## Clarkston to Have Golf Tournament

### To Be Held at Davisburg Golf Course Next Wednesday

Next Wednesday, August 9, at 1 p. m. there will be a golf tournament at the Davisburg Golf Course. The fee will be one dollar, which is a real bargain as it includes 18 holes of golf and a chicken dinner at night.

Prizes include a Bobby Jones No. 4 iron valued at \$6.00. A Golf bag valued at \$5.00. 3 golf club hoods valued at \$2.00. In addition there will be two prizes of 3 golf balls each and a consolation prize.

No matter how good or how bad you play, you will have a chance to win these prizes. You are to pick a handicap so your net score will be between 70 and 80 as the lucky number will be between 70 and 80 and will not be known until the game is finished.

Remember the good time they had last year and even if you do not wish to get into the game come out and caddy for someone else and have dinner.

Reservations should be made at once with either Robert Jones, Orson Coe or Frank Petty.

## Clarkston Locals

Mr. and Mrs. C. G. Fiske spent Wednesday with friends at Lakeville.

Mrs. F. O. Ronk of Detroit is spending a few weeks at the home of Mrs. Elizabeth Ronk.

Mr. and Mrs. Warren Strait spent the week-end in Port Huron with Rev. and Mrs. Dwight Large.

Mr. and Mrs. Allison Holcomb and son have returned from a two weeks vacation in the Upper Peninsula.

Miss Mabel Weston of LaPeer was the guest of Mrs. Pearl Urch on Thursday.

Mr. and Mrs. Percy Craven entertained relatives from Clawson and Flint last Sunday.

Mr. and Mrs. Elmer Collins and four children attended the Sherwood reunion near Millington on Sunday.

Miss Marian Yost has returned to her home after spending two weeks in northern Michigan with Mr. and Mrs. Allison Holcomb.

Mr. and Mrs. James Bennett had as their guest for a few days last week his cousin, Ben Quinn, of Winnipeg, Manitoba.

## HOLLY THEATRE

Irene Dunne and Fred MacMurray will be co-starred for the first time in the Paramount drama, "Invitation to Happiness", which opens on Tuesday at the Holly Theatre.

"Invitation to Happiness" is a human drama that should appeal to all filmgoers for it deals with the sort of problems that face Mr. and Mrs. John Doe.

Fred MacMurray is an ambitious prizefighter who works for, dreams about, and hopes to become champion. Then one day his comfortable routine is upset. He meets charming, aristocrat Irene Dunne.

Fred and Irene are as utterly different as two people can be. Fred never got beyond grade school, his parents were poor, his outlook on life is naive and self-centered. Irene, on the other hand, had been sent to the best and most expensive schools in the world, her folks are wealthy, and her attitude is anything but naive. Though they know how foolhardy they are, Fred and Irene get married. For a while, they are as happy as the story book prince and princess. Then the clouds of reality begin to gather.

Fred goes into training for his next fight. Then he has to travel to another town for other bouts. The years slip by, and Fred is not yet champ. His home is almost on the rocks, for he has had little time to see his wife or boy. In fact, his son has begun to hate him for the misery and anxiety his father causes his mother.

Rarely has the cinema told a story so dramatically and yet so simply as in "Invitation to Happiness". Women will like the Dunne-MacMurray film for the sympathetic handling of a family problem; men will like the picture, too, for it will give children a deeper understanding of their fathers.

Wesley Ruggles has come with another of his directorial triumphs. The acting is first rate, too. Irene Dunne and Fred MacMurray make an excellent dramatic team. Charlie Ruggles is no mean hand at the heavier side of drama either. William Collier, Sr., is as smooth as ever. Billy Cook and Marion Martin are also okay. Claude Binyon wrote the screen play.

## Water Safety Classes Continue 3 Weeks

### Tests Final Week

Water Safety classes in Oakland County will continue for three (3) more weeks and tests will be completed during the final week.

Miss Ruth Kimball is Executive Secretary of the Oakland County Chapter.

877 individuals have completed the test in artificial respiration.

Approximately 7,500 individuals lose their lives by drowning every year. To meet the responsibility of such accidental deaths the American Red Cross has established a program of education.

3,059 individuals have participated in the Water Safety program of the Oakland County Chapter of the American Red Cross during the first five weeks of the summer program according to Mr. Kline B. Hartman, Life Saving Chairman of the Chapter.

Water Safety Instruction has been given once a week at 21 beaches and pools of the county by Miss Dorothy Lawrence, Water Safety Director of the Chapter, assisted by Miss Thelma Homer, Miss Marian Chase, Miss Wilma Webb.

## Necessary to Return Half-Year Plates

Car owners who now have only first half year license plates and who wish to obtain second half tags are reminded by Harry F. Kelly, Secretary of State, that they must have the title to their car with them and must also surrender the plates they are now using. Many motorists leave their titles at home and are vexed when they learn that their registration slips are not sufficient under the law to obtain plates. Numerous other persons are disgruntled when they find, when visiting license plate offices, without their cars, that the first half plates must be turned in before full year plates can be obtained.

They forget that the first half plates are good until August 31 and that their plates might be illegally used by some other person on another car. In the secretary of state's offices such plates are destroyed just as soon as a car owner turns them in.

Secretary Kelly reports that although full year plates at half price have been on sale in all of his offices since July 11 the demand to date has been very light.

## Coming Events

Aug. 9th—Wednesday afternoon the Royal Neighbors will meet at the home of Mrs. William Goulet. There will be a pot-luck dinner at noon.

## Clarkston Locals

Mrs. Alice Lyons of Detroit who is summering in Clarkston left on Tuesday with Mrs. Milton Clark to spend a few days at Higgins Lake.

Mrs. John Breakey and daughter, Barbara, have returned to their home on North Main Street after spending a month in Minnesota with relatives and friends.

## HELP CAN BE HAD BY RYE PASTURES

### Will Give Dairymen Better Food Supplies for Stock

Thousands of Michigan dairymen are laying plans for fall rye pasture to take up some of the dent that summer heat and drouth have made in normal feed supplies.

It's time now to make plans to that seeded preparation and seeding is completed in August, suggests E. C. Scheidenhelm, extension dairyman at Michigan State College. By lengthening out fall pasture with rye the year's feeding costs usually are lowered.

Permanent pastures are deteriorating rapidly, Scheidenhelm finds. Additional grain will have to be fed the balance of the summer, and protein content of the ration will have to be adjusted so that production remains satisfactory.

In 84 dairy herd improvement associations now operating in Michigan the average cow in June produced 1.05 pounds of butterfat daily. More than 1,800 herds including 27,000 cows are represented in the testing reports received now in headquarters at Michigan State College.

Culling in June on the basis of low production exceeded that in May by 10 per cent. Among animals discarded for disease, udder trouble remains the most serious of the various causes. Other shifts in dairy animals, the reports indicate, are due to the high number of animals being sold for dairy purposes in other herds.

## Ladies' Aid Enjoys Outdoor Meeting

On Wednesday the Ladies' Aid of the Clarkston Methodist Church met at the home of Mrs. Pearl Urch. There were eighteen present.

At one o'clock a chop suey dinner was served on the lawn by the lake. Following the dinner the regular business meeting was held and activities for August were discussed.

Many suggestions were made as to ways and means of raising money for redecorating the parsonage. A committee was appointed and plans will be made for some form of entertainment or some social affair. The group enjoyed visiting. The next meeting place will be announced later.

## Mt. Bethel Picnic

The Sunday School and the Ladies' Aid society of the Mt. Bethel Methodist Church are holding their annual picnic at Bald Eagle Lake next Saturday. Pot luck dinner served at noon. Former residents and all present residents of the community are most cordially invited to attend.

## Second Game To Be Played

### Soft Ball Players Entusiastic as Promise of Good Attendance Spurs Them On

Friday evening, at 6 P. M. sharp there will be another soft ball game at the school grounds in Clarkston. Joe Sarvis has chosen one team. Ed Soeterlin has chosen another. There was a good attendance the last time and there promises to be an even larger crowd at this game.

One party even got excited enough to write the following: Come out Friday and see how it is done.

Some of the boys think they're Joe McCarthy  
Some believe they know their notes like Major Bowes  
Others think they are as strong as Paul Bunyan

But one team will not have so many runs.

## TO TEST HABITS OF CAR DRIVERS

State highway commissioner Murray D. Van Wagoner has announced arrangements to test on three major trunklines the subconscious habits of the average driver.

Findings will be studied to determine new and safer methods of highway construction. The state highway planning service will determine from the results what elements can be built into new roadways which might protect the driver against himself.

The testing equipment will consist of a metal strip placed across highways and designed to be unnoticed by motorists. The actions of each car passing will be transmitted to an electrical recording device called a "transverse placement director". It will spot the exact place on the highway each car takes as it passes and determine its speed.

The tests, to be started within a week or 10 days, will be put in operation alternately on four-lane US-10 south of Flint; three-lane US-23 north of Bay City, and two-lane US-16 west of Lansing.

Reflector buttons will be strung temporarily along the highways when the tests are in operation so reactions to the reflector also may be tried.

## Clarkston Locals

Mr. and Mrs. Clyde Holcomb and daughter of Detroit visited at the home of Butler Holcomb in honor of his birthday on Tuesday.

W. H. Birchfield who has been ill for a few weeks and has been at the Floyd Andrews home for a few days is now at his home on North Main Street and is feeling much better.

Mr. and Mrs. W. W. Watson have as their guests for a few days, Miss Nancy Howe of Detroit and Mr. Watson's niece, Miss Jean Watson of Ann Arbor.

Mrs. Agnes Beardsley and her brother, Stuart Croop, of Oxford were among the guests at the Sherwood reunion near Millington last Sunday.

The Russell Walter home on South Holcomb Street is undergoing repairs. The remodeling being done on the front of the house makes it look like a new place.

## 4-H CLUB LEADERS PREPARING SHOW

### Will Have Charge at Agr. Exposition in Pontiac

Wilton Andrews, Eugene Carpenter, Frank Case, Claude Croup, Charles Griffin, Mrs. George Jarrett, Keith Middleton, George Miller, James Robertson, Miss Janet Carman, Mrs. Stuart Tody, Mrs. Helen Travis, leaders of 4-H clubs in this locality, are proud to announce that they and their groups are assisting in sponsoring the principal entertainment feature of the 4-H and Agricultural Exposition to be held in Pontiac, August 16, 17 and 18. Club members and friends throughout the county will participate each evening of the Exposition in a great National Barn Dance Program on an outdoor stage before a stadium seating 2,000 persons on the grounds of the Washington Junior High School.

Our own Oakland County talent will take the parts of well-known radio stars, Uncle Ezra, Lulabelle, Pat Buttram, Patsy Montana, Jack Holden, Jo Kelly and others. A small admission will be charged to cover the cost of the show. The program will be under the direction of a trained director who will be in Pontiac next week for the purpose of selecting and training talent. Tryouts will be held at the Bloomfield Town Hall located three miles south of Pontiac on Telegraph Road. The first meeting, Monday night, August 7, at 7:30 o'clock, is for all 4-H Club leaders in the county. Miss Martha White, the director, will be on hand to explain the show to the leaders and to enlist their cooperation. Succeeding training periods will be held at the same place the following Thursday and Friday, August 10 and 11.

Anyone wishing to take part in this fine show should send a card to Ralph W. Brown, Davisburg, the program chairman, or Karl D. Bailey, County Agricultural Agent, Box 173, Pontiac. The show will require several square dance groups and one or two fiddle bands.

## Births

## Clarkston Locals

Mrs. M. E. Peck of Fenton was taken ill at the home of her daughter, Mrs. Gerald O'Dell on Wednesday and will be confined to her bed there for a few days. The last report was that her condition was improved and with care and a good rest she will have regained her health very soon.

Mr. and Mrs. C. G. Fiske received a letter from their daughter, Florence, on Monday saying that she was preparing to leave Kunning, West China, for her destination which will be the town of Kweiyang in the province of Kweichow. Since leaving Shanghai on May 21st they have been detained along the way obtaining passports.

## Questions Value Of Free Movies

### To the Editor of the Clarkston News: Dear Sir:

As a resident of Clarkston who believes in patronizing home merchants wherever possible, I wish to enquire whether the Thursday night movies are of any real value to these merchants.

The free movies themselves are not the objection but it is the undesirable element they attract from other communities, who often make Clarkston streets hideous until past midnight.

Clarkston is a beautiful community in which to live and it seems the merchants, themselves, should stop this nuisance by either discontinuing the shows or hiring police protection to curb this bad condition.

I understand as an advertising medium, other small towns have found free movies do not pay dividends. It is questionable how many here derive benefit—perhaps not many.

These questions are asked in all fairness to good business, good citizenship and good government.

Respectfully,

Taxpayer

## Clarkston Locals

Mrs. William Dunston has returned to her home after spending a few days last week in Blissfield on account of the illness and death of her father. The funeral service was held on Sunday.

The Youth Choir of the Clarkston Methodist Church accompanied by the director, Shackley Boyns, enjoyed singing in the First Methodist Church of Port Huron on Sunday morning. They had a delightful visit with Rev. and Mrs. Dwight Large and after the morning service they had a picnic at one of the city parks.

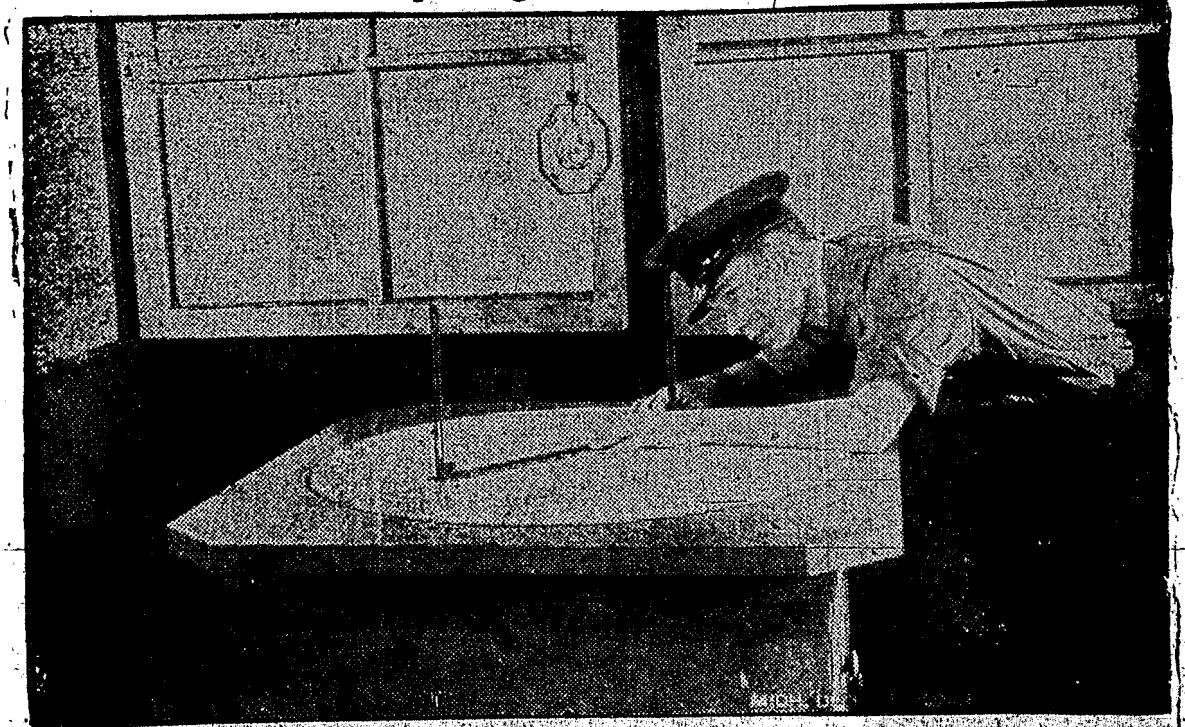

## Poisonous Plants Cause Loss of Livestock

The loss of livestock from the eating of poisonous plants is always greater in dry, hot weather, which causes scanty pastures, than when there is plenty of rainfall and the pastures are in good growing condition, according to Agricultural Commissioner Elmer A. Beamer. During the past several weeks, the department has received more than normal number of reports concerning plant poisoning of hogs and cattle.

One of the worst of these poisonous plants is water hemlock (Cicuta maculata). This is not a tree or shrub as the name "hemlock" might imply, but a herbaceous plant belonging to the same family of plants as the Queen Anne's Lace or wild carrot, which is known to everyone.

All farmers should try to know at sight a few of the most poisonous plants and thus try to prevent poisoning. Very often, the department reports indicate, when the symptoms of poisoning are noticed it is too late to save the animal. Among the worst poisonous plants of the state are water hemlock (Cicuta maculata), poison hemlock (Conium maculatum), wild black cherry (Prunus serotina), bracken fern (Pteridium latiusculum) and white snakeroot (Eupatorium urticaefolium).

## Spotting a Forest Fire

High up in one of Michigan's 152 fire towers a watcher spots a fire. An oriented map and an alidade give him the location. Sixty of these towers are now equipped with radio transmitters.

**Waterford**

Northern Michigan has much to offer the vacationist in the way of interesting places, picturesque bodies of water, lovely scenery and vast forests inhabited by a variety of wild game. Many of our local people take advantage of seeing Michigan first and motor through sections of the north country each summer. Among those who have just returned from such a trip are Mrs. William Granger of Waterford and her son and daughter-in-law Mr. and Mrs. Harold Granger of Pontiac.

Leaving Waterford last Wednesday morning at 5:30 this party drove through to the Straits where they crossed and there at St. Ignace they took advantage of the Castle Rock observation tower where they got a wonderful view of the country around, and a view of the south shore of the Straits II miles away.

From St. Ignace they drove on to Sault Ste. Marie where they spent their first night. The next morning they drove west to Soo Junction where they with 800 other sightseers boarded the "Toonerville Trolley" and were taken through a dense forest to a landing on the Tahquamenon river and there boarded a boat for the 21 miles ride to the famous Tahquamenon Falls, Northern Michigan's Niagara, the largest falls in the district of the Great Lakes. It was an all day trip but these tourists pronounced it well worth the time.

With a sheer drop of 40 feet, these picturesque falls that were mentioned by Longfellow in his Hiawatha are visited each year by thousands of tourists. Located in the heart of a dense forest with a beautiful approach up the river by the same name the trip is one never to be forgotten. Harold Granger made moving pictures of many things he saw on this trip. Four deer, among them a mother deer and her young fawn, a bear and other members of the north country's wild life were seen by the travelers.

After the trip to the falls they drove on to Manistique and from there took a raft trip for a visit to the Kitch-iti-ki-pi Springs known in the Indian language as "The Big Springs". When the Grangers boarded the raft who should be in charge but young Jimmy Dearing, son of Harold Dearing of Sylvan Village, acquaintances of Mrs. William Granger.

In all in they pronounced this vacation a wonderful one. Their only regret was that Mr. William Granger could not accompany them as was planned, but duty called and it meant back to the automobile plant, but there will be another time and there will always be Michigan's playground near enough for many of us to enjoy.

The annual Eldridge-Walls reunion was held at Davisburg Park Sunday. A cooperative picnic dinner was enjoyed by all. The following were present: Mr. and Mrs. Oscar Virgin, Mr. and Mrs. Kenneth Sutherland (Roberta Virgin) of Rochester, Mr. and Mrs. Owen Virgin of Clarkston, Mr. and Mrs. Harry Baer, Mr. and Mrs. Sidney Baer, Mrs. Fanny Spees, Mr. and Mrs. John Walls, Mr. and Mrs. Cordon Walls, Ross and Floyd Walls, Miss Joan Walls and Miss Donna Vincent, all of Pontiac; Mr. and Mrs. Colin Walls, Mr. and Mrs. Ralph Lowes and Mr. and Mrs. Norris Walls of Davisburg; Miss Pauline Winegar of Highland; Mrs. Wm. Sta-

ples of Dearborn; Mr. and Mrs. Fred Riddle and family of Dearborn; Mr. and Mrs. Wendell Crosby of Holly; Mr. and Mrs. Bert Crosby of Clarkston; and Mr. and Mrs. Arnold Mann and family of Clarkston.

Harvesting oats is in progress at the Percy King farm.

Young Jimmie Stockwell is recuperating at his home from a tonsilectomy.

Mrs. Isabelle Pratt of Detroit was a Sunday guest in the Henry Mehlberg home.

Mr. and Mrs. James Doyle and family spent Sunday as guests of the former's sister and family Mr. and Mrs. Victor Chidlay of Ferndale.

Visitors in the Ainsworth Wyckoff home last week were Mr. and Mrs. Gail Wyckoff and family and Mrs. Carolyn Wyckoff of Sheridan.

Mr. and Mrs. Frank Schultz of Maceday Gardens have returned from a week's vacation spent with relatives in Tawas City, Michigan.

Guests for a week in the Leon Wilcox home in Windiate Park are Mr. and Mrs. Henry Freeman and daughter Lenore and niece Jeon of Engadine, Michigan.

Marilyn Fullerton who fell from a horse two weeks ago and suffered bruises recently had her right arm x-rayed and it disclosed a broken bone.

The James Stites family are spending a week or ten days in Atlanta, Michigan, and are occupying the Homer Myers cabin while Mr. Stites builds a chimney on the cabin.

Mr. D. W. Williams and his Sunday School class of boys of the Waterford Community Church will go to Briggs Stadium in Detroit next Tuesday, August 8th to see the Detroit Tigers play the Chicago White Sox.

Mr. and Mrs. August Jacober are at home again after a week spent at their cabin near Comins. Mrs. Joseph Helman had charge of the Jacober home in the absence of her patients.

A picnic group enjoying a steak roast at Davisburg Park Sunday were Mr. and Mrs. James C. Sutton and family; Mr. and Mrs. Edd Larson and family of Crescent Lake and Mr. and Mrs. Joseph Schledorn, daughter Janet and Thetta Blacker, of Auburn Heights.

Mr. and Mrs. Earl Anderson of Monroe spent Wednesday and Thursday visiting the former's brother and family the Orville Andersons. They were accompanied home by Mrs. Anderson and Donnie and were later joined by Mr. Anderson and Mrs. Anderson who remained in Monroe until Friday night.

Waterford children who will have the privilege of celebrating their birthdays on the same day will be the daughter born to Mr. and Mrs. Elmer Girst Friday, July 28, at home

and the daughter born to Mr. and Mrs. Robert Smithson in the Mary Green Hospital in Clarkston, on the same day.

Mr. and Mrs. Earl Wilcox and family enjoyed the following guests at a birthday dinner at their home Saturday night. Mr. and Mrs. Hillard Sinclair, Richard and Virginia Sinclair and Marie Stoltenberg of Pontiac. The occasion was in honor of Mr. Sinclair. A lovely birthday cake and useful gifts added to the pleasure of those enjoying this dinner.

Twelve year old Howard Steele, son of Mrs. Beth Thomas, proprietress of the Waterford Beauty Shop, suffered a fall Monday morning while playing at the Waterford Lumber yard that resulted in his breaking both arms. He was taken to the Goodrich Hospital and later removed to his home where he is resting comfortably.

Mr. and Mrs. George Sutphen and son Dale returned Saturday from a trip to Chicago, the Wisconsin Dells and the Upper Peninsula, returning by way of the Straits of Mackinac.

The Waterford friends of Mrs. Thomas Gillick who at one time resided in the Gillespie home on Andersonville Rd. will regret to hear of the death of her mother, Mrs. Bensett, that occurred last Thursday at her home in White Lake Township.

The Willing Workers Circle will serve Penny Supper Saturday evening to a club of Detroit people. Mrs. George Dean of Detroit, who spends her summers at Windiate Park, is a member of this club and is making all arrangements for the supper. About 75 to 100 guests are expected. Mrs. Frank Schultp is chairman of the kitchen committee and Mrs. Lovell Spalding will have charge of the dining room.

A two story vacant residence located at 4391 Church St. was destroyed by fire early Wednesday morning. Owned by Charles Girada of Detroit the building was formerly known as the Mary Green house and a few years ago, in order to settle an estate, the building was moved from Mill St. to Church St. The last occupants in the house were the Philip Thebadeau family who vacated some time ago. The Pontiac fire department responded and extinguished the fire but the house is a complete loss, with a loss estimated at \$3,000.

**Mars Hides Neath Snow Mantle**

Astronomers are wondering what happened to the snows piled over millions of square miles in Mars' northern hemisphere before they melted completely in two days.

Earl C. Slipher, brother of Lowell Observatory's Director, Dr. Vesto M. Slipher, is in the Southern Hemisphere for the best view of the planet. Mr. Slipher has made a closer study of Mars than any other living scientist.

He disclosed that a snowstorm, gigantic in area, covered an area on Mars last weekend comparable to the territory from the earth's north pole to the United States-Canadian border.

In the Martian Northern Hemisphere, now entering its winter season, the apparent snowfield spread in a tongue-shaped direction to 70 degrees latitude bordering the area known as tempe.

Two days later observation failed to locate any snow whatever and the whole ice-cap had melted, leaving a bluish white haze to mark the region where the snow had been.

Mr. Slipher's photographs record the remarkable change. It is known that Mars' temperatures have a daily range from 115 degrees below zero Fahrenheit to 65 above.

Mr. Slipher, using special photographic equipment of new design, hopes to get the first successful color photographs of Mars, but he does not expect to snap any of the Martian "inhabitants" so dear to the chroniclers of inter-stellar fiction.

**SKY-LINE ROUTE NEARS COMPLETION**

Engineering Feat Provides 97-Mile Scenic Drive Along Crest of Mountain Ridges

Above: Right over the tops of mountains is the route of Sky-Line Drive. Firm road foundations, topped with skidproof pavements, provide added safety for motor travellers.

Left: Spreading the white flakes of calcium chloride. This material is used in stabilizing the road base before the final paved surface is constructed.

BEFORE the U. S. Bureau of Public Roads is through, John Motorist will be able to enter a mountain-top highway at Front Royal, Virginia, and ride south with the clouds for nearly 600 miles. The first section of this scenic highway, known as Sky-Line Drive, is now nearly completed and is open to traffic for almost its entire 97-mile length.

To link Sky-Line Drive in the Shenandoah National Park with the Great Smoky Mountains National Park in North Carolina and Tennessee, construction of the Blue Ridge Parkway is progressing rapidly and it is expected that over 150 additional miles will be open to travel by the summer of 1940. Characteristic of the careful engineering employed in building this mountain highway sys-

tem is the preparation of the road base before final surfacing. To guarantee long life and easy maintenance of the finished roadway, particular attention has been given to provide a firm, consolidated foundation. A typical method used to accomplish this purpose is illustrated above.

Here, a carefully proportioned mixture of coarse and fine soil materials has been placed on the roadway, then stabilized with calcium chloride, a chemical used to absorb and retain moisture. During the time preceding application of the bituminous surface, this stabilized layer solidifies and packs down as dense as concrete. In furnishing this firm foundation for the final surface, the engineers have greatly reduced the possibility of future frost bumps and dips

which are so dangerous to motorists and costly to correct.

This, of course, is but one of the measures taken to insure safety and comfort for travellers of the mountain route. The bituminous pavement is of coarse texture to prevent skidding, stout guard-rails give protection wherever necessary, and parking overlooks are provided at frequent intervals to afford panoramic views without the danger of stopping on the travelled way.

When the Blue Ridge Parkway section of this scenic highway is completed a few years hence, American motorists will enjoy a mountain drive without parallel in the whole world—a monumental tribute to the ingenuity of the country's highway engineers.

**Plums! Plums! Plums!**

By Frances Lee Barton

GOOD old-fashioned plums, turned into jam by using the most modern recipe, will assure you of an excellent "spread" for your winter bread and biscuits. Can and preserve plenty of fruits and berries as they are in season. Today it's "plum time." Here is a "Plum Jam" recipe that is "plumb timely."

Plum Jam  
4 cups (2 lbs.) prepared fruit;  
7 1/2 cups (3 3/4 lbs.) sugar; 1/2 bottle fruit pectin.

To prepare fruit, pit about 2 1/2 pounds fully ripe fruit. Do not peel. Cut in small pieces and crush thoroughly. Add 1/4 cup water, bring to a boil, and simmer, covered, 5 minutes. (Sour, clingstone plums give best color and flavor. If sweet plums or freestone prunes are used, substitute 1/4 cup lemon juice for 1/4 cup of prepared fruit specified.)

Measure sugar and prepared fruit into large kettle, mix well, and bring to a full rolling boil over hottest fire. Stir constantly before and while boiling. Boil hard 1 minute. Remove from fire and stir in bottled fruit pectin. Skim; pour quickly. Paraffin hot jam at once. Makes about 11 glasses (6 fluid ounces each).

A W. C. T. U. road sign was dedicated and unveiled on the William Chamberlain property last Sunday evening, July 30th, at 6:00 o'clock. A procession led by the Boy Scouts proceeded from the Community United Presbyterian Church to the sign's permanent location on the Dixie Highway.

The service was opened by the group singing, "My Country 'Tis of Thee". The salute to the American Flag was led by the Boy Scouts. A salute to the Temperance Flag was led by the Loyal Temperance Legion and a salute to the Christian Flag was led by the Pioneers.

A short talk was given by the W. C. T. U. president, Mrs. William Pelton, after which the road sign was unveiled. The service was closed by taps by the Boy Scouts and prayer by Rev. C. J. Sutton.

Bernard Chamberlain is confined to his bed by illness. Bernie Gould is recovering from a bad case of bronchial pneumonia.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine each month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

STATE OF MICHIGAN—The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 31st day of July A. D. 1939.

Present: Hon. Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Joseph H. Alger, Deceased.

Roy A. Alger, Administrator of said estate, having filed in said court a petition praying that the time for the presentation of claims against said estate be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said court.

It is Ordered, that four months from this date be allowed for creditors to present claims against said estate.

It is Further Ordered, that 4th day of December 1939 at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

ARTHUR E. MOORE, Judge of Probate.

NOTICE OF SALE \$115,000.00 SCHOOL DISTRICT NO. 3, FRACTIONAL OF THE TOWNSHIPS OF INDEPENDENCE AND SPRINGFIELD, OAKLAND COUNTY, MICHIGAN 1939 REFUNDING BONDS

Sealed bids for the purchase of 1939 Refunding Bonds to be issued by School District No. 3, Fractional, of the Townships of Independence and Springfield, Oakland County, Michigan, of a par value of \$115,000 will be received by the undersigned at the office of the Board of Education in the Clarkston School, Clarkston, Michigan, until 8:00 o'clock P. M., Eastern Standard Time, on the 15th day of August, A. D. 1939, at which time they will be opened and considered by the Board of Education of said school district.

The said bonds will be dated as of September 15, 1939, will be numbered in the direct numerical order of their maturities, and will mature serially as follows: \$3,000 on the 1st day of April of each year from 1940 to 1942, both inclusive, \$4,000 on the 1st day of April of each year from 1943 to 1951, both inclusive, and \$5,000 on the 1st day of April of each year from 1952 to 1965, both inclusive, without option of prior payment except that bonds in the principal sum of \$15,000 maturing on the 1st day of April in the years 1963 to 1965, both inclusive, will be subject to redemption in inverse numerical order at plus accrued interest on any interest payment date on and after April 1, 1944, upon thirty days' published notice. Said bonds will be coupon bonds of the denomination of \$1,000 each and will bear interest at a rate or rates not exceeding 2 1/2% per annum to April 1, 1942, not exceeding 3 3/4% per annum thereafter to April 1, 1947, and not exceeding 4 3/4% per annum thereafter until paid, expressed in multiples of 1/4 of 1%, said interest to be payable on April 1, 1940 and semi-annually thereafter on the 1st days of April and October of each year. Both principal and interest will be payable at the Detroit Trust Company in the City of Detroit, Michigan, or at its successor paying agent named by said school district which shall be a responsible bank or trust company in the City of Detroit, Michigan.

The bonds will be awarded to the bidder whose bid produces the lowest interest cost to the school district after deducting the premium offered, if any. Interest on premium will not be considered as deductible in determining the net interest cost.

These bonds will be the general obligation of said school district which is authorized and required by law to levy upon all the taxable property therein, such ad valorem taxes as may be necessary to pay the bonds and interest thereon, without limitation as to rate or amount.

A certified check in the amount of 2% of the par value of said bonds, drawn upon an incorporated bank or trust company and payable to the order of School District No. 3, Fractional, of the Townships of Independence and Springfield, must accompany each bid as a guarantee of good faith on the part of the bidder. No interest will be allowed on the good faith checks.

Bids shall be conditioned upon the legal opinion of Claude H. Stevens of Berry and Stevens, attorneys at Law, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds will be paid by the school district.

No proposal for less than all of the bonds will be considered. The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds".

Any interested bidder will be furnished upon request, a report of the essential facts pertaining to the financial condition of the school district.

Remember Your Home Newspaper

All matters handled thru the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper week by week.

"He stuck in his thumb and pulled out a plum and said 'what a b'ave boy am I'."

Jack Horner was not the only one with a plum complex. This delicious fruit has millions of friends. Now that fresh plums are obtainable (as well as home canned), why not feature an unusual plum dessert in your home? Let your little Jack Horner stick in his thumb and pull out a plum—figuratively speaking, of course!

Plums Grenadier  
1 package cherry-flavored gelatin; 1 cup hot water; 1 cup juice fresh plums; 1 cup canned or sliced fresh blue plums.  
Dissolve gelatin in hot water. Add plum juice. Chill. When set, slice and fold in plums. Turn into individual molds. Chill until firm. Serves 6.

**FORD V-8!**

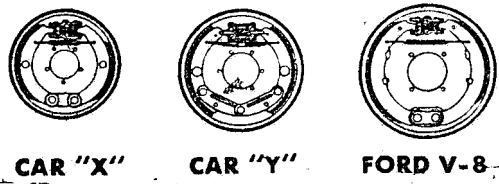

Are you "fed up" on motor car claims and counter-claims? Here are some FACTS—and FIGURES—on the 1939 Ford V-8. We think they indicate that behind the STYLE LEADERSHIP of the Ford V-8, there's QUALITY LEADERSHIP! Why not see us today, and ask us to PROVE to you that the Ford V-8 is the car you've been looking for!

**WORLD'S MOST MODERN AUTOMOBILE ENGINE**

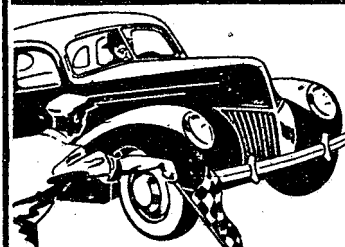

**BIGGEST HYDRAULIC BRAKES!**

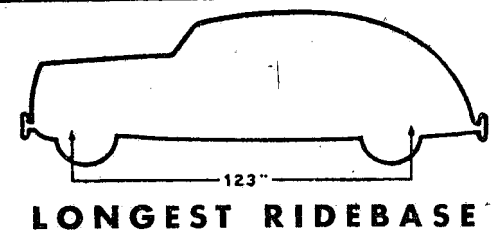

V-type engines hold records on land, sea and air. Every high-price car in America has eight—or more—cylinders. Yet ONLY FORD gives you a V-type "eight" in a low-price car!

The Ford V-8 has the LARGEST DIAMETER BRAKE DRUMS, and largest SERVICE BRAKE-LINING AREA, of any leading low-price car! Hand brake operates rear wheel brakes.

**BEST GAS MILEAGE**

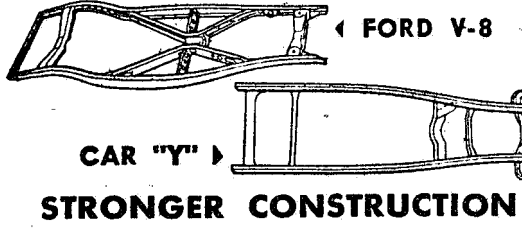

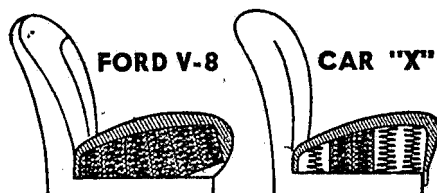

**LONGEST RIDEBASE**

In the 1939 Gilmore-Yosemite Economy Run, an 85-hp. Ford V-8 averaged 24.57 miles per gallon (as reported in Motor Age)—BEST GAS MILEAGE of the leading low-price cars!

The Ford V-8 springbase is 11 inches longer than that of one leading low-price car, 9 inches longer than that of the other. Yet ease of handling and parking is not decreased!

**SOFTER SEAT CUSHIONS**

**STRONGER CONSTRUCTION**

Actual scale drawings show the SOFTER, THICKER SEAT CUSHIONS in the Ford V-8, compared with another leading low-price car—6 rows of luxury springs, compared with 2!

Comparative drawings show you Ford's DOUBLE REINFORCED X-TYPE FRAME, beside frame of another low-price car—typical of FORD QUALITY LEADERSHIP!

**AND ALL THIS IN ADDITION**

- Style Leadership!
- Scientific Soundproofing!
- Triple-Cushioned Comfort!
- Center-Poise Ride!
- Stabilized Enclosed Chassis!
- Low Prices Include Complete Equipment!
