## Final Spelling Bee Takes Place Today

### Ethelyn Smith of Clarkston Station School Among the Contestants

Excitement is high today in the five counties taking part in the Metropolitan Spelling Bee at the State Fair Grounds. The purpose of this bee is to discover the best grade school speller in the Detroit Metropolitan area including all of Wayne, Oakland, Macomb, Livingston and Washtenaw counties. All pupils from the fifth through the eighth grade are eligible. Spelling bees have been conducted in the schools since March to determine the grade champion, then the school champion and finally the district champion who will compete today. There will be 54 contestants in today's bee.

Ethelyn Smith, 11 years old, a seventh grader of the Clarkston Station School was the Champion in her district. She is the daughter of Mr. and Mrs. George Smith. Ethelyn has worked faithfully to become a winner. Her teacher, Miss Evelyn Sweeney, has worked with her and of course she has had the help of her mother and all three are proud that she has been a winner thus far. Today Ethelyn will not spend any time at her books but will relax and be prepared to be composed when her turn comes. As grade champion she will receive from the Detroit News the latest thin-paper edition of Webster's Collegiate Dictionary, the latest abridgment of Webster's New International. As school Champion she will receive from the Detroit News a handsome bronze medal, designed by the great sculptor, C. J. van der Hoef, and struck in the establishment of the Royal Beeger, Voorschoten, Holland. It bears the head of the "Wingless Victory", Pallas Athene, who was the goddess of wisdom. As District Champion she will get a larger medal to be presented at the Metropolitan Bee. Her name will be engraved on the back of each medal. Of course all the District Champions will be eager to win the Metropolitan Bee because the Champion will receive, besides a gold medal, a trip to Washington, D. C., accompanied by parent teacher or chaperone and a chance to compete in the National Bee to be held in Washington on May 29th.

The honor guests at the Coliseum today will be Hon. Luren D. Dickinson, Governor of Michigan; Hon. Richard W. Reading, Mayor of Detroit and Dr. Eugene B. Elliott, State Superintendent of Public Instruction. The officials will include the superintendents of the Detroit Public Schools and Wayne County Schools and the school Commissioners from the counties in the competing area. As special attractions there will be a band concert by the Cass Technical High School Band, "March of Champions". Parade of 54 District Champions led by former spelling bee champions and escorted by Boy Scout Drum and Bugle Corp and Color Guard. Then there will be singing by a chorus of 1600 school children from the Detroit Schools directed by Fowler Smith, Supervisor of Music. The whole program will be interesting and entertaining.

## Clarkston 4H Club Had Busy Saturday

### H. J. Hart, County Leader, Accompanies 4H Members on Livestock Tour

The 4H Club members in the County have been busy the last few weeks going on judging tours in readiness for the State judging which takes place in Lansing in June.

On Saturday H. J. Hart, County leader accompanied them on a Livestock Tour. At 9:00 o'clock in the morning they met at the Wildwood Farms and Judged 2 classes of Aberdeen Angus. They enjoyed dinner at this farm and then made their way to the Aberdeen Angus. They enjoyed dinner at this farm and then made their way to the Clare Fuller Farm at Oxford where they judged swine. The Meadowbrook Farm near Rochester was the last farm visited and here they judged horses. The boys and girls had an interesting trip. Those who attended from the local Club were Eugene and Robert Hubbard, Honor Stickney and Virginia Tondou.

In the evening the local Club met at the home of their leader, George Miller. A short business meeting was held and the evening was spent discussing the judging that had taken place during the day. Pumpkin seeds, donated by Durand Ogden, were distributed to the members at his request. These pumpkins are supposed to grow to an immense size and there will be a little competition now among the members to see who can grow the largest pumpkin.

The next meeting will be held on Saturday evening, May 27th at the home of Eugene and Robert Hubbard.

## Literary Club Has Mother & Daughter Evening

The Clarkston Literary Club and guests to the number of fifty, gathered at the Seymour Lake Community House, Tuesday evening for a Mother & Daughter banquet and program.

The Seymour Lake Ladies' Aid served one of their usual delicious meals, after which the following program was given:

Tribute to "Mothers" by Betty Clark.

Vocal solos—"Umbrella Man" and "Sir Echo" by Robert Blower of Pontiac, accompanied by Mrs. A. L. McIntyre.

Toast to "Daughters" by Mrs. Ray Clark.

Violin solos—"La Golondrina" and "Trees" by William Parker, accompanied by Mrs. A. L. McIntyre.

A skit, "The Dear, Dear Children" was given by seven club members and Carmen Clark.

Vocal solos—"That Wonderful Mother of Mine" and "Just a Wearying for You" by Mrs. Lee Clark, accompanied by Mrs. A. L. McIntyre.

Mrs. Ann Scraze was presented with a lovely plant for being the oldest mother present; and a lovely corsage was given to Mrs. Helen Jobbitt for being the youngest mother.

The Club feels that their first attempt with such an affair was worth while as they had a very pleasant evening with their "Mothers and Daughters".

The next meeting will be on May 23, at the home of Mrs. Margaret Rockwell.

## Royal Neighbors Met Wednesday Afternoon

On Wednesday afternoon the Clarkston Royal Neighbors met at the home of Mrs. Carl Irish. There was a fine attendance.

At noon a delicious pot-luck dinner was enjoyed. This was followed by the regular business meeting at which time it was decided that the Sewing Circle would meet on May 24th at the home of Mrs. Lulu Secord. The next regular meeting will be held at Williams Lake on June 14th at the home of Mrs. Louella Leighton.

## OBITUARY

### H. Lee Wright

H. Lee Wright, 85 years old, a resident of Groveland township, all his life, on the same farm, just east of what was for years known as Austin Corners, died at his home Monday morning, May 8. He was the son of Horatio and Sarah Campbell Wright, natives of New York, who settled on the farm in Groveland in 1843.

He was never a seeker for personal preferment but had served his township as Supervisor and his district as a member of the school board. He was made a member of Austin Lodge, No. 48, F. & A. M., many years ago. Later he transferred to Holly Lodge, No. 134, of which he was a life member at the time of his death.

Mr. Wright was twice married. His first wife was Mary D. Eddy, of Massachusetts, who died in 1901. In 1905 he was married to Mrs. Lillian C. Perry, of Groveland, who survives. Surviving also are two sons: J. Stanley Wright, of Keego Harbor, and Harold L. Wright, of Ferndale; two grandsons: Robert, of Keego Harbor, and Hal, of Ferndale; two sisters: Mrs. J. Ettie Evans, of St. Petersburg, Fla., and Mrs. Rose W. Sprague, of Pasadena, Calif.; and a stepdaughter, Mrs. Etta Leach, of Pontiac.

Funeral services were held from the late home on Wednesday at 2:30 p. m. Rev. Ralph W. Brown, of Davisburg, officiated, and burial was in Lake View cemetery, Clarkston. The Ogden Funeral Home of Clarkston was in charge of arrangements.

## National Hospital Day Friday, May 12th

National Hospital Day is an occasion when thousands of people visit the hospitals. It is a day for open house. It is a day for the public to visit this important community institution to learn something of its services, its facilities, purposes and aspirations. The Hospital has become an important factor in community life. It is a place, not only for the scientific and sympathetic care of the sick, but also for teaching and research. It is, in fact, a health center. A visit will prove interesting and profitable.

The News has received notice from St. Joseph Mercy Hospital inviting its readers to visit the Hospital on National Hospital Day, Friday, May 12th from 2 to 5 p. m. Each visitor will be afforded an opportunity of seeing the latest shock proof equipment installed in the X-Ray Department by the Ladies' Auxiliary. Your visits to the Hospital probably have been in the interests of a patient—someone near and dear to you. Your observations then probably were only casual, concerned mostly with illness and recovery. Now you are invited to visit the Hospital as a guest. You will be shown how the hospital functions with its staff of well-trained physicians, nurses and other health workers. The numerous services which the hospital provides will be open for your inspection and you will find them interesting.

Make it a point to visit the hospital today, May 12th, sometime between 2:00 and 5:00 p. m.

## Drayton Plains

Mrs. Ernest Sumnerfield and family of Hamilton, Ont., returned to their home last Sunday after spending several days as guests of Mrs. Sumnerfield's sister, Mrs. Roy Dancy and family.

At a lovely May breakfast last Sunday morning, May 7th the announcement of the engagement of Miss Esther Merla Kashburn of 3140 Seeley Ave., Drayton Plains, to William Kenneth Moore of 63 S. Jessie St., Pontiac, was made by Mrs. A. A. Solomon and Mrs. Mamie O'Boyle. No date has been set for the wedding. The guests included besides the honoree, Misses Inez and Josephine Sutton, Frances and Elaine Jones, Helen Jankawske, Esther Soncrainte, Rebecca Bowden and Mrs. Charles Williams.

### MERCHANTS BOOST BAND!

During the past week many of the merchants have been interviewed by a committee from the High School to determine their interests regarding band concerts this summer as an aid to purchasing uniforms. The committee has approached about one-half of the merchants and the response has been very generous.

Before the News goes to press next Thursday we hope to have ready for publication a list of all those merchants and other citizens who have made a direct contribution to the uniform fund. If you have planned to be one of the contributors you need not wait for a representative to call, just phone 12, the school office or mail your check to Orlo Willoughby, Band Director, or D. M. Winn.

### BAND IN UNIFORM!!

The High School Band will make its first appearance in uniforms at a Band Benefit Concert in the school auditorium, Friday evening, May 19 at 8 o'clock. Further details regarding the program will be published later.

### HOLLY DEFEATS CLARKSTON IN FIRST LEAGUE TRACK MEET!!!!

Last Wednesday, May 3, the local boys' track team was defeated by the Holly Track Team. It was close and thrilling meet all the way through. The final score was 38½ to 37½ in Holly's favor.

Clarkston began with a terrific start winning first place in both pole vault and shot put. Beemer and Bird tied at 8'3" for the pole vault and Webber and Bird took first and third in the shot put, Webber making 37'7" and Bird making 32'. Lehman from Holly took second with 34'9½".

Next on the program was the 100 yard dash, which everyone thought was a cinch with Beemer, Payne and Smithson but it seemed we were fooled by Ganshaw who took first place for Holly. The time was 11.4 seconds making a new meet record. Beemer of Clarkston came in second followed by Losh from Holly.

The mile run was next, and Holly again took first place with Disbrow who completed it in 5 minutes and 25 seconds. Bird and Johnson of Clarkston took second and third respectively.

In the 440, Rexford was the only Clarkston man to place. Stack and Van Osdol of Holly took first and third and Rexford came in second. Stack made the run in 62.5 seconds.

Holly took all three places in the 220, with Ganshaw first, who tied the meet record of 26.2 seconds. Losh and Burns came in second and third respectively.

Clarkston came out with flying colors in the half mile, after taking both first and second places. Galligan placed first, Lowrie, second, and Downing of Holly, third. The time was 2 minutes 24 seconds.

In the high jump neither team could out-jump the other and the final result was a tie between Boys of Clarkston and Lehman of Holly for first place and Galligan of Clarkston and Burns of Holly for second place. The height of five feet made a new meet record.

Losh and Ganshaw of Holly placed first (18'5") and second (17½") respectively for the broad jump. Payne of Clarkston came third—(16'8").

The last event, the relay, won by the Holly team, decided the meet at the final score of 38½ to 37½ in Holly's favor.

### SCHOOL ACHIEVEMENT PROGRAM MAY 17

The various rooms and departments of the Clarkston Public School are cooperating to present a program of entertainment, and education in the school next Wednesday evening. The P. T. A., who are sponsoring the program, will meet for a business meeting at 7:30 in the English Room.

Students of the Home Economics department and the Manual Training classes will display articles which they have made during the year, while the Science, Social Science, Commercial, and the other departments will have exhibits of projects and outstanding achievements. Each of the grade rooms will have special displays of interesting projects and time activities in their own rooms and time will be allowed for everyone to visit each room.

The program which will begin promptly at 8:00 o'clock in the auditorium consists of various instrumental solos, duets, and ensembles, piano solos, humorous readings, vocal numbers, and a dress parade. Every one is welcome to this free program and exhibit of the year's achievements.

## Clarkston Locals

The News is sorry to announce that Mrs. H. B. Mehlerberg, who in a few months would have finished her tenth year as Waterford correspondent, has decided to take a complete rest and retire from newspaper work. She will be greatly missed not only by the News staff but by our readers.

Guests at the home of Dr. Sutherland on Sunday in honor of his birthday were Mr. and Mrs. F. C. Sutherland, Mr. and Mrs. Chas. G. DeShon, Mr. Gardon DeShon and Mr. Ward Morton of Oxford; and Mr. and Mrs. Frank DeShon and Miss Loretta Dillon of Detroit.

You are asked to keep in mind the annual Mother and Daughter Banquet at the Clarkston M. E. Church on Wednesday evening, May 24th. All committees are working to make this the best banquet ever held. The tickets will be on sale next week. Get yours early as all places will be reserved.

### FARMINGTON DEFEATS CLARKSTON

Last Friday, May 5th, Clarkston was defeated by Farmington's classy baseball team by a score of 13 to 7. It looked as though Farmington would win the league championship. The Farmington pitcher got extra good support in the infield. The shortstop being noticeably brilliant in his fielding. Webber pitched a very good game but did not get the support that was due him.

	AB	H	R
Beemer	4	1	0

The next game is with Keego Harbor Friday the 12th at Clarkston.

### KDG. AND FIRST GRADE

We have planned two projects "The Farm" and "The Flower Garden" for our part in the Achievement Day program next Wed., May 17.

Our flower garden consists of six different kinds of flowers: Nasturtiums, Marigolds, Pinks, Bachelor Buttons, Calendulas, and Petunias. Each kind is in a separate box that Morris Dillenbeck made for us. Mrs. Willoughby gave us the seeds. Of course our flowers won't be in blossom but they are growing so nicely that we feel certain that you will acclaim us excellent gardeners.

On our farm we have a large red barn and silo and a pretty white house. The smaller buildings are a pig pen and chicken coop. Many animals are roaming about on our farm and grazing in the fields. In fact there are two cows, grazing in forbidden territory. They have their heads through the fence and are eating the wheat, oats, and corn that we planted. The busy farmer is on his tractor working in the fields. Everyone on our farm seems to be busy and happy.

We too have been busy and happy working on our farm and flower garden, we hope that you will enjoy visiting our room and seeing our completed projects next week.

During the past week the Kindergarten boys and girls have had fun making pictures of "The Three Bears".

We are making a gift to give our mothers on Mother's Day but that is a secret so of course we can't tell you about that.

Sylvia Petersen and Jeanette Terry are new girls in our room.

We are sorry that Jeanne McCaren and Kenneth Ronbarger have moved away.

### GRADE NEWS

Mrs. Beardslee's Room:  
Our Circus Project is in full swing. The boys and girls are very busy making all sorts of animals, clowns, and colorful figures. "The Circus Parade" is an interesting part of the project—The State Library has loaned us a fine collection of beautifully colored circus animals photographed in their natural habitats which we are enjoying. Three interesting books regarding the circus and the training of the animals which we are reading are: "Lions 'N' Tigers 'N' Everything"—Cooper; "Under the Big Top"—Cooper; "Circus Day"—Cooper.

We plan to make a study of the animals through as many mediums as possible, in Art, Language, Music, Reading, Handwriting and Spelling.

Mrs. Vliet:  
We hope to have a large attendance of parents at P. T. A. next Wednesday evening. Our class is preparing an exhibit of Bird Lore in which each pupil will have a part. One feature is an electric bird board made with the assistance of Mr. Waters and Mr. Willoughby's classes.

# Go to Church Sunday

### WHY GO TO CHURCH?

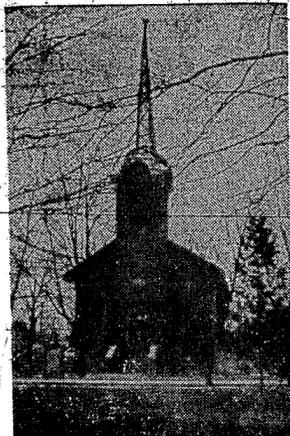

Rev. Dwight S. Large  
Clarkston Methodist Church

Ask yourself these questions.

1. In our day of war and preparation for mass murder, do you believe in peace?
2. In our day of increasing insanity and mental strain, do you desire poise, purpose and self-control?
3. In our day of class and race conflicts, do you dream of a community and world which is united and co-operative?
4. In our day of insecurity and fear, do you desire strength and encouragement to live?
5. In our day of broken dreams and low-spirits, do you desire true goals and moral stamina?
6. In our day of malicious talk and widespread crime, do you want to live in a friendly, wholesome, law-abiding society?
7. In our day of rush, noise, and deadening pace, do you wish some quiet, peaceful hours?
8. In our day of man's search for truth, do you wish to know God—the Creator, Sustainer, and Source of Life Eternal?

Answer these questions and consider the Church. Notice—it is the only group open to you which is actually international in membership and program. Notice—it is the only group open to you in which all ages, 12 to 112 can be active workers. Notice—it is the only group open to you in which you can share in a program for Justice, Brotherhood, Truth, and Good Living, extending over 19 centuries.

Your Church is open to you, and your children. It invites you to join others of your community in a common democratic search for the goals of life. Your church may not have the full answer—but your friends are seeking to work out this task of living. Why not attend regularly? Why not join and share?

### WHY GO TO CHURCH?

Rev. Howard Jewell, Waterford Church

In the first place, the home atmosphere is not always conducive to quiet meditation and worship. Then too, it is Divine Command. "But unto the place which the Lord your God shall choose out of all your tribes to put His name there, even unto His habitation shall ye seek and thither thou shalt come." Deut. 12:16.

Likewise, Blessings are pronounced upon they who attend the house of God. "Blessed are they that dwell in Thy house; they will be still praising Thee." Ps. 122:4.

Again, it is a place of instruction. "And many nations shall come and say, Come, and let us go up to the mountain of the Lord, and to the house of the God of Jacob, and He will teach us of His ways, and we will walk in His paths." Mt. 4:2.

And finally, it was the example of the Apostles to go to Church each Sabbath. If it was necessary for them, it is more necessary for us in these days of complex society and distorted ideals of right and wrong. "And they worshipped Him and returned to Jerusalem with great joy; and were continually in the Temple, praising and blessing God." Luke 24: 52, 53.

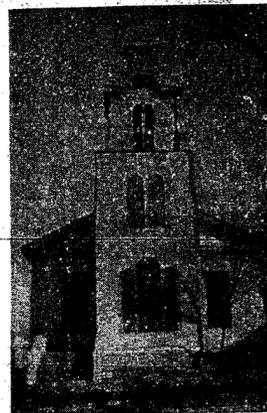

### WHY GO TO CHURCH?

Rev. Clarence J. Sutton, Drayton Plains Church

Little can be said upon this subject that has not been said thousands of times. One can hope to do little more than state historic truths. Since the true church, as stated, is "The Bride of Christ", built upon the foundation, "Thou art The Christ the Son of The Living God", its ultimate value to those who refuse such acknowledgment might very easily be questioned.

Yet "The crumbs are constantly falling from the table", for the blessing and nourishment of all who partake. Regardless of who or what you are, you need what the church has to give. You are not an animal, "nourishing a blind life within the brain", but a creation of God, bearing in your soul His own Spiritual Image.

Go to the church for Inspiration, for Worship. Go to meet Christ and Christ's people. If you go as a seeker and not as a critic, the church will give you, "Strength in your Weakness"; Courage in Defeat; Light in the Darkness; Faith to look up and beyond when the open grave yawns. But above all if your church is true to its task it will show you Jesus Christ, and a glorious present Life in Him. Go to Church, for Christ's sake, for your own sake, and for the sake of your community.

### TAKE TIME FOR GOD!

Rev. W. C. Ballagh  
Clarkston Baptist Church

Roger W. Babson, America's foremost statistician, recently made this statement while discussing business cycles, "I am very fearful of the present trend line. In fact, I say it will not go up again until this nation and the world is awakened by a spiritual revival. Only a spiritual revival has turned the trend line upward heretofore when it was faltering. It is only reasonable that history should again repeat itself."

Later on Babson stressed the importance of Sunday as a day of worship, "Let me now emphasize the importance of Sunday observance. I am not a preacher but merely a statistician and business analyst. Therefore, you can trust me to be impartial in this statement: Sunday observance bears a most intimate relation to all the ideals for which our Christian civilization stands. . . . Without a reverently observed Sunday, life loses indispensable elements. I am presenting the need of Sunday observance not from any mere theological standpoint but as an economic necessity."

These words of Babson are well-founded on Scripture which tell us that "righteousness exalteth a nation, but sin is a reproach to any people." The present reproach on our nation is doubtlessly rooted in the awful sin of God-rejection manifested in an open indifference to all that is holy and righteous.

Answers to Bird riddles.

1. A baby robin can eat about 14 feet of earthworms a day.  
2. The "Edgar Bergens" of Birdland are the scarlet tanager and the wood thrush. They are both ventriloquists.

Miss McClaren

The fourth grade have completed the study of the different regions of the world. They have visited five different regions: Belgium, Congo, Arabia, Baffin Island, Norway, and Holland. After studying about the people of these lands they have made a miniature scene from each region. Each scene shows how man makes use of his surroundings in obtaining food, shelter, clothing and fuel for himself. The fifth grade have made a display of product maps of South America.

The reading classes have prepared a food museum to show the different uses made of different kinds of food materials.

The Art classes have made a display of work completed during the year.

## CLASSROOM NEWS

Mrs. Strait  
4th grade Hygiene

For the last week the boys and girls have been finding out about many of the scientists who have been responsible for the discovery and treatment of many diseases.

Ec. 2  
This week the girls had their first experience with jury panel discussions. Each girl served on one of the juries with two other girls, and these were used as a means of review work.

The girls have just completed a unit on dinners preparation. The unit ended with serving a company dinner and a buffet meal.

Miss Cohen:  
English 9 class is working on the proper punctuation and capitalization unit in writing. They are also reading Stevenson's "Treasure Island", a story particularly appealing to boys and girls.

English 10 is working on punctuation and capitalization; for literature they are working on their scholastics. Latin I has just finished reading the story "Regulus, a Man of Courage". They will soon have a test over unit of work.

Speech I are just finishing their monologues and dialogues. Soon they will be discussing the radio, a vital subject to most boys and girls. Then each one will pretend to be a radio announcer, at least his own program, trying to illustrate good technique of radio speaking.

## SENIOR NEWS

by Rex and Arlene  
The final plans for the commencement were brought before the Senior Class for approval last Friday, May 5, 1939 and were whole heartedly accepted. The theme of the program will be based on the class departing from High School Life upon an airliner of life and going forth into the world to whatever goals or defeats (we sincerely hope there are none) that await them. They are also endeavoring to write an original class song.

Skip day has been discussed and most of the class favor a boat trip to Cedar Point as the Main event on the program. Class parties are still in favor around the class and there will be one before graduation in which "a good time" will be had by all. The Seniors who will serve on the program committee for the party will be announced soon by the class President, Marion Beemer.

Domination by the Seniors in the All-School Track Meet (with apolo-

gies to that little thing called "Modesty") although some of the Juniors stepped out and surprised themselves by coming in with a few well deserved points.

## GIRLS' SOFTBALL

Last Friday afternoon we went to Drayton Plains to play softball, with Ernest Hazlett as umpire and Miss Wellington directing the team. The game was very loosely played on both sides, with more errors than we could count, or would care to remember. Two score-keepers, working furiously, arrived at an estimate of a final score of 35 to 21 in favor of Clarkston. The girls of both teams gave a good demonstration of how not to play the game. However, the Clarkston girls batted enough like the Yankees to secure a 16 run lead in the second inning and maintain it. All of the girls showed hitting ability and, with time and coaching, might make ball-players. Who knows? We do not like to mention individuals, but do think that Rita Wilson deserves credit for her work behind the plate, and that Alita Boice and Honor Stickney adapted themselves well to their respective positions.

Hazlett handled both bases and the pitching proving a bulwark of efficiency, fairness, and good judgment.

## FRESHMAN PARTY

The Freshman class had a class party last Friday, May 6. They had a Scavenger Hunt. Ralph Kennedy's group won the hunt. The rest of the evening was devoted to playing games. There were no refreshments.

## Waterford

The meeting of the Waterford Bible Class which always occurs on the second Tuesday of each month was postponed until Tuesday, May 16th and will be held in the Church parlors with Mrs. William Grange and Miss Ethel VanSvekle as hostesses. The Roll Call will be answered with a Bible verse on "Light". The lesson will be continued in Revelation, the 4th chapter. The social hour will be in charge of Charles Roehm and P. L. McLaughlin.

Young Richard Thomas was painfully injured on Monday when he was struck in the eye with a bean from a slingshot in the hands of a playmate. He suffered intense pain and was rushed to an eye specialist at once.

## Big in Value... Little in Cost

FEW THINGS give you so much convenience, happiness and security... all rolled into one... as your telephone.

Telephone service is not only exceptionally good... it's cheap. Nowhere else in the world do people get so much and such good service at such low cost.

Experienced management, trained people and good equipment are three important reasons for this fact.

For complete information about telephone service, or to place an order, call, write or visit the Telephone Business Office.
