Mrs. William Granger of Waterford, formerly of Pontiac where she lived neighbors with the Fisher family for years, has a copy of a letter recently received by Rev. Savage of the First Baptist Church of Pontiac from Ernestine Fisher, a Baptist Missionary located in Fatehpur, India. The letter concerned the death and burial of Mrs. Edith Fisher, mother of Ernestine, and the wife of the late Charles Fisher of Pontiac. One and a half years ago Mrs. Fisher joined her daughter in India and early in 1939 the two were planning to visit Pontiac when Mrs. Fisher became ill. She passed away at the sunset hour on March 25th and was buried the next day at the sunset hour. Mrs. Fisher's funeral was conducted by a Mr. Balasundaram, honorary secretary of the North Indian Auxiliary of the British and Foreign Bible Society with Dr. Ernest Janvier, a blind Missionary, assisting. The regular ordained ministers were away on mission work. Miss Fisher writes in part, "I had asked our gardener to make a blanket of flowers which would completely cover mother's casket—this I wanted to feel to be from the whole family at home and it was simply exquisite—made up so lovingly by the hands of our servants who were so devoted to dear mother. It was made up of very dainty lily-of-the-valley-like antigonum, white phlox, gardenias, lilies, a few golden hearted roses and a few yellow and lavender pansy faces for the dear children. On top of this was placed an Easter lily Cross sent by the Pastor and his wife and the congregation of the Baptist Chapel. This, I felt, would represent all the loving friends of our Pontiac Church at home, friends who were so fond of our loved one and with whom she served the Lord so untiringly and faithfully through all the years." Mrs. Fisher's body was laid to rest in a Christian cemetery in Fatehpur India on Sunday evening, at the sunset hour, March 26th, 1939. Miss Ernestine Fisher who has served as a missionary in foreign fields for years is now on her way back home to Pontiac on an extended furlough.

Much local interest is centered around the opening of the town's newest building, the Corbin building on the Dixie Highway which will house a drugstore, a barber shop, a beauty parlor and a recreation room. The building will be ready for occu-

pancy within a week. The basement has been leased to the Waterford Chess and Checker Club for their recreation room. A number of years ago the ground on which the new building is located, as well as the surrounding property which is now occupied by the Sleepy Hollow Tourist Camp was purchased by Mr. Corbin from Henry Ford, the motor magnate.

The Good Will Club was entertained by Mrs. Percy Hunt on Friday at her home on Chippewa Drive in Pontiac. Mehlberg, to take care of the purchasing of the same. Mr. Mehlberg presented the lesson on the 4th chap-

ter of Revelations. The June meeting will be held at the home of Mr. and Mrs. Carl Terry in Pontiac and the Roll Call will be answered with a verse on "Peace". Mrs. William Granger and Miss Ethyl VanSycle were hostesses and appetizing refreshments were served at a prettily decorated table.

Many of the village homes can boast of attractive flower gardens that receive the best of care from their owners. From these gardens throughout the season go posies to cheer the sick, to help brighten the church on different occasions and to add a gala touch to many a dinner party. Your scribe is the recipient of some beautiful bouquets, some of Spring's first blossoms. A lovely vase of tulips, lilacs, bridalwreath and apple blossoms arrived on Mother's Day from Mrs. Al Mertens; a bunch of colorful pansies from Mrs. Earl Wilcox and such pretty long-stemmed English violets from the garden of Mrs. Joseph Helman. Even artificial flowers have their place. Each person attending the Waterford Sunday School on Mother's Day was met at the Church door by Mr. and Mrs. Forest Laney and if the person was not wearing a flower in honor or in memory of their mother they were offered a red or a white crepe paper rose. These flowers were made by the Laney's and served as a welcome contribution toward the Mother's Day service.

Even "Indian cooking"
COSTS MONEY!

Whether you cook in a tin can over a fire, a wood stove, an oil stove or what, you PAY for cooking... but some methods of cooking give you better results than others. And the difference in cost between ordinary cooking methods and the best cooking method is very little. An electric range gives you better tasting food, cleanliness, ease and simplicity of operation, healthfulness, and cool, comfortable cooking in warm weather. Since you pay for cooking anyway, why not enjoy the advantages of the most modern, up-to-date method? The average cost of cooking on an electric range (see) is only \$1.55 a month.

I WONDER, DON'T YOU????

We wonder who is taking whom to the Junior and Senior Banquet???? All the girls are very much interested in who will be the belle of the ball.

It seems that some of the students don't agree with those that were singing "I Get Along Without You Very Well" on Senior Skip Day. They were singing "Hurry Home".

Seen around C. H. S. lately is Helen Smithson in the company of one Owen Payne. Helen is a little girl from Waterford.

That Tom Boothby is flirting again, this time it is Beverly Payne. Be careful Tom someone might get jealous.

Don Tee has great ability when it comes to teaching World History Class.

Those Sophomore girls are up to some more of their very funny tricks. This time they are doing their interpretation of "Hold Tight".

Spring must be here for everyone is wearing a pretty little posy in their hair.

Will some one please take care of the make believe snake that Roger Galligan has been making the girls jump with. And also while you are at that you might also get LaVerne's beautiful Tulip that gives off the most delightful fragrance of Water.

Boys, did you know that Miss Cohen was frightened by Bumble Bees. What next.

The eighth grade girls are forever playing softball. What certain freshman gal is always telling a certain Senior boy that he needs a shave?
