CLARKSTON, MICHIGAN, FRIDAY, JULY 7, 1939

## Legion Post No. 63 Sponsors Benefit Dance

### Girl, 22, to Undergo Delicate Eye Operation

The American Legion Post No. 63, of Clarkston, Mich., is sponsoring a Benefit Dance at the Clarkston High School, on Wednesday evening, July 12th, the proceeds to be given to Mrs. Muriel Orr Crabtree.

Mrs. Crabtree was seriously burned about the head and shoulders in an automobile accident last December, which caused blindness. An operation by a New York specialist is necessary before any vision is believed possible.

The members of the School Board of the Clarkston High School have generously offered the school gymnasium for the dance, and the music has also been donated. A capacity crowd is anticipated.

## SODDED ORCHARD HAS ADVANTAGES

### Shown in Experiments Recently Made at M. S. C.

To cultivate orchards or maintain them in sod—that's a question many Michigan orchardists would like to have answered.

There has been some dispute on this matter among horticulturists, but recent experiments, according to Paul Barrett, extension soil conservationist at Michigan State College, indicate that the sodded orchard not only controls erosion, but on some sites it actually increases yield.

This has been the experience of soil conservationists, Barrett says, and a like conclusion was reached in recent investigations in Pennsylvania.

"Yields should be measured over the entire period that the orchard occupies the soil and the condition of the site for future use should be considered," soil conservation men report.

The Pennsylvania experimenters sampled 48 apple peach and cherry orchards in different parts of that state and found that orchard soils in sod were much higher in organic matter, and total nitrogen and less compact than those with cover crop or clean-cultivation, Barrett reports.

"Erosion occurring under clean cultivation in orchards on sloping land may be so severe that the site is practically ruined for future use," Barrett says. "Even the system of using cover crops allows considerable erosion, for the ground is usually bare at the period of the year when erosion is most severe."

"If the land has been ruined for further use, it puts a different slant on profits, supposedly made on fruit sold."

## Annual School Meetings Monday

Annual school meetings will be held Monday evening at the Clarkston, Drayton Plains and Waterford Schools. If you are a property holder plan to attend.

## Burn Mortgage at Davisburg Church

A special service is being planned to celebrate the last payment on the mortgage against the Davisburg Methodist Church property.

This service will be held on Sunday evening, July 16. A delightful program of short speeches and music is being planned in which local and outside talent will participate.

This will be a truly jubilant evening for our church folks and we invite all of our friends who formerly attended the church to come back and celebrate with us.

Ralph W. Brown, Minister.

## Picnic at East Lansing For Conservation Folks

The third annual picnic for members of the county and community and their friends will be held on the agricultural conservation committee Michigan State College Campus, East Lansing, Saturday, July 8.

A baseball game between county committeemen and the State Committee and Fieldmen, is scheduled for the morning. After a picnic lunch at noon, a program of stunts and other entertainment will be presented at the band shell. William S. Adams, of Litchfield, and Chairman of the Hillsdale County Triple A Committee, will be the Master of Ceremonies.

As in previous years, a Triple A Queen will be selected, contestants being from the offices of the county associations.

D. D. Deeds, a State Committeeman of Ohio, is to speak on the afternoon program.

## Attention Band Members

The members of the Clarkston School Band are reminded that there will be a regular rehearsal next Monday evening at the school at 7:30. There will be new music.

Anyone who attends the rehearsal on Monday night, whether a school student or not, is welcome to play with the band at the concert on Tuesday night from 8:00 o'clock until 9:00 at the front of the Township Hall.

## Clarkston Locals

Mr. and Mrs. Albert Kent of Detroit spent the week-end with her parents, Mr. and Mrs. William Belitz.

Bartlett Mann and Ralph Marshall returned on Tuesday night from a fine week-end spent at Rogers City.

The girls that sold poppies for the American Legion on Poppy Day will be entertained at a theater party on Friday evening by the Legion Post.

Mr. and Mrs. C. A. Kitchen of Wyandotte returned to their home on Wednesday after spending several days in Clarkston with her parents, Mr. and Mrs. Edw. Wieland.

Mr. and Mrs. George D. King expect to leave on Friday evening for South Bend, Ind., where they will attend the wedding of their nephew, George King, on Saturday morning.

### ANDERSONVILLE CHURCH

Rev. Geo. A. Hill, Pastor  
2:30—Preaching service.  
3:30—Sabbath School.

## Ex Clarkston Resident Passes Away in Detroit

### Services for Mrs. L. H. Cheeseman Were Held Last Saturday Afternoon

Mrs. Carrie A. Cheeseman, aged 76 years, passed away at her home in Detroit on Thursday morning of last week after being in ill health for several weeks.

Mrs. Cheeseman was born in Lowell, Michigan, in 1862. She was well known in Clarkston and vicinity having been a resident of Waterford from 1914 until 1918 when they moved to Clarkston and remained here until 1933 when they went to Detroit where Mr. Cheeseman still lives.

She is survived by her husband, Lester Howe Cheeseman, a daughter, Jeanna Townsend of Highland Park, a son, Clifford J. of Clarkston, three brothers, Henry, Charles and Edwin Winegar, seven grandchildren and five great grandchildren.

The funeral service was held at the Luther Barker Chapel in Detroit on Saturday afternoon with interment in the cemetery at Lowell, Mich.

## OBITUARY

### Jennie S. Ward

Mrs. Jennie S. Ward, aged 67 years, passed away at her home 4993 Dixie Highway early Tuesday morning.

Mrs. Ward was born in Haywood, Wis., January 11, 1872. She had made her home in Oakland County for the past twenty-five years. Her second husband John Ward to whom she was married in 1912 passed away in 1926.

She is survived by one son, Gerald Ward at home and three sons by a former marriage, Florian Schwalm of Chicago; Earl Schwalm of Waterford and Ralph Schwalm of Pontiac and five grandchildren.

The funeral service was held at the Ogden Funeral Home in Clarkston on Thursday afternoon at 2:30 with Rev. Howard Jewell of Waterford officiating. Interment was in Ottawa Park cemetery.

## Baptist Ladies' Union To Sponsor Garden Tea

The Baptist Ladies' Union of the Clarkston Baptist Church will sponsor a Garden Tea at the home of Mrs. Ira Jones on Robertson Court next Thursday afternoon beginning at 2:30.

Miss Vilhauer, matron of the Friendship House, Baptist Children's Orphanage, Detroit, will be the guest speaker. She will tell about her work among the children.

All members and friends are invited to attend.

## Annual Reunion Held Tuesday

The annual Belitz reunion was held at the home of Mr. and Mrs. William Belitz on Tuesday. There were about thirty present.

At one o'clock a delicious dinner was served at a long table on the lawn at the front of the Belitz home. The afternoon was spent visiting and playing games.

Guests were present from Port Hope, Detroit, Pontiac and Oxford.

## Mann-Reynolds Rites Read Last Friday

Miss Lolita Mann, daughter of Mr. and Mrs. John Mann of Clarkston was quietly married to John Reynolds, son of Mrs. George H. Ball of Toledo, in Pontiac last Friday morning.

The bride wore a blue lace dress with pink accessories and a corsage of gardenias and roses. Her only attendant was Mrs. Harlan Oakes of Drayton Plains. Mr. Reynolds was assisted by Mr. Joseph Loughlin.

After the ceremony the bridal party and a few relatives partook of a luncheon at the home of the bride's parents in Clarkston. The young couple then left to spend a few days in northern Michigan. They returned on Sunday evening and are residing at the Hollywood Apartments on East Howard Street in Pontiac.

The bride is well known here having graduated from the local school. Prior to her marriage she was honored at several very lovely affairs.

## HOLLY THEATRE

Once winner of the Motion Picture Arts and Sciences Award for fine acting, and lauded for his great characterizations on the screen, Victor McLaglen stars in his latest production, Universal's "Ex-Champ", which comes Sunday to the Holly Theatre.

McLaglen is noted for the rugged characterizations he enacts for the cameras. In "Ex-Champ" he appears as a broken-down, ex-champion prizefighter, proud of two possessions. They are a championship belt and a worthless, snobbish son who disdains his father's home and his rough and tough associates.

Although "Ex-Champ" has an atmosphere of the boxing ring and training quarters, it cannot be regarded as a prize-fight story. It deals primarily with the sacrifice McLaglen makes to attempt to save the snobbish son when the son is in danger.

In the supporting cast will be seen Tom Brown, featured as an embryo fighter whom McLaglen groomed for a championship battle. Nan Grey has the role of his daughter; Ronald Briggs is the snobbish son; William Frawley is a training camp handler; Constance Moore takes the part of a Park Avenue blue-blood in love with the son; and Sammie S. Hinds is a kindly boxing commissioner. The subject was directed by Phil Rosen and produced by Burt Kelly.

"Ex-Champ" is announced as an original story by Gordon Kahn with screenplay by Alex Gottlieb and Edmund L. Hartmann.

## MICHIGAN CHERRIES ARE GOOD

Michigan is forging to the front with beautifully packaged sweet cherries, like dark wine-red plums, second to none in flavor and appearance. The woman who is looking for something "extra spiffy" can delight the eye and palate of her guests with these cherries, which are truly "company" fruit (served fresh or in desserts), and well worth the extra price they bring. Sweet cherries, less carefully selected and marketed, but wholly desirable, may be bought for a lesser price.

Michigan is particularly famous for its sour or pie cherry, since its climate is peculiarly adapted to the cultivation of that fruit. Pie cherry is much less of a "sissy" than its sister Sweet Cherry, which does not so readily resist cold, drought and spring frosts.

## Walter Reunion Held In Clarkston Tuesday

### Mrs. Pearl Urch was the Hostess

The annual reunion of the Walter family was held at the home of Mrs. Pearl Urch on Tuesday. There were about fifty-five present from Lansing, Detroit, Waterford, Pontiac and Clarkston.

At noon tables groaning with food were spread on the lawn and everyone ate heartily. Then rain chased the crowd indoors where the program of games took place. The games were many and some were exciting. Many spent the time visiting as this is the only opportunity during the year that they have to see each other. About twenty-five remained at the Urch home until later in the evening when a buffet supper was served.

The reunion will most likely be held in the same place and on the same date in 1940.

## Surprise Birthday Party Given Saturday

On Saturday night a group gathered at the B. H. Comstock home on Holcomb Street to help celebrate the birthdays of Mrs. Comstock, Mrs. Elmer Collins and Mrs. Arnold Mann. There were twenty-four present.

During the evening the crowd enjoyed playing cards and Chinese checkers. At a late hour a lovely lunch was served.

The guests included Mr. and Mrs. Mel Berg, Mr. and Mrs. Percy Craven, Mr. and Mrs. George Perry, Mr. and Mrs. William Goulet, Mr. and Mrs. Judd Skarritt, Mr. and Mrs. Arnold Mann, Mr. and Mrs. Vehrung of West Virginia, Mr. and Mrs. Skarritt of Oxford, Mr. and Mrs. Edward O'Rourke, Mr. and Mrs. Elmer Collins and Mr. and Mrs. Clarence Smith.

## Clarkston Locals

Harold Belitz of Ferndale has been spending the week with his grandparents, Mr. and Mrs. William Belitz.

Mrs. Anna Fleming and Mrs. L. I. Coon entertained a number of their friends at a luncheon and bridge at the Rotunda Inn on Thursday afternoon.

Mr. and Mrs. Elmer Collins went to Detroit on Tuesday and attended the ball game at Briggs Stadium. They enjoyed dinner in Detroit as guests of his brother Cleveland Collins.

For at least a week travel on U.S. 10 and M-15 has been heavier than usual. Holiday crowds started north on Wednesday of last week and each day traffic was heavier until on Friday night reports are that the traffic was over 50% greater than in previous years. However on account of factories working only three and four days a week a great many were in no great rush to return to their homes and so for a 4th of July night traffic on Tuesday was lighter than usual. The crowd sauntered down from the north all day Wednesday and many have remained somewhere in northern Michigan until this weekend.

## Coming Events

July 11th—Tuesday afternoon from 4:30 until 6:00 the regular Red Cross Swimming lesson will be given at Deer Lake Beach. All interested are asked to attend.

July 12th—Wednesday afternoon—The Ladies' Aid of the Clarkston Methodist Church will meet at the home of Mrs. Rose Teggerdine. The assisting hostesses will be Mrs. Geo. King, Mrs. Ed. Miller, Mrs. Roy Spencer and Mrs. A. Josephine Smith.

July 12th—Wednesday afternoon the Royal Neighbors will meet at the home of Mrs. Clarence Smith. The losers in the "Insurance for Members" contest will furnish the picnic dinner.

July 14th—Friday evening—a Penny Supper will be served at the Waterford Church beginning at 6:00 o'clock. The public is invited.

July 19th—Wednesday the Past Matrons' Club of Clarkston will meet at the home of Mrs. D. C. Miller. There will be a picnic lunch at noon.

## Another Graduate Reaches Voting Age

Last Saturday Clare Rasmuson, a graduate of the Clarkston High School several years ago celebrated his twenty-first birthday when a number of his friends gathered at his home on the Dixie Highway and enjoyed the afternoon and evening with him.

In the afternoon the group played games and had a good time swimming. About six o'clock a birthday dinner was served with a lovely birthday cake centering the table. A lively evening of games kept the group busy until that hour when all left for their homes wishing Clare many more happy birthdays.

## Clarkston Folks Attend Smith Reunion Tuesday

### Mrs. Ira Jones of Clarkston was Elected Treasurer

On Tuesday Mr. and Mrs. Ira Jones, Mr. and Mrs. Charles Rockwell and Mr. and Mrs. Robert Jones and son, Bobby, attended the fourteenth annual Smith reunion at Ortonville State Park. There were ninety present.

At noon a delicious picnic dinner was served and the crowd had a good time visiting. A business meeting was held and George Smith of Ortonville was made president; Mrs. Grace Powell of Pontiac, vice-president; Basil Smith of Brown City, secretary and Mrs. Ira Jones of Clarkston, treasurer. A fine program of sports was enjoyed. One of the lovely features of the day was the tribute given by little Marilyn Jones of Franklin to her great grandmother, Mrs. Welsh who is 76 years old. Marilyn presented Mrs. Welsh with the flowers she used to tell her beautiful story.

Those present were from Detroit, Franklin, Carleton, Marlette, Brown City, Pontiac, Plymouth, Auburn Heights, Waltz, Ortonville, Grand Blanc, Mayville and Clarkston.

## ALLOTMENTS FOR WHEAT ACREAGE

### Will Be Made in Oakland County By Middle of Month

The 1940 wheat allotment for Oakland County is 7165 acres, according to an announcement made this week by Robert F. McCrory, Chairman of the Oakland County Agricultural Conservation Committee. County wheat acreage allotments for 1940 represent an apportionment of the State allotment of 739,792 acres, which in turn represents Michigan's proportionate share of the National allotment of 62 million acres.

The 739,792 acre allotment for Michigan was established in accordance with the Agricultural Adjustment Act of 1938. It compares with an allotment of 669,954 acres for 1939.

The Oakland County wheat allotment is being announced nearly six weeks earlier than last year in order that farmers may have the opportunity to plan operations for 1940 well ahead of seeding time.

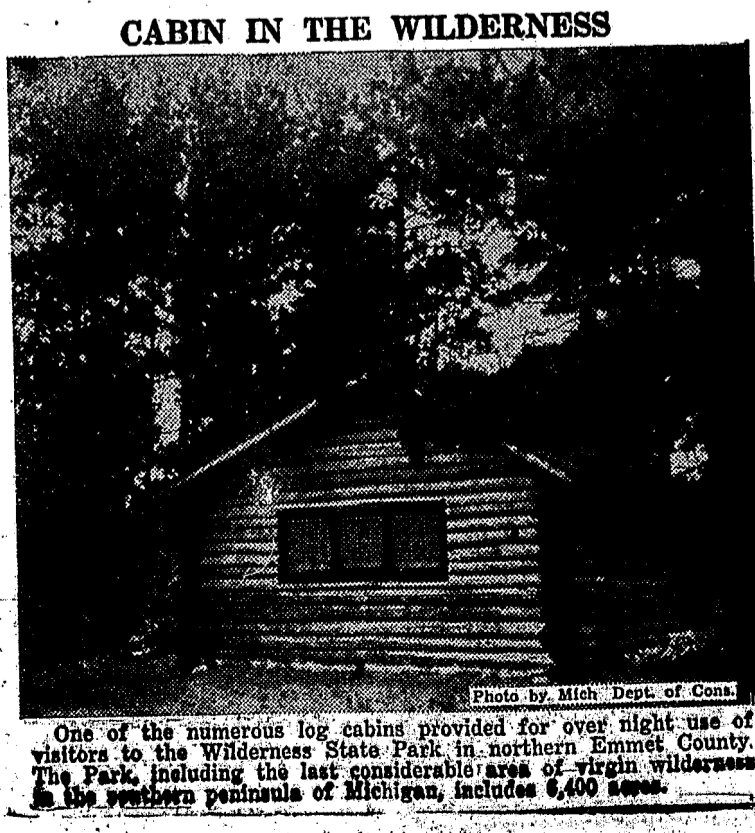

In announcing the county allotment Mr. McCrory said that he believed the county office would be able to notify farmers in the county of their individual allotments by the middle of July.

The Oakland County basic wheat loan rate for farm storage of the 1939 wheat crop was also made known this week. The basic rate of Red Winter, Hard Winter and Soft Winter Wheat, No. 2 grade with a maximum moisture content of 14 percent, will be seventy-one cents per bushel. The loan value on mixed wheat or wheat with a moisture content between 14 and 14½ percent will be two cents per bushel below the established rate. Smutty and garlicky wheat also will be subject to a lower loan value, ranging from 3 to 6 cents less than the basic rate of seventy-one cents.

Crop insurance on wheat planted this Fall will be available to those farmers who planted within their 1940 wheat acreage allotments. Last Fall, 5077 farmers insured 75 percent of their average production. State Crop Insurance officials expect the number to be at least doubled this Fall. Active selling of Federal Crop Insurance will start in August.

Mr. and Mrs. Hermanson of Detroit spent Wednesday with Mrs. Mary Green.

Mrs. Lydia Allen received word on Wednesday of the death of her cousin in Linden. Funeral services will be held on Friday.

CABIN IN THE WILDERNESS

One of the numerous log cabins provided for overnight use of visitors to the Wilderness State Park in northern Emmet County. The Park, including the last considerable area of virgin wilderness in the northern peninsula of Michigan, includes 6,400 acres.

**Waterford**

The Joseph H. Helman family have just returned from an interesting vacation in northern Michigan. They made their headquarters at the Jacober cottage at Cummins and from there they visited points of interest. One side trip was a drive to Mackinaw City and the boat trip to Mackinac Island where they were guests of Mrs. Helman's great uncle, Otto Wandrie. Mr. Wandrie is a brother of the late Mrs. Emma Walter. He operates a restaurant on the island. After a visit there the Helmans returned to Mackinaw City and then went on the ferry to St. Ignace and from there drove to the Soo where they saw the locks in operation. While in that section they took a trip to Aloha and called on a school friend of Mrs. Helman, Mrs. Glenn Howland, formerly Miss Cecile Chase, a sister of Waterford's William Chase. Mrs. Howland spent part of her girlhood in Waterford and attended school here. She and her husband lived in Clarkston before moving to Aloha. On reaching Aloha Mr. Helman made inquiries as to where the Howland home was and the elderly gentleman who told him asked, "Are you from Waterford? Do you know Henri Buck?" Mr. Helman answered "Yes." "Well" said the stranger "I'm Edd Buck, Henri's father". They had a pleasant chat. After a few other sightseeing trips the Helmans started for home. They reached home very tired but report having had a wonderful vacation.

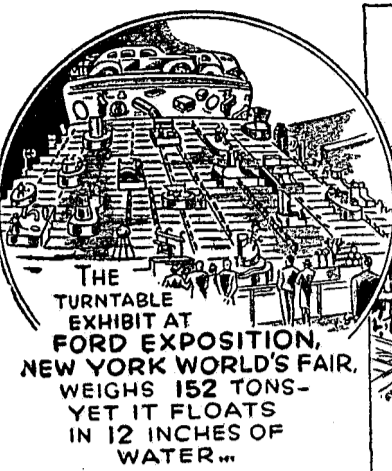

Waterford might well be called the Rose Village. In the garden of scores of our villages, as well as in the gardens in nearby vicinities the rose now reigns supreme. The crimson Rambler rose and her paler sister, the pink Dorothy Perkins cover tall trellises, grace the yard fences and climb wherever there is some-

thing handy for them to cling to. Common in this vicinity but not so common as the above mentioned ramblers are the light pink Thousand Beauties, the American Beauty and the Seven Sisters. The American Beauty was grafted from the rose tree and is not a natural Rambler. Then comes the Cabbage Rose with its numerous closely fitting petals and the large white Frau Karl Dunlop. All summer long the ever-blooming Radium Rose shows itself in all its glory. Among the aristocrats of the rose family found in our midst are the Victoria, Crusader, Eedel, Dame Edith Helen, Etalle De Hollander, Duchess of Wellington and many others. Rose lovers will find a feast for the eyes in the gardens of Mrs. Ida Hayden, Mrs. A. W. Mertens, Mrs. A. H. Wyckoff, Mrs. Irving King, Mrs. Henry Mehler, Mrs. Claude Hoatley, Mrs. James Lambert, Mrs. Robert Barnes, Mrs. Lem VanSyckle, Mrs. Floyd Fullerton, Mrs. Lyman Girst and Mrs. Floyd Loree.

The Waterford soft-ball league sponsored by the Waterford-Chess and Checker Club is enjoying the games played on the Waterford Ball Diamond adjoining the school grounds. The standings:  
 Waterford Chess & Checker Club, Bud Simpson, manager, won 4, lost 2, tied 1, .667.  
 Waterford Coal Dusters, H. B. Mehler, manager, won 4, lost 2, tied 1, .667.  
 Clarkston Station, John Diamond, manager, won 3, lost 4, .429.  
 Knowlton's Aces, Cedric Knowlton, manager, won 2, lost 5, .286.

Mr. and Mrs. August Jacober attended the double-header at the Briggs Stadium in Detroit on Tuesday.  
 Glenn Campbell returned to his work on Wednesday after a three weeks leave. Mr. Campbell is alcohol inspector in the Internal Revenue Department of the Federal Government.  
 Charlotte Ann Maybee entertained a few of her young friends at her home last week. Her guests included her school friends, Wyomah McEvers, Grace Steevens and Maybelle Watson, all of Williams Lake.  
 The Dixie Ann Circle of the Ladies' Auxiliary will sponsor a Penny Supper in the Church parlors on Friday evening with the following committees in charge: dining-room: Mrs.

 Messages have been received from the Duguid-Clark party reporting a great trip as they journey towards San Francisco. Word from Howard Burt Jr., from Pike's Peak says he is surely enjoying his trip.  
 Mr. and Mrs. Angus McCaffrey and family motored to Kingsville, Ontario, on July 4th to visit the Jack Miner Bird Sanctuary. They drove to Point Pelee Park where they enjoyed their lunch.  
 On Wednesday evening of last week the Willing Workers Circle met

in the Church parlors. Mrs. Helen DeLap and Mrs. Bertha Dryden were hostesses. Plans were made for a picnic to be held at the Detroit Zoo in the very near future. The next meeting will be held on Wednesday evening, July 12th at the home of Mrs. Howard Mortimore with Mrs. Fannie Mortimore as assisting hostess.  
 The monthly meeting of the Ladies' Auxiliary which was scheduled for Thursday was postponed due to the death of the president's mother-in-law, Mrs. Jennie Ward. There will be no July meeting of the Auxiliary.  
 The Waterford School Board is pleased to announce that an additional W. P. A. grant has been issued calling for immediate completion of the basement under the four room being added to the school building. Due to lack of funds plans to finish the basement had been set aside but with the new grant work will go forward and the entire new unit will be ready for occupancy before September 1st. The new basement will be used for an assembly room.

**Waterford**

Rev. Ernest Davis of Pioneer, Ohio, will be the visiting minister at the Waterford Community Church service on Sunday morning at 11:15.

Donna Kay Lamberton underwent a tonsilectomy at the General Hospital in Pontiac last week. She is at her home now and her condition is fine.

Mr. and Mrs. E. D. Spooner had as their guests on Sunday, Mr. and Mrs. Harvey Dalton of South Bend, Ind. The Daltons came here to attend the Walter reunion held at the home of Mrs. Pearl Urch in Clarkston on July 4th.

Mr. and Mrs. I. M. Beattie of Williams Lake have returned from a trip to the New York World's Fair. While there they were the guests of their son-in-law, Harry Bennett, who is the personnel director of the Ford Motor Co., and who has charge of the Ford exhibit at the Fair.

The July meeting of the Waterford Bible Class will be held in the Church parlors on Tuesday evening, July 11th at 6:30. A pot-luck picnic dinner will be served. All members and their families are invited. Each member is asked to bring sandwiches

and a covered dish besides their own dishes and silverware. Mrs. Henry Mehler and Mrs. Jas. C. Sutton will be the hostesses and the roll call will be answered with a Bible verse containing the word "Rejoice".

**"FOR YOUR SAFETY OUT-OF-DOORS"**

Nobody is injured here—but if a person out in Michigan's woods or waters suffers injury a state conservation officer will be able to render first aid. The above photograph shows a group of officers, in training school at the Pigeon River state forest headquarters in Cheboygan county, being coached on methods of giving artificial respiration, part of a general instruction program for 150 officers.

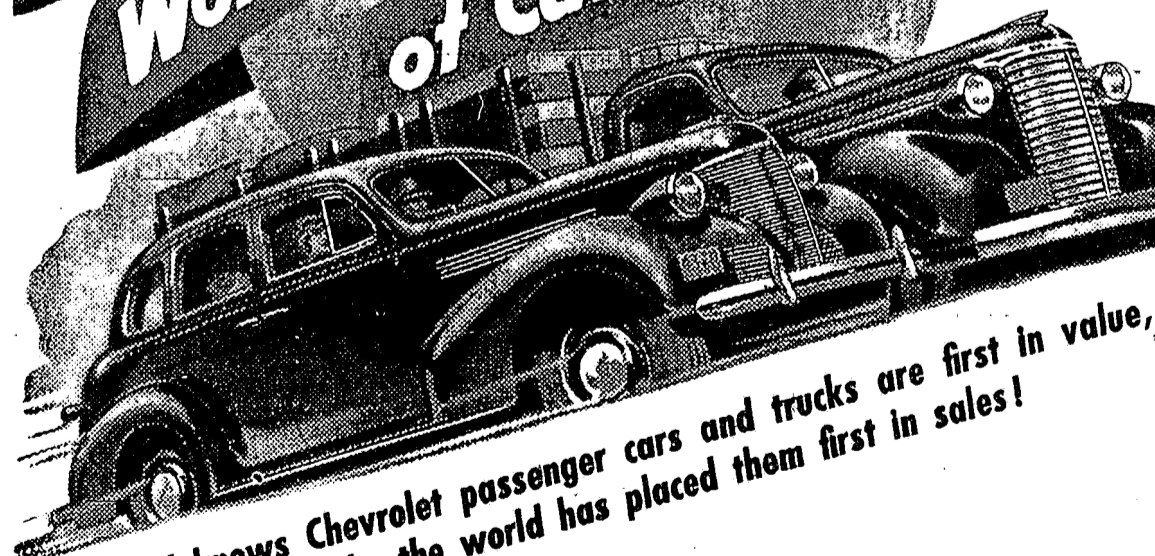

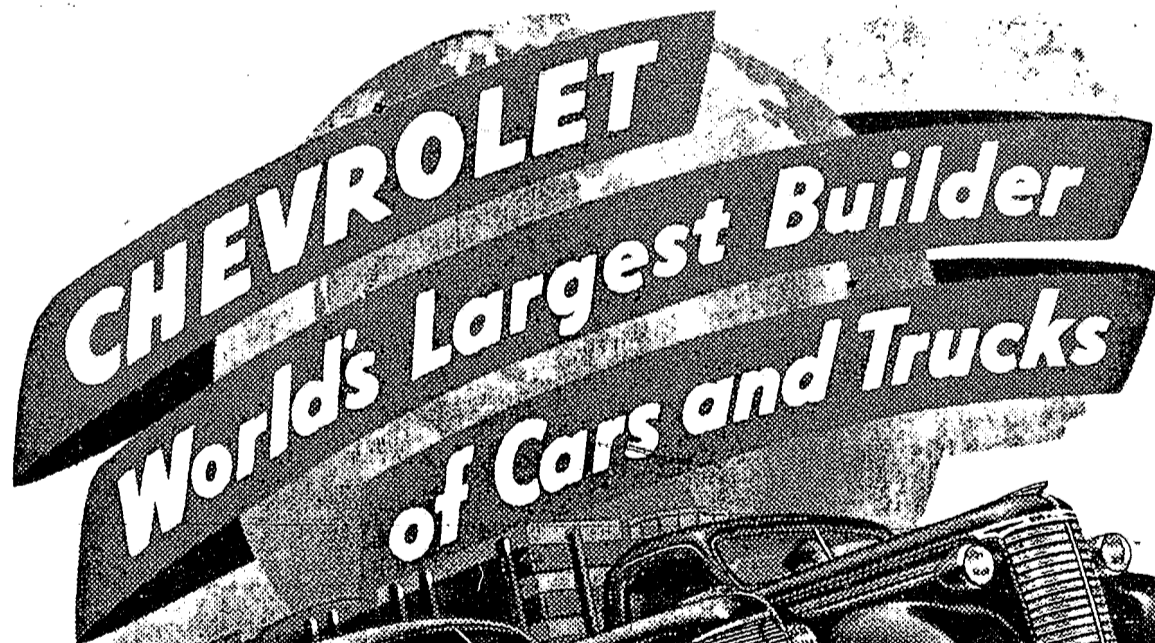

**Remember Your Home Newspaper**

All matters handled thru the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper week by week.

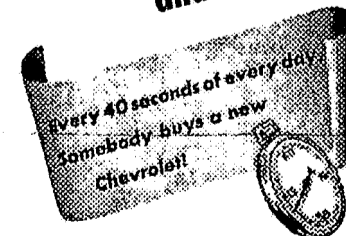

**The Clarkston News**

The world knows Chevrolet passenger cars and trucks are first in value, and that's why the world has placed them first in sales!

Important to every motor car buyer is the fact that Chevrolet, first in passenger car sales, is also first in motor truck sales, because truck buyers select the trucks that pay the greatest returns.

The same qualities that distinguish Chevrolet trucks exist in equal degree in Chevrolet passenger cars. You may choose your Chevrolet solely for its beauty, comfort, or performance—but you will get in addition that all-important extra value.

Mr. and Mrs. Harold Hughes and three daughters of Comstock Park, near Grand Rapids spent the week-end as guests of Mrs. Mamie O'Boyle, Mr. and Mrs. A. A. Solomon and Mr. and Mrs. Jack Vi-gatis.

**Drayton Plains**

Mr. and Mrs. Clarence Lunsford of Pontiac have moved into their new home on Warren Drive.

Mr. and Mrs. Herbert Noskey and Mr. and Mrs. Arthur Day went to Cadillac last Saturday and remained until after the fourth.

The Community United Presbyterian Sabbath School will hold its annual picnic on Friday, July 14th at Dodge Park. A pot-luck dinner will be served at noon.

Miss Katherine Jones has returned to her home after spending four weeks with her sister, Mrs. Ivan Tracy, and family in Deckerville, Mich.

**Do You Know Why You Punish Your Child?**

An article pointing out that it may be because you do not understand how it can be natural for youngsters to lie, steal, become lazy, dull and mischievous, will be found in The American Weekly, the great weekly magazine, with the July 9 issue of The Detroit Sunday Times, and explains why Dr. Grace Calver, famous London specialist, believes that fanning the seat of the pants won't cure trouble in the seat of intelligence.

Say you saw the products you buy advertised in The Clarkston News.

**Michigan Fruit Prospects Good**

Better than an average production of all tree fruits is indicated by the June 1 report of the Michigan Department of Agriculture. While a late freeze in May reduced the setting and is causing considerable dropping of fruit in some areas, an ample supply of all kinds of fruit seems reasonably assured. This in marked contrast to the light fruit crop in 1938 due to the occurrence of severe freezing in May of that year. The cherry crop probably suffered a greater amount of freeze damage in this State than any of the other fruits. The State's cherry crop is estimated at 33,130 tons compared with 14,940 tons last year.

Peaches are expected to reach a production of 2,700,000 bushels this year. If that production is actually attained it will be the largest peach crop produced in Michigan with the single exception of the bumper crop of 1898.

Michigan's estimated production of the current crop of pears is 1,376,000 bushels, compared with 1,411,000 harvested in 1938.

The condition of the Michigan apple crop as reported on June 1 was 81 percent of normal, compared with 47 percent on the same date last year.

June 1 condition of the State's crop of plums was reported at 65 percent of normal.

# MICHIGAN-

"a State with Riches Blest"

REMEMBER the man who traveled far and wide — and at last found what he was searching for right at home? Likewise parents, who are hunting the best vacation spots for their children, are very apt to find them right here at home — in the favored State of Michigan.

Broad, well-policed highways beckon — inviting you to bring your youngsters to well-conducted beaches and camps that were made for pleasure, that are supervised for safety. And the Michigan air and sunshine sharpen young appetites and brown youthful, ruddy cheeks.

Young and old together will enjoy the grand State Forests, the fine State Parks, the long scenic coast line . . . and picturesque rocks and sand dunes . . . and the educational value of the many points of historic interest.

It's a comfort to know that home and family can always be reached quickly by telephone.

## MICHIGAN BELL TELEPHONE COMPANY

**Secretary of State Gives Out Information**

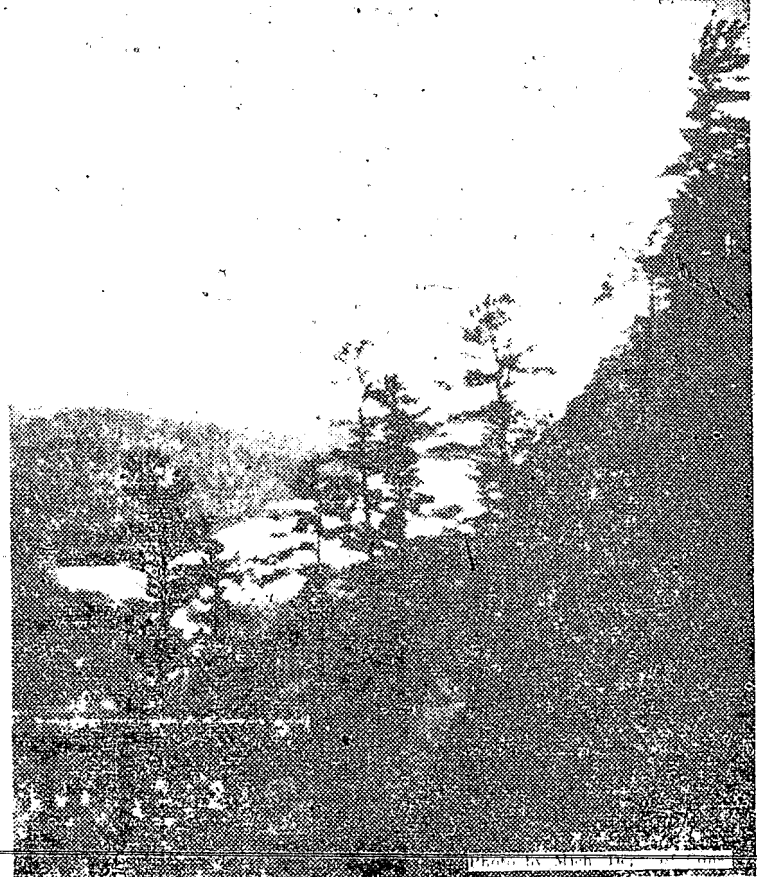

Officials of the license and title divisions of the Department of State are cautioning motorists that failure to transfer titles to used cars from previous owners to themselves within ten days after purchase makes car registrations legally void.

The motor vehicle statute on this point provides: "Unless such notice is given . . . such motor vehicle shall be deemed to be without registration and the Secretary of State is hereby authorized to repossess the (license) plates."

Because of the confusion in the minds of some readers as to the subject matter of a recent gasoline tax refund amendment adopted by the Legislature, Harry F. Kelly, Secretary of State, recites the following as the proper interpretation of the amendment:

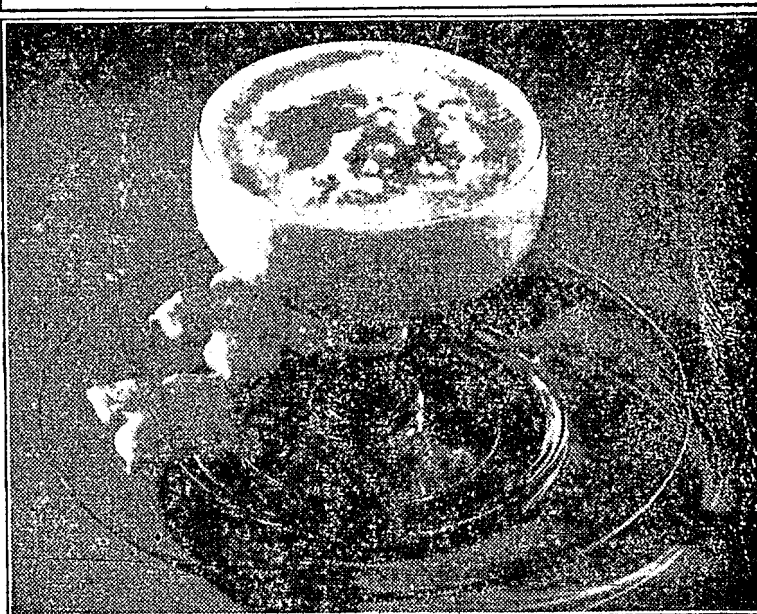

Heretofore the persons claiming refund of the gasoline tax on fuel consumed for other than highway purposes have been required by law to submit that claim within ninety days after the purchase of the gasoline. The new amendment just adopted, which will become effective September 6, 1939, extends that time limit from ninety days to six months within which period claims may be filed.

**MOUNTAIN VISTA**

Famed Lake of the Clouds in Porcupine Mountains on west side of Upper Peninsula in Ontonagon county. The lake, lying approximately 1,100 feet above sea level, is cradled in mountain nooks which are the highest elevations in the State.

**Gum Drops and Cottage Cheese**

By BETTY BARCLAY

Never sigh because you are "cooked out." Never complain that it is impossible to think of a new dessert. While you are sympathizing with yourself, some neighbor is exploring her refrigerator and store room — coming out before you know it with a handful of the most surprising things for a new dessert.

Shut your eyes and think of anything. "Gum drops!" Think once more. "Cottage cheese!" What could be more ridiculous? But wait! Each of these, with very few added ingredients, may be turned into a new and novel dessert — probably one you have never seen.

Furthermore, these desserts are healthful. They are inexpensive. They are easy to prepare. They are delicious. They require no eggs, no baking and no boiling. They may be made in the cool of the morning and set aside for lunch or dinner.

Try these two recipes and you'll find that gum drops and cottage cheese are far from ridiculous desserts when handled properly.

**Cottage Cheese Rennet Custard**  
1 jar (12 oz.) cottage cheese  
1 pint milk (not canned or soft curd)  
1 package vanilla rennet powder

Distribute the cottage cheese among 4 or 5 sherbet glasses. Make rennet custard according to directions on package. Then chill. Just before serving drop a spoonful of strained honey into the center of each rennet custard.

**Spice Drop Surprise**  
Rennet Custard  
1/2 cup spiced gum drops (small)  
1 pint milk (not canned or soft curd)

1 package vanilla rennet powder  
Drop 6 spiced gum drops, cut in half, into each of 4 or 5 sherbet glasses or custard cups. Warm milk slowly, stirring constantly, until lukewarm — not hot. Test a drop on inside of wrist frequently. When comfortably warm — 120° F., immediately remove from stove. Stir rennet powder into milk briskly until dissolved — not more than one minute. Pour at once, while still liquid, over the spiced gum drops. Do not move glasses until firm — about 10 minutes. Then chill in ice box. Just before serving, garnish each rennet custard with a flower made by cutting a colored gum drop into petals and spreading them apart, and leaves made by quartering green gum drops. (For a children's party, these might be set on a mirror-tray to reflect the vari-colored gum drops lying at the bottom of each cup.)

**Topping Tips**

By BETTY BARCLAY

The simplest dessert may be turned into a festive dish by the use of an attractive and appropriate topping. If you have never realized this, glance at the above illustration of two dishes of rennet custard — dressed in their "company finery."

A dish of rennet custard, by the way, is the answer to a mother's lament about the child who will not drink milk. Without the trouble of baking or boiling, this inexpensive eggless dish may be prepared in the cool of the morning and placed before the family at noon or night.

For "company dress" use for a topping such foods as preserved fruits, jellies, whipped cream, chopped nuts, crushed cookies, diced fruit, sauces, or marshmallow whip. Follow the recipe below, choose your favorite topping — and you have the answer to your hot weather dessert problem:

**Vanilla Rennet Custard**  
Set out 4 or 5 dessert glasses. Warm one pint fresh milk (not canned or soft curd) slowly, stirring constantly until lukewarm. Test a drop on inside of wrist frequently. When comfortably warm, 120° F. — not hot, immediately remove from stove. If desired, add small pinch of salt. Stir vanilla rennet powder into milk briskly until dissolved — not over one minute. Pour at once, while still liquid, into individual dessert glasses. Let set until firm — about 10 minutes. Chill rennet custards in ice box. Serve in same glasses — and don't forget the topping.

**This Month's STAR RECIPE**

By BETTY BARCLAY

If you wish to serve something out of the ordinary, the following recipe will fill the bill. Lemon frozen cream proves a delightful change to those who are accustomed to servings of chocolate, strawberry or vanilla. I present it as the star recipe for this first ice-cream month.

This cream contains healthful milk, eggs and lemon juice. An ideal dish for the child who will not eat eggs or drink milk, or for anyone who needs the vitamins of the healthful lemon.

If you wish to be particularly "different," the cream may be served in a lemon cup or basket. Cut lemon peel half-way down fruit in strips. Remove pulp. As each shell is filled with frozen mixture, place it in freezing tray until ready to serve. Or serve in the usual manner.

**Lemon Frozen Cream**

2 eggs, beaten until lemon-colored  
1/2 cup sugar  
Add sugar gradually to egg until mixture becomes a thick custard-like consistency. Combine with:  
1/2 cup light corn syrup  
2 cups top milk (or 1 cup milk and 1 cup coffee cream)  
1/4 cup lemon juice  
1 teaspoon grated lemon peel  
Freeze in refrigerator tray at lowest temperature until stiff. When frozen, remove to a bowl and whip with an electric or hand beater until light and creamy. Return quickly to freezing tray. Finish freezing. This one stirring is all that is needed. Hold at middle control for serving. Makes 1 quart. Serves 6-8.  
This may also be made in a crank freezer.

**Oakland Lakes Holding Their Own Despite World Fairs**

Lansing—The annual march to lakes and streams in quest of the season's limit of fish will not be thinned out by other attractions such as two world's fairs on Atlantic and Pacific seaboard, it is apparent from figures on number of licenses sold.

Officials in charge of license distribution for the department of conservation say that Michigan fishing is holding its own in spite of the barrage of advertising poured into the state to lure residents either East or West on their annual vacation.

Increases in number of licenses distributed by the 2,200 merchants and business men in communities all over the state, had been reported up to June 1 in four of the five categories as compared with a similar date last year.

This year, 2,000 more residents had purchased general fishing licenses by the first of the month, bringing the total to 53,977. Also increased were the licenses for temporary non-resident fishing, annual non-resident fishing and wife non-resident fishing.

Resident non-trout fishing permits this season had run behind the figure for 1938, with 140,782 reported as of June 1. License authorities stressed, however, that the reports of several agents may have lagged during the June rush of fishermen to get set for the lake season opening June 25.

The story of whether the summer fishing season will continue to have its grip or will relinquish some of its drawing power to the big shows in New York and San Francisco can be known at an early date, conservation officials said. Banner week for issuing licenses has just been completed, the big jam of applications always coming the week prior to the June 25 opening. No record of these sales is as yet available.

**Four Model Girls' States Set Up By Legion**

Four model Girls' States have been set up in Kansas by the Kansas department of the American Legion Auxiliary, patterned after the now more or less common Boys' States sponsored in many parts of the country by the American Legion.

Some 150 high school girls from all over Kansas received eight days of practical experience in government, trooped back home with a better appreciation of the problems of government and of their individual responsibilities in it.

As citizens of a "state" created especially for them, the girls elected their own city, county and state officials and had their own Senate and House of Representatives. A corporation commission, board of social welfare, board of health, and highway patrol were appointed. Two state parties, the Nationalists and Federalists, held caucuses, chose their legislative leaders and passed on important bills.

Measures were passed authorizing more intensive study of Kansas government in Kansas schools, free textbooks, more adequate safety, a merit system in government and more opportunities for women in politics. Believing that the National Youth Administration program is needed in the High Schools of the United States, the legislators sent letters favoring its continuance to Congress and to the Kansas Senators.

Four model cities were set up and named for prominent Kansans—Landonville, Woodringville, Humxamville and Ratnerville. City elections were held and officials chosen. Besides practicing the conduct of government in their model cities, counties and state, the girls listened to versions of Americanism as explained by various officials, among whom were Gov. Payne Ratner, John G. Stutz, director of the League of Kansas Municipalities; Homer L. Chaillaux of Indianapolis, director of the national Americanism commission of the American Legion, and Mrs. Ernest G. Rarey, national Americanism chairman of the American Legion Auxiliary.

**Clarkston Locals**

Mr. and Mrs. James Beuler and son, Drexel, spent the week-end fishing at Atlanta.

Rev. and Mrs. Dwight Large left on Saturday for their new home in Port Huron. Rev. Large greeted the congregation in the First Methodist Church for the first time on Sunday morning.

On Tuesday the George Perrys entertained a number of friends at their home. A picnic dinner was served on the lovely porch at the rear of the home at noon. A variety of games were played. Many enjoyed swimming and boat riding and all had a good time. There were guests from Dearborn, Oxford and Clarkston.

Guests at the Gray Robertson home for the past two weeks have been Mrs. Robertson's brother and his wife, Mr. and Mrs. Glenwood Ballinger of Los Angeles, Calif. They have now continued their trip into some of the eastern States and Mrs. L. A. Ballinger, Mrs. Robertson's mother has accompanied them. They expect to visit the New York World's Fair and then go to Washington and many other places of interest.

For the United States, the 1939 pig crop is expected to be the third largest since 1923. A 20 percent larger spring pig crop this year than last is estimated, and the number of sows to farrow in the fall season of 1939 is indicated as 16 percent larger than the number farrowed in the fall season of 1938. The total number of sows to farrow in 1939 (spring and fall) is indicated as about 22 percent larger than in 1938, but the average number of pigs per litter in 1939 will be smaller. Indications are for a total pig crop about 16 percent larger than the 10-year (1928-37) average and about 4 percent above the 5-year (1939-33) average.

**Tall Tales**

As told to: FRANK E. HAGAN and ELMO SCOTT WATSON

A Tribute to the Master  
IT MAY BE news to some that Baron Munchausen, champion liar of all times, was a real person who really did exist. (No foolin').

The real Baron Munchausen was born in 1720 in the little town of Bodenwerder, on the Weser river, Germany. Like other German youths of his day he served as an officer of the Russian army against the Turks. Retiring at the age of thirty, he returned home to live and to talk.

The baron's delightful conception of a talk was to seat himself at a generously supplied table and relate his fabulous adventures to a "charmed circle." All his tall tales were about himself; most of them concerned also, his famous horse.

Once he almost lost the horse. Riding over snow at night, the Baron, so he said, hitched to what seemed to be a post. He went to sleep and on awakening, found the snow melted and his steed hanging by the bridle from a church steeple!

The old home town of Bodenwerder has erected a monument in memory of its most distinguished son. The monument shows Baron Munchausen seated on his famous half-a-horse, the latter drinking at a fountain but unable to quench his thirst because all the water ran away.

The baron didn't know it but the sturdy horse had been cut in two by a falling portcullis as his master rode hastily into a besieged town.

**Tall Tales**

As told to: FRANK E. HAGAN and ELMO SCOTT WATSON

**The Patriotic Hen**

JIM FITCH, a former resident of Manchester, N. H., remembers it just as well as if it had happened day after tomorrow. He was riding in the cab of a locomotive on the Boston and Maine railroad with his Uncle Ira, the engineer. North of Concord a gray and white speckled hen started across the track. Uncle Ira tooted his whistle and the hen started running up the track. A moment later she disappeared.

"Too bad," said Uncle Ira, "but she ought to have made up her mind about crossing the railroad sooner." Jim was pretty sad about the fate of that hen. But imagine his surprise when they slowed down for the next stop, the brakeman went through the train calling out "Plymouth! Plymouth!" Off the cowcatcher jumped the hen and she went clucking away as usual to say "Of course, I know when it's time for me to get off!"

Suddenly she began cackling and made a dash up the street as though looking for something. As the train pulled out the last thing Jim saw was the hen stooping down and creeping into a small dog kennel in a back yard.

Three weeks later Jim went back to Plymouth to its Fourth of July celebration and he heard some more about her. That morning the patriotic hen, who traced her ancestry back to Plymouth Rock, hatched out three chickens. One was red, one was white and one was blue. But all three had bow legs because the kennel into which their mother had stooped to enter had been built for a cackhund.

The whole world was shocked recently at the loss of three submarines, American, English, and French. Everybody spoke about the terrible loss of life and expressed sympathy for the wives and families of the men who died under water. Hundreds of thousands of dollars will be spent to bring those submarines and to determine the cause of these to the surface, if it is at all possible, terrible accidents.

While we are discussing these submarine fatalities, have you and I thought about the daily traffic toll? Ten times more persons were killed by automobiles on our highways during the days we were discussing these submarine accidents than died in the submarines. These families deserve sympathy, too.

You and I can help to eliminate these accidents by driving carefully and by supporting the many safety campaigns sponsored by organizations.

IT'S SMART TO DRIVE CAREFULLY.

**AWAY 40 YEARS, HE HOLDS REUNION BY TELEPHONE**

In 1898, Prior Cate left Knoxville, Tenn., and settled in Corvallis, Ore. He had never come back to Tennessee, but recently long distance telephone service enabled him to "return" for a talk with W. P. Cate, his brother in Knoxville, and many others of his childhood playmates and relatives. A loud speaker was connected at each end of the line for the call, and persons from half a dozen different places in Tennessee gathered in Knoxville to hear the reunion.
