## Local Literary Club Host to Oxford Club

Mrs. J. M. Goepfert, President of the Oakland County Federation Was a Guest

The Clarkston Literary Club was hostess to the Oxford L. S. Club on Tuesday afternoon in the parlors of the M. E. Church. There were 28 members of the Oxford Club present and 20 members of the local Club answered Roll Call by naming a recent book and author.

The meeting was opened by the president, Mrs. Souly and a message of greeting was given to the visitors.

After a brief business meeting the following program was presented under the direction of the program chairman, Mrs. Ray Clark, who introduced Mrs. Orlo Willoughby who sang "I passed by your window" and "How do you do Miss Springtime" accompanied by Mrs. William Watson. Mrs. Lee Clark then reviewed the book, "My Son, My Son" by Harold Spring. Mrs. Willoughby then favored the group with two more pretty songs, "Do you know my Garden?" and "Miss Spring". This was followed by a short play by seven members with Carmen Clark playing the part of the problem child. The play was entitled, "The Dear, Dear Children," by Sophie Kerr.

A social hour followed with dainty refreshments being served from a table covered with a lace cloth and centered with Spring flowers. Mrs. Alice Urch and Miss Ada Scrace poured.

This is always an outstanding meeting of the year and this one was no exception. Everyone had a delightful time and both clubs were pleased to have as a guest Mrs. J. M. Goepfert, president of the Oakland Federation. She spoke briefly on the State Federation meeting. Accompanying Mrs. Goepfert was Mrs. W. O. Roeser, president of the Pontiac Woman's Literary Club.

The meeting adjourned to meet on April 25th with Miss Ada Scrace.

## M. E. Ladies' Aid Met Wednesday

Plans Were Started for the Mother and Daughter Banquet

On Wednesday afternoon about forty attended the M. E. Ladies' Aid meeting at the home of Mrs. L. F. Walter on Washington St.

The regular business meeting was held and plans were started for the annual Mother and Daughter banquet and committees were appointed.

The main feature of the afternoon was a splendid book review by Mrs. Ronald Walter. She reviewed "The Yearling" by Marjorie Kinnan Rawlings. This book was especially interesting as the writer was known to some in Clarkston. When she was a child she often visited with Mrs. L. F. Walter. Mrs. Effie Addis Cone of Pontiac, an aunt of the writer was an honored guest. Mrs. Thomas Parker, a cousin of Mrs. Rawlings was also present.

The next meeting of the Aid will be held at the home of Mrs. J. E. Amman when election of officers will take place.

At the close of the meeting dainty refreshments were served in the dining-room where Spring flowers were used in profusion. Mrs. Effie Cone and Mrs. M. O. Clark poured. A very lovely surprise was an assortment of home-made cookies sent to Mrs. Walter by Mrs. Charles Meyers.

Among the out-of-town guests were Mrs. Leman Cambrey of Flint, Mrs. John Maynard of Pontiac and Mrs. A. J. Leibner of Rodney, Ontario.

Those who assisted Mrs. Walter included Mrs. Gerald O'Dell, Mrs. Forrest Jones, Mrs. William Belitz, Mrs. F. E. Davies and Mrs. Margaret Rockwell.

## Uniforms for the Band

Friday and Saturday have been set aside as Tag Days by the High School Band as the second step in their campaign to secure uniforms before the end of the school year. The band officers have obtained prices and samples from various companies and have announced that caps and capes of blue and gold can be purchased for less than ten dollars per member. The amount received from the roller-skating party last Thursday night was a pleasant surprise to all and was sufficient to purchase four of the necessary twenty-five uniforms. Members of the band feel sure that with the kind cooperation of the merchants and people of the community, the remaining uniforms can be supplied without difficulty.

## Young People Crowd Easter Sunrise Service

Miss Betty Walter Was the Speaker

About 5:30 Easter Sunday morning four or five young ladies went to the Clarkston M. E. Church and prepared a delicious breakfast for a record crowd of young people. At 7:00 o'clock breakfast was served. The menu consisted of grapefruit, bacon and eggs, hot bran muffins made by Evelyn Davies, bread, doughnuts and coffee. The tables were tastefully decorated with spring flowers and potted plants. These forty or forty-five young people were happy as they enjoyed their breakfast and chatted and prepared themselves for the inspiring service with which they were to start the day.

At about a quarter to eight the Easter Service started. Some of the older folks attended. The program opened with a hymn which was followed by a duet by Mr. and Mrs. William Mansfield. Another hymn was sung and then a passage of Scripture was read. Dan Addis then led the group in singing the League choruses. George Beardslee played a flute solo. Miss Betty Walter, a favorite speaker with the young people, gave an inspiring talk. Her subject was "Don't Water that Spark". Miss Walter's talk closed with prayer. The group then sang the League Song, "Into My Heart". Thus closed one of the finest Easter morning services the young people in Clarkston have ever held.

Several of the young folks remained at the Church and washed the dishes.

## 1940 License Plates to Be Black on Silver

License plates for the year 1940 will be black numerals on a silver aluminum background. The silver aluminum paint used, will bondize the metal of the plate and the plate will not be subject to chipping as with the enamel now used, making the new license plates more durable; also this color background will tend to eliminate reflections and minimize glare.

## Recent Fire in Office Building Hastens Change; New System to Be in Operation Before the End of May

Clarkston is to be provided with a new telephone central office of the dial type to replace the manual office which has been operated under difficulties since April 4, when fire partially destroyed the building at 40 Washington Street that houses the switchboard and other equipment.

Announcement to that effect was made today by Walter B. Fauser of Birmingham, Manager in this area for the Michigan Bell Telephone Company who said that the Company will expend upwards of \$25,000 on the project. Engineering of the new plant will begin immediately and installation of the equipment, and adding to and improving the outdoor telephone plant is expected to start shortly. It is anticipated that the new dial central office and dial telephone instruments on the premises of the company's customers here will be in operation before the end of May.

According to Mr. Fauser, the new dial service will be similar to that enjoyed by the company's customers in Flint, Pontiac, Detroit and other large Michigan cities and a number of smaller communities.

The new central office equipment will be installed in a building at 10½ South Main Street, leased from the Clarkston Building Association, which will be altered at once to meet the needs of the Michigan Bell Company. Installation of the central office equipment will be made by the Western Electric Company, manufacturing and supply division of the Bell System. Michigan Bell Company plant men will install the new telephones and do the work on the outdoor plant.

Following the change to the new system, all Clarkston telephone users, both in town and on rural lines, will place their local calls by dialing the number of the telephone with which it is desired to connect. Calls to other points, or to the telephone business office, telephone repair service, information, time service, or other departments of the Telephone Company, will be made by dialing "0", to attract the attention of an operator, who will make the connection wanted.

The new central office equipment is designed to function automatically to make the connection with the called telephone where a person operates the dial on his own telephone. The system, will incorporate certain new features designed to be of aid to the telephone user and to speed the service, including the audible ringing signal and the audible busy signal.

The audible ringing signal is an intermittent "bur-r-r-ing" sound that will be heard in the receiver by the calling party while the called telephone is being rung. The audible busy signal is a rapid "buz-buz-buz" that will be heard if the called telephone, or another on the same line, is busy. When a person lifts the receiver to make a call, he will hear a steady, low humming tone that will indicate that the central office apparatus is ready to handle the call and make the connection with the line desired, and also will be a signal to begin dialing.

Introduction of the dial type of service will make it necessary to change all telephone instruments connected with the exchange, according to Mr. Fauser. Customers will be advised by letter in advance of the calls by representatives of the company to make the change, and will be instructed in the use of the dial instruments at the time of installation.

It will be necessary, also, to change all telephone numbers coincident with the cutover to the new system. For that reason, a new telephone directory will be issued by the company. Mr. Fauser suggests, therefore, that upon the change to the new system, all copies of the old directory and all old telephone number lists be destroyed, and that only the new directory be used, in order to eliminate as far as possible the dialing of wrong numbers.

**Waterford**

Easter was an exceptionally happy day in the Waterford Church. All services were well attended. There were forty present at the Sunrise service at 6:30 conducted by Forrest Laney. At the Sunday School session at 10:15 there were 153. A large crowd attended the Church service at 11:15. Rev. Howard Jewell brought the Easter message. Rev. S. W. McFalls, a former pastor and his mother, Mrs. McFalls were present. Mrs. Earl Stevens joined the church by letter and Dorothy Marie and Doris Mae Bunker were baptized and joined the Church by profession of faith. Others baptized were Harold Edward Goshen and Frank Harry Schultz. 60 attended the song service at 7:30 with Howard T. Burt and Rev. Jewell in charge.

There were nineteen attended the Bible Class meeting on Tuesday evening at the home of Mr. and Mrs. Henri Buck. Mrs. William Chase was assistant hostess. The Roll Call was answered with a Bible verse on "Resurrection". Songs opened the meeting and prayer was offered by Henry Mehlberg. The lesson study was on the 3rd chapter of Revelations and was led by Mr. Mehlberg. Plans were started for the children's Day program. Mrs. Forrest Laney, Mrs. Helen Loughed, Mrs. Ernest Stevens and the teachers will act as the committee in charge. Mrs. Charles Roehm and Mrs. Henri Buck were named a committee to secure prices on Baptismal fonts and they are to report at the May meeting. The Roll Call at the May meeting will be answered with a verse on "Light". The social hour followed and was supervised by P. L. McLaughlin. The refreshments were planned by Mrs. William Chase, Mrs. Charles Roehm and Mrs. Granger.

The Waterford Ladies' Auxiliary held the April meeting on Thursday afternoon in the Church parlors. Mrs. Louis Dorman and Mrs. Otto Duguid were hostesses. Places were set for 24 and all enjoyed a very fine meeting. Songs opened the meeting which was in charge of the vice-president, Mrs. Earl Schwalm. The date for the next Penny supper to be served by the Willing Workers Circle was set for April 21st. The May supper will be served by the Dixie Ann Circle on May 26th and in the evening men and women will enjoy the Birthday Party. The following committees were appointed: entertainment, Mrs. Isabella Dryden, Mrs. Lovell Spalding, menu, Mrs. William Chase, Mrs. James Stites, Mrs. Earl Stevens and Mrs. Clifford Wood; table chairman,

Mrs. Henri Buck; "Spring" table, Mrs. Henry Mehlberg, Mrs. Ferris; "Summer" table, Mrs. Emaline Hurd and Mrs. Elizabeth Britton; "Fall" table, Mrs. John Gillespie and Mrs. Charles Roehm; "Winter" table, Mrs. Portt and Mrs. Forrest Laney. New members added to the roll were Mrs. Clay Johnson and Mrs. Helen Loughed. Reports on the amount of money obtained from the "Surprise Teas" were read: the Dixie Ann Circle made \$20.60 and the Willing Workers Circle made \$12.30. The nominating committee, Mrs. P. L. McLaughlin, Mrs. William Chase and Mrs. James Saylor, read their report and the following were elected to office for the ensuing year: president, Mrs. Ainsworth Wyckoff; vice president, Mrs. Earl Schwalm; 2nd vice president, Mrs. John Gillespie; 3rd vice president, Mrs. Forrest Laney; secretary, Mrs. James Stites; assistant secretary, Mrs. William Chase; treasurer, Mrs. A. W. Emery; flower committee, Mrs. Henry Mehlberg and Mrs. Joseph Helman. The Auxiliary purchased the flowers for the Easter service and afterwards distributed them among the sick. The hostesses for the May meeting will be Mrs. Isabella Dryden and Mrs. Leonard Eakle.

Mrs. Emaline Hurd is ill at her home on Hatfield Drive.  
 Phyllis and Maryland Fullerton are recovering rapidly from a long illness.

Mrs. J. H. Reid returned to her home on Monday after spending the winter months with her children.

The young people of the High School enjoyed a Roller Skating party at Orion on Tuesday night.

The Sub Deb Club of the village and their guests enjoyed a Taffy Pull at the School on Wednesday.

Mrs. Isabella Pratt of Detroit was the week-end guest of Mrs. Henry Mehlberg.

Mrs. Elizabeth Britton and Mrs. Emaline Hurd had several guests in their home on Sunday.

The students and teachers of the Waterford School are enjoying their spring vacation. Studies will be resumed on Monday.

Mr. and Mrs. George Slayton of Clarkston were callers at the Mehlberg home the latter part of the week.

Mrs. Emaline Hurd spent a few days with her son and daughter-in-law, Mr. and Mrs. Lovell Hurd and family in Highland Park.

Mr. and Mrs. Floyd Burt of Ortonville visited at the home of their son and daughter-in-law, Mr. and Mrs. Howard Burt on Sunday.

Elaine and Barry Burt have recovered from an illness which lasted for several days. Joann Spalding is confined to her home with scarlet fever.

Mr. and Mrs. Earl Schwalm had for Easter dinner Mr. Schwalm's mother, Mrs. Jennie Ward and son Gerald Ward.

Mr. and Mrs. George Broder of the Broder Antique Shop on Andersonville Road have returned this week from a southern trip.

Mrs. Fred Briggs of Williams Lake returned to her home on Tuesday af-

ter being a patient in the St. Joseph Hospital for a short time.  
 Guy Disbrow had several callers at his home on Sunday. Among them were three grandchildren, Phyllis, Barbara and Harvard Kniffen of Hazel Park.

Mrs. Bessie Owen and Mrs. Francis Chamberlain had as their guests on Sunday, the Charles Chamberlains of Royal Oak and the Ross Owens of Pontiac.

The Dixie Ann Circle met at the home of Mrs. Henry Mehlberg on Thursday afternoon with Mrs. Leonard Eakle as assistant hostess. Election of officers took place. The results will be given next week.

Mrs. Emaline Hurd entertained for Easter dinner, her daughter Nancy, and friend of Flint, and son Lovell Hurd and wife of Highland Park, and sister Mrs. Elizabeth Britten, and her daughter Mrs. Walter Shields of Roseville, Mich.

Mr. and Mrs. O. J. Duguid of Dixie Hwy entertained for Easter their daughter and husband, Mr. and Mrs. R. K. Clark of Trenton, Mr. and Mrs. P. L. McLaughlin and two children, Mr. and Mrs. Marvin O'Neil and Mr. Henry Roush.

Guests of Rev. Howard Jewell and his mother, Mrs. Eli Lennox on Sunday were Mr. and Mrs. Henry Jewell and family of Auburn Heights, Mr. and Mrs. Willard Jewell and family of Detroit, Mr. and Mrs. Lewis Pennington of Pontiac and Mr. and Mrs. Reuben Hall also of Pontiac.

Word was received here this week of the splendid progress that Mrs. Elizabeth Donaldson is making at the Fountain Inn Hospital in Eustis, Fla., where she is confined with a broken hip. The pin method which is much in advance of the cast method, is being used. This method allows the patient to be rolled on the side and raised to almost an upright position. The knee can be bent some too and all this is much easier on the patient.

The Music Mothers of the Waterford School will sponsor a party at the Williams Lake County Club on April 21st. The money derived from this dancing party will be used to purchase a cello for the school. The charge of admission will be small. A good orchestra will furnish the music. The manager of the Club House will supervise the sale of the refreshments. Tickets are now on sale. Be sure to get yours early.

**For Homemakers**

Spring breezes cause many women to scan household walls and get the urge to improve looks of the interior of a home with paint.

Men may think of paint in terms of protecting house and buildings from weather damage, for a woman it usually is looks. For the homemaker seized with the spring urge to paint, several suggestions are offered by the extension service of Michigan State College.

Preparation for the job and even consideration of the weather are necessary. Wall paint will not do on floor surface. Floor or deck paint has a binder that stands up against wear from feet. Paint left over should be marked for future use.

New unpainted wood requires very little except dusting off. A scraper or sandpaper will remove building residues such as mortar and plaster. After a priming coat, nail holes and loose joints should be filled with putty. Woodwork should be dry. Chalky surfaces can be dusted off, but blistered areas need to be scraped or brushed with a wire brush. Varnished or enameled surfaces can be sandpapered or scoured with steel wool.

Brush selection affects the work. A 3 1/2 or 4 inch flat brush is best for walls, ceiling and other large surfaces. Wood trim is covered more easily with a flat brush 2 to 2 1/2 inches in width. For round surfaces and sash trim it is easiest to use a special oval sash brush. Varnish brushes should be used for no other purpose.

And the weather? Painting days should be dry, clear and bright. Dampness results in a poor painting job.

What is the proper thing to do when the rear wheels of your car start to skid?

(a) Turn front wheels in same direction rear wheels are sliding.

(b) Turn wheels in opposite direction from skid.

(c) Throw out clutch and apply brakes.

What is the correct thing to do, and what is the safe thing to do? Point your front wheels in the direction the car is skidding; this will help you to get out of the skid.

**Drayton Plains**

WATCH FOR TAG DAY, APRIL 14, 15!

On Friday, April 14 and 15, the Clarkston High School Band will sell tags for 5c and up to obtain uniforms for the Band. You will receive one ticket for any amount over 5c. Tickets will be available on both days, so if you buy your ticket on Friday, please wear it on Friday and Saturday both. We shall appreciate your contribution very much. BUY YOUR TICKET AND HELP UNIFORM THE BAND!!!

SENIOR COMMENCEMENT NEWS

The Senior Graduation Committee, composed of Arlene McCann, Robert Smithson, Iva May Sommers, Marion Beemer and Wm. Rexford, has begun to function once more as it has in past years. With the aid of Mrs. Walter they are forming plans for the coming event, Graduation, toward which they have eagerly been looking and longing for. The program may be formed around a main idea, a pageant or short speeches given by members of the class. Caps and gowns for dress has been the pick of the main body of the Senior Class, and new ideas are being put forth that may surprise a great number of the people that hear of the plan that is now afoot. With the fine cooperation of the class, for which it is noted, the graduation should be and probably will be one of the finest programs given by Seniors in the past years.

ATTENTION!

Any ideas concerning Graduation will gladly be accepted. Yes, we will even accept ideas given by the Juniors.

ROLLER SKATING PARTY DEEMED SUCCESS!

Last Thursday evening, April 6, a roller skating party sponsored by the Clarkston High School Band, was held at Orion from 8:00 to 11:30. The Band received half of the profit and about \$36.90 was cleared. The money will be used to buy uniforms for the members of the band.

A great many students from C. H. S. were present besides those from Oxford, Orion, Seymour Lake, Waterford, and other surrounding districts. The moonlight waltz was very romantic amid the stumbles and falls of the participants. Trios were given a chance to perform and a change partners skate was grand fun. Of course the crowning event of the evening was the Grand March. It was especially interesting as there were so many in it that everyone was bumping into everyone else.

The party was so popular that another one is planned for the near future.

A MOMENT WITH THE SOPHOMORES!

Two weeks ago the sophomores picked out their class rings. They are now in progress (we hope) making payments on them. It seemed that when the salesman said the girls' rings were cheaper, "Casanova Tee" spoke up and said that he would buy

a girl's ring. The students usually get their rings when they are Juniors but if we buy them when we are sophomores we get gifts with them. We think this is a good idea (don't you??).

MUSIC NEWS!

THANK YOU, SKATERS!

The High School Band wishes to thank every one who attended the roller skating party and others who contributed to help make the party a success. All those on the floor, both standing and otherwise, declared that they had a wonderful time, even veteran skater, O'Dell. The percentage of proceeds which the band received was sufficient to purchase four uniforms of Blue and Gold. Again, We thank you.

HIGH SCHOOL CHORUS TO ATTEND FESTIVAL!

On Tuesday, April 25, about twenty-five members of the High School Chorus will take part in the Hartland Music Festival at Hartland. Seven other schools, including Milford and Holly, have groups participating in the afternoon program, wherein, each group will sing for eight minutes, and then combine to sing two numbers conducted by Mr. Weddle of Flint and Mr. Lindegren of Ypsilanti. Chorus tests are to be given this week to determine the members who will be included in the group.

GRADE NEWS

Miss Wade—Darla Mae Cranstan and Jimmy Huttenlocher are the Health Inspectors this week.

Last week several of the boys and girls brought egg shells to school. We painted them and planted a nasturtium in each one. Soon we will have a pretty egg shell flower garden in our sand table.

We learned that plants need good dirt, sunshine and water in order to grow well just as boys and girls need good food, sunshine and lots of milk in order to be healthy children.

Jimmy Hack is proudly displaying a new wrist watch that he received for Easter.

Mrs. Dunham—The Easter Bunny visited our room and was very good to us. We made Easter baskets and left them on our desks while we went in the gymnasium to play games and when we returned to our rooms our baskets were filled with eggs and we found eggs hidden all over the room. Mary Porritt and Phyllis Wickert found the most eggs during our Easter hunt.

We certainly enjoyed the piano number that Barbara Breakley played for us at our Easter Party. She played Schumann's "Joyous Farmer". Imogene Potter was the winner in our Health Contest.

The second grade has started work in addition. We are learning addition combinations and how to use them.

Mrs. Beardslee's Room—Our boys and girls enjoyed an Easter party Thursday afternoon. A real live Bunny came to visit us.

We are learning a group of Nature songs which are centered around the theme of the arrival of Spring.

We are working on a series of Vocabulary tests to help us in word recognition.

For our Art lessons this week we are making Spring borders in white silhouettes with black mountings.

FEATURES!

Someone told us Spring was here to stay! We don't believe it—Do you??

What Junior and Sophomore are "Always helping people"—We hear it doesn't work out so hot sometimes, Carm and Suzy!

Miss Cohen is worried as to what material she has to pick from for next year's Junior Play—Optimist?? (or pessimist).

What's King got that Clarkston boys lack—Fess up, Carm.

Eugene H. rather enjoyed himself roller skating—or did he??????

Speaking of Eugene, Everyone wishes they had a candid camera when they take a peek behind stage at Betty B. alias Lillian and Eugene alias Billy B. We'll never tell why?????

Gerry, Cliff and Don—that sophomore trio seems rather romantically inclined—Oh, Spring!!

Mr. Thayer is very willing to sell or give anyone Milt Fiske's dog. It has taken temporary (Mr. Thayer hopes) residence at the Thayer home-stead.

What are we going to do about these young eighth graders that go around taking candid camera shots of couples standing in the hall??? Has anyone any ideas???

**Receives Appointment**

Lansing, Mich.—Elmer A. Beamer of Blissfield, appointed commissioner of Department of Agriculture by Governor Luren D. Dickinson, will assume duties of office April 15. The new department head succeeds John B. Strange, of Grand Ledge, who becomes a member of the Civil Service Commission as a result of the change.

ELMER A. BEAMER

Beamer and Strange were in conference Wednesday and Thursday regarding matters of the department, following which Beamer announced that he intended to devote his time prior to April 15 to the closing of private business matters, preparatory to taking over the commission.

The incoming commissioner has tendered his resignation as president of the National Livestock Marketing Association. Owner and operator of a large Lenawee county farm, Beamer has pledged to "bring a practical farmer's viewpoint" to this state position.

**CROP ACREAGE EXPECTED TO DROP 1.5 PER CENT IN 1939**

The total acreage of Michigan crops planted and to be planted for the 1939 harvest is expected to be about 1.5 per cent less than in 1938. Actual plantings of spring crops will depend upon weather conditions at planting time, and the acreage harvested may show a greater decrease from last year, percentage-wise, than the indicated change in plantings. The abandonment of spring-planted crops has average around two per cent annually during the last 10 years, but the abandonment in 1938 was unusually small, being almost negligible in percentage.

Current reports of total farm employment, including both family and hired labor, indicate the number of workers on farms is down slightly from a year ago. This downward trend is in accord with the upward trend in industrial employment, there usually being a rather close inverse correlation between the two trends. The increased use of tractors, combines, and other modern labor-saving machinery gradually displaces a certain amount of farm labor, but the acreage of crops usually declines in years when factory employment has shown a stable increase over a number of months prior to the spring planting season. Likewise, crop acreages increase in years when the opposite situation has prevailed with respect to industrial employment.

The annual March 1 inquiry concerning planting intentions is for the purpose of giving information to farmers prior to planting that will enable them to modify their crop plans if the information indicates serious over or under-planting of certain crops for the country as a whole. Slight changes in the plans of individual farmers in the opposite direction from the indicated tendency should be helpful in stabilizing production and prices.

For the country as a whole, reports from farmers listing the acreages of the principal crops they intend to grow indicate that, in comparison with seedings last year, there will be a heavy reduction of about 4,000,000 acres in the area sown to spring wheat and reductions of around 1,200,000 acres in the areas to be seeded to corn and oats. On the other hand, there are prospects for an increase of nearly 2,000,000 acres in barley and increases of around a million acres each in land used for flaxseed, grain sorghums, soybeans and tame hay. Crops for which the intentions reports indicate about the same acreage as was planted last year include potatoes, sweet potatoes, cowpeas and beans.

50,000,000 of the Washington Inaugural stamps are being printed.

The new World's Fair stamp set an all time record when it went on sale in New York on Saturday, April 1, 1,964,743 stamps were sold which included those used on 585,565 first day covers, that had New York cancellation. On Monday, 394,916 more were sold at the Philatelic Agency in Washington and 10,599 covers cancelled. In comparison to this high, the first day sales at Golden Gate Exposition were 804,900, the Hawaiian stamp in 1927 totaled 934,971 and Texas back in 1936 set the record at 1,020,000 stamps.

A Romance of Two Worlds (and \$25,000 Heart Balm)  
An article in The American Weekly, the great magazine with the April 16 issue of The Detroit Sunday Times, tells how the yearning spirit of a doctor's departed wife assured him it would be all right for another woman to substitute for her on earth, but, unfortunately, he kept a diary of the advice that came to him from the other world. Be sure to get Sunday's Detroit Times.

Although the weather was stormy on Monday evening a fine crowd attended the O. E. S. School of Instruction. A delicious pot-luck supper was served at 6:30. The officers of the Ortonville and Thomas chapters were present.

Mrs. Joseph Seeterlin entertained her Contract Club at her home on Tuesday. A lovely luncheon was served at one o'clock. The awards for the afternoon went to Mrs. F. E. Davies and Mrs. James VanEvery of Detroit.

The heavy snow on Monday night and the cold blast that swept the county on Tuesday night and Wednesday failed to discourage the little crocuses that had peeped through the ground in the Ogden yard. They had quite a struggle to keep their tiny heads above the snow.

**Methodist Youth Visits Pontiac This Sunday**

The members of the Epworth League of the Clarkston Methodist Church and of the Youth Group in the Seymour Lake Methodist Church will attend a Youth Rally Sunday afternoon, held in the First M. E. Church, Pontiac. Starting at 5:00, the program will consist of recreational period, refreshments, discussion on war and peace, and special songs by a negro youth chorus from Pontiac. Two Clarkston young people will take part on the program.

The feature of the program is a Jury, consisting of one representative of each of the eight youth groups attending the Rally. Charles Perry will represent Clarkston on the Jury. The jury will hear various speakers giving their ideas of the war problem. Ginton Russell will be one of the speakers to appear before the youth jury. The member of the jury from Seymour Lake is Leslie Vliet.

Last fall the Clarkston League was host for these young people in their first meeting. Jeanette Vliet and Dan Addis are members of the committee planning these youth gatherings for seven Methodist churches in and near Pontiac.

Young people of Clarkston will meet at the church Sunday afternoon at 4:15, going to Pontiac in a group, for the program which starts at 5:00.

You'll laugh 'till your sides ache when Charlie pops up with a black eye, instigated by Fields, and has to do one of his acts in blackface so the discolored orb won't be noticed. The attractive Constance Moore, playing her first major role, gives a brilliant performance. Mortimer Snerd is back again too.

**CARD OF THANKS**

Mrs. Eliza D. Erb of Buffalo, New York, wishes to express her sincere thanks and appreciation to friends and neighbors of Waterford and vicinity for their loyal support in judicially assisting to extinguish the grass fire, which endangered her property and buildings at 5775 Dixie Highway.

She also expresses her thanks to the Clarkston and Pontiac fire departments for their prompt and efficient service.

**UNIFIED FOR Economy**

One of the many advantages of our membership in the Bell System is the substantial saving to every customer of this Company . . . a saving that grows directly out of the centralization made possible by the Bell System.

For example, we get our equipment from the Western Electric Company, manufacturing unit for all Bell Telephone Companies. This assures us of the finest standardized equipment at a lower cost than we could buy it elsewhere.

Instead of conducting our own research department, we pay a fraction of the cost of maintaining the centralized Bell Telephone Laboratories, "Home of Telephone Progress." In this way we have the use of the improvements developed by a complete research program which no one associated Bell Telephone Company could afford to maintain.

This efficiency . . . avoiding wasteful duplication . . . is one reason why your telephone service is better and costs less than any other telephone service in the world.

**MICHIGAN BELL TELEPHONE COMPANY**

You are invited to listen to a new radio program, "Here's Your Party," presented at 6:30 P. M. each Tuesday, Thursday and Saturday night over WXYZ and the Michigan Radio Network.

**HOLLY THEATRE**

Hilarious comedy sequences deftly woven into a powerful story stamp Universal's "You Can't Cheat An Honest Man" as one of the year's best screen offerings.

Heading the cast of the picture, which opens Sunday at the Holly Theatre, are W. C. Fields, Edgar Bergen and Charlie McCarthy. They are rated as Hollywood's top comedy combination—and they certainly live up to their reputation!

Highlighting the film, as you might suspect, is the bitter feud between Fields and his wooden nemesis, McCarthy. Their battle reaches new heights of potency and comedy in "You Can't Cheat An Honest Man".

**Who knows most about Building cars?**

Ford has built more than one-third of all the automobiles ever built in the world

**T**HERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be.
