pay a bet to his basketball team on Saturday evening. Charles told the boys he would entertain them at dinner if they would win the district tournament. This certainly must have given the team the necessary pep because they won the tournament and they will be guests at the Robinson home on Saturday evening. There will be sixteen in the group.

THIRD D. H. I. ASSN. FORMED IN COUNTY

Purpose Is to Assist Dairymen in Reducing Costs

With dairymen receiving less than the cost of production for their product, fluid milk, many have turned to joining a Dairy Herd Improvement Association as a further means of reducing costs.

The third association of 26 farmers has recently been organized with Harry R. Young, former herdsman, and recently a short-course graduate in dairy testing at the Michigan State College. There are still a few openings in the Association for dairymen in the County who wish to take advantage of this kind of work which has for its main purpose increasing the efficiency of the herd by eliminating low producing animals, improving feeding methods, pasture improvement, and selection of better dairy cattle.

With the organization of the third association, Oakland County now takes rank as the leading county in the State in the number of cattle under test. There really are three and one-half associations operating in the county since a Wayne county association tests in a few herds in the southern part of the county.

In addition, a large number of pure-bred herds carry on herd improvement record work through the breed associations. In some cases, these records are compiled by the D. H. I. A. tester.

Testers of the other two associations are A. J. Schroth and Laurence Place.

Township Election Next Monday

After the meeting the assembly was divided into four groups and each group had to sing the song they were given before being admitted to the dining-room where a lovely lunch was served by Mrs. Earl Wilcox, Mrs. John Meyers and Mrs. Edward Lamberton. The long table was centered with Easter eggs and bunnies. Rev. Jewell was in charge of the coffee urn. Churches Unite in Holy Week Service Thursday Evening

The churches of Clarkston will join together in an hour this coming Holy Week in recognition of the religious importance of the Last Week of the life of Jesus. The service will be held at 7:30 Thursday evening in the Clarkston Methodist Church. Rev. Walter Ballagh will present the meditation for the two churches.

This service will take the place of the Good Friday afternoon service conducted in almost every community of the state during Holy Week. The committee in charge of the program thought more Clarkston people could attend a community service during the evening than during Friday afternoon. Members of the Methodist, Baptist, and the Seymour Lake Methodist Churches are co-operating in the worship service.

The Youth Vested Choir, directed by Mr. T. Boyns and Mrs. Frank Perrin will be present. In addition to their anthems, Mr. Jones of the Baptist Church will sing special Lenten music. The worship service will be conducted by Rev. Dwight Large, of the Methodist Church.

This is the first time the two Clarkston churches have worshipped together since the pastorates of Rev. Large and Rev. Ballagh. Members of all religious denominations and faiths are invited to share this hour in recognition of the Passion of the founder of the Christian Faith.

Clarkston Locals

Guests at the Elmer Collins home on Thursday were Mrs. Fred Hourtani of Grand Blanc and Mrs. Lillian Norton of Waterford.

Mrs. William Starring who has spent the winter with her sons in Detroit and Rochester visited her home on Orion Road on Sunday. She expects to return to her home soon and will stay in Clarkston for the summer.

Guests at the Charles Robinson home on Tuesday evening were Mr. and Mrs. Ronald Walter, Mr. and Mrs. Warren Strait, Rev. and Mrs. Dwight Large and Mr. and Mrs. Richard Bullen. A pot-luck dinner was served early in the evening and then the group enjoyed playing games.

HOLLY THEATRE

With Eleanor Powell offering a series of new and brilliant dances against the exotic background of Hawaii, with Robert Young in a rib-tickling as well as romantic dual role, and with the sensationally popular comedy team of Burns and Allen adding to the uproar, "Honolulu", M-G-M's new concoction of music, mirth and melody, opens Sunday at the Holly Theatre as one of the first of 1939's big movie hits.

The story deals with a screen star who wants a vacation to get away from fame. At an "opening night" he is told that the crowd has surrounded a man who resembles him, demanding his autograph. This inspires the star to arrange an exchange of personalities with his double and the deal is on.

On board ship bound for Honolulu, the Hollywood man meets a cabaret dancer and falls for her. Then, in Honolulu, he discovers that he has come into the difficulties of his double, including a charge of embezzlement and a fiancée. The confusion is straightened out when the double is persuaded to come back to the island.

Looking in on The Junior Play

There exists a popular belief that there is nothing new under the sun. Don't you believe it. There is and the Junior Class has found it. It is a brand-new, high-powered, screamingly funny farce-comedy, "Aunt Abby Answers an Ad" and they are presenting it on the night of April 14th in the Clarkston High School Auditorium at 8 o'clock. After reading dozens of plays, the committee in charge suddenly came upon "Aunt Abby" and much to their delight they found a funny play that was bright, clean, clever, and away from the beaten track, with fresh, new situations. Here was a funny play with a new twist. Here was a play that everyone could enjoy, from a youngster to a great-grandparent. Moreover, it contained good parts for everyone in the cast. Each member will have a chance to score a hit. There is much variety in the various characters. No two of them are alike and each one contributes his or her share of the fun. You will scream at Beverly Payne's impersonation of the "Old Maid" and you will howl at Frank Russell's attempts to be the rural Romeo. And one can't forget to mention Tom Boothby alias Mr. Horace Harkwell from Strawberry Center, Pennsylvania. It will be difficult to imagine Irene Walz as the maid of the "Old Maid". Dick Lowrie and Eugene Hubbard ably carry out the mistaken identity. One can't forget to mention the "town tattle-tale", Essie Ebbersole (Maxine Bowdway) and Jackie Parrish as the stylish Mrs. Purviance. For pulchritude we have Betty Bradford and Vivian Dean to complete the cast.

Now a good hearty laugh is an actual necessity and we are offering you this value. Take advantage of it and be sure and come on April 14th.

FLINT S. A. BAND TO GIVE CONCERT

Scheduled to Appear Sunday at Hartland Music Hall

The Flint Citadel Salvation Army Band will appear at Hartland Music Hall Sunday, April 2, at 3:30 p. m. The band under the direction of Bernard Smith is one of the outstanding bands of its type if not the outstanding band in the United States. It was organized some forty years ago and consequently has a wealth of musical tradition behind it. Many of the original members are with the organization.

Besides performing its regular duties in its own Citadel the band makes many concert appearances throughout the year. They have had the honor and distinction of appearing in Canada at notable gatherings and even have been to Europe.

In the long existence of this organization there have only been three directors. The present director has been at the helm of the organization for the past four years. Mr. Smith is one of the country's outstanding cornet soloists and also a very fine director. He is carrying on and further developing the musical traditions of the fine band in a most worthy manner.

The Hartland Music Hall is exceedingly fortunate in securing the services of this organization. Those people who heard it last year will want to hear it again this year.

There is no admission charge but a free will offering is taken during the program.

Extension Telephone saves Four Lives

BECAUSE Robert Wochholz had an extension telephone on the second floor of his home in Albion, his family is alive today! Here are excerpts from his tribute to the protection an extension telephone affords, published with his permission.

"In addition to the extension telephone having saved us many, many trips downstairs, it proved the best investment

I ever made when, on the night of January 23, 1939, our house caught fire, trapping my wife, our two children, and a maid on the second floor.

"After calling the fire department over the extension telephone... they crawled onto the porch roof and were taken down by the firemen.

"... If it had not been for our extension telephone upstairs, it would have been virtually impossible for my wife to summon the fire department."

The low cost of an extension telephone... 2 to 3 cents a day... places its protection and convenience within reach of every family. A small connection charge applies. For complete information, call the Telephone Business Office.

Safetygrams

The more difficult and hazardous the job, the safer it will be done.

When roads are slippery, when sleet freezes on the windshield, when the weather is foggy and vision is poor, America's automobile drivers are noted for their caution and safe driving. Why? It is because the need for safety—not so much for others but for themselves—is so apparent that everyone exercises the utmost care. Self-preservation!

Why can't we exercise the same caution during clear weather and when roads are good?

It brings to mind the oft repeated statement: when driving an automobile, only you are responsible. The safety of others depends upon your actions. It is a definite personal responsibility.

It's Smart to Drive Carefully!

GRADE NEWS

Miss Wade:
Donald Batten and Alice Fuller are the Health Inspectors this week.

For our science lesson this week we all colored a picture of "Mother Bear and Her Cubs" and took home a little story about them.

Many boys and girls brought pussy willows to school this week. We learned and sang about "The Pussy Willows".

And now that spring is here we have learned many songs about our favorite birds so that we can sing to them and let them know how happy we are that they have returned to us. First and Second Grades—

Mrs. Dunham:
We are glad to have Joyce Wolfenden back in school after a long absence. The boys and girls are enjoying the book she brought us to read, "Charlie McCarthy—So Help Me, Mr. Bergen".

The second grade have made new spelling books to write their spelling words in each afternoon.

John Adams brought us some pussy willows for our room. We also made some pussy willows to put on our bulletin board.

It looks very much like Imogene Potter will be the winner in our Health Contest. It is running close between Imogene, Irene Warden, Jean Perrin and Caroline Waterbury.

We have learned a new song, "Spring's Message". Thinking of spring songs we certainly enjoyed the ones Mrs. Vliet's boys and girls sang for us last Wednesday when we went up to entertain them with music by our rhythm band.

CLASSROOM NEWS

Miss Cohen:
Latin I has just completed the story about the first aviators, "Daedulus and Icarus".

Speech I are continuing the courtesy speeches, beginning now welcomes, farewells, acceptance speeches, etc.

English 9 are beginning a unit on grammar—adjectives and adverbs.

English 10 have enjoyed the poem "Tom O'Shanter" and are now reading "Sohrab and Rustum" by Matthew Arnold, the story of a boy's search for a long lost father.

Mrs. Strait:
Wednesday morning the classes enjoyed seeing a movie on the preparation of frozen foods for the retail market.

Home Ec. II class is learning how to make cakes and frostings.

Home Ec. 7 is preparing hot breads for breakfast.

Mr. Thayer:
Bookkeeping Class has completed Set No. three and will be ready for another set in about two weeks.

The 8th grade Arithmetic class is beginning the study of Square Root.

Mrs. Walter:
Our eighth grade American History class is studying a unit on the growth of the nation in the latter nineteenth century and early twentieth century. This past week we have studied the growth of the cities and immigration problems.

The tenth grade World History class is working rather strenuously to improve its class work. The results are quite encouraging and we are hoping to have some interesting discussions.

SOPHOMORES GIVE CLASS PARTY!

Last Friday night, the Sophomores of Clarkston High School held a class party. The party started at 7:00 o'clock and lasted until 10:00. It was an invitation affair and quite a few attended the party. Mr. and Mrs. Strait were there as Mrs. Strait is the Class Sponsor. The games played were baseball, shuffleboard and ping pong. Refreshments were ice cream and cookies, which were enjoyed by everyone. Then most of them started to go home and those who were left did the dishes.

STUDENTS HAVE ORCHESTRA

Ten high school students, namely William Frid, Monroe Riley, LaRay Davis, John Culbertson, Harry Sparry, David Rubritos, Bob Seelye of the Walled Lake high school and Marland Bowen and Carlton Stuart of Milford have made up a very successful orchestra. Their director, George Eberle, has rehearsed with them each Wednesday and Saturday evening and is now reaping high rewards from the praise which the orchestra is receiving.

Last Sunday the boys were taken by army cars from Pontiac to Sel-

fridge Field to entertain at the Officers' Club. The orchestra played five numbers of which LaRay Davis sang three.

They recently played during the floor show at a school dance here and will give a half hour entertainment on April 14 at a school dance at Milford.

FLOWERS THAT BLOOM IN THE SPRING

With the snowline in Michigan rapidly retreating northward, reports of the first spring flowers have been made in some places while the snow was still on the ground.

First flowers to bloom in Michigan are the Hepatica and the Spring Beauty. The flowers of the Hepatica are blue, lavender, pink or white, with no two clusters exactly alike. They are sometimes fragrant, always sweet and woody. The fragile blossoms of the Spring Beauty are starry and pink veined, quickly drooping if picked.

Third flower to bloom in Michigan is the Arbutus, once found throughout the north country but now scarce and comparatively seldom seen. The flowers, if taken, should be carefully cut, not pulled up, as the whole plant might easily be destroyed.

For Homemakers

Drudgery of carrying buckets of water into the farm home when no water is piped into the house is most conspicuous when a few pencilled estimates are set down around a rural family's washday. Michigan farm families, including hundreds in Oakland county, are without the convenience of a supply of running water. One family found the wash job required energy sufficient to lift and carry a half ton of water.

A 14-quart pail was filled to the 12-quart level 3 times in supplying water for soaking clothes. In removing the water the pail was filled 3 more times, making 6 pailfuls of water handled. Then for heating and washing 4 pailfuls were carried to the boiler on the kitchen stove, then to the washing machine, then emptied out of doors, making 4 times 3 of 12 handlings of a full pail. The first rinsing required carrying 3 pailfuls of water to be heated, then to the tub, then emptied, making 3 times 3 or 9 pailfuls handled. For the second rinsing 4 pailfuls were needed which made 4 times 3 or 12 more handlings. A pailful of water thus was handled 39 times. Although only 14 pailfuls of water were actually used, the frequent handling was equivalent to carrying 117 gallons.

Taking the weight of a gallon of water as 8 and 1-3 pounds, this

meant carrying about 1,000 pounds of water—half a ton, every time the housewife did the laundry work. This, of course, was only one task involving the lifting of heavy pails of water.

P. S. This family now has water piped to the house. Installations made in the home include a sewage disposal system, a new sink, a lavatory and washroom near the back entry, a complete bathroom on the second floor and laundry tubs and a toilet in the basement.

Crochet for Smartness

Now's the time to start making this little bolero frock, so you'll be ready with a pleasant spring tonic for yourself by the time the busy new crocheted cotton lends itself beautifully to this knit design because of its resiliency and smart rough surface effect. Boleros are very gay and becoming, and are real "musts" for 1939. You'll like the figure-molding flattery of the sleeveless, sun-back dress underneath, too. It boasts a most graceful skirt.

Directions for this pattern may be secured by sending a self-addressed, stamped envelope to the News.
